# 2023 Annual KSV Charity Golf Classic

**Monday June 16th, 2023**

Proudly Supporting the Peter Munk Cardiac Centre at University Health Network's Toronto General Hospital and Toronto Western Hospital.

# Hello Friends,

---

Welcome to our annual KSV Charity Golf Classic.

We would like to take this opportunity to thank you for joining us to support the Peter Munk Cardiac Centre (“PMCC”).

The proceeds of this year’s event will be used for research, education and the enhancement of patient care at the PMCC. The funds raised will enable the PMCC to recruit and retain some of the best clinicians and researchers in the world and to help build an environment that allows their dreams to take shape and materialize into medical advances that make life better for patients treated in the PMCC and around the Globe.

Thanks to the overwhelming support from our sponsors, we expect to net approximately \$250,000 for the PMCC.

Today’s event will be the perfect combination of golf on a championship-level course, outstanding prizes, raffle items, and exceptional networking opportunities. We will “Tee Up” today’s event with registration and breakfast.

We hope you enjoy the day and look forward to seeing you on the green! Thank you again to all of our participants, generous sponsors, and donors for all of your support.

## The Course

---

Founded in 2001, Granite Golf Club is a first-class private club designed by world-renowned architect Thomas McBroom.

Located in Uxbridge, the Course is a par 72 layout on rolling terrain laid upon the Oak Ridges Moraine. The boundaries of the course are buffered by protected wildlife habitat. The layout is faithful to the natural contours of the land. No office towers or residential developments block your view of the magnificent countryside. The impeccable playing conditions are the result of responsible, environmental grounds maintenance, allowing the course to thrive in harmony with the timeless beauty of the region.

The Course features superbly manicured bent grass fairways framed by old growth forest. The greens are impeccable and fast. The bunkers are dramatic and remarkably consistent in their playability. The par threes are as unique as they are picturesque.

The course is maintained in superb condition and offers first class private-club service. The clubhouse is a Richard Wengle design and is elegant and understated and features spectacular views of the golf course and the moraine. The practice facility stands second to none and is complimented by three practice holes and an acclaimed short game academy.

# In Memoriam of Javed Rasool

---

Javed Rasool was a dear friend to the firm. KSV and its predecessors lost a dedicated and loyal restructuring associate and internal accountant last year.

Javed was an experienced insolvency practitioner who was particularly effective at the execution phase of the mandate based on his practical business experience and common sense. He was a team player, a great mentor to our younger staff and was always a fun person to be around.

Javed was an avid golfer who very much enjoyed the KSV Charity Golf Classic. It is our honour to recognize Javed at this year's tournament.

We will always have very fond memories of Javed.
