Section 10.7 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 10.8 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Loans. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Sections 2.15, 10.2, 10.3, and 10.4 and the agreements of Lenders set forth in Sections 2.13, 9.3(b) and 9.6 shall survive the payment of the Loans, and the termination hereof.

Section 10.9 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to the Administrative Agent, the Collateral Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Loan Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

Section 10.10 Marshalling; Payments Set Aside. Neither the Collateral Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent or Lenders (or to the Administrative Agent, on behalf of Lenders), or the Administrative Agent or Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

Section 10.11 Severability. In case any provision in or obligation hereunder or any Promissory Note or other Loan Document shall be invalid, illegal or unenforceable in any

jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

Section 10.12 Lender Obligations Several; Independent Nature of Lenders' Rights. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or any Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

Section 10.13 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

Section 10.14 APPLICABLE LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Section 10.15 CONSENT TO JURISDICTION; CONSENT TO SERVICE OF PROCESS.

(a) EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY, BOROUGH OF MANHATTAN, AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(b) EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(c) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.1. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 10.16 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER FINANCING DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.16 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER FINANCING DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Section 10.17 Confidentiality. All Confidential Information (as defined below) furnished by any Loan Party to the Administrative Agent, the Collateral Agent or a Lender (each, a "**Recipient**") is confidential and shall be treated by such Recipient so as to maintain the confidentiality thereof; provided, however, that a Recipient may disclose such information (i) to

its Affiliates, limited partners, investors, partners and members and its and their respective directors, managers, officers, employees, attorneys, accountants, advisors, consultants, agents or representatives (collectively "**Permitted Recipients**") and such Permitted Recipients shall be advised of the provisions of this Section 10.17), (ii) to any potential assignee or transferee of any of its rights or obligations hereunder or any of their agents and advisors (provided that such potential assignee or transferee shall have been advised of and agree to be bound by the provisions of this Section 10.17), (iii) if such information (x) becomes publicly available other than as a result of a breach of this Section 10.17, (y) becomes available to a Recipient or any of its Permitted Recipients on a non-confidential basis from a source other than the Loan Parties or (z) is independently developed by the Recipient or any of its Permitted Recipients, (iv) to enable it to enforce or otherwise exercise any of its rights and remedies under any Loan Document or (v) as consented to by the Borrower. Notwithstanding anything to the contrary set forth in this Section 10.17 or otherwise, nothing herein shall prevent a Recipient or its Permitted Recipients from complying with any legal requirements (including, without limitation, pursuant to any rule, regulation, stock exchange requirement, self-regulatory body, supervisory authority, other applicable judicial or governmental order, legal process, fiduciary or similar duties or otherwise) to disclose any Confidential Information. In addition, the Recipient and its Permitted Recipients may disclose Confidential Information if so requested by a governmental, self-regulatory or supervisory authority. Notwithstanding any other provision of this Section 10.17, the parties (and each employee, representative, or other agent of the parties) may disclose to any and all Persons, without limitation of any kind, the Tax treatment and any facts that may be relevant to the Tax structure of the transactions contemplated by this Agreement and the other Loan Documents; provided, however, that no party (and no employee, representative, or other agent thereof) shall disclose any other information that is not relevant to an understanding of the Tax treatment and Tax structure of the transaction (including the identity of any party and any information that could lead another to determine the identity of any party), or any other information to the extent that such disclosure could reasonably result in a violation of any applicable securities law. Each Loan Party hereby acknowledges and agrees that, subject to the restrictions on disclosure of Confidential Information as provided in this Section 10.17, the Recipient and their respective Affiliates are in the business of making investments in and otherwise engaging in businesses which may or may not be in competition with the Loan Parties or otherwise related to their and their Affiliates' respective business and that nothing herein shall, or shall be construed to, limit the Lenders' or their Affiliates' ability to make such investments or engage in such businesses. "**Confidential Information**" means all information received from any Loan Party relating to such Loan Party's businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any Subsidiary.

Section 10.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged or agreed to be paid with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount

of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrower. In determining whether the interest contracted for, charged, or received by Administrative Agent or a Lender exceeds the Highest Lawful Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest, throughout the contemplated term of the Obligations hereunder.

Section 10.19 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

Section 10.20 Patriot Act. Each Lender, the Administrative Agent and the Collateral Agent (in each case, for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender, the Administrative Agent or the Collateral Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act.

Section 10.21 Disclosure. Each Loan Party and each Lender hereby acknowledges and agrees that Administrative Agent and/or its Affiliates and their respective Related Funds from time to time may hold investments in, and make loans to, or have other relationships with any of the Loan Parties and their respective Affiliates, including the ownership, purchase and sale of Capital Stock in any Loan Party or an Affiliate of any Loan Party and each Lender hereby expressly consents to such relationships.

Section 10.22 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Collateral Agent and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession. Should any Lender (other than the Collateral Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent and the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with Administrative Agent and the Collateral Agent's instructions.

Section 10.23 Advertising and Publicity. No Loan Party shall issue or disseminate to the public (by advertisement, including without limitation any "tombstone" advertisement, press release or otherwise), submit for publication or otherwise cause or seek to publish any information describing the credit or other financial accommodations made available by Lenders pursuant to

this Agreement and the other Loan Documents without the prior written consent of the Administrative Agent. Nothing in the foregoing shall be construed to prohibit any Loan Party (or any of its Affiliates) from making any submission or filing which it (or one of its Affiliates) is required to make by applicable law (including securities laws, rules and regulations) or pursuant to judicial process; provided, that, (a) such filing or submission shall contain only such information as is necessary to comply with applicable law or judicial process and (b) unless specifically prohibited by applicable law or court order, the Borrower shall promptly notify Administrative Agent of the requirement to make such submission or filing and provide Administrative Agent with a copy thereof.

Section 10.24 Acknowledgments and Admissions. The Borrower hereby represents, warrants and acknowledges and admits that:

(a) it has been advised by counsel in the negotiation, execution and delivery of the Loan Documents;

(b) it has made an independent decision to enter into this Agreement and the other Loan Documents to which it is a party, without reliance on any representation, warranty, covenant or undertaking by Administrative Agent, the Collateral Agent or any Lender, whether written, oral or implicit, other than as expressly set out in this Agreement or in another Loan Document delivered on or after the date hereof;

(c) there are no representations, warranties, covenants, undertakings or agreements by the Administrative Agent, the Collateral Agent or any Lender as to the Loan Documents except as expressly set out in this Agreement;

(d) none of the Administrative Agent, the Collateral Agent or any Lender has any fiduciary obligation toward it with respect to any Loan Document or the transactions contemplated thereby;

(e) no partnership or Joint Venture exists with respect to the Loan Documents between any Loan Party and the Administrative Agent, the Collateral Agent or any Lender;

(f) the Administrative Agent is not any Loan Party's Administrative Agent, but the Administrative Agent for the Lenders;

(g) the Collateral Agent is not any Loan Party's Collateral Agent, but the Collateral Agent for the Secured Parties;

(h) Kirkland & Ellis LLP is counsel for the Administrative Agent and is not counsel for any Loan Party;

(i) should an Event of Default or Default occur or exist, each of the Administrative Agent, the Collateral Agent and each Lender will determine in its discretion and for its own reasons what remedies and actions it will or will not exercise or take at that time;

(j) without limiting any of the foregoing, no Loan Party is relying upon any representation or covenant by any of the Administrative Agent, the Collateral Agent or any

Lender, or any representative thereof, and no such representation or covenant has been made, that any of the Administrative Agent, the Collateral Agent or any Lender will, at the time of an Event of Default or Default, or at any other time, waive, negotiate, discuss, or take or refrain from taking any action permitted under the Loan Documents with respect to any such Event of Default or Default or any other provision of the Loan Documents; and

(k) the Administrative Agent, the Collateral Agent and the Lenders have all relied upon the truthfulness of the acknowledgments in this section in deciding to execute and deliver this Agreement and to become obligated hereunder.

Section 10.25 Third Party Beneficiary. Except as stated in Section 9.7, there are no third party beneficiaries of this Agreement.

Section 10.26 Entire Agreement. This Agreement, and the other Loan Documents represent the final and entire agreement among the parties and may not be contradicted by evidence of, and supersedes, all prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

Section 10.27 Time of the Essence. Time is of the essence in this Agreement and the other Loan Documents.

Section 10.28 Anti-Terrorism Laws. If, upon the written request of any Lender, the Administrative Agent or the Collateral Agent has ascertained the identity of the Borrower or any authorized signatories of the Borrower for purposes of Anti-Terrorism Laws, then the Administrative Agent or the Collateral Agent, as applicable:

(a) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a "written agreement" in such regard between such Lender and the Administrative Agent within the meaning of the applicable Anti-Terrorism Law; and

(b) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding and except as may otherwise be agreed in writing, each of the Lenders agrees that neither the Administrative Agent nor the Collateral Agent has any obligation to ascertain the identity of the Borrower or any authorized signatories of the Borrower on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any authorized signatory in doing so.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers hereunto duly authorized as of the date first written above.

THIS **FIRST AMENDMENT TO CREDIT AGREEMENT** (this "**First Amendment**") entered into effective as of October 21, 2021 (the "**First Amendment Effective Date**") is among COPL America Holding Inc., a Delaware corporation, as the parent ("**Parent**"), COPL America Inc., a Delaware corporation, as the borrower (the "**Borrower**"), the other Loan Parties party hereto, the Lenders, and ABC Funding, LLC, as administrative agent and collateral agent (in such capacity, the "**Administrative Agent**") for the Lenders.

R E C I T A L S

A. The Parent, the Borrower, the Lenders from time to time party thereto and the Administrative Agent are parties to that certain Term Loan Credit Agreement, dated as of March 16, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**").

B. The Parent, the Borrower, the Loan Parties, the Administrative Agent and the Lenders desire to enter into this First Amendment to amend certain provisions of the Credit Agreement, in each case, as set forth herein.

NOW, THEREFORE, to induce the Administrative Agent and the Lenders to enter into this First Amendment and in consideration of the premises and the mutual covenants herein contained, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section 1. Defined Terms. Each capitalized term used herein but not otherwise defined herein has the meaning given such term in the Credit Agreement. Unless otherwise indicated, all section references in this First Amendment refer to sections of the Credit Agreement. Upon and after the execution of this First Amendment by each of the parties hereto, each reference in the Credit Agreement to "this First Amendment", "hereunder", "hereof" or words of like import referring to the Credit Agreement, and each reference in the other Loan Documents to "the Credit Agreement", "thereunder", "thereof" or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement as modified hereby.

Section 2. Amendments to the Credit Agreement. In reliance on the representations, warranties, covenants and agreements contained in this First Amendment, and subject to the satisfaction of the conditions precedent set forth in Section 3 hereof, the Credit Agreement shall be amended effective as of the First Amendment Effective Date as follows:

2.1 Section 1.1 of the Credit Agreement is hereby amended by inserting the following new definitions in the appropriate alphabetical order:

"**First Amendment**" means the First Amendment to Credit Agreement, effective as of the First Amendment Effective Date, by and among the Parent, the Borrower, the other Loan Parties party thereto, the Lenders and the Administrative Agent.

"**First Amendment Effective Date**" means October 21, 2021.

2.2 Section 6.1(l) of the Credit Agreement is hereby amended in its entirety to read as follows:

(l) Indebtedness of any Loan Party owed to COPL in an amount not to exceed $6,500,000 in the aggregate over the term of this Agreement; provided, that (i) such Indebtedness is unsecured and subordinated to the payment in full of the Loans on terms satisfactory to the Administrative Agent in its sole discretion, (ii) such Indebtedness is on terms satisfactory to the Administrative Agent in its sole discretion and shall not be amended or modified without the consent of the Administrative Agent, (iii) the proceeds from such Indebtedness are (A) simultaneously contributed to a Segregated Collateral Account, (B) applied to a Permitted Contribution Purpose substantially concurrently with (but, in any event, within sixty (60) days of) the receipt thereof, and (C) Not Otherwise Applied pursuant to this Agreement and (iv) the Borrower shall have delivered a certificate to the Administrative Agent at least five (5) Business Days prior to the use of such proceeds certifying that such use complies with this Section 6.1(l) and (iv) such Indebtedness shall include all amounts deposited by the Borrower pursuant to Section 3.1(aa); and

2.3 Section 6.4 of the Credit Agreement is hereby amended by adding a new clause (f) to read as follows:

(f) for the twenty-four month period commencing on the Closing Date, the Borrower may disburse $166,666.66 per month to repay Indebtedness incurred pursuant to Section 6.1(l)(iv) for bona fide administrative expenses and General and Administrative Costs of COPL so long as (i) such disbursements are paid solely from the Segregated G&A Account and (ii) no Default or Event of Default has occurred and is continuing at the time of such disbursement.

2.4 Section 6.24 of the Credit Agreement is hereby amended in its entirety to read as follows:

Section 6.24 General and Administrative Costs. The Loan Parties shall not pay more than $250,000 per month in General and Administrative Costs; provided, that during the twelve-month period commencing on the Closing Date, the Loan Parties may spend an additional $250,000 on General and Administrative Costs, so long as (i) such disbursements are paid solely from the Segregated G&A Account, (ii) no Default or Event of Default has occurred and is continuing at the time of such disbursement and (iii) the Borrower shall have delivered a certificate of an Authorized Officer to the Administrative Agent setting forth a calculation of such expenses in form and substance satisfactory to the Administrative Agent.

Section 3. Conditions Precedent. This First Amendment shall become effective and enforceable against the parties hereto upon the following:

3.1 The Administrative Agent's and each Lender's receipt of multiple original counterparts, as requested by the Administrative Agent, of this First Amendment, duly and validly executed and delivered by duly authorized officers of the Borrower, the Parent, the Administrative Agent and the Lenders.

3.2 There shall exist no Default or Event of Default.

3.3 All representations and warranties contained in the Credit Agreement and in the other Loan Documents shall be true and correct in all material respects (unless already qualified by materiality in which case such applicable representation and warranty shall be true and correct) with the same effect as though such representations and warranties had been made as of the date hereof (it being understood and agreed that any representation or warranty which by its terms is made as of a specified date shall be required to be true and correct in all material respects (unless already qualified by materiality in which case such applicable representation and warranty shall be true and correct) only as of such specified date).

3.4 The Administrative Agent shall have received all fees and other amounts (including attorneys' fees and expenses) due and payable on or prior to the First Amendment Effective Date.

Section 4. Representations and Warranties. To induce Administrative Agent to enter into this First Amendment and other credit accommodations contemplated hereby, the Borrower and the Parent hereby represent and warrant to Administrative Agent that:

4.1 Organization; Requisite Power and Authority; Qualification. Each Loan Party (a) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, (b) has all requisite power and authority to own and operate its Properties, to carry on its business as now conducted and as proposed to be conducted, to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby and, in the case of the Borrower, to make the borrowings under the Credit Agreement, and (c) is qualified to do business and in good standing in every jurisdiction necessary to carry out its business and operations as now conducted, except in each case referred to in clause (c), to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

4.2 Representations and Warranties. All representations and warranties contained in the Credit Agreement and in the other Loan Documents shall be true and correct in all material respects (unless already qualified by materiality in which case such applicable representation and warranty shall be true and correct) with the same effect as though such representations and warranties had been made as of the date hereof (it being understood and agreed that any representation or warranty which by its terms is made as of a specified date shall be required to be true and correct in all material respects (unless already qualified by materiality in which case such applicable representation and warranty shall be true and correct) only as of such specified date).

4.3 No Default or Event of Default. No Default or Event of Default has occurred and is continuing.

4.4 Due Authorization. The execution, delivery and performance of this First Amendment has been duly authorized by all necessary corporate, limited liability company or partnership (as applicable) action and, if required, shareholder, member and/or partner action, on the part of each Loan Party.

4.5 Binding Obligation. This First Amendment has been duly executed and delivered by each Loan Party (or Affiliate of a Loan Party) and is the legally valid and binding obligation of such Loan Party (or Affiliate of such Loan Party), enforceable against such Person in accordance with its respective terms, except as may be limited by bankruptcy, insolvency, reorganization,

moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability (whether enforcement is sought in equity or at law).

4.6 Liens.

(a) The liens and security interests under the Mortgages and the other Collateral Documents are valid and subsisting and secure the Obligation.

(b) The Collateral is unimpaired by this First Amendment and the Borrower and the Parent have granted to Administrative Agent, valid, binding, perfected, enforceable, first priority (subject to Permitted Encumbrances) Liens in the Collateral covered by the Loan Documents.

Section 5. Miscellaneous.

5.1 Ratification and Affirmation. The parties hereto hereby (i) acknowledge the First Amendment, (ii) ratify and affirm their obligations under, and acknowledge, renew and extend their continued liability under, each Loan Document to which they are a party, as applicable, (iii) agree that each Loan Document to which they are a party, as applicable, remains in full force and effect, and (iv) agree that from and after the First Amendment Effective Date each reference to the Credit Agreement in the other Loan Documents shall be deemed to be a reference to the Credit Agreement, as amended by this First Amendment.

5.2 No Waiver; Loan Document. Except as set forth herein, the execution, delivery and effectiveness of this First Amendment shall not operate as a waiver of any right, power or remedy of the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents. On and after the First Amendment Effective Date, this First Amendment shall for all purposes constitute a Loan Document.

5.3 Counterparts. This First Amendment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of this First Amendment by facsimile or electronic transmission in portable document format (.pdf) shall be effective as delivery of a manually executed counterpart hereof.

5.4 Entire Agreement. This First Amendment represents the final and entire agreement among the parties and may not be contradicted by evidence of, and supersedes, all prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

5.5 GOVERNING LAW. THIS FIRST AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

5.6 Severability. In case any provision in or obligation under this First Amendment shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability

of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

5.7 Administrative Agent Direction. Each of the undersigned Lenders (collectively constituting all of the Lenders party to the Credit Agreement) hereby (i) authorize and direct the Administrative Agent to execute and deliver this First Amendment and any other document that Administrative Agent is required to execute in connection therewith; and (ii) acknowledge and agree that the direction set forth in this Section 5.7 constitutes a direction, instruction and request of the undersigned Lenders pursuant to the Loan Documents, including but not limited to Section 9.3 of the Credit Agreement.

5.8 RELEASE BY THE BORROWER. On the basis that this Amendment is effective and enforceable, all representations and warranties contained in the Credit Agreement and in the other Loan Documents shall be true and correct in all material respects (unless already qualified by materiality in which case such applicable representation and warranty shall be true and correct) with the same effect as though such representations and warranties had been made as of the date

5.2 No Waiver; Loan Document. The execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents. On and after the Seventh Amendment Effective Date, this Amendment shall for all purposes constitute a Loan Document.

Section 2.1 Loans; Commitments.

(a) Initial Commitments.

(i) Subject to the terms and conditions hereof, on the Closing Date, each Lender with an Initial Commitment shall make to the Borrower (so long as all conditions precedent required hereby shall have then been satisfied or waived), a term loan in an aggregate principal amount equal to such Lender's Initial Commitment. The aggregate amount of all Initial Commitments is $45,000,000. The Initial Commitments may only be drawn on the Closing Date and, once repaid, may not be reborrowed.

(ii) The Initial Commitment of each Lender who satisfies its obligation to fund the Loans on the Closing Date shall terminate in its entirety (after giving effect to the incurrence of such Loans on such date).

(b) Incremental Commitments.

(i) The Borrower may, with the prior written consent of the Administrative Agent from time to time, request Incremental Commitments in an aggregate amount not to exceed $20,000,000 from one or more of the existing Lenders in such Lender's sole discretion. Such notice shall set forth (A) the amount of the Incremental Commitments being requested and (B) the date on which such Incremental Commitments are requested to become effective (which shall not be less than ten (10) Business Days nor more than thirty (30) days after the date of such notice, in each case unless the Administrative Agent otherwise agrees). No Lender will be required or otherwise obligated to provide any Incremental Commitments.

(ii) The Borrower and each Incremental Lender shall execute and deliver to the Administrative Agent an Incremental Term Loan Amendment and such other documentation as the Administrative Agent and the Incremental Lenders shall reasonably specify to evidence the Incremental Commitment of such Incremental Lender. Each Incremental Term Loan Amendment (A) shall specify the terms of the Incremental Term Loans to be made thereunder, (B) shall be made pursuant to the Loan Documents and (C) shall be on terms consistent with the terms applicable to the Term Loans unless, for purposes of this clause (C), the Requisite Lenders, each in their sole discretion, shall have provided their written consent to such other terms. Neither the Incremental Commitments nor the Incremental Term Loan Amendment shall be effective unless the Administrative Agent and the Requisite Lenders, each in its sole discretion, shall have

provided its written consent to such Incremental Commitments and Incremental Term Loan Amendment.

(iii) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Amendment. Each of the parties hereto hereby agrees that, the Incremental Term Loan Amendment may, without the consent of any Lenders (other than the Incremental Lenders and the Requisite Lenders), effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Requisite Lenders, to effect the provisions of this Section 2.1(b).

Section 2.2 The Loans. The obligation of the Borrower to repay to each Lender the aggregate amount of all Loans held by such Lender, together with interest accruing in connection therewith, may, at the request of any Lender, be evidenced by one or more Promissory Notes made by the Borrower payable to such Lender (or its assigns) with appropriate insertions. Interest on each Loan shall accrue and be due and payable as provided herein~~.~~ and, subject to Section 2.17, each Borrowing shall be comprised entirely of Term SOFR Loans. Each Loan shall be due and payable as provided herein, and shall be due and payable in full on the Maturity Date. The Borrower may not borrow, repay and reborrow hereunder or under the Loans.

Section 2.3 Requests for Loans. The Borrower must give to Administrative Agent written or electronic notice of any requested ~~Loan b~~Borrowing of Loans pursuant to a Borrowing Notice. Each Borrowing Notice shall be irrevocable and must:

(a) specify (i) the amount of Loans requested to be made ~~and~~, (ii) the date on which such Loans are requested to be made and (iii) in the case of a Term SOFR Borrowing, the Interest Period therefor;

Each such Borrowing Notice must be duly completed. If no Interest Period is specified with respect to any requested Term SOFR Borrowing, the Borrower shall be deemed to have selected an Interest Period of one month's duration. Upon receipt of any such Borrowing Notice,

Administrative Agent shall give each Lender prompt notice of the terms thereof. If all conditions precedent to such new Loans have been met, each Lender will on the date requested promptly remit to Administrative Agent at the Administrative Agent's Account the amount of such Lender's new Loans in immediately available funds, and upon receipt of such funds, unless to its actual knowledge any conditions precedent to such Loans have been neither met nor waived as provided herein or such Lender has already made Loans equal to the amount it is required to fund on such date pursuant to Section 2.1, Administrative Agent shall promptly make such Loans available to the Borrower. The failure of any Lender to make any Loan hereunder shall not relieve any other Lender of its obligation hereunder, if any, to make its Loan, but no Lender shall be responsible for the failure of any other Lender to make any Loans hereunder.

Section 2.4 Use of Proceeds. The proceeds of the Loans issued on the Closing Date may only be used (i) to fund the Atomic Acquisition, (ii) to fund the Closing Date Refinancing, (iii) to retire trade payables owed by Atomic and Cuda as set forth on Schedule 2.4, (iv) to fund $9,000,000 of cash liquidity into the Borrower and/or (v) to pay financing fees, Transaction Costs and legal costs related to closing of this Agreement and the other Loan Documents since the commencement of negotiations with the Lenders.

A Lender may at its option request that its Loans be evidenced by a Promissory Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Promissory Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) in the form attached as Exhibit H or otherwise in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such Promissory Note and interest thereon shall at all times (including, to the extent requested by any assignee, after assignment) be represented by one or more Promissory Notes in such form payable to the payee named therein (or, if such Promissory Note is a registered note, to such payee and its registered assigns).

The Administrative Agent shall record in the Register the Loans, the date on which such Loans were made, the principal amount (and stated interest) of the Loans, each repayment or prepayment in respect of the principal amount of the Loans, and any such recordation shall be conclusive and binding on the Borrower and each Lender, absent manifest error; provided, that

failure to make any such recordation, or any error in such recordation, shall not affect the Loan Parties' Obligations in respect of any Loan. The Borrower hereby designates the entity serving as the Administrative Agent to serve as its non-fiduciary agent solely for purposes of maintaining the Register as provided in this Section 2.5(b), and the Borrower hereby agrees that, to the extent such entity serves in such capacity, the entity serving as the Administrative Agent and its officers, directors, employees, agents and Affiliates shall constitute "Indemnitees." This Section 2.5(b) shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as the applicable date of determination.

(c) Term SOFR Conforming Changes. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

Any principal or interest prepaid and any Premium paid pursuant to this Section 2.8 shall be in addition to, and not in lieu of, all payments otherwise required to be paid under the Loan Documents at the time of such prepayment. Any such voluntary prepayment shall be applied as specified in Section 2.11.

Nothing in this prepayment obligation shall limit the fact that such

incurrence may be an Event of Default. Any principal amount required to be prepaid under this Section 2.9(c) shall be subject to and accompanied by the Premium, as applicable.

(h) Equity Issuance. On the date of receipt by any Loan Party (or any Affiliate of such Loan Party on behalf of such Loan Party) of any Net Equity Issuance Proceeds, the Borrower shall offer to prepay, and, if accepted by the Lender, be obligated to prepay the Loans in an aggregate amount equal to such Net Equity Issuance Proceeds. Any principal amount required to be prepaid under this Section 2.9(h) shall be subject and accompanied by the Premium; provided, that such Net Equity Issuance Proceeds shall not be subject to the foregoing so long as (i) such Net Equity Issuance Proceeds are received from COPL, (ii) substantially contemporaneously with, and in any event, within sixty (60) days of, receipt, such amounts are applied to a Permitted Contribution Purpose, and (iii) the Borrower has delivered a certificate to the Administrative Agent setting forth (A) the terms of such equity issuance, (B) the amount and uses of Net Equity Issuance Proceeds to be expended and (C) certifying that such expenditure complies with this Section 2.9(h).

(i) Prepayment Certificate and Calculation. As soon as practicable after the Borrower has knowledge that a prepayment pursuant to Sections 2.9(a) through (h) is required, the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer demonstrating the calculation of the amount of the applicable net proceeds or other applicable financial tests or proceeds giving rise to the prepayment, as the case may be. In the event that the Borrower shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, the Borrower shall promptly make an additional prepayment of the Loans in an amount equal to such excess, and the Borrower shall concurrently therewith deliver

to Administrative Agent a certificate of a Financial Officer demonstrating the calculation of such excess.

(j) Lender Right to Waive. Notwithstanding anything in this Agreement to the contrary, each applicable Lender, in its sole discretion, may, but is not obligated to, waive the Borrower's requirements to make any prepayments pursuant to Sections 2.9(a) through (h) with respect to such Lender's Pro Rata Share of such prepayment. Upon the dates set forth in Section 2.9(a) through (h), as applicable, for any such prepayment, the Borrower shall notify the Administrative Agent of the amount that is available to prepay the applicable Loans. Promptly after the date of receipt of such notice, the Administrative Agent shall provide written notice (to be prepared by the Borrower) (the "**First Offer**") to the Lenders of the amount available to prepay the Loans. Any Lender declining such prepayment (a "**Declining Lender**") shall give written notice thereof to the Administrative Agent by 10:00 a.m. New York time no later than two (2) Business Days after the date of such notice from the Administrative Agent. On such date the Administrative Agent shall then provide written notice (to be prepared by the Borrower) (the "**Second Offer**") to the Lenders other than the Declining Lenders (such Lenders being the "**Accepting Lenders**") of the additional amount available (due to such Declining Lenders' declining such prepayment) to prepay Loans owing to such Accepting Lenders, such available amount to be allocated on a pro rata basis among the Accepting Lenders that accept the Second Offer. Any Lenders declining prepayment pursuant to such Second Offer shall give written notice thereof to the Administrative Agent by 10:00 a.m. New York time no later than one (1) Business Day after the date of such notice of a Second Offer. The Borrower shall prepay the applicable Loans within one (1) Business Day after its receipt of notice from the Administrative Agent of the applicable aggregate amount of such prepayment. Amounts remaining after the allocation of accepted amounts with respect to the First Offer and the Second Offer to Accepting Lenders shall be retained by the Borrower.

Section 2.10 Premiums.

(a) Prepayment Premiums.

(i) With respect to each repayment or prepayment of Loans (including, for the avoidance of doubt, any Incremental Term Loans) under Section 2.8, and Section 2.9 (a), (c), and (h) (whether voluntary or mandatory) or any acceleration of the Loans and other Obligations pursuant to Article 8 (including for the avoidance of doubt, as a result of clauses (a), (f) or (g) of Section 8.1) (collectively, the "**Payment Events**" and each a "**Payment Event**"), the Borrower shall pay to the Administrative Agent, for the ratable benefit of the Lenders, with respect to the amount of the Loans repaid, prepaid or accelerated, in each case, concurrently with such repayment or prepayment, a premium (the "**Premium**") equal to (i) if such Payment Event occurs on or prior to the end of the second anniversary of the Closing Date, 1.00% of the applicable aggregate principal amount of the Loans subject to the Payment Event plus any Make-Whole Amount, (ii) if such Payment Event occurs after the second anniversary of the Closing Date but on or prior to the third anniversary of the Closing Date, 1.00% of the applicable aggregate principal amount of the Loans subject to the Payment Event, or (iii) if such Payment Event occurs after the third anniversary of the Closing Date, 0.00% of the applicable aggregate principal amount of the Loans subject to the Payment Event.

The Premium shall become immediately due and payable, and the Borrower will pay such Premium, as compensation to the Lenders for the loss of their investment opportunity and not as a penalty, whether or not an Insolvency Event has commenced, and (if an Insolvency Event has commenced) without regard to whether such Insolvency Event is voluntary or involuntary, or whether payment occurs pursuant to a motion, plan of reorganization, or otherwise, and without regard to whether the Loans and other Obligations are satisfied or released by foreclosure (whether or not by power of judicial proceeding), deed in lieu of foreclosure or by any other means. Without limiting the foregoing, any redemption, prepayment, repayment, or payment of the Obligations in or in connection with an Insolvency Event shall constitute an optional prepayment thereof and require the immediate payment of the Premium.

(ii) Any Premium payable pursuant to this Section 2.10 shall be presumed to be the liquidated damages sustained by each Lender as the result of the redemption and/or acceleration of its Loans and the Borrower agrees that it is reasonable under the circumstances in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's lost profits as a result thereof.

(b) Upon receipt of notice of a payment or prepayment to be made, the Administrative Agent shall promptly calculate and notify the Borrower of the amount of the payment or prepayment required pursuant to Sections 2.8, 2.9, 2.10 and 2.11 and such determination shall be binding on the Borrower, the Loan Parties and the other Guarantors absent manifest error.

Section 2.11 Application of Payments.

(a) Prepayments Waterfall. Any payment of any Loan made pursuant to Sections 2.7, 2.8, or 2.9, shall be applied as follows:

(i) first, ratably to pay all expenses, fees and indemnities due hereunder to the full extent thereof;

(ii) second, ratably to pay any accrued ~~I~~interest (including interest at the Default Rate, if any) until paid in full;

(iii) third, ratably to pay the Premium, if any, due on the Loans (including, for the avoidance of doubt, any Premium due resulting from the prepayment of principal under clause fourth below);

(iv) fourth, ratably, to pay the principal amount of all Loans due (or being repaid at such time);

(v) fifth, ratably to pay any other Obligations then due and payable; and

(vi) sixth, to the Borrower.

Section 2.12 General Provisions Regarding Payments.

(a) All payments by the Borrower or any Loan Party of principal, interest, fees and other Obligations shall be made in Dollars in same day funds without, recoupment, setoff, counterclaim or other defense free of any restriction or condition, except as set forth in Section 2.6(~~d~~e), and delivered to the Administrative Agent not later than 12:00 p.m. (New York City time) on the date due to the Administrative Agent's Account for the account of Lenders. Funds received by the Administrative Agent after that time on such due date shall be deemed to have been paid by the Borrower on the next Business Day.

(b) All repayments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid (in addition to any Premium due).

(c) To the extent any payments are received by the Administrative Agent instead of in accordance with Section 2.12(a) or Section 2.12(g), the Administrative Agent shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(d) Except as otherwise expressly provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder.

(e) The Administrative Agent shall deem any payment by or on behalf of the Borrower hereunder that is not made in same day funds prior to 12:00 p.m. (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. Interest and fees shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the applicable rate determined pursuant to Section 2.6 from the date such amount was due and payable until the date such amount is paid in full.

(f) If an Event of Default shall have occurred and not otherwise been waived or all or any portion of the Loans shall have been accelerated hereunder, subject to the terms of any Swap Intercreditor Agreement (it being understood, for the avoidance of doubt, that during the existence of a Triggering Event (as such term is defined in the Swap Intercreditor Agreement) Section 4.02(b) of the Swap Intercreditor Agreement shall control), all payments or proceeds received by the Administrative Agent hereunder in respect of any of the Obligations shall be applied:

(i) first, to pay any costs and expenses then due to the Administrative Agent and the Collateral Agent in connection with the foreclosure or realization upon, the disposal, storage, maintenance or otherwise dealing with any of, the Collateral or

otherwise, and indemnities and other amounts then due to the Administrative Agent and the Collateral Agent under the Loan Documents until paid in full;

(ii) second, to pay any costs, expenses, indemnities or fees then due to the Administrative Agent and the Collateral Agent under the Loan Documents until paid in full;

(iii) third, ratably to pay any expenses, fees or indemnities then due to Administrative Agent and the Collateral Agent or any of the Lenders under the Loan Documents, until paid in full;

(iv) fourth, ratably to the payment of any accrued ~~I~~interest (including interest at the Default Rate, if any) until paid in full;

(v) fifth, ratably to pay the Premium, if any, due on the Loans (including, for the avoidance of doubt, any Premium due resulting from the prepayment of principal under clause sixth below);

(vi) sixth, ratably, to pay the principal amount of all Loans due (or being repaid at such time); and

(vii) seventh, ratably to pay any other Obligations then due and payable.

(g) Premium. Concurrent with the prepayment or repayment of the Loans (whether at maturity or otherwise) or following acceleration of the maturity of the Loans pursuant to the terms hereby, and/or in or in connection with a voluntary or involuntary Insolvency Event or otherwise, the Borrower shall, to the extent required by Section 2.10(a)(i), pay to each of to the Lenders or their designees, at the direction and in the amounts as invoiced by the Administrative Agent, the Premium on the principal amount so prepaid, repaid or due. For the avoidance of doubt, the Obligations shall not be considered paid in full nor shall the Liens on the Collateral be released until the Premium is paid in full in Cash.

Section 2.13 Ratable Sharing. Lenders hereby agree among themselves that, except as otherwise provided in the Collateral Documents with respect to amounts realized from the exercise of rights by the Collateral Agent on behalf of the Secured Parties with respect to Liens on the Collateral, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans purchased and applied in accordance with the terms hereof), through the exercise of any right of set off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Loan Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, fees and other amounts then due and owing to such Lender hereunder or under the other Loan Documents (collectively, the "**Aggregate Amounts Due**" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase Loans (which it shall be deemed to have purchased from each Lender simultaneously upon the receipt by such Lender of its portion of such payment) in the Aggregate Amounts Due to the

other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided, that if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of the Borrower or otherwise, those purchases to that extent shall be rescinded and the purchase prices paid for such Loans shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. The Borrower expressly consents to the foregoing arrangement and agrees that any Lender that has so purchased a Loan may exercise any and all rights of banker's lien, set off or counterclaim with respect to any and all monies owing by the Borrower to that Lender with respect thereto as fully as if that Lender were owed the amount of the Loan purchased by that Lender.

Section 2.14 Increased Costs, etc.

(a) Subject to the provisions of Section 2.15 (which shall be controlling with respect to the matters covered thereby), if any Change in Law: (i) subjects any Lender (or its applicable lending office) to any additional Tax (other than (A) any Tax on the Overall Net Income of such Lender or any of its Tax Related Persons, (B) any Taxes described in clauses (B) through (E) of the definition of Excluded Taxes and (C) Connection Income Taxes, and without duplication as to amounts payable to such Lender pursuant to Section 2.15) with respect to this Agreement or any of the other Loan Documents or any of its obligations hereunder or thereunder or any payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of any Lender; or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting any Lender's (or its applicable lending office's) obligations hereunder; and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto; then, in any such case, the Borrower shall promptly pay to such Lender, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in amounts received or receivable hereunder, provided that such amounts are reasonably determined. Such Lender shall deliver to the Borrower (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.14, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(b) Failure or delay on the part of any to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.14 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or

reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

~~(c) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (A) by reason of any changes arising on or after the Closing Date affecting the interbank LIBOR market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBOR or (B) the supervisor for the administrator of LIBOR or a governmental authority having jurisdiction over the administrator of LIBOR has made a public statement identifying a specific date after which LIBOR shall no longer be used for determining interest rates for loans, then the Administrative Agent may establish a reasonable replacement interest rate, which will be SOFR or another replacement rate as reasonably determined by the Administrative Agent in good faith consultation with the Borrower (which consultation shall not be required if a Default or Event of Default has occurred) (the "**Replacement Rate**"), in which case, the Replacement Rate shall, subject to the next two sentences, replace LIBOR for all purposes under the Loan Documents unless and until the Administrative Agent notifies the Borrower that the Replacement Rate does not adequately and fairly reflect the cost to the Lenders of funding the Loans bearing interest at the Replacement Rate. In connection with the establishment and application of the Replacement Rate, this Agreement and the other Loan Documents shall be reasonably amended in good faith with the consent of the Administrative Agent in consultation with the Borrower (which consultation shall not be required if a Default or Event of Default has occurred), as may be reasonably necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this clause (c). The Replacement Rate shall be applied in a manner consistent with market practice; provided that, in each case, to the extent such market practice is not administratively feasible for the Administrative Agent, such Replacement Rate shall be applied as otherwise reasonably determined by the Administrative Agent in good faith in consultation with the Borrower (which consultation shall not be required if a Default or Event of Default has occurred).~~

Section 2.15 **Break Funding Payments**. In the event (a) the payment of any principal of any Term SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto or (c) the failure to borrow, continue or prepay any Term SOFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.8 and is revoked in accordance therewith), then, in any such event, the Borrower shall compensate each Lender for the out-of-pocket loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section and setting forth in reasonable detail the manner in which such amount or amounts shall have been determined shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.16 ~~**Section 2.15**~~ **Taxes; Withholding, etc**.

(a) Payments to Be Free and Clear. All sums payable by any Loan Party hereunder and under the other Loan Documents shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Tax.

(b) Withholding of Taxes. If any Loan Party or any other Person is required by law (as determined by the relevant withholding agent in good faith) to make any deduction or withholding for or on account of any Tax from any sum paid or payable under any of the Loan Documents: (i) the Borrower shall notify Administrative Agent of any such requirement or any change in any such requirement as soon as the Borrower becomes aware of it; (ii) the Borrower shall be entitled to make such deduction or withholding and shall pay any such Tax to the relevant Governmental Authority before the date on which penalties attach thereto; (iii) the sum payable by such Loan Party in respect of which the relevant deduction or withholding is required shall be increased to the extent necessary to ensure that after any such deduction or withholding, the Administrative Agent or such Lender, as the case may be, and each of their Tax Related Persons receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required; and (iv) within thirty (30) days after making any such deduction or withholding, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by the relevant Governmental Authority evidencing such payment, a copy of the return reporting such payment, or other evidence of such payment reasonably satisfactory to the Administrative Agent acting in good faith; provided, no such additional amount shall be required to be paid to the Administrative Agent, any Lender or any Tax Related Person under clause (iii) above with respect to any (A) Taxes on the Overall Net Income with respect to any Lender or Administrative Agent or any Tax Related Person, (B) branch profits Taxes imposed by the United States, (C) U.S. federal withholding Taxes to the extent such Tax withholding or deduction requirement is in effect and applicable, as of the date hereof (in the case of each Lender listed on the signature pages hereof on the Closing Date) (or, if later, the date on which such Lender designates a new lending office) or on the effective date of the Assignment and Acceptance Agreement pursuant to which such Lender became a Lender (in the case of each other Lender), except to the extent that, pursuant to this Section 2.15, amounts with respect to such Taxes were payable to such Lender immediately before it changed its lending office or such Lender's assignor (including each of their Tax Related Persons) immediately before such Lender becomes a party hereto, (D) Taxes attributable to such Lender, Administrative Agent and/or their Tax Related Person's failure to comply with Section 2.15(e) or Section 2.15(g), or (E) U.S. federal withholding Taxes imposed under FATCA (collectively, "**Excluded Taxes**").

(c) Other Taxes. In addition, the Loan Parties shall pay all Other Taxes to the relevant Governmental Authorities in accordance with applicable law. The Loan Parties shall deliver to Administrative Agent official receipts or other evidence of such payment reasonably satisfactory to Administrative Agent in respect of any Taxes or Other Taxes payable hereunder promptly after payment of such Taxes or Other Taxes.

(d) Indemnification by the Loan Parties. The Loan Parties shall indemnify Administrative Agent and each Lender, within ten (10) days after written demand therefor, for the full amount of any Taxes paid or incurred by Administrative Agent or such Lender or their respective Tax Related Persons, as the case may be, relating to, arising out of, or in connection with any Loan Document or any payment or transaction contemplated hereby or thereby, whether

or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority and all reasonable costs and expenses incurred in enforcing the provisions of this Section 2.15; provided, however, that the Loan Parties shall not be required to indemnify the Administrative Agent and Lenders for any Excluded Taxes. A certificate from the relevant Lender or the Administrative Agent, setting forth in reasonable detail the basis and calculation of such Taxes shall be conclusive, absent manifest error.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraphs (e)(ii)(A), (ii)(B) and (ii)(C) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Administrative Agent and, if requested by the Borrower, the Borrower, executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), whichever of the following is applicable:

a. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or

reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

b. executed copies of IRS Form W-8ECI;

c. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a U.S. Tax Compliance Certificate and (y) executed copies of IRS Form W-8BEN; or

d. to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner; and

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(f) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines in its sole discretion, acting in good faith, that it has received a refund of any taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.15, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.15 with respect to the taxes giving rise to such refund), net of all out-of-pocket expenses incurred by the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any related penalties, interest or other charges imposed by the relevant Governmental Authority or expenses related thereto) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or Lender be required to pay any amount to the Borrower pursuant to this paragraph (f) the payment of which would place the Administrative Agent or Lender, as applicable, in a less favorable net after-Tax position than the Administrative Agent or Lender, as

applicable, would have been if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person or to alter its customary procedures and practices with respect to the administration of taxes.

(g) FATCA Provisions. If a payment made to a Lender under this Agreement would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine that such Lender has complied with such Lender's obligations under FATCA, or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph (g), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(h) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes other than Excluded Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(g) relating to the maintenance of a Participant Register, and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.15(h).

(i) [Reserved].

(j) Tax Treatment of Warrants. Each of Parent, the Borrower, the Administrative Agent and each Lender agree that (i) the Warrants issued pursuant to the Warrant Agreement will be treated as exercised for U.S. federal income tax purposes as of the date such warrants are granted, and that, as a result of such deemed exercise, the Lender will be treated as holding common stock of the Borrower as provided in the Warrant Agreement, and (ii) the Loans and the Warrants issued pursuant to the Warrant Agreement constitute "Investment Units" as that term is defined in Section 1273(c)(2) of the Code. None of Parent, the Borrower, the

Administrative Agent, or the Lenders shall take any position inconsistent with the foregoing on any report, return, claim for refund or other filing for U.S. tax purposes unless all such parties agree otherwise or as otherwise may be required (to the satisfaction of the Administrative Agent, in its reasonable discretion) by applicable law. All computations under this Section 2.15(j) shall be made by the Administrative Agent and shall be provided to the Borrower as necessary to enable the Borrower to timely comply with its tax reporting obligations.

(k) Survival. Each party's obligations under this Section 2.15 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.17 Inability to Determine Rates.

(a) Subject to Section 2.18, if prior to the commencement of any Interest Period for a Term SOFR Borrowing,

(i) the Administrative Agent shall have determined (which determination shall be made in good faith and shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining Adjusted Term SOFR for such Interest Period; or

(ii) the Administrative Agent is advised by the Requisite Lenders that Adjusted Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining the Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by written or electronic transmission, as applicable, as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any Borrowing shall be made as an ABR Borrowing. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.15.

Section 2.18 Benchmark Replacement Setting.

(a) Benchmark Replacement.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and the definition of "Adjusted Term SOFR" shall be deemed modified to delete the addition of the Term SOFR Adjustment to Term SOFR for any calculation and (y) if a Benchmark Replacement

is determined in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Requisite Lenders. If the Benchmark Replacement is based upon Daily Simple SOFR, all interest payments will be payable on a monthly basis.

(ii) No Swap Agreement shall be deemed to be a "Loan Document" for purposes of this Section 2.18.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.18(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, the Borrower or any Lender (or group of Lenders) pursuant to this Section 2.18, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.18.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i)

above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Borrower may revoke any pending request for a Term SOFR Borrowing of a Term SOFR Loan to be made during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to an ABR Loan and (ii) any outstanding affected Term SOFR Loans will be deemed to have been converted into ABR Loans immediately. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE LOAN PARTIES

In order to induce Lenders to enter into this Agreement and to make their respective Loans, each Loan Party represents and warrants to the Administrative Agent and each Lender that the following statements are true and correct:

Section 4.1 **Organization; Requisite Power and Authority; Qualification**. Each Loan Party (a) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization as identified in Schedule 4.1, (b) has all requisite power and authority to own and operate its Properties, to carry on its business as now conducted and as proposed to be conducted, to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby and, in the case of the Borrower, to receive the borrowings hereunder, and (c) is qualified to do business and in good standing in every jurisdiction necessary to carry out its business and operations as now conducted, except in each case referred to in clause (c), to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

Section 4.2 **Capital Stock and Ownership**. The Capital Stock of each of Loan Party has been duly authorized and validly issued. Other than as set forth on Schedule 4.2. as of the Closing Date there is no existing option, warrant, call, right, commitment or other agreement to which any Loan Party is a party requiring, and there is no other Capital Stock of any Loan Party outstanding which upon conversion or exchange would require, the issuance by any Loan Party of any additional membership interests or other Capital Stock of any Loan Party or other securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase, a membership interest or other Capital Stock of any Loan Party. Schedule 4.2 sets forth a true, complete and correct list as of the Closing Date, after giving effect to the transactions contemplated hereby, of the name of each Loan Party and indicates for each such Person its ownership (by holder and percentage interest) and the type of entity of each of them, and the number and class of authorized and issued Capital Stock of such Person. As of the Closing Date, except as disclosed on Schedule 4.2, no Loan Party has any equity investments in any other corporation or entity.

Section 4.3 **Due Authorization**. The execution, delivery and performance of the Loan Documents have been duly authorized by all necessary corporate, limited liability company or partnership (as applicable) action and, if required, shareholder, member and/or partner action, on the part of each Loan Party that is a party thereto.

Section 4.4 **No Conflict**. The execution, delivery and performance by each of the Loan Parties of the Loan Documents to which such Loan Party is a party do not and will not (a) violate in any material respect any provision of any material Governmental Requirement applicable to any Loan Party or any of the Organizational Documents of any Loan Party; (b) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any Contractual Obligation of any Loan Party other than with respect to agreements evidencing Indebtedness that is being repaid in full on the Closing Date; (c) result in or require the creation or imposition of any Lien upon any of the properties or assets of any Loan Party (other than any Liens created under any of the Loan Documents in favor of the

Administrative Agent, on behalf of the Lenders and other Permitted Liens); (d) other than as set forth in Schedule 3.1, result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties; or (e) other than as set forth in Schedule 3.1, require any approval of stockholders, members or partners or any approval or consent of any Person under any Contractual Obligation of any Loan Party, except for such approvals or consents which will be obtained on or before the Closing Date and disclosed in writing to the Administrative Agent and except (in any case under the preceding clauses (b), (d) and (e) herein) where such violation, conflict, result or requirement, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

Section 4.5 Governmental Consents. Other than as set forth on Schedule 3.1, the execution, delivery and performance by each of the Loan Parties of the Loan Documents to which they are parties and the consummation of the Transactions do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority except for (a) filings and recordings with respect to the Collateral to be made, or otherwise delivered to the Administrative Agent for filing and/or recordation, as of the Closing Date, (b) filings necessary to maintain perfection of the Collateral, (c) routine filings related to such Loan Party and the operating of its business and (d) such filings as may be necessary in connection with the Lender's exercise of remedies hereunder.

Section 4.6 Binding Obligation. Each Loan Document has been duly executed and delivered by each Loan Party (or Affiliate of a Loan Party) that is a party thereto and is the legally valid and binding obligation of such Loan Party (or Affiliate of such Loan Party), enforceable against such Person in accordance with its respective terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability (whether enforcement is sought in equity or at law).

Section 4.7 Financial Information. The unaudited pro forma balance sheet of the Borrower as of March 16, 2021 (including the notes thereto) (the "**Pro Forma Balance Sheet**"), copies of which have heretofore been furnished to each Lender, has been prepared giving effect (as if such events had occurred on such date) to (a) the Transactions, (b) the Loans to be issued on the Closing Date and (c) the payment of fees and expenses in connection with the foregoing. The Pro Forma Balance Sheet has been prepared based on the best information available to the Borrower as of the date of delivery thereof, and presents fairly, in all material respects, on a pro forma basis the estimated financial position of the Borrower as of March 16, 2021, assuming that the events specified in the preceding sentence had actually occurred at such date (it being understood that projections and estimates are subject to significant uncertainties and contingencies, that no assurances can be given that any projections will be attained and that variances from actual results may be material). As of the Closing Date, the Borrower has no contingent liability or liability for taxes, long term lease or unusual forward or long term commitment including under any farm-in, exploration, drillco or other development agreement that has not been disclosed in writing to the Administrative Agent. All material obligations of the Borrower to make Capital Expenditures to drill or otherwise develop any Oil and Gas Properties have been disclosed to the Administrative Agent.

Section 4.8 **Projections**. On and as of the Closing Date, the projections of the Loan Parties for the period through and including the month following the second anniversary of the Closing Date, including monthly projections for each month during the Fiscal Year in which the Closing Date takes place (the "**Projections**"), are based on good faith estimates and assumptions made by the management of the Borrower and, as of the Closing Date, the management of the Borrower believed that the Projections were reasonable.

Section 4.9 **No Material Adverse Effect**. Since December 15, 2020, no event, circumstance or change has occurred that has caused or could be expected to result in, either individually or in the aggregate, a Material Adverse Effect.

Section 4.10 **Adverse Proceedings, etc**. Except as shown on Schedule 4.10, there are no Adverse Proceedings, individually or in the aggregate, which if adversely determined could reasonably be expected to result in a Material Adverse Effect. Other than as set forth in Schedule 3.1, no Loan Party (a) is in violation of any Governmental Requirement of any Governmental Authority (including Environmental Laws) that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect, or (b) is subject to or in default with respect to any final judgments, writs, injunctions, decrees, rules or regulations of any Governmental Authority, domestic or foreign, except in each case as could not reasonably be expected to have a Material Adverse Effect.

Section 4.11 **Payment of Taxes**. Except as permitted under Section 5.4, (a) all federal and material state and other tax returns and reports of each Loan Party required to be filed by any of them have been timely filed, and all Taxes shown on such tax returns to be due and payable and all other material assessments, fees and other governmental charges upon any Loan Party and upon their respective properties, assets, income, businesses and franchises which are due and payable have been paid when due and payable, except those which are being contested by such Loan Party in good faith and by appropriate proceedings; provided, such reserves or other appropriate provisions, if any, as shall be required in conformity with IFRS shall have been made or provided therefor, (b) the charges, accruals and reserves on the books of the Loan Parties in respect of Taxes and other governmental charges are, in the reasonable opinion of the Borrower, adequate and (c) no Tax Lien has been filed against any Loan Party or any of its assets or properties and, to the knowledge of the Borrower, no claim is being asserted with respect to any such Tax or other such governmental charge.

Section 4.12 **Properties**.

(a) Title. Except as set forth in Schedule 3.1 or Schedule 4.12:

(i) Each Loan Party has good and defensible title to its material Oil and Gas Properties (if any) and good title to all its material personal Properties (or a valid leasehold interest with respect to all leasehold interests in other real or personal Property), in each case, free and clear of all Liens other than Permitted Liens. Subject to the Permitted Liens, and subject to any consent or nonconsent elections after the date hereof affecting such Loan Party's Hydrocarbon Interests, each such Loan Party owns at least the net interests in production attributable to its Hydrocarbon Interests as reflected in the exhibits to the Mortgages, and the ownership of such Properties shall not in any

material respect obligate such Loan Party to bear the costs and expenses relating to the maintenance, development and operations of each such Property in an amount in excess of its working interest in each Property that is not offset by at least a corresponding proportionate increase in such Loan Party's net revenue interest in such Property;

(ii) All material leases and agreements necessary for the conduct of the business of each Loan Party are valid and subsisting, in full force and effect, and there exists no default or event or circumstance which with the giving of notice or the passage of time or both would give rise to a default under any such lease or leases; and

(iii) The rights and Properties presently owned, leased or licensed by each Loan Party including, without limitation, all easements and rights of way, include all material rights and Properties reasonably necessary to permit such Loan Party to conduct its business.

(b) Oil and Gas Properties. Specifically in connection with the foregoing and except as in each case could not reasonably be expected to have a Material Adverse Effect, (i) no Oil and Gas Property of any Loan Party is subject to having allowable production reduced below the full and regular allowable level (including the maximum permissible tolerance) because of any overproduction (whether or not the same was permissible at the time), (ii) none of the wells comprising a part of any Loan Party's Oil and Gas Properties (or Facilities unitized therewith) is deviated from the vertical more than the maximum permitted by Governmental Requirements, and such wells are, in fact, bottomed under and are producing from, and the well bores are wholly within, or otherwise are legally located within, such Loan Party's Oil and Gas Properties (or in the case of wells located on Facilities unitized therewith, such unitized Facilities), (iii) as of the Closing Date, no Loan Party had any plug and abandonment liabilities associated with its or another Person's Oil and Gas Properties, including, without limitation, the bonding or collateralization obligations of such Loan Party associated therewith with the obligations and (iv) as of the Closing Date, no amounts are owing under any joint operating agreement or similar arrangement with respect to the Loan Parties' Oil and Gas Properties, in each case except as set forth on Schedule 4.12.

(c) Intellectual Property. Each Loan Party owns, or is licensed to use, all trademarks, trade names, copyrights, patents and other Intellectual Property material to its business, and the use thereof by such Loan Party does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, would not result in a Material Adverse Effect. Each Loan Party either owns or has valid licenses or other rights to use all material databases, geological data, geophysical data, engineering data, seismic data, maps, interpretations and other technical information used or usable in the conduct of their businesses, subject to the limitations contained in the agreements governing the use of the same,

which limitations are customary for companies engaged in the business of the exploration and production of Hydrocarbons.

Section 4.13 Environmental Matters. Except for such matters as set forth on Schedule 4.13 or as could not reasonably be expected to result in a Material Adverse Effect:

(a) The Loan Parties and their Properties and operations thereon are, and at all times have been in compliance with all applicable Environmental Laws.

(b) Other than as set forth on Schedule 3.1, the Loan Parties have obtained all Environmental Permits required for the occupation of their respective Properties and operation of their businesses, with all such Environmental Permits being currently in full force and effect, and no Loan Party has received any written notice or otherwise has knowledge that any such existing Environmental Permit will be revoked or modified in any material respect or that any application for any new Environmental Permit or renewal of any existing Environmental Permit will be protested or denied.

(c) No Loan Party has received any notice, report or other information regarding any actual or alleged violation of, or liability under, Environmental Laws or with respect to any Hazardous Materials Activity.

(d) There are no claims, demands, suits, orders, inquiries, or proceedings concerning any violation of, or any liability (including as a potentially responsible party) under, any applicable Environmental Laws that is pending or, to the Borrower's knowledge, threatened against any Loan Party or any Loan Party's Properties or as a result of any operations at such Properties.

(e) None of the Properties of any Loan Party contain, or to the best knowledge of the Loan Parties after due inquiry have contained any: (i) underground storage tanks; (ii) asbestos-containing materials; (iii) landfills or dumps; (iv) hazardous waste management units as defined pursuant to RCRA or any comparable state law; or (v) sites on or nominated for the National Priority List promulgated pursuant to CERCLA or any state remedial priority list promulgated or published pursuant to any comparable state law.

(f) No Loan Party (or to the knowledge of the Loan Parties, any other Person to the extent giving rise to liability for any Loan Party) has treated, stored, disposed of, arranged for or permitted the disposal of, transported, handled, Released, or exposed any Person to, any Hazardous Materials, or to the knowledge of the Loan Parties, owned or operated any Property or Facility which is or has been contaminated by any Hazardous Materials, in each case so as to give rise to any current or future liabilities, including any such liability for response costs, corrective action costs, personal injury, property damage, natural resources damages or attorney fees, or any investigative, corrective or remedial obligations, pursuant to CERCLA or any other Environmental Laws.

(g) No Loan Party nor, to the knowledge of the Loan Parties, any operator of any Loan Party's Properties has received any written notice asserting an alleged liability or obligation under any applicable Environmental Laws with respect to the investigation, remediation, abatement, removal, or monitoring of any Hazardous Materials at, under, or

Released or threatened to be Released from any real properties offsite any Loan Party's Properties and, to the Borrower's knowledge, there are no conditions or circumstances that could reasonably be expected to result in the receipt of such written notice.

(h) There has been no exposure of any Person or Property to any Hazardous Materials as a result of or in connection with the Loan Parties or operations and businesses of any Loan Party's Properties that could be expected to form the basis for an Environmental Claim and, to the Borrower's knowledge, there are no conditions or circumstances that could be expected to result in the receipt of notice regarding such exposure.

As of the Closing Date, each Material Contract is described on Schedule 4.15 and, except as set forth on such Schedule 4.15, all Material Contracts, are in full force and effect (other than any Material Contract that has expired in accordance with its terms) and, to the Borrower's knowledge, no defaults exist thereunder.

Section 4.16 Governmental Regulation. No Loan Party is subject to regulation under the Federal Power Act or under any other federal or state statute or regulation which may limit its ability to incur Indebtedness or which may otherwise render all or any portion of the Obligations unenforceable. By this provision the Loan Parties authorize such independent accountants to discuss with the Administrative Agent and Lender and such representatives the affairs, finances and accounts of each Loan Party; provided that (i) such Loan Party shall be afforded an opportunity to be present at any such discussions with the independent accountants, (ii) unless an Event of Default has occurred, such visits and inspections shall occur not more than two times in any twelve month period for Administrative Agent and all of the Lenders taken together, at the expense of the Loan Parties, such expenses to be reasonable and documented, and (iii) if no Default or Event of Default has occurred and is continuing, the cost and expense of any additional visits and inspections by the Administrative Agent or any Lender shall be for the account of the Lenders. No Loan Party will be responsible for injuries to or damages suffered by the Administrative Agent or any Lender or any officer, employee, agent or representative of the

Administrative Agent or any Lender while visiting or inspecting the Properties of any Loan Party, unless such injuries or damages are caused by or directly result from the negligence or willful misconduct of such Loan Party, its officers, agents, representatives, contractors, or subcontractors. The Loan Parties acknowledge that the Administrative Agent, after exercising its rights of inspection, may prepare and distribute to the Lenders certain reports pertaining to the Loan Parties' assets for internal use by Administrative Agent and the Lenders. Notwithstanding anything to the contrary in this Section 5.7, none of the Loan Parties or their Subsidiaries will be required to disclose or permit the inspection or discussion of, any document, information or other matter (x) in respect of which disclosure to the Administrative Agent or any Lender (or their representatives) is prohibited by Governmental Requirement or any binding agreement or (y) that is subject to attorney-client or similar privilege or constitutes attorney work product.

Each Loan Party will comply in all material respects with, and shall cause all other Persons (including any operator), if any, on or occupying any Facilities or any Oil and Gas Properties of such Loan Party to comply in all material respects with the requirements of all applicable material Governmental Requirements of any Governmental Authority (including all material Environmental Laws).

Section 5.9 Environmental.

(a) Environmental Disclosure. The Borrower will deliver to Administrative Agent:

(i) as soon as practicable following receipt thereof by any Loan Party, copies of all environmental audits, investigations, analyses and reports of any kind or character, whether prepared by personnel of any Loan Party or by independent consultants, Governmental Authorities or any other Persons, with respect to material environmental matters (including without limitation any Release or other Hazardous Materials contamination in violation of Environmental Laws) at any Properties of any Loan Party or with respect to any Environmental Claims or Environmental Liabilities;

(iii) as soon as practicable following the sending or receipt thereof by any Loan Party or any operator, a copy of any and all written communications with respect to (A) any material Environmental Claims or material Environmental Liabilities,

(B) any Release required to be reported to any federal, state or local Governmental Authority, and (C) any request for information from any Governmental Authority that suggests such agency is investigating whether any Loan Party may be potentially responsible for any Hazardous Materials Activity; and

(iv) prompt written notice describing in reasonable detail (A) any proposed acquisition of Capital Stock, assets, or property by any Loan Party that could reasonably be expected to (1) expose any Loan Party to, or result in, material Environmental Claims or material Environmental Liabilities or (2) affect the ability of any Loan Party to maintain in full force and effect all material Governmental Authorizations required under any Environmental Laws for their respective operations and (B) any proposed action to be taken by any Loan Party to modify current operations in a manner that could reasonably be expected to subject any Loan Party to any additional material obligations or requirements under any Environmental Laws.

