**FOURTH AFFIDAVIT OF BEN LI**

**Sworn on September 9, 2024**

I, Ben Li, of Calgary, Alberta, SWEAR AND SAY THAT:

1. I am the President and Chief Executive Officer of AlphaBow Energy Ltd. (“**AlphaBow**” or the “**Applicant**”). As such, I have personal knowledge of the matters deposed to in this Affidavit except where stated as based on information and belief, in which case I verily believe the statements to be true.

2. This Affidavit (the “**Fourth Li Affidavit**”) should be read in conjunction with the prior Affidavits which I have sworn in this matter, including the Affidavit sworn by me on April 15, 2024 (the “**First Li Affidavit**”), the Supplemental Affidavit sworn by me on April 24, 2024 (the “**Supplemental Li Affidavit**”), the Affidavit sworn by me on July 15, 2024 (the “**Second Li Affidavit**”) and the Affidavit sworn by me on August 15, 2024 (the “**Third Li Affidavit**”).
3. Terms not otherwise defined herein, shall bear the meaning ascribed in the First Li Affidavit.

## **I. RELIEF SOUGHT**

4. This Affidavit is sworn in support of an application by AlphaBow for relief under the *Companies’ Creditors Arrangement Act*, RSC 1985, c C-36, as amended, (the “**CCAA**”), and specifically an order declaring service of its Application and supporting materials good and sufficient; an extension of the stay of proceedings initially imposed by the Amended and Restated Initial Order (the “**ARIO**”) to October 30, 2024 (the “**Stay Extension**”); approval of an Asset Purchase and Sale Agreement between AlphaBow and Cenovus Energy Inc. (“**Cenovus**”); and the sealing of the Confidential Appendices.

## **II. BACKGROUND**

5. AlphaBow is an Alberta headquartered oil and gas company. AlphaBow hold licenses for 3,785 wells, 4,038 pipelines, and 321 facilities across Alberta (the “**Licensed Assets**”).
6. Following various actions by the Alberta Energy Regulator, including an order requiring the posting of \$15,374,050 in security and ordering the suspension of AlphaBow’s operations when it was unable to comply, AlphaBow commenced restructuring proceedings by filing a Notice of Intention to Make a Proposal pursuant to section 50.4 of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, (the “**NOI**”) with KSV Restructuring Inc. appointed as Monitor.
7. On April 26, 2024, this Honourable Court granted an Initial Order and ARIO, in addition to approving the Sale and Investment Solicitation Process (“**SISP**”) and approval of the sale of certain non-operated working interests to Cascade Capture Ltd.

8. AlphaBow does not have any credit facilities with a secured lender but as at the end of 2023, had approximately \$88 million in liabilities (excluding environmental liabilities) consisting primarily of trade payables, municipal tax and surface lease payment arrears as well as amounts owing to the Alberta Energy Regulator (“**AER**”), including the requested security deposit.
9. AlphaBow’s oil and gas assets have been under the care and custody of the Orphan Well Association (“**OWA**”) since September 2023, pursuant to the direction of the AER.

### **III. CURRENT STATUS OF ALPHABOW’S RESTRUCTURING EFFORTS**

10. AlphaBow has continued to engage with its stakeholders and creditors to facilitate the objectives of these proceedings. This has included responding to general inquiries and other stakeholder requests.

#### **A. Mineral Transfers**

11. AlphaBow had been contacted by Rothmans Energy Inc. (“**Rothmans**”), who purchased certain of AlphaBow’s mineral interests and assumed the associated cure costs pursuant to a Purchase and Sale Agreement entered into prior to the NOI. AlphaBow continues to work with Rothmans to ensure that the relevant crown leases are transferred to Rothmans.

#### **B. Current Status of the SISP**

12. Since the Third Li Affidavit, AlphaBow continues to actively participate in the SISP and its associated marketing process, in collaboration with the Monitor and the Sales Advisor. In particular, AlphaBow continues to respond to requests for information from buyers and is continuing to review certain agreements that may be material to the SISP, including a Gross Overriding Royalty Agreement and circumstances in which rights of first refusal may be triggered thereunder.
13. Similarly, AlphaBow has been working collaboratively with stakeholders to provide consent for road use access upon request.
14. To support the sales process, AlphaBow has also attended site visits with Phase 2 bidders and responded to inquiries to assist with the diligence process.

15. Since the close of the Phase 2 bid deadline on September 5, 2024, the Sales Advisor in conjunction with the Monitor and AlphaBow are currently in the process of assessing the bids.

### **C. Cenovus Sale**

16. AlphaBow, with the assistance of the Monitor and in consultation with the Sales Advisor, selected a bid tendered within the SISP by Cenovus for the purchase of lands at Twp 52 Rge 7 W4M NE Sec 9 (the “Asset”). There are no Alberta Energy Regulator licenses or approvals associated with this transaction.

17. Cenovus’s bid was the best overall bid received for the Asset, taking into account the purchase price, the certainty of Cenovus’s ability to close, and other material terms of the transaction. Cenovus’s bid was not subject to any material conditions other than the requirement for Court approval. As such, I believe that the closing risk with respect to the sale of the Asset is minimal.

18. I further believe that Cenovus’ Bid will achieve the highest recovery for all stakeholders. Attached as **Exhibit “A”** is a redacted copy of the Cenovus Purchase Agreement. Further, as noted below, the funds generated from closing are necessary to fund the ongoing operations of Alphabow within this proceeding.

19. I am of the view that the above considerations support approval of the sale of the Asset to Cenovus and the granting of the related relief to conclude this transaction.

### **D. Claims Process**

20. During the SISP, many Phase 2 potential bidders have inquired with AlphaBow about the cure costs associated with specific assets. In order for the Applicant to accurately respond to these

bidders' requests, it is necessary to determine the quantum and classification of the claims being asserted against the Applicant.

21. As there are hundreds of creditors, I believe that a Claims Process is the most efficient way to determine amounts that are owed by AlphaBow.
22. The Applicant has, with the participation of the Monitor, developed a Claims Process for this purpose, in addition to identifying any secured or priority claims for in the event there are funds available for distribution.
23. The key terms of the proposed Claims Process are:
  - (a) forthwith a Claims Package (as defined in the Claims Process) will be issued by the Monitor to each of the Known Claimants and Notice to Claimant will be posted on the Monitor's Website and in the Daily Oil Bulletin;
  - (b) the Claims Process sets a Claims Bar Date of 5:00 p.m. Calgary time on October 23, 2024 (the "**Claims Bar Date**") whereby if a Claimant fails to deliver a Proof of Claim, the Claimant will be deemed to have waived their entitlement;
  - (c) Claims will be reviewed by the Monitor as necessary for the purposes of these proceedings and where there is a dispute, such a dispute will be adjudicated in accordance with the Claims Process; and
  - (d) if the Monitor and any Claimant disagree on the Claims, those disputes must be resolved through Application with the Court in accordance with the Notice of Dispute of Revision or Disallowance process.
24. The Monitor approves the proposed procedures and order comprising the Claims Process, and supports the approval of the Claims Process.

