SUPPLEMENT TO SEVENTH AFFIDAVIT OF BEN LI

Sworn on December 16, 2024

I, Ben Li, of Calgary, Alberta, SWEAR AND SAY THAT:

1. I am the President and Chief Executive Officer of AlphaBow Energy Ltd. ("**AlphaBow**" or the "**Applicant**"). As such, I have personal knowledge of the matters deposed to in this Affidavit except where stated as based on information and belief, in which case I verily believe the statements to be true.

2. This Affidavit (the "**Supplemental to the Seventh Li Affidavit**") should be read in conjunction with the prior Affidavits which I have sworn in this matter, including the Affidavit sworn by me on April 15, 2024 (the "**First Li Affidavit**"), the Supplemental Affidavit sworn by me on April 24, 2024 (the "**Supplemental Li Affidavit**"), the Affidavit sworn by me on July 15, 2024 (the "**Second Li Affidavit**"), the Affidavit sworn by me on August 15, 2024 (the "**Third Li Affidavit**"), the Affidavit sworn by me on September 9, 2024 (the "**Fourth Li Affidavit**"), the Affidavit sworn by me on October 21, 2024 (the "**Fifth Li Affidavit**"), the Affidavit sworn by me on November 12, 2024 (the "**Sixth Li Affidavit**"), the Affidavit sworn by me on November 19, 2024 (the "**Supplemental to the Sixth Li Affidavit**") and the Affidavit sworn by me on December 9, 2024 (the "**Seventh Li Affidavit**").
3. Terms not otherwise defined herein, shall bear the meaning ascribed in the First Li Affidavit and Seventh Li Affidavit.

I. RELIEF SOUGHT

4. I swear this Affidavit in further support of an application by AlphaBow proceeding on December 19, 2024 (the "**Application**"), for relief under the *Companies' Creditors Arrangement Act*, RSC 1985, c C-36, as amended, (the "**CCAA**").

II. UPDATE ON ASSET SALES

The Transaction

5. Following filing of the Seventh Li Affidavit, it was identified that the well lists in Schedule A in each of the Cascade Purchase Agreement and Second Cascade Purchase Agreement were not enclosed. Further, I understand that some of the well assets listed in Schedule A of the Cascade Purchase Agreement have been altered as a result of changes to the Bench Creek asset listing. Attached as **Exhibit "A"** and **Exhibit "B"** to my supplemental Affidavit is the Schedule A of each of the Cascade Purchase Agreement and Second Cascade Purchase Agreement.
6. Given the various changes to the Cascade Purchase Agreement and Second Cascade Purchase Agreement, the Subscription Agreement's excluded liabilities has been updated. In response to

comments from stakeholders and further consideration, certain other amendments to the Subscription Agreement have also been made. Attached as **Exhibit "C"** to my supplemental Affidavit is the blackline identifying the amendments to the Subscription Agreement.

Update on Bench Creek Sale

7. Since the swearing of the Seventh Li Affidavit, AlphaBow and Bench Creek have continued to work towards finalizing amendments to the Bench Creek Purchase Agreement, as defined in the Seventh Li Affidavit. Following discussions with the Alberta Energy Regulator, Bench Creek has significantly amended their offer. This revised offer is under review.
8. In the interim, AlphaBow intends to run a supplemental process to ensure that it obtains the best bid for all or part of the Bench Creek Assets. If a purchaser is not identified, the Bench Creek Assets will form a part of the assets remaining with AlphaBow under the Subscription Agreement.

Update on Rockeast Sale

9. Since the swearing of the Seventh Li Affidavit, AlphaBow and Rockeast have continued to work towards finalizing the schedules and Rockeast Purchase Agreement, as defined in the Seventh Li Affidavit, and associated schedules, which has resulted in incremental amendments to the executed Rockeast Purchase Agreement. Attached as **Exhibit "D"** to my supplemental Affidavit is a blackline showing the changes from what was provided in the Seventh Li Affidavit.

Update on North40 Sale

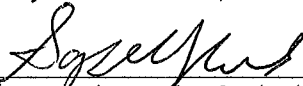

10. I have been informed by AlphaBow's counsel, Keely Cameron of Bennett Jones LLP, that since the swearing of the Seventh Li Affidavit and on December 9, 2024, counsel for Bearspaw wrote to counsel for AlphaBow advising of its intention to negotiate a resolution to its claim, but in order to do so, it required information from AlphaBow as to the proceeds from production of oil from the 7-15 Well paid to or withheld from AlphaBow. Attached as **Exhibit "E"** is a copy of the correspondence from Bearspaw's counsel to counsel for AlphaBow, North40 and Torxen on December 9, 2024.

11. On December 11, 2024, Ms. Cameron responded by email, advising that AlphaBow had been unable to find any records relating to the receipt of oil revenue from the 7-15 Well. She further advised that from August 30, 2023, all amounts owing to AlphaBow from Torxen were garnished by the AER. Ms. Cameron requested a meeting to further discuss. Attached as **Exhibit "F"** is a copy of the correspondence from Ms. Cameron to Bearspaw's counsel on December 11, 2024.
12. On the same day, counsel for Bearspaw advised Ms. Cameron that AlphaBow would have to look for oil revenue on a Wayne-Rosedale Glauconitic Unit No. 1 statement from Torxen, as the only oil-producing well in that Unit is the 7-15 Well. Attached as **Exhibit "G"** is a copy of the correspondence from Bearspaw's counsel to counsel for AlphaBow, North40 and Torxen on December 11, 2024.
13. I understand that Bearspaw would like to have Unit Agreement removed from consideration at the Application. AlphaBow is very concerned that doing so would impact the ability for the North40 transaction to close which would also impact the advancement of the other transactions. Further it would require AlphaBow to incur additional costs associated with bringing another application.
14. AlphaBow is not supportive of lifting the stay of proceedings or deferring the approval of the sale of the Unit Agreement. It does not have any concerns with Torxen and Bearspaw pursuing an application regarding the proper interpretation of the Unit Agreement and does not intend to participate in any such application.

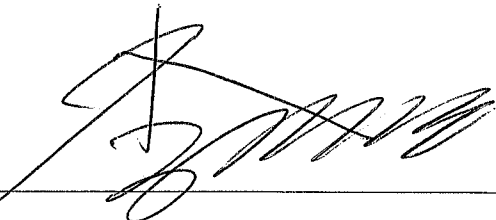

III. CONCLUSION

15. I swear this supplemental Affidavit in support of the relief sought in paragraph 4 and for no other or improper purpose.

Farmout (Capital Program and Earning) Between 2628069 Alberta Ltd. and 2628071 Alberta Ltd.

The relationship between 2628069 Alberta Ltd. and 2628071 Alberta Ltd. is such that 2628069 Alberta Ltd. on terms akin to a typical farmin will earn 45% of the 2628071 Alberta Ltd. mineral interests in Chigwell by spending \$10 million on the joint lands, facilities and EOR projects to increase the gross oil production to in the order of 1000 bopd. The ongoing arrangement will be such that 2628069 Alberta Ltd. will be motivated to keep the production at a level of 1000 bopd or more and will carry the up front capital costs of doing so if necessary (subject to a below industry standard recovery of 150% of the up front capital).