(b) Hazardous Materials Activities, Etc. Each Loan Party shall promptly take, and shall use commercially reasonable efforts to cause each operator promptly to take, any and all actions reasonably necessary to (i) comply, and cause its Properties and operations to comply, in all material respects, with all applicable Environmental Laws; (ii) not Release or threaten to Release, any Hazardous Material on, under, about or from any of the Loan Parties' Properties or any other property offsite such Property to the extent caused by the Loan Parties' operations except in compliance with applicable Environmental Laws; (iii) timely obtain or file, all material Environmental Permits, if any, required under applicable Environmental Laws to be obtained or filed in connection with the operation or use of the Loan Parties' Properties; (iv) promptly commence and diligently prosecute to completion, any Remedial Action in the event any Remedial Action is required or reasonably necessary under applicable Environmental Laws because of or in connection with the actual or suspected past, present or future Release or threatened Release of any Hazardous Material on, under, about or from any of the Loan Parties' Properties; (v) conduct its respective operations and businesses in a manner that is not likely to expose any Property or Person to Hazardous Materials; (vi) cure any material violation of or material noncompliance with applicable Environmental Laws by such Person or with respect to their Properties or operations thereon; (vii) make an appropriate response to any Hazardous Materials Release or any Environmental Claim against such Person and discharge any obligations it may have to any Person thereunder; and (viii) establish and implement such procedures as may be necessary to continuously reasonably determine and assure that the Loan Parties' obligations under this Section 5.9(b) are timely and fully satisfied in all material respects.

(c) Right of Access and Inspection. With respect to any event described in Section 5.9(b) or if an Event of Default has occurred and is continuing:

(i) The Administrative Agent and its representatives shall have the right, but not the obligation or duty, upon reasonable notice to enter the applicable properties at reasonable times for the purposes of observing the applicable properties. Such access shall include, at the request of Administrative Agent, access to relevant documents and employees of each Loan Party and to their outside representatives, to the extent reasonably necessary to obtain information related to the property or event at issue.

If Administrative Agent believes that a breach of this Section 5.9 has occurred or is occurring, or an Event of Default has occurred, the Loan Parties shall conduct such assessments, tests and investigations on the properties of the affected Loan Party or relevant portion thereof, as requested by Administrative Agent, including the preparation of a Phase I Report or such other sampling or analysis. If an Event of Default has occurred, and if a Loan Party does not undertake such assessments, tests and investigations in a reasonably timely manner following the request of the Administrative Agent, the Administrative Agent may hire an independent engineer, at the Loan Parties' expense, to conduct such assessments, tests and investigations. The Administrative Agent will make commercially reasonable efforts to conduct any such assessments, tests and investigations so as to avoid unduly interfering with the operation of the properties.

(ii) The Loan Parties will provide environmental assessments, audits and tests upon reasonable request by the Administrative Agent in connection with any future acquisitions of any Properties.

(iii) Any assessments, observations, tests or investigations of the properties by or on behalf of the Administrative Agent shall be solely for the purpose of protecting the Lenders security interests and rights under the Loan Documents. The exercise or non-exercise of the Administrative Agent's rights under this Section 5.9(c) shall not constitute a waiver of any Default or Event of Default of any Loan Party or impose any liability on the Administrative Agent or any of the Lenders. In no event will any observation, test or investigation by or on behalf of the Administrative Agent be a representation that Hazardous Materials are or are not present in, on or under any of the properties, or that there has been or will be compliance with any Environmental Law and the Administrative Agent shall not be deemed to have made any representation or warranty to any party regarding the truth, accuracy or completeness of any report or findings with regard thereto. Neither any Loan Party nor any other Person is entitled to rely on any observation, test or investigation by or on behalf of the Administrative Agent. The Administrative Agent and the Lenders owe no duty of care to protect any Loan Party or any other Person against, or to inform any Loan Party or any other Person of, any Hazardous Materials or any other adverse condition affecting any of the Facilities or any other properties. The Administrative Agent may, in its sole discretion, disclose to the applicable Loan Party, or to any other Person if so required by law, any report or findings made as a result of, or in connection with, its observations, tests or investigations. If a request is made of the Administrative Agent to disclose any such report or finding to any third party, then the Administrative Agent shall endeavor to give the applicable Loan Party prior notice of such disclosure and afford such Loan Party the opportunity to object or defend against such disclosure at its own and sole cost; provided, that the failure of Administrative Agent to give any such notice or afford such Loan Party the opportunity to object or defend against such disclosure shall not result in any liability to the Administrative Agent. Each Loan Party acknowledges that it may be obligated to notify relevant Governmental Authorities regarding the results of any observation, test or investigation disclosed to such Loan Party, and that such reporting requirements are site and fact-specific and are to be evaluated by such Loan Party without advice or assistance from Administrative Agent.

If counsel to any Loan Party reasonably determines that provision to Administrative Agent of a document otherwise required to be provided pursuant to this Section 5.9 (or any other provision of this Agreement or any other Loan Document relating to environmental matters) would jeopardize an applicable attorney-client or work product privilege pertaining to such document, then such Loan Party shall not be obligated to deliver such document to Administrative Agent but shall provide Administrative Agent with a notice identifying the author and recipient of such document and generally describing the contents of the document. Upon request of Administrative Agent, such Loan Party shall take all reasonable steps necessary to provide Administrative Agent with the factual information contained in any such privileged document.

Section 5.10 Subsidiaries. Subject to Section 6.22, in the event that any Person becomes a Subsidiary of any Loan Party, whether directly or indirectly, such Loan Party shall (i) concurrently with such Person becoming a Subsidiary (x) pledge to the Administrative Agent all of the Capital Stock of such Subsidiary (including, without limitation, delivering original stock certificates, if any, evidencing the Capital Stock of such Subsidiary, together with an appropriate undated stock power for each certificate duly executed in blank by the registered owner thereof), and (y) cause such Subsidiary to become a Guarantor of the Obligations under the Guarantee and Collateral Agreement by executing and delivering to Administrative Agent and Collateral Agent a joinder to the Guarantee and Collateral Agreement, and (ii) take all such actions and execute and deliver, or cause to be executed and delivered, all such documents, instruments, agreements, and certificates as are similar to those described in Sections 3.1(b), 3.1(d), 3.1(e), 3.1(f), 3.1(g), 3.1(j), 3.1(l), 3.1(m) and 3.1(t) and in a form reasonably required by the Administrative Agent. Any Subsidiary of the Borrower must be a wholly-owned Subsidiary.

Section 5.11 Further Assurances.

(a) At any time or from time to time upon the request of the Administrative Agent, each Loan Party and each Guarantor will, at its expense, promptly execute, acknowledge and deliver such further documents and do such other acts and things as the Administrative Agent may reasonably request in order to effect fully the purposes of the Loan Documents, including providing Lenders with any information requested pursuant to Section 10.20. In furtherance and not in limitation of the foregoing, each Loan Party shall take such actions as the Administrative Agent may reasonably request from time to time to ensure that the Obligations are guaranteed by the Guarantors and are secured by substantially all of the assets of the Loan Parties (subject to Section 5.13) and all of the outstanding Capital Stock of the Loan Parties (other than Parent).

(b) Each Loan Party hereby authorizes the Administrative Agent to file one or more financing or continuation statements, and amendments thereto, relative to all or part of the Property of any Loan Party without the signature of such Loan Party where permitted by law, including any financing or continuation statement, or amendment thereto, with "all assets" in the collateral description. A carbon, photographic or other reproduction of the Collateral Documents or any financing statement covering any Property of any Loan Party or any part thereof shall be sufficient as a financing statement where permitted by law.

Section 5.12 **Use of Proceeds**. The proceeds of the Loans will be used only in the manner and for the purposes set forth in Section 2.4.

Section 5.13 **Additional Properties; Other Collateral**. Each Loan Party will at all times cause all personal property of such Loan Party to be subject to a First Priority Lien in favor of the Collateral Agent pursuant to the Collateral Documents. All of the issued and outstanding Capital Stock of each Loan Party (other than Parent) shall at all times be pledged to the Collateral Agent pursuant to the Collateral Documents.

Each Loan Party will (i) give advance notice to the Board Observer of all meetings of the managing body of such Loan Party and all proposals to such body for action without a board meeting, in accordance with the bylaws of such Loan Party, (ii) allow such representative to attend all such meetings, in accordance with the bylaws of such Loan Party, and (iii) subject to the provisions of Section 10.17, and the withholding of any materials based on a conflict of interest that the managing body of such Loan Party believes in good faith exists between such Loan Party and the Administrative Agent with respect to matters addressed by the materials in question, provide the Board Observer with copies of all written materials distributed to such directors or managers (or similar body) in connection with such meetings or proposals for action without a meeting, including, upon request of such Board Observer, all minutes of previous actions and proceedings, provided that, such Board Observer shall not be entitled to participate in any portion of discussions or receive any portion materials directly relating to a refinancing of this Agreement or that relate to any legally privileged material. In the event the Administrative Agent fails to designate a non-voting representative to attend meetings pursuant to this Section 5.14, each Loan Party will send materials that would otherwise be provided under this Section 5.14 to the Administrative Agent in compliance with Section 10.1. The Board Observer may be excluded from any portion of any meeting and the Board Observer or the Administrative Agent, if no Board Observer has been designated, may be denied access to any portion of any board materials if and to the extent (a) access to such information or attendance at such meeting or portion thereof would adversely affect any attorney-client privilege, (b) access to such information or attendance at such meeting

or portion thereof could reasonably be expected to result in disclosure of trade secrets, (c) the Administrative Agent, the Loan Documents or other material debt financing arrangements are the subject matter under discussion, or (d) if prohibited by Governmental Requirement, in each case, to the extent that the Borrower has promptly delivered to the Administrative Agent for distribution to the Lenders a statement of an Authorized Officer of the Borrower certifying the basis on which such materials are being withheld.

Any final money judgment, writ or warrant of attachment or similar process involving an amount individually or in the aggregate in excess of $500,000 (to the extent not fully covered by insurance (less any deductible) as to which a Solvent and unaffiliated insurance company does not dispute coverage) shall be entered or filed against any Loan Party or any of their respective assets and shall remain undischarged, unvacated, unbonded or unstayed for a period of thirty (30) days (or in any event later than the

(k) Change of Control. A Change of Control shall occur; or

(l) Material Contract. A Material Contract shall have been terminated or cancelled; or

(m) Collateral Documents and Other Loan Documents. At any time after the execution and delivery thereof, (i) any Guaranty for any reason, other than the satisfaction in full of all Obligations, shall cease to be in full force and effect (other than in accordance with its terms) or shall be declared to be null and void or any Guarantor shall in writing repudiate its obligations thereunder, (ii) this Agreement or any Collateral Document ceases to be in full force and effect (other than by reason of a release of Collateral in accordance with the terms hereof or thereof or the satisfaction in full of the Obligations in accordance with the terms hereof) or shall be declared null and void, or the Collateral Agent shall not have or shall cease to have, or it shall be asserted in writing by any Loan Party not to have, a valid and perfected First Priority Lien (other than to the extent of Permitted Liens) in any Collateral purported to be covered by the Collateral Documents, in each case for any reason other than the failure of the Collateral Agent to take any action within its control, or (iii) any Loan Party shall contest in writing the validity or enforceability of any Loan Document or any Lien on the Collateral or any purported Collateral in favor of the Collateral Agent or deny in writing that it has any further liability under any Loan Document to which it is a party.

Section 8.2 Remedies. (a) Upon the occurrence of any Event of Default described in Section 8.1(f) or Section 8.1(g), automatically, and (b) upon the occurrence of any other Event of Default that is continuing, upon notice to the Borrower to such effect by the Administrative Agent, the Administrative Agent, on behalf of the Requisite Lenders, may and shall have the right to take any of the following actions (i) declare each of the following to be immediately due and payable, in each case without presentment, demand, protest or other requirements of any kind, all of which are hereby expressly waived by each Loan Party: (A) the unpaid principal amount of and accrued interest on the Loans, and (B) all other Obligations; (ii) direct the Collateral Agent to enforce any and all Liens and security interests created pursuant to Collateral Documents and (iii) complete the Direction Letters and deliver same. If the maturity of the Loans shall be accelerated under any provision of this Section 8.2, in addition to all other amounts owing hereunder, an amount equal to the Premium (determined as if the Loans were

repaid at the time of such acceleration at the option of the Borrower), shall become immediately due and payable, and the Borrower will pay such Premium, as compensation to the Lenders for the loss of their investment opportunity and not as a penalty, whether or not an Insolvency Event has commenced, and (if an Insolvency Event has commenced) without regard to whether such proceeding under the Bankruptcy Code is voluntary or involuntary, or whether payment occurs pursuant to a motion, plan of reorganization or otherwise. Without limiting the foregoing, any redemption, prepayment, repayment or payment of the Obligations in or in connection with an Insolvency Event shall constitute an optional prepayment thereof and require the immediate payment of the Premium.

ARTICLE 9
ADMINISTRATIVE AGENT

Section 9.1 Appointment of Administrative Agent.

(a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. The Administrative Agent hereby agrees to act upon the express conditions contained herein and the other Loan Documents, as applicable. The provisions of this Section 9.1(a) are solely for the benefit of the Administrative Agent and the Lenders and no Loan Party shall have any rights as a third party beneficiary of any of the provisions thereof. In performing its functions and duties hereunder, the Administrative Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Loan Party or any Affiliate thereof.

(b) The Administrative Agent and each Lender hereby irrevocably designates and appoints the Collateral Agent as the agent with respect to the Collateral, and the Administrative Agent and each Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together

with such other powers as are reasonably incidental thereto. The Administrative Agent hereby agrees to act upon the express conditions contained herein and the other Loan Documents, as applicable. The provisions of this Section 9.1(b) are solely for the benefit of the Administrative Agent, the Collateral Agent and the Lenders and no Loan Party shall have any rights as a third party beneficiary of any of the provisions thereof. In performing its functions and duties hereunder, the Collateral Agent shall act solely as an agent of the Administrative Agent and the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Loan Party or any Affiliate thereof.

Section 9.2 Powers and Duties. Each Lender irrevocably authorizes the Administrative Agent to take such action on such Lender's behalf and to exercise such powers, rights and remedies and perform such duties hereunder and under the other Loan Documents as are specifically delegated or granted to the Administrative Agent by the terms hereof and thereof, together with such actions, powers, rights and remedies as are reasonably incidental thereto. The Administrative Agent shall have only those duties and responsibilities that are expressly specified herein and the other Loan Documents. The Administrative Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. The Administrative Agent shall not have or be deemed to have, by reason hereof or any of the other Loan Documents, a fiduciary relationship in respect of any Lender; and nothing herein or any of the other Loan Documents, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect hereof or any of the other Loan Documents except as expressly set forth herein or therein. Notwithstanding anything to the contrary set forth herein, when any provision of this Agreement authorizes the Administrative Agent to make a determination or to take any other action, such authorization shall, if the Requisite Lenders so require, be exercised by the Administrative Agent only with the express consent of, and according to the direction of, the Requisite Lenders.

Section 9.3 General Immunity.

(a) No Responsibility for Certain Matters. The Administrative Agent shall not be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Loan Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by the Administrative Agent to Lenders or by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the Loan Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations, nor shall the Administrative Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Loan Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or Default or to make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, the Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or the component amounts thereof.

(b) Exculpatory Provisions. Neither the Administrative Agent nor any of its officers, partners, directors, employees or agents shall be liable to Lenders for any action taken or omitted by the Administrative Agent under or in connection with any of the Loan Documents except to the extent caused by the Administrative Agent gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, nonappealable order. The Administrative Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Loan Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until the Administrative Agent shall have received instructions in respect thereof from Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 10.5) or in accordance with the applicable Collateral Document, and, upon receipt of such instructions from Requisite Lenders (or such other Lenders, as the case may be), or in accordance with the other applicable Collateral Document, as the case may be, the Administrative Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions. Without prejudice to the generality of the foregoing, (i) the Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected and free from liability in relying on opinions and judgments of attorneys (who may be attorneys for the Loan Parties), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or (where so instructed) refraining from acting hereunder or any of the other Loan Documents in accordance with the instructions of Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 10.5) or in accordance with the applicable Collateral Document.

(c) Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to Events of Default in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.4 Administrative Agent Entitled to Act as Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, the Administrative Agent in its individual capacity as a Lender hereunder. With respect to its Loans, the Administrative Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term "Lender" shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity. The Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with

any Loan Party or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any of their respective Affiliates for services in connection herewith and otherwise without having to account for the same to Lenders.

Section 9.5 Lenders' Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants to the Administrative Agent that it has made its own independent investigation of the financial condition and affairs of each Loan Party, without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, in connection with Loans made hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of each Loan Party. The Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of the Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and the Administrative Agent shall not have any responsibility with respect to the accuracy of or the completeness of any information provided to the Lenders.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by the Administrative Agent, the Collateral Agent, the Requisite Lenders or the Lenders, as applicable.

(c) Notwithstanding anything herein to the contrary, each Lender also acknowledges that the Lien and security interest granted to the Administrative Agent pursuant to the Loan Documents and the exercise of any right or remedy by the Administrative Agent thereunder are subject to the provisions of the Swap Intercreditor Agreement. In the event of any conflict between the terms of the Swap Intercreditor Agreement and the Loan Documents, the terms of the Swap Intercreditor Agreement shall govern and control.

Section 9.6 Right to Indemnity. Each Lender, in proportion to its Pro Rata Share, severally agrees to indemnify the Administrative Agent, its Affiliates and its officers, partners, directors, trustees, employees, representatives and agents of the Administrative Agent (each, an "**Indemnitee Agent Party**"), to the extent that such Indemnitee Agent Party shall not have been reimbursed by any Loan Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Indemnitee Agent Party in exercising its powers, rights and remedies or performing its duties hereunder or under the other Loan Documents or otherwise in its capacity as such Indemnitee Agent Party in any way relating to or arising out of this Agreement or the other Loan Documents, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY, OR SOLE NEGLIGENCE OR GROSS NEGLIGENCE OF THE ADMINISTRATIVE AGENT**; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or

disbursements resulting from such Indemnitee Agent Party's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, nonappealable order. If any indemnity furnished to any Indemnitee Agent Party for any purpose shall, in the opinion of such Indemnitee Agent Party, be insufficient or become impaired, such Indemnitee Agent Party may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, that in no event shall this sentence require any Lender to indemnify any Indemnitee Agent Party against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Pro Rata Share thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Indemnitee Agent Party against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

Section 9.7 Successor Agent.

(a) Each Agent may resign at any time by giving thirty (30) days' prior written notice thereof to the Lenders and the Borrower and such appointment shall be effective regardless of whether a successor shall have been appointed. The Requisite Lenders may remove either Agent at any time by giving thirty (30) days' prior written notice thereof to such Agent and the Borrower. Upon any such notice of resignation or removal, the Requisite Lenders shall have the right, upon five (5) Business Days' notice to the Borrower, to appoint a successor Agent which successor shall, unless an Event of Default shall be continuing, be reasonably acceptable to the Borrower. If no successor shall have been so appointed by the Requisite Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, or the removed Agent receives notice of its removal, as applicable, then the exiting Agent may, on behalf of the Lenders, appoint a successor Agent from among the Lenders. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent and the retiring Administrative Agent shall promptly transfer to such successor Administrative Agent all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administrative Agent under the Loan Documents, whereupon such retiring Administrative Agent shall be discharged from its duties and obligations hereunder. Upon the acceptance of any appointment as Collateral Agent hereunder by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent and the retiring Collateral Agent shall promptly (i) transfer to such successor Collateral Agent all sums, Capital Stock and other items of Collateral held under the Collateral Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Collateral Agent under the Loan Documents, and (ii) execute and deliver to such successor Administrative Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Administrative Agent of the security interests created under the Collateral Documents, whereupon such retiring Collateral Agent shall be discharged from its duties and obligations hereunder. After any retiring Agent's resignation hereunder as Agent, the provisions of this

Section 9.7 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent hereunder.

(b) Notwithstanding anything herein to the contrary, the Administrative Agent may assign its rights and duties as Administrative Agent hereunder to an Affiliate of ABC Funding, LLC or to any Lender or Affiliate thereof without the prior written consent of, or prior written notice to, the Borrower or the Lenders; provided that the Borrower and the Lenders may deem and treat such assigning Administrative Agent as Administrative Agent for all purposes hereof, unless and until such assigning Administrative Agent provides written notice to the Borrower and the Lenders of such assignment. Upon such assignment such Affiliate shall succeed to and become vested with all rights, powers, privileges and duties as Administrative Agent hereunder and under the other Loan Documents.

(c) Delegation of Duties. Administrative Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Loan Document by or through any one or more sub-agents appointed by Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of Section 9.3 and Section 9.6 shall apply to any Affiliates of Administrative Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. All of the rights, benefits and privileges (including the exculpatory and indemnification provisions) of Section 9.3 and Section 9.6 shall apply to any such sub-agent and to the Affiliates of any such sub-agent, and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by the Administrative Agent, (i) such sub-agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory and rights to indemnification) and shall have all of the rights, benefits and privileges of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly, without the consent or joinder of any other Person, against any or all of the Loan Parties and the Lenders, and (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, and (iii) such sub-agent shall only have obligations to the Administrative Agent and not to any Loan Party, Lender or any other Person and no Loan Party, Lender or any other Person shall have the rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent.

Section 9.8 Collateral Documents.

(a) Collateral Agent under Collateral Documents. Each Lender hereby further irrevocably authorizes the Collateral Agent, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral Documents and to enter into such other agreements with respect to the Collateral (including intercreditor agreements) as it may deem necessary. Subject to Section 10.5, without further written consent or authorization from the Lenders, the Collateral Agent may execute any documents or instruments necessary to (i) release any Lien encumbering any item of Collateral

that is the subject of a sale or other disposition of assets permitted by this Agreement or any other Loan Document or to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 10.5) have otherwise consented, (ii) release any Guarantor from the Guaranty pursuant to the Guarantee and Collateral Agreement or with respect to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 10.5) have otherwise consented, and (iii) to subordinate any Lien on any Property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.2(b).

(b) Right to Realize on Collateral and Enforce Guaranty. Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Lenders in accordance with the terms hereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent, on behalf of the Secured Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Requisite Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Administrative Agent at such sale.

Section 9.9 Posting of Approved Electronic Communications.

(a) Delivery of Communications. Each Loan Party hereby agrees, unless directed otherwise by the Administrative Agent or unless the electronic mail address referred to below has not been provided by Administrative Agent to such Loan Party, that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent or to the Lenders pursuant to the Loan Documents, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) is or relates to a Borrowing Notice, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or any other Loan Document or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Loan hereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic/soft medium that is properly identified in a format acceptable to the Administrative Agent to an electronic mail address as directed by the Administrative Agent. In addition, each Loan Party agrees to continue to provide the Communications to Administrative Agent or the Lenders, as the case may be, in the manner specified in the Loan Documents but only to the extent requested by Administrative Agent.

(b) No Prejudice to Notice Rights. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

Section 9.10 Proofs of Claim. The Lenders and each Loan Party hereby agree that after the occurrence of an Event of Default pursuant to Sections 8.1(f) or (g), in case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Loans and any other Obligations that are owing and unpaid and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Lenders, the Administrative Agent and other agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent and other agents and their agents and counsel and all other amounts due Lenders, the Administrative Agent and other agents hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

(c) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent and other agents hereunder. Nothing herein contained shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lenders or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding. Further, nothing contained in this Section 9.10 shall affect or preclude the ability of any Lender to (i) file and prove such a claim in the event that the Administrative Agent has not acted within ten (10) days prior to any applicable bar date and (ii) require an amendment of the proof of claim to accurately reflect such Lender's outstanding Obligations.

Section 10.3 Indemnity.

(a) In addition to the payment of expenses pursuant to Section 10.2, whether or not the transactions contemplated hereby shall be consummated, each Loan Party agrees to

defend (subject to Indemnitees' selection of counsel), indemnify, pay and hold harmless, the Administrative Agent and each Lender, their Affiliates and its and their respective officers, members, shareholders, partners, directors, trustees, employees, advisors, representatives and agents and each of their respective successors and assigns and each Person who control any of the foregoing (each, an "**Indemnitee**"), from and against any and all Indemnified Liabilities, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY, OR SOLE NEGLIGENCE OF SUCH INDEMNITEE**; provided, no Loan Party shall have any obligation to an Indemnitee hereunder with respect to (i) any Indemnified Liabilities of such Indemnitee if such Indemnified Liabilities arise from the gross negligence or willful misconduct of such Indemnitee as determined by a court of competent jurisdiction in a final, nonappealable order, and provided that such a judicial determination against one Indemnitee shall not affect any other Indemnitee's right to indemnification hereunder, (ii) any Taxes other than any Taxes that represent losses, claims, damages, etc., arising from any non-Tax claim, or (iii) any Indemnified Liabilities arising out of any claims, actions, suits, inquiries, litigation, investigation or proceeding by any Indemnitee against any other Indemnitee. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 10.3 may be unenforceable in whole or in part because they are violative of any law or public policy, the applicable Loan Party shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them.

(b) To the extent permitted by applicable law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Loan Party hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(c) Each Loan Party hereby acknowledges and agrees that an Indemnitee may now or in the future have certain rights to indemnification provided by other sources ("**Other Sources**"). Each Loan Party hereby agrees that (i) it is the indemnitor of first resort (i.e., its obligations to the Indemnitees are primary and any obligation of the Other Sources to provide indemnification for the same Indemnified Liabilities are secondary to any such obligation of the Loan Party), (ii) that it shall be liable for the full amount of all Indemnified Liabilities, without regard to any rights the Indemnitees may have against the Other Sources, and (iii) it irrevocably waives, relinquishes and releases the Other Sources and the Indemnitees from any and all claims (x) against the Other Sources for contribution, indemnification, subrogation or any other recovery of any kind in respect thereof and (y) that an Indemnitee must seek expense advancement or reimbursement, or indemnification, from the Other Sources before the Loan Party must perform its obligations hereunder. No advancement or payment by the Other Sources on behalf of an Indemnitee with respect to any claim for which such Indemnitee has sought

indemnification from a Loan Party shall affect the foregoing. The Other Sources shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery which the Indemnitee would have had against a Loan Party if the Other Sources had not advanced or paid any amount to or on behalf of the Indemnitee.

Section 10.4 Set Off. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, during the existence of any Event of Default each Lender and its/their respective Affiliates is hereby authorized by each Loan Party at any time or from time to time subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Loan Party or to any other Person (other than the Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts (in whatever currency), but excluding Excluded Accounts) and any other Indebtedness at any time held or owing by such Lender to or for the credit or the account of any Loan Party (in whatever currency) against and on account of the obligations and liabilities of any Loan Party to such Lender hereunder, and under the other Loan Documents, including all claims of any nature or description arising out of or connected hereto or with any other Loan Document, irrespective of whether or not (a) such Lender shall have made any demand hereunder, (b) the principal of or the interest on the Loans or any other amounts due hereunder shall have become due and payable pursuant to Article 2 and although such obligations and liabilities, or any of them, may be contingent or unmatured or (c) such obligation or liability is owed to a branch or office of such Lender different from the branch or office holding such deposit or obligation or such Indebtedness.

Section 10.5 Amendments and Waivers.

(a) Requisite Lenders' Consent. Subject to Sections 10.3(b) and 10.3(c), no amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall in any event be effective without the written concurrence of (i) in the case of this Agreement, the Borrower, the Administrative Agent and the Requisite Lenders or (ii) in the case of any other Loan Document, the Borrower, the Collateral Agent and the Administrative Agent with the consent of the Requisite Lenders.

(b) Affected Lenders' Consent. Without the written consent of each Lender that would be adversely affected thereby, no amendment, modification, termination, or consent shall be effective if the effect thereof would:

(i) extend the scheduled final maturity of any Loan of such Lender;

(ii) waive, reduce or postpone any scheduled repayment due such Lender (but not prepayment);

(iii) reduce the rate of interest on any Loan of such Lender (other than any amendment to the definition of "Default Rate" (which may be effected by consent of the Requisite Lenders) and any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.6(~~c~~d)) or any fee payable hereunder;

(iv) extend the time for payment of any such interest or fees to such Lender;

(v) reduce the principal amount of any Loan;

(vi) amend, modify, terminate or waive any provision of this Section 10.5(b) or Section 10.5(c); or

(vii) amend the definition of "Requisite Lenders" or "Pro Rata Share"; provided, with the consent of the Administrative Agent and the Requisite Lenders, additional extensions of credit pursuant hereto may be included in the determination of "Requisite Lenders" or "Pro Rata Share" on substantially the same basis as the Loans are included on the Closing Date;

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall amend, modify, terminate or waive any provision of Article 9 as the same applies to the Administrative Agent, or any other provision hereof as the same applies to the rights or obligations of the Administrative Agent, in each case without the consent of the Administrative Agent.

(d) Execution of Amendments, etc. Administrative Agent may, but shall have no obligation to, with the concurrence of the applicable Lenders, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Loan Party, on such Loan Party.

(e) Amendment Consideration. Neither the Borrower nor any of its Affiliates or any other party to any Loan Documents will, directly or indirectly, request or negotiate for, or offer or pay any remuneration or grant any security as an inducement for, any proposed amendment or waiver of any of the provisions of this Agreement or any of the other Loan Documents unless each Lender (irrespective of the kind and amount of Loans then owned by it) shall be informed thereof by the Borrower and, if such Lender is entitled to the benefit of any such provision proposed to be amended or waived, shall be afforded the opportunity of considering the same, shall be supplied by the Borrower and any other party hereto with sufficient information to enable it to make an informed decision with respect thereto and shall be offered and paid such remuneration and granted such security on the same terms. For the avoidance of doubt, nothing in this Section 10.5(e) is intended to restrict or limit the amendment requirements otherwise set forth herein.

Section 10.6 Successors and Assigns; Assignments.

(a) Successors and Assigns. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the

parties hereto and the successors and assigns of Lenders. No Loan Party's rights or obligations hereunder nor any interest therein may be assigned or delegated by any Loan Party without the prior written consent of all Lenders (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void ab initio). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of the Administrative Agent and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments. Any Lender may assign to one or more Eligible Assignees all or any portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitments, and the Promissory Notes held by it); provided, however, that (A) each such assignment shall be of a constant, and not a varying, percentage of such Lender's rights and obligations assigned under this Agreement and shall be an equal percentage with respect to both its obligations owing in respect of the Commitments and the related Promissory Notes, (B) each such assignment shall be to an Eligible Assignee, (C) the assignment document must be in an electronic format acceptable to the Administrative Agent, (D) no such assignment shall be to any Affiliate of the Borrower, and (E) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) a Default or Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or a Related Fund.

(c) Mechanics. The assigning Lender and the assignee thereof shall execute and deliver to the Administrative Agent an Assignment and Acceptance Agreement, together with such forms, certificates or other evidence, if any, with respect to U.S. federal income tax withholding matters as the assignee under such Assignment and Acceptance Agreement may be required to deliver to the Administrative Agent pursuant to Section 2.15(e). The Administrative Agent shall receive a fee of $3,500 from the assigning Lender, unless waived by the Administrative Agent.

(d) Notice of Assignment. Upon its receipt and acceptance of a duly executed and completed Assignment and Acceptance Agreement, any forms, certificates or other evidence required by this Agreement in connection therewith, the Administrative Agent shall record the information contained in such Assignment and Acceptance Agreement in the Register, shall give prompt notice thereof to the Borrower and shall maintain a copy of such Assignment and Acceptance Agreement.

(e) Effect of Assignment. Subject to the terms and conditions of this Section 10.6(e), as of the "Effective Date" specified in the applicable Assignment and Acceptance Agreement: (i) the assignee thereunder shall have the rights and obligations of a "Lender" hereunder to the extent such rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance Agreement and shall thereafter be a party hereto and a "Lender" for all purposes hereof; (ii) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned thereby pursuant to such Assignment and Acceptance Agreement, relinquish its rights (other than any rights and benefits which survive the termination hereof under Section 10.8) and be released from its obligations hereunder (and, in the case of an Assignment and Acceptance Agreement covering all or the remaining

portion of an assigning Lender's rights and obligations hereunder, such Lender shall cease to be a party hereto; provided, anything contained in any of the Loan Documents to the contrary notwithstanding such assigning Lender shall continue to be entitled to the benefit of ~~all~~Sections 2.14, 2.15, 2.16 10.2, and 10.3 and any other indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); and (iii) if any such assignment occurs after the making of any Loan hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Promissory Note to Administrative Agent for cancellation, and thereupon the Borrower shall issue and deliver a new Promissory Note to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the outstanding principal balance under the Loans of the assignee and/or the assigning Lender.

(f) Participations. Each Lender shall have the right at any time to sell one or more participations to any Person (other than any Loan Party or any of their respective Affiliates) in all or any part of its Loans or in any other Obligation; provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. The holder of any such participation (a "**Participant**"), other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (i) extend the final scheduled maturity of any Loan in which such Participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except any amendment to the definition of "Default Rate" or in connection with a waiver of applicability of any post default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default shall not constitute a change in the terms of such participation, and that an increase in any Loan shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Loan Party of any of its rights and obligations under this Agreement, or (iii) release all or substantially all of the Collateral under the Collateral Documents or all or substantially all of the Guarantors from the Guaranty (in each case, except as expressly provided in the Loan Documents) supporting the Loans hereunder in which such Participant is participating. The Borrower agrees that each Participant shall be entitled, through the participating Lender, to the benefits of Sections 2.14, 2.15 and 2.16 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (c) of this Section; provided, that (i) a Participant shall not be entitled to receive any greater payment under Section 2.15 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from an adoption or Change in Law or in the interpretation or application thereof by a Governmental Authority made subsequent to the Closing Date that occurs after the Participant acquired the applicable participation, and (ii) a Participant shall comply with Section 2.15(e) (it being understood that the documentation required under Section 2.15(e) shall be delivered to the participating Lender).

(g) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Promissory Notes or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under any Loan Document) to any Person, except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement with the intent that such participations are in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

Section 10.7 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 10.8 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Loans. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Sections 2.14, 2.15, 2.16, 10.2, 10.3, and 10.4 and the agreements of Lenders set forth in Sections 2.13, 9.3(b) and 9.6 shall survive the payment of the Loans, and the termination hereof.

Section 10.9 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to the Administrative Agent, the Collateral Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Loan Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

Section 10.10 Marshalling; Payments Set Aside. Neither the Collateral Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent or Lenders (or to the

Administrative Agent, on behalf of Lenders), or the Administrative Agent or Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

Section 10.11 Severability. In case any provision in or obligation hereunder or any Promissory Note or other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

Section 10.12 Lender Obligations Several; Independent Nature of Lenders' Rights. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or any Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

Section 10.13 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

Section 10.14 APPLICABLE LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Section 10.15 CONSENT TO JURISDICTION; CONSENT TO SERVICE OF PROCESS.

(a) EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY, BOROUGH OF MANHATTAN, AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES

THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(b) EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(c) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.1. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 10.16 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER FINANCING DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL

WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.16 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER FINANCING DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Section 10.17 Confidentiality. All Confidential Information (as defined below) furnished by any Loan Party to the Administrative Agent, the Collateral Agent or a Lender (each, a "**Recipient**") is confidential and shall be treated by such Recipient so as to maintain the confidentiality thereof; provided, however, that a Recipient may disclose such information (i) to its Affiliates, limited partners, investors, partners and members and its and their respective directors, managers, officers, employees, attorneys, accountants, advisors, consultants, agents or representatives (collectively "**Permitted Recipients**") and such Permitted Recipients shall be advised of the provisions of this Section 10.17), (ii) to any potential assignee or transferee of any of its rights or obligations hereunder or any of their agents and advisors (provided that such potential assignee or transferee shall have been advised of and agree to be bound by the provisions of this Section 10.17), (iii) if such information (x) becomes publicly available other than as a result of a breach of this Section 10.17, (y) becomes available to a Recipient or any of its Permitted Recipients on a non-confidential basis from a source other than the Loan Parties or (z) is independently developed by the Recipient or any of its Permitted Recipients, (iv) to enable it to enforce or otherwise exercise any of its rights and remedies under any Loan Document or (v) as consented to by the Borrower. Notwithstanding anything to the contrary set forth in this Section 10.17 or otherwise, nothing herein shall prevent a Recipient or its Permitted Recipients from complying with any legal requirements (including, without limitation, pursuant to any rule, regulation, stock exchange requirement, self-regulatory body, supervisory authority, other applicable judicial or governmental order, legal process, fiduciary or similar duties or otherwise) to disclose any Confidential Information. In addition, the Recipient and its Permitted Recipients may disclose Confidential Information if so requested by a governmental, self-regulatory or supervisory authority. Notwithstanding any other provision of this Section 10.17, the parties (and each employee, representative, or other agent of the parties) may disclose to any and all Persons, without limitation of any kind, the Tax treatment and any facts that may be relevant to the Tax structure of the transactions contemplated by this Agreement and the other Loan Documents; provided, however, that no party (and no employee, representative, or other agent thereof) shall disclose any other information that is not relevant to an understanding of the Tax treatment and Tax structure of the transaction (including the identity of any party and any information that could lead another to determine the identity of any party), or any other information to the extent that such disclosure could reasonably result in a violation of any applicable securities law. Each Loan Party hereby acknowledges and agrees that, subject to the restrictions on disclosure of Confidential Information as provided in this Section 10.17, the Recipient and their respective Affiliates are in the business of making investments in and otherwise engaging in businesses which may or may not be in competition with the Loan Parties or otherwise related to their and their Affiliates' respective business and that nothing herein shall, or shall be construed to, limit the Lenders' or their Affiliates' ability to make such investments or engage in such businesses. "**Confidential Information**" means all information received from any Loan Party relating to such Loan Party's businesses, other than any such

information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any Subsidiary.

Section 10.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged or agreed to be paid with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrower. In determining whether the interest contracted for, charged, or received by Administrative Agent or a Lender exceeds the Highest Lawful Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest, throughout the contemplated term of the Obligations hereunder.

Section 10.19 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

Section 10.20 Patriot Act. Each Lender, the Administrative Agent and the Collateral Agent (in each case, for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender, the Administrative Agent or the Collateral Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act.

Section 10.21 Disclosure. Each Loan Party and each Lender hereby acknowledges and agrees that Administrative Agent and/or its Affiliates and their respective Related Funds from time to time may hold investments in, and make loans to, or have other relationships with any of the Loan Parties and their respective Affiliates, including the ownership, purchase and sale of

Capital Stock in any Loan Party or an Affiliate of any Loan Party and each Lender hereby expressly consents to such relationships.

Section 10.22 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Collateral Agent and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession. Should any Lender (other than the Collateral Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent and the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with Administrative Agent and the Collateral Agent's instructions.

Section 10.23 Advertising and Publicity. No Loan Party shall issue or disseminate to the public (by advertisement, including without limitation any "tombstone" advertisement, press release or otherwise), submit for publication or otherwise cause or seek to publish any information describing the credit or other financial accommodations made available by Lenders pursuant to this Agreement and the other Loan Documents without the prior written consent of the Administrative Agent. Nothing in the foregoing shall be construed to prohibit any Loan Party (or any of its Affiliates) from making any submission or filing which it (or one of its Affiliates) is required to make by applicable law (including securities laws, rules and regulations) or pursuant to judicial process; provided, that, (a) such filing or submission shall contain only such information as is necessary to comply with applicable law or judicial process and (b) unless specifically prohibited by applicable law or court order, the Borrower shall promptly notify Administrative Agent of the requirement to make such submission or filing and provide Administrative Agent with a copy thereof.

Section 10.24 Acknowledgments and Admissions. The Borrower hereby represents, warrants and acknowledges and admits that:

(a) it has been advised by counsel in the negotiation, execution and delivery of the Loan Documents;

(b) it has made an independent decision to enter into this Agreement and the other Loan Documents to which it is a party, without reliance on any representation, warranty, covenant or undertaking by Administrative Agent, the Collateral Agent or any Lender, whether written, oral or implicit, other than as expressly set out in this Agreement or in another Loan Document delivered on or after the date hereof;

(c) there are no representations, warranties, covenants, undertakings or agreements by the Administrative Agent, the Collateral Agent or any Lender as to the Loan Documents except as expressly set out in this Agreement;

(d) none of the Administrative Agent, the Collateral Agent or any Lender has any fiduciary obligation toward it with respect to any Loan Document or the transactions contemplated thereby;

(e) no partnership or Joint Venture exists with respect to the Loan Documents between any Loan Party and the Administrative Agent, the Collateral Agent or any Lender;

(f) the Administrative Agent is not any Loan Party's Administrative Agent, but the Administrative Agent for the Lenders;

Each such Borrowing Notice must be duly completed. If no Interest Period is specified with respect to any requested Term SOFR Borrowing, the Borrower shall be deemed to have selected an Interest Period of one month's duration. Upon receipt of any such Borrowing Notice, Administrative Agent shall give each Lender prompt notice of the terms thereof. If all conditions precedent to such new Loans have been met, each Lender will on the date requested promptly remit to Administrative Agent at the Administrative Agent's Account the amount of such Lender's new Loans in immediately available funds, and upon receipt of such funds, unless to its actual knowledge any conditions precedent to such Loans have been neither met nor waived as provided herein or such Lender has already made Loans equal to the amount it is required to fund on such date pursuant to Section 2.1, Administrative Agent shall promptly make such Loans available to the Borrower. The failure of any Lender to make any Loan hereunder shall not relieve any other Lender of its obligation hereunder, if any, to make its Loan, but no Lender shall be responsible for the failure of any other Lender to make any Loans hereunder.

Section 2.4 Use of Proceeds. The proceeds of the Loans issued on the Closing Date may only be used (i) to fund the Atomic Acquisition, (ii) to fund the Closing Date Refinancing, (iii) to retire trade payables owed by Atomic and Cuda as set forth on Schedule 2.4, (iv) to fund $9,000,000 of cash liquidity into the Borrower and/or (v) to pay financing fees, Transaction Costs and legal costs related to closing of this Agreement and the other Loan Documents since the commencement of negotiations with the Lenders.

Any such recordation shall be conclusive and binding on the Loan Parties, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect any Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern. A Lender may at its option request that its Loans be evidenced by a Promissory Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Promissory Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) in the form attached as Exhibit H or otherwise in a form approved by the Administrative Agent. The Borrower hereby designates the entity serving as the Administrative Agent to serve as its non-fiduciary agent solely for purposes of maintaining the Register as provided in this Section 2.5(b), and the Borrower hereby agrees that, to the extent such entity serves in such capacity, the entity serving as the Administrative Agent and its officers, directors, employees, agents and Affiliates shall constitute "Indemnitees." This Section 2.5(b) shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

Notwithstanding anything to the contrary contained herein, (i) the Administrative Agent shall approve in its sole discretion the Borrower's election of PIK Interest and (ii) to the extent such PIK Interest election is approved, if the Borrower fails to deliver a PIK Election Notice or a revocation of a then-effective PIK Election Notice not less than three (3) Business Days prior to the commencement of the relevant Interest Period, it shall be deemed to made the same election as it made with the respect to the most recently completed Interest Period; provided further that for the Interest Payment Dates ending October 31, 2023, November 30, 2023, December 31, 2023 and January 31, 2023, PIK Interest shall be due and payable on each Loan in the PIK Amount. All interest hereunder shall be computed on the basis of a 360-day year, except that interest computed by reference to the ABR at any time when the ABR is based on clause (a) of the first sentence of the definition of ABR shall be computed on the basis of a year of 365 days (or 366 days in a leap

year), and actual days elapsed and shall be payable for the actual number of days elapsed (including the first day but excluding the last day) occurring in the period for which such interest or fees are payable. All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as the applicable date of determination.

Payment or acceptance of the increased rates of interest provided for in this Section 2.6(d) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

(e) Closing Fee. On the Closing Date, the Borrower agrees to pay to Summit, for its own account, with respect to the Term Loans, a closing fee in an amount equal to 2.50% of the stated principal amount of such Term Loans (the "**Closing Fees**"). Such Closing Fee will be in all respects fully earned, due and payable upon the funding of the Loans and non-refundable and non-creditable thereafter.

(f) Servicing Fee. The Borrower agrees to pay, on the first day of each Fiscal Quarter, to the Administrative Agent a quarterly servicing fee equal to $15,000 in advance of each Fiscal Quarter for the term of the Loans.

Section 2.7 Repayment of Loans. If any principal, interest or other Obligations, including, for the avoidance of doubt, any accrued and uncapitalized PIK Interest on the Loans, remain outstanding on the Maturity Date, such amounts will be paid in full by the Borrower to the Administrative Agent for the account of the Lenders in immediately available funds on the Maturity Date, together with any amounts required to be paid hereunder (including any applicable Premium) (to be calculated by the Borrower in a certificate of an Authorized Officer delivered to the Administrative Agent).

Section 2.8 Voluntary Prepayments. The Borrower may prepay the Loans on any U.S. Government Securities Business Day in whole or in part upon not less than three (3) U.S. Government Securities Business Days' prior written or telephonic notice, in each case given to Administrative Agent by 12:00 p.m. (New York City time) on the date required and, if given by

telephone, promptly confirmed in writing to Administrative Agent. Any voluntary prepayment shall be in a minimum amount of (i) if being paid in whole, the Obligations and (ii) if being paid in part, $100,000 and integral multiples of $100,000 in excess of that amount. Upon the giving of any such notice, the principal amount of the Loans specified in such notice, together with interest then accrued but unpaid on such principal amount, including interest that has not yet been capitalized to the principal amount, if applicable, any additional amounts required pursuant to Section 2.15 and any Premium with respect thereto, shall become due and payable on the prepayment date specified therein and shall be irrevocable; provided that a notice of voluntary prepayment may state that such notice is conditional upon the consummation of an acquisition or sale transaction or upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or Capital Stock or the occurrence of any other specified event, in which case such notice of prepayment may be revoked by the Borrower by notice to the Administrative Agent on or prior to the specified date if such condition is not satisfied. Any principal or interest prepaid and any Premium paid pursuant to this Section 2.8 shall be in addition to, and not in lieu of, all payments otherwise required to be paid under the Loan Documents at the time of such prepayment. Any such voluntary prepayment shall be applied as specified in Section 2.11.

Section 2.9 Mandatory Prepayments.

(a) Asset Sales. Within five (5) days of the date of receipt by any Loan Party (or any Affiliate on behalf of such Loan Party) of any Net Asset Sale Proceeds in amount equal to or greater than (x) $150,000 per transaction and (y) $250,000 in the aggregate over the term of this Agreement, the Borrower shall offer to prepay, and, if accepted by Accepting Lenders, be obligated to prepay the Loans held by such Lenders in an aggregate amount equal to such Net Asset Sale Proceeds; provided, however, that such Net Asset Sale Proceeds shall not be required to be so applied on such date so long as (i) no Default or Event of Default has occurred, (ii) the total amount of such Net Asset Sale Proceeds not applied does not exceed $2,500,000 in the aggregate over the term of the Agreement (the "**Retained Net Asset Sale Proceeds Cap**"), and (iii) the Borrower has delivered a certificate to the Administrative Agent on such date stating that such Net Asset Sale Proceeds (A) do not exceed the Retained Net Asset Sale Proceeds Cap and (B) shall be used to invest in or replace or restore any properties or assets (and, if such investment is in Oil and Gas Properties, that such investment complies with Section 6.23 of this Agreement) in respect of which such Net Asset Sale Proceeds were paid within 90 days following the date of the receipt of such Net Asset Sale Proceeds (which certificate shall set forth the estimates of the Net Asset Sale Proceeds to be so expended); provided, further, that if all or any portion of such Net Asset Sale Proceeds not required to be so applied pursuant to the preceding proviso are not so used within 90 days after the date of the receipt of such Net Asset Sale Proceeds (or such earlier date, if any, as the Borrower or the relevant Subsidiary determines not to reinvest such Net Asset Sale Proceeds as set forth above), or, if later, within 90 days after the Borrower or such Subsidiary has entered into a binding commitment (prior to the end of the referenced 90-day period) to reinvest such proceeds, such remaining portion shall be applied on the last day of such period (or such earlier date, as the case may be) as provided above in this Section 2.9(a) without regard to the immediately preceding proviso. Any principal amount required to be prepaid under this Section 2.9(a) shall be subject to and accompanied by the Premium, as applicable.

(b) Insurance/Condemnation Proceeds. Within five (5) days of the date of receipt by any Loan Party (or any Affiliate of such Loan Party on behalf of such Loan Party), or the Administrative Agent as sole loss payee, or promptly thereafter of any Net Insurance/Condemnation Proceeds in amount equal to or greater than $150,000, the Borrower shall offer to prepay, and, if accepted by Accepting Lenders, be obligated to prepay the Loans held by such Lenders in an aggregate amount equal to the applicable Loan Party's Net Insurance/Condemnation Proceeds; provided, however, that so long as no Default or Event of Default has occurred (i) such Net Insurance/Condemnation Proceeds shall be made available in an amount not to exceed $2,000,000 in the aggregate over the term of the Agreement for use by the applicable Loan Party to pay or recover the costs of restoring, repairing, or replacing the affected Property during the period of 180 days after the applicable Loan Party's receipt thereof and (ii) any joint interest owner's interest in such Net Insurance/Condemnation Proceeds shall be released to such owner.

(c) Issuance of Indebtedness. On the date of receipt by any Loan Party (or any Affiliate of such Loan Party on behalf of such Loan Party) of any Cash proceeds from the incurrence of any Indebtedness (other than Indebtedness that is permitted hereunder) of such Loan Party, the Borrower shall offer to prepay, and, if accepted by Accepting Lenders, be obligated to prepay the Loans held by such Lenders in an aggregate amount equal to all the net cash proceeds of such incurrence of Indebtedness; provided, that the proceeds of indebtedness incurred in accordance with Section 6.1(l) and held in a Segregated Collateral Account shall not be subject to the foregoing unless it is not applied to a Permitted Contribution Purpose within sixty (60) days of receipt. Nothing in this prepayment obligation shall limit the fact that such incurrence may be an Event of Default. Any principal amount required to be prepaid under this Section 2.9(c) shall be subject to and accompanied by the Premium, as applicable.

(d) Excess Cash Sweep. Commencing with the first month ending after the first anniversary of the Closing Date, on each date that is thirty (30) days after the end of each calendar month (or, in either case, if such date is not a Business Day, the next succeeding Business Day), if the Loan Parties and their Subsidiaries have, as of such date, Cash (other than Excluded Cash) in excess of $2,500,000 in the aggregate, the Borrower will offer to prepay the Loans in an amount equal to the lesser of (i) the amount of such excess and (ii) the principal amount of the outstanding Loans. The prepayment shall be applied by the Administrative Agent and the Lenders in the order set forth in Section 2.11 (for the avoidance of doubt, no Premium will be due on such prepayment).

(e) Extraordinary Receipts. Within five (5) days of the date of receipt by any Loan Party (or any Affiliate of such Loan Party on behalf of such Loan Party) of any Extraordinary Receipts, the Borrower shall offer to prepay, and, if accepted by Accepting Lenders, be obligated to prepay the Loans held by such Lenders in an aggregate amount equal to the net cash proceeds of such Extraordinary Receipts (subject to adjustment under Section 2.9(j)).

(f) [Reserved].

(g) [Reserved].

(h) Equity Issuance. On the date of receipt by any Loan Party (or any Affiliate of such Loan Party on behalf of such Loan Party) of any Net Equity Issuance Proceeds, the

Borrower shall offer to prepay, and, if accepted by the Lender, be obligated to prepay the Loans in an aggregate amount equal to such Net Equity Issuance Proceeds. Any principal amount required to be prepaid under this Section 2.9(h) shall be subject and accompanied by the Premium; provided, that such Net Equity Issuance Proceeds shall not be subject to the foregoing so long as (i) such Net Equity Issuance Proceeds are received from COPL, (ii) substantially contemporaneously with, and in any event, within sixty (60) days of, receipt, such amounts are applied to a Permitted Contribution Purpose, and (iii) the Borrower has delivered a certificate to the Administrative Agent setting forth (A) the terms of such equity issuance, (B) the amount and uses of Net Equity Issuance Proceeds to be expended and (C) certifying that such expenditure complies with this Section 2.9(h).

(i) Prepayment Certificate and Calculation. As soon as practicable after the Borrower has knowledge that a prepayment pursuant to Sections 2.9(a) through (h) is required, the Borrower shall deliver to the Administrative Agent a certificate of a Financial Officer demonstrating the calculation of the amount of the applicable net proceeds or other applicable financial tests or proceeds giving rise to the prepayment, as the case may be. In the event that the Borrower shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, the Borrower shall promptly make an additional prepayment of the Loans in an amount equal to such excess, and the Borrower shall concurrently therewith deliver to Administrative Agent a certificate of a Financial Officer demonstrating the calculation of such excess.

(j) Lender Right to Waive. Notwithstanding anything in this Agreement to the contrary, each applicable Lender, in its sole discretion, may, but is not obligated to, waive the Borrower's requirements to make any prepayments pursuant to Sections 2.9(a) through (h) with respect to such Lender's Pro Rata Share of such prepayment. Upon the dates set forth in Section 2.9(a) through (h), as applicable, for any such prepayment, the Borrower shall notify the Administrative Agent of the amount that is available to prepay the applicable Loans. Promptly after the date of receipt of such notice, the Administrative Agent shall provide written notice (to be prepared by the Borrower) (the "**First Offer**") to the Lenders of the amount available to prepay the Loans. Any Lender declining such prepayment (a "**Declining Lender**") shall give written notice thereof to the Administrative Agent by 10:00 a.m. New York time no later than two (2) Business Days after the date of such notice from the Administrative Agent. On such date the Administrative Agent shall then provide written notice (to be prepared by the Borrower) (the "**Second Offer**") to the Lenders other than the Declining Lenders (such Lenders being the "**Accepting Lenders**") of the additional amount available (due to such Declining Lenders' declining such prepayment) to prepay Loans owing to such Accepting Lenders, such available amount to be allocated on a pro rata basis among the Accepting Lenders that accept the Second Offer. Any Lenders declining prepayment pursuant to such Second Offer shall give written notice thereof to the Administrative Agent by 10:00 a.m. New York time no later than one (1) Business Day after the date of such notice of a Second Offer. The Borrower shall prepay the applicable Loans within one (1) Business Day after its receipt of notice from the Administrative Agent of the applicable aggregate amount of such prepayment. Amounts remaining after the allocation of accepted amounts with respect to the First Offer and the Second Offer to Accepting Lenders shall be retained by the Borrower.

Section 2.10 Premiums.

(a) Prepayment Premiums.

(i) With respect to each repayment or prepayment of Loans (including, for the avoidance of doubt, any Incremental Term Loans) under Section 2.8, and Section 2.9 (a), (c), and (h) (whether voluntary or mandatory) or any acceleration of the Loans and other Obligations pursuant to Article 8 (including for the avoidance of doubt, as a result of clauses (a), (f) or (g) of Section 8.1) (collectively, the "**Payment Events**" and each a "**Payment Event**"), the Borrower shall pay to the Administrative Agent, for the ratable benefit of the Lenders, with respect to the amount of the Loans repaid, prepaid or accelerated, in each case, concurrently with such repayment or prepayment, a premium (the "**Premium**") equal to (i) if such Payment Event occurs on or prior to the end of the second anniversary of the Closing Date, 1.00% of the applicable aggregate principal amount of the Loans subject to the Payment Event plus any Make-Whole Amount, (ii) if such Payment Event occurs after the second anniversary of the Closing Date but on or prior to the third anniversary of the Closing Date, 1.00% of the applicable aggregate principal amount of the Loans subject to the Payment Event, or (iii) if such Payment Event occurs after the third anniversary of the Closing Date, 0.00% of the applicable aggregate principal amount of the Loans subject to the Payment Event. The Premium shall become immediately due and payable, and the Borrower will pay such Premium, as compensation to the Lenders for the loss of their investment opportunity and not as a penalty, whether or not an Insolvency Event has commenced, and (if an Insolvency Event has commenced) without regard to whether such Insolvency Event is voluntary or involuntary, or whether payment occurs pursuant to a motion, plan of reorganization, or otherwise, and without regard to whether the Loans and other Obligations are satisfied or released by foreclosure (whether or not by power of judicial proceeding), deed in lieu of foreclosure or by any other means. Without limiting the foregoing, any redemption, prepayment, repayment, or payment of the Obligations in or in connection with an Insolvency Event shall constitute an optional prepayment thereof and require the immediate payment of the Premium.

(ii) Any Premium payable pursuant to this Section 2.10 shall be presumed to be the liquidated damages sustained by each Lender as the result of the redemption and/or acceleration of its Loans and the Borrower agrees that it is reasonable under the circumstances in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's lost profits as a result thereof.

(b) Upon receipt of notice of a payment or prepayment to be made, the Administrative Agent shall promptly calculate and notify the Borrower of the amount of the payment or prepayment required pursuant to Sections 2.8, 2.9, 2.10 and 2.11 and such determination shall be binding on the Borrower, the Loan Parties and the other Guarantors absent manifest error.

Section 2.11 Application of Payments.

(a) Prepayments Waterfall. Any payment of any Loan made pursuant to Sections 2.7, 2.8, or 2.9, shall be applied as follows:

(i) first, ratably to pay all expenses, fees and indemnities due hereunder to the full extent thereof;

(ii) second, ratably to pay any accrued interest (including interest at the Default Rate, if any) until paid in full;

(iii) third, ratably to pay the Premium, if any, due on the Loans (including, for the avoidance of doubt, any Premium due resulting from the prepayment of principal under clause fourth below);

(iv) fourth, ratably, to pay the principal amount of all Loans due (or being repaid at such time);

(v) fifth, ratably to pay any other Obligations then due and payable; and

(vi) sixth, to the Borrower.

Section 2.12 General Provisions Regarding Payments.

(a) All payments by the Borrower or any Loan Party of principal, interest, fees and other Obligations shall be made in Dollars in same day funds without, recoupment, setoff, counterclaim or other defense free of any restriction or condition, except as set forth in Section 2.6(e), and delivered to the Administrative Agent not later than 12:00 p.m. (New York City time) on the date due to the Administrative Agent's Account for the account of Lenders. Funds received by the Administrative Agent after that time on such due date shall be deemed to have been paid by the Borrower on the next Business Day.

(b) All repayments in respect of the principal amount of any Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid (in addition to any Premium due).

(c) To the extent any payments are received by the Administrative Agent instead of in accordance with Section 2.12(a) or Section 2.12(g), the Administrative Agent shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(d) Except as otherwise expressly provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder.

(e) The Administrative Agent shall deem any payment by or on behalf of the Borrower hereunder that is not made in same day funds prior to 12:00 p.m. (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. Interest and fees shall continue to accrue on any principal

as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the applicable rate determined pursuant to Section 2.6 from the date such amount was due and payable until the date such amount is paid in full.

(f) If an Event of Default shall have occurred and not otherwise been waived or all or any portion of the Loans shall have been accelerated hereunder, subject to the terms of any Swap Intercreditor Agreement (it being understood, for the avoidance of doubt, that during the existence of a Triggering Event (as such term is defined in the Swap Intercreditor Agreement) Section 4.02(b) of the Swap Intercreditor Agreement shall control), all payments or proceeds received by the Administrative Agent hereunder in respect of any of the Obligations shall be applied:

(i) first, to pay any costs and expenses then due to the Administrative Agent and the Collateral Agent in connection with the foreclosure or realization upon, the disposal, storage, maintenance or otherwise dealing with any of, the Collateral or otherwise, and indemnities and other amounts then due to the Administrative Agent and the Collateral Agent under the Loan Documents until paid in full;

(ii) second, to pay any costs, expenses, indemnities or fees then due to the Administrative Agent and the Collateral Agent under the Loan Documents until paid in full;

(iii) third, ratably to pay any expenses, fees or indemnities then due to Administrative Agent and the Collateral Agent or any of the Lenders under the Loan Documents, until paid in full;

(iv) fourth, ratably to the payment of any accrued interest (including interest at the Default Rate, if any) until paid in full;

(v) fifth, ratably to pay the Premium, if any, due on the Loans (including, for the avoidance of doubt, any Premium due resulting from the prepayment of principal under clause sixth below);

(vi) sixth, ratably, to pay the principal amount of all Loans due (or being repaid at such time); and

(vii) seventh, ratably to pay any other Obligations then due and payable.

(g) Premium. Concurrent with the prepayment or repayment of the Loans (whether at maturity or otherwise) or following acceleration of the maturity of the Loans pursuant to the terms hereby, and/or in or in connection with a voluntary or involuntary Insolvency Event or otherwise, the Borrower shall, to the extent required by Section 2.10(a)(i), pay to each of to the Lenders or their designees, at the direction and in the amounts as invoiced by the Administrative Agent, the Premium on the principal amount so prepaid, repaid or due. For the avoidance of doubt, the Obligations shall not be considered paid in full nor shall the Liens on the Collateral be released until the Premium is paid in full in Cash.