#### **E. Cash Flow Forecast**

25. AlphaBow worked with the Monitor to prepare an updated cash flow forecast (a copy of which will be attached to the Third Report of the Monitor). As indicated in that forecast, AlphaBow

projects that it will have sufficient cash, following closing of the Cenovus Sale, to continue these proceedings through to the end of the Stay Extension. I anticipate that additional sales are capable of closing in the near future, which will provide further cash necessary to conclude the process.

26. AlphaBow is also working with partners to determine whether there may be an ability to obtain interim financing to conclude the sales process should such funding be required.
27. AlphaBow has now received invoices from the OWA for post-filing custody costs. AlphaBow continues to review the invoices and intends to work with the OWA regarding the timing of payment.

#### **F. Stay Extension**

28. During the CCAA Proceedings, AlphaBow has been working diligently and in good faith with the Monitor and the Sales Advisor to work towards a restructuring. As noted above, AlphaBow has taken a number of steps to advance the SISP, but requires an extension of the Stay Period to be able to complete the SISP and undertake a Claims Process. There are numerous offers that were received within the SISP that will require review, consideration, and negotiation. A stay extension will be necessary to select the most favorable offers, consult with the AER regarding reactivation of the assets and to ensure support for offers that require license transfers, and finalize offers for Court approval.
29. Without the benefit of an ongoing stay of proceedings to October 30, 2024, there could be an immediate and significant erosion of value to the detriment of all stakeholders. There are a number of legal proceedings that have been commenced by AlphaBow's creditors that were stayed as a result of the ARIO. These legal proceedings may resume if the Stay Extension is not granted.
30. In my view, the requested extension is appropriate and will not materially prejudice any of AlphaBow's creditors. AlphaBow's cash flow forecast will be included in the Monitor's Report to be filed in connection with this Application.

**G. Sealing Order**

31. I understand that the Monitor intends to provide the Court with an unredacted copy of the Cenovus Purchase Agreement, which includes the purchase price and other commercially sensitive information regarding the Phase II bids. I believe that the publication or dissemination of such confidential information at this time could negatively impact these proceedings.

**IV. CONCLUSION**

32. I swear this Affidavit in support of the relief sought in paragraph 4 and for no other or improper purpose.

## **ARTICLE 2 PURCHASE AND SALE**

### **2.1 Agreement of Purchase and Sale**

Subject to the terms and conditions of this Agreement, and in consideration of the Purchase Price, the Vendor hereby agrees to sell, assign and transfer to the Purchaser, and the Purchaser agrees to purchase, accept and receive from the Vendor, the Vendor's Interest in and to the Assets.

### **2.2 Transfer of Property and Assumption of Liabilities**

Provided that Closing occurs and subject to the terms and conditions of this Agreement, possession, risk, and legal and beneficial ownership of the Assets shall transfer from the Vendor to the Purchaser on the Closing Date, and the Purchaser agrees to assume, discharge, perform and fulfil all Assumed Liabilities. Without limiting the provisions of this Agreement relating to the General Conveyance, Assignment and Assumption Agreement (and such agreement itself), or any other provisions of this Agreement relating to sale, transfer, assignment, conveyance or delivery, the Assets shall be sold, assigned, transferred, conveyed, and delivered by the Vendor to the Purchaser by way of the Licence Transfers, the Specific Conveyances and other appropriate instruments of transfer, bills of sale, endorsements, assignments, and deeds, in recordable form, or by way of an Order of the Court, as appropriate, and free and clear of any and all Claims other than Permitted Encumbrances, as applicable.

Each Party shall be responsible for its own costs relating to LTAs hereunder. The Purchaser shall provide any information and documentation in respect of such LTAs to the AER which are required to be provided by the transferee in connection with the foregoing. Following submission of the LTAs, the Purchaser shall use reasonable commercial efforts to obtain the approval from the AER of the LTAs and registration of the Licence Transfers, subject to the specific requirements of this Section 2.3.

- (b) If the AER denies any of the LTAs because of misdescription or other minor deficiencies contained therein, the Vendor shall, within two Business Days of such denial, correct the LTA(s) and amend and re-submit the LTA(s), and the Purchaser shall accept or ratify such re-submitted LTAs without delay.
- (c) In the event that the Purchaser has applied, or prior to the Closing Date applies, to the AER for a discretionary waiver from the AER's security requirements in respect of the Transaction, then Vendor shall provide such information and documentation to the AER regarding the Assets as may reasonably be required in connection with the AER's review of such discretionary waiver application made by the Purchaser (but only to the extent such information and documentation has not already been made available by the Vendor or its Representatives to the Purchaser or its Representatives); provided that the Purchaser agrees it shall have primary carriage of, and be solely responsible at its own cost for submitting and liaising with the AER in respect of, such application.
- (d) The Purchaser shall on a timely and continuing basis keep the Vendor fully apprised and informed regarding all communications the Purchaser may have with the AER in connection with the Transaction, including all communications respecting LTAs, and without limiting the generality of the foregoing the Purchaser shall provide copies to the Vendor of all related correspondence from the Purchaser to the AER, and the Purchaser shall request that the AER provide copies to the Vendor of all related correspondence from the AER to the Purchaser.

## **2.4 Specific Conveyances**

- (a) Within a reasonable time following its receipt of the Title Documents from Vendor, Purchaser shall prepare and provide for the Vendor's review all Specific Conveyances. None of the Specific Conveyances shall confer or impose upon either Party any greater right or obligation than as contemplated in this Agreement. Promptly after Closing, the Purchaser shall register and/or distribute (as applicable), all such Specific Conveyances and shall bear all costs incurred therewith and in preparing and registering any further assurances required to convey the Assets to the Purchaser.
- (b) As soon as practicable following Closing, the Vendor shall deliver or cause to be delivered to the Purchaser such original copies of the Title Documents and any other agreements and documents to which the Assets are subject and such original copies of contracts, agreements, records, books, documents, licenses, reports and data comprising Miscellaneous Interests which are now in the possession or control of the Vendor or of which the Vendor gains possession or control prior to Closing.

- (c) Notwithstanding Sections 2.4(a) and 2.4(b), requests for the transfers from the Vendor to the Purchaser of registered Crown leases or licences, related surface rights and any other Title Documents which are administered by a Governmental Authority shall be submitted by the Vendor and accepted by the Purchaser as soon as is practicable after Closing.

## **2.5 Post-Closing Maintenance of Assets**

- (a) Following Closing, if and to the extent that Purchaser must be novated into, recognized as a party to, or otherwise accepted as assignee or transferee of Vendor's interest in the Assets or certain of them, including any Title Documents and Assumed Contracts, the following provisions shall apply with respect to the applicable Assets until such novation, recognition or acceptance has occurred:
  - (i) the Purchaser shall use reasonable commercial efforts to obtain, as may be required by the terms of any Assumed Contracts, consents or approvals to the assignment of such Assumed Contracts; provided that to the extent that any Cure Costs are payable with respect to any Assumed Contract, the Purchaser shall be responsible for and shall pay all such Cure Costs, which shall be paid directly to the counterparty as and when required in conjunction with the assignment of the Assumed Contracts, and which Cure Costs shall form part of the Purchase Price for the Assets;
  - (ii) to the extent not obtained prior to the Closing Date, the Purchaser shall continue to use reasonable commercial efforts to obtain the AER's approval of the LTAs and registration of the Licence Transfers;
  - (iii) to the extent permitted by any applicable Assumed Contract:
    - (A) the Purchaser will pay, perform and discharge the duties and obligations accruing after Closing under such Assumed Contract, on behalf of the Vendor, until such time as the effective transfer or assignment of the relevant Assumed Contract to the Purchaser; and
    - (B) the Vendor shall use reasonable commercial efforts to exercise the rights, entitlements, benefits and remedies under such Assumed Contract, on behalf of the Purchaser until such time as the effective transfer or assignment of the relevant Assumed Contract to the Purchaser, or such Assumed Contract expires or otherwise terminates;
  - (iv) the Vendor shall not have any liability as a consequence of the Vendor taking any action or causing anything to be done under this Section 2.5(a), and the Purchaser shall be responsible and liable for, and, as a separate covenant, shall hereby indemnify and save harmless the Vendor and its Representatives against, all costs and expenses reasonably incurred by the Vendor, its Affiliates or their respective Representatives as a consequence of or in connection with this Section 2.5(a); and
  - (v) nothing in this Agreement shall constitute an agreement to assign, and shall not be construed as an assignment of, or an attempt to assign to the Purchaser, any Assumed Contract until such time as the necessary consents or approvals with respect to the assignment are obtained.

- (b) Both before and after Closing, the Purchaser shall use all commercially reasonable efforts to obtain any and all approvals required under Applicable Law and any and all material consents of Third Parties required to permit this Transaction to be completed. The Parties acknowledge that the acquisition of such consents shall not be a condition precedent to Closing. It shall be the sole obligation of the Purchaser, at the Purchaser's sole cost and expense, to provide any and all financial assurances, deposits or security that may be required by Governmental Authorities or any Third Parties under the Assumed Contracts or Applicable Laws to permit the transfer of the Assets, including the Assumed Contracts, to the Purchaser.

## **2.6 Assumed Liabilities**

Following Closing, the Purchaser shall assume, perform, discharge and pay when due all of the Assumed Liabilities. For greater certainty, the Purchaser acknowledges and agrees that the Environmental Liabilities and Abandonment and Reclamation Obligations in respect of the Assets are future costs and obligations associated with the ownership of the Assets that are tied and connected to the ownership of the Assets such that they are inextricably linked and embedded with the Assets.

## **ARTICLE 3 PURCHASE PRICE**

### **3.1 Purchase Price**

The consideration payable by the Purchaser for the Assets shall be the sum of \$ [REDACTED] (the "**Purchase Price**"). The Purchase Price shall be satisfied in accordance with Section 3.3(b) and shall not be subject to any adjustment (and for greater certainty, Cure Costs shall be satisfied in accordance with Section 2.5(a)(i)). The Purchaser and the Vendor acknowledge and agree that the Purchase Price reflects the fair market value of the Assets as of the Closing Date, having due regard to the Environmental Liabilities connected to and embedded in the Assets that depress the value of the Assets.

### **3.2 Allocation of Purchase Price**

The Purchase Price shall be allocated among the Assets as follows:

- (a) to the Petroleum and Natural Gas Rights, \$ [REDACTED];
- (b) to the Tangibles, \$0.00; and

  - (ii) the Deposit has been delivered to and shall be held in trust by the Monitor; and
  - (iii) the Deposit shall be held and administered by the Monitor in accordance with the terms and conditions of this Agreement (including this Section 3.3).

- (b) At Closing, the Purchase Price (other than Cure Costs, which are payable in accordance with Section 2.5(a)(i)) shall be paid and satisfied as follows:
  - (i) as to the amount of the Deposit, the Monitor shall retain the amount of the Deposit and apply such amount against the amount of the Purchase Price; and
  - (ii) as to the balance of the Purchase Price (other than Cure Costs, which are payable in accordance with Section 2.5(a)(i)), along with any additional amounts owing in respect of applicable GST, the Purchaser shall pay to the Vendor such amount by electronic wire transfer.
- (c) If this Agreement is terminated:
  - (i) (A) pursuant to Section 13.1(a) by mutual agreement of the Parties; (B) pursuant to Sections 13.1(b) or 13.1(c) by the Purchaser; (C) pursuant to Section 13.1(e) by the Vendor; or (D) for any other reason other than as contemplated under Section 3.3(c)(ii); then the Deposit shall be returned to the Purchaser; or
  - (ii) pursuant to Section 13.1(d) by the Vendor, the full amount of the Deposit shall be forfeited to the Vendor,

and, subject to Section 13.2, each Party shall be released from all obligations and liabilities under or in connection with this Agreement. In the event of termination of this Agreement under Section 3.3(c)(ii) pursuant to which the Vendor shall be entitled to retain the Deposit, the Parties agree that the amount of the Deposit, constitutes a genuine pre-estimate of liquidated damages representing the Vendor's Losses and Liabilities as a result of Closing not occurring and agree that the Vendor shall not be entitled to recover from the Purchaser any amounts that are in excess of the Deposit as a result of Closing not occurring. The Purchaser hereby waives any claim or defence that the amount of the Deposit is a penalty or is otherwise not a genuine pre-estimate of the Vendor's damages.

## **ARTICLE 4 TRANSFER TAXES**

### **4.1 Transfer Taxes**

The Parties agree that:

- (a) the Purchase Price does not include Transfer Taxes and the Purchaser shall be liable for and shall pay, and be solely responsible for, any and all Transfer Taxes pertaining to the Purchaser's acquisition of the Assets; and
- (b) the Purchaser shall indemnify the Vendor and its Affiliates for, from and against any Transfer Taxes (including any interest or penalties imposed by a Governmental Authority) that any of them are required to pay or for which any of them may become liable as a result of any failure by the Purchaser to self-assess, pay or remit such Transfer Taxes, other than as a result of a failure by the Vendor or its Affiliates to timely remit any amounts on account of Transfer Taxes paid by the Purchaser hereunder.