Section 2.13 Ratable Sharing. Lenders hereby agree among themselves that, except as otherwise provided in the Collateral Documents with respect to amounts realized from the exercise of rights by the Collateral Agent on behalf of the Secured Parties with respect to Liens on the Collateral, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans purchased and applied in accordance with the terms hereof), through the exercise of any right of set off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Loan Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, fees and other amounts then due and owing to such Lender hereunder or under the other Loan Documents (collectively, the "**Aggregate Amounts Due**" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase Loans (which it shall be deemed to have purchased from each Lender simultaneously upon the receipt by such Lender of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided, that if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of the Borrower or otherwise, those purchases to that extent shall be rescinded and the purchase prices paid for such Loans shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. The Borrower expressly consents to the foregoing arrangement and agrees that any Lender that has so purchased a Loan may exercise any and all rights of banker's lien, set off or counterclaim with respect to any and all monies owing by the Borrower to that Lender with respect thereto as fully as if that Lender were owed the amount of the Loan purchased by that Lender.

Section 2.14 Increased Costs, etc.

(a) Subject to the provisions of Section 2.15 (which shall be controlling with respect to the matters covered thereby), if any Change in Law: (i) subjects any Lender (or its applicable lending office) to any additional Tax (other than (A) any Tax on the Overall Net Income of such Lender or any of its Tax Related Persons, (B) any Taxes described in clauses (B) through (E) of the definition of Excluded Taxes and (C) Connection Income Taxes, and without duplication as to amounts payable to such Lender pursuant to Section 2.15) with respect to this Agreement or any of the other Loan Documents or any of its obligations hereunder or thereunder or any payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of any Lender; or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting any Lender's (or its applicable lending office's) obligations hereunder; and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto; then, in any such case, the Borrower shall promptly pay to such Lender, upon receipt of the statement referred to in the next sentence, such additional amount or

amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in amounts received or receivable hereunder, provided that such amounts are reasonably determined. Such Lender shall deliver to the Borrower (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.14, which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(b) Failure or delay on the part of any to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.14 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.15 Break Funding Payments. In the event (a) the payment of any principal of any Term SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto or (c) the failure to borrow, continue or prepay any Term SOFR Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.8 and is revoked in accordance therewith), then, in any such event, the Borrower shall compensate each Lender for the out-of-pocket loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section and setting forth in reasonable detail the manner in which such amount or amounts shall have been determined shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 2.16 Taxes; Withholding, etc.

(a) Payments to Be Free and Clear. All sums payable by any Loan Party hereunder and under the other Loan Documents shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Tax.

(b) Withholding of Taxes. If any Loan Party or any other Person is required by law (as determined by the relevant withholding agent in good faith) to make any deduction or withholding for or on account of any Tax from any sum paid or payable under any of the Loan Documents: (i) the Borrower shall notify Administrative Agent of any such requirement or any change in any such requirement as soon as the Borrower becomes aware of it; (ii) the Borrower shall be entitled to make such deduction or withholding and shall pay any such Tax to the relevant Governmental Authority before the date on which penalties attach thereto; (iii) the sum payable by such Loan Party in respect of which the relevant deduction or withholding is required shall be increased to the extent necessary to ensure that after any such deduction or withholding, the

Administrative Agent or such Lender, as the case may be, and each of their Tax Related Persons receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required; and (iv) within thirty (30) days after making any such deduction or withholding, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by the relevant Governmental Authority evidencing such payment, a copy of the return reporting such payment, or other evidence of such payment reasonably satisfactory to the Administrative Agent acting in good faith; provided, no such additional amount shall be required to be paid to the Administrative Agent, any Lender or any Tax Related Person under clause (iii) above with respect to any (A) Taxes on the Overall Net Income with respect to any Lender or Administrative Agent or any Tax Related Person, (B) branch profits Taxes imposed by the United States, (C) U.S. federal withholding Taxes to the extent such Tax withholding or deduction requirement is in effect and applicable, as of the date hereof (in the case of each Lender listed on the signature pages hereof on the Closing Date) (or, if later, the date on which such Lender designates a new lending office) or on the effective date of the Assignment and Acceptance Agreement pursuant to which such Lender became a Lender (in the case of each other Lender), except to the extent that, pursuant to this Section 2.15, amounts with respect to such Taxes were payable to such Lender immediately before it changed its lending office or such Lender's assignor (including each of their Tax Related Persons) immediately before such Lender becomes a party hereto, (D) Taxes attributable to such Lender, Administrative Agent and/or their Tax Related Person's failure to comply with Section 2.15(e) or Section 2.15(g), or (E) U.S. federal withholding Taxes imposed under FATCA (collectively, "**Excluded Taxes**").

(c) Other Taxes. In addition, the Loan Parties shall pay all Other Taxes to the relevant Governmental Authorities in accordance with applicable law. The Loan Parties shall deliver to Administrative Agent official receipts or other evidence of such payment reasonably satisfactory to Administrative Agent in respect of any Taxes or Other Taxes payable hereunder promptly after payment of such Taxes or Other Taxes.

(d) Indemnification by the Loan Parties. The Loan Parties shall indemnify Administrative Agent and each Lender, within ten (10) days after written demand therefor, for the full amount of any Taxes paid or incurred by Administrative Agent or such Lender or their respective Tax Related Persons, as the case may be, relating to, arising out of, or in connection with any Loan Document or any payment or transaction contemplated hereby or thereby, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority and all reasonable costs and expenses incurred in enforcing the provisions of this Section 2.15; provided, however, that the Loan Parties shall not be required to indemnify the Administrative Agent and Lenders for any Excluded Taxes. A certificate from the relevant Lender or the Administrative Agent, setting forth in reasonable detail the basis and calculation of such Taxes shall be conclusive, absent manifest error.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will

permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraphs (e)(ii)(A), (ii)(B) and (ii)(C) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Administrative Agent and, if requested by the Borrower, the Borrower, executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), whichever of the following is applicable:

a. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

b. executed copies of IRS Form W-8ECI;

c. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a U.S. Tax Compliance Certificate and (y) executed copies of IRS Form W-8BEN; or

d. to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents

from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner; and

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(f) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines in its sole discretion, acting in good faith, that it has received a refund of any taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.15, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.15 with respect to the taxes giving rise to such refund), net of all out-of-pocket expenses incurred by the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any related penalties, interest or other charges imposed by the relevant Governmental Authority or expenses related thereto) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or Lender be required to pay any amount to the Borrower pursuant to this paragraph (f) the payment of which would place the Administrative Agent or Lender, as applicable, in a less favorable net after-Tax position than the Administrative Agent or Lender, as applicable, would have been if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person or to alter its customary procedures and practices with respect to the administration of taxes.

(g) FATCA Provisions. If a payment made to a Lender under this Agreement would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i)

of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine that such Lender has complied with such Lender's obligations under FATCA, or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph (g), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(h) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Taxes other than Excluded Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(g) relating to the maintenance of a Participant Register, and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.15(h).

(i) [Reserved].

(j) Tax Treatment of Warrants. Each of Parent, the Borrower, the Administrative Agent and each Lender agree that (i) the Warrants issued pursuant to the Warrant Agreement will be treated as exercised for U.S. federal income tax purposes as of the date such warrants are granted, and that, as a result of such deemed exercise, the Lender will be treated as holding common stock of the Borrower as provided in the Warrant Agreement, and (ii) the Loans and the Warrants issued pursuant to the Warrant Agreement constitute "Investment Units" as that term is defined in Section 1273(c)(2) of the Code. None of Parent, the Borrower, the Administrative Agent, or the Lenders shall take any position inconsistent with the foregoing on any report, return, claim for refund or other filing for U.S. tax purposes unless all such parties agree otherwise or as otherwise may be required (to the satisfaction of the Administrative Agent, in its reasonable discretion) by applicable law. All computations under this Section 2.15(j) shall be made by the Administrative Agent and shall be provided to the Borrower as necessary to enable the Borrower to timely comply with its tax reporting obligations.

(k) Survival. Each party's obligations under this Section 2.15 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.17 Inability to Determine Rates.

(a) Subject to Section 2.18, if prior to the commencement of any Interest Period for a Term SOFR Borrowing,

(i) the Administrative Agent shall have determined (which determination shall be made in good faith and shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining Adjusted Term SOFR for such Interest Period; or

(ii) the Administrative Agent is advised by the Requisite Lenders that Adjusted Term SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining the Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by written or electronic transmission, as applicable, as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any Borrowing shall be made as an ABR Borrowing. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.15.

Section 2.18 Benchmark Replacement Setting.

(a) Benchmark Replacement.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and the definition of "Adjusted Term SOFR" shall be deemed modified to delete the addition of the Term SOFR Adjustment to Term SOFR for any calculation and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Requisite Lenders. If the Benchmark Replacement is based upon Daily Simple SOFR, all interest payments will be payable on a monthly basis.

(ii) No Swap Agreement shall be deemed to be a "Loan Document" for purposes of this Section 2.18.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.18(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, the Borrower or any Lender (or group of Lenders) pursuant to this Section 2.18, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.18.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Borrower may revoke any pending request for a Term SOFR Borrowing of a Term SOFR Loan to be made during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to an ABR Loan and (ii) any outstanding affected Term SOFR Loans will be deemed to have been converted into ABR Loans immediately. During a Benchmark Unavailability Period or at any time that a tenor for the then-

current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

ARTICLE 3

(f) Swap Agreements. (i) The Administrative Agent shall be satisfied with the form and substance and terms of any Swap Agreements that the Borrower proposes to enter into, which shall be at the strike prices, quantities and notional volumes and for the duration set forth on Schedule 4.27, (as amended, supplemented and/or updated from time to time on the books and records of the Administrative Agent) unless otherwise agreed to by the Administrative Agent in its sole discretion, and (ii) the Administrative Agent shall have received a fully executed copy of the Swap Intercreditor Agreement, in form and substance reasonably satisfactory to the Administrative Agent.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE LOAN PARTIES

In order to induce Lenders to enter into this Agreement and to make their respective Loans, each Loan Party represents and warrants to the Administrative Agent and each Lender that the following statements are true and correct:

Section 4.1 Organization; Requisite Power and Authority; Qualification. Each Loan Party (a) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization as identified in Schedule 4.1, (b) has all requisite power and authority to own and operate its Properties, to carry on its business as now conducted and as proposed to be conducted, to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby and, in the case of the Borrower, to receive the borrowings hereunder, and (c) is qualified to do business and in good standing in every jurisdiction necessary to carry out its business and operations as now conducted, except in each case referred to in clause (c), to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

Section 4.2 Capital Stock and Ownership. The Capital Stock of each of Loan Party has been duly authorized and validly issued. Other than as set forth on Schedule 4.2. as of the Closing Date there is no existing option, warrant, call, right, commitment or other agreement to which any Loan Party is a party requiring, and there is no other Capital Stock of any Loan Party outstanding which upon conversion or exchange would require, the issuance by any Loan Party of any additional membership interests or other Capital Stock of any Loan Party or other securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase, a membership interest or other Capital Stock of any Loan Party. Schedule 4.2 sets forth a true,

complete and correct list as of the Closing Date, after giving effect to the transactions contemplated hereby, of the name of each Loan Party and indicates for each such Person its ownership (by holder and percentage interest) and the type of entity of each of them, and the number and class of authorized and issued Capital Stock of such Person. As of the Closing Date, except as disclosed on Schedule 4.2, no Loan Party has any equity investments in any other corporation or entity.

Section 4.3 Due Authorization. The execution, delivery and performance of the Loan Documents have been duly authorized by all necessary corporate, limited liability company or partnership (as applicable) action and, if required, shareholder, member and/or partner action, on the part of each Loan Party that is a party thereto.

Section 4.4 No Conflict. The execution, delivery and performance by each of the Loan Parties of the Loan Documents to which such Loan Party is a party do not and will not (a) violate in any material respect any provision of any material Governmental Requirement applicable to any Loan Party or any of the Organizational Documents of any Loan Party; (b) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any Contractual Obligation of any Loan Party other than with respect to agreements evidencing Indebtedness that is being repaid in full on the Closing Date; (c) result in or require the creation or imposition of any Lien upon any of the properties or assets of any Loan Party (other than any Liens created under any of the Loan Documents in favor of the Administrative Agent, on behalf of the Lenders and other Permitted Liens); (d) other than as set forth in Schedule 3.1, result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties; or (e) other than as set forth in Schedule 3.1, require any approval of stockholders, members or partners or any approval or consent of any Person under any Contractual Obligation of any Loan Party, except for such approvals or consents which will be obtained on or before the Closing Date and disclosed in writing to the Administrative Agent and except (in any case under the preceding clauses (b), (d) and (e) herein) where such violation, conflict, result or requirement, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

Section 4.5 Governmental Consents. Other than as set forth on Schedule 3.1, the execution, delivery and performance by each of the Loan Parties of the Loan Documents to which they are parties and the consummation of the Transactions do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority except for (a) filings and recordings with respect to the Collateral to be made, or otherwise delivered to the Administrative Agent for filing and/or recordation, as of the Closing Date, (b) filings necessary to maintain perfection of the Collateral, (c) routine filings related to such Loan Party and the operating of its business and (d) such filings as may be necessary in connection with the Lender's exercise of remedies hereunder.

Section 4.6 Binding Obligation. Each Loan Document has been duly executed and delivered by each Loan Party (or Affiliate of a Loan Party) that is a party thereto and is the legally valid and binding obligation of such Loan Party (or Affiliate of such Loan Party), enforceable against such Person in accordance with its respective terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability (whether enforcement is sought in equity or at law).

Section 4.7 Financial Information. The unaudited pro forma balance sheet of the Borrower as of March 16, 2021 (including the notes thereto) (the "**Pro Forma Balance Sheet**"), copies of which have heretofore been furnished to each Lender, has been prepared giving effect (as if such events had occurred on such date) to (a) the Transactions, (b) the Loans to be issued on the Closing Date and (c) the payment of fees and expenses in connection with the foregoing. The Pro Forma Balance Sheet has been prepared based on the best information available to the Borrower as of the date of delivery thereof, and presents fairly, in all material respects, on a pro forma basis the estimated financial position of the Borrower as of March 16, 2021, assuming that the events specified in the preceding sentence had actually occurred at such date (it being understood that projections and estimates are subject to significant uncertainties and contingencies, that no assurances can be given that any projections will be attained and that variances from actual results may be material). As of the Closing Date, the Borrower has no contingent liability or liability for taxes, long term lease or unusual forward or long term commitment including under any farm-in, exploration, drillco or other development agreement that has not been disclosed in writing to the Administrative Agent. All material obligations of the Borrower to make Capital Expenditures to drill or otherwise develop any Oil and Gas Properties have been disclosed to the Administrative Agent.

Section 4.8 Projections. On and as of the Closing Date, the projections of the Loan Parties for the period through and including the month following the second anniversary of the Closing Date, including monthly projections for each month during the Fiscal Year in which the Closing Date takes place (the "**Projections**"), are based on good faith estimates and assumptions made by the management of the Borrower and, as of the Closing Date, the management of the Borrower believed that the Projections were reasonable.

Section 4.9 No Material Adverse Effect. Since December 15, 2020, no event, circumstance or change has occurred that has caused or could be expected to result in, either individually or in the aggregate, a Material Adverse Effect.

Section 4.10 Adverse Proceedings, etc. Except as shown on Schedule 4.10, there are no Adverse Proceedings, individually or in the aggregate, which if adversely determined could reasonably be expected to result in a Material Adverse Effect. Other than as set forth in Schedule 3.1, no Loan Party (a) is in violation of any Governmental Requirement of any Governmental Authority (including Environmental Laws) that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect, or (b) is subject to or in default with respect to any final judgments, writs, injunctions, decrees, rules or regulations of any Governmental Authority, domestic or foreign, except in each case as could not reasonably be expected to have a Material Adverse Effect.

Section 4.11 Payment of Taxes. Except as permitted under Section 5.4, (a) all federal and material state and other tax returns and reports of each Loan Party required to be filed by any of them have been timely filed, and all Taxes shown on such tax returns to be due and payable and all other material assessments, fees and other governmental charges upon any Loan Party and upon their respective properties, assets, income, businesses and franchises which are due and payable have been paid when due and payable, except those which are being contested by such Loan Party in good faith and by appropriate proceedings; provided, such reserves or other appropriate provisions, if any, as shall be required in conformity with IFRS shall have been made or provided

therefor, (b) the charges, accruals and reserves on the books of the Loan Parties in respect of Taxes and other governmental charges are, in the reasonable opinion of the Borrower, adequate and (c) no Tax Lien has been filed against any Loan Party or any of its assets or properties and, to the knowledge of the Borrower, no claim is being asserted with respect to any such Tax or other such governmental charge.

Section 4.12 Properties.

(a) Title. Except as set forth in Schedule 3.1 or Schedule 4.12:

(i) Each Loan Party has good and defensible title to its material Oil and Gas Properties (if any) and good title to all its material personal Properties (or a valid leasehold interest with respect to all leasehold interests in other real or personal Property), in each case, free and clear of all Liens other than Permitted Liens. Subject to the Permitted Liens, and subject to any consent or nonconsent elections after the date hereof affecting such Loan Party's Hydrocarbon Interests, each such Loan Party owns at least the net interests in production attributable to its Hydrocarbon Interests as reflected in the exhibits to the Mortgages, and the ownership of such Properties shall not in any material respect obligate such Loan Party to bear the costs and expenses relating to the maintenance, development and operations of each such Property in an amount in excess of its working interest in each Property that is not offset by at least a corresponding proportionate increase in such Loan Party's net revenue interest in such Property;

(ii) All material leases and agreements necessary for the conduct of the business of each Loan Party are valid and subsisting, in full force and effect, and there exists no default or event or circumstance which with the giving of notice or the passage of time or both would give rise to a default under any such lease or leases; and

(iii) The rights and Properties presently owned, leased or licensed by each Loan Party including, without limitation, all easements and rights of way, include all material rights and Properties reasonably necessary to permit such Loan Party to conduct its business.

(b) Oil and Gas Properties. Except as set forth on Schedule 4.12, each Loan Party's Oil and Gas Properties (if any) (and Facilities unitized therewith) have been maintained, operated and developed in a good and workmanlike manner and in conformity with all Governmental Requirements and in conformity with the provisions of all leases, subleases or other contracts comprising a part of such Loan Party's Hydrocarbon Interests and other contracts and agreements forming a part of such Loan Party's Oil and Gas Properties, in each case, in all material respects. Specifically in connection with the foregoing and except as in each case could not reasonably be expected to have a Material Adverse Effect, (i) no Oil and Gas Property of any Loan Party is subject to having allowable production reduced below the full and regular allowable level (including the maximum permissible tolerance) because of any overproduction (whether or not the same was permissible at the time), (ii) none of the wells comprising a part of any Loan Party's Oil and Gas Properties (or Facilities unitized therewith) is deviated from the vertical more than the maximum permitted by Governmental Requirements, and such wells are, in fact, bottomed under and are producing from, and the well bores are wholly within, or otherwise are legally located

Each such policy of the Loan Parties of (i) casualty insurance shall contain loss payable clauses or provisions in each such insurance policy or policies in favor of and made payable to the Administrative Agent as its interests may appear and (ii) such policies of liability insurance shall name the Administrative Agent and the Lenders as "additional insureds" and provide that the insurer will endeavor to give no less than 30 days prior written notice of any cancellation to the Administrative Agent (10 days for non-payment). Such endorsement shall be further endorsed to show that each Loan Party waives the right and shall cause its insurers to waive the right to subrogate against the Lenders. Each such policy shall be primary and not excess to or contributing with any insurance or self-insurance maintained by any Lender. Upon request at any time from and after the Closing Date, the Loan Parties shall deliver a certificate of insurance coverage from each insurer or its authorized agent or broker with respect to the insurance required by this Section 5.6, in form reasonably satisfactory to the Administrative Agent.

finances and accounts with its and their officers and independent accountants, all upon reasonable notice and at such reasonable times during normal business hours, all subject to, as and where applicable, compliance with all safety and site policies of such Loan Party. By this provision the Loan Parties authorize such independent accountants to discuss with the Administrative Agent and Lender and such representatives the affairs, finances and accounts of each Loan Party; provided that (i) such Loan Party shall be afforded an opportunity to be present at any such discussions with the independent accountants, (ii) unless an Event of Default has occurred, such visits and inspections shall occur not more than two times in any twelve month period for Administrative Agent and all of the Lenders taken together, at the expense of the Loan Parties, such expenses to be reasonable and documented, and (iii) if no Default or Event of Default has occurred and is continuing, the cost and expense of any additional visits and inspections by the Administrative Agent or any Lender shall be for the account of the Lenders. No Loan Party will be responsible for injuries to or damages suffered by the Administrative Agent or any Lender or any officer, employee, agent or representative of the Administrative Agent or any Lender while visiting or inspecting the Properties of any Loan Party, unless such injuries or damages are caused by or directly result from the negligence or willful misconduct of such Loan Party, its officers, agents, representatives, contractors, or subcontractors. The Loan Parties acknowledge that the Administrative Agent, after exercising its rights of inspection, may prepare and distribute to the Lenders certain reports pertaining to the Loan Parties' assets for internal use by Administrative Agent and the Lenders. Notwithstanding anything to the contrary in this Section 5.7, none of the Loan Parties or their Subsidiaries will be required to disclose or permit the inspection or discussion of, any document, information or other matter (x) in respect of which disclosure to the Administrative Agent or any Lender (or their representatives) is prohibited by Governmental Requirement or any binding agreement or (y) that is subject to attorney-client or similar privilege or constitutes attorney work product.

(i) as soon as practicable following receipt thereof by any Loan Party, copies of all environmental audits, investigations, analyses and reports of any kind or character, whether prepared by personnel of any Loan Party or by independent consultants, Governmental Authorities or any other Persons, with respect to material environmental matters (including without limitation any Release or other Hazardous Materials contamination in violation of Environmental Laws) at any Properties of any Loan Party or with respect to any Environmental Claims or Environmental Liabilities;

(ii) promptly upon the occurrence thereof, written notice describing in reasonable detail (A) any Release affecting the Loan Parties' Oil and Gas Properties

required to be reported to any federal, state or local Governmental Authority under any applicable Environmental Laws, (B) any Remedial Action taken by any Loan Party or any other Person in response to (1) any Hazardous Materials Activities the existence of which has a possibility of resulting in one or more material Environmental Claims or material Environmental Liabilities, or (2) any material Environmental Claims or material Environmental Liabilities and (C) any Loan Party's discovery of any occurrence or condition on any real property adjoining or in the vicinity of any real property of the relevant Loan Party that could be expected to cause such property of such Loan Party or any part thereof to be subject to any material restrictions on the ownership, occupancy, transferability or use thereof under any Environmental Laws;

(iii) as soon as practicable following the sending or receipt thereof by any Loan Party or any operator, a copy of any and all written communications with respect to (A) any material Environmental Claims or material Environmental Liabilities, (B) any Release required to be reported to any federal, state or local Governmental Authority, and (C) any request for information from any Governmental Authority that suggests such agency is investigating whether any Loan Party may be potentially responsible for any Hazardous Materials Activity; and

(iv) prompt written notice describing in reasonable detail (A) any proposed acquisition of Capital Stock, assets, or property by any Loan Party that could reasonably be expected to (1) expose any Loan Party to, or result in, material Environmental Claims or material Environmental Liabilities or (2) affect the ability of any Loan Party to maintain in full force and effect all material Governmental Authorizations required under any Environmental Laws for their respective operations and (B) any proposed action to be taken by any Loan Party to modify current operations in a manner that could reasonably be expected to subject any Loan Party to any additional material obligations or requirements under any Environmental Laws.

(b) Hazardous Materials Activities, Etc. Each Loan Party shall promptly take, and shall use commercially reasonable efforts to cause each operator promptly to take, any and all actions reasonably necessary to (i) comply, and cause its Properties and operations to comply, in all material respects, with all applicable Environmental Laws; (ii) not Release or threaten to Release, any Hazardous Material on, under, about or from any of the Loan Parties' Properties or any other property offsite such Property to the extent caused by the Loan Parties' operations except in compliance with applicable Environmental Laws; (iii) timely obtain or file, all material Environmental Permits, if any, required under applicable Environmental Laws to be obtained or filed in connection with the operation or use of the Loan Parties' Properties; (iv) promptly commence and diligently prosecute to completion, any Remedial Action in the event any Remedial Action is required or reasonably necessary under applicable Environmental Laws because of or in connection with the actual or suspected past, present or future Release or threatened Release of any Hazardous Material on, under, about or from any of the Loan Parties' Properties; (v) conduct its respective operations and businesses in a manner that is not likely to expose any Property or Person to Hazardous Materials; (vi) cure any material violation of or material noncompliance with applicable Environmental Laws by such Person or with respect to their Properties or operations thereon; (vii) make an appropriate response to any Hazardous Materials Release or any Environmental Claim against such Person and discharge any obligations it may have to any Person

thereunder; and (viii) establish and implement such procedures as may be necessary to continuously reasonably determine and assure that the Loan Parties' obligations under this Section 5.9(b) are timely and fully satisfied in all material respects.

(c) Right of Access and Inspection. With respect to any event described in Section 5.9(b) or if an Event of Default has occurred and is continuing:

(i) The Administrative Agent and its representatives shall have the right, but not the obligation or duty, upon reasonable notice to enter the applicable properties at reasonable times for the purposes of observing the applicable properties. Such access shall include, at the request of Administrative Agent, access to relevant documents and employees of each Loan Party and to their outside representatives, to the extent reasonably necessary to obtain information related to the property or event at issue. If Administrative Agent believes that a breach of this Section 5.9 has occurred or is occurring, or an Event of Default has occurred, the Loan Parties shall conduct such assessments, tests and investigations on the properties of the affected Loan Party or relevant portion thereof, as requested by Administrative Agent, including the preparation of a Phase I Report or such other sampling or analysis. If an Event of Default has occurred, and if a Loan Party does not undertake such assessments, tests and investigations in a reasonably timely manner following the request of the Administrative Agent, the Administrative Agent may hire an independent engineer, at the Loan Parties' expense, to conduct such assessments, tests and investigations. The Administrative Agent will make commercially reasonable efforts to conduct any such assessments, tests and investigations so as to avoid unduly interfering with the operation of the properties.

(ii) The Loan Parties will provide environmental assessments, audits and tests upon reasonable request by the Administrative Agent in connection with any future acquisitions of any Properties.

(iii) Any assessments, observations, tests or investigations of the properties by or on behalf of the Administrative Agent shall be solely for the purpose of protecting the Lenders security interests and rights under the Loan Documents. The exercise or non-exercise of the Administrative Agent's rights under this Section 5.9(c) shall not constitute a waiver of any Default or Event of Default of any Loan Party or impose any liability on the Administrative Agent or any of the Lenders. In no event will any observation, test or investigation by or on behalf of the Administrative Agent be a representation that Hazardous Materials are or are not present in, on or under any of the properties, or that there has been or will be compliance with any Environmental Law and the Administrative Agent shall not be deemed to have made any representation or warranty to any party regarding the truth, accuracy or completeness of any report or findings with regard thereto. Neither any Loan Party nor any other Person is entitled to rely on any observation, test or investigation by or on behalf of the Administrative Agent. The Administrative Agent and the Lenders owe no duty of care to protect any Loan Party or any other Person against, or to inform any Loan Party or any other Person of, any Hazardous Materials or any other adverse condition affecting any of the Facilities or any other properties. The Administrative Agent may, in its sole discretion, disclose to the applicable Loan Party, or to any other Person if so required by law, any report or findings

made as a result of, or in connection with, its observations, tests or investigations. If a request is made of the Administrative Agent to disclose any such report or finding to any third party, then the Administrative Agent shall endeavor to give the applicable Loan Party prior notice of such disclosure and afford such Loan Party the opportunity to object or defend against such disclosure at its own and sole cost; provided, that the failure of Administrative Agent to give any such notice or afford such Loan Party the opportunity to object or defend against such disclosure shall not result in any liability to the Administrative Agent. Each Loan Party acknowledges that it may be obligated to notify relevant Governmental Authorities regarding the results of any observation, test or investigation disclosed to such Loan Party, and that such reporting requirements are site and fact-specific and are to be evaluated by such Loan Party without advice or assistance from Administrative Agent.

If counsel to any Loan Party reasonably determines that provision to Administrative Agent of a document otherwise required to be provided pursuant to this Section 5.9 (or any other provision of this Agreement or any other Loan Document relating to environmental matters) would jeopardize an applicable attorney-client or work product privilege pertaining to such document, then such Loan Party shall not be obligated to deliver such document to Administrative Agent but shall provide Administrative Agent with a notice identifying the author and recipient of such document and generally describing the contents of the document. Upon request of Administrative Agent, such Loan Party shall take all reasonable steps necessary to provide Administrative Agent with the factual information contained in any such privileged document.

Section 5.10 Subsidiaries. Subject to Section 6.22, in the event that any Person becomes a Subsidiary of any Loan Party, whether directly or indirectly, such Loan Party shall (i) concurrently with such Person becoming a Subsidiary (x) pledge to the Administrative Agent all of the Capital Stock of such Subsidiary (including, without limitation, delivering original stock certificates, if any, evidencing the Capital Stock of such Subsidiary, together with an appropriate undated stock power for each certificate duly executed in blank by the registered owner thereof), and (y) cause such Subsidiary to become a Guarantor of the Obligations under the Guarantee and Collateral Agreement by executing and delivering to Administrative Agent and Collateral Agent a joinder to the Guarantee and Collateral Agreement, and (ii) take all such actions and execute and deliver, or cause to be executed and delivered, all such documents, instruments, agreements, and certificates as are similar to those described in Sections 3.1(b), 3.1(d), 3.1(e), 3.1(f), 3.1(g), 3.1(j), 3.1(l), 3.1(m) and 3.1(t) and in a form reasonably required by the Administrative Agent. Any Subsidiary of the Borrower must be a wholly-owned Subsidiary.

Section 5.11 Further Assurances.

(a) At any time or from time to time upon the request of the Administrative Agent, each Loan Party and each Guarantor will, at its expense, promptly execute, acknowledge and deliver such further documents and do such other acts and things as the Administrative Agent may reasonably request in order to effect fully the purposes of the Loan Documents, including providing Lenders with any information requested pursuant to Section 10.20. In furtherance and not in limitation of the foregoing, each Loan Party shall take such actions as the Administrative Agent may reasonably request from time to time to ensure that the Obligations are guaranteed by

the Guarantors and are secured by substantially all of the assets of the Loan Parties (subject to Section 5.13) and all of the outstanding Capital Stock of the Loan Parties (other than Parent).

(b) Each Loan Party hereby authorizes the Administrative Agent to file one or more financing or continuation statements, and amendments thereto, relative to all or part of the Property of any Loan Party without the signature of such Loan Party where permitted by law, including any financing or continuation statement, or amendment thereto, with "all assets" in the collateral description. A carbon, photographic or other reproduction of the Collateral Documents or any financing statement covering any Property of any Loan Party or any part thereof shall be sufficient as a financing statement where permitted by law.

Section 5.12 Use of Proceeds. The proceeds of the Loans will be used only in the manner and for the purposes set forth in Section 2.4.

Section 5.13 Additional Properties; Other Collateral. In the event that (a) any Loan Party acquires any Oil and Gas Property or (b) any Property owned or leased by a Loan Party on the Closing Date becomes Oil and Gas Property and such interest or interests under clauses (a) or (b) have an aggregate value in excess of $250,000 and have not otherwise been made subject to the Lien of the Collateral Documents in favor of the Collateral Agent for the benefit of the Secured Parties, then such Loan Party, contemporaneously with acquiring such Oil and Gas Property, in the case of clause (a), promptly after any Property owned or leased on the Closing Date becomes an Oil and Gas Property, in the case of clause (b), must take all such actions and execute and deliver, or cause to be executed and delivered, all such mortgages, documents, instruments, agreements, opinions and certificates with respect to each such Property that the Administrative Agent or the Collateral Agent shall reasonably request to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a valid and, subject to any applicable perfection requirements, perfected First Priority security interest in such Property (subject only to Permitted Liens) such that, at all times the Collateral Agent will have a Lien on all of the Oil and Gas Properties of the Loan Parties (except as provided above). Each Loan Party will at all times cause all personal property of such Loan Party to be subject to a First Priority Lien in favor of the Collateral Agent pursuant to the Collateral Documents. All of the issued and outstanding Capital Stock of each Loan Party (other than Parent) shall at all times be pledged to the Collateral Agent pursuant to the Collateral Documents.

Section 5.14 Board Observation Rights. Each Loan Party will (i) give advance notice to the Board Observer of all meetings of the managing body of such Loan Party and all proposals to such body for action without a board meeting, in accordance with the bylaws of such Loan Party, (ii) allow such representative to attend all such meetings, in accordance with the bylaws of such Loan Party, and (iii) subject to the provisions of Section 10.17, and the withholding of any materials based on a conflict of interest that the managing body of such Loan Party believes in good faith exists between such Loan Party and the Administrative Agent with respect to matters addressed by the materials in question, provide the Board Observer with copies of all written materials distributed to such directors or managers (or similar body) in connection with such meetings or proposals for action without a meeting, including, upon request of such

Board Observer, all minutes of previous actions and proceedings, provided that, such Board Observer shall not be entitled to participate in any portion of discussions or receive any portion materials directly relating to a refinancing of this Agreement or that relate to any legally privileged material. In the event the Administrative Agent fails to designate a non-voting representative to attend meetings pursuant to this Section 5.14, each Loan Party will send materials that would otherwise be provided under this Section 5.14 to the Administrative Agent in compliance with Section 10.1. The Board Observer may be excluded from any portion of any meeting and the Board Observer or the Administrative Agent, if no Board Observer has been designated, may be denied access to any portion of any board materials if and to the extent (a) access to such information or attendance at such meeting or portion thereof would adversely affect any attorney-client privilege, (b) access to such information or attendance at such meeting or portion thereof could reasonably be expected to result in disclosure of trade secrets, (c) the Administrative Agent, the Loan Documents or other material debt financing arrangements are the subject matter under discussion, or (d) if prohibited by Governmental Requirement, in each case, to the extent that the Borrower has promptly delivered to the Administrative Agent for distribution to the Lenders a statement of an Authorized Officer of the Borrower certifying the basis on which such materials are being withheld.

Section 5.15 Notices; Attorney-in-fact; Deposits. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent shall have the right to send Direction Letters or division orders to all Persons that owe or are expected to owe cash or Cash Equivalents to any Loan Party. With respect to cash or Cash Equivalents received directly by a Loan Party, such Loan Party shall immediately deposit, or cause to be deposited, all such amounts in the Operating Account. If any Loan Party has knowledge that any Person is in receipt of cash or Cash Equivalents that would otherwise be properly deposited in the Operating Account, such Loan Party shall promptly notify such Person and the Administrative Agent in writing of such circumstance and shall direct such Person to deposit, or cause to be deposited, all such amounts in the Operating Account.

Any revised plan submitted to the Administrative Agent shall not be considered the current APOD until such time as the Administrative Agent shall have consented to such revised plan, and no Loan Party shall be permitted to incur Capital Expenditures in furtherance of such draft APOD until such consent has been obtained. The Administrative Agent shall have no obligation to consent to any revisions to the APOD.

(c) So long as no Default or Event of Default has occurred and is outstanding, the Loan Parties may spend up to $350,000 per calendar year on Capital Expenditures for well workovers or midstream upgrades not accounted for in the APOD; provided that such expenditures are disclosed in the next monthly reports delivered pursuant to Section 5.1(m).

Section 5.19 Deposit Accounts The Borrower shall: (i) maintain at the Borrower's expense one or more accounts in the name of the Borrower with a bank selected by the Borrower and reasonably acceptable to the Administrative Agent, which has entered into a Control Agreement specifying that such bank shall comply with all instructions it receives from the Collateral Agent (acting on the written direction of the Administrative Agent) with respect to the Deposit Account without further consent from the Borrower or the affiliate operator at from and after any time that the Collateral Agent (acting at the written direction of the Administrative Agent) has sent such bank a notice indicating the existence of an Event of Default and (ii) have designated an Operating Account (which, for the avoidance of doubt, must be subject to a Control Agreement) into which the Borrower and all Loan Parties shall cause all revenues generated from the Oil and Gas Properties to be deposited promptly (unless such accounts are properly on deposit in an Excluded Account). All Cash Receipts to be received by the Borrower or any Loan Party shall be deposited in the Operating Account (unless such accounts are properly on deposit in an Excluded Account), and the Borrower shall direct (and hereby agrees to direct) each payor of any Cash Receipts now and in the future to make payment to such Deposit Accounts. Notwithstanding the foregoing, each such Control Agreement shall permit the Borrower, the Loan Parties and permitted affiliated operator, as applicable, to withdraw from the Operating Account any amounts contained therein so long as the Collateral Agent (acting at the written direction of the Administrative Agent) has not sent the applicable Deposit Account bank a notice indicating the existence of an Event of Default.

The Administrative Agent hereby agrees to act upon the express conditions contained herein and the other Loan Documents, as applicable. The provisions of this Section 9.1(a) are solely for the benefit of the Administrative Agent and the Lenders and no Loan Party shall have any rights as a third party beneficiary of any of the provisions thereof. In performing its functions and duties hereunder, the Administrative Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Loan Party or any Affiliate thereof.

(b) The Administrative Agent and each Lender hereby irrevocably designates and appoints the Collateral Agent as the agent with respect to the Collateral, and the Administrative Agent and each Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Section 9.2 Powers and Duties. Each Lender irrevocably authorizes the Administrative Agent to take such action on such Lender's behalf and to exercise such powers, rights and remedies and perform such duties hereunder and under the other Loan Documents as are specifically delegated or granted to the Administrative Agent by the terms hereof and thereof, together with such actions, powers, rights and remedies as are reasonably incidental thereto. The Administrative Agent shall have only those duties and responsibilities that are expressly specified herein and the other Loan Documents. The Administrative Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. The Administrative Agent shall not have or be deemed to have, by reason hereof or any of the other Loan Documents, a fiduciary relationship in respect of any Lender; and nothing herein or any of the other Loan Documents, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect hereof or any of the other Loan Documents except as expressly set forth herein or therein. Notwithstanding anything to the contrary set forth herein, when any provision of this Agreement authorizes the Administrative Agent to make a determination or to take any other action, such authorization shall, if the Requisite Lenders so require, be exercised by the Administrative Agent only with the express consent of, and according to the direction of, the Requisite Lenders.

Section 9.3 General Immunity.

(a) No Responsibility for Certain Matters. The Administrative Agent shall not be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Loan Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by the Administrative Agent to Lenders or by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the Loan Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations, nor shall the Administrative Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Loan Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or Default or to make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, the Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Loans or the component amounts thereof.

(b) Exculpatory Provisions. Neither the Administrative Agent nor any of its officers, partners, directors, employees or agents shall be liable to Lenders for any action taken or omitted by the Administrative Agent under or in connection with any of the Loan Documents except to the extent caused by the Administrative Agent gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, nonappealable order. The Administrative Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Loan Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until the Administrative Agent shall have received instructions in respect thereof from Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 10.5) or in accordance with the applicable Collateral Document, and, upon receipt of such instructions from Requisite Lenders (or such other Lenders, as the case may be), or in accordance with the other applicable Collateral Document, as the case may be, the Administrative Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions. Without prejudice to the generality of the foregoing, (i) the Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected and free from liability in relying on opinions and judgments of attorneys (who may be attorneys for the Loan Parties), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or (where so instructed) refraining from acting hereunder or any of the other Loan Documents in accordance with the instructions of Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 10.5) or in accordance with the applicable Collateral Document.

(c) Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to Events of Default in the payment of principal, interest and fees required to be paid to the

Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.4 Administrative Agent Entitled to Act as Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, the Administrative Agent in its individual capacity as a Lender hereunder. With respect to its Loans, the Administrative Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term "Lender" shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity. The Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with any Loan Party or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any of their respective Affiliates for services in connection herewith and otherwise without having to account for the same to Lenders.

Section 9.5 Lenders' Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants to the Administrative Agent that it has made its own independent investigation of the financial condition and affairs of each Loan Party, without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, in connection with Loans made hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of each Loan Party. The Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of the Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and the Administrative Agent shall not have any responsibility with respect to the accuracy of or the completeness of any information provided to the Lenders.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by the Administrative Agent, the Collateral Agent, the Requisite Lenders or the Lenders, as applicable.

(c) Notwithstanding anything herein to the contrary, each Lender also acknowledges that the Lien and security interest granted to the Administrative Agent pursuant to the Loan Documents and the exercise of any right or remedy by the Administrative Agent thereunder are subject to the provisions of the Swap Intercreditor Agreement. In the event of any conflict between the terms of the Swap Intercreditor Agreement and the Loan Documents, the terms of the Swap Intercreditor Agreement shall govern and control.

Section 9.6 **Right to Indemnity**. Each Lender, in proportion to its Pro Rata Share, severally agrees to indemnify the Administrative Agent, its Affiliates and its officers, partners, directors, trustees, employees, representatives and agents of the Administrative Agent (each, an "**Indemnitee Agent Party**"), to the extent that such Indemnitee Agent Party shall not have been reimbursed by any Loan Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Indemnitee Agent Party in exercising its powers, rights and remedies or performing its duties hereunder or under the other Loan Documents or otherwise in its capacity as such Indemnitee Agent Party in any way relating to or arising out of this Agreement or the other Loan Documents, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY, OR SOLE NEGLIGENCE OR GROSS NEGLIGENCE OF THE ADMINISTRATIVE AGENT**; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Indemnitee Agent Party's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, nonappealable order. If any indemnity furnished to any Indemnitee Agent Party for any purpose shall, in the opinion of such Indemnitee Agent Party, be insufficient or become impaired, such Indemnitee Agent Party may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, that in no event shall this sentence require any Lender to indemnify any Indemnitee Agent Party against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Pro Rata Share thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Indemnitee Agent Party against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

Section 9.7 **Successor Agent**.

(a) Each Agent may resign at any time by giving thirty (30) days' prior written notice thereof to the Lenders and the Borrower and such appointment shall be effective regardless of whether a successor shall have been appointed. The Requisite Lenders may remove either Agent at any time by giving thirty (30) days' prior written notice thereof to such Agent and the Borrower. Upon any such notice of resignation or removal, the Requisite Lenders shall have the right, upon five (5) Business Days' notice to the Borrower, to appoint a successor Agent which successor shall, unless an Event of Default shall be continuing, be reasonably acceptable to the Borrower. If no successor shall have been so appointed by the Requisite Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, or the removed Agent receives notice of its removal, as applicable, then the exiting Agent may, on behalf of the Lenders, appoint a successor Agent from among the Lenders. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent and the retiring Administrative Agent shall promptly transfer to such successor Administrative Agent all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administrative Agent under the Loan Documents, whereupon such retiring Administrative Agent shall be discharged from its duties

and obligations hereunder. Upon the acceptance of any appointment as Collateral Agent hereunder by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent and the retiring Collateral Agent shall promptly (i) transfer to such successor Collateral Agent all sums, Capital Stock and other items of Collateral held under the Collateral Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Collateral Agent under the Loan Documents, and (ii) execute and deliver to such successor Administrative Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Administrative Agent of the security interests created under the Collateral Documents, whereupon such retiring Collateral Agent shall be discharged from its duties and obligations hereunder. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section 9.7 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent hereunder.

(b) Notwithstanding anything herein to the contrary, the Administrative Agent may assign its rights and duties as Administrative Agent hereunder to an Affiliate of ABC Funding, LLC or to any Lender or Affiliate thereof without the prior written consent of, or prior written notice to, the Borrower or the Lenders; provided that the Borrower and the Lenders may deem and treat such assigning Administrative Agent as Administrative Agent for all purposes hereof, unless and until such assigning Administrative Agent provides written notice to the Borrower and the Lenders of such assignment. Upon such assignment such Affiliate shall succeed to and become vested with all rights, powers, privileges and duties as Administrative Agent hereunder and under the other Loan Documents.

(c) Delegation of Duties. Administrative Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Loan Document by or through any one or more sub-agents appointed by Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of Section 9.3 and Section 9.6 shall apply to any Affiliates of Administrative Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. All of the rights, benefits and privileges (including the exculpatory and indemnification provisions) of Section 9.3 and Section 9.6 shall apply to any such sub-agent and to the Affiliates of any such sub-agent, and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by the Administrative Agent, (i) such sub-agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory and rights to indemnification) and shall have all of the rights, benefits and privileges of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly, without the consent or joinder of any other Person, against any or all of the Loan Parties and the Lenders, and (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, and (iii) such sub-agent shall only have obligations to the Administrative Agent and not to any Loan Party, Lender or any other

Person and no Loan Party, Lender or any other Person shall have the rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent.

Section 9.8 Collateral Documents.

(a) Collateral Agent under Collateral Documents. Each Lender hereby further irrevocably authorizes the Collateral Agent, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral Documents and to enter into such other agreements with respect to the Collateral (including intercreditor agreements) as it may deem necessary. Subject to Section 10.5, without further written consent or authorization from the Lenders, the Collateral Agent may execute any documents or instruments necessary to (i) release any Lien encumbering any item of Collateral that is the subject of a sale or other disposition of assets permitted by this Agreement or any other Loan Document or to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 10.5) have otherwise consented, (ii) release any Guarantor from the Guaranty pursuant to the Guarantee and Collateral Agreement or with respect to which Requisite Lenders (or such other Lenders as may be required to give such consent under Section 10.5) have otherwise consented, and (iii) to subordinate any Lien on any Property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.2(b).

(b) Right to Realize on Collateral and Enforce Guaranty. Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Lenders in accordance with the terms hereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent, on behalf of the Secured Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Requisite Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Administrative Agent at such sale.

Section 9.9 Posting of Approved Electronic Communications.

(a) Delivery of Communications. Each Loan Party hereby agrees, unless directed otherwise by the Administrative Agent or unless the electronic mail address referred to below has not been provided by Administrative Agent to such Loan Party, that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent or to the Lenders pursuant to the Loan Documents, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) is or relates to a Borrowing

Notice, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default or Event of Default under this Agreement or any other Loan Document or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Loan hereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic/soft medium that is properly identified in a format acceptable to the Administrative Agent to an electronic mail address as directed by the Administrative Agent. In addition, each Loan Party agrees to continue to provide the Communications to Administrative Agent or the Lenders, as the case may be, in the manner specified in the Loan Documents but only to the extent requested by Administrative Agent.

(b) No Prejudice to Notice Rights. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

Section 9.10 Proofs of Claim. The Lenders and each Loan Party hereby agree that after the occurrence of an Event of Default pursuant to Sections 8.1(f) or (g), in case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent shall have made any demand on any Loan Party) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Loans and any other Obligations that are owing and unpaid and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Lenders, the Administrative Agent and other agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent and other agents and their agents and counsel and all other amounts due Lenders, the Administrative Agent and other agents hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

(c) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent and other agents hereunder. Nothing herein contained shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lenders or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding. Further, nothing contained in this Section 9.10 shall affect or preclude the ability of any Lender to (i) file and prove such a claim in the event that the

Administrative Agent has not acted within ten (10) days prior to any applicable bar date and (ii) require an amendment of the proof of claim to accurately reflect such Lender's outstanding Obligations.

ARTICLE 10
MISCELLANEOUS

Section 10.1 Notices. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given to a Loan Party, the Collateral Agent or the Administrative Agent, shall be sent to such Person's address as set forth on Appendix B or in the other relevant Loan Document, or, as to each party, at such other address as shall be designated by such party in a written notice to the other parties complying as to delivery with the terms of this Section 10.1, and in the case of any Lender, the address as indicated on Appendix B or otherwise indicated to the Administrative Agent in writing. Each notice hereunder shall be in writing and may be personally served, sent by telefacsimile or United States certified or registered mail or overnight courier service and shall be deemed to have been given when delivered and signed for against receipt thereof, or upon confirmed receipt of telefacsimile; provided, no notice to the Administrative Agent or the Collateral Agent shall be effective until received by such Agent.

Section 10.2 Expenses. Whether or not the transactions contemplated hereby shall be consummated, each Loan Party agrees to pay promptly (a) all documented costs and expenses of preparation of the Loan Documents and any consents, amendments, waivers or other modifications thereto; (b) all documented fees, expenses and disbursements of counsel to the Loan Parties in furnishing all opinions required hereunder; (c) all and documented fees, expenses and disbursements of counsel to the Administrative Agent, the Collateral Agent and the Lenders in connection with the negotiation, preparation, execution, review and administration of the Loan Documents and any consents, amendments, waivers or other modifications thereto and any other documents or matters requested by any Loan Party; (d) all documented costs and expenses of creating and perfecting Liens in favor of the Collateral Agent, for the benefit of the Secured Parties pursuant hereto, including filing and recording fees, expenses and amounts owed pursuant to Section 2.15(c); (e) search fees, and all fees, expenses and disbursements of counsel to the Administrative Agent and the Collateral Agent and the Lenders and of counsel providing any opinions that the Administrative Agent or the Collateral Agent may request in respect of the Collateral or the Liens created pursuant to the Collateral Documents; (f) all documented costs and fees, expenses and disbursements of any auditors, accountants, consultants, engineers or appraisers; (g) all documented costs and expenses (including the fees, expenses and disbursements of counsel and of any appraisers, consultants, engineers, advisors and agents employed or retained by Administrative Agent, the Collateral Agent, the Lenders or its counsel) in connection with the administration by the Administrative Agent or the custody or preservation of any of the Collateral; (h) all other documented costs and expenses incurred by the Administrative Agent, the Collateral Agent and the Lenders in connection with the negotiation, preparation and execution of the Loan Documents and any consents, amendments, waivers or other modifications thereto and the transactions contemplated thereby; and (i) after the occurrence and during the existence of a Default or an Event of Default, all costs and expenses, including attorneys' fees and costs of settlement, incurred by the Collateral Agent, the Administrative Agent and Lenders in enforcing any Obligations of or in collecting any payments due from any Loan Party hereunder or under the other Loan Documents by reason of such Default or Event of Default (including in connection

with the sale of, collection from, or other realization upon any of the Collateral or the enforcement of the Guaranty) or in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a "work out" or pursuant to any insolvency or bankruptcy cases or proceedings.

Section 10.3 Indemnity.

(a) In addition to the payment of expenses pursuant to Section 10.2, whether or not the transactions contemplated hereby shall be consummated, each Loan Party agrees to defend (subject to Indemnitees' selection of counsel), indemnify, pay and hold harmless, the Administrative Agent and each Lender, their Affiliates and its and their respective officers, members, shareholders, partners, directors, trustees, employees, advisors, representatives and agents and each of their respective successors and assigns and each Person who control any of the foregoing (each, an "**Indemnitee**"), from and against any and all Indemnified Liabilities, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY, OR SOLE NEGLIGENCE OF SUCH INDEMNITEE**; provided, no Loan Party shall have any obligation to an Indemnitee hereunder with respect to (i) any Indemnified Liabilities of such Indemnitee if such Indemnified Liabilities arise from the gross negligence or willful misconduct of such Indemnitee as determined by a court of competent jurisdiction in a final, nonappealable order, and provided that such a judicial determination against one Indemnitee shall not affect any other Indemnitee's right to indemnification hereunder, (ii) any Taxes other than any Taxes that represent losses, claims, damages, etc., arising from any non-Tax claim, or (iii) any Indemnified Liabilities arising out of any claims, actions, suits, inquiries, litigation, investigation or proceeding by any Indemnitee against any other Indemnitee. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 10.3 may be unenforceable in whole or in part because they are violative of any law or public policy, the applicable Loan Party shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them.

(b) To the extent permitted by applicable law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Loan Party hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(c) Each Loan Party hereby acknowledges and agrees that an Indemnitee may now or in the future have certain rights to indemnification provided by other sources ("**Other Sources**"). Each Loan Party hereby agrees that (i) it is the indemnitor of first resort (i.e., its obligations to the Indemnitees are primary and any obligation of the Other Sources to provide indemnification for the same Indemnified Liabilities are secondary to any such obligation of the Loan Party), (ii) that it shall be liable for the full amount of all Indemnified Liabilities, without

regard to any rights the Indemnitees may have against the Other Sources, and (iii) it irrevocably waives, relinquishes and releases the Other Sources and the Indemnitees from any and all claims (x) against the Other Sources for contribution, indemnification, subrogation or any other recovery of any kind in respect thereof and (y) that an Indemnitee must seek expense advancement or reimbursement, or indemnification, from the Other Sources before the Loan Party must perform its obligations hereunder. No advancement or payment by the Other Sources on behalf of an Indemnitee with respect to any claim for which such Indemnitee has sought indemnification from a Loan Party shall affect the foregoing. The Other Sources shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery which the Indemnitee would have had against a Loan Party if the Other Sources had not advanced or paid any amount to or on behalf of the Indemnitee.

Section 10.4 Set Off. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, during the existence of any Event of Default each Lender and its/their respective Affiliates is hereby authorized by each Loan Party at any time or from time to time subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Loan Party or to any other Person (other than the Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts (in whatever currency), but excluding Excluded Accounts) and any other Indebtedness at any time held or owing by such Lender to or for the credit or the account of any Loan Party (in whatever currency) against and on account of the obligations and liabilities of any Loan Party to such Lender hereunder, and under the other Loan Documents, including all claims of any nature or description arising out of or connected hereto or with any other Loan Document, irrespective of whether or not (a) such Lender shall have made any demand hereunder, (b) the principal of or the interest on the Loans or any other amounts due hereunder shall have become due and payable pursuant to Article 2 and although such obligations and liabilities, or any of them, may be contingent or unmatured or (c) such obligation or liability is owed to a branch or office of such Lender different from the branch or office holding such deposit or obligation or such Indebtedness.

Section 10.5 Amendments and Waivers.

(a) Requisite Lenders' Consent. Subject to Sections 10.3(b) and 10.3(c), no amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall in any event be effective without the written concurrence of (i) in the case of this Agreement, the Borrower, the Administrative Agent and the Requisite Lenders or (ii) in the case of any other Loan Document, the Borrower, the Collateral Agent and the Administrative Agent with the consent of the Requisite Lenders.

(b) Affected Lenders' Consent. Without the written consent of each Lender that would be adversely affected thereby, no amendment, modification, termination, or consent shall be effective if the effect thereof would:

(i) extend the scheduled final maturity of any Loan of such Lender;

(ii) waive, reduce or postpone any scheduled repayment due such Lender (but not prepayment);

(iii) reduce the rate of interest on any Loan of such Lender (other than any amendment to the definition of "Default Rate" (which may be effected by consent of the Requisite Lenders) and any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.6(d)) or any fee payable hereunder;

(iv) extend the time for payment of any such interest or fees to such Lender;

(v) reduce the principal amount of any Loan;

(vi) amend, modify, terminate or waive any provision of this Section 10.5(b) or Section 10.5(c); or

(vii) amend the definition of "Requisite Lenders" or "Pro Rata Share"; provided, with the consent of the Administrative Agent and the Requisite Lenders, additional extensions of credit pursuant hereto may be included in the determination of "Requisite Lenders" or "Pro Rata Share" on substantially the same basis as the Loans are included on the Closing Date;

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall amend, modify, terminate or waive any provision of Article 9 as the same applies to the Administrative Agent, or any other provision hereof as the same applies to the rights or obligations of the Administrative Agent, in each case without the consent of the Administrative Agent.

(d) Execution of Amendments, etc. Administrative Agent may, but shall have no obligation to, with the concurrence of the applicable Lenders, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Loan Party, on such Loan Party.

(e) Amendment Consideration. Neither the Borrower nor any of its Affiliates or any other party to any Loan Documents will, directly or indirectly, request or negotiate for, or offer or pay any remuneration or grant any security as an inducement for, any proposed amendment or waiver of any of the provisions of this Agreement or any of the other Loan Documents unless each Lender (irrespective of the kind and amount of Loans then owned by it) shall be informed thereof by the Borrower and, if such Lender is entitled to the benefit of any such provision proposed to be amended or waived, shall be afforded the opportunity of considering the same, shall be supplied by the Borrower and any other party hereto with sufficient information to enable it to make an informed decision with respect thereto and shall be offered and paid such remuneration

and granted such security on the same terms. For the avoidance of doubt, nothing in this Section 10.5(e) is intended to restrict or limit the amendment requirements otherwise set forth herein.

Section 10.6 Successors and Assigns; Assignments.

(a) Successors and Assigns. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and the successors and assigns of Lenders. No Loan Party's rights or obligations hereunder nor any interest therein may be assigned or delegated by any Loan Party without the prior written consent of all Lenders (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void ab initio). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of the Administrative Agent and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments. Any Lender may assign to one or more Eligible Assignees all or any portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitments, and the Promissory Notes held by it); provided, however, that (A) each such assignment shall be of a constant, and not a varying, percentage of such Lender's rights and obligations assigned under this Agreement and shall be an equal percentage with respect to both its obligations owing in respect of the Commitments and the related Promissory Notes, (B) each such assignment shall be to an Eligible Assignee, (C) the assignment document must be in an electronic format acceptable to the Administrative Agent, (D) no such assignment shall be to any Affiliate of the Borrower, and (E) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) a Default or Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or a Related Fund.

(c) Mechanics. The assigning Lender and the assignee thereof shall execute and deliver to the Administrative Agent an Assignment and Acceptance Agreement, together with such forms, certificates or other evidence, if any, with respect to U.S. federal income tax withholding matters as the assignee under such Assignment and Acceptance Agreement may be required to deliver to the Administrative Agent pursuant to Section 2.15(e). The Administrative Agent shall receive a fee of $3,500 from the assigning Lender, unless waived by the Administrative Agent.

(d) Notice of Assignment. Upon its receipt and acceptance of a duly executed and completed Assignment and Acceptance Agreement, any forms, certificates or other evidence required by this Agreement in connection therewith, the Administrative Agent shall record the information contained in such Assignment and Acceptance Agreement in the Register, shall give prompt notice thereof to the Borrower and shall maintain a copy of such Assignment and Acceptance Agreement.

(e) Effect of Assignment. Subject to the terms and conditions of this Section 10.6(e), as of the "Effective Date" specified in the applicable Assignment and Acceptance Agreement: (i) the assignee thereunder shall have the rights and obligations of a "Lender"

hereunder to the extent such rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance Agreement and shall thereafter be a party hereto and a "Lender" for all purposes hereof; (ii) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned thereby pursuant to such Assignment and Acceptance Agreement, relinquish its rights (other than any rights and benefits which survive the termination hereof under Section 10.8) and be released from its obligations hereunder (and, in the case of an Assignment and Acceptance Agreement covering all or the remaining portion of an assigning Lender's rights and obligations hereunder, such Lender shall cease to be a party hereto; provided, anything contained in any of the Loan Documents to the contrary notwithstanding such assigning Lender shall continue to be entitled to the benefit of Sections 2.14, 2.15, 2.16 10.2, and 10.3 and any other indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); and (iii) if any such assignment occurs after the making of any Loan hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Promissory Note to Administrative Agent for cancellation, and thereupon the Borrower shall issue and deliver a new Promissory Note to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the outstanding principal balance under the Loans of the assignee and/or the assigning Lender.

(f) Participations. Each Lender shall have the right at any time to sell one or more participations to any Person (other than any Loan Party or any of their respective Affiliates) in all or any part of its Loans or in any other Obligation; provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. The holder of any such participation (a "**Participant**"), other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (i) extend the final scheduled maturity of any Loan in which such Participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except any amendment to the definition of "Default Rate" or in connection with a waiver of applicability of any post default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the Participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default shall not constitute a change in the terms of such participation, and that an increase in any Loan shall be permitted without the consent of any Participant if the Participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Loan Party of any of its rights and obligations under this Agreement, or (iii) release all or substantially all of the Collateral under the Collateral Documents or all or substantially all of the Guarantors from the Guaranty (in each case, except as expressly provided in the Loan Documents) supporting the Loans hereunder in which such Participant is participating. The Borrower agrees that each Participant shall be entitled, through the participating Lender, to the benefits of Sections 2.14, 2.15 and 2.16 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (c) of this Section; provided, that (i) a Participant shall not be entitled to receive any greater payment under Section 2.15 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from an adoption or Change in

Law or in the interpretation or application thereof by a Governmental Authority made subsequent to the Closing Date that occurs after the Participant acquired the applicable participation, and (ii) a Participant shall comply with Section 2.15(e) (it being understood that the documentation required under Section 2.15(e) shall be delivered to the participating Lender).

(g) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Promissory Notes or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under any Loan Document) to any Person, except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement with the intent that such participations are in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

Section 10.7 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 10.8 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Loans. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Sections 2.14, 2.15, 2.16, 10.2, 10.3, and 10.4 and the agreements of Lenders set forth in Sections 2.13, 9.3(b) and 9.6 shall survive the payment of the Loans, and the termination hereof.

Section 10.9 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to the Administrative Agent, the Collateral Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Loan Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

Section 10.10 Marshalling; Payments Set Aside. Neither the Collateral Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to the Administrative Agent or Lenders (or to the Administrative Agent, on behalf of Lenders), or the Administrative Agent or Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

Section 10.11 Severability. In case any provision in or obligation hereunder or any Promissory Note or other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

Section 10.12 Lender Obligations Several; Independent Nature of Lenders' Rights. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or any Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

Section 10.13 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

Section 10.14 APPLICABLE LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Section 10.15 CONSENT TO JURISDICTION; CONSENT TO SERVICE OF PROCESS.