- (vi) without limiting the generality of the foregoing, the Vendor is not under any obligation to disclose to the Purchaser, and shall have no liability for its failure to disclose to the Purchaser, any information known to it relating to the Assets except as may be required by any Applicable Law; and
- (vii) neither the Vendor, its Affiliates or their respective Representatives are liable or bound in any manner by any oral or written statements, representations or information pertaining to the Assets, or the operation thereof, made or furnished by any real estate broker, agent, employee, or other Person.

## **6.2 "As Is, Where Is", No Additional Representations**

- (a) Without limiting any other provision of this Agreement, the Purchaser acknowledges and agrees that it is acquiring the Assets on an "as is, where is" and "without recourse" basis with all defects, both patent and latent, and with all faults, whether known or unknown, presently existing or that may hereafter arise. The Purchaser acknowledges and agrees that, except as expressly set forth in this Agreement, the Vendor, its Affiliates and their respective Representatives have not made, do not make and specifically negate and disclaim any representation, warranty, promise, covenant, agreement or guaranty of any kind or character whatsoever, whether express or implied, oral or written, past, present or future, of, as to, concerning or with respect to the Assets. For greater certainty, but without limitation, except as expressly set forth in this Agreement, none of the Vendor, its Affiliates or their respective Representatives make any condition, representation or warranty whatsoever, express or implied, with respect to:

  - (xviii) any other matter with respect to the Assets.
- (b) The Purchaser acknowledges that the release and disclaimer described in this Article 6 is intended to be very broad and, except for its express rights under this Agreement, the

Purchaser expressly waives and relinquishes any rights or benefits it may have under any Applicable Law designed to invalidate releases of unknown or unsuspected claims.

- (c) Except for its express rights under this Agreement, the Purchaser hereby waives all rights and remedies (whether now existing or hereinafter arising and including all common law, tort, contractual and statutory rights and remedies) against the Vendor, its Affiliates and their respective Representatives in respect of the Assets and any representations or statements made or information or data furnished to the Purchaser or its Representatives in connection herewith (whether made or furnished orally or by electronic, faxed, written or other means). Such waiver is absolute, unlimited, and includes, but is not limited to, waiver of express warranties, implied warranties, any warranties contained in the *Sale of Goods Act* (Alberta), the *Sale of Goods Act* (British Columbia) (or similar applicable statutes, all as may be amended, repealed or replaced), warranties of fitness for a particular use, warranties of merchantability, warranties of occupancy, strict liability and claims of every kind and type, including claims regarding defects, whether or not discoverable or latent, product liability claims, or similar claims, and all other claims that may be later created or conceived in strict liability or as strict liability type claims and rights.

## **ARTICLE 7 RISK AND COSTS AND INSURANCE**

### **7.1 Risk and Costs**

Except as otherwise provided for in this Agreement, the Assets will be at the sole risk and responsibility of the Vendor until the Closing Date, and thereafter at the sole risk and responsibility of the Purchaser.

### **7.2 Insurance**

Any property, liability and other insurance maintained by the Vendor in relation to the Assets, to the extent applicable, shall not be transferred at Closing, but shall remain the responsibility of the Vendor until the Closing Date. The Purchaser shall be responsible for placing its own property, liability and other insurance coverage with respect to the Assets in respect of the period from and after 12:01 a.m. on the Closing Date.

## **ARTICLE 8 INDEMNIFICATION**

### **8.1 Indemnification Given by Purchaser**

If Closing occurs, the Purchaser shall:

- (a) be liable to the Vendor, its Affiliates and their respective Representatives for; and
- (b) as a separate covenant, indemnify and save harmless the Vendor, its Affiliates and their respective Representatives from and against;

all Losses and Liabilities suffered, sustained, paid or incurred by the Vendor, its Affiliates and/or their respective Representatives related to or in connection with the Assets and the Assumed Liabilities, including: (i) all Losses and Liabilities attributable to the ownership, operation, use, construction or maintenance of the Assets during the period following the Closing Date; (ii) all Losses and Liabilities

arising or accruing on or after the Closing Date under any Assumed Contract, including any and all Cure Costs; and (iii) any other Losses and Liabilities for which the Purchaser has otherwise agreed to indemnify the Vendor pursuant to this Agreement, including pursuant to Section 9.2. The Purchaser's indemnity obligations set forth in this Section 8.1 shall survive the Closing Date indefinitely pursuant to Section 14.3.

## 8.2 Third Party Claims

- (a) If any of the Vendor, its Affiliates or any of their respective Representatives receives written notice of the commencement or assertion of any Third Party Claim for which the Purchaser is liable pursuant to this Agreement (or has otherwise agreed to indemnify the Vendor, its Affiliates or their respective Representatives against), the Vendor shall give the Purchaser reasonably prompt notice thereof, but in any event no later than ten (10) days after receipt of such notice of such Third Party Claim. Such notice to the Purchaser shall describe the Third Party Claim in reasonable detail and shall indicate, if reasonably practicable, the estimated amount (or the method of computation of the amount) of the Losses and Liabilities that has been or may be sustained by the Vendor, its Affiliates or their respective Representatives, respectively, and a reference to the provisions of this Agreement, or other applicable document, upon which such claim is based.
- (b) The Purchaser may assume the carriage and control of the defence of any Third Party Claim by giving notice to that effect to the Vendor, not later than ten (10) days after receiving notice of that Third Party Claim (the "**Notice Period**") so long as: (i) the Purchaser first acknowledges to the Vendor, in writing, liability to the Vendor, its Affiliates and/or their respective Representatives, under this Agreement with respect to such Third Party Claim and that the outcome of such Third Party Claim does not alter or diminish the Purchaser's obligation to indemnify the Vendor, its Affiliates and/or their respective Representatives, pursuant to this Agreement, subject to the Purchaser's right to contest in good faith the Third Party Claim; (ii) the Purchaser has the financial resources to defend against the Third Party Claim and fulfill any indemnification obligations and has provided the Vendor, its Affiliates and/or their respective Representatives, with evidence thereof; (iii) the Third Party Claim involves monetary damages; and (iv) the Purchaser thereafter pursues the defence or settlement of the Third Party Claim actively and diligently. The Purchaser's right to do so shall be subject to the rights of any insurer or other third party who has potential liability in respect of that Third Party Claim. The Purchaser shall pay all of its own expenses of participating in or assuming such defence. In the event that the Purchaser elects to assume the carriage and control of the defence of a Third Party Claim pursuant to this Section 8.2(b), then the Vendor shall, or shall cause its Affiliates and/or their respective Representatives to, cooperate in good faith in the defence of each Third Party Claim and may participate in such defence assisted by counsel of its own choice at its own expense.
- (c) If the Vendor has not received notice within the Notice Period that the Purchaser has elected to assume the carriage and control of the defence of such Third Party Claim in accordance with Section 8.2(b), or if the Purchaser has given such notice but thereafter fails or is unable to pursue the defence or settlement of such Third Party Claim actively and diligently, the Vendor, its Affiliates and/or their respective Representatives, may, at their option, elect to settle or compromise the Third Party Claim on terms of its choosing, or assume such defence assisted by counsel of its own choosing, and the Purchaser shall be liable for all reasonable costs and expenses paid or incurred in connection therewith and any Losses and Liabilities suffered or incurred by the Vendor, its Affiliates and/or their Representatives with respect to such Third Party Claim.

### **8.3 Failure to Give Timely Notice**

Notwithstanding that time is of the essence, a failure to give timely notice as provided in this Article 8 shall not affect the rights or obligations of any Party except and only to the extent that, as a result of such failure, any Party which was entitled to receive such notice was deprived of its right to recover any payment under any applicable insurance coverage or was otherwise prejudiced as a result of such failure.

### **8.4 No Merger**

There shall not be any merger of any liability or indemnity hereunder in any assignment, conveyance, transfer or document delivered pursuant hereto notwithstanding any rule of law, equity or statute to the contrary and all such rules are hereby waived.

### **8.5 Third Party Beneficiary**

The Vendor's Representatives and the Vendor's Affiliates, its Affiliates and all of their respective Representatives are intended third party beneficiaries of this Article 8 and shall have the right, power and authority to enforce the provisions hereof as though they were each a party hereto. The Purchaser further agrees to execute such agreements as may be reasonably requested by such Persons in connection with these provisions that are consistent with this Article 8 or that are reasonably necessary to give further effect thereto.

## **ARTICLE 9 ENVIRONMENTAL MATTERS**

### **9.1 Acknowledgements Regarding Environmental Condition**

The Purchaser acknowledges that, insofar as the environmental condition of the Assets is concerned, it will acquire the Assets pursuant hereto on an "as is, where is" basis. The Purchaser acknowledges that it is familiar with the condition of the Assets, including the past and present use of the Lands and the Tangibles, that the Vendor has provided the Purchaser with a reasonable opportunity to inspect the Assets at the sole cost, risk and expense of the Purchaser (insofar as the Vendor could reasonably provide such access) and that the Purchaser is not relying upon any representation or warranty of the Vendor, its Affiliates or any of their respective Representatives as to the environmental condition of the Assets, or any Environmental Liabilities or Abandonment and Reclamation Obligations in respect thereof.

### **9.2 Assumption of Environmental Liabilities**

If Closing occurs, the Purchaser shall:

- (a) be liable to the Vendor, its Affiliates and their respective Representatives for; and
- (b) as a separate covenant, indemnify and save harmless the Vendor, its Affiliates and their respective Representatives from and against;

all Losses and Liabilities suffered, sustained, paid or incurred by the Vendor, its Affiliates or their respective Representatives as a result of any matter or thing arising out of, attributable to or connected with any Environmental Liabilities or any Abandonment and Reclamation Obligations. Once Closing has occurred, the Purchaser shall be solely responsible for all Environmental Liabilities and all Abandonment and Reclamation Obligations as between the Vendor (on one hand) and the Purchaser (on the other hand) including whether occurring or accruing prior to, on or after the Closing Date, and hereby releases the

Vendor, its Affiliates and their respective Representatives from any claims the Purchaser may have against the Vendor with respect to all such Environmental Liabilities and Abandonment and Reclamation Obligations. Without restricting the generality of the foregoing, the Purchaser shall be responsible for all Environmental Liabilities and Abandonment and Reclamation Obligations (including whether occurring or accruing prior to, on or after the Closing Date) in respect of all Wells and Tangibles.

## **ARTICLE 10 COVENANTS**

### **10.1 Conduct of Business Until Closing**

- (a) Until the Closing Date, the Vendor shall provide the Purchaser with all access to the Assets as reasonably required by the Purchaser in order to allow for and assist the Purchaser with an orderly passing of the Assets to the Purchaser following Closing in accordance herewith.
- (b) The access to the Assets to be afforded to the Purchaser and its Representatives pursuant to this Section 10.1 will be subject to the Assumed Contracts and all of the Vendor's site entry protocols, health, safety and environmental rules, policies and procedures. Further, the Purchaser acknowledges and agrees that it shall:
  - (i) be solely liable and responsible for any and all Losses and Liabilities which the Vendor, its Affiliates or their respective Representatives may suffer, sustain, pay or incur; and
  - (ii) as a separate covenant, indemnify and save harmless the Vendor, its Affiliates and their respective Representatives harmless from any and all Claims or Losses and Liabilities whatsoever which may be brought against, suffered by or incurred by the Vendor, its Affiliates or their respective Representatives;

arising out of, resulting from, attributable to or in any way connected with any access provided to the Purchaser or its Representatives pursuant to this Section 10.1.

### **10.2 ROFRs**

- (a) The Purchaser acknowledges that it shall be responsible for conducting such separate investigation of the Assets as the Purchaser has determined is appropriate with respect to the identification of ROFRs applicable to the Assets as soon as is reasonably practicable after the date hereof. The Purchaser shall indemnify Losses and Liabilities suffered, sustained, paid or incurred by the Vendor, its Affiliates or their respective Representatives as a result of any failure by the Purchaser to identify ROFRs applicable to the Assets or any Third Party Claim relating to the allocation of the value of a ROFR to be determined by the Purchaser in accordance with Section 10.2(b)(i), as applicable.
- (b) If the Purchaser has identified any ROFRs pursuant to Section 10.2(a):
  - (i) promptly following the identification of Assets which are the subject of ROFRs, the Purchaser shall prepare and provide the Vendor with ROFR notices to be issued in respect of such ROFRs, which shall include the Purchaser's bona fide allocation of the amount of the Purchase Price attributable to each of such Assets which are subject to a ROFR;