(a) EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY, BOROUGH OF MANHATTAN, AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY

APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(b) EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(c) EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.1. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY TO THIS AGREEMENT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

Section 10.16 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER FINANCING DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT

KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.16 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER FINANCING DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Section 10.17 Confidentiality. All Confidential Information (as defined below) furnished by any Loan Party to the Administrative Agent, the Collateral Agent or a Lender (each, a "**Recipient**") is confidential and shall be treated by such Recipient so as to maintain the confidentiality thereof; provided, however, that a Recipient may disclose such information (i) to its Affiliates, limited partners, investors, partners and members and its and their respective directors, managers, officers, employees, attorneys, accountants, advisors, consultants, agents or representatives (collectively "**Permitted Recipients**") and such Permitted Recipients shall be advised of the provisions of this Section 10.17), (ii) to any potential assignee or transferee of any of its rights or obligations hereunder or any of their agents and advisors (provided that such potential assignee or transferee shall have been advised of and agree to be bound by the provisions of this Section 10.17), (iii) if such information (x) becomes publicly available other than as a result of a breach of this Section 10.17, (y) becomes available to a Recipient or any of its Permitted Recipients on a non-confidential basis from a source other than the Loan Parties or (z) is independently developed by the Recipient or any of its Permitted Recipients, (iv) to enable it to enforce or otherwise exercise any of its rights and remedies under any Loan Document or (v) as consented to by the Borrower. Notwithstanding anything to the contrary set forth in this Section 10.17 or otherwise, nothing herein shall prevent a Recipient or its Permitted Recipients from complying with any legal requirements (including, without limitation, pursuant to any rule, regulation, stock exchange requirement, self-regulatory body, supervisory authority, other applicable judicial or governmental order, legal process, fiduciary or similar duties or otherwise) to disclose any Confidential Information. In addition, the Recipient and its Permitted Recipients may disclose Confidential Information if so requested by a governmental, self-regulatory or supervisory authority. Notwithstanding any other provision of this Section 10.17, the parties (and each employee, representative, or other agent of the parties) may disclose to any and all Persons, without limitation of any kind, the Tax treatment and any facts that may be relevant to the Tax structure of the transactions contemplated by this Agreement and the other Loan Documents; provided, however, that no party (and no employee, representative, or other agent thereof) shall disclose any other information that is not relevant to an understanding of the Tax treatment and Tax structure of the transaction (including the identity of any party and any information that could lead another to determine the identity of any party), or any other information to the extent that such disclosure could reasonably result in a violation of any applicable securities law. Each Loan Party hereby acknowledges and agrees that, subject to the restrictions on disclosure of Confidential Information as provided in this Section 10.17, the Recipient and their respective Affiliates are in the business of making investments in and otherwise engaging in businesses which may or may not be in competition with the Loan Parties or otherwise related to their and their Affiliates' respective business and that nothing herein shall, or shall be construed to, limit the Lenders' or

their Affiliates' ability to make such investments or engage in such businesses. "**Confidential Information**" means all information received from any Loan Party relating to such Loan Party's businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any Subsidiary.

Section 10.18 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged or agreed to be paid with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrower. In determining whether the interest contracted for, charged, or received by Administrative Agent or a Lender exceeds the Highest Lawful Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest, throughout the contemplated term of the Obligations hereunder.

Section 10.19 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

Section 10.20 Patriot Act. Each Lender, the Administrative Agent and the Collateral Agent (in each case, for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender, the Administrative Agent or the Collateral Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act.

Section 10.21 Disclosure. Each Loan Party and each Lender hereby acknowledges and agrees that Administrative Agent and/or its Affiliates and their respective Related Funds from time to time may hold investments in, and make loans to, or have other relationships with any of the Loan Parties and their respective Affiliates, including the ownership, purchase and sale of Capital

Stock in any Loan Party or an Affiliate of any Loan Party and each Lender hereby expressly consents to such relationships.

Section 10.22 Appointment for Perfection. Each Lender hereby appoints each other Lender as its agent for the purpose of perfecting Liens, for the benefit of the Collateral Agent and the Secured Parties, in assets which, in accordance with Article 9 of the UCC or any other applicable law can be perfected only by possession. Should any Lender (other than the Collateral Agent) obtain possession of any such Collateral, such Lender shall notify the Administrative Agent and the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with Administrative Agent and the Collateral Agent's instructions.

Section 10.23 Advertising and Publicity. No Loan Party shall issue or disseminate to the public (by advertisement, including without limitation any "tombstone" advertisement, press release or otherwise), submit for publication or otherwise cause or seek to publish any information describing the credit or other financial accommodations made available by Lenders pursuant to this Agreement and the other Loan Documents without the prior written consent of the Administrative Agent. Nothing in the foregoing shall be construed to prohibit any Loan Party (or any of its Affiliates) from making any submission or filing which it (or one of its Affiliates) is required to make by applicable law (including securities laws, rules and regulations) or pursuant to judicial process; provided, that, (a) such filing or submission shall contain only such information as is necessary to comply with applicable law or judicial process and (b) unless specifically prohibited by applicable law or court order, the Borrower shall promptly notify Administrative Agent of the requirement to make such submission or filing and provide Administrative Agent with a copy thereof.

Section 10.24 Acknowledgments and Admissions. The Borrower hereby represents, warrants and acknowledges and admits that:

(a) it has been advised by counsel in the negotiation, execution and delivery of the Loan Documents;

(b) it has made an independent decision to enter into this Agreement and the other Loan Documents to which it is a party, without reliance on any representation, warranty, covenant or undertaking by Administrative Agent, the Collateral Agent or any Lender, whether written, oral or implicit, other than as expressly set out in this Agreement or in another Loan Document delivered on or after the date hereof;

(c) there are no representations, warranties, covenants, undertakings or agreements by the Administrative Agent, the Collateral Agent or any Lender as to the Loan Documents except as expressly set out in this Agreement;

(d) none of the Administrative Agent, the Collateral Agent or any Lender has any fiduciary obligation toward it with respect to any Loan Document or the transactions contemplated thereby;

(e) no partnership or Joint Venture exists with respect to the Loan Documents between any Loan Party and the Administrative Agent, the Collateral Agent or any Lender;

(f) the Administrative Agent is not any Loan Party's Administrative Agent, but the Administrative Agent for the Lenders;

(g) the Collateral Agent is not any Loan Party's Collateral Agent, but the Collateral Agent for the Secured Parties;

(h) Kirkland & Ellis LLP is counsel for the Administrative Agent and is not counsel for any Loan Party;

(i) should an Event of Default or Default occur or exist, each of the Administrative Agent, the Collateral Agent and each Lender will determine in its discretion and for its own reasons what remedies and actions it will or will not exercise or take at that time;

(j) without limiting any of the foregoing, no Loan Party is relying upon any representation or covenant by any of the Administrative Agent, the Collateral Agent or any Lender, or any representative thereof, and no such representation or covenant has been made, that any of the Administrative Agent, the Collateral Agent or any Lender will, at the time of an Event of Default or Default, or at any other time, waive, negotiate, discuss, or take or refrain from taking any action permitted under the Loan Documents with respect to any such Event of Default or Default or any other provision of the Loan Documents; and

(k) the Administrative Agent, the Collateral Agent and the Lenders have all relied upon the truthfulness of the acknowledgments in this section in deciding to execute and deliver this Agreement and to become obligated hereunder.

Section 10.25 Third Party Beneficiary. Except as stated in Section 9.7, there are no third party beneficiaries of this Agreement.

Section 10.26 Entire Agreement. This Agreement, and the other Loan Documents represent the final and entire agreement among the parties and may not be contradicted by evidence of, and supersedes, all prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

Section 10.27 Time of the Essence. Time is of the essence in this Agreement and the other Loan Documents.

Section 10.28 Anti-Terrorism Laws. If, upon the written request of any Lender, the Administrative Agent or the Collateral Agent has ascertained the identity of the Borrower or any authorized signatories of the Borrower for purposes of Anti-Terrorism Laws, then the Administrative Agent or the Collateral Agent, as applicable:

(a) shall be deemed to have done so as an agent for such Lender, and this Agreement shall constitute a "written agreement" in such regard between such Lender and the Administrative Agent within the meaning of the applicable Anti-Terrorism Law; and

(b) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding and except as may otherwise be agreed in writing, each of the Lenders agrees that neither the Administrative Agent nor the Collateral Agent has any obligation to ascertain the identity of the Borrower or any authorized signatories of the Borrower on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any authorized signatory in doing so.

Make-Up Gas Purchase and Injection Process Summary

Introduction

Southwestern Production Ltd an affiliate of Atomic Oil and Gas LLC ("SWP"), as Operator of the Barron Flats Unit ("BFU") sells all produced crude oil, and purchases natural gas and natural gas liquids for miscible flood injection on behalf of the BFU working and royalty interest holders. SWP operates a purpose designed Gas Plant to process and inject these fluids under the approved BFU miscible flood. The following is a summary of the scheme and an outline of the Year 1 plan.

Make-Up Gas (Natural Gas and Propane/Butane) Purchase

Make-up gas for the miscible flood is a combination of natural gas (C1) and natural gas liquids ("NGL") composed of propane (C3), butane (C4) or a mix of the two. The preferred NGL stream is butane for its preferred solvency and relevance to its local supply. Natural gas (C1) is currently purchased from the Tallgrass, NGL's are purchased from Tallgrass and NGL Supply LLC.

Natural Gas Supply

The natural gas component of the make-up gas for the miscible gas flood is brought into the field via a 6" high pressure pipeline at an operating pressure of 1450 psi. Atomic is currently purchasing natural gas volumes with a month-to-month agreement and no commitment to base load or term. Volume is priced at NYMEX less a deduction based on a differential, currently around -$.10/mcf dry gas. Tallgrass has the ability to deliver a fixed price term up to 5 years at whatever base load volume is desired. There is other contacted capacity on Tallgrass that can bid on contracts. The Tallgrass system has the capability to supply gas volumes sufficient to meet current and future growth needs.

NGL Supply

BFU NGL (C4-Butane) are currently purchased at a rate of c. 500 bbl/d per day (21,000 gallons/d) under contract with Tallgrass that expires at the end of September 2021.

SWP has a pending contract to be confirmed on 12 March 2021 for an additional 500 bbl/d Butane supply to be provided from NGL Supply LLC. The contract expires monthly subject to renewal as per the above Tallgrass contract, and again, is intended to be used until approximately September 2021. Pricing -$0.08 Mt Belvieu. SWP has an option for an incremental 750 bpd of Butane from NGL Supply LLC at Conway normal -$0.13 and is confident it will be successful. SWP has back-up volumes available if this volume is unavailable. The contract rolls monthly September 2021.

Total Supply secured these contracts will permit acceleration of the miscible flood injection plan for the next 6 months, at which time a longer-term contract under discussion will be secured.

Injection Schedule for Natural Gas and NGL to Atomic's Working Interest

Exhibit 1 outlines the approved monthly NGL injection rates for the initial year after closing.

Exhibit 2 outlines the approved monthly dry gas injections rates for the initial year after closing.

Exhibit 3 below shows the total (NGL and dry gas) injection rates, on a monthly basis, for each injector well.

It is understood that there may be variations to the individual monthly volume levels provided in Exhibits 1 – 2, and that the disbursement amongst individual injectors well may be varied/optimized in Exhibit 3 as the injection process develops.

However, any changes which would serve to increase the "Initial APOD Total" values shown in Exhibits 1 and 2 by more than 10% must be approved by the Administrative Agent.

Until the higher injection pressures are applied to the individual wells, it will not be known how the wells will perform as to injectivity capabilities. Obviously adjustments and optimization will need to be made as the true characteristics of the wells become clear.

These estimates are based on actual injection history, and are ratioed and extrapolated from that point. The volumes that have the well percentage ratios applied to them are based on the reservoir simulation results. As more experience with the injection process and the well capabilities becomes known, reliance and confidence on the simulation predictions will become clearer.

Barron Flats Unit Overview

The Barron Flats Oil Unit ("BFU") is situated in Township 35, Range 76 of Converse County, Wyoming – about 25 miles northeast of Casper. In September 2019, the Wyoming Oil and Gas Conservation Commission approved the Shannon Secondary Recovery and Unitization ("SSRU") application at BFU. There are 24 production wells and 8 gas injection wells, with the injection wells injecting a mixture of dry gas and NGLs. See Figure A-1 for a map of the infrastructure.

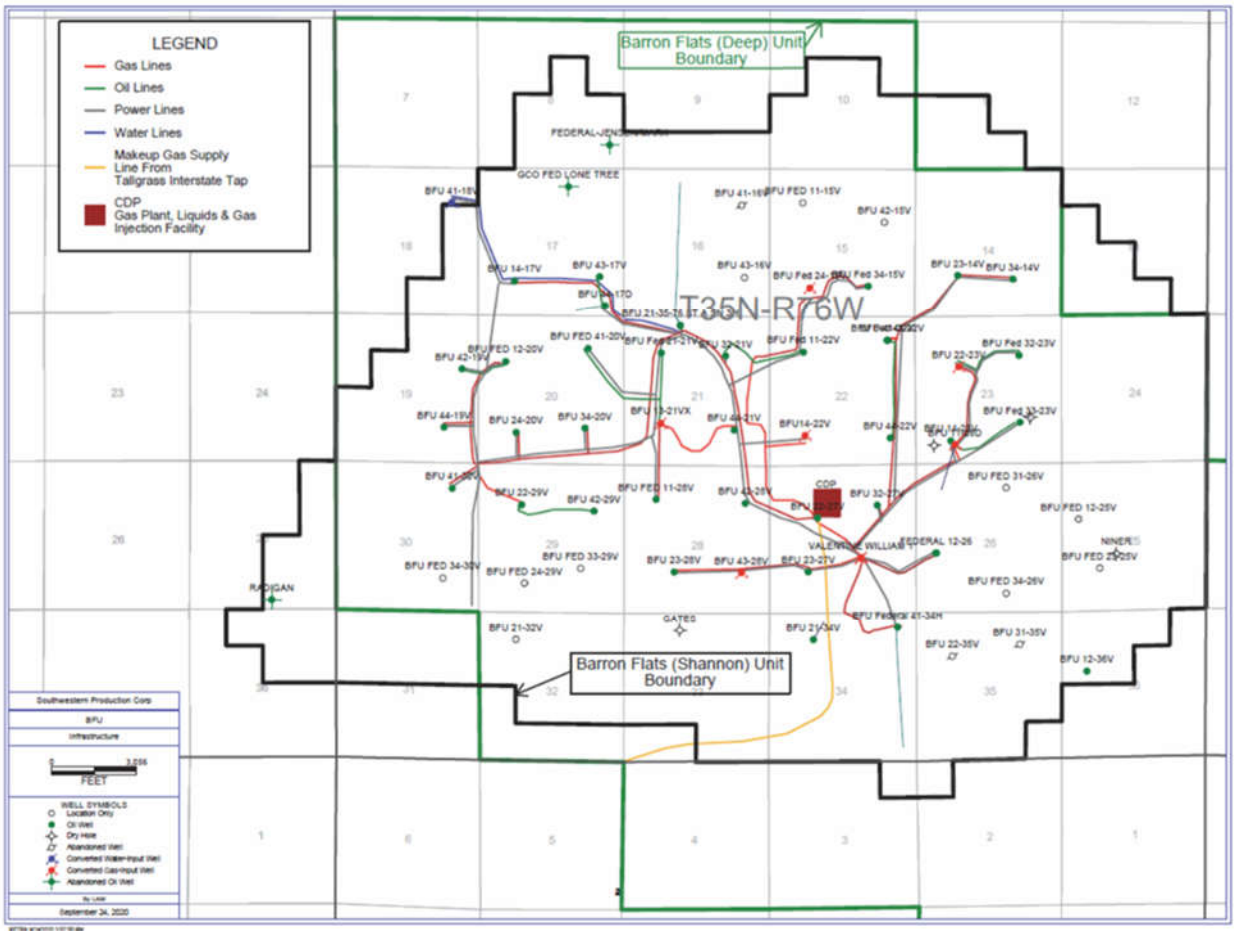

Figure A-1: Map of Barron Flats Unit Infrastructure

Injection Process

The Gas Plant

The production and injection facilities process all field solution gas then compress the field solution gas to equal the pressure of the purchased source gas at an inlet plant pressure of 1,450 psi. The plant further compresses the gas stream to a discharge pressure of 4,000 psi. At this point the stream combines the purchased NGL into the injection gas stream to prepare the miscible flood cocktail.

Well Site to the Plant

Gas gathering lines are installed from each producing well pad (each production well has its own production battery (Figure A-2), which processes the oil with a heater-treater to knock out produced water and associated gas) to the main production facility, where the individual lines then connect to a common line. From the common line the gas flows through a liquids knock-out tank (Figure A-3) to remove any free water prior to entry in the main processing plant.

Figure A-2: Example of a single well battery heater-treater unit, circled in red

Figure A-3: The associated gas flows into this knock-out tank, circled in red, to separate any free water that didn't get removed at the well batteries

Gas purchased from Tall Grass is transported from Tall Grass' pipeline to the gas plant via a high pressure (1,450 psi) 6" pipeline owned by Pipeco LLC, a subsidiary of SWP (Figure A-4).

Figure A-4: The Pipeco owned source gas pipeline header

Next in the stream, the associated gas and the purchased gas are combined, compressed, and processed in the gas plant (Figure A-5) with both a discharge line scrubber/dehydrator before discharge, at 4,000 psi, to the injection related processes. Gas is not suitable for injection until free of entrained water thus removed from the stream. This is quantified by the plant operator testing the dew point of the processed gas.

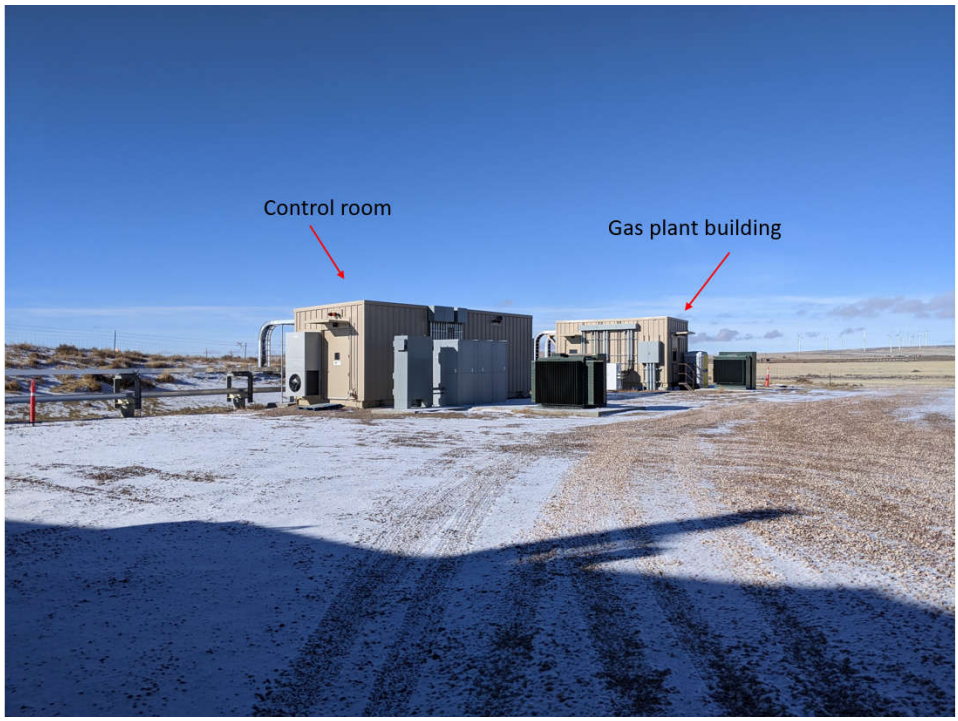

Figure A-5: The gas plant and control room buildings

The purchased NGL is stored in a system of five daisy-chained storage bullets (Figure A-6). On site storage capacity is 7,000 bbls of NGL. NGL are delivered by tank truck daily and are offloaded at an offload point efficiently as illustrated in Figure A-6.

Figure A-6: The daisy-chained NGL storage bullets

Dry gas and the NGL flow through their own designated flow meters prior to compression. After two stages of compression to 4,000 psi discharge pressure, the miscible gas cocktail flows to an injection well manifold (Figure A-7), where main distribution line branches off to individual, well specific lines (Note the pressure gauges downstream of the chokes).

Figure A-7: The injection well manifold (working pressure 4,000 psi), coming off the discharge line of the second stage compressor

Each line for each well has it's own valves and pressure gauges at both the manifold and the wellhead (Figure A-8). The injection rates for each well are calculated using injection pressure at the wellhead against the pressure against the choke down stream of the gauge as illustrated in Figure A-8.

(ii) without regard to, and each Grantor hereby expressly waives to the fullest extent permitted by law any defense now or in the future arising by reason of, (A) the illegality, invalidity or unenforceability against any Grantor of the Intercreditor Agreement, the Credit Agreement, any other Loan Document, any Secured Swap Agreement, any of the Secured Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Collateral Agent or any other Secured Party, (B) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by any other Grantor or any other Person against the Collateral Agent or any other Secured Party, (C) the insolvency, bankruptcy arrangement, reorganization, adjustment, composition, liquidation, disability, dissolution or lack of power of any other Grantor or any other Person at any time liable for the payment of all or part of the Secured Obligations or the failure of the Collateral Agent or any other Secured Party to file or enforce a claim in bankruptcy or other proceeding with respect to any Person; or any sale, lease or transfer of any or all of the assets of any Grantor, or any changes in the shareholders of any Grantor; (D) the fact that any Collateral or Lien contemplated or intended to be given, created or granted as security for the repayment of the Secured Obligations shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other Lien, it being recognized and agreed by each of the Grantors that it is not entering into this Agreement in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectability or value of any of the Collateral for the Secured Obligations; (E) any failure of the Collateral Agent or any other Secured Party to marshal assets in favor of any Grantor or any other Person, to exhaust any Collateral for all or any part of the Secured Obligations, to pursue or exhaust any right, remedy, power or privilege it may have against any Grantor or any other Person or to take any action whatsoever to mitigate or reduce any Grantor's liability under this Agreement, any other Loan Document, or any Secured Swap Agreement; (F) any law which provides that the obligation of a surety or guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal or which reduces a surety's or guarantor's obligation in proportion to the principal obligation; (G) the possibility that the Secured Obligations may at any time and from time to time exceed the aggregate liability of such Grantor under this Agreement; or (H) any other circumstance or act whatsoever, including any action or omission of the type described in this Section 4.01 (with or without notice to or knowledge of any Grantor), which constitutes, or might be construed to constitute, an equitable or legal discharge or defense of the Borrower for the Secured Obligations, or of such Grantor under the guarantee contained in Article II or with respect to the collateral security provided by such Grantor herein, or which might be available to a surety or guarantor, in bankruptcy or in any other instance.

(b) Each Grantor hereby waives to the extent permitted by law: (i) except as expressly provided otherwise in any Loan Document, all notices to such Grantor, or to any other Person, including but not limited to, notices of the acceptance of this Agreement, the guarantee contained in Article II or the provision of collateral security provided herein, or the creation, renewal, extension, modification, accrual of any Secured Obligations, or notice of or proof of reliance by the Collateral Agent or any other Secured Party upon the guarantee contained in Article II or upon the collateral security provided herein, or of default in the payment or performance of any of the Secured Obligations owed to the Collateral Agent or any other Secured Party and enforcement of any right or remedy with respect thereto; or notice of any other matters relating thereto; the Secured Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee

contained in Article II and the collateral security provided herein and no notice of creation of the Secured Obligations already or hereafter contracted by the Borrower need be given to any Grantor; and all dealings between the Borrower and any of the Grantors, on the one hand, and the Collateral Agent and the other Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in Article II and on the collateral security provided herein; (ii) diligence and demand of payment, presentment, protest, dishonor and notice of dishonor; (iii) all rights of revocation with respect to the Secured Obligations, the guarantee contained in Article II and the provision of collateral security herein; and (iv) all principles or provisions of law which conflict with the terms of this Agreement and which can, as a matter of law, be waived.

(c) When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Grantor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, join or make a similar demand on or otherwise pursue or exhaust such rights and remedies as it may have against the Borrower, any other Grantor or any other Person or against any collateral security or guarantee for the Secured Obligations or any right of offset with respect thereto, and any failure by the Collateral Agent or any other Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Grantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any Grantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Grantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Collateral Agent or any other Secured Party against any Grantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Secured Obligations or for the guarantee contained in Article II or any property subject thereto.

Section 4.02 No Subrogation, Contribution or Reimbursement. Notwithstanding any payment made by any Grantor hereunder or any set-off or application of funds of any Grantor by the Collateral Agent or any other Secured Party, no Grantor shall be entitled to be subrogated to any of the rights of the Collateral Agent or any other Secured Party against the Borrower or any other Grantor or any collateral security or guarantee or right of offset held by the Collateral Agent or any other Secured Party for the payment of the Secured Obligations, nor shall any Grantor seek or be entitled to seek any indemnity, exoneration, participation, contribution or reimbursement from the Borrower or any other Grantor in respect of payments made by such Grantor hereunder until the Secured Obligations have been Paid In Full In Cash, and each Grantor hereby expressly agrees not to exercise any such rights of subrogation, reimbursement, indemnity and contribution until the Secured Obligations have been Paid In Full In Cash. Each Grantor further agrees that to the extent that such waiver and release set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement, indemnity and contribution such Grantor may have against the Borrower, any other Grantor or against any collateral or security or guarantee or right of offset held by the Collateral Agent or any other Secured Party shall be junior and subordinate to any rights the Collateral Agent and the other Secured Parties may have against the Borrower and such Grantor and to all right, title and interest the Collateral Agent and the other Secured Parties may have in any collateral or security or guarantee or right of offset. Upon the occurrence and during the continuance of an Event of Default, the Collateral Agent, for the benefit of the Secured Parties, may use, sell or dispose of any item of Collateral or security as it sees fit, subject to Section 7.04, without regard to any subrogation rights any Grantor may have, and upon any disposition or sale, any rights of subrogation any Grantor may have in respect of that particular item of Collateral or security shall terminate.

ARTICLE V
Representations and Warranties

To induce the Lenders to enter into the Credit Agreement, each Grantor hereby represents and warrants to the Collateral Agent and each Secured Party that:

Section 5.01 Representations in Credit Agreement. In the case of each Guarantor, the representations and warranties set forth in Article 4 of the Credit Agreement as they relate to such Guarantor or to the Loan Documents to which such Guarantor is a party are true and correct in all material respects (or, to the extent such representations and warranties specifically relate to an earlier date, on and as of such earlier date), provided that each reference in each such representation and warranty to the Borrower's knowledge shall, for the purposes of this Section 5.01, be deemed to be a reference to such Guarantor's knowledge.

Section 5.02 Benefit to the Guarantor. The Borrower is a member of an affiliated group of companies that includes each Guarantor, and the Borrower and the Guarantors are engaged in related businesses. Each Guarantor's guaranty and surety obligations pursuant to this Agreement reasonably may be expected to benefit, directly or indirectly, such Guarantor; and it has determined that this Agreement is necessary and convenient to the conduct, promotion and attainment of the business of such Guarantor and the Borrower.

Section 5.03 Perfected Liens. The security interests granted pursuant to this Agreement, upon filing of a UCC-1 financing statement in the appropriate filing office listed on Schedule 3, will constitute valid perfected First Priority security interests (subject to Permitted Liens) in all of the Collateral which may be perfected by filing such financing statement in favor of the Collateral Agent, for the ratable benefit of the Secured Parties, as collateral security for such Grantor's obligations, enforceable in accordance with the terms hereof against all creditors of such Grantor and any Persons purporting to purchase any Collateral from such Grantor.

Section 5.04 Legal Name, Organizational Status, Chief Executive Office. On the date hereof, the correct legal name of such Grantor, such Grantor's jurisdiction of organization, organizational number, taxpayer identification number and the location of such Grantor's chief executive office or sole place of business are specified on Schedule 4.

Section 5.05 Prior Names, Addresses, Locations of Tangible Assets. Schedule 5 correctly sets forth (a) all names and trade names that such Grantor has used in the last five years and (b) the chief executive office of such Grantor over the last five years (if different from that which is set forth in Section 5.04 above).

Section 5.06 Pledged Securities.

(a) The shares (or such other interests) of Pledged Securities pledged by such Grantor hereunder constitute all the issued and outstanding shares (or such other interests) of all classes of the Capital Stock of each Pledged Entity owned by such Grantor. Each Grantor is the record and beneficial owner of, and has good title to, the Pledged Securities pledged by it hereunder, free of any and all Liens or options in favor of, or claims of, any other Person, except Permitted Liens.

(b) All the shares of the Pledged Securities have been duly and validly issued and are fully paid and nonassessable (or, with respect to the Pledged Securities that are Capital Stock in a partnership or limited liability company, has been duly and validly issued).

(c) There are no restrictions on transfer (that have not been waived or otherwise consented to) in the LLC Agreement governing any Pledged LLC Interest or the Partnership Agreement governing any Pledged Partnership Interest or any other agreement relating thereto which would limit or restrict: (i) the grant of a security interest in the Pledged LLC Interests or the Pledged Partnership Interests, (ii) the perfection of such security interest or (iii) the exercise of remedies in respect of such perfected security interest in the Pledged LLC Interests or the Pledged Partnership Interests, in each case, as contemplated by this Agreement. Upon the exercise of remedies in respect of the Pledged LLC Interests or the Pledged Partnership Interests, a transferee or assignee of a membership interest or a partnership interest, as the case may be, of such LLC or Partnership, as the case may be, shall become a member or partner, as the case may be, of such LLC or Partnership, as the case may be, entitled to participate in the management thereof and, upon the transfer of the entire interest of such Grantor, such Grantor shall cease to be a member or partner, as the case may be.

(d) Such Grantor is the record and beneficial owner of, and has good and marketable title to, the Investment Property pledged by it hereunder, free of any and all Liens or options in favor of, or claims of, any other Person, except (i) the security interest created by this Agreement and (ii) Permitted Liens.

Section 5.07 Instruments and Chattel Paper. Such Grantor has delivered to the Collateral Agent all Collateral constituting Instruments (other than checks to be deposited in the ordinary course of business) and Chattel Paper having a value in excess of $50,000.

Section 5.08 Accounts. The amounts represented by such Grantor to the Collateral Agent and the Secured Parties from time to time as owing by each Account Debtor or by all Account Debtors in respect of the Accounts, Chattel Paper and Payment Intangibles will at such time be materially correct. The place where each Grantor keeps its records concerning the Accounts, Chattel Paper and Payment Intangibles is the address set forth on Schedule 4.

Section 5.09 Governmental Obligors. None of the Account Debtors on such Grantor's Accounts, Chattel Paper or Payment Intangibles is a Governmental Authority.

ARTICLE VI
Covenants

Each Grantor covenants and agrees that, from and after the date of this Agreement until the Secured Obligations have been Paid In Full In Cash:

Section 6.01 Covenants in Credit Agreement. In the case of each Guarantor, such Guarantor shall take, or shall refrain from taking, as the case may be, each action that is necessary to be taken or not taken, as the case may be, so that no Default or Event of Default is caused by the failure to take such action or to refrain from taking such action by such Guarantor or any of its Subsidiaries.

Section 6.02 Maintenance of Perfected Security Interest; Further Documentation.

(a) Such Grantor shall maintain the security interest created by this Agreement as a perfected security interest (subject only to Permitted Liens) and shall defend such security interest against the claims and demands of all Persons whomsoever (other than holders of Permitted Liens).

(b) At any time and from time to time, and at the sole expense of such Grantor, such Grantor hereby irrevocably authorizes the Collateral Agent (or its designee) to file or record any and all financing statements, continuation statements, amendments, notices (including, without limitation,

notifications to financial institutions and any other Person), and will promptly and duly give, execute, deliver, indorse, file or record any and all financing statements, continuation statements, amendments, notices (including, without limitation, notifications to financial institutions and any other Person), contracts, agreements, assignments, certificates, stock powers or other instruments, obtain any and all governmental approvals and consents and take or cause to be taken any and all steps or acts as the Collateral Agent may reasonably request to create, perfect, establish the priority of, or to preserve the validity, perfection or priority of, the Liens granted by this Agreement (subject only to Permitted Liens) or to enable the Collateral Agent to enforce its rights, remedies, powers and privileges under this Agreement with respect to such Liens or to otherwise obtain or preserve the full benefits of this Agreement and the rights, powers and privileges herein granted.

(c) Without limiting the obligations of the Grantors under Section 6.02(b): (i) upon the request of the Collateral Agent or any other Secured Party, such Grantor shall take or cause to be taken all actions reasonably requested by the Collateral Agent to cause the Collateral Agent to (A) have "control" (within the meaning of Sections 9-104, 9-105, 9-106, and 9-107 of the UCC) over any Collateral constituting Deposit Accounts, Electronic Chattel Paper, Investment Property (including the Pledged Securities), or Letter-of-Credit Rights, including, without limitation, executing and delivering any agreements, in form and substance reasonably satisfactory to the Collateral Agent, with securities intermediaries, issuers or other Persons in order to establish "control", and (B) be a "protected purchaser" (as defined in Section 8-303 of the UCC); (ii) with respect to Collateral other than certificated securities and Goods covered by a document in the possession of a Person other than such Grantor or the Collateral Agent, such Grantor shall obtain written acknowledgment that such Person holds possession for the Collateral Agent's benefit; and (iii) with respect to any Collateral constituting Goods that are in the possession of a bailee and have a value in excess of $50,000, such Grantor shall provide prompt notice to the Collateral Agent of any such Collateral then in the possession of such bailee, and such Grantor shall take or cause to be taken all actions (other than any actions required to be taken by the Collateral Agent) necessary or reasonably requested by the Collateral Agent to cause the Collateral Agent to have a perfected security interest in such Collateral under applicable law.

Section 6.03 [Reserved].

Section 6.04 Further Identification of Collateral. Such Grantor will furnish to the Collateral Agent and the Secured Parties from time to time, at such Grantor's sole cost and expense, statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Collateral Agent may reasonably request, all in reasonable detail.

Section 6.05 Pledged Securities.

(a) If such Grantor shall become entitled to receive or shall receive any stock certificate or other instrument (including, without limitation, any certificate or instrument representing a dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate or instrument issued in connection with any reorganization), option or rights in respect of the Capital Stock of any Pledged Entity, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares (or such other interests) of the Pledged Securities, or otherwise in respect thereof, such Grantor shall, unless the same constitutes Excluded Assets, accept the same as the agent of the Collateral Agent and the other Secured Parties, hold the same in trust for the Collateral Agent and the other Secured Parties and deliver the same forthwith to the Collateral Agent in the exact form received, duly indorsed by such Grantor to the Collateral Agent, if required, together with an undated stock power or other equivalent instrument of transfer reasonably acceptable to the Collateral Agent covering such certificate or instrument duly executed in blank by such Grantor and with, if the Collateral Agent so requests, signature

guaranteed, to be held by the Collateral Agent, subject to the terms hereof, as additional collateral security for the Secured Obligations.

(b) In the case of each Grantor which is a Pledged Entity, such Pledged Entity agrees that (i) it will be bound by the terms of this Agreement relating to the Pledged Securities and Investment Property issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify the Collateral Agent promptly in writing of the occurrence of any of the events described in Section 6.05(a) with respect to the Pledged Securities issued by it and (iii) the terms of Section 7.01(b) and Section 7.05 shall apply to it, *mutatis mutandis*, with respect to all actions that may be required of it pursuant to Section 7.01(b) or Section 7.05 with respect to the Pledged Securities and Investment Property issued by it.

(c) Except as set forth in Schedule 2, the Pledged Securities will at all times constitute not less than 100% of the Capital Stock of the Pledged Entity thereof owned by such Grantor. Each Grantor will not permit any Pledged Entity of any of the Pledged Securities to issue any new shares (or other interests) of any class of Capital Stock of such Pledged Entity without the prior written consent of the Collateral Agent or as may be permitted by the Credit Agreement or the Warrant Agreement.

(d) In the case of each Grantor that is a partner in a Partnership, such Grantor hereby consents to the extent required by the applicable Partnership Agreement to the pledge by each other Grantor, pursuant to the terms hereof, of the Pledged Partnership Interests in such Partnership and to the transfer of such Pledged Partnership Interests to the Collateral Agent or its nominee (on behalf of the Secured Parties) and to the substitution of the Collateral Agent or its nominee as a substituted partner in such Partnership with all the rights, powers and duties of a general partner or a limited partner, as the case may be. In the case of each Grantor that is a member of an LLC, such Grantor hereby consents to the extent required by the applicable LLC Agreement to the pledge by each other Grantor, pursuant to the terms hereof, of the Pledged LLC Interests in such LLC and to the transfer of such Pledged LLC Interests to the Collateral Agent or its nominee (on behalf of the Secured Parties) and to the substitution of the Collateral Agent or its nominee as a substituted member of the LLC with all the rights, powers and duties of a member of such LLC.

(e) Such Grantor shall not agree to any amendment of a Partnership Agreement or an LLC Agreement that in any way adversely affects the perfection of the security interest of the Collateral Agent in the Pledged Partnership Interests or Pledged LLC Interests pledged by such Grantor hereunder.

Section 6.06 Instruments and Tangible Chattel Paper. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any Instrument (other than checks to be deposited in the ordinary course of business) or Tangible Chattel Paper having a value in excess of $50,000, such Instrument or Tangible Chattel Paper shall be promptly delivered to the Collateral Agent, duly endorsed in a manner reasonably satisfactory to the Collateral Agent, to be held as Collateral pursuant to this Agreement.

Section 6.07 Commercial Tort Claims. If such Grantor shall at any time hold or acquire a Commercial Tort Claim that satisfies the requirements of the following sentence, such Grantor shall, within thirty (30) days after such Commercial Tort Claim satisfies such requirements, notify the Collateral Agent in a writing signed by such Grantor containing a brief description thereof, and granting to the Collateral Agent in such writing (for the benefit of the Secured Parties) a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Lenders. The provisions of the preceding sentence shall apply only to a Commercial Tort Claim that satisfies the following requirements: (i) the monetary value claimed by or payable to the relevant Grantor in connection with such Commercial Tort Claim shall exceed $50,000, and (ii) either (A) such Grantor shall have filed a law suit or counterclaim or otherwise commenced legal proceedings (including, without

limitation, arbitration proceedings) against the Person against whom such Commercial Tort Claim is made, or (B) such Grantor and the Person against whom such Commercial Tort Claim is asserted shall have entered into a settlement agreement with respect to such Commercial Tort Claim. In addition, to the extent that the existence of any Commercial Tort Claim held or acquired by any Grantor is disclosed by such Grantor in any public filing with the Securities Exchange Commission or any successor thereto or analogous Governmental Authority, or to the extent that the existence of any such Commercial Tort Claim is disclosed in any press release issued by any Grantor, then, upon the request of the Collateral Agent, the relevant Grantor shall, within thirty (30) days after such request is made, transmit to the Collateral Agent a writing signed by such Grantor containing a brief description of such Commercial Tort Claim and granting to the Collateral Agent in such writing (for the benefit of the Secured Parties) a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

ARTICLE VII
Remedial Provisions

Section 7.01 Pledged Securities.

(a) Unless an Event of Default shall have occurred and be continuing and the Collateral Agent at the direction of the Lenders shall have given notice to the relevant Grantor of the Collateral Agent's intent to exercise its corresponding rights pursuant to Section 7.01(b), each Grantor shall be permitted to receive all cash dividends and distributions paid in respect of the Pledged Securities, to the extent permitted in the Credit Agreement and by the terms of the applicable organizational documents, and to exercise all voting and corporate, membership or partnership rights with respect to the Pledged Securities.

(b) If an Event of Default shall occur and be continuing, then at any time in the Collateral Agent's discretion, (i) the Collateral Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Pledged Securities and make application thereof to the Secured Obligations in accordance with the Swap Intercreditor Agreement and if no Swap Intercreditor Agreement is then in effect, then in accordance with Section 2.12(f) of the Credit Agreement, and (ii) the Collateral Agent or its nominee may thereafter exercise (x) all voting, corporate, membership, partnership and other rights pertaining to such Pledged Securities at any meeting of shareholders (or other equivalent body) of the relevant Pledged Entity or Pledged Entities or otherwise and (y) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Securities as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Securities upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the organizational structure of any Pledged Entity, or upon the exercise by any Grantor or the Collateral Agent of any right, privilege or option pertaining to such Pledged Securities, and in connection therewith, the right to deposit and deliver any and all of the Pledged Securities with any committee, depositary, transfer agent, registrar or other designated agency upon such terms and conditions as the Lenders may determine), all without liability except to account for property actually received by it, but the Collateral Agent shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Pledged Entity issuing any Pledged Securities pledged by such Grantor hereunder (and each Pledged Entity party hereto hereby agrees) to (i) comply with any instruction received by it from the Collateral Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Pledged Entity shall be fully protected in so complying, and (ii) unless otherwise expressly permitted

hereby, upon and after receipt of the instruction described in clause (i), pay any dividends or other payments with respect to the Pledged Securities directly to the Collateral Agent.

(d) After the occurrence and during the continuation of an Event of Default, if the Pledged Entity issuing any Pledged Securities is the subject of bankruptcy, insolvency, receivership, custodianship or other proceedings under the supervision of any Governmental Authority, then all rights of the Grantor in respect thereof to exercise the voting and other consensual rights which such Grantor would otherwise be entitled to exercise with respect to the Pledged Securities issued by such Pledged Entity shall cease, and all such rights shall thereupon become vested in the Collateral Agent who shall thereupon have the sole right to exercise, at the direction of the Lenders, such voting and other consensual rights, but the Collateral Agent shall have no duty to exercise any such voting or other consensual rights and shall not be responsible for any failure to do so or delay in so doing.

Section 7.02 Collections on Accounts, Etc. The Collateral Agent hereby authorizes each Grantor to collect upon the Accounts, Instruments, Chattel Paper and Payment Intangibles and the Collateral Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. Upon the request of the Collateral Agent (at the direction of the Lenders), at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify the Account Debtors that the applicable Accounts, Chattel Paper and Payment Intangibles have been assigned to the Collateral Agent for the ratable benefit of the Secured Parties and that payments in respect thereof shall be made directly to the Collateral Agent. Upon the occurrence and during the continuance of an Event of Default, the Collateral Agent may in its own name or in the name of others communicate with the Account Debtors to verify with them to its satisfaction the existence, amount and terms of any Accounts, Chattel Paper or Payment Intangibles.

Section 7.03 Proceeds. If required by the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Accounts, Instruments, Chattel Paper and Payment Intangibles, when collected or received by each Grantor, and any other cash or non-cash Proceeds received by each Grantor upon the sale or other disposition of any Collateral, shall be forthwith (and, in any event, within two Business Days) deposited by such Grantor in the exact form received, duly indorsed by such Grantor to the Collateral Agent if required, in a special collateral account maintained by the Collateral Agent, subject to withdrawal by the Collateral Agent at the direction of the Lenders for the ratable benefit of the Secured Parties only, as hereinafter provided, and, until so turned over, shall be held by such Grantor in trust for the Collateral Agent for the ratable benefit of the Secured Parties, segregated from other funds of any such Grantor. Each deposit of any such Proceeds shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit. All Proceeds (including, without limitation, Proceeds constituting collections of Accounts, Chattel Paper, Instruments) while held by the Collateral Agent (or by any Grantor in trust for the Collateral Agent for the ratable benefit of the Secured Parties) shall continue to be collateral security for all of the Secured Obligations and shall not constitute payment thereof until applied as hereinafter provided. If an Event of Default shall have occurred and be continuing, at any time at the Lenders' election, the Collateral Agent shall apply all or any part of the funds on deposit in said special collateral account on account of the Secured Obligations in accordance with Section 2.12(f) of the Credit Agreement.

Section 7.04 Remedies

(a) If an Event of Default shall occur and be continuing, the Collateral Agent at the direction of the Lenders, on behalf of the Secured Parties, may exercise in its discretion, in addition to all other rights, remedies, powers and privileges granted to them in this Agreement, the other Loan Documents, any Secured Swap Agreement, and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights, remedies, powers and privileges of a secured party under applicable

law or otherwise available at law or equity. Without limiting the generality of the foregoing, the Collateral Agent at the direction of the Lenders, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Collateral Agent or any other Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Collateral Agent or any other Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. If an Event of Default shall occur and be continuing, each Grantor further agrees, at the Collateral Agent's request (acting at the direction of the Lenders), to assemble the Collateral and make it available to the Collateral Agent at places which the Lenders shall reasonably select, whether at such Grantor's premises or elsewhere. Any such sale or transfer by the Collateral Agent either to itself or to any other Person shall be absolutely free from any claim of right by Grantor, including any equity or right of redemption, stay or appraisal which Grantor has or may have under any rule of law, regulation or statute now existing or hereafter adopted. Upon any such sale or transfer, the Collateral Agent at the direction of the Lenders shall have the right to deliver, assign and transfer to the purchaser or transferee thereof the Collateral so sold or transferred. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 7.04, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Collateral Agent and the other Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements, in accordance with the Swap Intercreditor Agreement, or if no Swap Intercreditor Agreement is then in effect, then in accordance with Section 2.12(f) of the Credit Agreement, and only after such application and after the payment by the Collateral Agent of any other amount required by any provision of law, including, without limitation, Section 9-615 of the UCC, will the Collateral Agent account for the surplus, if any, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the Collateral Agent or any other Secured Party arising out of the exercise by them of any rights hereunder, except to the extent caused by the gross negligence or willful misconduct of the Collateral Agent or such Secured Parties or their respective agents. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 calendar days before such sale or other disposition.

(b) In the event that the Collateral Agent at the direction of the Lenders elects not to sell the Collateral, the Collateral Agent retains its rights to dispose of or utilize the Collateral or any part or parts thereof in any manner authorized or permitted by law or in equity, and to apply the proceeds of the same towards payment of the Secured Obligations. Each and every method of disposition of the Collateral described in this Agreement shall constitute disposition in a commercially reasonable manner. The Collateral Agent at the direction of the Lenders may appoint any Person as agent to perform any act or acts necessary or incident to any sale or transfer of the Collateral.

Section 7.05 Private Sales of Pledged Securities. Each Grantor recognizes that the Collateral Agent may be unable to effect a public sale of any or all the Pledged Securities, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, or may determine that a public sale is impracticable or not commercially reasonable and, accordingly, may to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to

the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Collateral Agent shall be under no obligation to delay a sale of any of the Pledged Securities for the period of time necessary to permit the relevant Pledged Entity to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Pledged Entity would agree to do so. Each Grantor agrees to use its best efforts to do or cause to be done all such other acts as may reasonably be necessary to make such sale or sales of all or any portion of the Pledged Securities pursuant to this Section 7.05 valid and binding and in compliance with any and all other applicable Governmental Requirements. Each Grantor further agrees that a breach of any of the covenants contained in this Section 7.05 will cause irreparable injury to the Collateral Agent and the other Secured Parties, that the Collateral Agent and the other Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 7.05 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants, except for a defense that no Event of Default has occurred under the Credit Agreement.

Section 7.06 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations and the fees and disbursements of any attorneys employed by the Collateral Agent or any other Secured Party to collect such deficiency.

Section 7.07 Non-Judicial Enforcement. The Collateral Agent at the direction of the Lenders may enforce its rights hereunder without prior judicial process or judicial hearing, and to the extent permitted by law, each Grantor expressly waives any and all legal rights which might otherwise require the Collateral Agent to enforce its rights by judicial process. The proceeds of any sale of the Collateral or any part thereof and all other monies received by any Secured Party in any proceedings for the enforcement hereof or otherwise, whose application has not elsewhere herein been specifically provided for, shall be applied:

(a) First, to the payment of all documented expenses incurred by the Collateral Agent or any Secured Party incident to the enforcement of this Agreement, the Credit Agreement or any of the Obligations (including, without limiting the generality of the foregoing, expenses of any entry or taking of possession, of any sale, of advertisement thereof, and of conveyances, and court costs, compensation of agents and employees and legal fees), and to the payment of all other documented charges, expenses, liabilities and advances incurred or made by the Collateral Agent or any Secured Party under this Agreement or in executing any trust or power hereunder;

(b) Second, in accordance with the terms of the Swap Intercreditor Agreement, and if no Swap Intercreditor Agreement is then in effect, then in accordance with Section 2.12(f) of the Credit Agreement.

ARTICLE VIII
The Collateral Agent

Section 8.01 Collateral Agent's Appointment as Attorney-in-Fact, Etc.

(a) Each Grantor hereby irrevocably constitutes and appoints the Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all reasonably

appropriate action and to execute any and all documents and instruments which may be reasonably necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(ii) execute, in connection with any sale provided for in Section 7.04 or Section 7.05, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(iii) (A) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent at the direction of the Lenders shall direct; (B) take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account, Instrument, General Intangible, Chattel Paper or Payment Intangible or with respect to any other Collateral, and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent at the direction of the Lenders for the purpose of collecting any all such moneys due under any Account, Instrument or General Intangible or with respect to any other Collateral whenever payable; (C) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (D) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (E) receive, change the address for delivery, open and dispose of mail addressed to any Grantor, and to execute, assign and indorse negotiable and other instruments for the payment of money, documents of title or other evidences of payment, shipment or storage for any form of Collateral on behalf of and in the name of any Grantor; (F) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (G) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (H) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Collateral Agent at the direction of the Lenders may deem appropriate; and (I) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option, or at the direction of the Lenders, and such Grantor's expense, at any time, or from time to time, all acts and things which the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's and the other Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 8.01(a) to the contrary notwithstanding, the Collateral Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 8.01(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein within the applicable grace periods, the Lenders may direct the Collateral Agent, at their option, but without any obligation so to do, to perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Collateral Agent incurred in connection with actions undertaken as provided in this Section 8.01, together with interest thereon at the Default Rate, but in no event to exceed the Highest Lawful Rate, from the date of payment by the Collateral Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Collateral Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue and in compliance hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

Section 8.02 Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account and shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which comparable secured parties accord comparable collateral. Neither the Collateral Agent, any other Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Agent and the other Secured Parties hereunder are solely to protect the Collateral Agent's and the other Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Agent or any other Secured Party to exercise any such powers. The Collateral Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct. To the fullest extent permitted by applicable law, the Collateral Agent and the Secured Parties shall be under no duty whatsoever to make or give any presentment, notice of dishonor, protest, demand for performance, notice of non-performance, notice of intent to accelerate, notice of acceleration, or other notice or demand in connection with any Collateral or the Secured Obligations, or to take any steps necessary to preserve any rights against any Grantor or other Person or ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not it has or is deemed to have knowledge of such matters. Each Grantor, to the extent permitted by applicable law, waives any right of marshaling in respect of any and all Collateral, and waives any right to require the Collateral Agent or any other Secured Party to proceed against any Grantor or other Person, exhaust any Collateral or enforce any other remedy which the Collateral Agent or any other Secured Party now has or may hereafter have against each Grantor, any Grantor or other Person.

Section 8.03 Financing Statements. Pursuant to the UCC and any other applicable law, each Grantor authorizes the Collateral Agent, its counsel or its representative, at any time and from time to time, to file or record financing statements, continuation statements, amendments thereto and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in such offices as the Lenders determine necessary or appropriate to perfect the security interests of the Collateral Agent under this Agreement. Additionally, each Grantor authorizes the Collateral Agent, its counsel or its representative, at any time and from time to time, to file or record such financing statements that describe the collateral covered thereby as "all assets of the Grantor whether now owned or hereafter acquired", "all personal property of the Grantor", "all assets hereafter acquired" or words of similar effect. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

Section 8.04 Authority of Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the other Secured Parties, be governed by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Grantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

ARTICLE IX
Subordination of Indebtedness

Section 9.01 Subordination of All Guarantor Claims. As used herein, the term "Guarantor Claims" shall mean all debts and obligations of the Borrower or any other Grantor to any Grantor, whether such debts and obligations now exist or are hereafter incurred or arise, or whether the obligation of the debtor thereon be direct, contingent, primary, secondary, several, joint and several, or otherwise, and irrespective of whether such debts or obligations be evidenced by note, contract, open account, or otherwise, and irrespective of the Person or Persons in whose favor such debts or obligations may, at their inception, have been, or may hereafter be created, or the manner in which they have been or may hereafter be acquired by. Upon (a) the occurrence of any Event of Default described in Section 8.1(f) or Section 8.1(g) of the Credit Agreement, automatically, and (b) the occurrence of any other Event of Default that is continuing, upon notice to the Borrower that Guarantor Claims should not be paid, to such effect by the Collateral Agent, no Grantor shall receive or collect, directly or indirectly, from any obligor in respect thereof any amount upon the Guarantor Claims.

Section 9.02 Claims in Bankruptcy. In the event of receivership, bankruptcy, reorganization, arrangement, debtor's relief or other insolvency proceedings involving any Grantor, (a) the Collateral Agent on behalf of the Secured Parties shall have the right to prove their claim in any proceeding, so as to establish their rights hereunder and receive directly from the receiver, trustee or other court custodian, dividends and payments which would otherwise be payable upon Guarantor Claims and (b) each Grantor hereby assigns such dividends and payments to the Collateral Agent for the benefit of the Secured Parties for application against the Secured Obligations as provided under the terms of the Swap Intercreditor Agreement, and if no Swap Intercreditor Agreement is then in effect, then as provided in Section 2.12(f) of the Credit Agreement. Should the Collateral Agent or any Secured Party receive, for application upon the Secured Obligations, any such dividend or payment which is otherwise payable to any Grantor, and which, as between such Grantor, shall constitute a credit upon the Guarantor Claims, then once the Secured Obligations have been Paid In Full In Cash, the intended recipient shall become subrogated to the rights of the Collateral Agent and the other Secured Parties to the extent that such payments to the Collateral Agent and the other Secured Parties on the Guarantor Claims have contributed toward the liquidation of the Secured Obligations, and such subrogation shall be with respect to that proportion of the Secured Obligations which would have been unpaid if the Collateral Agent and the other Secured Parties had not received dividends or payments upon the Guarantor Claims.

Section 9.03 Payments Held in Trust. In the event that notwithstanding Section 9.01 and Section 9.02, any Grantor should receive any funds, payments, claims or distributions that are prohibited by such Sections, then it agrees: (a) to hold in trust for the Collateral Agent and the other Secured Parties an amount equal to the amount of all funds, payments, claims or distributions so received, and (b) that it shall have absolutely no dominion over the amount of such funds, payments, claims or distributions except to pay them promptly to the Collateral Agent, for the benefit of the Secured Parties; and each Grantor covenants promptly to pay the same to the Collateral Agent.

Section 9.04 Liens Subordinate. Each Grantor agrees that, until the Secured Obligations have been Paid In Full In Cash, any Liens securing payment of the Guarantor Claims shall be and remain inferior and subordinate to any Liens securing payment of the Secured Obligations, regardless of whether such encumbrances in favor of such Grantor, the Collateral Agent or any other Secured Party presently exist or are hereafter created or attach. Without the prior written consent of the Collateral Agent, no Grantor, during the period before the Secured Obligations have been Paid In Full In Cash, shall (a) exercise or enforce any creditor's right it may have against any debtor in respect of the Guarantor Claims, or (b) foreclose, repossess, sequester or otherwise take steps or institute any action or proceeding (judicial or otherwise, including without limitation the commencement of or joinder in any liquidation, bankruptcy, rearrangement, debtor's relief or insolvency proceeding) to enforce any Lien held by it.

Section 9.05 Notation of Records. Upon the request of the Collateral Agent, all promissory notes and all accounts receivable ledgers or other evidence of the Guarantor Claims accepted by or held by any Grantor shall contain a specific written notice thereon that the indebtedness evidenced thereby is subordinated under the terms of this Agreement.

ARTICLE X
Miscellaneous

Section 10.01 Waiver. No failure on the part of the Collateral Agent or any other Secured Party to exercise and no delay in exercising, and no course of dealing with respect to, any right, remedy, power or privilege under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided herein are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. The exercise by the Collateral Agent or any Secured Party of any one or more of the rights, powers and remedies herein shall not be construed as a waiver of any other rights, powers and remedies, including, without limitation, any rights of set-off.

Section 10.02 Notices. All notices and other communications provided for herein shall be given in the manner and subject to the terms of Section 10.1 of the Credit Agreement; provided that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on Schedule 1.

Section 10.03 Payment of Expenses, Indemnities, Etc.

(a) Each Grantor agrees to pay or promptly reimburse the Collateral Agent and each other Secured Party for all advances, charges, costs and expenses (including, without limitation, all costs and expenses of holding, preparing for sale and selling, collecting or otherwise realizing upon the Collateral and all attorneys' fees, legal expenses and court costs) incurred by any Secured Party in connection with the exercise of its respective rights and remedies hereunder, including, without limitation, any advances, charges, costs and expenses that may be incurred in any effort to enforce any of the provisions of this Agreement or any obligation of any Grantor in respect of the Collateral or in connection with (i) the preservation of the Lien of, or the rights of the Collateral Agent or any other Secured Party under this Agreement, (ii) any actual or attempted sale, lease, disposition, exchange, collection, compromise, settlement or other realization in respect of, or care of, the Collateral, including all such costs and expenses incurred in any bankruptcy, reorganization, workout or other similar proceeding, or (iii) collecting against such Grantor under the guarantee contained in Article II or otherwise enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Grantor is a party.

(b) Each Grantor agrees to pay, and to save the Collateral Agent and the other Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever of any kind or nature with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrower would be required to do so pursuant to Section 10.3 of the Credit Agreement.

Section 10.04 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with the Credit Agreement.

Section 10.05 Successors and Assigns. The provisions of this Agreement shall be binding upon each Grantor and its successors and assigns and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors and permitted assigns; provided that such transfers and assignments are permitted by and have been made pursuant to the Credit Agreement.

Section 10.06 Invalidity. In the event that any one or more of the provisions contained in this Agreement or in any of the Loan Documents to which a Grantor is a party shall, for any reason, be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement or such other Loan Document.

Section 10.07 Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

Section 10.08 Survival. The obligations of the parties under Section 10.03 shall survive the Secured Obligations being Paid In Full In Cash. To the extent that any payments on the Secured Obligations or proceeds of any Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any bankruptcy law, common law or equitable cause, then to such extent, the Secured Obligations so satisfied shall be revived and continue as if such payment or proceeds had not been received and the Collateral Agent's and the other Secured Parties' Liens, security interests, rights, powers and remedies under this Agreement and each Collateral Document shall continue in full force and effect. In such event, each Collateral Document shall be automatically reinstated and each Grantor shall take such action as may be requested by the Collateral Agent to effect such reinstatement.

Section 10.09 Captions. Captions and section headings appearing herein are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Agreement.

Section 10.10 No Oral Agreements. This Agreement, the Credit Agreement, the other Loan Documents and the Secured Swap Agreements embody the entire agreement and understanding between the parties and supersede all other agreements and understandings between such parties relating to the subject matter hereof and thereof. This Agreement, the Credit Agreement, the other Loan Documents and the Secured Swap Agreements represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

(b) **ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY GRANTOR ARISING OUT OF OR RELATING HERETO, ANY OTHER LOAN DOCUMENT OR ANY SWAP AGREEMENT OR ANY OF THE OBLIGATIONS, MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND CITY OF NEW YORK. BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH GRANTOR, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, IRREVOCABLY (i) ACCEPTS GENERALLY AND UNCONDITIONALLY THE EXCLUSIVE JURISDICTION AND VENUE OF SUCH COURTS; (ii) WAIVES ANY DEFENSE OF FORUM NON CONVENIENS; (iii) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE GRANTOR AT ITS ADDRESS PROVIDED ON THE SCHEDULES HERETO IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE GRANTOR IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; AND (iv) AGREES THAT THE COLLATERAL AGENT AND THE SECURED PARTIES RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY GRANTOR IN THE COURTS OF ANY OTHER JURISDICTION.**

(c) **EACH GRANTOR HEREBY AGREES TO WAIVE ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER, UNDER ANY OF THE OTHER LOAN DOCUMENTS OR ANY SWAP AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER HEREOF. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS Section 10.11 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HEREOF OR HERETO. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.**

Section 10.12 Acknowledgments. Each Grantor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement;

(b) neither the Collateral Agent nor any other Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement, the Credit Agreement, any of the other Loan Documents, or any Secured Swap Agreement and the relationship

between the Grantors, on the one hand, and the Collateral Agent and the other Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby, by the Credit Agreement, any Secured Swap Agreement or any other Loan Document or by or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Grantors and the Lenders.

(d) **EACH PARTY HERETO AGREES AND COVENANTS THAT IT WILL NOT CONTEST THE VALIDITY OR ENFORCEABILITY OF ANY EXCULPATORY PROVISION OF THIS AGREEMENT AND THE OTHER COLLATERAL DOCUMENTS ON THE BASIS THAT THE PARTY HAD NO NOTICE OR KNOWLEDGE OF SUCH PROVISION OR THAT THE PROVISION IS NOT "CONSPICUOUS."**

(e) Each Grantor warrants and agrees that each of the waivers and consents set forth in this Agreement are made voluntarily and unconditionally after consultation with outside legal counsel and with full knowledge of their significance and consequences, with the understanding that events giving rise to any defense or right waived may diminish, destroy or otherwise adversely affect rights which such Grantor otherwise may have against the Borrower, any other Grantor, the Collateral Agent or the other Secured Parties or any other Person or against any collateral. If, notwithstanding the intent of the parties that the terms of this Agreement shall control in any and all circumstances, any such waivers or consents are determined to be unenforceable under applicable law, such waivers and consents shall be effective to the maximum extent permitted by law.

Section 10.13 Additional Grantors. Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to the Credit Agreement and is not a signatory hereto shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex I.

Section 10.14 Set-Off. Each Grantor agrees that, in addition to (and without limitation of) any right of set-off, bankers' lien or counterclaim a Secured Party may otherwise have, each Secured Party shall have the right and be entitled (after consultation with the Collateral Agent), at its option, if an Event of Default exists, to offset (i) balances (other than Excluded Accounts) held by it or by any of its Affiliates for account of any Grantor or any Subsidiary at any of its offices, in Dollars or in any other currency, and (ii) amounts due and payable to such Secured Party under any Secured Swap Agreement, against any principal of or interest on any of such Secured Party's Loans, or any other amount due and payable to such Secured Party hereunder, which is not paid when due (regardless of whether such balances are then due to such Person), in which case it shall promptly notify the Borrower and the Collateral Agent thereof, provided that such Secured Party's failure to give such notice shall not affect the validity thereof.

Section 10.15 Releases

(a) Release Upon Payment in Full. The grant of a security interest hereunder and all of rights, powers and remedies in connection herewith shall, to the extent permitted by law, remain in full force and effect until the Secured Obligations have been Paid In Full In Cash or in connection with a transaction described in clause (b) below. When the Secured Obligations have been Paid In Full In Cash or a transaction described in clause (b) below, the Collateral Agent, at the written request and expense of the Borrower, will promptly release, reassign and transfer the Collateral to the Grantors and declare this Agreement to be of no further force or effect subject to the first sentence of Section 10.08 of this Agreement.

(b) Release of Liens. If any of the Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction permitted by the Credit Agreement, then the Collateral Agent,

at the request and sole expense of such Grantor, shall promptly execute and deliver to such Grantor all releases or other documents necessary or desirable for the release of the Liens created hereby on such Collateral. At the request and sole expense of the Borrower, a Grantor shall be released from its obligations hereunder in the event that all the Capital Stock of such Grantor shall be sold, transferred or otherwise disposed of in a transaction permitted by the Credit Agreement; provided that the Borrower shall have delivered to the Collateral Agent, at least ten (10) Business Days prior to the date of the proposed release, a written request for release identifying the relevant Grantor and the terms of the sale or other disposition in reasonable detail, including the price thereof and any expenses in connection therewith, together with a certification by the Borrower stating that such transaction is in compliance with the Credit Agreement, the Secured Swap Agreements and the other Loan Documents.

(c) Further Assurances. Each Grantor agrees that, from time to time upon the written request of the Collateral Agent, each Grantor will execute and deliver such further documents and do such other acts and things as the Collateral Agent may reasonably request in order to fully effect the purposes of this Agreement.

(d) Retention in Satisfaction. Except as may be expressly applicable pursuant to Section 9-620 of the UCC, no action taken or omission to act by the Collateral Agent or the other Secured Parties hereunder, including, without limitation, any exercise of voting or consensual rights or any other action taken or inaction, shall be deemed to constitute a retention of the Collateral in satisfaction of the Secured Obligations or otherwise to be in full satisfaction of the Secured Obligations, and the Secured Obligations shall remain in full force and effect, until the Collateral Agent and the other Secured Parties shall have applied payments (including, without limitation, collections from Collateral) towards the Secured Obligations in the full amount then outstanding or until such subsequent time as is provided in Section 10.15(a).

Section 10.16 Swap Intercreditor Agreement. Notwithstanding anything herein to the contrary, this Agreement and the exercise of any right or remedy hereunder are subject to the provisions of any applicable Swap Intercreditor Agreement, and further, to the extent any provision herein contained shall be inconsistent with any provision contained in the Swap Intercreditor Agreement, the provisions in the Swap Intercreditor Agreement shall prevail.

Section 10.17 Reinstatement. The obligations of each Grantor under this Agreement (including, without limitation, with respect to the guarantee contained in Article II and the provision of Collateral herein) shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Grantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Grantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

Section 10.18 Acceptance. Each Grantor hereby expressly waives notice of acceptance of this Agreement, acceptance on the part of the Collateral Agent and the other Secured Parties being conclusively presumed by their request for this Agreement and delivery of the same to the Collateral Agent.

(b) The Hydrocarbons and products are to be delivered into pipelines connected with the Mortgage Property, or to the purchaser thereof, to the credit of Mortgagee, free and clear of all taxes, charges, costs, and expenses; and all such revenues and proceeds shall be paid directly to Mortgagee, with no duty or obligation of any party paying the same to inquire into the rights of Mortgagee to receive the same, what application is made thereof, or as to any other matter. Mortgagor agrees to perform all such acts, and to execute all such further assignments, transfers and division orders, and other instruments as may be required or desired by Mortgagee or any party in order to have said proceeds and revenues so paid to Mortgagee. In addition to any and all rights of a secured party under Sections 9-607 and 9-609 of the Applicable UCC, Mortgagee is fully authorized to receive and receipt for said revenues and proceeds; to endorse and cash any and all checks and drafts payable to the order of Mortgagee for the account of Mortgagor received from or in connection with said revenues or proceeds and to hold the proceeds thereof in a bank account as additional collateral securing the Secured Obligations; and to execute transfer and division orders in the name of Mortgagor, or otherwise, with warranties binding Mortgagor. During the continuation of an Event of Default, all proceeds received by Mortgagee pursuant to this grant and assignment shall be at Mortgagee's sole discretion either remitted to Mortgagor or applied as provided in Section 2.12(f) of the Credit Agreement. Mortgagee shall not be liable for any delay, neglect, or failure to effect collection of any proceeds or to take any other action in connection therewith or hereunder; but Mortgagee shall have the right, at its election, in the name of Mortgagor or otherwise, to prosecute and defend any and all actions or legal proceedings deemed advisable by Mortgagee in order to collect such funds and to protect the interests of Mortgagee, and/or Mortgagor, with all costs, expenses and attorneys' fees incurred in connection therewith being paid by Mortgagor. Mortgagor hereby appoints Mortgagee as its attorney-in-fact to pursue any and all rights of Mortgagor to Liens on and security interests in the Hydrocarbons securing payment of proceeds of runs attributable to the Hydrocarbons. In addition to the rights granted to Mortgagee in Section 2.01, Mortgagor hereby further transfers and assigns to Mortgagee any and all such Liens, security interests, financing statements or similar interests of Mortgagor attributable to its interest in the Hydrocarbons and proceeds of runs therefrom arising under or created by any statutory provision, judicial decision or otherwise. The power of attorney granted to Mortgagee in this Section 3.01, being coupled with an interest, shall be irrevocable until Paid In Full In Cash. Until such time as an Event of Default has occurred and is continuing, Mortgagee hereby grants to Mortgagor a license to sell such Hydrocarbons and receive proceeds from the sale of Hydrocarbons, which license shall automatically terminate upon such Event of Default and for so long as the same continues.

Section 3.02. No Modification of Payment Obligations. Nothing herein contained shall modify or otherwise alter the obligation of Mortgagor to make prompt payment of all principal and interest owing on the Secured Obligations when and as the same become due regardless of whether the proceeds of the Hydrocarbons are sufficient to pay the same and the rights provided in accordance with the foregoing assignment provision shall be cumulative of all other security of any and every character now or hereafter existing to secure payment of the Secured Obligations.

Nothing in this Article III is intended to be an acceptance of collateral in satisfaction of the Secured Obligations.

Section 3.03. Rights of Producers. Mortgagor hereby grants, sells, assigns, sets over and mortgages unto Mortgagee during the term hereof, all of Mortgagor's rights and interests pursuant to any provision of Governmental Requirement granting producers of oil and gas a Lien on the oil and gas produced by them and on the resulting accounts receivable, hereby vesting in Mortgagee all of Mortgagor's rights as an interest owner to the continuing security interest in and Lien upon the Mortgage Property.

Section 3.04. Excluded Property. Notwithstanding anything contained in this Article III to the contrary, the security interest granted to the Mortgagee pursuant to this Article III shall not extend to any Excluded Property.

ARTICLE IV. ASSIGNMENT OF RENTS, LEASES AND PRODUCTION

Section 4.01. Assignment. In furtherance of and in addition to the assignment made by Mortgagor herein, Mortgagor hereby absolutely and unconditionally assigns, sells, transfers and conveys to Mortgagee all of its right, title and interest in and to all Leases, whether now existing or hereafter entered into, and all of its right, title and interest in and to all Rents, Production and proceeds thereof. This assignment is an absolute assignment and not an assignment for additional security only. So long as no Event of Default shall have occurred and be continuing, Mortgagor shall have a revocable license from Mortgagee to exercise all rights extended to the landlord under the Leases, and with respect to the proceeds thereof, including the right to receive and collect all Rents, Production and all proceeds thereof and to hold the Rents, Production and proceeds thereof in trust for use in the payment and performance of the Secured Obligations and to otherwise use the same. The foregoing license is granted subject to the conditional limitation that no Event of Default shall have occurred and be continuing. Upon the occurrence and during the continuance of an Event of Default, whether or not legal proceedings have commenced, and without regard to waste, adequacy of security for the Secured Obligations or solvency of Mortgagor, the license herein granted shall automatically expire and terminate, without notice by Mortgagee (any such notice being hereby expressly waived by Mortgagor).

Section 4.02. Perfection Upon Recordation. Mortgagor acknowledges that Mortgagee has taken all reasonable actions necessary to obtain, and that upon recordation of this Mortgage, Mortgagee shall have, to the extent permitted under applicable law, and subject to Permitted Liens, a valid and fully perfected, first priority, present assignment of the Rents arising out of the Leases and all security for such Leases, and the Production and the proceeds thereof, subject to Permitted Encumbrances and in the case of security deposits, rights of depositors and requirements of law. Mortgagor acknowledges and agrees that upon recordation of this Mortgage, Mortgagee's interest in the Rents, Production and proceeds thereof shall be deemed to be fully perfected, "choate" and enforced as to Mortgagor and all third parties, including, without limitation, any subsequently

appointed trustee in any case under Title 11 of the United States Code (the "Bankruptcy Code"), without the necessity of commencing a foreclosure action with respect to this Mortgage, making formal demand for the Rents, Production or proceeds thereof, obtaining the appointment of a receiver or taking any other affirmative action.

Section 4.03. Bankruptcy Provisions. Mortgagor and Mortgagee agree that (a) this Mortgage shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Mortgage extends to property of Mortgagor acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents, or proceeds of Production, and (c) such security interest shall extend to all Rents, Production or proceeds thereof acquired by the estate after the commencement of any case in bankruptcy.

ARTICLE VI.
Rights and Remedies

Section 6.01. Event of Default. An "Event of Default" under the Credit Agreement shall be an Event of Default under this Mortgage.

Section 6.02. Foreclosure and Sale.

(a) If an Event of Default shall occur and be continuing, to the extent provided by Governmental Requirement, Mortgagee shall become and be entitled, as of right, without notice and without regard to the adequacy of the Mortgage Property as security for the Secured Obligations, (a) to employ counsel to enforce payment of the obligations secured hereby, (b) to proceed with foreclosure of the Mortgage Property and (c) to exercise such other rights and remedies granted herein, in any other Loan Document or by law and equity, which rights and remedies shall be cumulative and not exclusive. Mortgagee may sell said Mortgage Property either as a whole or in separate parcels, and in such order as it may determine. The purchase price shall be payable in lawful money of the United States at the time of the sale. In exercising the power of sale contained herein, Mortgagee may hold one or more sales of all or any portion of the Mortgage Property by public announcement at the time and place of sale set forth in the notice thereof, and from time to time thereafter may postpone such sale or sales of all or any portion of the Mortgage Property to the same or separate days by public announcement at such time fixed by the preceding postponement. Any Person, including Mortgagee, may purchase at such sale. Mortgagee may credit bid at any such sale, and if Mortgagee is the successful purchaser, it may apply any of the outstanding Secured Obligations in settlement of the purchase price. Mortgagee may resort to and realize upon the security hereunder and any other real or personal property security now or hereafter held by Mortgagee for the Secured Obligations in such order and manner as Mortgagee may, in its sole discretion, determine. Resort to any or all such security may be taken concurrently or successively and in one or several consolidated or independent judicial actions or nonjudicial proceedings, or both. Nothing contained herein shall be construed so as to limit in any way Mortgagee's rights to sell the Mortgage Property, or any portion thereof, by private sale if, and to the extent that, such private sale is permitted under the laws of the applicable jurisdiction or by public or private sale after entry of a judgment by any court of competent jurisdiction so ordering. Mortgagor hereby irrevocably appoints Mortgagee to be the attorney of Mortgagor and in the name and on behalf of Mortgagor to execute and deliver any deeds, transfers, conveyances, assignments, assurances and notices which Mortgagor ought to execute and deliver and do and perform any and all such acts and things which Mortgagor ought to do and perform under the covenants herein contained and generally, to use the name of Mortgagor in the exercise of all or any of the powers hereby conferred on Mortgagee. At any such sale: (i) whether made under the power herein contained or any other legal enactment, or by virtue of any judicial proceedings or any other legal right, remedy or recourse, it shall not be necessary for Mortgagee to have physically present, or to have constructive possession of, the Mortgage Property (Mortgagor hereby covenanting and agreeing to deliver to Mortgagee any portion of the Mortgage Property not actually or

constructively possessed by Mortgagee immediately upon demand by Mortgagee) and the title to and right of possession of any such property shall pass to the purchaser thereof as completely as if the same had been actually present and delivered to purchaser at such sale, (ii) each instrument of conveyance executed by Mortgagee shall contain a general warranty of title, binding upon Mortgagor and its successors and assigns, (iii) each and every recital contained in any instrument of conveyance made by Mortgagee shall conclusively establish the truth and accuracy of the matters recited therein, including nonpayment of the Secured Obligations, advertisement and conduct of such sale in the manner provided herein and otherwise by law and appointment of any successor Mortgagee hereunder, (iv) any and all prerequisites to the validity thereof shall be conclusively presumed to have been performed, (v) the receipt of Mortgagee or of such other party or officer making the sale shall be a sufficient discharge to the purchaser or purchasers for its purchase money and no such purchaser or purchasers, or its assigns or personal representatives, shall thereafter be obligated to see to the application of such purchase money, or be in any way answerable for any loss, misapplication or nonapplication thereof, (vi) to the fullest extent permitted by law, Mortgagor shall be completely and irrevocably divested of all of its right, title, interest, claim and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Mortgagor, and against any and all other persons claiming or to claim the property sold or any part thereof, by, through or under Mortgagor and (vii) to the extent and under such circumstances as are permitted by law, Mortgagee may be a purchaser at any such sale, and shall have the right, after paying or accounting for all costs of said sale or sales, to credit the amount of the bid upon the amount of the Secured Obligations in lieu of cash payment.

(b) Upon the happening and during the continuance of any Event of Default, Mortgagee is and shall be entitled to all of the rights, powers and remedies afforded a secured party by the Applicable UCC with respect to the personal property included in the Mortgage Property, or Mortgagee may proceed as to both the real and personal property covered hereby in accordance with the rights and remedies granted under this Mortgage in respect of the real property covered hereby. Without limiting the generality of the foregoing, Mortgagee, without demand of performance or other demand, presentment, protest, advertisement, notice of intent to accelerate, notice of acceleration or notice of any kind (except any notice required by law referred to below) to or upon Mortgagor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon such Mortgage Property, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver such Mortgage Property or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of Mortgagee or any Lender or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Mortgagee or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any

part of such Mortgage Property so sold, free of any right or equity of redemption in Mortgagor, which right or equity is hereby waived and released. If an Event of Default shall occur and be continuing, Mortgagor further agrees, at Mortgagee's request, to assemble such Mortgage Property and make it available to Mortgagee at places which Mortgagee shall reasonably select, whether at Mortgagor's premises or elsewhere. Any such sale or transfer by Mortgagee either to itself or to any other Person shall be absolutely free from any claim of right by Mortgagor, including any equity or right of redemption, stay or appraisal which Mortgagor has or may have under any rule of law, regulation or statute now existing or hereafter adopted. Upon any such sale or transfer, Mortgagee shall have the right to deliver, assign and transfer to the purchaser or transferee thereof such Mortgage Property so sold or transferred. Mortgagee shall apply the net proceeds of any action taken by it pursuant to this Section 6.02, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any such Mortgage Property or in any way relating to such Mortgage Property or the rights of Mortgagee and the Secured Parties hereunder, including reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Secured Obligations, in accordance with Section 2.12(f) of the Credit Agreement, and only after such application and after the payment by Mortgagee of any other amount required by any provision of law, including Section 9-615 of the Applicable UCC, need Mortgagee account for the surplus, if any, to Mortgagor. To the extent permitted by Governmental Requirement, Mortgagor waives all claims, damages and demands it may acquire against Mortgagee or any Lender arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of such Mortgage Property shall be required by law, such notice shall be deemed reasonable and proper if given at least ten days before such sale or other disposition.

(c) In the event that Mortgagee elects not to sell the personal property included in the Mortgage Property, Mortgagee retains its rights to dispose of or utilize such Mortgage Property or any part or parts thereof in any manner authorized or permitted by law or in equity, and to apply the proceeds of the same towards payment of the Secured Obligations. Each and every method of disposition of such Mortgage Property described in this Mortgage shall constitute disposition in a commercially reasonable manner. Mortgagee may appoint any Person as agent to perform any act or acts necessary or incident to any sale or transfer of such Mortgage Property.

(d) Mortgagee may proceed as to the Mortgage Property in accordance with Mortgagee's rights and remedies in respect to the Mortgage Property or sell the Mortgage Property separately and without regard to the remainder of the Mortgage Property in accordance with Mortgagee's rights and remedies provided by this Mortgage, the other Loan Documents, the Applicable UCC, as well as other rights and remedies at law or in equity.

(e) Upon the occurrence of an Event of Default, this Mortgage may be foreclosed as to the Mortgage Property, or any part thereof, in any manner permitted by Governmental Requirement.

A POWER OF SALE HAS BEEN GRANTED IN THIS MORTGAGE. A POWER OF SALE MAY ALLOW MORTGAGEE TO TAKE THE MORTGAGE PROPERTY AND SELL IT WITHOUT GOING TO COURT IN A FORECLOSURE ACTION UPON DEFAULT BY MORTGAGOR UNDER THIS MORTGAGE.

Section 6.03. Substitute Mortgagee and Agents. Each of Mortgagee or its successor or substitute may appoint or delegate any one or more Persons as agent to perform any act or acts necessary or incident to any sale held by Mortgagee, including the posting of notices and the conduct of sale, but in the name and on behalf of Mortgagee or its successor or substitute, as applicable. If Mortgagee or its successor or substitute shall have given notice of sale hereunder, any successor or substitute to such Person thereafter appointed may complete the sale and the conveyance of the property pursuant thereto as if such notice had been given by the successor or substitute conducting the sale.

Section 6.04. Judicial Foreclosure; Receivership. If any of the Secured Obligations shall become due and payable and shall not be promptly paid, Mortgagee shall have the right and power to proceed by a suit or suits in equity or at law, whether for the specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, or for any foreclosure hereunder or for the sale of the Mortgage Property under the judgment or decree of any court or courts of competent jurisdiction, or for the appointment of a receiver pending any foreclosure hereunder or the sale of the Mortgage Property under the order of a court or courts of competent jurisdiction or under executory or other legal process, or for the enforcement of any other appropriate legal or equitable remedy. Any money advanced by Mortgagee in connection with any such receivership shall be a demand obligation (which obligation Mortgagor hereby expressly promises to pay) owing by Mortgagor to Mortgagee and shall bear interest from the date of making such advance by Mortgagee until paid at the post-default rate set forth in Section 2.6(c) of the Credit Agreement. In addition, Mortgagor agrees that, upon the occurrence of an Event of Default or any event or circumstance which, with the lapse of time or the giving of notice, or both, would constitute an Event of Default, Mortgagee shall as a matter of right be entitled to the appointment of a receiver or receivers for all or any part of the Mortgage Property, whether such receivership be incident to a proposed sale (or sales) of such property or otherwise, and without regard to the value of the Mortgage Property or the solvency of any person or persons liable for the payment of the Secured Obligations, and Mortgagor does hereby consent to the appointment of such receiver or receivers, waives any and all defenses to such appointment, and agrees not to oppose any application therefor by Mortgagee and agrees that such appointment shall in no manner impair, prejudice or otherwise affect the rights of Mortgagee under Article VI hereof. Mortgagor expressly waives notice of a hearing for appointment of a receiver and the necessity for bond or an accounting by the receiver. Nothing herein is to be construed to deprive Mortgagee or any other Lender of any other right, remedy or privilege it may now or hereafter have under Governmental Requirement to have a receiver appointed. Any money advanced by Mortgagee or any other Lender in connection with any such receivership shall be a demand obligation (which obligation

Mortgagor hereby expressly promises to pay) owing by Mortgagor to Mortgagee or such Lender and shall bear interest from the date of making such advancement by Mortgagee or such Lender until paid, at the post-default rate set forth in Section 2.6(c) of the Credit Agreement.

Section 6.05. Foreclosure for Installments. Mortgagee shall also have the option to proceed with foreclosure in satisfaction of any installments of the Secured Obligations which have not been paid when due either through the courts or by directing Mortgagee or its successors in trust to proceed with foreclosure in satisfaction of the matured but unpaid portion of the Secured Obligations as if under a full foreclosure, conducting the sale as herein provided and without declaring the entire principal balance and accrued interest due; such sale may be made subject to the unmatured portion of the Secured Obligations, and any such sale shall not in any manner affect the unmatured portion of the Secured Obligations, but as to such unmatured portion of the Secured Obligations this Mortgage shall remain in full force and effect just as though no sale had been made hereunder. It is further agreed that several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Secured Obligations, it being the purpose hereof to provide for a foreclosure and sale of the security for any matured portion of the Secured Obligations without exhausting the power to foreclose and sell the Mortgage Property for any subsequently maturing portion of the Secured Obligations.

Section 6.06. Separate Sales. The Mortgage Property may be sold in one or more parcels and to the extent permitted by Governmental Requirement and in such manner and order as Mortgagee, in its sole discretion, may elect, it being expressly understood and agreed that the right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

Section 6.07. Possession of Mortgage Property. Mortgagor agrees to the full extent that it lawfully may, that, in case one or more of the Events of Default shall have occurred and shall not have been remedied, then, and in every such case, Mortgagee shall have the right and power to enter into and upon and take possession of all or any part of the Mortgage Property in the possession of Mortgagor, its successors or assigns, or its or their agents or servants, and may exclude Mortgagor, its successors or assigns, and all Persons claiming under Mortgagor, and its or their agents or servants wholly or partly therefrom; and, holding the same, Mortgagee may use, administer, manage, operate and control the Mortgage Property and conduct the business thereof to the same extent as Mortgagor, its successors or assigns, might at the time do and may exercise all rights and powers of Mortgagor, in the name, place and stead of Mortgagor, or otherwise as Mortgagee shall deem best. All reasonable and customary costs, expenses and liabilities incurred by Mortgagee in administering, managing, operating, and controlling the Mortgage Property shall constitute a demand obligation (which obligation Mortgagor hereby expressly promises to pay) owing by Mortgagor to Mortgagee and shall bear interest from date of expenditure until paid at the post-default rate set forth in Section 2.6(c) of the Credit Agreement, all of which shall constitute a portion of the Secured Obligations and shall be secured by this Mortgage and all other Security Instruments.

Section 6.08. Occupancy After Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale Mortgagor or Mortgagor's heirs, devisees, representatives, successors or assigns or any other Person claiming any interest in the Mortgage Property by, through or under Mortgagor are occupying or using the Mortgage Property or any part thereof, each and all shall immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either the landlord or tenant, or at a reasonable rental per day based upon the value of the property occupied, such rental to be due daily to the purchaser; to the extent permitted by Governmental Requirement, the purchaser at such sale shall, notwithstanding any language herein apparently to the contrary, have the sole option to demand immediate possession following the sale or to permit the occupants to remain as tenants at will. In the event the tenant fails to surrender possession of said property upon demand, the purchaser shall be entitled to institute and maintain a summary action for possession of the Mortgage Property (such as an action for forcible entry and detainer) in any court having jurisdiction.

Section 6.09. Remedies Cumulative, Concurrent and Nonexclusive. Each and every right, power, privilege and remedy shall be cumulative and in addition to those granted to Mortgagee or any Lender under this Mortgage, any other Loan Document and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights, remedies, powers and privileges of a secured party under the Applicable UCC or any other Governmental Requirement or otherwise available at law or equity; each and every right, power, privilege and remedy whether specifically herein given or otherwise existing may be exercised from time to time and so often and in such order as may be deemed expedient by Mortgagee or any Secured Party and the exercise, or the beginning of the exercise, or the abandonment, of any such right, power, privilege or remedy shall not be deemed a waiver of the right to exercise, at the same time or thereafter any other right, power, privilege or remedy. No delay or omission by Mortgagee or any Secured Party in the exercise of any right, power, privilege or remedy shall impair any such right, power, privilege or remedy or operate as a waiver thereof or of any other right, power, privilege or remedy then or thereafter existing.

Section 6.10. No Release of Secured Obligations. Neither Mortgagor nor any other Person hereafter obligated for payment of all or any part of the Secured Obligations shall be relieved of such obligation by reason of the failure of Mortgagee to comply with any request of Mortgagor or any other Person so obligated to foreclose the Lien of this Mortgage or to enforce any provision hereunder or under the Credit Agreement, the release, regardless of consideration, of the Mortgage Property or any portion thereof or interest therein or the addition of any other property to the Mortgage Property, any agreement or stipulation between any subsequent owner of the Mortgage Property and Mortgagee extending, renewing, rearranging or in any other way modifying the terms of this Mortgage without first having obtained the consent of, given notice to or paid any consideration to Mortgagor or such other Person, and in such event Mortgagor and all such other Persons shall continue to be liable to make payment according to the terms of any such

extension or modification agreement unless expressly released and discharged in writing by Mortgagee or by any other act or occurrence save and except when Paid In Full In Cash.

Section 6.11. No Impairment of Security. The Lien, security interest and other security rights of Mortgagee hereunder shall not be impaired by any indulgence, moratorium or release granted by Mortgagee including, but not limited to, any renewal, extension or modification which Mortgagee may grant with respect to any of the Secured Obligations, or any surrender, compromise, release, renewal, extension, exchange or substitution which Mortgagee may grant in respect of the Mortgage Property or any part thereof or any interest therein, or any release or indulgence granted to any endorser, guarantor or surety of any of the Secured Obligations.

Section 6.12. Release of and Resort to Mortgage Property. Mortgagee may release, regardless of consideration, any part of the Mortgage Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the Lien or security interest created in or evidenced by this Mortgage or its stature as a first and prior Lien and security interest in and to the Mortgage Property, and without in any way releasing or diminishing the liability of any Person or entity liable for the repayment of the Secured Obligations. For payment of the Secured Obligations, Mortgagee may resort to any other security therefor held by Mortgagee in such order and manner as Mortgagee may elect.

Section 6.13. Sales Acknowledgment. Any and all statements of fact or other recitals made in any deed or deeds, or other instruments of transfer, given in connection with a sale as to nonpayment of the Secured Obligations or as to the occurrence of any Event of Default, or as to Mortgagee having declared all of the Secured Obligations to be due and payable, or as to the request to sell, or as to notice of time, place and terms of sale and the Mortgage Property to be sold having been duly given, or as to any other act or thing having been duly done, shall be taken as *prima facie* evidence of the truth of the facts so stated and recited. With respect to any sale held in foreclosure of the liens and/or security interests covered hereby, it shall not be necessary for Mortgagee, or any public officer acting under execution or order of the court or any other party, to have physically present or constructively in his/her or its possession either at the time of or prior to such sale, the Mortgage Property or any part thereof.

Section 6.14. Waiver of Redemption, Notice and Marshalling of Assets, Etc. To the fullest extent permitted by law, Mortgagor hereby irrevocably and unconditionally waives and releases all benefits that might accrue to Mortgagor by virtue of any present or future moratorium law or other law exempting the Mortgage Property from attachment, levy or sale on execution or providing for any appraisement, valuation, stay of execution, exemption from civil process, redemption or extension of time for payment, all notices of any Event of Default or of Mortgagee's intention to accelerate maturity of the Secured Obligations or of Mortgagee's election to exercise or its actual exercise of any right, remedy or recourse provided for hereunder or under the Credit Agreement and any rights, legal and equitable, to a marshalling of assets or a sale in inverse order of alienation. Each successor and assign of Mortgagor, including a holder of a Lien subordinate

to the Lien created hereby (without implying that Mortgagor has, except as expressly provided herein, a right to grant an interest in, or a subordinate Lien on, the Mortgage Property), by acceptance of its interest or Lien agrees that it shall be bound by the above waiver, as if it gave the waiver itself. If any law referred to in this Mortgage and now in force, of which Mortgagor or its successor or successors might take advantage despite the provisions hereof, shall hereafter be repealed or cease to be in force, such law shall thereafter be deemed not to constitute any part of the contract herein contained or to preclude the operation or application of the provisions hereof. Mortgagee may enforce its rights hereunder without prior judicial process or judicial hearing to the extent permitted by law, and to the extent permitted by law, Mortgagor expressly waives any and all legal rights which might otherwise require Mortgagee to enforce its rights by judicial process. Mortgagor waives and agrees not to assert any rights or privileges which it may acquire under the Applicable UCC or any other Governmental Requirement. Mortgagor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Mortgage Property are insufficient to pay its Secured Obligations and the fees and disbursements of any attorneys employed by Mortgagee and any Lender to collect such deficiency.

Section 6.15. Discontinuance of Proceedings. In case Mortgagee shall have proceeded to invoke any right, remedy or recourse permitted hereunder or under the Credit Agreement and shall thereafter elect to discontinue or abandon same for any reason, Mortgagee shall have the unqualified right so to do and, in such an event, Mortgagor and Mortgagee shall be restored to their former positions with respect to the Secured Obligations, this Mortgage, the Credit Agreement, the Mortgage Property and otherwise, and the rights, remedies, recourses and powers of Mortgagee shall continue as if same had never been invoked.

Section 6.16. Application of Proceeds. The proceeds of any sale of the Mortgage Property or any part thereof and all other monies received by Mortgagee in any proceedings for the enforcement hereof, whose application has not elsewhere herein been specifically provided for, subject to Section 4.02 of the Swap Intercreditor Agreement, shall be applied first to the payment of all reasonable expenses incurred by Mortgagee incident to the enforcement of this Mortgage, the Credit Agreement or any of the Secured Obligations (including, without limiting the generality of the foregoing, expenses of any entry or taking of possession, of any sale, of advertisement thereof, and of conveyances, and court costs, compensation of agents and employees, legal fees and a reasonable commission to Mortgagee acting), and to the payment of all other reasonable charges, expenses, liabilities and advances incurred or made by Mortgagee under this Mortgage or in executing any trust or power hereunder; and then as set forth in Section 2.12(f) of the Credit Agreement.

Section 6.17. Resignation of Operator. In addition to all rights and remedies under this Mortgage, at law and in equity, if any Event of Default shall occur and Mortgagee or its designee or representative shall exercise any remedies under this Mortgage with respect to any portion of the Mortgage Property (or Mortgagor shall transfer any Mortgage Property "in lieu of" foreclosure), Mortgagee shall have the right to request that any Mortgagor that operates any

Mortgage Property resign as operator under the operating agreement applicable thereto, and no later than thirty (30) days after receipt by Mortgagor of any such request, Mortgagor shall resign (or cause such other party to resign) as operator of such Mortgage Property, to the extent permissible under the applicable operating agreement and Governmental Requirement.

Section 6.18. Indemnity. To the extent not prohibited by applicable law, Section 10.3 of the Credit Agreement is hereby incorporated *mutatis mutandis*.

Section 6.19. Mortgagee Not "Beneficiary-In-Possession". It is understood and agreed that neither the assignment of Hydrocarbons, products therefrom, revenues and proceeds to Mortgagee pursuant to Section 2.01 nor the exercise by Mortgagee of any of its rights or remedies hereunder shall be deemed to make Mortgagee a "beneficiary-in-possession" or otherwise responsible or liable in any manner with respect to the Mortgage Property or the use, occupancy, enjoyment or operation of all or any portion thereof, nor shall appointment of a receiver for the Mortgage Property by any court at the request of Mortgagee or by agreement with Mortgagor or the entering into possession of the Mortgage Property or any part thereof by such receiver be deemed to make Mortgagee a "beneficiary-in-possession" or otherwise responsible or liable in any manner with respect to the Mortgage Property or the use, occupancy, enjoyment or operation of all or any portion thereof.

ARTICLE VII.
Miscellaneous

Section 7.01. Release of Mortgage. Upon being Paid In Full In Cash, Mortgagee shall forthwith cause reconveyance, satisfaction and discharge of this Mortgage to be entered upon the record at the expense of Mortgagor and shall execute and deliver or cause to be executed and delivered such instruments of reconveyance, satisfaction and reassignment as may be appropriate. Otherwise, this Mortgage shall remain and continue in full force and effect.

Section 7.02. Severability. Any provision of this Mortgage held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 7.03. Partial Releases. If any of the Mortgage Property shall be sold, transferred or otherwise disposed of by Mortgagor in a transaction permitted by the Credit Agreement, then Mortgagee, at the request and sole expense of Mortgagor, shall promptly execute and deliver to Mortgagor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on the Mortgage Property.

Section 7.04. Successors and Assigns of Parties. The term "Mortgagee" as used herein shall mean and include ABC Funding, LLC, and its successors and assigns acting as Administrative Agent and Collateral Agent for the benefit of any legal owner, holder, assignee or pledgee of any of the Secured Obligations secured hereby. The terms used to designate Mortgagee and Mortgagor shall be deemed to include the respective heirs, legal representatives, successors and assigns of such parties.

Section 7.05. Satisfaction of Prior Encumbrance. To the extent that proceeds of the Credit Agreement are used to pay Indebtedness secured by any outstanding Lien, security interest, charge or prior encumbrance against the Mortgage Property, such proceeds have been advanced by Mortgagee at Mortgagor's request, and Mortgagee shall be subrogated to any and all rights, security interests and Liens owned by any owner or holder of such outstanding Liens, security interests, charges or encumbrances, irrespective of whether said Liens, security interests, charges or encumbrances are released, and it is expressly understood that, in consideration of the payment of such other Indebtedness by Mortgagee, Mortgagor hereby waives and releases all demands and causes of action for offsets and payments to, upon and in connection with the said Indebtedness.

Section 7.06. Subrogation of Mortgagee. This Mortgage is made with full substitution and subrogation of Mortgagee and its successors in this trust and its and their assigns in and to all covenants and warranties by others heretofore given or made in respect of the Mortgage Property or any part thereof.

Section 7.07. Nature of Covenants. The covenants and agreements herein contained shall constitute covenants running with the land and interests covered or affected hereby and shall be binding upon the heirs, legal representatives, successors and assigns of the parties hereto.

Section 7.08. Notices. All notices and other communications required or permitted hereunder shall be in the order set forth in Section 10.1 of the Credit Agreement; provided, that service of notice as required by the laws of any state in which portions of the Mortgage Property may be situated shall for all purposes be deemed appropriate and sufficient with the giving of such notice.

Section 7.09. Amendments. Except as set forth in Section 10.5 of the Credit Agreement, no term, covenant, agreement, or condition of this Mortgage may be amended or waived.

Section 7.10. Counterparts. This Mortgage is being executed in several counterparts, all of which are identical, except that to facilitate recordation, if the Mortgage Property is situated in more than one county, descriptions of only those portions of the Mortgage Property located in the county in which a particular counterpart is recorded shall be attached as **Schedule I** and **Exhibit A** thereto. Each of such counterparts shall for all purposes be deemed to be an original and all such counterparts shall together constitute but one and the same instrument.

Section 7.11. Filing of Financing Statement. Pursuant to the Applicable UCC, the Mortgagor authorizes the Mortgagee, its counsel or its representative, at any time and from time to time, to file or record financing statements, continuation statements, amendments thereto and other filing or recording documents or instruments with respect to the Mortgage Property in such form and in such offices as the Mortgagee reasonably determines appropriate to perfect the security interests of the Mortgagee under this Mortgage. The Mortgagor also authorizes the Mortgagee, its counsel or its representative, at any time and from time to time, to file or record such financing statements that describe the collateral covered thereby as "all assets of the Debtor", "all personal property of the Debtor", "all assets and all personal property of Debtor, whether now owned or existing or hereafter acquired or arising, wherever located, together with all products and proceeds thereof, substitutions and replacements therefor, and additions and accessions thereto", "all assets and all personal property of Debtor, including fixtures, whether now owned or existing or hereafter acquired or arising, wherever located, together with all products and proceeds thereof, substitutions and replacements therefor, and additions and accessions thereto", or words of similar effect. This Mortgage will be deemed to be and may be enforced from time to time as an assignment, chattel mortgage, contract, mortgage, financing statement, real estate mortgage, or security agreement, and from time to time as any one or more thereof if appropriate under applicable state law. At Mortgagee's request, Mortgagor shall deliver financing statements covering the personal property included in the Mortgage Property, including all Hydrocarbons sold at the wellhead, and fixtures included in the Mortgage Property, which financing statements may be filed in the Uniform Commercial Code records of the Secretary of State or other appropriate

office of the county or state in which any of the Mortgage Property or Mortgagor is located or in any other location permitted or required to perfect Mortgagee's security interest under the Uniform Commercial Code. In addition, Mortgagor hereby irrevocably authorizes Mortgagee and any Affiliate, employee or agent thereof, at any time and from time to time to file in any Uniform Commercial Code jurisdiction any financing statement or document and amendments thereto, without the signature of Mortgagor where permitted by law, in order to perfect or maintain the perfection of any security interest granted under this Mortgage. A photographic or other reproduction of this Mortgage shall be sufficient as a financing statement. Mortgagor will pay all such recording, filing, re-recording and refiling taxes, fees and other charges.

Section 7.16. Application of Payments to Certain Secured Obligations. If any part of the Secured Obligations cannot be lawfully secured by this Mortgage or if any part of the Mortgage Property cannot be lawfully subject to the lien and security interest hereof to the full extent of the Secured Obligations, then all payments made shall be applied on said Secured Obligations first in discharge of that portion thereof which is not secured by this Mortgage.

Section 7.17. Compliance with Usury Laws. It is the intention of the parties hereto that Mortgagee and all Lenders conform strictly to usury laws applicable to them, and this Mortgage is expressly made subject to the provisions of Section 10.18 of the Credit Agreement.

Any successor Collateral Agent appointed pursuant to Article 9 of the Credit Agreement shall be entitled to all the rights, interests and benefits of the Mortgagee and the Collateral Agent hereunder.

ARTICLE VIII.
State Specific Provisions

Section 8.01. Special Wyoming Provisions. In the event of any conflict between the terms and provisions of any of the other Articles of this Mortgage and this Section 8.01, the terms and conditions of this Section 8.01 shall govern and control with respect to that portion of the Mortgage Property located in the State of Wyoming, and the related UCC Collateral:

(a) Entitlement to Rents. Upon an Event of Default, the Mortgagee shall have the right to revoke Mortgagor's right to collect, receive, use and enjoy all rents, issues, profits, proceeds, products, revenues and other incomes from the Collateral, and the Mortgagee shall be

entitled to such rents, issues, profits, proceeds, products, revenues and other incomes pursuant to Wyo. Stat. § 1-18-104(f).

(b) Appointment of Receiver. Mortgagee shall be entitled to the appointment of a receiver of Mortgagee's choice for the Collateral as a matter of right and without notice, which is hereby expressly waived, with power to collect the rents due and to become due, without regard to the value of the Collateral and regardless of whether Mortgagee may have an adequate remedy at law or in equity. Mortgagor, for itself and its successors and assigns, hereby waives any and all defenses to the application for a receiver as set forth above, and hereby specifically consents to such appointment of a receiver of Mortgagee's choice in any event in *ex parte* proceedings and without notice. Nothing herein contained is to be construed to deprive Mortgagee of any other right, remedy or privilege it may now have, or may hereafter obtain, to have a receiver appointed. From such rents collected by the receiver or by Mortgagee prior to a foreclosure sale, there shall be deducted the cost of collection thereof, including, without limitation, real estate commissions, if any, for new or extended or renewed leases, if any, receiver's fees, attorneys' fees and expenses to the fullest extent not prohibited by applicable law, and any court costs and other expenses; the remainder shall be disbursed by the receiver or otherwise applied at Mortgagee's discretion against the Secured Obligations.

1. I am the _____ of COPL America Inc., a Delaware corporation (the "**Borrower**").

3. "Solvent" means, with respect to any Person, that as of the date of determination, both (i) (a) the sum of such Person's and its consolidated Subsidiaries' debt and liabilities (including contingent liabilities) does not exceed the fair saleable value of such Person's and its consolidated Subsidiaries' present assets; (b) if applicable, such Person's capital is not unreasonably small in relation to its business as contemplated on the Closing Date and reflected in the Projections or with respect to any transaction contemplated or undertaken after the Closing Date; and (c) such Person has not incurred and does not intend to incur, or believe (nor should it reasonably believe) that it will incur, debts beyond its ability to pay such debts as they become due (whether at maturity or otherwise); and (ii) such Person is "solvent" within the meaning given that term and similar terms under applicable laws relating to fraudulent transfers and conveyances. NOW, THEREFORE, to induce the Administrative Agent and the Lenders to enter into this Amendment and in consideration of the premises and the mutual covenants herein contained, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Defined Terms. Each capitalized term used herein but not otherwise defined herein has the meaning given such term in the Credit Agreement. Unless otherwise indicated, all section

references in this Amendment refer to sections of the Credit Agreement. Upon and after the execution of this Amendment by each of the parties hereto, each reference in the Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the Credit Agreement, and each reference in the other Loan Documents to "the Credit Agreement", "thereunder", "thereof" or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement as modified hereby.

2. Amendments to the Existing Credit Agreement. In reliance on the representations, warranties, covenants and agreements contained in this Amendment, and subject to the satisfaction of the conditions precedent set forth in Section 3 hereof, as of the Eleventh Amendment Effective Date, the Existing Credit Agreement is hereby amended or amended and restated, as applicable, as set forth below:

(a) Section 1.1 to the Credit Agreement shall be amended to add the following definitions.

(i) *"BP Swap Termination" has the meaning assigned such term in the Swap Intercreditor Agreement.*

(ii) *"BP Swap Termination Documentation" has the meaning assigned such term in the Swap Intercreditor Agreement.*

(b) Schedule 4.27 to the Credit Agreement shall be amended and restated in its entirety as set forth on Schedule I hereto.

(a) Section 8.1(b) of the Credit Agreement shall be amended and restated in its entirety as follows:

(b) Default in Other Agreements. (i) Failure of any Loan Party to pay when due any principal of or interest any Indebtedness (other than Indebtedness referred to in Section 6.1(a)) in each case beyond the grace period, if any, provided therefore; (ii) any "Event of Default", "Termination Event", "Additional Termination Event" or "Triggering Event" occurs (as each such term is defined in any Swap Intercreditor Agreement or Swap Agreement); or (iii) any Event of Default under any other document evidencing Indebtedness permitted hereunder or (iv) breach or default by any Loan Party with respect to any other material term of (A) any Indebtedness, or (B) any loan agreement, mortgage, indenture or other agreement relating to Indebtedness, in each case beyond the grace period, if any, provided therefor, if the effect of such breach or default is to cause, or to permit the holder or holders of that Indebtedness (or a trustee on behalf of such holder or holders), to cause, that Indebtedness to become or be declared due and payable (or subject to a compulsory repurchase or redeemable) or to require the prepayment, redemption, repurchase or defeasance of, or to cause any Loan Party to make any offer to prepay, redeem, repurchase or defease such Indebtedness, prior to its Stated Maturity or the Stated Maturity of any underlying obligation, as the case may be; provided, that such event or condition is unremedied and is not waived by the holder or holder of such Indebtedness; and provided further, that notwithstanding the foregoing clauses (i) through (iv), the BP Swap Termination shall not constitute an Event of Default under this

Section 8.1 so long as the Borrower shall remain in compliance with the terms and conditions of the BP Swap Termination Documentation; or

(b) Section 8.1(l) of the Credit Agreement shall be amended and restated in its entirety as follows:

(l) Material Contract. A Material Contract shall have been terminated or cancelled; provided however, that the Borrower may affect the BP Swap Termination on the terms of the BP Swap Termination Documentation; or

3. Conditions Precedent. This Amendment shall become effective and enforceable against the parties hereto upon the following:

(a) The Administrative Agent (or Kirkland & Ellis LLP) shall have received executed counterparts of this Amendment, duly and validly executed and delivered by duly authorized officers of the Borrower, the Parent, the Administrative Agent and the Lenders.

(b) The Administrative Agent (or Kirkland & Ellis LLP) shall have received executed counterparts of the Second Amendment to Intercreditor Agreement, duly and validly executed and delivered by duly authorized officers of the Borrower, the other Loan Parties, the Administrative Agent, the Collateral Agent and BP Energy Company.

4. Representations and Warranties. To induce Administrative Agent to enter into this Amendment and other credit accommodations contemplated hereby, the Borrower and the Parent hereby represent and warrant to Administrative Agent that:

(a) Organization; Requisite Power and Authority; Qualification. Each Loan Party (a) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, (b) has all requisite power and authority to own and operate its Properties, to carry on its business as now conducted and as proposed to be conducted, to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby and, in the case of the Borrower, to make the borrowings under the Credit Agreement, and (c) is qualified to do business and in good standing in every jurisdiction necessary to carry out its business and operations as now conducted, except in each case referred to in clause (c), to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

(b) Representations and Warranties. On the basis that this Amendment is effective and enforceable, all representations and warranties contained in the Credit Agreement and in the other Loan Documents shall be true and correct in all material respects (unless already qualified by materiality in which case such applicable representation and warranty shall be true and correct) with the same effect as though such representations and warranties had been made as of the date hereof (it being understood and agreed that any representation or warranty which by its terms is made as of a specified date shall be required to be true and correct in all material respects (unless already qualified by materiality in which case such applicable representation and warranty shall be true and correct) only as of such specified date).

(c) No Default or Event of Default. No Default or Event of Default has occurred and is continuing.

(d) Due Authorization. The execution, delivery and performance of this Amendment has been duly authorized by all necessary corporate, limited liability company or partnership (as applicable) action and, if required, shareholder, member and/or partner action, on the part of each Loan Party.

(e) Binding Obligation. This Amendment has been duly executed and delivered by each Loan Party (or Affiliate of a Loan Party) and is the legally valid and binding obligation of such Loan Party (or Affiliate of such Loan Party), enforceable against such Person in accordance with its respective terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability (whether enforcement is sought in equity or at law).

(f) Liens.

(i) The liens and security interests under the Mortgages and the other Collateral Documents are valid and subsisting and secure the Obligations.

(ii) The Collateral is unimpaired by this Amendment and the Borrower and the Parent have granted to Collateral Agent, valid, binding, perfected, enforceable, first priority (subject to Permitted Encumbrances) Liens in the Collateral covered by the Loan Documents.

5. Miscellaneous.

(a) Ratification and Affirmation. The parties hereto hereby (i) acknowledge this Amendment and its terms, (ii) ratify and affirm their obligations under, and acknowledge, renew and extend their continued liability under, each Loan Document to which they are a party, as applicable, (iii) agree that each Loan Document to which they are a party, as applicable, remains in full force and effect, and (iv) agree that from and after the Eleventh Amendment Effective Date each reference to the Credit Agreement in the other Loan Documents shall be deemed to be a reference to the Credit Agreement, as amended by this Amendment.

(b) No Waiver; Loan Document. The execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of the Administrative Agent under any of the Loan Documents, nor constitute a waiver of any provision of any of the Loan Documents. On and after the Eleventh Amendment Effective Date, this Amendment shall for all purposes constitute a Loan Document.

(c) Counterparts. This Amendment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of this Amendment by facsimile or electronic transmission in portable document format (.pdf) shall be effective as delivery of a manually executed counterpart hereof.

(d) Entire Agreement. This Amendment represents the final and entire agreement among the parties and may not be contradicted by evidence of, and supersedes, all prior,

contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

(e) GOVERNING LAW. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(f) Severability. In case any provision in or obligation under this Amendment shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

(g) Administrative Agent Direction. Each of the undersigned Lenders (collectively constituting all of the Lenders party to the Credit Agreement) hereby (i) authorize and direct the Administrative Agent and the Collateral Agent to execute and deliver this Amendment and any other document that the Administrative Agent and/or Collateral Agent is required to execute in connection therewith; and (ii) acknowledge and agree that the direction set forth in this Section 5(g) constitutes a direction, instruction and request of the undersigned Lenders pursuant to the Loan Documents, including but not limited to Section 9.2 of the Credit Agreement.

(h) **RELEASE BY THE BORROWER. FOR GOOD AND VALUABLE CONSIDERATION, THE RECEIPT AND SUFFICIENCY OF WHICH ARE HEREBY ACKNOWLEDGED, THE BORROWER AND EACH OTHER LOAN PARTY HEREBY, FOR ITSELF AND ITS SUCCESSORS AND ASSIGNS, FULLY AND WITHOUT RESERVE, RELEASES AND FOREVER DISCHARGES THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, EACH LENDER AND EACH OF THEIR RESPECTIVE SUCCESSORS AND ASSIGNS, OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES, TRUSTEES, ATTORNEYS, AGENTS, ADVISORS (INCLUDING ATTORNEYS, ACCOUNTANTS AND EXPERTS) AND AFFILIATES (COLLECTIVELY THE "RELEASED PARTIES" AND INDIVIDUALLY A "RELEASED PARTY") FROM ANY AND ALL ACTIONS, CLAIMS, DEMANDS, CAUSES OF ACTION, JUDGMENTS, EXECUTIONS, SUITS, DEBTS, LIABILITIES, COSTS, DAMAGES, EXPENSES OR OTHER OBLIGATIONS OF ANY KIND AND NATURE WHATSOEVER, KNOWN OR UNKNOWN, DIRECT AND/OR INDIRECT, AT LAW OR IN EQUITY, WHETHER NOW EXISTING OR HEREAFTER ASSERTED (INCLUDING, WITHOUT LIMITATION, ANY OFFSETS, REDUCTIONS, REBATEMENT, CLAIMS OF USURY OR CLAIMS WITH RESPECT TO THE NEGLIGENCE OF ANY RELEASED PARTY), FOR OR BECAUSE OF ANY MATTERS OR THINGS OCCURRING, EXISTING OR ACTIONS DONE, OMITTED TO BE DONE, OR SUFFERED TO BE DONE BY ANY OF THE RELEASED PARTIES, IN EACH CASE, ON OR PRIOR TO THE ELEVENTH AMENDMENT EFFECTIVE DATE AND ARE IN ANY WAY DIRECTLY OR INDIRECTLY ARISING OUT OF OR IN ANY WAY CONNECTED TO ANY OF THIS AMENDMENT, THE CREDIT AGREEMENT, ANY OTHER LOAN DOCUMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (COLLECTIVELY, THE "RELEASED MATTERS"). THE BORROWER AND EACH OTHER LOAN PARTY, BY EXECUTION HEREOF, HEREBY ACKNOWLEDGES AND**

AGREES THAT THE AGREEMENTS IN THIS SECTION 5(h) ARE INTENDED TO COVER AND BE IN FULL SATISFACTION FOR ALL OR ANY ALLEGED INJURIES OR DAMAGES ARISING IN CONNECTION WITH THE RELEASED MATTERS.

B. References in this Agreement to the Administrative Agent are to ABC Agent in its capacity as contractual representative of the Lender Group. D. The Administrative Agent, the Collateral Agent, the Swap Counterparty and the Loan Parties desire to enter into this Agreement (i) to establish the relative priorities with respect to payment of the Obligations (defined below) and the Swap Obligations (defined below) and (ii) to have both the Swap Counterparty and the Administrative Agent appoint ABC Agent, and ABC Agent agree to serve, as the Collateral Agent for the benefit of the Creditors for the purposes of the holding of and the enforcement of Liens granted under the Collateral Documents.

In consideration of the recitals and the covenants and promises of this Agreement, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Collateral Agent, the Administrative Agent, the Swap Counterparty and the Loan Parties agree as follows:

Section 1.04. Terms Generally. References in this Agreement to Exhibits, Schedules, Annexes, Appendixes, Attachments, Articles, Sections, Recitals or clauses shall be to exhibits, schedules, annexes, appendixes, attachments, articles, sections, recitals or clauses of this Agreement, unless expressly stated to the contrary. References in this Agreement to "hereby," "herein," "hereinafter," "hereinabove," "hereinbelow," "hereof," "hereunder" and words of similar import shall be to this Agreement in its entirety and not only to the particular Exhibit, Schedule, Annex, Appendix, Attachment, Article, or Section in which such reference appears unless specifically stated otherwise. Exhibits and Schedules to any Loan Document or this Agreement shall be deemed incorporated by reference in such Loan Document or this Agreement, as applicable. References to any document, instrument, or agreement (a) shall include all exhibits, schedules, and other attachments thereto, and (b) shall include all documents, instruments, or agreements issued or executed in replacement thereof. This Agreement, for convenience only, has been divided into Articles and Sections; and it is understood that the rights and other legal relations of the parties hereto shall be determined from this instrument as an entirety and without regard to the aforesaid division into Articles and Sections and without regard to headings prefixed to such Articles or Sections. The phrases "this Section" and "this clause" and similar phrases refer only to the sections or clauses hereof in which such phrases occur. construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, real property, securities, accounts and general intangibles.

Section 1.05. Joint Preparation; Construction of Indemnities and Releases. **This Agreement, the Loan Documents and the Swap Documents have been reviewed and negotiated by sophisticated parties with access to legal counsel, and no rule of construction shall apply hereto or thereto which would require or allow this Agreement, any Loan Document or any Swap Document to be construed against any party because of its role in drafting such document. All indemnification and release of liability provisions of this Agreement shall be construed broadly (and not narrowly) in favor of the Persons receiving indemnification or releases of liability.**

ARTICLE II
NATURE OF OBLIGATIONS AND LIENS

Section 2.01. Obligations and Liens Pari Passu.

(a) Subject to the other terms and conditions of this Agreement, the Obligations shall be pari passu with the Swap Obligations. At the times and under the conditions described in Article IV, the Obligations and the Swap Obligations will be repaid Ratably with the proceeds of Collateral after the payment of expenses. Upon the execution of this Agreement, the Liens granted under the Collateral Documents that are in effect at the time of execution of this Agreement shall be in favor of the Collateral Agent for the benefit of the Creditors, to secure, Ratably, the Obligations and the Swap Obligations. Such Collateral Documents are in all substantive respects in the form approved by the Swap Counterparty.

(b) The Liens under the Collateral Documents shall be Permitted Liens and the Administrative Agent consents to the Loan Parties granting such Liens. The Swap Counterparty hereby acknowledges and consents to the Loan Parties' grants of Liens to the Administrative Agent in all rights of the Loan Parties under the Swap Documents, including all payments owing to the Loan Parties thereunder, notwithstanding any restrictions on assignment in any Swap Document.

(c) The Administrative Agent consents to the Loan Parties' entering into Commodity Hedging Transactions with the Swap Counterparty that constitute Acceptable Commodity Hedging Transactions. The Administrative Agent agrees and consents to the Swap Counterparty being a Secured Party (as defined in the Credit Agreement) with respect to Acceptable Commodity Hedging Transactions; provided, however, that the Administrative Agent may, by giving written notice to the Borrower and to the Swap Counterparty, elect to revoke the Swap Counterparty's status as a Secured Party for purposes of any Acceptable Commodity Hedging Transactions entered into beginning on the fifth (5^{th}) Business Day following the Borrower's and the Swap Counterparty's receipt (or deemed receipt pursuant to Section 5.09) of such notice. The Administrative Agent also agrees that in the event the Administrative Agent notifies the Borrower that the Borrower's entry into a Commodity Hedging Transaction would not constitute an Acceptable Commodity Hedging Transaction, then the Administrative Agent will also concurrently notify the Swap Counterparty of such determination.

(d) Without the prior written consent of the Administrative Agent, the Loan Parties and the Swap Counterparty shall not amend, supplement, delete or otherwise modify the Swap Counterparty Master Agreement or any provision thereof from the form presented to the Administrative Agent for its review prior to execution of this Agreement:

(i) if such action would result in a violation, or the creation of an obligation on the part of the Borrower to violate, the limitations on credit support set forth in Section 2.02 hereof;

(ii) such that the Threshold Amount (as defined in the Swap Counterparty Master Agreement) that is applicable to the Borrower would be anything other than a fixed dollar amount equal to or greater than $500,000; or

(iii) in a manner that changes or expands the events that constitute Events of Default or Additional Termination Events (each as defined in the Swap Counterparty Master Agreement) or otherwise have the effect of causing an event to have consequences similar to an Event of Default or Additional Termination Event.

Notwithstanding clauses (i) through (iii) preceding, if (1) the Swap Counterparty notifies the Administrative Agent that it and the Borrower propose an amendment, supplement, deletion or modification to the Swap Counterparty Master Agreement mandated by the regulatory requirements imposed by the Commodity Futures Trading Commission under the Dodd-Frank Wall Street Reform and Consumer Protection Act and (2) the Borrower's request for the Administrative Agent's consent to the proposed amendment, supplement, deletion or modification is accompanied by a legal opinion of counsel reasonably satisfactory to the Administrative Agent confirming to the Administrative Agent that such amendment, supplement, deletion or modification is legally required, then the Administrative Agent will not unreasonably withhold or delay its consent to any such amendment, supplement, deletion or modification.

(e) The amounts payable by the Loan Parties to each Creditor at any time under any of the Principal Agreements to which such Creditor is a party shall be separate and independent debts, and each Creditor shall be entitled to enforce any Right arising out of the applicable Principal Agreement to which it is a party, subject to the terms thereof and of this Agreement. Subject to clauses (h) and (i), both before and during an insolvency or liquidation proceeding, any Creditor may take any actions and exercise any and all rights that they would have as an unsecured creditor, including the commencement of an insolvency or liquidation proceeding against the Loan Parties in accordance with applicable law and the termination of any Principal Agreement in accordance with the terms thereof; provided, that if any Creditor becomes a judgment Lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Swap Obligations or the Obligations, as the case may be, such judgment Lien shall be subject to the terms of this Agreement for all purposes as the other Liens securing the Total Obligations are subject to this Agreement and the proceeds thereof shall be applied as provided in Section 4.02(b).

(f) Each Creditor hereby agrees that no Creditor shall have any right individually to realize upon any Liens granted under the Collateral Documents, it being understood

and agreed that such Rights may be exercised only by the Collateral Agent or the trustee under the Collateral Documents for the Ratable benefit of the Creditors.

(g) Each Acceptable Commodity Hedging Transaction at the time it is executed by the Borrower or other Loan Party and the Swap Counterparty shall be deemed to be acceptable under this Agreement if permitted under the Credit Agreement. The Swap Counterparty Master Agreement will be a "Secured Swap Agreement" under and as defined in the Guarantee and Collateral Agreement. The Swap Counterparty and the Loan Parties will enter into Commodity Hedging Transactions under the Swap Counterparty Master Agreement that will comply with the limitations set forth in the definition of Acceptable Commodity Hedging Transaction and any Commodity Hedging Transaction that does not comply with such limitations will not be secured by the Collateral. If a Commodity Hedging Transaction would otherwise be secured under the Collateral Documents but for a deviation from the criteria for "Acceptable Commodity Hedging Transactions" set forth in the definition hereof, and that deviation is consented to in writing and delivered via electronic mail to the Swap Counterparty in accordance with Section 5.09 by the Administrative Agent (with such approvals as may be required by the Credit Agreement), then such Commodity Hedging Transaction shall be secured by the Collateral Documents.

(h) Each Creditor hereby agrees that it shall not (and hereby waives any right to) contest, or support any other Person in contesting, in any proceedings (including any insolvency or liquidation proceedings), the priority, validity or enforceability of a Lien held by or on behalf of the Collateral Agent in any Collateral; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Collateral Agent or any Creditor to enforce this Agreement as provided herein.

(i) Each Lender and Swap Counterparty agrees that (i) it will not (and hereby waives any right to) challenge or question in any proceeding the validity or enforceability of any of the Total Obligations or any Collateral Document or the validity, attachment, perfection or priority of any Lien under any Collateral Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral by Collateral Agent in accordance with the terms of this Agreement, (iii) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against Collateral Agent or any other Creditor seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Collateral, and none of Collateral Agent or any other Creditor shall be liable for any action taken or omitted to be taken by Collateral Agent or Creditor, with respect to any Collateral in accordance with the provisions of this Agreement, (iv) it will not seek, and hereby waives any right, to have any Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (v) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided, that nothing in this Agreement shall be construed to prevent or impair the rights of any of Collateral Agent or any other Creditor to enforce this Agreement.

Section 2.02. Limitations on Separate Credit Support. The Swap Counterparty agrees that, without the prior written consent of the Administrative Agent, the Swap Counterparty will

not seek or accept credit support for any Swap Obligation or any other Commodity Hedging Transaction between the Loan Parties and the Swap Counterparty, including without limitation letters of credit, guarantees from any owner of the Loan Parties or any other Person, or Liens on any Property of the Loan Parties, other than the Rights of the Swap Counterparty under the Collateral Documents until after the full payment and cancellation of the Obligations.