- (ii) the Vendor shall courier ROFR notices to the Third Parties holding such ROFRs promptly following the receipt of the same from the Purchaser; and
  - (iii) to the extent the Purchaser is not copied directly on a response from a Third Party ROFR holder, the Vendor shall notify the Purchaser in writing forthwith upon each Third Party exercising or waiving such a ROFR.
- (c) If any such Third Party elects to exercise such a ROFR, then:
- (i) the definition of Assets shall be deemed to be amended to exclude those Assets in respect of which the ROFR has been exercised;
  - (ii) such Assets shall not be conveyed to the Purchaser;
  - (iii) any proceeds received by the Vendor from a Third Party in respect of the sale and conveyance of any Assets which are subject to a ROFR shall be deemed to not constitute Assets for the purposes of this Agreement; and
  - (iv) the Purchase Price shall not be subject to any reduction in the event of the exercise of any such ROFR by a Third Party.
- (d) In the event that a Third Party exercises a ROFR and is then unable or unwilling to enter into a conveyance agreement with the Vendor for the relevant Assets, the Purchaser agrees to accept a conveyance of such Assets under the same terms and conditions as this Agreement to whatever extent possible.
- (e) Closing shall not be delayed even though certain of the ROFRs are outstanding and capable of exercise by the holders thereof as of the Closing Date (such ROFRs being referred to as "**Outstanding ROFRs**"). In such case, the following procedures shall apply:
- (i) the Parties shall proceed with Closing (for greater certainty without any reduction in the Purchase Price for the Outstanding ROFRs, and without variation of any other terms or conditions of this Agreement);
  - (ii) the Purchaser shall have (as of the Closing Date) prepared all Specific Conveyances and other closing documentation required for the sale of the Assets subject to the Outstanding ROFRs (the "**Outstanding ROFR Assets**");
  - (iii) if an Outstanding ROFR is exercised by a Third Party, the Vendor will promptly notify the Purchaser thereof in writing, the Specific Conveyances and other closing documentation related to such Outstanding ROFR Assets will be of no force or effect and shall be destroyed by the Purchaser, and the provisions of Section 10.2(c) shall apply to the Assets which are the subject of the Outstanding ROFR being exercised by the Third Party, *mutatis mutandis*; and
  - (iv) if after Closing an Outstanding ROFR is extinguished by lapse of time, waiver or otherwise (other than as a result of being exercised), the Vendor will promptly notify the Purchaser thereof in writing and promptly deliver copies of the Specific Conveyances and closing documentation previously prepared to the Purchaser, and such documentation shall be effective and the sale of such Outstanding ROFR

Assets to Purchaser pursuant hereto shall be deemed to have closed on the Closing Date.

### **10.3 Document Review**

Prior to Closing, the Vendor shall provide Purchaser with reasonable access to the Title Documents and other Miscellaneous Interests in the possession or under the control of Vendor for the purpose of verifying the continued validity and effect of the Title Documents, the identification of Assets the subject of ROFRs, the preparation of Specific Conveyances and other matters related to this Agreement and the Transaction.

Each Party agrees that service of process on such Party as provided in Section 14.13 shall be deemed effective service of process on such Party.

### 14.5 Consequential Damages

Under no circumstance shall any of the Parties, their Representatives or their respective directors, officers, employees or agents be liable for any punitive, exemplary, consequential or indirect damages (including for greater certainty, any loss of profits) (collectively, "**Consequential Damages**") that may be alleged to result, in connection with, arise out of, or relate to this Agreement or the Transaction, other than Consequential Damages for which the Purchaser is liable as a result of a Third Party Claim (which liability shall be subject to and recoverable under Article 8 (Indemnification)). For greater certainty, the Parties agree that none of the Parties, their respective Affiliates or their respective Representatives shall be liable for any lost profits whatsoever, whether such lost profits are considered to be direct, consequential or indirect losses, and regardless of whether such lost profits were foreseeable by the Parties at any time or whether such lost profits were the direct and natural result of a Party's breach of its obligations under this Agreement.

### 14.6 Further Assurances

Each of the Parties from and after the date hereof shall, from time to time, and at the request and expense of the Party requesting the same, do all such further acts and things and execute and deliver such

further instruments, documents, matters, papers and assurances as may be reasonably requested to complete the Transaction and for more effectually carrying out the true intent and meaning of this Agreement.

#### **14.7 Assignment**

The Purchaser shall not, without the Vendor's prior written consent, assign any right or interest in this Agreement, which consent may be withheld in the Vendor's sole and absolute discretion, except that the Purchaser shall have the right to assign any or all of its rights, interests or obligations hereunder to one or more Affiliates of the Purchaser, provided that: (a) such Affiliate agrees to be bound by the terms of this Agreement; (b) the Purchaser shall remain liable hereunder for any breach of the terms of this Agreement by such Affiliate; (c) such assignment shall not release the Purchaser from any obligation or liability hereunder in favour of the Vendor; and (d) the Purchaser shall acknowledge and confirm its continuing obligations in favour of the Vendor in an assignment and assumption agreement in form and substance satisfactory to the Vendor.

#### **14.8 Waiver**

No failure on the part of any Party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or remedy preclude any other or further exercise thereof or the exercise of any right or remedy in law or in equity or by statute or otherwise conferred. No waiver by any Party of any breach (whether actual or anticipated) of any of the terms, conditions, representations or warranties contained herein shall take effect or be binding upon that Party unless the waiver is expressed in writing under the authority of that Party. Any waiver so given shall extend only to the particular breach so waived and shall not limit or affect any rights with respect to any other or future breach.

#### **14.9 Amendment**

This Agreement shall not be varied in its terms or amended by oral agreement or by representations or otherwise other than by an instrument in writing dated subsequent to the date hereof, executed by a duly authorized representative of each Party.

#### **14.10 Time of the Essence**

Time is of the essence in this Agreement.

#### **14.11 Costs and Expenses**

Unless otherwise provided for in this Agreement, each Party shall be responsible for all costs and expenses (including the fees and disbursements of legal counsel, bankers, investment bankers, accountants, brokers and other advisors) incurred by it in connection with this Agreement and the Transaction. Notwithstanding any other provision of this Agreement, the Purchaser shall pay the cost of all surveys, title insurance policies and title reports ordered by the Purchaser.

#### **14.12 Entire Agreement**

This Agreement and the Confidentiality Agreement (the terms and conditions of which are incorporated by reference into this Agreement, and binding upon the Parties, as if such agreement were signed directly by the Parties) constitute the entire agreement between the Parties with respect to the subject matter hereof and cancel and supersede all prior agreements, understandings, negotiations and discussions, whether oral or written, between the Parties with respect to the subject matter hereof. There are no

conditions, covenants, agreements, representations, warranties or other provisions, whether oral or written, express or implied, collateral, statutory or otherwise, relating to the subject matter hereof other than those contained in this Agreement or in the Confidentiality Agreement.

- 1. Service of notice of this application and supporting materials is hereby declared to be good and sufficient, no other person is required to have been served with notice of this application and time for service of this application is abridged to that actually given.<sup>2</sup>

**APPROVAL OF TRANSACTION**

- 2. The Transaction is hereby approved<sup>3</sup> and execution of the Sale Agreement by AlphaBow is hereby authorized and approved, with such minor amendments as AlphaBow may deem necessary. AlphaBow is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for completion of the Transaction and conveyance of the Purchased Assets to the Purchaser (or its nominee).

**VESTING OF PROPERTY**

- 3. [Subject only to approval by the Alberta Energy Regulator (“**Energy Regulator**”) of transfer of any applicable licenses, permits and approvals pursuant to section 24 of the *Oil and Gas Conservation Act* (Alberta) and section 18 of the *Pipeline Act* (Alberta)]<sup>4</sup> upon delivery of a

<sup>2</sup> Ensure that the application and supporting materials are served on all affected parties including those whose interests will be vested off.

<sup>3</sup> In some cases, notably where this Order may be relied upon for proceedings in the United States, a finding that the Transaction is commercially reasonable and in the best interests of the Debtor and its stakeholders may be necessary. Evidence should be filed to support such a finding. If supported by evidence, the following sentence could be added at the beginning of paragraph 2: “The Transaction and Sale Agreement are commercially reasonable and in the best interest of the Debtor and its stakeholders.”

<sup>4</sup> This bracketed clause, paragraph 4(b) and the bracketed words at the end of paragraph 6 are included when the Purchased Assets include mineral interests in land.

Receiver's certificate to the Purchaser (or its nominee) substantially in the form set out in **Schedule "A"** hereto (the "**Monitor's Certificate**"), all of the Debtor's right, title and interest in and to the Purchased Assets [listed in **Schedule "B"**<sup>5</sup> hereto] shall vest absolutely in the name of the Purchaser (or its nominee), free and clear of and from any and all caveats, security interests, hypothecs, pledges, mortgages, liens, trusts or deemed trusts, reservations of ownership, royalties, options, rights of pre-emption, privileges, interests, assignments, actions, judgements, executions, levies, taxes, writs of enforcement, charges, or other claims, whether contractual, statutory, financial, monetary or otherwise, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, "Claims")<sup>6</sup> including, without limiting the generality of the foregoing:

- (a) any encumbrances or charges created by the Receivership Order;
- (b) any charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Alberta) or any other personal property registry system;
- (c) any liens or claims of lien under the *Builders' Lien Act* (Alberta); and
- (d) those Claims listed in Schedule "C" hereto (all of which are collectively referred to as the "Encumbrances", which term shall not include the permitted encumbrances, caveats, interests, easements, and restrictive covenants listed in Schedule "D" (collectively, "Permitted Encumbrances"))

and for greater certainty, this Court orders that all Claims including Encumbrances other than Permitted Encumbrances, affecting or relating to the Purchased Assets are hereby expunged, discharged and terminated as against the Purchased Assets

4. Upon delivery of AlphaBow's Closing Certificate, and upon filing of a certified copy of this Order, together with any applicable registration fees, all governmental authorities including those referred to below in this paragraph (collectively, "Governmental Authorities") are hereby authorized, requested and directed to accept delivery of such Monitor's Certificate and certified copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance as may be required to convey to the Purchaser

---

<sup>5</sup> To allow this Order to be free-standing (and not require reference to the Court record and/or the Sale Agreement), it may be preferable that the Purchased Assets be specifically described in a Schedule B.

<sup>6</sup> The "Claims" being vested out may, in some cases, include ownership claims, where ownership is disputed and the dispute is brought to the attention of the Court. Such ownership claims may, in some cases, continue as against the net proceeds from sale of the claimed assets. In other cases, the ownership claimant may object to its ownership interest being vested out of the claimed assets. For example, it not clear that vesting orders can vest out overriding royalties or restrictive covenants which are interests in land. (In *Third Eye Capital Corp. v Dianor Resources Inc.*, 2018 ONCA 253 at paragraphs 108-130 the Ont. C.A. requested further argument regarding whether an overriding royalty which is an interest in land may nevertheless be vested out.) Similarly, other claimed rights, titles or interests may potentially be vested out if the Court is advised what rights are being affected and the affected persons are served. The Committee agrees with the view of the Ontario Committee that a non-specific vesting out of "rights, titles and interests" is vague and therefore undesirable.

- (a)<sup>7</sup> the Registrar of Land Titles (“Land Titles Registrar”) for the lands defined below shall and is hereby authorized, requested and directed to forthwith:
- (i) cancel existing Certificates of Title No. \* for those lands and premises municipally described as \*, and legally described as:
    - \*  
(the “Lands”)
  - (ii) issue a new Certificate of Title for the Lands in the name of the Purchaser (or its nominee), namely, \*;
  - (iii) transfer to the New Certificate of Title the existing instruments listed in Schedule “D”, to this Order, and to issue and register against the New Certificate of Title such new caveats, utility rights of ways, easements or other instruments as are listed in Schedule “D”; and
  - (iv) discharge and expunge the Encumbrances listed in Schedule “C” to this Order and discharge and expunge any Claims including Encumbrances (but excluding Permitted Encumbrances) which may be registered after the date of the Sale Agreement against the existing Certificate of Title to the Lands;
- (b)<sup>8</sup> Alberta Energy (“**Energy Ministry**”) shall and is hereby authorized, requested and directed to forthwith:
- (v) cancel and discharge those Claims including builders’ liens, security notices, assignments under section 426 (formerly section 177) of the *Bank Act* (Canada) and other Encumbrances (but excluding Permitted Encumbrances) registered (whether before or after the date of this Order) against the estate or interest of the Debtor in and to any of the Purchased Assets located in the Province of Alberta; and

---

<sup>7</sup> Paragraph 4(a) is included when the Purchased Assets include titled lands.

<sup>8</sup> Paragraph 4(b) is included when the Purchased Assets include mineral interests in land.

(vi) transfer all Crown leases listed in Schedule “E” to this Order standing in the name of the Debtor, to the Purchaser (or its nominee) free and clear of all Claims including Encumbrances but excluding Permitted Encumbrances;

1.1. the Registrar of the Alberta Personal Property Registry (the “**PPR Registrar**”) shall and is hereby directed to forthwith cancel and discharge any registrations at the Alberta Personal Property Registry (whether made before or after the date of this Order) claiming security interests (other than Permitted Encumbrances) in the estate or interest of the Debtor in any of the Purchased Assets which are of a kind prescribed by applicable regulations as serial-number goods.