Section 2.03. Release of Collateral; Authorization; Amendments to Loan Documents; Notice of Releases.

(a) Subject to the terms hereof and the Loan Documents, the Collateral Agent shall permit the Loan Parties to remain in possession and control of the Collateral, to operate the Collateral, and to collect, invest and dispose of any income thereon or therefrom.

(b) The Collateral Agent shall have the right from time to time to release Collateral from the Liens created by the Collateral Documents; provided that, subject to Section 5.04, the written consent of the Swap Counterparty shall be required for any release of Collateral (other than Permitted Dispositions) during any rolling 12-month period that, when aggregated with all other Oil and Gas Properties for which Lien releases have been granted within the immediately preceding 12-month period for which the Swap Counterparty did not grant its consent (other than Permitted Dispositions), have aggregate Collateral Value in excess of 10% of the aggregate Collateral Value of all Oil and Gas Properties of the Loan Parties. Notwithstanding anything to the contrary in this Agreement, and for the avoidance of doubt, the proceeds of a sale of Collateral occurring while no Triggering Event has occurred (or would result therefrom) shall be applied as required by the Loan Documents. Subject to Section 5.04, the Collateral Agent shall not, in connection with a Disposition, release any Collateral from Liens created by the Collateral Documents during the existence of a Triggering Event, except for Permitted Exceptions; provided, that all Parties acknowledge and agree that the proceeds of any Permitted Disposition that occurs during the existence of a Triggering Event shall constitute Proceeds and shall be applied in accordance with Section 4.02 hereof

(c) To the extent permitted by, and subject to the provisions of, the applicable Collateral Documents, (i) the Collateral Agent may, in its sole discretion and without the consent of the Creditors, take all actions it deems necessary or appropriate in order to enforce any of the terms of the Collateral Documents and (ii) the Collateral Agent shall have power to institute and to maintain such suits and proceedings as it may deem expedient (A) to prevent any impairment of the Collateral by any act that may be unlawful or in violation of the Principal Agreements, and (B) to preserve or protect its interests and the interests of the Creditors in the Collateral; provided, that, for the avoidance of doubt, the foregoing shall not be understood to grant the Collateral Agent any rights it does not have under the Credit Agreement and Collateral Documents (excluding this Agreement and any other Swap Intercreditor Agreement). Notwithstanding the above, the Collateral Agent may choose not to take any action authorized by this Section until it receives written direction from a Creditor.

(d) The Collateral Agent is authorized to receive any Proceeds for the benefit of the Creditors and to distribute such Proceeds to the Creditors in accordance with the provisions of this Agreement.

(e) The Collateral Agent shall, as soon as reasonably practicable after any release of the Collateral permitted by Section 2.03(b), notify the Swap Counterparty of such release giving full particulars with respect thereto; provided, however, that any failure of the Collateral Agent to comply with the requirements of this sentence shall not give rise to any breach of contract claim against the Collateral Agent, the Administrative Agent or any Lender or result, directly or indirectly, in any liability being imposed on the Collateral Agent, the Administrative Agent or any Lender in connection therewith.

(f) The Lender Group may enter into any increase, amendment, modification or supplement to any Loan Document (other than (x) the Collateral Documents, unless permitted by clause (g) below and (y) Section 2.12(f) of the Credit Agreement in a manner adverse to the Swap Counterparty), enter into new or additional credit facilities with the Loan Parties, or grant any waiver, consent, release, indulgence, extension or renewal with respect to any Loan Document (other than the Collateral Documents, unless permitted by clause (g) below) or such new or additional credit facilities ("**Credit Agreement Modifications**"), and such Credit Agreement Modifications shall be deemed accepted by the Swap Counterparty and the Loan Parties for the purposes of the Swap Counterparty Master Agreement with respect to those provisions of the Loan Documents (other than the Collateral Documents, unless permitted by clause (g) below) incorporated by reference in the Swap Counterparty Master Agreement. The Administrative Agent shall, as soon as reasonably practicable after entering into any amendment, modification or supplement to the Credit Agreement or any Collateral Document, notify the Swap Counterparty and provide the Swap Counterparty with a copy of such amendment, modification or supplement; provided, however, that any failure of the Administrative Agent to comply with the requirements of this sentence shall not impact the validity of such amendment, modification or supplement, give rise to any breach of contract claim against the Administrative Agent or any Lender or result, directly or indirectly, in any liability being imposed on the Administrative Agent or any Lender in connection therewith.

(g) The Collateral Agent may enter into any amendment, modification or supplement to any of the Collateral Documents, unless the effect of such amendment would be to (i) change the priority of or subordinate the Liens created thereby, except to the extent the Administrative Agent is permitted to do so under the Credit Agreement, (ii) materially modify any remedy provided for therein if adverse to the Swap Counterparty, (iii) materially reduce or diminish the benefits of all or substantially all of the security provided for in the Collateral Documents, except to the extent the Administrative Agent is permitted to do so under the Credit Agreement, or (iv) otherwise have any material detrimental effect on the Swap Counterparty's rights and obligations under this Agreement.

(h) Within two (2) Business Days of each date on which (i) the outstanding Exposure of the Loan Parties under the Swap Documents exceeds (and continues to exceed) $100,000,000 or (ii) BP Corporation North America Inc.'s credit rating falls to lower than Baa3 as listed by Moody's Investors Service, Inc. or BBB- as listed by Standard & Poor's Corporation, the Swap Counterparty shall (a) furnish written notice to the Collateral Agent and the Administrative Agent of such occurrence, including in such notice the aggregate amount of Exposure then in existence, (b) negotiate in good faith with the Loan Parties and the Administrative Agent to provide additional credit support for the Swap Counterparty's existing and future potential Exposure and other obligations under the Swap Documents in addition to the guaranty

of BP Corporation North America Inc. being executed and delivered contemporaneously with this Agreement and (c) cause to be furnished to the Loan Parties and the Administrative Agent within two (2) Business Days of the occurrence of an event specified in clause (i) or (ii) preceding such additional credit support.

Section 2.04. Hedge Reports. Borrower hereby agrees that Swap Counterparty may provide to the Administrative Agent from time to time, and the Swap Counterparty hereby agrees to provide or otherwise make available (which may be via access to an online portal containing the daily mark to market information of Borrower) to the Administrative Agent within five Business Days following such request, a report of the marked-to-market positions of the various transactions in effect from time to time under the relevant Swap Counterparty Master Agreement. Borrower hereby irrevocably consents and agrees that the Swap Counterparty may provide or otherwise make available to the Administrative Agent, its successors and assigns such reports, confirmations and mark to market information as contemplated above, including, without limitation, by granting the Administrative Agent access to an online portal that reflects the daily mark to market information of Borrower.

Section 2.05. Consent to Disclosures. The Loan Parties hereby consent to Creditors' disclosure to each other of any confidential information relating to the Loan Parties that has been provided to any Creditor by or for the benefit of the Loan Parties, notwithstanding any confidentiality agreement between the Loan Parties and any Creditor that might otherwise limit or prohibit such disclosure; provided that the receiving Creditor agrees to treat such information as confidential in accordance with the terms of Section 10.17 of the Credit Agreement.

Section 2.06. Refinancing. The Swap Counterparty consents to any Refinancing of the Credit Agreement and the indebtedness thereunder; provided that the holders of such Refinancing debt (or an agent on their behalf) bind themselves in writing to the terms of this Agreement, and provided further that any such Refinancing shall require the prior written consent of the Swap Counterparty if, on the date of such Refinancing, such Refinancing causes the aggregate principal amount outstanding under the Credit Agreement (after giving effect to such Refinancing) to exceed 85% of the aggregate present value of the future net income with respect to proved and producing reserves attributable to the Oil and Gas Properties of Borrower and its Subsidiaries as set forth in the most recently provided Reserve Report, discounted at a 9% per annum discount rate, thus causing a material reduction in the value of the Collateral, security or credit support available to the Swap Counterparties, while Swap Obligations are still in effect or outstanding hereunder, unless Borrower (i) delivers pari passu first lien replacement security (unencumbered, except for liens and encumbrances permitted by the Credit Agreement) to be shared ratably by the Creditors under and in accordance with this Agreement, having a value and terms and conditions reasonably acceptable to the Swap Counterparty, or (ii) provides the Swap Counterparty with replacement security sufficient in form, amount and for a term reasonably acceptable to the Swap Counterparty.

ARTICLE III
COLLATERAL AGENT

Section 3.01. Appointment of the Collateral Agent. Each Creditor hereby designates the Collateral Agent to act as the contractual representative for the Creditors, to hold and enforce the Liens under the Collateral Documents for the benefit of the Creditors and take certain other actions

as permitted by the Collateral Documents and this Agreement. Each Creditor hereby authorizes the Collateral Agent to take such action on its behalf under the provisions of this Agreement and the Collateral Documents and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to it hereunder or under any Collateral Document or required of the Collateral Agent by the terms hereof or thereof and such other powers as are reasonably incidental thereto. The Collateral Agent may perform any of its duties hereunder by or through its affiliates, agents or employees and the exculpatory and indemnification provisions in this Agreement and the Collateral Documents shall apply to any such affiliate, agent or employee. The Collateral Agent agrees to act as the Collateral Agent upon the express terms and conditions contained herein.

Section 3.02. Nature of Duties of the Collateral Agent. The Collateral Agent shall have no duties or responsibilities, except those expressly set forth in this Agreement, the Credit Agreement, or the Collateral Documents. The Collateral Agent shall have and may exercise such powers hereunder and under the Collateral Documents as are specifically delegated to the Collateral Agent by the terms hereof, together with such powers as are reasonably incidental thereto. Neither the Collateral Agent nor any of its affiliates, directors, officers, employees or agents (each, a "**Protected Party**") shall be liable to the Creditors for any damages caused by any action taken or omitted by any Protected Party hereunder or under the Collateral Documents (**INCLUDING THOSE DAMAGES CAUSED BY THE SOLE NEGLIGENCE, COMPARATIVE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR CONCURRENT NEGLIGENCE OF ANY PROTECTED PARTY**), unless caused solely by the gross negligence or willful misconduct of the Protected Party seeking protection under this Section 3.02. The duties of the Collateral Agent shall be mechanical and administrative in nature; and the Collateral Agent, in its capacity as such, shall not have by reason of this Agreement or the Collateral Documents a fiduciary relationship in respect of any Creditor. Nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon the Collateral Agent any duties or obligations in respect of this Agreement and the Collateral Documents except as expressly set forth herein. Other than its duties expressly provided herein or in the Collateral Documents, Collateral Agent shall have no implied duties to Creditors or the Loan Parties under or in connection with this Agreement and no implied duties as to any Property belonging to the Borrower (whether or not the same constitutes Collateral), whether such Property is in Collateral Agent's possession or control or in the possession or control of any of its agents or nominees, or any income thereon or as to the preservation of Rights against prior parties or any other rights pertaining thereto or available at law or otherwise. Collateral Agent shall have the same Rights hereunder as any other Creditor and may exercise the same as though it were not performing the duties specified herein. The Person serving as Collateral Agent may engage in any kind of other business with the Loan Parties or any of the Loan Parties' affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the Loan Parties and such other Persons in connection with this Agreement or any Principal Agreement, and otherwise, without having to account for the same to the other Creditors except as specified herein.

Section 3.03. Lack of Reliance on the Collateral Agent.

(a) Independently and without reliance upon the Collateral Agent or any other Creditor, each Creditor represents to the Collateral Agent and each of the other Creditors that, as of the date of this Agreement, such Creditor has made (i) its own independent investigation of the

financial condition and affairs of the Loan Parties based on such documents and information as it has deemed appropriate in connection with the taking or not taking of any action in connection herewith, and (ii) its own appraisal of the creditworthiness of the Loan Parties. Each Creditor also acknowledges that it will, independently and without reliance upon the Collateral Agent or any other Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement or the Collateral Documents. Except as expressly provided in this Agreement, the Collateral Agent shall have no duty or responsibility, either initially or on a continuing basis, to provide any Creditor with any credit or other information concerning the affairs, financial condition or business of the Loan Parties which may come into the possession of the Collateral Agent or any of its affiliates whether now in its possession or in its possession at any time or times hereafter; and the Collateral Agent shall not be required to keep itself informed as to the performance or observance by the Loan Parties of this Agreement, any Collateral Document or any other document referred to or provided for herein or to inspect the Properties or books of the Loan Parties.

(b) The Collateral Agent shall not (i) be responsible to any Creditor for any recitals, statements, information, representations or warranties herein, in any Collateral Document, or in any document, certificate or other writing delivered in connection herewith or therewith or for the execution, effectiveness, genuineness, validity, enforceability, collectability, priority or sufficiency of this Agreement or the Collateral Documents or the financial condition of the Loan Parties; or (ii) be required to make any inquiry concerning (a) the performance or observance by others of any of the terms, provisions or conditions of this Agreement or the Collateral Documents, including the content of notices, opinions, certificates and directions given under this Agreement or the Collateral Documents, (b) the financial condition of the Loan Parties, or (c) the existence or possible existence of any "default" or "event of default" under the Principal Agreements. To the extent the Collateral Agent receives any written notice of default provided to the Loan Parties by the Administrative Agent, it shall promptly provide a copy of the same to the Swap Counterparty but shall in no event have any liability to the Swap Counterparty for any failure to so provide such notice.

Section 3.04. Certain Rights of the Collateral Agent. If the Collateral Agent shall request instructions from the Creditors with respect to any act or action (including the failure to act) in connection with this Agreement or the Collateral Documents, the Collateral Agent shall be entitled to refrain from such act or taking such action unless and until the Collateral Agent shall have received written instructions from any Creditor or Creditors pursuant to the terms hereof; and the Collateral Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Creditor shall have any right of action whatsoever against the Collateral Agent as a result of the Collateral Agent acting or refraining from acting under this Agreement or the Collateral Documents in accordance with the written instructions given in accordance with this Agreement, and such instructions and any action taken or failure to act pursuant thereto shall be binding on all the Creditors. The Collateral Agent shall be fully justified in failing or refusing to take any action hereunder or under the Collateral Documents unless it shall first be indemnified to its satisfaction by the Creditors against any and all liability and expense which may be incurred by the Collateral Agent by reason of taking or continuing to take any such action. Notwithstanding any other provision of this Article III or any indemnity or instructions provided by any or all of the Creditors, the Collateral Agent shall not be required to take any action which, in the reasonable belief of the Collateral Agent, exposes the Collateral Agent to personal liability or which, in the

reasonable belief of the Collateral Agent, is contrary to this Agreement, the Collateral Documents or applicable law.

Section 3.05. Reliance by the Collateral Agent. The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, statement, certificate or telecopier message, cablegram, radiogram, facsimile transmission, e-mail, order or other documentary, teletransmission or telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper Person. The Collateral Agent may consult with legal counsel, accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts.

Section 3.06. Creditors as Owners. The Collateral Agent may deem and treat each Creditor as the owner of its portion of the Total Obligations as described herein for all purposes hereof unless and until the Collateral Agent is notified of a change in Creditors.

Section 3.07. Successor Collateral Agent.

(a) Collateral Agent shall not be subject to removal by Creditors or the Loan Parties; provided that if the Person serving as Administrative Agent is replaced as Administrative Agent under the Credit Agreement, the Person serving as replacement Administrative Agent shall automatically and without further action or consent by the Loan Parties or the Swap Counterparty become Collateral Agent under this Agreement. The Collateral Agent may resign at any time by giving 30 days prior written notice thereof to the Creditors and the Borrower. Following any such notice of resignation, the resigning Collateral Agent shall have the right to appoint a successor Collateral Agent, subject to the consent of the Swap Counterparty to the appointee (which consent shall not be unreasonably withheld, conditioned or delayed). If within 30 days after the retiring Collateral Agent's giving of notice of resignation, no successor Collateral Agent shall have been so appointed by the resigning Collateral Agent which has accepted such appointment, then the Swap Counterparty may, in its sole discretion, appoint a successor Collateral Agent.

(b) Upon the acceptance of any appointment as the Collateral Agent hereunder by a successor Collateral Agent, such successor Collateral Agent shall thereupon succeed to and become vested with all the Rights and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties under this Agreement. After any retiring Collateral Agent's resignation hereunder as the Collateral Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Collateral Agent under this Agreement.

Section 3.08. Employment of Collateral Agent and Counsel. The Collateral Agent may execute any of its duties as the Collateral Agent hereunder or under the Collateral Documents by or through employees, agents, and attorneys-in-fact and shall not be answerable to the Creditors for the default or misconduct of any such employees, agents or attorneys-in-fact reasonably selected by it in good faith unless such default or misconduct is a direct result of the gross negligence or willful misconduct of the Collateral Agent in monitoring the activities of such employees, agents or attorneys-in-fact; provided that the Collateral Agent shall always be obligated to account for moneys or securities received by it or its authorized agents. The Collateral

Agent shall be entitled to advice of independent legal counsel concerning all matters pertaining to the collateral agency hereby created and its duties hereunder or under the Collateral Documents.

Section 3.09. Limitation on Liability of the Creditors and the Collateral Agent. The Creditors and the Collateral Agent shall not be deemed, as a result of the execution and delivery of the Collateral Documents or the consummation of the transactions contemplated by this Agreement and the Collateral Documents, to have assumed any obligation of the Loan Parties with respect to the Collateral or any liability under or with respect to any of the contracts, agreements, leases, instruments or documents which are, or which may hereafter be, assigned to the Collateral Agent for the benefit of the Creditors.

ARTICLE IV
ELECTION TO PURSUE REMEDIES; PROCEEDS

Section 4.01. Procedures Regarding Remedies.

(a) Upon the occurrence and during the continuance of any Triggering Event, the Collateral Agent shall, upon the request of any of the Accelerated Creditors specifying the particular actions being requested by such Accelerated Creditor, and subject to the other provisions of this Agreement, commence to take, or direct the appropriate trustee or agent to take, those requested actions provided for in the Collateral Documents relating to the pursuit of remedies; provided, that the Swap Counterparty shall not have the right to require Collateral Agent to realize on any Liens or take any enforcement actions granted pursuant to the Collateral Documents until, if the amount of Swap Obligations owing to the Swap Counterparty is equal to or greater than fifty percent (50%) of the Total Obligations, the 45th day after a Triggering Event of the type referred to in clause (i) of the definition of Triggering Event shall have occurred (the "**Standstill Period**") and provided further that such Triggering Event shall be continuing on such date and the Collateral Agent shall not have diligently commenced exercise of remedies on such date; provided further that, to the extent the amount of Swap Obligations owing to the Swap Counterparty is equal to or greater than seventy-five percent (75%) of the Total Obligations, the Swap Counterparty will not be subject to the Standstill Period and may immediately request the Collateral Agent to take actions as provided in this Section 4.01. For the avoidance of doubt, the Swap Counterparty shall not have the right to require Collateral Agent to realize on any Liens or take any enforcement actions granted pursuant to the Collateral Documents if the amount of Swap Obligations owing to the Swap Counterparty is less than fifty percent (50%) of the Total Obligations.

(b) The Loan Parties and the Creditors agree that upon the occurrence of a Triggering Event, all payments made to any Creditor by the Loan Parties shall be shared by all Creditors in accordance with Section 4.02.

(c) Each Creditor agrees: (i) to deliver to each other Creditor, as applicable, at the same time it makes delivery to the Borrower, a copy of any (A) notice declaring the occurrence of an Event of Default under any Loan Documents, (B) notice declaring the occurrence of an Event of Default (as defined in the Swap Documents) or Termination Event (as defined in the Swap Documents) under any Swap Documents, (C) notice of intent to accelerate or notice of acceleration of the Loan Parties' obligations, or (D) notice of the designation of an Early Termination Date (as defined in the Swap Documents) with respect to any Swap Obligation; (ii) to deliver to each other

Creditor, at the same time it makes delivery to any other Person, a copy of any notice of the commencement of any judicial proceeding and a copy of any other notice with respect to the exercise of remedies with respect to any of the Total Obligations; and (iii) deliver the Early Termination Amount (as defined in the Swap Documents). Any failure by a party hereto to furnish a copy under this clause (c) shall not limit or affect the rights and obligations hereunder.

(d) Each of the Swap Counterparty and the Collateral Agent hereby agrees that it shall endeavor to furnish the Borrower with a copy of any notice provided or received, as applicable, by it pursuant to clause (i) of the definition of Triggering Event. Each of the Borrower and the Administrative Agent hereby agrees that it shall endeavor to furnish the Swap Counterparty with a copy of any notice received or provided, as applicable, by it pursuant to clause (ii) of the definition of Triggering Event. Any failure by a party hereto to furnish a copy under this clause (d) shall not limit or affect the rights and obligations hereunder.

(e) The Borrower hereby agrees that the Swap Counterparty may provide to the Administrative Agent from time to time, and the Swap Counterparty hereby agrees to provide to the Administrative Agent within three (3) Business Days following the Swap Counterparty's receipt of a written request therefor from the Administrative Agent, a report of the marked-to-market positions of the various transactions in effect from time to time under the Swap Documents. Any unintentional failure by the Swap Counterparty to timely furnish information required under this clause (e) shall not limit or affect the parties' rights and obligations hereunder.

(f) In the event that the Liens created under the Collateral Documents conflict with the Liens created under other security documents in favor of or for the benefit of the Administrative Agent, the Liens created under the Collateral Documents shall have priority.

(g) Collateral Agent shall not be obligated to follow any instructions of any Accelerated Creditor if Collateral Agent determines, in its sole and absolute discretion, that: (i) such instructions conflict with the provisions of this Agreement, any Principal Agreement, any Collateral Document or any Governmental Requirement, (ii) such instructions are ambiguous, inconsistent, in conflict with other instructions (whether from the same or another Accelerated Creditor) or otherwise insufficient to direct the actions of Collateral Agent; provided that Collateral Agent explains the grounds for a refusal, or (iii) Collateral Agent has not been adequately indemnified to its satisfaction (including indemnity from the Accelerated Creditors in accordance with the Ratable amounts of Total Obligations owing to them). Collateral Agent shall have the right, in its discretion, to take any action authorized under this Agreement or the Collateral Documents, to the extent that such action is not prohibited by the terms hereof or thereof, which it deems proper and consistent with the instructions given by any Accelerated Creditor as provided for herein or otherwise in the best interest of Creditors. In the absence of written instructions from any Accelerated Creditor for any particular matter, Collateral Agent shall have no duty to take or refrain from taking any action unless such action or inaction is explicitly required by the terms of this Agreement or any Governmental Requirement. Collateral Agent shall have no duty with respect to a Triggering Event unless it has received written notice from an Accelerated Creditor that a Triggering Event has occurred.

(h) The Collateral Agent shall cease to comply with any direction by a Swap Counterparty pursuant to this Section 4.01 if (i) the Triggering Event under the Swap Documents

of such Swap Counterparty has been cured or waived or (ii) the amounts owed by Borrower to such Swap Counterparty under Acceptable Commodity Hedging Transactions have been paid in full or otherwise discharged.

Section 4.02. Proceeds.

(a) The Creditors hereby agree between themselves that (i) prior to the occurrence of a Triggering Event, each Creditor shall be entitled to receive and retain for its own account, and shall never be required to disgorge to the Collateral Agent or any other Creditor hereunder or acquire direct or participating interests in the Obligations or the Swap Obligations, as the case may be, owing to such Creditor, scheduled payments or voluntary prepayments, payments for the redemption or purchase of principal, interest, fees and premium, if any, settlement payments and any other payments in respect of the Principal Agreements or Credit Agreement Modifications, all in compliance with the terms thereof, and (ii) upon the occurrence and during the continuance of a Triggering Event, all such amounts received by any Creditor after a Triggering Event shall constitute Proceeds, shall be turned over to the Collateral Agent, and shall be shared by the Creditors, Ratably, and in accordance with Section 4.02(b) below; provided, however, and for the avoidance of doubt, if the Administrative Agent grants its consent for any letter of credit pursuant to Section 2.02, the Swap Counterparty shall not be obligated to hold in trust, pay over or share with the Administrative Agent any portion of the proceeds of any such letter of credit.

(b) All Proceeds received by the Collateral Agent during the existence of a Triggering Event shall be applied in accordance with this Section 4.02. To the extent any Creditor ever receives any portion of such Proceeds in excess of its Ratable share (or to the extent the Collateral Agent receives reimbursement in excess of expenses actually incurred), the party receiving those excess Proceeds agrees to promptly make all necessary transfers so as to give full effect to this Section 4.02. All Proceeds received by the Collateral Agent during the existence of a Triggering Event shall be applied in the following order:

(i) ***First***, to reimburse the Collateral Agent for expenses in accordance with Section 5.01;

(ii) ***Second***, Ratably, to the Administrative Agent in respect of amounts owing to the Lender Group and to the Swap Counterparty until the Total Obligations are fully satisfied; and

(iii) ***Third***, to the extent that any Proceeds remain, to the Borrower or as otherwise required by applicable law.

Section 4.03. Notice of Amount of Indebtedness. Upon receipt of any Proceeds to be distributed pursuant to Section 4.02, the Collateral Agent shall give the Creditors notice thereof, and each Creditor (or its representative) shall, within three (3) Business Days, notify the Collateral Agent of the amount of the Total Obligations owing to it. Such notification shall state the amount of the Total Obligations owing to it and how much is then due and owing. If requested by the Collateral Agent, each Creditor (or its representative) shall demonstrate that the amounts set forth in its notice are actually owing to such Creditor to the reasonable satisfaction of the Collateral Agent. Notwithstanding the foregoing, the Collateral Agent may conclusively rely on information

in such notices without any investigation. In the event that any Creditor fails to timely notify the Collateral Agent of the amount of the Total Obligations owed to it, the Collateral Agent shall distribute such Proceeds on any basis deemed reasonable by it and not in bad faith.

Section 4.04. Additional Swap Counterparties. The Swap Counterparty hereby agrees to execute and deliver any amended or restated version of this Agreement that is executed by the Loan Parties, the Administrative Agent, the Collateral Agent and any other counterparty to a Secured Swap Agreement (under and as defined in the Collateral Documents) which provides for Acceptable Commodity Hedging Transactions that are agreed to by the Administrative Agent as being secured obligations under the Collateral Documents.

ARTICLE V
MISCELLANEOUS

Section 5.01. Expenses. The Lenders and the Swap Counterparty shall each bear their Ratable share of any reasonable expenses incurred by the Collateral Agent in taking action on behalf of the Creditors in connection with its investigation, evaluation or enforcement of any Rights under the Collateral Documents or the performance of its duties under this Agreement or under any of the Collateral Documents, but only to the extent Collateral Agent does not receive reimbursement for such expenses from the Loan Parties or from Proceeds within 30 days after such expenses are invoiced; provided, that, to the extent any Creditor reimburses Collateral Agent for such expenses, such Creditor will be entitled to receive its Ratable share of any reimbursement subsequently received by Collateral Agent from the Loan Parties or from Proceeds.

Section 5.02. Limitation of Collateral Agent Liability; Indemnification of the Collateral Agent. Neither the Collateral Agent nor any of its representatives shall (i) be liable for any action taken or omitted to be taken by it or them hereunder or under the Collateral Documents in good faith and reasonably believed by it or them to be within the discretion or power conferred upon it or them by this Agreement and the Collateral Documents or (ii) be responsible for the consequences of any error of judgment, except to the extent arising solely from its gross negligence or willful misconduct. The Collateral Agent shall not be responsible in any manner to any other party for the effectiveness, enforceability, genuineness, validity or the due execution of the Collateral Documents or for any representation, warranty, document, certificate, report or statement made in or in connection with the Collateral Documents or be under any obligation to any other party to ascertain or inquire as to the performance or observation of any of the terms, covenants or conditions of any of the Loan Documents or the Swap Documents on the part of the Borrower. The Lenders and the Swap Counterparty agree to Ratably reimburse and indemnify the Collateral Agent and its affiliates, directors, officers, employees and agents (each an "**Indemnified Party**") on a current basis and hold the indemnified parties harmless on a current basis from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, reasonable expenses, and reasonable disbursements of any kind or nature whatsoever which may be imposed on, asserted against or incurred by any Indemnified Party in any way relating to or arising out of this Agreement or the Collateral Documents or any action taken or omitted by an Indemnified Party under this Agreement or the Collateral Documents, **INCLUDING ANY SUCH LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, REASONABLE EXPENSES AND REASONABLE DISBURSEMENTS ARISING OUT OF THE SOLE, CONCURRENT, CONTRIBUTORY**

OR COMPARATIVE NEGLIGENCE OF ANY INDEMNIFIED PARTY, except to the extent the same results solely from the gross negligence or willful misconduct of such Indemnified Party. The provisions of this Section shall survive the termination of this Agreement, whether in whole or in part.

Section 5.03. Limitation of Liability. The Swap Counterparty (including any individual partner, member, director, employee or agent of the Swap Counterparty) shall not incur any liability under this Agreement to the Loan Parties except for liabilities arising from the Swap Counterparty's gross negligence or willful misconduct, as determined by a court of competent jurisdiction. This Agreement is intended to benefit only Collateral Agent and the Creditors, and neither the Loan Parties nor any other Person shall have any rights hereunder or be entitled to claim any damages or defenses on account hereof from or against Collateral Agent or any Creditor (or any affiliate of Collateral Agent or any Creditor).

Section 5.04. Term.

(a) This Agreement shall terminate upon (i) the full payment of the Swap Obligations due and owing to the Swap Counterparty and the delivery by the Loan Parties of a written notice to the Swap Counterparty following such payment that the Loan Parties is terminating the Swap Counterparty Master Agreement; (ii) payment in full of all Obligations (other than indemnity obligations and similar obligations that survive the termination of the Credit Agreement for which no notice of a claim has been received by the Administrative Agent) under the Credit Agreement or (iii) the execution and delivery of a written termination notice signed by each of the parties; provided that if at any time any payment of the Total Obligations is rescinded or must be restored or returned upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, the obligations of the Borrower and the Rights of the Creditors under this Agreement, with respect to that payment, shall be reinstated as though the payment had been due but not made at that time. The Swap Counterparty agrees that the Loan Parties may terminate the Swap Counterparty Master Agreement by providing written notice to the Swap Counterparty at any time that there are no outstanding Commodity Hedging Transactions or payment obligations for any Commodity Hedging Transactions thereunder, irrespective of whether the Loan Parties has that express right under the terms of the Swap Counterparty Master Agreement. For purposes of the preceding clause (i), the Collateral Agent or the Borrower may request in writing that the Swap Counterparty confirm the termination of the Swap Counterparty Master Agreement. The Swap Counterparty shall have ten (10) Business Days from the date the notice is deemed given pursuant to Section 5.09 in which to either confirm in writing such termination or provide a written notice to the Collateral Agent and the Borrower of the total amount of outstanding Swap Obligations claimed in good faith by the Swap Counterparty. If the Swap Counterparty does not provide any notice within the 10 Business Day period, or if notice is provided of outstanding Swap Obligations and those obligations are paid in full, the Swap Counterparty Master Agreement will be deemed terminated for purposes of the preceding clause (i).

(b) If Borrower has issued to the Swap Counterparty a letter of credit or other credit support as credit support replacement for the Collateral Documents then securing such Swap Counterparty (such letter of credit or other credit support to be in form and substance and in an amount and from an issuing bank reasonably satisfactory to the Swap Counterparty) to secure payment of all Swap Obligations owing the Swap Counterparty, such Person shall cease to be a

Swap Counterparty for all purposes of this Agreement and the Collateral Documents and such Swap Obligations and the Swap Documents of the Swap Counterparty shall cease to be secured by the Collateral Documents.

Section 5.05. Survival of Rights. All of the respective Rights and interests of the Creditors under this Agreement (and the respective obligations and agreements of the Creditors under this Agreement), shall remain in full force and effect regardless of:

(a) any lack of validity or enforceability of any of the Loan Documents, the Swap Documents or any other agreement or instrument related thereto; or

(b) any other circumstance which might otherwise constitute a defense available to, or discharge of, the Loan Parties with respect to the Obligations or the Swap Obligations (other than the defense that such obligations have been fully satisfied).

Section 5.06. Representations and Warranties. Each of the Loan Parties and the Swap Counterparty represents and covenants to each other and to the Collateral Agent that as of the date of its entry into any Commodity Hedging Transactions it will be, an "Eligible Contract Participant" as defined in 7 U.S.C. § 1a(18). ABC Agent, as the Administrative Agent and as the Collateral Agent, and the Swap Counterparty each represent and warrant to the other that:

(a) neither the execution and delivery of this Agreement nor its performance of or compliance with the terms and provisions hereof will conflict with, or result in a breach of the terms, conditions or provisions of, or constitute a default under, any other agreement to which it is now subject;

(b) it has all requisite authority to execute, deliver and perform its obligations under this Agreement; and

(c) this Agreement constitutes its legal, valid, and binding obligation, enforceable against it in accordance with its terms, subject only to applicable bankruptcy, insolvency or similar laws and general principles of equity.

Section 5.07. Further Assurances. The Administrative Agent and the Swap Counterparty each covenant that, as long as this Agreement remains in effect, it will execute and deliver any and all other instruments reasonably requested by the other to give effect to the terms and conditions of this Agreement.

Section 5.08. Assignment; Agreement Binding on Successors and Assigns. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of each Creditor and its respective successors and permitted assigns. The terms and provisions of this Agreement shall not inure to the benefit of, nor be relied upon by, the Borrower or its successors or assigns. The Swap Counterparty shall not assign, transfer or sell any part of its portion of the Total Obligations without the prior written consent of the Administrative Agent in its sole and absolute discretion. For purposes of the immediately preceding sentence, a change of control of the Swap Counterparty or a merger by the Swap Counterparty with another entity shall not constitute an assignment of the Swap Counterparty's portion of the Total Obligations. This Agreement, the

Loan Documents and the Obligations may be assigned at any time to any Person(s) without the consent of the Swap Counterparty.

Section 5.09. Notice. Unless otherwise provided, any consent, request, notice, or other communication under or in connection with this Agreement must be in writing to be effective and shall be deemed to have been given (a) if sent by a nationally recognized overnight delivery service using its overnight delivery option (e.g., Federal Express, UPS or the United States postal service), on the Business Day after it is enclosed in an envelope and properly addressed, stamped and deposited with such delivery service, (b) if by other form of mail, on the third Business Day after it is enclosed in an envelope and properly addressed, stamped, sealed, certified return receipt requested, and deposited in the appropriate official postal service, or (c) if by courier, electronic transmissions, or facsimile transmission, when actually delivered. Until changed by a subsequent notice delivered in accordance with this Section, notices for each party are to be directed to:

Section 5.12. Invalid Provisions. If any part of this Agreement is for any reason found to be unenforceable, all other portions nevertheless remain enforceable. However, if the provision held to be unenforceable is a material part of the Agreement, such unenforceable provision may, to the extent permitted by law, be replaced by a clause or provision judicially construed and interpreted to be as similar in substance and content to the original terms of such provision as the context would reasonably allow, so that such clause or provision would thereafter be enforceable.

Section 5.13. Multiple Counterparts. This Agreement may be executed in any number of counterparts with the same effect as if all signatories had signed the same document, and will be effective upon the execution of one or more counterparts hereof by each of the parties hereto. ARTICLE II
NATURE OF OBLIGATIONS AND LIENS

Section 2.01. Obligations and Liens Pari Passu.

(a) Subject to the other terms and conditions of this Agreement, the Loan Obligations ~~shall be pari passu with~~and the Swap Obligations shall be secured on a first priority, *pari passu* basis by the Liens on the Collateral granted to the Collateral Agent under the Collateral Documents. At the times and under the conditions described in Article IV, the Loan Obligations and the Swap Obligations will be repaid Ratably with the proceeds of Collateral after the payment of expenses. Upon the execution of this Agreement, the Liens granted under the Collateral Documents that are in effect at the time of execution of this Agreement shall be in favor of the Collateral Agent for the benefit of the Creditors, to secure, Ratably, the Loan Obligations and the Swap Obligations. Such Collateral Documents are in all substantive respects in the form approved by the Swap Counterpart~~y~~ies.

(b) The Liens under the Collateral Documents shall be Permitted Liens and the Administrative Agent consents to the Loan Parties granting such Liens. The Swap Counterpart~~y~~ies hereby acknowledge~~s~~ and consent~~s~~ to the Loan Parties' grants of Liens to the Administrative Agent in all rights of the Loan Parties under the Swap Documents, including all payments owing to the Loan Parties thereunder, notwithstanding any restrictions on assignment in any Swap Document.

(c) The Administrative Agent consents to the Loan Parties' entering into the Swap Counterparty Master Agreements and Commodity Hedging Transactions with ~~the~~each Swap Counterparty, that constitutes Acceptable Commodity Hedging Transactions. The Administrative Agent agrees and consents to ~~the~~each Swap Counterparty being a Secured Party (as defined in the ~~Credit~~Guarantee and Collateral Agreement) with respect to Acceptable Commodity Hedging Transactions; provided, however, that the Administrative Agent may, by giving written notice to the Borrower and to the applicable Swap Counterparty, elect to revoke ~~the~~such Swap Counterparty's status as a Secured Party for purposes of any Acceptable Commodity Hedging Transactions entered into beginning on the fifth (5th) Business Day following the Borrower's and ~~the~~such Swap Counterparty's receipt (or deemed receipt pursuant to Section 5.09) of such notice. The Administrative Agent also agrees that in the event the Administrative Agent notifies the Borrower that the Borrower's entry into a Commodity Hedging Transaction would not constitute an Acceptable Commodity Hedging Transaction, then the Administrative Agent will also concurrently notify ~~the~~such Swap Counterparty of such determination.

(d) Without the prior written consent of the Administrative Agent, the Loan Parties and ~~the~~each Swap Counterparty shall not amend, supplement, delete or otherwise modify ~~the~~any Swap Counterparty Master Agreement or any provision thereof from the form presented to the Administrative Agent for its review prior to execution of this Agreement:

(i) if such action would result in a violation, or the creation of an obligation on the part of the Borrower to violate, the limitations on credit support set forth in Section 2.0~~2~~3 ~~hereof~~;

(ii) such that the Threshold Amount (as defined in the applicable Swap Counterparty Master Agreement) that is applicable to the Borrower would be anything other than a fixed dollar amount equal to or greater than $500,000; or

(iii) in a manner that changes or expands the events that constitute Events of Default or Additional Termination Events (each as defined in the Swap Counterparty Master Agreements) or otherwise have the effect of causing an event to have consequences similar to an Event of Default or Additional Termination Event.

Notwithstanding clauses (i) through (iii) preceding, if (1) ~~the~~any Swap Counterparty notifies the Administrative Agent that it and the Borrower propose an amendment, supplement, deletion or modification to ~~the~~any Swap Counterparty Master Agreement mandated by the regulatory requirements imposed by the Commodity Futures Trading Commission under the Dodd-Frank Wall Street Reform and Consumer Protection Act and (2) the Borrower's request for the Administrative Agent's consent to the proposed amendment, supplement, deletion or modification is accompanied by a legal opinion of counsel reasonably satisfactory to the Administrative Agent confirming to the Administrative Agent that such amendment, supplement, deletion or modification is legally required, then the Administrative Agent will not unreasonably withhold or delay its consent to any such amendment, supplement, deletion or modification.

(e) The amounts payable by the Loan Parties to each Creditor at any time under any of the Principal Agreements to which such Creditor is a party shall be separate and independent debts, and each Creditor shall be entitled to enforce any Right arising out of the applicable Principal Agreement to which it is a party, subject to the terms thereof and of this Agreement. Subject to clauses (h) and (i), both before and during an insolvency or liquidation proceeding, any Creditor may take any actions and exercise any and all rights that they would have as an unsecured creditor, including the commencement of an insolvency or liquidation proceeding against the Loan Parties in accordance with applicable law and the termination of any Principal Agreement in accordance with the terms thereof; provided, that if any Creditor becomes a judgment Lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Swap Obligations or the Loan Obligations, as the case may be, such judgment Lien shall be subject to the terms of this Agreement for all purposes as the other Liens securing the Total Obligations are subject to this Agreement and the proceeds thereof shall be applied as provided in Section 4.02(b).

(f) Each Creditor hereby agrees that no Creditor shall have any right individually to realize upon any Liens granted under the Collateral Documents, it being understood and agreed that such Rights may be exercised only by the Collateral Agent or the trustee under the Collateral Documents for the Ratable benefit of the Creditors.

(g) Each Acceptable Commodity Hedging Transaction at the time it is executed by the Borrower or other Loan Party and the any Swap Counterparty shall be deemed to be acceptable under this Agreement if permitted under the Credit Agreement. ~~The~~Each Swap Counterparty

If a Commodity Hedging Transaction would otherwise be secured under the Collateral Documents but for a deviation from the criteria for "Acceptable Commodity Hedging Transactions" set forth in the definition hereof, and that deviation is consented to in writing and delivered via electronic mail to the applicable Swap Counterparty in accordance with Section 5.09 by the Administrative Agent (with such approvals as may be required by the Credit Agreement), then such Commodity Hedging Transaction shall be secured by the Collateral Documents.

(h) Each Creditor hereby agrees that it shall not (and hereby waives any right to) contest, or support any other Person in contesting, in any proceedings (including any insolvency or liquidation proceedings), the priority, validity or enforceability of a Lien held by or on behalf of the Collateral Agent in any Collateral; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Collateral Agent or any Creditor to enforce this Agreement as provided herein.

(i) Each Lender and each Swap Counterparty agrees that (i) it will not (and hereby waives any right to) challenge or question in any proceeding the validity or enforceability of any of the Total Obligations or any Collateral Document or the validity, attachment, perfection or priority of any Lien under any Collateral Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral by Collateral Agent in accordance with the terms of this Agreement, (iii) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against Collateral Agent or any other Creditor seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Collateral, and none of Collateral Agent or any other Creditor shall be liable for any action taken or omitted to be taken by Collateral Agent or Creditor, with respect to any Collateral in accordance with the provisions of this Agreement, (iv) it will not seek, and hereby waives any right, to have any Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (v) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided, that nothing in this Agreement shall be construed to prevent or impair the rights of any of Collateral Agent or any other Creditor to enforce this Agreement.

Section 2.02. Specified Swap Obligations.

(a) Commencing on the Tenth Amendment Effective Date, the BP Specified Swap Obligations shall bear interest at the rate per annum set forth in Section 2.6(a) of the Credit Agreement for the Loans then outstanding; provided, that if at any time, the Borrower has outstanding one or more Term SOFR Loans and one or more ABR Loans, the BP Specified

(b) On each Interest Payment Date, interest accrued on the BP Specified Swap Obligations shall be due and payable in cash; provided, that to the extent the Borrower elects PIK Interest pursuant to Section 2.6(b) of the Credit Agreement (and the Administrative Agent approves such election in accordance with the Credit Agreement), BP acknowledges and agrees that interest on the BP Specified Swap Obligations for the applicable Interest Period will accrue as PIK Interest to the same extent as the Loan Obligations without further action of any party hereto. All interest hereunder shall be computed at the time and in the manner set forth in Section 2.6(b) of the Credit Agreement.

(c) [reserved].

(d) All payments with respect to the BP Specified Swap Obligations due pursuant to this Section 2.02, shall be made to the Administrative Agent for distribution to BP (to the BP Account or otherwise as mutually agreed between BP and the Administrative Agent) pursuant to the procedures set forth with respect to payment of interest set forth in the Credit Agreement.

(e) The BP Specified Swap Obligations (i) shall be due and payable in full on the Maturity Date and (ii) shall not require any ongoing mark to market payments, amortization, fees or otherwise.

(f) From and after the Tenth Amendment Effective Date, while no Triggering Event has occurred, the proceeds of (i) any sale of Collateral, (ii) repayments pursuant to Section 2.7 of the Credit Agreement, (iii) voluntary prepayments pursuant to Section 2.8 of the Credit Agreement and (iv) mandatory prepayments pursuant to Section 2.9 of the Credit Agreement shall, in each case, be applied Ratably among the Loan Obligations and the BP Specified Swap Obligations.

Section 2.03. ~~Section 2.02.~~ Limitations on Separate Credit Support. ~~The~~Each Swap Counterparty agrees that, without the prior written consent of the Administrative Agent, ~~the~~such Swap Counterparty will not seek or accept credit support for any Swap Obligation or any other Commodity Hedging Transaction between the Loan Parties and ~~the~~such Swap Counterparty, including without limitation letters of credit, guarantees from any owner of the Loan Parties or any other Person, or Liens on any Property of the Loan Parties, other than the Rights of ~~the~~such Swap Counterparty under the Collateral Documents until after the full payment and cancellation of the Loan Obligations.

Section 2.04. ~~Section 2.03.~~ Release of Collateral; Authorization; Amendments to Loan Documents; Notice of Releases.

(b) The Collateral Agent shall have the right from time to time to release Collateral from the Liens created by the Collateral Documents~~; provided that, subject to Section 5.04, the written consent of the Swap Counterparty shall be required for any release of Collateral (other than~~

~~Permitted Dispositions) during any rolling 12-month period that, when aggregated with all other Oil and Gas Properties for which Lien releases have been granted within the immediately preceding 12-month period for which the Swap Counterparty did not grant its consent (other than Permitted Dispositions), have aggregate Collateral Value in excess of 10% of the aggregate Collateral Value of all Oil and Gas Properties of the Loan Parties. Notwithstanding anything to the contrary in this Agreement, and for the avoidance of doubt, the proceeds of a sale of Collateral occurring while no Triggering Event has occurred (or would result therefrom) shall be applied as required by the Loan Documents.~~ Subject to Section 5.04, the Collateral Agent shall not, in connection with a Disposition, release any Collateral from Liens created by the Collateral Documents during the existence of a Triggering Event, except for Permitted ~~Exceptions~~Dispositions; provided, that all Parties acknowledge and agree that the proceeds of any Permitted Disposition that occurs during the existence of a Triggering Event shall constitute Proceeds and shall be applied in accordance with Section 4.02~~hereof~~.

(c) To the extent permitted by, and subject to the provisions of, the applicable Collateral Documents, (i) the Collateral Agent may, in its sole discretion and without the consent of the Creditors, take all actions it deems necessary or appropriate in order to enforce any of the terms of the Collateral Documents and (ii) the Collateral Agent shall have power to institute and to maintain such suits and proceedings as it may deem expedient (A) to prevent any impairment of the Collateral by any act that may be unlawful or in violation of the Principal Agreements, and (B) to preserve or protect its interests and the interests of the Creditors in the Collateral; provided, that, for the avoidance of doubt, the foregoing shall not be understood to grant the Collateral Agent any rights it does not have under the Credit Agreement and Collateral Documents (excluding this Agreement and any other Swap Intercreditor Agreement). Notwithstanding the above, the Collateral Agent may choose not to take any action authorized by this Section until it receives written direction from a Creditor.

(d) The Collateral Agent is authorized to receive any Proceeds for the benefit of the Creditors and to distribute such Proceeds to the Creditors in accordance with the provisions of this Agreement.

(e) The Collateral Agent shall, as soon as reasonably practicable after any release of the Collateral permitted by Section 2.0~~3~~4(b), notify ~~the~~each Swap Counterparty of such release giving full particulars with respect thereto; provided, however, that any failure of the Collateral Agent to comply with the requirements of this sentence shall not give rise to any breach of contract claim against the Collateral Agent, the Administrative Agent or any Lender or result, directly or indirectly, in any liability being imposed on the Collateral Agent, the Administrative Agent or any Lender in connection therewith.

(f) The Lender Group may enter into any increase, amendment, modification or supplement to any Loan Document (other than (x) the Collateral Documents, unless permitted by clause (g) below and (y) Section 2.12(f) of the Credit Agreement in a manner adverse to ~~the~~any Swap Counterparty), enter into new or additional credit facilities with the Loan Parties, or grant any waiver, consent, release, indulgence, extension or renewal with respect to any Loan Document (other than the Collateral Documents, unless permitted by clause (g) below) or such new or additional credit facilities ("**Credit Agreement Modifications**"), and such Credit Agreement Modifications shall be deemed accepted by the Swap Counterpart~~y~~ies and the Loan Parties for

the purposes of the Swap Counterparty Master Agreements with respect to those provisions of the Loan Documents (other than the Collateral Documents, unless permitted by clause (g) below) incorporated by reference in ~~the~~each Swap Counterparty Master Agreement. The Administrative Agent shall, as soon as reasonably practicable after entering into any amendment, modification or supplement to the Credit Agreement or any Collateral Document, notify the Swap Counterpart~~y~~ies and provide the Swap Counterpart~~y~~ies with a copy of such amendment, modification or supplement; provided, however, that any failure of the Administrative Agent to comply with the requirements of this sentence shall not impact the validity of such amendment, modification or supplement, give rise to any breach of contract claim against the Administrative Agent or any Lender or result, directly or indirectly, in any liability being imposed on the Administrative Agent or any Lender in connection therewith.

(g) The Collateral Agent may enter into any amendment, modification or supplement to any of the Collateral Documents, unless the effect of such amendment would be to (i) change the priority of or subordinate the Liens created thereby, except to the extent the Administrative Agent is permitted to do so under the Credit Agreement, (ii) materially modify any remedy provided for therein if adverse to ~~the~~any Swap Counterparty, (iii) materially reduce or diminish the benefits of all or substantially all of the security provided for in the Collateral Documents, except to the extent the Administrative Agent is permitted to do so under the Credit Agreement, or (iv) otherwise have any material detrimental effect on ~~the~~any Swap Counterparty's rights and obligations under this Agreement.

(h) The Borrower hereby agrees that substantially concurrently with any notice that is delivered to (i) the Administrative Agent or the Collateral Agent pursuant the Credit Agreement, or (ii) the Swap Counterparty pursuant to the Swap Documents, it shall deliver such notice to the Administrative Agent, the Collateral Agent and the Swap Counterparty, as applicable; provided, however, that any failure of the Borrower to comply with the requirements of this clause (h) shall not shall not impact the validity of such notices.

Borrower hereby irrevocably consents and agrees that the Swap Counterpart~~y~~ies may provide or otherwise make available to the Administrative Agent, its successors and assigns such reports, confirmations and mark to market information as contemplated above, including, without limitation, by granting the Administrative Agent access to an online portal that reflects the daily mark to market information of the Borrower.

Section 2.06. ~~Section 2.05.~~ Consent to Disclosures. The Loan Parties hereby consent to Creditors' disclosure to each other of any confidential information relating to the Loan Parties that has been provided to any Creditor by or for the benefit of the Loan Parties, notwithstanding any confidentiality agreement between the Loan Parties and any Creditor that might otherwise limit or prohibit such disclosure; provided that the receiving Creditor agrees to treat such

information as confidential in accordance with the terms of Section 10.17 of the Credit Agreement.

Section 2.07. ~~Section 2.06.~~ Refinancing. The Swap Counterpart~~y~~ies consent~~s~~ to any Refinancing of the Credit Agreement and the indebtedness thereunder; provided that the holders of such Refinancing debt (or an agent on their behalf) bind themselves in writing to the terms of this Agreement, and provided further that any such Refinancing shall require the prior written consent of the Swap Counterpart~~y~~ies if, on the date of such Refinancing, such Refinancing causes the aggregate principal amount outstanding under the Credit Agreement (after giving effect to such Refinancing) to exceed 85% of the aggregate present value of the future net income with respect to proved and producing reserves attributable to the Oil and Gas Properties of the Borrower and its Subsidiaries as set forth in the most recently provided Reserve Report, discounted at a 9% per annum discount rate, thus causing a material reduction in the value of the Collateral, security or credit support available to the Swap Counterparties, while Swap Obligations are still in effect or outstanding hereunder, unless Borrower (i) delivers *pari passu* first lien replacement security (unencumbered, except for liens and encumbrances permitted by the Credit Agreement) to be shared ratably by the Creditors under and in accordance with this Agreement, having a value and terms and conditions reasonably acceptable to the Swap Counterpart~~y~~ies, or (ii) provides the Swap Counterpart~~y~~ies with replacement security sufficient in form, amount and for a term reasonably acceptable to the Swap Counterpart~~y~~ies.

ARTICLE III

Section 3.01. Appointment of the Collateral Agent. Each Creditor hereby designates the Collateral Agent to act as the contractual representative for the Creditors, to hold and enforce the Liens under the Collateral Documents for the benefit of the Creditors and take certain other actions as permitted by the Collateral Documents and this Agreement. Each Creditor hereby authorizes the Collateral Agent to take such action on its behalf under the provisions of this Agreement and the Collateral Documents and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to it hereunder or under any Collateral Document or required of the Collateral Agent by the terms hereof or thereof and such other powers as are reasonably incidental thereto. The Collateral Agent may perform any of its duties hereunder by or through its affiliates, agents or employees and the exculpatory and indemnification provisions in this Agreement and the Collateral Documents shall apply to any such affiliate, agent or employee. The Collateral Agent agrees to act as the Collateral Agent upon the express terms and conditions contained herein.

Section 3.02. Nature of Duties of the Collateral Agent. The Collateral Agent shall have no duties or responsibilities, except those expressly set forth in this Agreement, the Credit Agreement, or the Collateral Documents. The Collateral Agent shall have and may exercise such powers hereunder and under the Collateral Documents as are specifically delegated to the Collateral Agent by the terms hereof, together with such powers as are reasonably incidental thereto. Neither the Collateral Agent nor any of its affiliates, directors, officers, employees or agents (each, a "**Protected Party**") shall be liable to the Creditors for any damages caused by any action taken or omitted by any Protected Party hereunder or under the Collateral Documents **(INCLUDING THOSE DAMAGES CAUSED BY THE SOLE NEGLIGENCE,**

COMPARATIVE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR CONCURRENT NEGLIGENCE OF ANY PROTECTED PARTY), unless caused solely by the gross negligence or willful misconduct of the Protected Party seeking protection under this Section 3.02. The duties of the Collateral Agent shall be mechanical and administrative in nature; and the Collateral Agent, in its capacity as such, shall not have by reason of this Agreement or the Collateral Documents a fiduciary relationship in respect of any Creditor. Nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon the Collateral Agent any duties or obligations in respect of this Agreement and the Collateral Documents except as expressly set forth herein. Other than its duties expressly provided herein or in the Collateral Documents, Collateral Agent shall have no implied duties to Creditors or the Loan Parties under or in connection with this Agreement and no implied duties as to any Property belonging to the Borrower (whether or not the same constitutes Collateral), whether such Property is in Collateral Agent's possession or control or in the possession or control of any of its agents or nominees, or any income thereon or as to the preservation of Rights against prior parties or any other rights pertaining thereto or available at law or otherwise. Collateral Agent shall have the same Rights hereunder as any other Creditor and may exercise the same as though it were not performing the duties specified herein. The Person serving as Collateral Agent may engage in any kind of other business with the Loan Parties or any of the Loan Parties' affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the Loan Parties and such other Persons in connection with this Agreement or any Principal Agreement, and otherwise, without having to account for the same to the other Creditors except as specified herein.

Section 3.03. Lack of Reliance on the Collateral Agent.

(a) Independently and without reliance upon the Collateral Agent or any other Creditor, each Creditor represents to the Collateral Agent and each of the other Creditors that, as of the date of this Agreement, such Creditor has made (i) its own independent investigation of the financial condition and affairs of the Loan Parties based on such documents and information as it has deemed appropriate in connection with the taking or not taking of any action in connection herewith, and (ii) its own appraisal of the creditworthiness of the Loan Parties. Each Creditor also acknowledges that it will, independently and without reliance upon the Collateral Agent or any other Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement or the Collateral Documents. Except as expressly provided in this Agreement, the Collateral Agent shall have no duty or responsibility, either initially or on a continuing basis, to provide any Creditor with any credit or other information concerning the affairs, financial condition or business of the Loan Parties which may come into the possession of the Collateral Agent or any of its affiliates whether now in its possession or in its possession at any time or times hereafter; and the Collateral Agent shall not be required to keep itself informed as to the performance or observance by the Loan Parties of this Agreement, any Collateral Document or any other document referred to or provided for herein or to inspect the Properties or books of the Loan Parties.

(b) The Collateral Agent shall not (i) be responsible to any Creditor for any recitals, statements, information, representations or warranties herein, in any Collateral Document, or in any document, certificate or other writing delivered in connection herewith or therewith or for

the execution, effectiveness, genuineness, validity, enforceability, collectability, priority or sufficiency of this Agreement or the Collateral Documents or the financial condition of the Loan Parties; or (ii) be required to make any inquiry concerning (a) the performance or observance by others of any of the terms, provisions or conditions of this Agreement or the Collateral Documents, including the content of notices, opinions, certificates and directions given under this Agreement or the Collateral Documents, (b) the financial condition of the Loan Parties, or (c) the existence or possible existence of any "default" or "event of default" under the Principal Agreements. To the extent the Collateral Agent receives any written notice of default provided to the Loan Parties by the Administrative Agent, it shall promptly provide a copy of the same to ~~the~~each Swap Counterparty but shall in no event have any liability to ~~the~~any Swap Counterparty for any failure to so provide such notice.

Section 3.04. Certain Rights of the Collateral Agent. If the Collateral Agent shall request instructions from the Creditors with respect to any act or action (including the failure to act) in connection with this Agreement or the Collateral Documents, the Collateral Agent shall be entitled to refrain from such act or taking such action unless and until the Collateral Agent shall have received written instructions from any Creditor or Creditors pursuant to the terms hereof; and the Collateral Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Creditor shall have any right of action whatsoever against the Collateral Agent as a result of the Collateral Agent acting or refraining from acting under this Agreement or the Collateral Documents in accordance with the written instructions given in accordance with this Agreement, and such instructions and any action taken or failure to act pursuant thereto shall be binding on all the Creditors. The Collateral Agent shall be fully justified in failing or refusing to take any action hereunder or under the Collateral Documents unless it shall first be indemnified to its satisfaction by the Creditors against any and all liability and expense which may be incurred by the Collateral Agent by reason of taking or continuing to take any such action. Notwithstanding any other provision of this Article III or any indemnity or instructions provided by any or all of the Creditors, the Collateral Agent shall not be required to take any action which, in the reasonable belief of the Collateral Agent, exposes the Collateral Agent to personal liability or which, in the reasonable belief of the Collateral Agent, is contrary to this Agreement, the Collateral Documents or applicable law.

Section 3.05. Reliance by the Collateral Agent. The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, statement, certificate or telecopier message, cablegram, radiogram, facsimile transmission, e-mail, order or other documentary, teletransmission or telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper Person. The Collateral Agent may consult with legal counsel, accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts.

Section 3.06. Creditors as Owners. The Collateral Agent may deem and treat each Creditor as the owner of its portion of the Total Obligations as described herein for all purposes hereof unless and until the Collateral Agent is notified of a change in Creditors.

Section 3.07. Successor Collateral Agent.

(a) Collateral Agent shall not be subject to removal by Creditors or the Loan Parties; provided that if the Person serving as Administrative Agent is replaced as Administrative Agent under the Credit Agreement, the Person serving as replacement Administrative Agent shall automatically and without further action or consent by the Loan Parties or the Swap Counterparty~~y~~ies become Collateral Agent under this Agreement. The Collateral Agent may resign at any time by giving thirty (30) days prior written notice thereof to the Creditors and the Borrower. Following any such notice of resignation, the resigning Collateral Agent shall have the right to appoint a successor Collateral Agent, subject to the consent of the Swap Counterparty~~y~~ies to the appointee (which consent shall not be unreasonably withheld, conditioned or delayed). If within thirty (30) days after the retiring Collateral Agent's giving of notice of resignation, no successor Collateral Agent shall have been so appointed by the resigning Collateral Agent which has accepted such appointment, then the Swap Counterparty may, in its sole discretion, appoint a successor Collateral Agent.

(b) Upon the acceptance of any appointment as the Collateral Agent hereunder by a successor Collateral Agent, such successor Collateral Agent shall thereupon succeed to and become vested with all the Rights and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties under this Agreement. After any retiring Collateral Agent's resignation hereunder as the Collateral Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Collateral Agent under this Agreement.

Section 3.08. Employment of Collateral Agent and Counsel. The Collateral Agent may execute any of its duties as the Collateral Agent hereunder or under the Collateral Documents by or through employees, agents, and attorneys-in-fact and shall not be answerable to the Creditors for the default or misconduct of any such employees, agents or attorneys-in-fact reasonably selected by it in good faith unless such default or misconduct is a direct result of the gross negligence or willful misconduct of the Collateral Agent in monitoring the activities of such employees, agents or attorneys-in-fact; provided that the Collateral Agent shall always be obligated to account for moneys or securities received by it or its authorized agents. The Collateral Agent shall be entitled to advice of independent legal counsel concerning all matters pertaining to the collateral agency hereby created and its duties hereunder or under the Collateral Documents.

Section 3.09. Limitation on Liability of the Creditors and the Collateral Agent. The Creditors and the Collateral Agent shall not be deemed, as a result of the execution and delivery of the Collateral Documents or the consummation of the transactions contemplated by this Agreement and the Collateral Documents, to have assumed any obligation of the Loan Parties with respect to the Collateral or any liability under or with respect to any of the contracts, agreements, leases, instruments or documents which are, or which may hereafter be, assigned to the Collateral Agent for the benefit of the Creditors.

ARTICLE IV
ELECTION TO PURSUE REMEDIES; PROCEEDS

Section 4.01. Procedures Regarding Remedies.

(a) Upon the occurrence and during the continuance of any Triggering Event, the Collateral Agent shall, upon the request of any of the Accelerated Creditors specifying the particular actions being requested by such Accelerated Creditor, and subject to the other provisions of this Agreement, commence to take, or direct the appropriate trustee or agent to take, those requested actions provided for in the Collateral Documents relating to the pursuit of remedies; provided, that the Swap Counterpart~~y~~ies shall not have the right to require Collateral Agent to realize on any Liens or take any enforcement actions granted pursuant to the Collateral Documents until, if the amount of Swap Obligations owing to the Swap Counterparty is equal to or greater than fifty percent (50%) of the Total Obligations, the forty-fifth (45th) day after a Triggering Event of the type referred to in clause (i) of the definition of Triggering Event shall have occurred (the "**Standstill Period**") and provided further that such Triggering Event shall be continuing on such date and the Collateral Agent shall not have diligently commenced exercise of remedies on such date; provided further that~~,~~ to the extent the amount of Swap Obligations owing to ~~the~~one or more Swap Counterpart~~y~~ies is equal to or greater than seventy-five percent (75%) of the Total Obligations, ~~the~~such Swap Counterpart~~y~~ies will not be subject to the Standstill Period and may immediately request the Collateral Agent to take actions as provided in this Section 4.01. For the avoidance of doubt, the Swap Counterparty shall not have the right to require Collateral Agent to realize on any Liens or take any enforcement actions granted pursuant to the Collateral Documents if the amount of Swap Obligations owing to the Swap Counterparty is less than fifty percent (50%) of the Total Obligations.

(b) The Loan Parties and the Creditors agree that upon the occurrence of a Triggering Event, all payments made to any Creditor by the Loan Parties shall be shared by all Creditors in accordance with Section 4.02.

(c) Each Creditor agrees: (i) to deliver to each other Creditor, as applicable, at the same time it makes delivery to the Borrower, a copy of any (A) notice declaring the occurrence of an Event of Default under any Loan Documents, (B) notice declaring the occurrence of an Event of Default (as defined in the applicable Swap Documents) or Termination Event (as defined in the applicable Swap Documents) under any Swap Documents, (C) notice of intent to accelerate or notice of acceleration of the Loan Parties' obligations, or (D) notice of the designation of an Early Termination Date (as defined in the applicable Swap Documents) with respect to any Swap Obligation; (ii) to deliver to each other Creditor, at the same time it makes delivery to any other Person, a copy of any notice of the commencement of any judicial proceeding and a copy of any other notice with respect to the exercise of remedies with respect to any of the Total Obligations; and (iii) deliver the Early Termination Amount (as defined in the applicable Swap Documents). Any failure by a party hereto to furnish a copy under this clause (c) shall not limit or affect the rights and obligations hereunder.

(d) Each of the Swap Counterpart~~y~~ies and the Collateral Agent hereby agrees that it shall endeavor to furnish the Borrower with a copy of any notice provided or received, as applicable, by it pursuant to clause (i) of the definition of Triggering Event. Each of the Borrower and the

Administrative Agent hereby agrees that it shall endeavor to furnish the Swap Counterpart~~y~~ies with a copy of any notice received or provided, as applicable, by it pursuant to clause (ii) of the definition of Triggering Event. Any failure by a party hereto to furnish a copy under this clause (d) shall not limit or affect the rights and obligations hereunder.

(e) The Borrower hereby agrees that ~~the~~any Swap Counterparty may provide to the Administrative Agent from time to time, and ~~the~~such Swap Counterparty hereby agrees to provide to the Administrative Agent within three (3) Business Days following ~~the~~such Swap Counterparty's receipt of a written request therefor from the Administrative Agent, a report of the marked-to-market positions of the various transactions in effect from time to time under the applicable Swap Documents. Any unintentional failure by ~~the~~any Swap Counterparty to timely furnish information required under this clause (e) shall not limit or affect the parties' rights and obligations hereunder.

(f) In the event that the Liens created under the Collateral Documents conflict with the Liens created under other security documents in favor of or for the benefit of the Administrative Agent, the Liens created under the Collateral Documents shall have priority.

(g) Collateral Agent shall not be obligated to follow any instructions of any Accelerated Creditor if Collateral Agent determines, in its sole and absolute discretion, that: (i) such instructions conflict with the provisions of this Agreement, any Principal Agreement, any Collateral Document or any Governmental Requirement, (ii) such instructions are ambiguous, inconsistent, in conflict with other instructions (whether from the same or another Accelerated Creditor) or otherwise insufficient to direct the actions of Collateral Agent; provided that Collateral Agent explains the grounds for a refusal, or (iii) Collateral Agent has not been adequately indemnified to its satisfaction (including indemnity from the Accelerated Creditors in accordance with the Ratable amounts of Total Obligations owing to them). Collateral Agent shall have the right, in its discretion, to take any action authorized under this Agreement or the Collateral Documents, to the extent that such action is not prohibited by the terms hereof or thereof, which it deems proper and consistent with the instructions given by any Accelerated Creditor as provided for herein or otherwise in the best interest of Creditors. In the absence of written instructions from any Accelerated Creditor for any particular matter, Collateral Agent shall have no duty to take or refrain from taking any action unless such action or inaction is explicitly required by the terms of this Agreement or any Governmental Requirement. Collateral Agent shall have no duty with respect to a Triggering Event unless it has received written notice from an Accelerated Creditor that a Triggering Event has occurred.

(h) The Collateral Agent shall cease to comply with any direction by ~~a~~any Swap Counterparty pursuant to this Section 4.01 if (i) the Triggering Event under the applicable Swap Documents of such Swap Counterparty has been cured or waived or (ii) the amounts owed by Borrower to such Swap Counterparty under Acceptable Commodity Hedging Transactions have been paid in full or otherwise discharged.

Section 4.02. Proceeds.

(a) The Creditors hereby agree between themselves that (i) prior to the occurrence of a Triggering Event, each Creditor shall be entitled to receive and retain for its own account, and

shall never be required to disgorge to the Collateral Agent or any other Creditor hereunder or acquire direct or participating interests in the Loan Obligations or the Swap Obligations, as the case may be, owing to such Creditor, scheduled payments or voluntary prepayments, payments for the redemption or purchase of principal, interest, fees and premium, if any, settlement payments and any other payments in respect of the Principal Agreements or Credit Agreement Modifications, all in compliance with the terms thereof, and (ii) upon the occurrence and during the continuance of a Triggering Event, all such amounts received by any Creditor ~~after a~~following such Triggering Event shall constitute Proceeds, shall be turned over to the Collateral Agent, and shall be shared by the Creditors, Ratably, and in accordance with Section 4.02(b) below; provided, however, and for the avoidance of doubt, if the Administrative Agent grants its consent for any letter of credit pursuant to Section 2.0~~2~~3, ~~the~~no Swap Counterparty shall ~~not~~ be obligated to hold in trust, pay over or share with the Administrative Agent any portion of the proceeds of any such letter of credit.

(b) All Proceeds received by the Collateral Agent during the existence of a Triggering Event shall be applied in accordance with this Section 4.02. To the extent any Creditor ever receives any portion of such Proceeds in excess of its Ratable share (or to the extent the Collateral Agent receives reimbursement in excess of expenses actually incurred), the party receiving those excess Proceeds agrees to promptly make all necessary transfers so as to give full effect to this Section 4.02. All Proceeds received by the Collateral Agent during the existence of a Triggering Event shall be applied in the following order:

(i) ***First***, to reimburse the Collateral Agent for expenses in accordance with Section 5.01;

(ii) ***Second***, Ratably, to the Administrative Agent in respect of amounts owing to the Lender Group and to the Swap Counterpart~~y~~ies until the Total Obligations are fully satisfied; and

(iii) ***Third***, to the extent that any Proceeds remain, to the Borrower or as otherwise required by applicable law.

Section 4.03. Notice of Amount of Indebtedness. Upon receipt of any Proceeds to be distributed pursuant to Section 4.02, the Collateral Agent shall give the Creditors notice thereof, and each Creditor (or its representative) shall, within three (3) Business Days, notify the Collateral Agent of the amount of the Total Obligations owing to it. Such notification shall state the amount of the Total Obligations owing to it and how much is then due and owing. If requested by the Collateral Agent, each Creditor (or its representative) shall demonstrate that the amounts set forth in its notice are actually owing to such Creditor to the reasonable satisfaction of the Collateral Agent. Notwithstanding the foregoing, the Collateral Agent may conclusively rely on information in such notices without any investigation. In the event that any Creditor fails to timely notify the Collateral Agent of the amount of the Total Obligations owed to it, the Collateral Agent shall distribute such Proceeds on any basis deemed reasonable by it and not in bad faith.

Section 4.04. Additional Swap Counterparties~~. The Swap Counterparty hereby agrees to execute and deliver any amended or restated version of this Agreement that is executed by the Loan Parties, the Administrative Agent, the Collateral Agent and any other counterparty to a~~

~~Secured Swap Agreement (under and as defined in the Collateral Documents) which provides for Acceptable Commodity Hedging Transactions that are agreed to by the Administrative Agent as being secured obligations under the Collateral Documents.~~

. If any Person that is approved by Administrative Agent as a counterparty to a Swap Agreement under the Credit Agreement desires to become a "Swap Counterparty" for the purposes of this Agreement and the Collateral Documents, then it shall execute and deliver to the Administrative Agent and the Borrower a Joinder Supplement. In each case, upon execution and delivery of such Joinder Supplement by such Person, Administrative Agent and Borrower, such Person shall be deemed a Swap Counterparty hereunder as if an original signatory. Joinder Supplements executed pursuant to this Section 4.04 do not require the signatures or consents of all Creditors party to this Agreement. Promptly after execution of any such Joinder Supplement, the parties thereto will endeavor to send a copy thereof to each other Swap Counterparty, but failure or delay in doing so will not make such Joinder Supplement void or voidable or otherwise affect the rights and duties of the parties hereto.

ARTICLE V
MISCELLANEOUS

Section 5.01. Expenses. The Lenders and the Swap Counterpart~~y~~ies shall each bear their Ratable share of any reasonable expenses incurred by the Collateral Agent in taking action on behalf of the Creditors in connection with its investigation, evaluation or enforcement of any Rights under the Collateral Documents or the performance of its duties under this Agreement or under any of the Collateral Documents, but only to the extent Collateral Agent does not receive reimbursement for such expenses from the Loan Parties or from Proceeds within thirty (30) days after such expenses are invoiced; provided, that, to the extent any Creditor reimburses Collateral Agent for such expenses, such Creditor will be entitled to receive its Ratable share of any reimbursement subsequently received by Collateral Agent from the Loan Parties or from Proceeds.

Section 5.02. Limitation of Collateral Agent Liability; Indemnification of the Collateral Agent. Neither the Collateral Agent nor any of its representatives shall (i) be liable for any action taken or omitted to be taken by it or them hereunder or under the Collateral Documents in good faith and reasonably believed by it or them to be within the discretion or power conferred upon it or them by this Agreement and the Collateral Documents or (ii) be responsible for the consequences of any error of judgment, except to the extent arising solely from its gross negligence or willful misconduct. The Collateral Agent shall not be responsible in any manner to any other party for the effectiveness, enforceability, genuineness, validity or the due execution of the Collateral Documents or for any representation, warranty, document, certificate, report or statement made in or in connection with the Collateral Documents or be under any obligation to any other party to ascertain or inquire as to the performance or observation of any of the terms, covenants or conditions of any of the Loan Documents or the Swap Documents on the part of the Borrower. The Lenders and the Swap Counterpart~~y~~ies agree to Ratably reimburse and indemnify the Collateral Agent and its affiliates, directors, officers, employees and agents (each an "**Indemnified Party**") on a current basis and hold the indemnified parties harmless on a current basis from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, reasonable expenses, and reasonable disbursements of any kind or nature

whatsoever which may be imposed on, asserted against or incurred by any Indemnified Party in any way relating to or arising out of this Agreement or the Collateral Documents or any action taken or omitted by an Indemnified Party under this Agreement or the Collateral Documents, **INCLUDING ANY SUCH LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, REASONABLE EXPENSES AND REASONABLE DISBURSEMENTS ARISING OUT OF THE SOLE, CONCURRENT, CONTRIBUTORY OR COMPARATIVE NEGLIGENCE OF ANY INDEMNIFIED PARTY,** except to the extent the same results solely from the gross negligence or willful misconduct of such Indemnified Party. The provisions of this Section shall survive the termination of this Agreement, whether in whole or in part.

Section 5.03. Limitation of Liability. ~~The~~No Swap Counterparty (including any individual partner, member, director, employee or agent of ~~the~~any Swap Counterparty) shall ~~not~~ incur any liability under this Agreement to the Loan Parties except for liabilities arising from ~~the~~such Swap Counterparty's gross negligence or willful misconduct, as determined by a court of competent jurisdiction. This Agreement is intended to benefit only Collateral Agent and the Creditors, and neither the Loan Parties nor any other Person shall have any rights hereunder or be entitled to claim any damages or defenses on account hereof from or against Collateral Agent or any Creditor (or any affiliate of Collateral Agent or any Creditor).

Section 5.04. Term.

(a) This Agreement shall terminate upon (i) the full payment of the Swap Obligations due and owing to the Swap Counterpart~~y~~ies and the delivery by the Loan Parties of a written notice to the Swap Counterpart~~y~~ies following such payment that the Loan Parties is terminating the Swap Counterparty Master Agreements; (ii) payment in full of all Loan Obligations (other than indemnity obligations and similar obligations that survive the termination of the Credit Agreement for which no notice of a claim has been received by the Administrative Agent) under the Credit Agreement or (iii) the execution and delivery of a written termination notice signed by each of the parties; provided that if at any time any payment of the Total Obligations is rescinded or must be restored or returned upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, the obligations of the Borrower and the Rights of the Creditors under this Agreement, with respect to that payment, shall be reinstated as though the payment had been due but not made at that time. ~~The~~Each Swap Counterpart~~y~~ies agrees that the Loan Parties may terminate ~~the~~any Swap Counterparty Master Agreement by providing written notice to ~~the~~such Swap Counterparty at any time that there are no outstanding Commodity Hedging Transactions or payment obligations for any Commodity Hedging Transactions thereunder, irrespective of whether the Loan Parties has that express right under the terms of the Swap Counterparty Master Agreement. For purposes of the preceding clause (i), the Collateral Agent or the Borrower may request in writing that ~~the~~such Swap Counterparty confirm the termination of the applicable Swap Counterparty Master Agreement. ~~The~~Such Swap Counterparty shall have ten (10) Business Days from the date the notice is deemed given pursuant to Section 5.09 in which to either confirm in writing such termination or provide a written notice to the Collateral Agent and the Borrower of the total amount of outstanding Swap Obligations claimed in good faith by ~~the~~such Swap Counterparty. If ~~the~~such Swap Counterparty does not provide any notice within the ten (10) Business Day period, or if notice is provided of outstanding Swap Obligations and

those obligations are paid in full, ~~the~~such Swap Counterparty Master Agreement will be deemed terminated for purposes of the preceding clause (i).

(b) If Borrower has issued to ~~the~~any Swap Counterparty a letter of credit or other credit support as credit support replacement for the Collateral Documents then securing such Swap Counterparty (such letter of credit or other credit support to be in form and substance and in an amount and from an issuing bank reasonably satisfactory to ~~the~~such Swap Counterparty) to secure payment of all Swap Obligations owing ~~the~~such Swap Counterparty, such Person shall cease to be a Swap Counterparty for all purposes of this Agreement and the Collateral Documents and such Swap Obligations and the Swap Documents of ~~the~~such Swap Counterparty shall cease to be secured by the Collateral Documents.

Section 5.05. Survival of Rights. All of the respective Rights and interests of the Creditors under this Agreement (and the respective obligations and agreements of the Creditors under this Agreement), shall remain in full force and effect regardless of:

(a) any lack of validity or enforceability of any of the Loan Documents, the Swap Documents or any other agreement or instrument related thereto; or

(b) any other circumstance which might otherwise constitute a defense available to, or discharge of, the Loan Parties with respect to the Loan Obligations or the Swap Obligations (other than the defense that such obligations have been fully satisfied).

Section 5.06. Representations and Warranties. Each of the Loan Parties and ~~the~~each Swap Counterparty represents and covenants to each other and to the Collateral Agent that as of the date of its entry into any Commodity Hedging Transactions it will be, an "Eligible Contract Participant" as defined in 7 U.S.C. § 1a(18). ABC Agent, as the Administrative Agent and as the Collateral Agent, and ~~the~~each Swap Counterparty each represent and warrant to the other that:

(a) neither the execution and delivery of this Agreement nor its performance of or compliance with the terms and provisions hereof will conflict with, or result in a breach of the terms, conditions or provisions of, or constitute a default under, any other agreement to which it is now subject;

(b) it has all requisite authority to execute, deliver and perform its obligations under this Agreement; and

(c) this Agreement constitutes its legal, valid, and binding obligation, enforceable against it in accordance with its terms, subject only to applicable bankruptcy, insolvency or similar laws and general principles of equity.

Section 5.07. Further Assurances. ~~The~~Each of the Administrative Agent and the Swap Counterpart~~y~~ies ~~each~~ covenant that, ~~as~~so long as this Agreement remains in effect, ~~it~~each of the Administrative Agent and the Swap Counterparties will execute and deliver any and all other instruments reasonably requested by the other to give effect to the terms and conditions of this Agreement.

Section 5.08. Assignment; Agreement Binding on Successors and Assigns. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of each Creditor and its respective successors and permitted assigns. The terms and provisions of this Agreement shall not inure to the benefit of, nor be relied upon by, the Borrower or its successors or assigns. ~~The~~No Swap Counterparty shall ~~not~~ assign, transfer or sell any part of its portion of the Total Obligations without the prior written consent of the Administrative Agent in its sole and absolute discretion. For purposes of the immediately preceding sentence, a change of control of ~~the~~any Swap Counterparty or a merger by ~~the~~any Swap Counterparty with another entity shall not constitute an assignment of ~~the~~such Swap Counterparty's portion of the Total Obligations. This Agreement, the Loan Documents and the Loan Obligations may be assigned at any time to any Person(s) without the consent of ~~the~~any Swap Counterparty.

Section 5.09. Notice. Unless otherwise provided, any consent, request, notice, or other communication under or in connection with this Agreement must be in writing to be effective and shall be deemed to have been given (a) if sent by a nationally recognized overnight delivery service using its overnight delivery option (e.g., Federal Express, UPS or the United States postal service), on the Business Day after it is enclosed in an envelope and properly addressed, stamped and deposited with such delivery service, (b) if by other form of mail, on the third Business Day after it is enclosed in an envelope and properly addressed, stamped, sealed, certified return receipt requested, and deposited in the appropriate official postal service, or (c) if by courier, electronic transmissions, or facsimile transmission, when actually delivered. Section 1.05. Joint Preparation; Construction of Indemnities and Releases. **This Agreement, the Loan Documents and the Swap Documents have been reviewed and negotiated by sophisticated parties with access to legal counsel, and no rule of construction shall apply hereto or thereto which would require or allow this Agreement, any Loan Document or any Swap Document to be construed against any party because of its role in drafting such document. All indemnification and release of liability provisions of this Agreement shall be construed broadly (and not narrowly) in favor of the Persons receiving indemnification or releases of liability.**

ARTICLE II
NATURE OF OBLIGATIONS AND LIENS

Section 2.01. Obligations and Liens Pari Passu.

(a) Subject to the other terms and conditions of this Agreement, the Loan Obligations and the Swap Obligations shall be secured on a first priority, *pari passu* basis by the Liens on the Collateral granted to the Collateral Agent under the Collateral Documents. At the times and

under the conditions described in Article IV, the Loan Obligations and the Swap Obligations will be repaid Ratably with the proceeds of Collateral after the payment of expenses. Upon the execution of this Agreement, the Liens granted under the Collateral Documents that are in effect at the time of execution of this Agreement shall be in favor of the Collateral Agent for the benefit of the Creditors, to secure, Ratably, the Loan Obligations and the Swap Obligations. Such Collateral Documents are in all substantive respects in the form approved by the Swap Counterparties.

(b) The Liens under the Collateral Documents shall be Permitted Liens and the Administrative Agent consents to the Loan Parties granting such Liens. The Swap Counterparties hereby acknowledge and consent to the Loan Parties' grants of Liens to the Administrative Agent in all rights of the Loan Parties under the Swap Documents, including all payments owing to the Loan Parties thereunder, notwithstanding any restrictions on assignment in any Swap Document.

(c) The Administrative Agent consents to the Loan Parties' entering into the Swap Counterparty Master Agreements and Commodity Hedging Transactions with each Swap Counterparty, that constitutes Acceptable Commodity Hedging Transactions. The Administrative Agent agrees and consents to each Swap Counterparty being a Secured Party (as defined in the Guarantee and Collateral Agreement) with respect to Acceptable Commodity Hedging Transactions; provided, however, that the Administrative Agent may, by giving written notice to the Borrower and to the applicable Swap Counterparty, elect to revoke such Swap Counterparty's status as a Secured Party for purposes of any Acceptable Commodity Hedging Transactions entered into beginning on the fifth (5^{th}) Business Day following the Borrower's and such Swap Counterparty's receipt (or deemed receipt pursuant to Section 5.09) of such notice. The Administrative Agent also agrees that in the event the Administrative Agent notifies the Borrower that the Borrower's entry into a Commodity Hedging Transaction would not constitute an Acceptable Commodity Hedging Transaction, then the Administrative Agent will also concurrently notify such Swap Counterparty of such determination.

(d) Without the prior written consent of the Administrative Agent, the Loan Parties and each Swap Counterparty shall not amend, supplement, delete or otherwise modify any Swap Counterparty Master Agreement or any provision thereof from the form presented to the Administrative Agent for its review prior to execution of this Agreement:

(i) if such action would result in a violation, or the creation of an obligation on the part of the Borrower to violate, the limitations on credit support set forth in Section 2.03;

(ii) such that the Threshold Amount (as defined in the applicable Swap Counterparty Master Agreement) that is applicable to the Borrower would be anything other than a fixed dollar amount equal to or greater than $500,000; or

(iii) in a manner that changes or expands the events that constitute Events of Default or Additional Termination Events (each as defined in the Swap Counterparty

Master Agreements) or otherwise have the effect of causing an event to have consequences similar to an Event of Default or Additional Termination Event.

Notwithstanding clauses (i) through (iii) preceding, if (1) any Swap Counterparty notifies the Administrative Agent that it and the Borrower propose an amendment, supplement, deletion or modification to any Swap Counterparty Master Agreement mandated by the regulatory requirements imposed by the Commodity Futures Trading Commission under the Dodd-Frank Wall Street Reform and Consumer Protection Act and (2) the Borrower's request for the Administrative Agent's consent to the proposed amendment, supplement, deletion or modification is accompanied by a legal opinion of counsel reasonably satisfactory to the Administrative Agent confirming to the Administrative Agent that such amendment, supplement, deletion or modification is legally required, then the Administrative Agent will not unreasonably withhold or delay its consent to any such amendment, supplement, deletion or modification.

(e) The amounts payable by the Loan Parties to each Creditor at any time under any of the Principal Agreements to which such Creditor is a party shall be separate and independent debts, and each Creditor shall be entitled to enforce any Right arising out of the applicable Principal Agreement to which it is a party, subject to the terms thereof and of this Agreement. Subject to clauses (h) and (i), both before and during an insolvency or liquidation proceeding, any Creditor may take any actions and exercise any and all rights that they would have as an unsecured creditor, including the commencement of an insolvency or liquidation proceeding against the Loan Parties in accordance with applicable law and the termination of any Principal Agreement in accordance with the terms thereof; provided, that if any Creditor becomes a judgment Lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Swap Obligations or the Loan Obligations, as the case may be, such judgment Lien shall be subject to the terms of this Agreement for all purposes as the other Liens securing the Total Obligations are subject to this Agreement and the proceeds thereof shall be applied as provided in Section 4.02(b).

(f) Each Creditor hereby agrees that no Creditor shall have any right individually to realize upon any Liens granted under the Collateral Documents, it being understood and agreed that such Rights may be exercised only by the Collateral Agent or the trustee under the Collateral Documents for the Ratable benefit of the Creditors.

(g) Each Acceptable Commodity Hedging Transaction at the time it is executed by the Borrower or other Loan Party and the any Swap Counterparty shall be deemed to be acceptable under this Agreement if permitted under the Credit Agreement. Each Swap Counterparty Master Agreement will be a "Secured Swap Agreement" under and as defined in the Guarantee and Collateral Agreement. Each Swap Counterparty and the Loan Parties have entered to or will enter into Commodity Hedging Transactions under the applicable Swap Counterparty Master Agreement that comply with the limitations set forth in the definition of Acceptable Commodity Hedging Transaction and any Commodity Hedging Transaction that does not comply with such limitations will not be secured by the Collateral. If a Commodity Hedging Transaction would otherwise be secured under the Collateral Documents but for a deviation from the criteria for "Acceptable Commodity Hedging Transactions" set forth in the definition hereof, and that deviation is consented to in writing and delivered via electronic mail to the applicable Swap Counterparty in accordance with Section 5.09 by the Administrative Agent (with such approvals

as may be required by the Credit Agreement), then such Commodity Hedging Transaction shall be secured by the Collateral Documents.

(h) Each Creditor hereby agrees that it shall not (and hereby waives any right to) contest, or support any other Person in contesting, in any proceedings (including any insolvency or liquidation proceedings), the priority, validity or enforceability of a Lien held by or on behalf of the Collateral Agent in any Collateral; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Collateral Agent or any Creditor to enforce this Agreement as provided herein.

(i) Each Lender and each Swap Counterparty agrees that (i) it will not (and hereby waives any right to) challenge or question in any proceeding the validity or enforceability of any of the Total Obligations or any Collateral Document or the validity, attachment, perfection or priority of any Lien under any Collateral Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral by Collateral Agent in accordance with the terms of this Agreement, (iii) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against Collateral Agent or any other Creditor seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Collateral, and none of Collateral Agent or any other Creditor shall be liable for any action taken or omitted to be taken by Collateral Agent or Creditor, with respect to any Collateral in accordance with the provisions of this Agreement, (iv) it will not seek, and hereby waives any right, to have any Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (v) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided, that nothing in this Agreement shall be construed to prevent or impair the rights of any of Collateral Agent or any other Creditor to enforce this Agreement.

Section 2.02. Specified Swap Obligations.

(a) Commencing on the Tenth Amendment Effective Date, the BP Specified Swap Obligations shall bear interest at the rate per annum set forth in Section 2.6(a) of the Credit Agreement for the Loans then outstanding; provided, that if at any time, the Borrower has outstanding one or more Term SOFR Loans and one or more ABR Loans, the BP Specified Swap Obligations shall bear interest at a rate determined by reference to Adjusted Term SOFR plus the Applicable Rate.

(b) On each Interest Payment Date, interest accrued on the BP Specified Swap Obligations shall be due and payable in cash; provided, that to the extent the Borrower elects PIK Interest pursuant to Section 2.6(b) of the Credit Agreement (and the Administrative Agent approves such election in accordance with the Credit Agreement), BP acknowledges and agrees that interest on the BP Specified Swap Obligations for the applicable Interest Period will accrue as PIK Interest to the same extent as the Loan Obligations without further action of any party hereto. All

interest hereunder shall be computed at the time and in the manner set forth in Section 2.6(b) of the Credit Agreement.

(c) [reserved].

(d) All payments with respect to the BP Specified Swap Obligations due pursuant to this Section 2.02, shall be made to the Administrative Agent for distribution to BP (to the BP Account or otherwise as mutually agreed between BP and the Administrative Agent) pursuant to the procedures set forth with respect to payment of interest set forth in the Credit Agreement.

(e) The BP Specified Swap Obligations (i) shall be due and payable in full on the Maturity Date and (ii) shall not require any ongoing mark to market payments, amortization, fees or otherwise.

(f) From and after the Tenth Amendment Effective Date, while no Triggering Event has occurred, the proceeds of (i) any sale of Collateral, (ii) repayments pursuant to Section 2.7 of the Credit Agreement, (iii) voluntary prepayments pursuant to Section 2.8 of the Credit Agreement and (iv) mandatory prepayments pursuant to Section 2.9 of the Credit Agreement shall, in each case, be applied Ratably among the Loan Obligations and the BP Specified Swap Obligations.

Section 2.03. Limitations on Separate Credit Support. Each Swap Counterparty agrees that, without the prior written consent of the Administrative Agent, such Swap Counterparty will not seek or accept credit support for any Swap Obligation or any other Commodity Hedging Transaction between the Loan Parties and such Swap Counterparty, including without limitation letters of credit, guarantees from any owner of the Loan Parties or any other Person, or Liens on any Property of the Loan Parties, other than the Rights of such Swap Counterparty under the Collateral Documents until after the full payment and cancellation of the Loan Obligations.

Section 2.04. Release of Collateral; Authorization; Amendments to Loan Documents; Notice of Releases.

(a) Subject to the terms hereof and the Loan Documents, the Collateral Agent shall permit the Loan Parties to remain in possession and control of the Collateral, to operate the Collateral, and to collect, invest and dispose of any income thereon or therefrom.

(b) The Collateral Agent shall have the right from time to time to release Collateral from the Liens created by the Collateral Documents Subject to Section 5.04, the Collateral Agent shall not, in connection with a Disposition, release any Collateral from Liens created by the Collateral Documents during the existence of a Triggering Event, except for Permitted Dispositions; provided, that all Parties acknowledge and agree that the proceeds of any Permitted Disposition that occurs during the existence of a Triggering Event shall constitute Proceeds and shall be applied in accordance with Section 4.02.

(c) To the extent permitted by, and subject to the provisions of, the applicable Collateral Documents, (i) the Collateral Agent may, in its sole discretion and without the consent of the Creditors, take all actions it deems necessary or appropriate in order to enforce any of the terms of the Collateral Documents and (ii) the Collateral Agent shall have power to institute and to maintain such suits and proceedings as it may deem expedient (A) to prevent any impairment of

the Collateral by any act that may be unlawful or in violation of the Principal Agreements, and (B) to preserve or protect its interests and the interests of the Creditors in the Collateral; provided, that, for the avoidance of doubt, the foregoing shall not be understood to grant the Collateral Agent any rights it does not have under the Credit Agreement and Collateral Documents (excluding this Agreement and any other Swap Intercreditor Agreement). Notwithstanding the above, the Collateral Agent may choose not to take any action authorized by this Section until it receives written direction from a Creditor.

(d) The Collateral Agent is authorized to receive any Proceeds for the benefit of the Creditors and to distribute such Proceeds to the Creditors in accordance with the provisions of this Agreement.

(e) The Collateral Agent shall, as soon as reasonably practicable after any release of the Collateral permitted by Section 2.04(b), notify each Swap Counterparty of such release giving full particulars with respect thereto; provided, however, that any failure of the Collateral Agent to comply with the requirements of this sentence shall not give rise to any breach of contract claim against the Collateral Agent, the Administrative Agent or any Lender or result, directly or indirectly, in any liability being imposed on the Collateral Agent, the Administrative Agent or any Lender in connection therewith.

(f) The Lender Group may enter into any increase, amendment, modification or supplement to any Loan Document (other than (x) the Collateral Documents, unless permitted by clause (g) below and (y) Section 2.12(f) of the Credit Agreement in a manner adverse to any Swap Counterparty), enter into new or additional credit facilities with the Loan Parties, or grant any waiver, consent, release, indulgence, extension or renewal with respect to any Loan Document (other than the Collateral Documents, unless permitted by clause (g) below) or such new or additional credit facilities ("**Credit Agreement Modifications**"), and such Credit Agreement Modifications shall be deemed accepted by the Swap Counterparties and the Loan Parties for the purposes of the Swap Counterparty Master Agreements with respect to those provisions of the Loan Documents (other than the Collateral Documents, unless permitted by clause (g) below) incorporated by reference in each Swap Counterparty Master Agreement. The Administrative Agent shall, as soon as reasonably practicable after entering into any amendment, modification or supplement to the Credit Agreement or any Collateral Document, notify the Swap Counterparties and provide the Swap Counterparties with a copy of such amendment, modification or supplement; provided, however, that any failure of the Administrative Agent to comply with the requirements of this sentence shall not impact the validity of such amendment, modification or supplement, give rise to any breach of contract claim against the Administrative Agent or any Lender or result, directly or indirectly, in any liability being imposed on the Administrative Agent or any Lender in connection therewith.

(g) The Collateral Agent may enter into any amendment, modification or supplement to any of the Collateral Documents, unless the effect of such amendment would be to (i) change the priority of or subordinate the Liens created thereby, except to the extent the Administrative Agent is permitted to do so under the Credit Agreement, (ii) materially modify any remedy provided for therein if adverse to any Swap Counterparty, (iii) materially reduce or diminish the benefits of all or substantially all of the security provided for in the Collateral Documents, except to the extent the Administrative Agent is permitted to do so under the Credit Agreement, or (iv)

otherwise have any material detrimental effect on any Swap Counterparty's rights and obligations under this Agreement.

(h) The Borrower hereby agrees that substantially concurrently with any notice that is delivered to (i) the Administrative Agent or the Collateral Agent pursuant the Credit Agreement, or (ii) the Swap Counterparty pursuant to the Swap Documents, it shall deliver such notice to the Administrative Agent, the Collateral Agent and the Swap Counterparty, as applicable; provided, however, that any failure of the Borrower to comply with the requirements of this clause (h) shall not shall not impact the validity of such notices.

Section 2.05. Hedge Reports. The Borrower hereby agrees any Swap Counterparty may provide to the Administrative Agent from time to time, and such Swap Counterparty hereby agrees to provide or otherwise make available (which may be via access to an online portal containing the daily mark to market information of the Borrower) to the Administrative Agent within five (5) Business Days following such request, a report of the marked-to-market positions of the various transactions in effect from time to time under the Swap Counterparty Master Agreements. Borrower hereby irrevocably consents and agrees that the Swap Counterparties may provide or otherwise make available to the Administrative Agent, its successors and assigns such reports, confirmations and mark to market information as contemplated above, including, without limitation, by granting the Administrative Agent access to an online portal that reflects the daily mark to market information of the Borrower.

Section 2.06. Consent to Disclosures. The Loan Parties hereby consent to Creditors' disclosure to each other of any confidential information relating to the Loan Parties that has been provided to any Creditor by or for the benefit of the Loan Parties, notwithstanding any confidentiality agreement between the Loan Parties and any Creditor that might otherwise limit or prohibit such disclosure; provided that the receiving Creditor agrees to treat such information as confidential in accordance with the terms of Section 10.17 of the Credit Agreement.

Section 2.07. Refinancing. The Swap Counterparties consent to any Refinancing of the Credit Agreement and the indebtedness thereunder; provided that the holders of such Refinancing debt (or an agent on their behalf) bind themselves in writing to the terms of this Agreement, and provided further that any such Refinancing shall require the prior written consent of the Swap Counterparties if, on the date of such Refinancing, such Refinancing causes the aggregate principal amount outstanding under the Credit Agreement (after giving effect to such Refinancing) to exceed 85% of the aggregate present value of the future net income with respect to proved and producing reserves attributable to the Oil and Gas Properties of the Borrower and its Subsidiaries as set forth in the most recently provided Reserve Report, discounted at a 9% per annum discount rate, thus causing a material reduction in the value of the Collateral, security or credit support available to the Swap Counterparties, while Swap Obligations are still in effect or outstanding hereunder, unless Borrower (i) delivers *pari passu* first lien replacement security (unencumbered, except for liens and encumbrances permitted by the Credit Agreement) to be shared ratably by the Creditors under and in accordance with this Agreement, having a value and terms and conditions reasonably acceptable to the Swap Counterparties, or (ii) provides the Swap Counterparties with replacement security sufficient in form, amount and for a term reasonably acceptable to the Swap Counterparties.

ARTICLE III
COLLATERAL AGENT

Section 3.01. Appointment of the Collateral Agent. Each Creditor hereby designates the Collateral Agent to act as the contractual representative for the Creditors, to hold and enforce the Liens under the Collateral Documents for the benefit of the Creditors and take certain other actions as permitted by the Collateral Documents and this Agreement. Each Creditor hereby authorizes the Collateral Agent to take such action on its behalf under the provisions of this Agreement and the Collateral Documents and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to it hereunder or under any Collateral Document or required of the Collateral Agent by the terms hereof or thereof and such other powers as are reasonably incidental thereto. The Collateral Agent may perform any of its duties hereunder by or through its affiliates, agents or employees and the exculpatory and indemnification provisions in this Agreement and the Collateral Documents shall apply to any such affiliate, agent or employee. The Collateral Agent agrees to act as the Collateral Agent upon the express terms and conditions contained herein.

Section 3.02. Nature of Duties of the Collateral Agent. The Collateral Agent shall have no duties or responsibilities, except those expressly set forth in this Agreement, the Credit Agreement, or the Collateral Documents. The Collateral Agent shall have and may exercise such powers hereunder and under the Collateral Documents as are specifically delegated to the Collateral Agent by the terms hereof, together with such powers as are reasonably incidental thereto. Neither the Collateral Agent nor any of its affiliates, directors, officers, employees or agents (each, a "**Protected Party**") shall be liable to the Creditors for any damages caused by any action taken or omitted by any Protected Party hereunder or under the Collateral Documents (**INCLUDING THOSE DAMAGES CAUSED BY THE SOLE NEGLIGENCE, COMPARATIVE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR CONCURRENT NEGLIGENCE OF ANY PROTECTED PARTY**), unless caused solely by the gross negligence or willful misconduct of the Protected Party seeking protection under this Section 3.02. The duties of the Collateral Agent shall be mechanical and administrative in nature; and the Collateral Agent, in its capacity as such, shall not have by reason of this Agreement or the Collateral Documents a fiduciary relationship in respect of any Creditor. Nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon the Collateral Agent any duties or obligations in respect of this Agreement and the Collateral Documents except as expressly set forth herein. Other than its duties expressly provided herein or in the Collateral Documents, Collateral Agent shall have no implied duties to Creditors or the Loan Parties under or in connection with this Agreement and no implied duties as to any Property belonging to the Borrower (whether or not the same constitutes Collateral), whether such Property is in Collateral Agent's possession or control or in the possession or control of any of its agents or nominees, or any income thereon or as to the preservation of Rights against prior parties or any other rights pertaining thereto or available at law or otherwise. Collateral Agent shall have the same Rights hereunder as any other Creditor and may exercise the same as though it were not performing the duties specified herein. The Person serving as Collateral Agent may engage in any kind of other business with the Loan Parties or any of the Loan Parties' affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the Loan Parties and such other Persons in connection with

this Agreement or any Principal Agreement, and otherwise, without having to account for the same to the other Creditors except as specified herein.

Section 3.03. Lack of Reliance on the Collateral Agent.

(a) Independently and without reliance upon the Collateral Agent or any other Creditor, each Creditor represents to the Collateral Agent and each of the other Creditors that, as of the date of this Agreement, such Creditor has made (i) its own independent investigation of the financial condition and affairs of the Loan Parties based on such documents and information as it has deemed appropriate in connection with the taking or not taking of any action in connection herewith, and (ii) its own appraisal of the creditworthiness of the Loan Parties. Each Creditor also acknowledges that it will, independently and without reliance upon the Collateral Agent or any other Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement or the Collateral Documents. Except as expressly provided in this Agreement, the Collateral Agent shall have no duty or responsibility, either initially or on a continuing basis, to provide any Creditor with any credit or other information concerning the affairs, financial condition or business of the Loan Parties which may come into the possession of the Collateral Agent or any of its affiliates whether now in its possession or in its possession at any time or times hereafter; and the Collateral Agent shall not be required to keep itself informed as to the performance or observance by the Loan Parties of this Agreement, any Collateral Document or any other document referred to or provided for herein or to inspect the Properties or books of the Loan Parties.

(b) The Collateral Agent shall not (i) be responsible to any Creditor for any recitals, statements, information, representations or warranties herein, in any Collateral Document, or in any document, certificate or other writing delivered in connection herewith or therewith or for the execution, effectiveness, genuineness, validity, enforceability, collectability, priority or sufficiency of this Agreement or the Collateral Documents or the financial condition of the Loan Parties; or (ii) be required to make any inquiry concerning (a) the performance or observance by others of any of the terms, provisions or conditions of this Agreement or the Collateral Documents, including the content of notices, opinions, certificates and directions given under this Agreement or the Collateral Documents, (b) the financial condition of the Loan Parties, or (c) the existence or possible existence of any "default" or "event of default" under the Principal Agreements. To the extent the Collateral Agent receives any written notice of default provided to the Loan Parties by the Administrative Agent, it shall promptly provide a copy of the same to each Swap Counterparty but shall in no event have any liability to any Swap Counterparty for any failure to so provide such notice.

Section 3.04. Certain Rights of the Collateral Agent. If the Collateral Agent shall request instructions from the Creditors with respect to any act or action (including the failure to act) in connection with this Agreement or the Collateral Documents, the Collateral Agent shall be entitled to refrain from such act or taking such action unless and until the Collateral Agent shall have received written instructions from any Creditor or Creditors pursuant to the terms hereof; and the Collateral Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Creditor shall have any right of action whatsoever against the Collateral Agent as a result of the Collateral Agent acting or refraining from acting under this

Agreement or the Collateral Documents in accordance with the written instructions given in accordance with this Agreement, and such instructions and any action taken or failure to act pursuant thereto shall be binding on all the Creditors. The Collateral Agent shall be fully justified in failing or refusing to take any action hereunder or under the Collateral Documents unless it shall first be indemnified to its satisfaction by the Creditors against any and all liability and expense which may be incurred by the Collateral Agent by reason of taking or continuing to take any such action. Notwithstanding any other provision of this Article III or any indemnity or instructions provided by any or all of the Creditors, the Collateral Agent shall not be required to take any action which, in the reasonable belief of the Collateral Agent, exposes the Collateral Agent to personal liability or which, in the reasonable belief of the Collateral Agent, is contrary to this Agreement, the Collateral Documents or applicable law.

Section 3.05. Reliance by the Collateral Agent. The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, statement, certificate or telecopier message, cablegram, radiogram, facsimile transmission, e-mail, order or other documentary, teletransmission or telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper Person. The Collateral Agent may consult with legal counsel, accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts.

Section 3.06. Creditors as Owners. The Collateral Agent may deem and treat each Creditor as the owner of its portion of the Total Obligations as described herein for all purposes hereof unless and until the Collateral Agent is notified of a change in Creditors.

Section 3.07. Successor Collateral Agent.

(a) Collateral Agent shall not be subject to removal by Creditors or the Loan Parties; provided that if the Person serving as Administrative Agent is replaced as Administrative Agent under the Credit Agreement, the Person serving as replacement Administrative Agent shall automatically and without further action or consent by the Loan Parties or the Swap Counterparties become Collateral Agent under this Agreement. The Collateral Agent may resign at any time by giving thirty (30) days prior written notice thereof to the Creditors and the Borrower. Following any such notice of resignation, the resigning Collateral Agent shall have the right to appoint a successor Collateral Agent, subject to the consent of the Swap Counterparties to the appointee (which consent shall not be unreasonably withheld, conditioned or delayed). If within thirty (30) days after the retiring Collateral Agent's giving of notice of resignation, no successor Collateral Agent shall have been so appointed by the resigning Collateral Agent which has accepted such appointment, then the Swap Counterparty may, in its sole discretion, appoint a successor Collateral Agent.

(b) Upon the acceptance of any appointment as the Collateral Agent hereunder by a successor Collateral Agent, such successor Collateral Agent shall thereupon succeed to and become vested with all the Rights and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties under this Agreement. After any retiring Collateral Agent's resignation hereunder as the Collateral Agent, the provisions of this

Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Collateral Agent under this Agreement.

Section 3.08. Employment of Collateral Agent and Counsel. The Collateral Agent may execute any of its duties as the Collateral Agent hereunder or under the Collateral Documents by or through employees, agents, and attorneys-in-fact and shall not be answerable to the Creditors for the default or misconduct of any such employees, agents or attorneys-in-fact reasonably selected by it in good faith unless such default or misconduct is a direct result of the gross negligence or willful misconduct of the Collateral Agent in monitoring the activities of such employees, agents or attorneys-in-fact; provided that the Collateral Agent shall always be obligated to account for moneys or securities received by it or its authorized agents. The Collateral Agent shall be entitled to advice of independent legal counsel concerning all matters pertaining to the collateral agency hereby created and its duties hereunder or under the Collateral Documents.

Section 3.09. Limitation on Liability of the Creditors and the Collateral Agent. The Creditors and the Collateral Agent shall not be deemed, as a result of the execution and delivery of the Collateral Documents or the consummation of the transactions contemplated by this Agreement and the Collateral Documents, to have assumed any obligation of the Loan Parties with respect to the Collateral or any liability under or with respect to any of the contracts, agreements, leases, instruments or documents which are, or which may hereafter be, assigned to the Collateral Agent for the benefit of the Creditors.

ARTICLE IV
ELECTION TO PURSUE REMEDIES; PROCEEDS

Section 4.01. Procedures Regarding Remedies.

(a) Upon the occurrence and during the continuance of any Triggering Event, the Collateral Agent shall, upon the request of any of the Accelerated Creditors specifying the particular actions being requested by such Accelerated Creditor, and subject to the other provisions of this Agreement, commence to take, or direct the appropriate trustee or agent to take, those requested actions provided for in the Collateral Documents relating to the pursuit of remedies; provided, that the Swap Counterparties shall not have the right to require Collateral Agent to realize on any Liens or take any enforcement actions granted pursuant to the Collateral Documents until, if the amount of Swap Obligations owing to the Swap Counterparty is equal to or greater than fifty percent (50%) of the Total Obligations, the forty-fifth (45^{th}) day after a Triggering Event of the type referred to in clause (i) of the definition of Triggering Event shall have occurred (the "**Standstill Period**") and provided further that such Triggering Event shall be continuing on such date and the Collateral Agent shall not have diligently commenced exercise of remedies on such date; provided further that to the extent the amount of Swap Obligations owing to one or more Swap Counterparties is equal to or greater than seventy-five percent (75%) of the Total Obligations, such Swap Counterparties will not be subject to the Standstill Period and may immediately request the Collateral Agent to take actions as provided in this Section 4.01. For the avoidance of doubt, the Swap Counterparty shall not have the right to require Collateral Agent to realize on any Liens or take any enforcement actions granted pursuant to the Collateral

Documents if the amount of Swap Obligations owing to the Swap Counterparty is less than fifty percent (50%) of the Total Obligations.

(b) The Loan Parties and the Creditors agree that upon the occurrence of a Triggering Event, all payments made to any Creditor by the Loan Parties shall be shared by all Creditors in accordance with Section 4.02.

(c) Each Creditor agrees: (i) to deliver to each other Creditor, as applicable, at the same time it makes delivery to the Borrower, a copy of any (A) notice declaring the occurrence of an Event of Default under any Loan Documents, (B) notice declaring the occurrence of an Event of Default (as defined in the applicable Swap Documents) or Termination Event (as defined in the applicable Swap Documents) under any Swap Documents, (C) notice of intent to accelerate or notice of acceleration of the Loan Parties' obligations, or (D) notice of the designation of an Early Termination Date (as defined in the applicable Swap Documents) with respect to any Swap Obligation; (ii) to deliver to each other Creditor, at the same time it makes delivery to any other Person, a copy of any notice of the commencement of any judicial proceeding and a copy of any other notice with respect to the exercise of remedies with respect to any of the Total Obligations; and (iii) deliver the Early Termination Amount (as defined in the applicable Swap Documents). Any failure by a party hereto to furnish a copy under this clause (c) shall not limit or affect the rights and obligations hereunder.

(d) Each of the Swap Counterparties and the Collateral Agent hereby agrees that it shall endeavor to furnish the Borrower with a copy of any notice provided or received, as applicable, by it pursuant to clause (i) of the definition of Triggering Event. Each of the Borrower and the Administrative Agent hereby agrees that it shall endeavor to furnish the Swap Counterparties with a copy of any notice received or provided, as applicable, by it pursuant to clause (ii) of the definition of Triggering Event. Any failure by a party hereto to furnish a copy under this clause (d) shall not limit or affect the rights and obligations hereunder.

(e) The Borrower hereby agrees that any Swap Counterparty may provide to the Administrative Agent from time to time, and such Swap Counterparty hereby agrees to provide to the Administrative Agent within three (3) Business Days following such Swap Counterparty's receipt of a written request therefor from the Administrative Agent, a report of the marked-to-market positions of the various transactions in effect from time to time under the applicable Swap Documents. Any unintentional failure by any Swap Counterparty to timely furnish information required under this clause (e) shall not limit or affect the parties' rights and obligations hereunder.

(f) In the event that the Liens created under the Collateral Documents conflict with the Liens created under other security documents in favor of or for the benefit of the Administrative Agent, the Liens created under the Collateral Documents shall have priority.

(g) Collateral Agent shall not be obligated to follow any instructions of any Accelerated Creditor if Collateral Agent determines, in its sole and absolute discretion, that: (i) such instructions conflict with the provisions of this Agreement, any Principal Agreement, any Collateral Document or any Governmental Requirement, (ii) such instructions are ambiguous, inconsistent, in conflict with other instructions (whether from the same or another Accelerated

Creditor) or otherwise insufficient to direct the actions of Collateral Agent; provided that Collateral Agent explains the grounds for a refusal, or (iii) Collateral Agent has not been adequately indemnified to its satisfaction (including indemnity from the Accelerated Creditors in accordance with the Ratable amounts of Total Obligations owing to them). Collateral Agent shall have the right, in its discretion, to take any action authorized under this Agreement or the Collateral Documents, to the extent that such action is not prohibited by the terms hereof or thereof, which it deems proper and consistent with the instructions given by any Accelerated Creditor as provided for herein or otherwise in the best interest of Creditors. In the absence of written instructions from any Accelerated Creditor for any particular matter, Collateral Agent shall have no duty to take or refrain from taking any action unless such action or inaction is explicitly required by the terms of this Agreement or any Governmental Requirement. Collateral Agent shall have no duty with respect to a Triggering Event unless it has received written notice from an Accelerated Creditor that a Triggering Event has occurred.

(h) The Collateral Agent shall cease to comply with any direction by any Swap Counterparty pursuant to this Section 4.01 if (i) the Triggering Event under the applicable Swap Documents of such Swap Counterparty has been cured or waived or (ii) the amounts owed by Borrower to such Swap Counterparty under Acceptable Commodity Hedging Transactions have been paid in full or otherwise discharged.

Section 4.02. Proceeds.

(a) The Creditors hereby agree between themselves that (i) prior to the occurrence of a Triggering Event, each Creditor shall be entitled to receive and retain for its own account, and shall never be required to disgorge to the Collateral Agent or any other Creditor hereunder or acquire direct or participating interests in the Loan Obligations or the Swap Obligations, as the case may be, owing to such Creditor, scheduled payments or voluntary prepayments, payments for the redemption or purchase of principal, interest, fees and premium, if any, settlement payments and any other payments in respect of the Principal Agreements or Credit Agreement Modifications, all in compliance with the terms thereof, and (ii) upon the occurrence and during the continuance of a Triggering Event, all such amounts received by any Creditor following such Triggering Event shall constitute Proceeds, shall be turned over to the Collateral Agent, and shall be shared by the Creditors, Ratably, and in accordance with Section 4.02(b) below; provided, however, and for the avoidance of doubt, if the Administrative Agent grants its consent for any letter of credit pursuant to Section 2.03, no Swap Counterparty shall be obligated to hold in trust, pay over or share with the Administrative Agent any portion of the proceeds of any such letter of credit.

(b) All Proceeds received by the Collateral Agent during the existence of a Triggering Event shall be applied in accordance with this Section 4.02. To the extent any Creditor ever receives any portion of such Proceeds in excess of its Ratable share (or to the extent the Collateral Agent receives reimbursement in excess of expenses actually incurred), the party receiving those excess Proceeds agrees to promptly make all necessary transfers so as to give full effect to this Section 4.02. All Proceeds received by the Collateral Agent during the existence of a Triggering Event shall be applied in the following order:

(i) ***First***, to reimburse the Collateral Agent for expenses in accordance with Section 5.01;

(ii) ***Second***, Ratably, to the Administrative Agent in respect of amounts owing to the Lender Group and to the Swap Counterparties until the Total Obligations are fully satisfied; and

(iii) ***Third***, to the extent that any Proceeds remain, to the Borrower or as otherwise required by applicable law.

Section 4.03. Notice of Amount of Indebtedness. Upon receipt of any Proceeds to be distributed pursuant to Section 4.02, the Collateral Agent shall give the Creditors notice thereof, and each Creditor (or its representative) shall, within three (3) Business Days, notify the Collateral Agent of the amount of the Total Obligations owing to it. Such notification shall state the amount of the Total Obligations owing to it and how much is then due and owing. If requested by the Collateral Agent, each Creditor (or its representative) shall demonstrate that the amounts set forth in its notice are actually owing to such Creditor to the reasonable satisfaction of the Collateral Agent. Notwithstanding the foregoing, the Collateral Agent may conclusively rely on information in such notices without any investigation. In the event that any Creditor fails to timely notify the Collateral Agent of the amount of the Total Obligations owed to it, the Collateral Agent shall distribute such Proceeds on any basis deemed reasonable by it and not in bad faith.

Section 4.04. Additional Swap Counterparties. If any Person that is approved by Administrative Agent as a counterparty to a Swap Agreement under the Credit Agreement desires to become a "Swap Counterparty" for the purposes of this Agreement and the Collateral Documents, then it shall execute and deliver to the Administrative Agent and the Borrower a Joinder Supplement substantially in the form of Exhibit B hereto. In each case, upon execution and delivery of such Joinder Supplement by such Person, Administrative Agent and Borrower, such Person shall be deemed a Swap Counterparty hereunder as if an original signatory. Joinder Supplements executed pursuant to this Section 4.04 do not require the signatures or consents of all Creditors party to this Agreement. Promptly after execution of any such Joinder Supplement, the parties thereto will endeavor to send a copy thereof to each other Swap Counterparty, but failure or delay in doing so will not make such Joinder Supplement void or voidable or otherwise affect the rights and duties of the parties hereto.

ARTICLE V
MISCELLANEOUS

Section 5.01. Expenses. The Lenders and the Swap Counterparties shall each bear their Ratable share of any reasonable expenses incurred by the Collateral Agent in taking action on behalf of the Creditors in connection with its investigation, evaluation or enforcement of any Rights under the Collateral Documents or the performance of its duties under this Agreement or under any of the Collateral Documents, but only to the extent Collateral Agent does not receive reimbursement for such expenses from the Loan Parties or from Proceeds within thirty (30) days after such expenses are invoiced; provided, that, to the extent any Creditor reimburses Collateral Agent for such expenses, such Creditor will be entitled to receive its Ratable share of any

reimbursement subsequently received by Collateral Agent from the Loan Parties or from Proceeds.

Section 5.02. Limitation of Collateral Agent Liability; Indemnification of the Collateral Agent. Neither the Collateral Agent nor any of its representatives shall (i) be liable for any action taken or omitted to be taken by it or them hereunder or under the Collateral Documents in good faith and reasonably believed by it or them to be within the discretion or power conferred upon it or them by this Agreement and the Collateral Documents or (ii) be responsible for the consequences of any error of judgment, except to the extent arising solely from its gross negligence or willful misconduct. The Collateral Agent shall not be responsible in any manner to any other party for the effectiveness, enforceability, genuineness, validity or the due execution of the Collateral Documents or for any representation, warranty, document, certificate, report or statement made in or in connection with the Collateral Documents or be under any obligation to any other party to ascertain or inquire as to the performance or observation of any of the terms, covenants or conditions of any of the Loan Documents or the Swap Documents on the part of the Borrower. The Lenders and the Swap Counterparties agree to Ratably reimburse and indemnify the Collateral Agent and its affiliates, directors, officers, employees and agents (each an "**Indemnified Party**") on a current basis and hold the indemnified parties harmless on a current basis from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, reasonable expenses, and reasonable disbursements of any kind or nature whatsoever which may be imposed on, asserted against or incurred by any Indemnified Party in any way relating to or arising out of this Agreement or the Collateral Documents or any action taken or omitted by an Indemnified Party under this Agreement or the Collateral Documents, **INCLUDING ANY SUCH LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, REASONABLE EXPENSES AND REASONABLE DISBURSEMENTS ARISING OUT OF THE SOLE, CONCURRENT, CONTRIBUTORY OR COMPARATIVE NEGLIGENCE OF ANY INDEMNIFIED PARTY,** except to the extent the same results solely from the gross negligence or willful misconduct of such Indemnified Party. The provisions of this Section shall survive the termination of this Agreement, whether in whole or in part.

Section 5.03. Limitation of Liability. No Swap Counterparty (including any individual partner, member, director, employee or agent of any Swap Counterparty) shall incur any liability under this Agreement to the Loan Parties except for liabilities arising from such Swap Counterparty's gross negligence or willful misconduct, as determined by a court of competent jurisdiction. This Agreement is intended to benefit only Collateral Agent and the Creditors, and neither the Loan Parties nor any other Person shall have any rights hereunder or be entitled to claim any damages or defenses on account hereof from or against Collateral Agent or any Creditor (or any affiliate of Collateral Agent or any Creditor).

Section 5.04. Term.

(a) This Agreement shall terminate upon (i) the full payment of the Swap Obligations due and owing to the Swap Counterparties and the delivery by the Loan Parties of a written notice to the Swap Counterparties following such payment that the Loan Parties is terminating the Swap Counterparty Master Agreements; (ii) payment in full of all Loan Obligations (other than indemnity obligations and similar obligations that survive the termination of the Credit

Agreement for which no notice of a claim has been received by the Administrative Agent) under the Credit Agreement or (iii) the execution and delivery of a written termination notice signed by each of the parties; provided that if at any time any payment of the Total Obligations is rescinded or must be restored or returned upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, the obligations of the Borrower and the Rights of the Creditors under this Agreement, with respect to that payment, shall be reinstated as though the payment had been due but not made at that time. Each Swap Counterparties agrees that the Loan Parties may terminate any Swap Counterparty Master Agreement by providing written notice to such Swap Counterparty at any time that there are no outstanding Commodity Hedging Transactions or payment obligations for any Commodity Hedging Transactions thereunder, irrespective of whether the Loan Parties has that express right under the terms of the Swap Counterparty Master Agreement. For purposes of the preceding clause (i), the Collateral Agent or the Borrower may request in writing that such Swap Counterparty confirm the termination of the applicable Swap Counterparty Master Agreement. Such Swap Counterparty shall have ten (10) Business Days from the date the notice is deemed given pursuant to Section 5.09 in which to either confirm in writing such termination or provide a written notice to the Collateral Agent and the Borrower of the total amount of outstanding Swap Obligations claimed in good faith by such Swap Counterparty. If such Swap Counterparty does not provide any notice within the ten (10) Business Day period, or if notice is provided of outstanding Swap Obligations and those obligations are paid in full, such Swap Counterparty Master Agreement will be deemed terminated for purposes of the preceding clause (i).

(b) If Borrower has issued to any Swap Counterparty a letter of credit or other credit support as credit support replacement for the Collateral Documents then securing such Swap Counterparty (such letter of credit or other credit support to be in form and substance and in an amount and from an issuing bank reasonably satisfactory to such Swap Counterparty) to secure payment of all Swap Obligations owing such Swap Counterparty, such Person shall cease to be a Swap Counterparty for all purposes of this Agreement and the Collateral Documents and such Swap Obligations and the Swap Documents of such Swap Counterparty shall cease to be secured by the Collateral Documents.

Section 5.05. Survival of Rights. All of the respective Rights and interests of the Creditors under this Agreement (and the respective obligations and agreements of the Creditors under this Agreement), shall remain in full force and effect regardless of:

(a) any lack of validity or enforceability of any of the Loan Documents, the Swap Documents or any other agreement or instrument related thereto; or

(b) any other circumstance which might otherwise constitute a defense available to, or discharge of, the Loan Parties with respect to the Loan Obligations or the Swap Obligations (other than the defense that such obligations have been fully satisfied).

Section 5.06. Representations and Warranties. Each of the Loan Parties and each Swap Counterparty represents and covenants to each other and to the Collateral Agent that as of the date of its entry into any Commodity Hedging Transactions it will be, an "Eligible Contract

Participant" as defined in 7 U.S.C. § 1a(18). ABC Agent, as the Administrative Agent and as the Collateral Agent, and each Swap Counterparty each represent and warrant to the other that:

(a) neither the execution and delivery of this Agreement nor its performance of or compliance with the terms and provisions hereof will conflict with, or result in a breach of the terms, conditions or provisions of, or constitute a default under, any other agreement to which it is now subject;

(b) it has all requisite authority to execute, deliver and perform its obligations under this Agreement; and

(c) this Agreement constitutes its legal, valid, and binding obligation, enforceable against it in accordance with its terms, subject only to applicable bankruptcy, insolvency or similar laws and general principles of equity.

Section 5.07. Further Assurances. Each of the Administrative Agent and the Swap Counterparties covenant that, so long as this Agreement remains in effect, each of the Administrative Agent and the Swap Counterparties will execute and deliver any and all other instruments reasonably requested by the other to give effect to the terms and conditions of this Agreement.