5. In order to effect the transfers and discharges described above, this Court directs each of the Governmental Authorities to take such steps as are necessary to give effect to the terms of this Order and the Sale Agreement. Presentment of this Order and AlphaBow’s Closing Certificate shall be the sole and sufficient authority for the Governmental Authorities to make and register transfers of title or interest and cancel and discharge registrations against any of the Purchased Assets of any Claims including Encumbrances but excluding Permitted Encumbrances.
6. No authorization, approval or other action by and no notice to or filing with any governmental authority or regulatory body exercising jurisdiction over the Purchased Assets is required for the due execution, delivery and performance by AlphaBow of the Sale Agreement, [other than any required approval by the Energy Regulator referenced in paragraph 3 above.]<sup>9</sup>
7. Upon delivery of the Monitor’s Certificate together with a certified copy of this Order, this Order shall be immediately registered by the Land Titles Registrar notwithstanding the requirements of section 191(1) of the *Land Titles Act*, RSA 2000, c.L-7 and notwithstanding that the appeal period in respect of this Order has not elapsed. The Land Titles Registrar is hereby directed to accept all Affidavits of Corporate Signing Authority submitted by AlphaBow in its capacity as Receiver of the Debtor and not in its personal capacity.
8. For the purposes of determining the nature and priority of Claims, net proceeds<sup>10</sup> from sale of the Purchased Assets (to be held in an interest bearing trust account by AlphaBow) shall stand in the place and stead of the Purchased Assets from and after delivery of the Monitor’s Certificate and all Claims including Encumbrances (but excluding Permitted Encumbrances) shall not attach to,

<sup>9</sup> The bracketed words in this paragraph are included when the Purchased Assets include mineral interests in land.

<sup>10</sup> The Report should identify the disposition costs and any other costs which should be paid from the gross sale proceeds, to arrive at “net proceeds”.

encumber or otherwise form a charge, security interest, lien, or other Claim against the Purchased Assets and may be asserted against the net proceeds from sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale. Unless otherwise ordered (whether before or after the date of this Order), AlphaBow shall not make any distributions to creditors of net proceeds from sale of the Purchased Assets without further order of this Court, provided however AlphaBow may apply any part of such net proceeds to repay any amounts AlphaBow has borrowed for which it has issued a Certificate pursuant to the Receivership Order.

9. Except as expressly provided for in the Sale Agreement or by section 5 of the Alberta *Employment Standards Code*, the Purchaser (or its nominee) shall not, by completion of the Transaction, have liability of any kind whatsoever in respect of any Claims against the Debtor.<sup>11</sup>
10. Upon completion of the Transaction, the Debtor and all persons who claim by, through or under the Debtor in respect of the Purchased Assets, and all persons or entities having any Claims of any kind whatsoever in respect of the Purchased Assets, save and except for persons entitled to the benefit of the Permitted Encumbrances, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or other Claim whatsoever in respect of or to the Purchased Assets, and to the extent that any such persons or entities remain in the possession or control of any of the Purchased Assets, or any artifacts, certificates, instruments or other indicia of title representing or evidencing any right, title, estate, or interest in and to the Purchased Assets, they shall forthwith deliver possession thereof to the Purchaser (or its nominee).<sup>12</sup>
11. The Purchaser (or its nominee) shall be entitled to enter into and upon, hold and enjoy the Purchased Assets for its own use and benefit without any interference of or by the Debtor, or any person claiming by, through or against the Debtor.

---

<sup>11</sup> Successor employer liability is governed by section 5 of the *Employment Standards Code*, RSA 2000 c. E-9 as amended. Inclusion of the words "or by statute" in paragraph 9 ensures that paragraph 9 does not purport to abrogate statutory successor employee liability.

<sup>12</sup> Not all sale agreements require, nor do the terms of the Debtor's possession of human resources and payroll information always permit, disclosure and transfer of such information to the Purchaser. If disclosure and transfer of such information to the Purchaser is not required or permitted, then Section 10 of this Order should be deleted.

12. Immediately upon closing of the Transaction, holders of Permitted Encumbrances shall have no claim whatsoever against AlphaBow.<sup>13</sup>
13. AlphaBow is directed to file with the Court a copy of the Monitor's Certificate forthwith after delivery thereof to the Purchaser (or its nominee).
14. Pursuant to clause 7(3)(c) of the *Personal Information Protection and Electronic Documents Act* (Canada) and section 20(e) of the *Alberta Personal Information Protection Act*, AlphaBow is authorized and permitted to disclose and transfer to the Purchaser (or its nominee) all human resources and payroll information in the Debtor's records pertaining to the Debtor's past and current employees. The Purchaser (or its nominee) shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use (of such information) to which the Debtor was entitled.

#### **MISCELLANEOUS MATTERS**

15. Notwithstanding:
  - (a) the pendency of these proceedings and any declaration of insolvency made herein;
  - (b) the pendency of any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c.B-3, as amended (the "BIA"), in respect of the Debtor, and any bankruptcy order issued pursuant to any such applications;
  - (c) any assignment in bankruptcy made in respect of the Debtor; and
  - (d) the provisions of any federal or provincial statute:

the vesting of the Purchased Assets in the Purchaser (or its nominee) pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a transfer at undervalue, settlement, fraudulent preference, assignment, fraudulent conveyance, or other reviewable transaction under the BIA or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

---

<sup>13</sup> The terms of the Permitted Encumbrance and Sale Agreement should be reviewed to determine whether an encumbrance also constitutes a charge against other assets not being sold (in addition to the Purchased Assets.) In that circumstance, absent agreement of the encumbrancer to the contrary, the Debtor may not be fully discharged so the encumbrancer does not lose its charge over the other assets it holds as security. Do not add the words "or the Debtor" to the end of paragraph 12 if an encumbrancer's claim against the Debtor should be reserved.

16. AlphaBow, the Purchaser (or its nominee) and any other interested party, shall be at liberty to apply for further advice, assistance and direction as may be necessary in order to give full force and effect to the terms of this Order and to assist and aid the parties in closing the Transaction.
17. This Honourable Court hereby requests the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in any of its provinces or territories or in any foreign jurisdiction, to act in aid of and to be complimentary to this Court in carrying out the terms of this Order, to give effect to this Order and to assist AlphaBow and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such order and to provide such assistance to AlphaBow, as an officer of the Court, as may be necessary or desirable to give effect to this Order or to assist AlphaBow and its agents in carrying out the terms of this Order.
18. Service of this Order shall be deemed good and sufficient by:
- (a) Serving the same on:
    - (i) the persons listed on the service list created in these proceedings;
    - (ii) any other person served with notice of the application for this Order;
    - (iii) any other parties attending or represented at the application for this Order;
    - (iv) the Purchaser or the Purchaser's solicitors; and
  - (b) Posting a copy of this Order on AlphaBow's website at: \*
- and service on any other person is hereby dispensed with.
19. Service of this Order may be effected by facsimile, electronic mail, personal delivery or courier. Service is deemed to be effected the next business day following transmission or delivery of this Order.