Section 5.08. Assignment; Agreement Binding on Successors and Assigns. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of each Creditor and its respective successors and permitted assigns. The terms and provisions of this Agreement shall not inure to the benefit of, nor be relied upon by, the Borrower or its successors or assigns. No Swap Counterparty shall assign, transfer or sell any part of its portion of the Total Obligations without the prior written consent of the Administrative Agent in its sole and absolute discretion. For purposes of the immediately preceding sentence, a change of control of any Swap Counterparty or a merger by any Swap Counterparty with another entity shall not constitute an assignment of such Swap Counterparty's portion of the Total Obligations. This Agreement, the Loan Documents and the Loan Obligations may be assigned at any time to any Person(s) without the consent of any Swap Counterparty.

Section 5.09. Notice. Unless otherwise provided, any consent, request, notice, or other communication under or in connection with this Agreement must be in writing to be effective and shall be deemed to have been given (a) if sent by a nationally recognized overnight delivery service using its overnight delivery option (e.g., Federal Express, UPS or the United States postal service), on the Business Day after it is enclosed in an envelope and properly addressed, stamped and deposited with such delivery service, (b) if by other form of mail, on the third Business Day after it is enclosed in an envelope and properly addressed, stamped, sealed, certified return receipt requested, and deposited in the appropriate official postal service, or (c) if by courier, electronic transmissions, or facsimile transmission, when actually delivered. Until changed by a subsequent notice delivered in accordance with this Section, notices for each party are to be directed to:

Delivery of an executed counterpart of such written instrument by telecopy, e-mail, facsimile or other electronic means shall be effective delivery of a manually executed counterpart of such written instrument.

Section 5.12. Invalid Provisions. If any part of this Agreement is for any reason found to be unenforceable, all other portions nevertheless remain enforceable. However, if the provision held to be unenforceable is a material part of the Agreement, such unenforceable provision may, to the extent permitted by law, be replaced by a clause or provision judicially construed and interpreted to be as similar in substance and content to the original terms of such provision as the context would reasonably allow, so that such clause or provision would thereafter be enforceable.

THIS AGREEMENT is made with effect on March 16, 2021.

B E T W E E N:

Canadian Overseas Petroleum Limited, a body corporate, incorporated under the laws of the Province of Alberta ("**COPL**" or "**Lender**")

- and -

COPL America Inc., a company registered under the laws of Delaware State of the USA ("**COPL America**" or "**Borrower**")

1. WHEREAS COPL owns, via COPL America Holding Inc., all of the issued and outstanding shares of COPL America, subject to the warrants issued to the Senior Lenders (as defined below);

2. WHEREAS from time to time COPL and/or its wholly owned Canadian subsidiary, COPL Technical Services Limited ("**COPL Tech**") advances funds to COPL America or makes payment directly to creditors or suppliers of COPL America and/or its wholly owned US subsidiaries Atomic Oil & Gas LLC and Southwestern Production Corp. at the request and direction, and for the account of, COPL America; and

3. WHEREAS COPL and COPL Tech provide geological, field development, and project operational, management and administrative services to other companies within COPL group for which COPL UK will charge COPL America and/or its subsidiaries on quarterly basis and in accordance with a separate Management, Technical and Administrative Service Agreements (the "**Service Charges**").

NOW THEREFORE the parties hereto agree as follows:

4. COPL will advance funds by way of loan under the terms of this Agreement from time to time to meet the needs of COPL America and may make direct payments to creditors or suppliers of COPL America at the request and direction, and for the account of, COPL America (the "**Advances**").

5. Lender hereby agrees to provide a credit facility (the "**Facility**") under which Borrower may borrow, on the terms and conditions laid out in this agreement, amounts up to the sum of six million five hundred thousand ($6,500,000) United States Dollars (the "**Maximum Facility Amount**"). Advances and Service Charges received (and not otherwise paid for) by COPL America from COPL, which shall not exceed the Maximum Facility Amount, are referred to as the "**Principal Amount**". Subject to Section 6 below, the unpaid balance of the Principal Amount, together with any accrued but unpaid interest, shall be payable on the later of (i) March 16, 2026 and (ii) one year following the

date that all Senior Debt (as defined below) has been fully satisfied and repaid in full in cash to the Senior Lenders, in an amount equal to all outstanding principal of, and all accrued but unpaid interest pursuant to, this Agreement on such date.

6. Notwithstanding anything contained herein to the contrary:

(a) subject to the provisions of Sections 6(b) and 6(c) hereof and until all Senior Debt has been fully satisfied and repaid in full in cash to the lenders and any administrative and/or collateral agent for such lenders (collectively, together with any successors and assigns, "**Senior Lenders**") from time to time party to the Senior Credit Agreement and the Senior Lenders' commitments under the Senior Credit Agreement have been terminated, the indebtedness evidenced by this Agreement shall at all times be wholly subordinate and junior in right of payment to all Senior Debt;

(b) except as provided in Section 6(c) hereof, COPL America may pay to COPL, and COPL may accept and retain, up to $166,666 per month in interest and principal due hereunder for each of the first 24 months following the effective date of the Senior Credit Agreement;

(c) COPL America shall not be permitted to make, nor shall COPL be permitted to accept or retain, any payments under this Agreement (whether constituting payments of principal, interest, fees or other charges) if, at the time of such payment, or as result thereof, a "Default" or "Event of Default" exists or would exist under (and as those terms (or any similar terms) are defined in) the Senior Credit Agreement;

(d) if COPL should receive any payment of principal or interest under this Agreement or other distribution in respect of the indebtedness evidenced by this Agreement (other than a payment expressly permitted hereunder), COPL shall hold the same in trust for the benefit of Senior Lenders and shall promptly turn such payment or distribution over to Senior Lenders for application to the Senior Debt. If any payment or distribution of assets of COPL America in respect of the indebtedness evidenced by this Agreement shall be made in any bankruptcy, insolvency or similar proceeding, such payment or distribution shall be paid or delivered directly to Senior Lenders for application to the Senior Debt (whether or not the same is then due or payable) until full and final payment in cash of the Senior Debt and termination of any commitments to lend thereunder;

(e) until Senior Lenders have received full and final payment in cash of the Senior Debt and the Senior Lenders' commitments under the Senior Credit Agreement have been terminated: (i) COPL America shall not grant or suffer to exist a security interest in, mortgage, pledge, assign or transfer any properties or assets of any kind to secure or satisfy all or any part of the indebtedness evidenced by this Agreement, and (ii) COPL shall not demand, collect or accept from COPL America or any other person any security on account of the indebtedness evidenced by this Agreement or any part thereof;

(f) COPL agrees that, for so long as these subordination provisions are in effect, COPL shall not demand, collect or accept from COPL America or any person or entity any payment (other than a payment expressly permitted hereunder) on account of the indebtedness evidenced by this Agreement or realize upon or enforce any judgment lien in respect of any such indebtedness. COPL consents to and waives notice of all extensions, renewals and increases or decreases in the amount of any Senior Debt and the release of any security or guarantor therefor, and any amendments, modifications or waivers of any of the provisions of the Senior Credit Agreement. COPL agrees that it will not at any time initiate, prosecute, participate in any action or other proceeding to challenge or otherwise contest the validity, perfection, priority or enforceability of any Senior Debt or the documents evidencing the same, or the liens and security interests of any holder of the Senior Debt in any assets securing any Senior Debt;

(g) after the Senior Lenders have received full and final payment of the Senior Debt and the Senior Lenders' commitments under the agreements governing Senior Debt (including the Senior Credit Agreement) have been terminated, COPL shall be subrogated (without any recourse to Senior Lenders) to the rights of Senior Lenders to receive payments or distributions on account of the Senior Debt, to the extent of all payments and distributions (if any) paid over to Senior Lenders on account of the indebtedness hereunder, but COPL shall not have any rights or claims against Senior Lenders for any alleged impairment of COPL's subrogation rights;

(h) COPL hereby agrees that, at any time after the date of the effective date of this Agreement, COPL will execute and deliver any additional subordination agreements which may be requested by COPL America or any Senior Lender; provided that the terms of any such additional subordination agreement are consistent in all material respects with the intent of the subordination provisions contained herein; and

(i) the subordination terms provided for hereunder shall continue to be effective during any bankruptcy, insolvency or similar proceeding of COPL America. During any bankruptcy, insolvency or similar proceeding, the Senior Debt shall first be paid in full, in cash before COPL shall be entitled to receive any payment under this Agreement (other than a payment that was made to COPL and expressly permitted by the terms hereunder prior to such proceeding).

in such proceeding) on, and any and all other fees, expense reimbursement obligations, and other amounts due pursuant to the terms of all agreements, documents and instruments providing for, creating, securing or evidencing or otherwise entered into in connection with the Senior Credit Agreement.

7. The Facility is unsecured and shall remain unsecured. The Facility is not guaranteed by any person and shall not be guaranteed at any time hereafter.

8. So long as any Senior Debt is outstanding, COPL irrevocably appoints the Senior Lenders as attorney in fact, and grants the Senior Lenders a power of attorney with full substitution, in the name of COPL, for the use and benefit of the Senior Lenders, in any bankruptcy, insolvency or similar proceeding involving COPL America or its affiliates.

9. Each Senior Lender, if any, shall be an express third-party beneficiary of Section 6 hereof (and the related defined terms used therein) and shall have the legal right to enforce the provisions thereof against COPL as if such Senior Lender were a party hereto.

10. Interest on the Principal Amount and accrued interest as set out below will be calculated on the closing monthly balance outstanding at a fixed interest rate of 5% per annum as selected from a benchmark study and agreed between the parties to this Agreement, for the period from March 16, 2021 and annually thereafter. Interest charges will be calculated and accrued on a monthly basis and if unpaid by the end of each calendar year, compounded on annual basis.

11. The Facility will be denominated in United States dollars and the Principal Amount and interest is repayable in United States dollars ("$"). Advances and Service Charges made in currencies other than $ will be translated into $ using the noon exchange rate as provided by the Bank of Canada as at the date of transaction. COPL America agrees that any related foreign exchange risk will be borne by COPL America.

12. This Agreement is effective March 16, 2021 and the parties hereto acknowledge that as of September 30, 2021, (i) the Principal Amount of the Facility amounts to $4,834,000 and (ii) accrued interest for the period from March 16, 2021 to September 30, 2021 amounts to $72,000.

13. If at any time the Borrower is required to make any set-off, deduction or withholding from a payment due to the Lender under this Agreement, then the Borrower shall take all reasonable steps to mitigate and/or avoid such requirement to the extent possible and shall promptly notify the Lender of such requirement (and the steps it is taking to mitigate and/or avoid such requirement). The Lender shall take such steps as are reasonably required to cooperate with the Borrower's efforts to comply with this clause.

Each registered holder of Bonds will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as the absolute owner of such Bond for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in such Bond, any writing on the Bond Certificate relating to such Bonds (other than a duly executed transfer thereof) or any notice of any previous loss or theft of such Bond Certificate) and no person will be liable for so treating such holder.

1.3 Status

All such Security Interests, guarantees, rights and remedies shall be granted by the Issuer and its Subsidiaries in favour of the Bondholders by no later than the date on which Security Interests are granted in connection with the RBL Facility.

References to any issue or offer or grant to Shareholders or Existing Shareholders "**as a class**" or "**by way of rights**" shall be taken to be references to an issue or offer or grant to all or substantially all Shareholders or Existing Shareholders, as the case may be, other than Shareholders or Existing Shareholders, as the case may be, to whom, by reason of the laws of any territory or requirements of any recognised regulatory body or any other stock exchange or securities market in any territory or in connection with fractional entitlements, it is determined not to make such issue or offer or grant.

In making any calculation or determination of 5-Day Lowest Market Price, Current Market Price or Volume Weighted Average Price, such adjustments (if any) shall be made and as the Calculation Agent or an Independent Adviser considers appropriate to reflect any consolidation or sub-division of the Shares or any issue of Shares by way of capitalisation of profits or reserves, or any like or similar event.

For the purposes of Conditions 3, 6.1, 6.3, 6.4, 6.10 and 6.11 and Condition 11 only, Shares held by or on behalf of the Issuer or any of its Subsidiaries (and which, in the case of Condition 6.3(d) and 6.3(f), do not rank for the relevant right or other entitlement) shall not be considered as or treated as "**in issue**" or "**issued**", or entitled to receive the relevant Dividend, right or other entitlement.

4. Registration and Transfer of Bonds

4.1 Registration

The Issuer will keep or will cause to be kept a Register at its registered office (or if no longer outside the United Kingdom, at such other place outside of the United Kingdom) as provided in Clause 5 (*Register and Title*) of the Bond Instrument.

4.2 Transfer

Bonds may be transferred in accordance with the provisions of Clauses 5 (*Register and Title*) and 7 (*Transfers of Rights and Obligations*) of the Bond Instrument.

5. Interest and Make Whole Amount

5.1 Interest on Bonds

(a) Initial Interest Rate

Each Bond shall bear interest from (and including) the Issue Date (deeming, solely for the purpose of this Condition 5, all Further Bonds issued by the Issuer to have been in issue since the Issue Date) at the rate of 13.00 per cent. per annum, subject to adjustment for any Interest Period in accordance with the provisions of Condition 5.1(b) (the "**Rate of Interest**"), with such interest calculated by reference to the aggregate Principal Amount of the number of Bonds outstanding on each 3-month anniversary date of the Issue Date (each such date, an "**Interest Payment Date**"), and payable (subject as provided in the following paragraph) on each such Interest Payment Date.

Subject to the Issuer giving a Cash Payment Notice pursuant to Condition 5.1(d), all accrued and unpaid interest amounts shall be deferred (any such interest so deferred, "**Deferred Interest**") and become payable in cash on the earlier of: (i) the Maturity Date, (ii) subject as provided in Condition 6.2, the relevant Conversion Payment Date in respect of any exercise of Conversion Rights, if applicable, (iii) any relevant Fundamental Change Event Put Date, if applicable, (iv) any Tax Redemption Date, if applicable, (v) the Issuer Optional Redemption Date, if applicable, (v) the Interest Payment Date immediately following the relevant date on which the Cash Payment Notice is given, if applicable and (vi) the date on which an Acceleration Notice is delivered to the Issuer by any Bondholder, if applicable.

No interest shall accrue on any Deferred Interest.

For the purposes of these Conditions:

"**Interest Period**" means the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date.

(b) Interest Step-Up

The Rate of Interest on each Bond shall cumulatively increase by 0.75 per cent. per annum on each three-month anniversary of the Issue Date (each such occurrence, a "**Step-Up**").

If the Issuer gives a Cash Payment Notice in accordance with Condition 5.1(d), from (and including) the date on which such Cash Payment Notice is so given, no further Step-Up shall occur and the Rate of Interest (which shall include each Step-Up which has occurred prior to the date on which the Cash Payment Notice is so given) in respect of the remainder of the Interest Period commencing from (and including) the date on which the Cash Payment Notice is so given shall be reduced by 2.0 per cent. per annum (the Rate of Interest so reduced being the "**Subsequent Fixed Rate of Interest**").

Each Bond shall bear interest from (and including) the date of delivery of such Cash Payment Notice at a Rate of Interest equal to the Subsequent Fixed Rate of Interest.

(c) Calculation of interest

The amount of interest payable in accordance with this Condition 5.1 per each Bond outstanding in respect of any period (for the purpose of this Condition 5.1, an "**Accrual Period**") which is an Interest Period or is shorter than an Interest Period shall be calculated by the Calculation Agent as the product (rounded to nearest integral multiple of $0.01 (with $0.005 being rounded upwards)) of (i) the Principal Amount (being U.S.$200,000), (ii) the applicable Rate of Interest and (iii) a fraction, the numerator of which is the number of days in such Accrual Period and the denominator of which is the product of (A) the number of days in the Interest Period in which such Accrual Period falls and (B) 4, being the number of Interest Periods normally ending in any year.

(d) Cash Payment Option

Upon giving notice thereof to Bondholders in accordance with Condition 16 (a "**Cash Payment Notice**"), the Issuer shall pay in cash all accrued and unpaid interest amounts (including any Deferred Interest) in respect of each Bond as provided below:

(i) in respect of the Interest Period in which the Cash Payment Notice is given (the "**First Non-Deferred Interest Period**"), the Issuer shall pay in cash, on the Interest Payment Date in respect of the First Non-Deferred Interest Period, the amount of interest accrued in respect of such First Non-Deferred Interest Period;

(ii) the Issuer shall pay in cash, on the Interest Payment Date in respect of the First Non-Deferred Interest Period, the amount of Deferred Interest (if any) in respect of each Interest Period falling prior the First Non-Deferred Interest Period; and

(iii) the Issuer shall pay in cash, on each Interest Payment Date falling after the Interest Payment Date in respect of the First Non-Deferred Interest Period, the amount of interest accrued in respect of each Interest Period falling after the First Non-Deferred Interest Period.

As soon as reasonably practicable following (but not prior to) the repayment of all amounts under the Summit Credit Agreement and the discharge or termination thereof, the Issuer shall have the right but not the obligation to give the Cash Payment Notice.

A Cash Payment Notice, once delivered, shall be irrevocable.

(e) Cessation of Interest

Each Bond will cease to bear interest (i) where the Conversion Right shall have been exercised by a Bondholder, from (and including) the relevant Conversion Date or (ii) where such Bond is redeemed or repaid pursuant to Condition 7 or Condition 10 from (and including) the due date for redemption or repayment thereof unless payment of principal is improperly withheld or refused or, following any election to exercise the Share Settlement Option, the Issuer fails duly to perform its obligations to issue and deliver the Deliverable Shares in accordance with Condition 9.9, interest will continue to accrue at the rate specified in Condition 5.1 (both before and after judgment) to (but excluding) the Relevant Date or, as the case may be, the date on which such issue and delivery of Deliverable Shares is duly made in accordance with Condition 9.9.

5.2 Interest on Conversion Payments

(a) In respect of such number of Bonds in respect of which the Conversion Right shall have been exercised by a Bondholder pursuant to any one Conversion Notice and where a Conversion Payment Deferral applies to the relevant Conversion Payment, interest shall accrue on such Conversion Payment at the Rate of Interest (with such interest amount calculated by reference to such Conversion Payment outstanding on each Interest Payment Date as if such interest amount was payable on such Interest Payment Date) in respect of each day (if any) comprised in the period from (and including) the date falling 6 months after the Issue Date (or, if later, the day immediately following the Scheduled Conversion Payment Date in respect of such exercise), to (but excluding) the earlier of (i) the date on which such Conversion Payment is payable in accordance with Condition 6.2 and (ii) if the relevant Bondholder exercises its Share Settlement Option in respect of such Conversion Payment as provided under Condition 9.9, the relevant Share Settlement Date, in each case, unless payment of the Conversion Payment is improperly withheld or refused or, following any election to exercise the Share Settlement Option, the Issuer fails duly to perform its obligations to issue and deliver the Deliverable Shares in accordance with Condition 9.9, in which case interest will continue to accrue at the applicable Rate of Interest (both before and after judgment) to (but excluding) the Relevant Date or, as the case may be, the date on which such issue and delivery of Deliverable Shares is duly made in accordance with Condition 9.9.

(b) All accrued and unpaid interest amounts pursuant to paragraph (a) above shall be deferred and shall become payable in cash in accordance with Condition 6.2. No interest shall accrue on any such interest so deferred.

(c) The amount of interest payable in accordance with this Condition 5.2 per each Conversion Payment outstanding in respect of any period (for the purpose of this Condition 5.2, an "**Accrual Period**") which is an Interest Period or is shorter than an Interest Period shall be calculated by the Calculation Agent as the product (rounded to nearest integral multiple of $0.01 (with $0.005 being rounded upwards)) of (i) the Conversion Payment, (ii) the applicable Rate of Interest and (iii) a fraction, the numerator of which is the number of days in such Accrual Period and the denominator of which is the product of (A) the number of days in the Interest Period in which such

Accrual Period falls and (B) 4, being the number of Interest Periods normally ending in any year.

5.3 Make Whole Amount

For the purposes of these Conditions, "**Make Whole Amount**" means an amount in US Dollar per Bond (rounded to nearest integral multiple of $0.01 (with $0.005 being rounded upwards)) determined by the Calculation Agent equal to the following:

(i) in the case of any Make Whole Amount to be determined pursuant to the definition of "Issuer Call Early Redemption Amount", the sum of the present values (as at the Issuer Optional Redemption Date) of all payments of interest due to be made on such Bond from (but excluding) the relevant Issuer Optional Redemption Date to (and including) the Maturity Date (excluding accrued but unpaid interest to (but excluding) the Issuer Optional Redemption Date (including any Deferred Interest payable on such Issuer Optional Redemption Date)); or

(ii) in the case of any Make Whole Amount to be determined pursuant to limb (b) of the definition of "Conversion Payment" in the first paragraph of Condition 6.2, the sum of the present values (as at the relevant Conversion Date) of all payments of interest due to be made on such Bond from (but excluding) the relevant Conversion Date to (and including) the Maturity Date (excluding accrued but unpaid interest to (but excluding) the Conversion Date (including any Deferred Interest payable on the relevant Conversion Payment Date)); or

(iii) in the case of any Make Whole Amount to be determined pursuant to limb (a) of the definition of "Bondholder Early Redemption Amount", the sum of the present values (as at the Fundamental Change Event Put Date) of all payments of interest due to be made on such Bond from (but excluding) the Fundamental Change Event Put Date to (and including) the Maturity Date (excluding accrued but unpaid interest to (but excluding) the Fundamental Change Event Put Date (including any Deferred Interest payable on such Fundamental Change Event Put Date)); or

(iv) in the case of any Make Whole Amount to be determined pursuant to limb (b) of the definition of "Bondholder Early Redemption Amount", the sum of the present values (as at the date on which the Bonds have become due and payable pursuant to these Conditions) of all payments of interest due to be made on such Bond from (but excluding) the date on which the Bonds have become due and payable pursuant to these Conditions to (and including) the Maturity Date (excluding accrued but unpaid interest to (but excluding) the date on which the Bonds have become due and payable pursuant to these Conditions (including any Deferred Interest payable on the date on which the Bonds have become due and payable)),

in each case calculated using a discount rate of 2.0 per cent per annum, and calculated on a quarterly compounding basis,

provided that, in calculating the sum of the present values (as at the relevant date) of any relevant payment of interest as provided above:

(a) if a Cash Payment Notice shall have been given at least 14 days' prior to the date of the Issuer Optional Redemption Notice (in the case of (i) above), or Conversion Date (in the case of (ii) above), or the date of occurrence of the Fundamental Change Event (in

the case of (iii) above) or the date of occurrence of the Event of Default (in the case of (iv) above), then for the purposes of calculating the sum of the present values of any payment of interest as aforesaid the Rate of Interest to be assumed to apply in respect of each relevant Interest Period shall be decreased pursuant to and subject as set out in Condition 5.1(b); or

(b) if a Cash Payment Notice shall be given after the relevant date specified in the immediately preceding sub-paragraph (a), then for the purposes of calculating the sum of the present values of any relevant payment of interest as aforesaid, such Cash Payment Notice shall be ignored, and the Rate of Interest to be assumed to apply in respect of each relevant Interest Period shall be calculated (taking into account each relevant Step-Up, as applicable) on the basis that no Cash Payment Notice shall have been delivered; provided further that, in the case of (ii) above where the relevant Conversion Date falls prior to 26 July 2024 (the "Original Scheduled Maturity Date"), for the purposes of calculating the sum of the present values of any relevant payment of interest as aforesaid there shall be assumed to be no further Step-Up of the Rate of Interest in respect of any Interest Period commencing on any date on or after the Original Scheduled Maturity Date (such that for this purpose the Rate of Interest applicable in respect of each Interest Period commencing on or after the Original Scheduled Maturity Date shall be deemed to be the Rate of Interest that would have been applicable (taking into account each relevant Step-Up, as applicable) to the Interest Period ending on (but excluding) the Original Scheduled Maturity Date on the deemed basis that no Cash Payment Notice shall have been delivered).

6. Conversion of Bonds

6.1 Conversion Period and Conversion Price

Unless previously redeemed and as otherwise provided in these Conditions, each Bond shall entitle the holder to convert each principal amount of such Bond which is outstanding into new Shares credited as fully paid (a "**Conversion Right**").

The number of Shares to be issued to or to the order of a Bondholder on exercise of a Conversion Right shall be equal to the Reference Shares in respect of such exercise, subject to Condition 6.4.

The Conversion Price per Share is initially US$0.00190515 (the "**Initial Conversion Price**"). The Conversion Price is subject to adjustment in the circumstances described in Condition 6.3. The expression "**Conversion Price**" shall be construed accordingly.

Subject to and as provided in these Conditions, the Conversion Right in respect of a Bond may be exercised, at the option of the holder thereof, at any time subject to any applicable fiscal or other laws or regulations and as hereinafter provided from (and including) the Issue Date to (and including) the date falling three Notice Business Days prior to the Maturity Date or, if such Bond is to be redeemed pursuant to Condition 7.2 or 7.3 prior to the Maturity Date, then up to (and including) the date falling three Notice Business Days before the date fixed for redemption thereof pursuant to Condition 7.2 or 7.3, as the case may be, unless there shall be a default by the Issuer in making payment in respect of such Bond on any such date fixed for redemption, in which event the Conversion Right shall extend up to (and including) the date on which the full amount of such payment becomes available for payment and notice of such availability has been given to Bondholders or, if earlier, the Maturity Date; provided that, in each case, if such final date for the exercise of Conversion Rights is not a Notice Business Day, then the period for exercise of Conversion Rights by Bondholders shall end on (and including) the immediately preceding Notice Business Day.

The period during which Conversion Rights may (subject as provided below) be exercised by a Bondholder is referred to as the "**Conversion Period**".

Fractions of Shares will not be issued or delivered on exercise of Conversion Rights or pursuant to Condition 6.4 and no cash payment or other adjustment will be made in lieu thereof. However, if the Conversion Right in respect of more than one Bond is exercised pursuant to any one Conversion Notice, the number of such Shares to be issued and delivered in respect thereof shall, in accordance with the definition of "Reference Shares", be calculated by the Calculation Agent on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Shares.

Conversion Rights may not be exercised (i) following the giving of notice by the holder of a Bond then outstanding pursuant to Condition 10; (ii) in respect of a Bond in respect of which the relevant holder has exercised its right to require the Issuer to redeem pursuant to Condition 7.5; or (iii) (except following receipt of any notice requiring the redemption of the Bonds pursuant to Condition 7.4) in the period from the Record Date falling two London business days immediately preceding an Interest Payment Date.

The Issuer will procure that Shares to be issued on exercise of Conversion Rights will be issued to, or to the order of, the holder of the Bonds in accordance with the Payment Details in accordance with the provisions of Condition 6.10. Such Shares (other than Additional Shares) will be deemed to be issued as of the relevant Conversion Date. Any Additional Shares to be issued pursuant to Condition 6.4 will be deemed to be issued as of the relevant Reference Date.

6.2 Conversion Payments on Exercise of Conversion Rights

In respect of any exercise of Conversion Rights and subject as provided in Condition 9.9, in addition to the issuance of Reference Shares as provided in Condition 6.1, the Issuer shall pay to the relevant Bondholder an amount in US Dollar per Bond (as determined by the Calculation Agent) equal to the sum of (a) the Redemption Premium, and (b) the relevant Make Whole Amount and (c) all accrued but unpaid interest to (but excluding) the Conversion Date (including any Deferred Interest payable on the Conversion Payment Date), in each case in respect of the relevant Principal Amount of Bonds which is the subject of such conversion (such aggregate amount, a "**Conversion Payment**" in respect of such exercise of Conversion Rights).

If a Cash Payment Notice shall have been delivered on or prior to the relevant Conversion Date, then the Conversion Payment shall be paid in cash no later than the relevant Scheduled Conversion Payment Date (the date on which such payment is actually made, the "**Conversion Payment Date**" in respect of the relevant exercise of Conversion Rights).

Subject to the following paragraph, if a Cash Payment Notice has not been delivered on or prior to the relevant Conversion Date, then payment of the Conversion Payment shall be deferred (a "**Conversion Payment Deferral**") and, subject to the relevant Bondholder's right to exercise its Share Settlement Option as provided under Condition 9.9, shall become payable in cash on the later of (A) the relevant Scheduled Conversion Payment Date and (B) the earlier of: (i) the Maturity Date, (ii) any relevant Fundamental Change Event Put Date, if applicable, (iii) any Tax Redemption Date, if applicable, (iv) the Issuer Optional Redemption Date, if applicable, (v) the Interest Payment Date immediately following the relevant date on which the Cash Payment Notice is given, if applicable and (vi) the date on which an Acceleration Notice is delivered to the Issuer by any Bondholder, if applicable.

If the Conversion Date in relation to any exercise of Conversion Rights falls on or after the date the Issuer has given an Issuer Optional Redemption Notice or a Tax Redemption Notice, then the relevant Conversion Payment shall be paid in cash (for the avoidance of doubt, irrespective of whether or not a Cash Payment Notice has been delivered).

If a Conversion Payment is deferred in accordance with the provisions of this Condition 6.2, upon each such occurrence the Issuer shall deliver to the relevant Bondholder a conversion payment letter executed by it and in substantially in the form set out in schedule 5 (*Form of Conversion Payment Letter*) to the Bond Instrument (a "**Conversion Payment Letter**") by no later than three Notice Business Days following the relevant Conversion Date of the Bonds. Upon giving a Conversion Payment Letter, the Issuer shall give notice thereof (including the details contained therein) to each Bondholder in accordance with Condition 16.

6.3 Adjustment of Conversion Price

Subject to the provisions of this Condition 6.3, upon the occurrence of any of the events described below, the Conversion Price shall be adjusted by the Calculation Agent as follows:

(a) Consolidation, reclassification, redesignation or subdivision

If and whenever there shall be a consolidation, reclassification, redesignation or subdivision affecting the number of Shares in issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Shares in issue immediately before such consolidation, reclassification, redesignation or subdivision, as the case may be; and

B is the aggregate number of Shares in issue immediately after, and as a result of, such consolidation, reclassification, redesignation or subdivision, as the case may be.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (a), the date on which the consolidation, reclassification, redesignation or sub-division, as the case may be, takes effect.

(b) Capitalisation of profits or reserves

If and whenever the Issuer shall issue any Shares credited as fully paid to Shareholders by way of capitalisation of profits or reserves, including any share premium account or capital redemption reserve (other than an issue of Shares constituting a Scrip Dividend) the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Shares in issue immediately before such issue; and

B is the aggregate number of Shares in issue immediately after such issue.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (b), the date of issue of such Shares.

(c) Dividends

(i) If and whenever the Issuer shall declare, announce, make or pay any Dividend to Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A-B}{A}$$

where:

A is the Current Market Price of one Share on the Ex-Date in respect of such Dividend; and

B is the portion of the Fair Market Value of the aggregate Dividend attributable to one Share, with such portion being determined by dividing the Fair Market Value of the aggregate Dividend by the number of Shares entitled to receive the relevant Dividend (or, in the case of a purchase, redemption or buy back of Shares or any depositary or other receipts or certificates representing Shares by or on behalf of the Issuer or any Subsidiary of the Issuer, by the number of Shares in issue immediately following such purchase, redemption or buy back, and treating as not being in issue any Shares, or any Shares represented by depositary or other receipts or certificates, purchased, redeemed or bought back).

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (c)(i), the later of (A) the Ex-Date in respect of such Dividend and (B) the first date upon which the Fair Market Value of the relevant Dividend is capable of being determined as provided herein.

(ii) For the purposes of the above, Fair Market Value shall (subject as provided in the definition of "Dividend" and in the definition of "Fair Market Value") be determined as at the Ex-Date in respect of the relevant Dividend.

(d) Rights issues

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue any Shares to Shareholders as a class by way of rights, or shall issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares, or any other Securities which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Shares (or shall grant any such rights in respect of existing Securities so issued), in each case at a consideration receivable per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of "C" and the proviso below) which is less than 95 per cent. of the Current Market Price per Share on the Ex-Date in respect of the relevant issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

A is the number of Shares in issue on such Ex-Date;

B is the number of Shares which the aggregate consideration (if any) receivable for the Shares issued by way of rights, or for the Securities issued by way of rights and upon exercise of rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, Shares, or for the options or warrants or other rights issued by way of rights and for the total number of Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Share on the Ex-Date; and

C is the number of Shares to be issued or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase or other rights of acquisition in respect thereof at the initial conversion, exchange, subscription, purchase or acquisition price or rate;

provided that if on such Ex-Date such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (d), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at such Ex-Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on such Ex-Date.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (d), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (d).

(e) Issue of Securities to Shareholders

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (other than in the circumstances the subject of

paragraph (d) above and other than constituting a Scrip Dividend) issue any Securities to Shareholders as a class by way of rights or grant to Shareholders as a class by way of rights any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Share on the Ex-Date in respect of the relevant issue or grant; and

B is the Fair Market Value on such Ex-Date of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (e), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (e).

(f) Issue of Shares at below Current Market Price

If and whenever (i) the Issuer shall issue (otherwise than as mentioned in paragraph (d) above) wholly for cash or for no consideration any Shares (other than Shares issued on conversion of the Bonds (which term shall for this purpose include any Further Bonds) or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or rights to otherwise acquire, Shares and other than constituting a Scrip Dividend); or (ii) the Issuer shall issue (otherwise than as mentioned in paragraph (d) above) any Shares pursuant to any Liability Equitisation (other than any Shares issued on conversion of the Bonds (which term shall for this purpose include any Further Bonds) or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or rights to otherwise acquire, Shares and other than constituting a Scrip Dividend); or (iii) the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue or grant (otherwise than as mentioned in paragraph (d) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares (other than the Bonds, which term shall for this purpose include any Further Bonds), in each case at consideration receivable per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of "C" and the proviso below) which is less than 95 per cent. of the Current Market Price per Share on the date of first public announcement of the terms of such issue or grant (which date of first public announcement as aforesaid shall, in the case of any issue of Shares pursuant to any Liability Equitisation, for the purpose of these Conditions (and notwithstanding anything therein) be deemed to be the Relevant LE Date in respect thereof), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

A is the number of Shares in issue immediately before the date of first public announcement of the terms of such issue of Shares or issue or grant of options, warrants or other rights as provided above;

B is the number of Shares which the aggregate consideration (if any) receivable for the issue of such Shares or, as the case may be, for the Shares to be issued or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Share on the date of first public announcement of the terms of such issue or grant; and

C is the number of Shares to be issued pursuant to such issue of such Shares or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights;

provided that if on the date of first public announcement of the terms of such issue or grant (as used in this paragraph (f), the "**Specified Date**") such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (f), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase, acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (f), the later of (i) the date of issue of such Shares or, as the case may be, the issue or grant of such options, warrants or rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (f).

(g) Other issues

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (otherwise than as mentioned in paragraphs (d), (e) or (f) above) issue wholly for cash or for no consideration any Securities (other than the Bonds which term shall for this purpose include any Further Bonds and other than constituting a Scrip Dividend) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, purchase of, or rights to otherwise acquire, Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be reclassified or redesignated as Shares, and the consideration per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of "C" and the proviso below) receivable upon conversion, exchange, subscription, purchase, acquisition, reclassification or redesignation is less than 95 per cent. of the Current Market Price per Share on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

A is the number of Shares in issue immediately before the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant);

B is the number of Shares which the aggregate consideration (if any) receivable for the Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to such Securities or, as the case may be, for the Shares to be issued or to arise from any such reclassification or redesignation would purchase at such Current Market Price per Share on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant); and

C is the maximum number of Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription, purchase or acquisition attached thereto at the initial conversion, exchange, subscription, purchase or acquisition price or rate or, as the case may be, the maximum number of Shares which may be issued or arise from any such reclassification or redesignation;

provided that if on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant) (as used in this paragraph, the "**Specified Date**") such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or, as the case may be, such Securities are reclassified or redesignated or at such other time as may be provided), then for the purposes of this paragraph (g), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition, reclassification or, as the case may be, redesignation had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (g), the later of (i) the date of issue of such Securities or, as the case may be, the grant of such rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (g).

(h) Modification of rights

If and whenever there shall be any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any Securities (other than the Bonds, which term shall for this purpose include any Further Bonds) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Shares (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of "C" and the proviso below) receivable upon conversion, exchange, subscription, purchase or acquisition has been reduced and is less than 95 per cent. of the Current Market Price

per Share on the date of first public announcement of the terms for such modification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

A is the number of Shares in issue immediately before the date of first public announcement of the terms for such modification;

B is the number of Shares which the aggregate consideration (if any) receivable for the Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to the Securities so modified would purchase at such Current Market Price per Share on the date of first public announcement of the terms for such modification or, if lower, the existing conversion, exchange, subscription, purchase or acquisition price or rate of such Securities; and

C is the maximum number of Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription, purchase or acquisition attached thereto at the modified conversion, exchange, subscription, purchase or acquisition price or rate but giving credit in such manner as the Calculation Agent shall consider appropriate for any previous adjustment under this paragraph (h) or paragraph (g) above;

provided that if on the date of first public announcement of the terms of such modification (as used in this paragraph (h), the "**Specified Date**") such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or at such other time as may be provided), then for the purposes of this paragraph (h), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (h), the later of (i) the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (h).

(i) Certain arrangements

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall offer any Shares or such other Securities in connection with which Shareholders as a class are entitled to participate in arrangements whereby such Shares or Securities may be acquired by them (except where the Conversion Price falls to be adjusted under paragraphs (b), (c), (d), (e), (f), (g), (j), or 3 above or (j) below or, where applicable, would fall to be so adjusted if the relevant issue or grant was at less than 95 per cent. of the Current Market Price per Share on the relevant day), the Conversion Price shall be adjusted by multiplying the

Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A-B}{A}$$

where:

A is the Current Market Price of one Share on the Ex-Date in respect of the relevant offer; and

B is the Fair Market Value on such Ex-Date of the portion of the relevant offer attributable to one Share.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (i), the later of (A) the Ex-Date in respect of the relevant offer and (B) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (i).

(j) Change of Control

If a Change of Control shall occur, then, upon any exercise of Conversion Rights where the Conversion Date falls during the Fundamental Change Event Period in respect of such Change of Control, the Conversion Price solely for the purpose of such exercise (the "**Change of Control Conversion Price**") shall be determined as set out below:

$$\text{COCCP} = \frac{\text{OCP}}{1 + \left(CP \times \frac{c}{t}\right)}$$

where:

COCCP = the Change of Control Conversion Price

OCP = the Conversion Price in effect on the relevant Conversion Date

CP = 0.25

c = the number of days from (and including) the date on which the Change of Control occurs to (but excluding) the Maturity Date

t = the number of days from (and including) the Issue Date to (but excluding) the Maturity Date

(k) Other adjustments

Subject to Condition 6.7, if either the Issuer (following consultation with the Calculation Agent) or the Majority Bondholders (each acting reasonably) determines that an adjustment (for the purpose of compensating for dilution) should be made to the Conversion Price (or that a determination should be made as to whether an adjustment should be made) as a result of one or more circumstances not referred to above in this Condition 6.3) (except for events specifically excluded from the operation of paragraphs (a) to (j) above), the Issuer shall, at its own expense and acting reasonably, request an Independent Adviser to determine, in consultation with the Calculation Agent, if different as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof and the date on which such adjustment (if any) should take effect and upon such determination such adjustment (if

any) shall be made and shall take effect in accordance with such determination, provided that an adjustment shall only be made pursuant to this paragraph (k) if such Independent Adviser is so requested to make such a determination not more than 21 days after the date on which the relevant circumstances arises (or, if later, 21 days after the date on which the relevant circumstances are made public or otherwise are made known to the Bondholders) and if the adjustment would result in a reduction to the Conversion Price.

(l) Modifications

Notwithstanding the foregoing provisions:

(i) where the events or circumstances giving rise to any adjustment pursuant to this Condition 6.3 have already resulted or will result in an adjustment to Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Conversion Price or where more than one event which gives rise to an adjustment to the Conversion Price occurs within such a short period of time that, in the opinion of the Issuer, acting reasonably and following consultation with the Calculation Agent, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be determined by an Independent Adviser to be in its opinion appropriate to give the intended result;

(ii) such modification shall be made to the operation of these Conditions as may be determined by an Independent Adviser, in consultation with the Calculation Agent (if different), to be in its opinion appropriate (A) to ensure that an adjustment to the Conversion Price or the economic effect thereof shall not be taken into account more than once and (B) to ensure that the economic effect of a Dividend is not taken into account more than once; and

(iii) other than pursuant to Condition 6.3(a) or pursuant to a NewCo Scheme Modification, no adjustment shall be made that would result in an increase to the Conversion Price.

(m) Calculation of consideration

For the purpose of any calculation of the consideration receivable or price pursuant to paragraphs (d), (f), (g) and (h) above, the following provisions shall apply:

(i) the aggregate consideration receivable or price for Shares issued for cash shall be the amount of such cash provided that for the purpose of Condition 6.3(*f*)(ii) any Shares issued as provided therein shall be treated as being issued for cash, and the aggregate consideration receivable or price for Shares so treated as being issued for cash shall be the amount of the relevant cash amount of the relevant liability payable, which is to be cancelled in exchange for such issuance of Shares;

(ii) (x) the aggregate consideration receivable or price for Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any

such Securities (whether on one or more occasions) and (y) the aggregate consideration receivable or price for Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Ex-Date referred to in paragraph (d) above or as at the relevant date of first public announcement referred to in paragraphs (f), (g) and (h) above, as the case may be, plus in the case of each of (x) and (y) above in this paragraph, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights of subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (z) the consideration receivable or price per Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (x) or (y) above in this paragraph (as the case may be) divided by the number of Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate, all as determined by the Calculation Agent;

(iii) if the consideration or price determined pursuant to (i) or (ii) above (or any component thereof) shall be expressed in a currency other than the Relevant Currency (other than in circumstances where such consideration is also expressed in the Relevant Currency, in which case such consideration shall be treated as expressed in the Relevant Currency in an amount equal to the amount of such consideration when so expressed in the Relevant Currency), it shall be converted by the Calculation Agent into the Relevant Currency at the Prevailing Rate on the relevant Ex-Date (for the purposes of paragraph (d) above) or the relevant date of first public announcement (for the purposes of paragraph (f), (g) and (h) above, as the case may be);

(iv) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Shares or such other Securities or options, warrants or rights, or otherwise in connection therewith;

(v) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable, regardless of whether all or part thereof is received, receivable, paid or payable by or to the Issuer or another entity;

(vi) if as part of the same transaction, Shares shall be issued or issuable for a consideration receivable in more than one or in different currencies then the

consideration receivable per Share shall be determined by dividing the aggregate consideration (determined as aforesaid and converted, if and to the extent not in the Relevant Currency, into the Relevant Currency as aforesaid) by the aggregate number of Shares so issued; and

(vii) references in these Conditions to "cash" shall be construed as cash consideration within the meaning of Section 583(3) of the Companies Act.

6.4 Retroactive Adjustments

If a Retroactive Adjustment occurs in relation to any exercise of Conversion Rights, the Issuer shall procure that there shall be issued and delivered to, or to the order of, the relevant Bondholder in accordance with the Payment Details, such additional number of Shares (if any) (the "**Additional Shares**") as, together with the Shares issued and delivered on the relevant exercise of Conversion Rights, is equal to the number of Shares which would have been required to be issued and delivered on such exercise if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Conversion Date, all as determined by the Calculation Agent, provided that if in the case of Conditions 6.3(b), 6.3(c), 6.3(d), 6.3(e) or 6.3(i) the relevant Bondholder shall be entitled to receive the relevant Shares, Dividends or such other Securities in respect of the Reference Shares to be issued and delivered to it, then the relevant Bondholder shall not be entitled to receive Additional Shares in relation thereto.

6.5 [Reserved]

6.6 Decision and Determination of the Calculation Agent or an Independent Adviser

Adjustments to the Conversion Price shall be determined and calculated by the Calculation Agent upon request from the Issuer and/or, to the extent so specified in the Conditions and upon request from the Issuer, by an Independent Adviser.

Adjustments to the Conversion Price calculated by the Calculation Agent or, where applicable, an Independent Adviser and any other determinations made by the Calculation Agent or, where applicable, an Independent Adviser, or an opinion of an Independent Adviser, pursuant to these Conditions shall in each case be made in good faith and shall be final and binding (in the absence of manifest error) on the Issuer, the Bondholders and the Calculation Agent (in the case of a determination by an Independent Adviser).

The Calculation Agent may consult, at the expense of the Issuer, on any matter (including, but not limited to, any legal matter), any legal or other professional adviser and it shall be able to rely upon, and it shall not be liable and shall incur no liability as against the Bondholders in respect of anything done, or omitted to be done, relating to that matter in good faith in accordance with that adviser's opinion.

The Calculation Agent shall act solely upon the request from, and exclusively as agent of, the Issuer and in accordance with these Conditions. Neither the Calculation Agent (acting in such capacity) nor any Independent Adviser appointed in connection with the Bonds (acting in such capacity) will thereby assume any obligations towards or relationship of agency or trust and shall not be liable and shall incur no liability in respect of anything done, or omitted to be done in good faith, in its capacity as Calculation Agent as against the Bondholders.

If following consultation between the Issuer and the Calculation Agent any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to the appropriate adjustment to the Conversion Price, following consultation between the Issuer and an Independent Adviser, a written opinion of such Independent Adviser in respect thereof shall be

conclusive and binding on the Issuer, the Bondholders and the Calculation Agent (if different), save in the case of manifest error.

The Issuer shall promptly notify Bondholders in accordance with Condition 16 of each determination, calculation or adjustment performed by the Calculation Agent and/or Independent Adviser pursuant to these Conditions.

6.7 No Adjustments for Issue of the Warrants, Certain Other Instruments and Specified Issuances of Shares, Share or Option Scheme or Dividend Reinvestment Plans

Notwithstanding anything to the contrary in these Conditions, no adjustment will be made to the Conversion Price:

(a) in respect of the issue of the Warrants or any Shares or other Relevant Securities issued and allotted pursuant to the exercise of such Warrants;

(b) in respect of the issue of any Bonds (including for the avoidance of doubt any Further Bonds) or any Shares or other Relevant Securities issued and allotted pursuant to any conversion of any such Bonds or any exercise of the Share Settlement Option;

(c) in respect of the issue of any of the 2029 Bonds (including for the avoidance of doubt any "Further Bonds" as defined in the terms and conditions of the 2029 Bonds) or any Shares or other Relevant Securities issued and allotted pursuant to the conversion of any such 2029 Bonds or any exercise of the Share Settlement Option (as defined in the terms and conditions of the 2029 Bonds);

(d) in respect of the issue of any warrants to subscribe for or purchase or otherwise acquire any Shares issued to (i) subscribers of Further Bonds in relation to the offering and/or issuance of such Further Bonds and/or (ii) subscribers of "Further Bonds" (as defined in the terms and condition of the 2029 Bonds) in relation to the offering and/or issuance of such bonds;

(e) in respect of the issue of any Shares pursuant to the exercise of 31,402,200 warrants and 19,136,644 stock options issued by the Issuer and outstanding as at the Issue Date (but ignoring any amendment or variation to such warrants or stock options after 22 July 2022);

(f) in respect of any issue of Shares pursuant to any Liability Equitisation to the extent, not exceeding an aggregate amount of cash liabilities that are the subject of all such Liability Equitisations of U.S.$2,600,000 (determined on a cumulative basis from (and including) 24 March 2023), provided that any such Shares are issued at a price (equating to the cash amount of the relevant liability payable, which is to be cancelled in exchange for such issuance of Shares) which is no less than the greater of (i) the Current Market Price per Share on the Relevant LE Date and (ii) the Conversion Price in effect on the Relevant LE Date. Promptly after its entry into any such agreement(s), the Issuer shall notify (on a no names basis) in writing each Bondholder (with a copy to the Calculation Agent) in accordance with Condition 16 (*Notices*), with each such notice including the date of the relevant agreement(s) and the details of the issuance of Shares in consideration for the related debt cancellation as contemplated by this paragraph (f);

(g) where Shares or other Relevant Securities (including, but not limited to, rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted to any employee share schemes or benefits or incentive arrangements existing at 22 July 2022 or entered into in the ordinary course of business;

(h) in respect of the issue of any Shares to the Issuer's and/or any member of the Group's professional advisors and/or brokers in satisfaction of the fees and commissions payable to such advisors or brokers retained by any of them solely in connection with the offering and subscription of any Bonds (including, for the avoidance of doubt, any Further Bonds), any 2029 Bonds (including any "Further Bonds" as defined in the terms and conditions of the 2029 Bonds), any Warrants and/or any warrants referred to in (d) above and/or in connection with the Company's Proposed Acquisition;

(i) in respect of the issue of 126,182,965 new Shares on 10 October 2023 as described in the announcement made by the Issuer on or around 6 October 2023;

(j) in respect of the issue of 1,312,232,633 new Shares on 15 January 2024 as described in the announcement made by the Issuer on 29 December 2023; or

(k) in respect of any issue of Shares pursuant to any Liability Equitisation to the extent not exceeding an aggregate amount of cash liabilities that are the subject of all such Liability Equitisations of U.S.$500,000 (determined on a cumulative basis from (and including) 10 October 2023), provided that any such Shares are issued at a price (equating to the cash amount of the relevant liability payable, which is to be cancelled in exchange for such issuance of Shares) per Share (translated if necessary into the Relevant Currency at the Prevailing Rate on the Relevant LE Date) which is no less than the greater of: (i) 95% of the Current Market Price per Share on the Relevant LE Date, and (ii) the Conversion Price in effect on the Relevant LE Date (translated if necessary into the Relevant Currency at the Prevailing Rate on the Relevant LE Date). The Issuer shall notify (on a no names basis) each Bondholder in writing (with a copy to the Calculation Agent) in accordance with Condition 16 (Notices), with each such notice including the date of the relevant agreement(s) and the details of the issuance of Shares in consideration for the related debt cancellation as contemplated by this paragraph (j).

For the purposes of these Conditions:

"**Relevant Securities**" means any participation certificates and any depositary or other receipt, instrument, rights or entitlement representing Shares.

"**Company's Proposed Acquisition**" means the acquisition of the assets of Cuda Energy LLC in the State of Wyoming by COPL America Inc. (or by the Company or any of its other Subsidiaries), being a non-operating interest in: the Barron Flats Shannon Unit (27 per cent. working interest); and in the Barron Flats Federal (Deep) Unit, Cole Creek Unit and on unitized lands (between 27.5 per cent. to 33.333 per cent. working interest), as described in the announcements by the Company dated 19 April 2022 and 6 June 2022.

6.8 Rounding Down and Notice of Adjustment to the Conversion Price

On any adjustment of the Conversion Price, the resultant Conversion Price, if not an integral multiple of US$0.00000001, shall be rounded down to the nearest whole multiple of US$0.00000001.

Notice of any adjustments to the Conversion Price shall be given by the Issuer to Bondholders in accordance with Condition 16 promptly after the determination thereof.

The Conversion Price shall not in any event be reduced so that on conversion of the Bonds, Shares would fall to be issued in circumstances not permitted by applicable laws or regulations.

The Issuer undertakes that it shall not take any action, and shall procure that no action is taken by its Subsidiaries, that would otherwise be reasonably expected (as at the time such decision is taken) to result in an adjustment to the Conversion Price to below any minimum level permitted by applicable laws or regulations or that would otherwise be reasonably expected (as at the time such decision is taken) to result in Shares being required to be issued in circumstances not permitted by applicable laws or regulations.

6.9 Fundamental Change Event

Within 14 days following the occurrence of a Fundamental Change Event, the Issuer shall give notice thereof to Bondholders in accordance with Condition 16 (a "**Fundamental Change Event Notice**"). The Fundamental Change Event Notice shall contain a statement informing Bondholders of (i) their entitlement to exercise their Conversion Rights as provided in these Conditions and (ii) their entitlement to exercise their rights to require redemption of their Bonds pursuant to Condition 7.5.

The Fundamental Change Event Notice shall also specify:

(a) all information material to Bondholders concerning the Fundamental Change Event;

(b) the Conversion Price immediately prior to the occurrence of the Fundamental Change Event and, in the case of a Change of Control, the Change of Control Conversion Price applicable pursuant to Condition 6.3(j) on the basis of the Conversion Price in effect immediately prior to the occurrence of the Change of Control;

(c) the Closing Price of the Shares as at the latest practicable date prior to the publication of the Fundamental Change Event Notice;

(d) the Fundamental Change Event Period; and

(e) the Fundamental Change Event Put Date.

6.10 Procedure for exercise of Conversion Rights

Conversion Rights may be exercised by a Bondholder (provided that the relevant Conversion Date falls during the Conversion Period) by delivering the relevant Bond Certificate to the Issuer accompanied by a Conversion Notice.

If such delivery is made after 5.00p.m. London time or on a day which is not a Notice Business Day, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following Notice Business Day.

The conversion date in respect of a Bond (the "**Conversion Date**") shall be the Notice Business Day immediately following the date of delivery (or deemed delivery) of the relevant Conversion Notice and Bond Certificate as provided in this Condition 6.10 and shall be deemed to be the date on which the Conversion Right is exercised in respect of such Bond.

Conversion Rights may only be exercised in respect of the whole of a Bond.

A Conversion Notice, once delivered, shall be irrevocable.

The Issuer shall, promptly upon receipt of any Conversion Notice, give notice to Bondholders in accordance with Condition 16 of (i) the aggregate principal amount of the Bonds to be so converted and (ii) the relevant Conversion Date and Conversion Price applicable to such conversion.

The Issuer shall pay all capital, stamp, issue and registration and transfer taxes and duties payable in Canada or in the United Kingdom or in any other jurisdiction in which the Issuer may be domiciled or resident or to whose taxing jurisdiction it may be generally subject ("**Specified Taxes**"), in respect of the allotment and issue of any Shares in respect of the exercise of such Conversion Right (including any Additional Shares). If the Issuer fails to pay any Specified Taxes, the relevant Bondholder shall be entitled to tender and pay the same and the Issuer, as a separate and independent stipulation, covenants to reimburse and indemnify each Bondholder in respect of any payment thereof and any interest and penalties payable and cost incurred in respect thereof.

A Bondholder exercising Conversion Rights must pay directly to the relevant authorities any capital, stamp, issue, registration and transfer taxes and duties arising on the exercise of Conversion Rights (other than any Specified Taxes). A Bondholder must also pay all, if any, taxes imposed on it and arising by reference to any disposal or deemed disposal by it of a Bond or interest therein in connection with the exercise of Conversion Rights by it. Any such capital, stamp, issue, registration or transfer taxes or duties or other taxes payable by a Bondholder are referred to as "**Bondholder Taxes**".

For the avoidance of doubt, the Calculation Agent shall not be responsible for determining whether any Specified Taxes or Bondholder Taxes are payable or the amount thereof and shall not be responsible or liable for any failure by the Issuer to pay such Specified Taxes or by a Bondholder to pay such Bondholder Taxes.

Shares to be issued on exercise of Conversion Rights (including any Additional Shares) (other than Deliverable Shares or Additional Deliverable Shares) will be issued and delivered in uncertificated form through the dematerialised securities trading system operated by Euroclear UK & Ireland Limited, known as **CREST**, unless, at the time of issue, the Shares are not a participating security in CREST, in which case the Shares will be issued and delivered in certificated form. Where Shares (other than Deliverable Shares or Additional Deliverable Shares) are to be issued and delivered through CREST, they will be delivered to the account specified by the relevant Bondholder in the relevant Payment Details by not later than four Notice Business Days following the relevant Conversion Date (or, in the case of any Additional Shares, not later than four Notice Business Days following the relevant Reference Date). Where Shares are to be issued and delivered in certificated form, a certificate in respect thereof will be dispatched by mail free of charge (but uninsured and at the risk of the recipient) to the relevant Bondholder or as it may direct in the relevant Payment Details within 28 days following the relevant Conversion Date or, as the case may be, the Reference Date.

Shares to be issued and delivered on exercise of Conversion Rights (including any Additional Shares) (other than Deliverable Shares or Additional Deliverable Shares) will not be available for issue (i) to, or to a nominee or agent for, Euroclear Bank SA/NV or Clearstream Banking S.A. or any other person providing a clearance service within the meaning of Section 96 of the Finance Act 1986 of the United Kingdom ("**FA 1986**") or (ii) to a person, or nominee or agent for a person, whose business is or includes issuing depositary receipts within the meaning of Section 93 of FA 1986, in each case, at any time prior to the "abolition day" as defined in Section 111(1) of the United Kingdom Finance Act 1990.

Notwithstanding any other provisions of these Conditions, a Bondholder exercising Conversion Rights following a Change of Control Conversion Right Amendment as described in Condition 11(b)(vii) will be deemed, for the purposes of these Conditions, to have received the Shares to be issued and delivered arising on conversion of its Bonds in the manner provided in these

Conditions, and have exchanged such Shares for the consideration that it would have received therefor if it had exercised its Conversion Right in respect of such Bonds at the time of the occurrence of the relevant Change of Control.

6.11 Ranking and entitlement in respect of Shares

Shares (including any Additional Shares) issued and delivered on exercise of Conversion Rights will be fully paid and will be fully fungible (interchangeable) with and will in all respects rank *pari passu* with the fully paid Shares in issue on the relevant Conversion Date or, in the case of Additional Ordinary Shares, on the relevant Reference Date, and the relevant holder shall be entitled to all rights, distribution or payments the record date or other due date for the establishment of entitlement for which falls on or after the relevant Conversion Date, or as the case may be, the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law or as otherwise may be provided in these Conditions. Such Shares or, as the case may be, Additional Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Conversion Date or, as the case may be, the relevant Reference Date.

6.12 Purchase or Redemption of Shares

The Issuer or any Subsidiary of the Issuer may exercise such rights as they may from time to time enjoy to purchase or redeem or buy back any shares of the Issuer (including Shares) or any depositary or other receipts or certificates representing the same without the consent of the Bondholders.

6.13 No Duty to Monitor

The Calculation Agent shall not be under any duty to monitor whether any event or circumstance has happened or exists or may happen or exist and which requires or may require an adjustment to be made to the Conversion Price or be responsible or liable to any person for any loss arising from any failure by any of them to do so. The Calculation Agent shall also not be responsible or liable to any person (other than in the case of the Calculation Agent, to the Issuer strictly in accordance with the relevant provisions of the Calculation Agency Agreement) for any determination as to whether or not an adjustment to the Conversion Price is required or should be made or for any determination or calculation of any such adjustment.

6.14 Consolidation, Amalgamation or Merger

Without prejudice to Condition 6.3(j), in the case of any consolidation, amalgamation or merger of the Issuer with any other corporation (other than constituting a Change of Control or a consolidation, amalgamation or merger in which the Issuer is the continuing corporation) (a "**Successor in Business**"), the Issuer will forthwith give notice thereof to Bondholders in accordance with Condition 16 of such event and will take such steps as shall be required, subject to applicable law and as provided in Condition 15 (and including the execution of a deed supplemental to or amending the Bond Instrument):

(a) to ensure that the Successor in Business is substituted in place of the Issuer as the principal debtor under the Bonds and the Bond Instrument;

(b) to ensure that each Bond then outstanding will (during the period in which Conversion Rights may be exercised) be convertible into equity share capital (or similar) of the Successor in Business, on such basis and with a Conversion Price (subject to adjustment as provided in these Conditions) economically equivalent to the Conversion Price existing immediately prior to the implementation of such consolidation,

amalgamation or merger, as determined by an Independent Adviser (each a "**Conversion Right Transfer**"); and

(c) to ensure that the Bond Documents (as so amended or supplemented if applicable) and the Conditions provide at least the same or equivalent powers, protections, rights and benefits to the Bondholders following the implementation of such consolidation, amalgamation or merger as they provided to the Bondholders prior to the implementation of such consolidation, amalgamation or merger, *mutatis mutandis*.

The satisfaction of the requirements set out above in this Condition 6.14 by the Issuer is herein referred to as a "**Permitted Cessation of Business**". Notwithstanding any other provision of these Conditions, a Permitted Cessation of Business shall not result in a breach of undertaking, constitute an Event of Default or otherwise result in any breach of any provision of these Conditions or the Bond Instrument. Following the occurrence of a Permitted Cessation of Business, references in these Conditions and the Bond Documents to the "Issuer" will be construed as references to the relevant Successor in Business (but without prejudice to the provisions of the Calculation Agency Agreement).

At the request of the Issuer, but subject to the Issuer's compliance with the provisions of this Condition 6.14, the Bondholders shall (at the expense of the Issuer, including payment by the Issuer of any incurred fees of Bondholders' legal counsel in relation to such Conversion Right Transfer) concur with the Issuer in effecting any substitution under subparagraph (a) above and Conversion Right Transfer (including, *inter alia*, the execution of a deed supplemental to or amending the Bond Instrument), provided that the Bondholders shall not be obliged so to concur if in the opinion of the Bondholders doing so would impose more onerous obligations upon any of them or expose any of them to any additional duties, responsibilities or liabilities in any way.

If, following consultation with the Calculation Agent, any doubt shall arise (or upon the request to the Issuer of the Majority Bondholders) as to how determinations, calculations or adjustments which are specifically required to be performed by the Calculation Agent in these Conditions should be performed following any such consolidation, amalgamation or merger, a written opinion of an Independent Adviser in respect thereof shall be conclusive and binding on the Successor in Business, the Issuer, the Bondholders, the Calculation Agent and all other parties, save in the case of manifest error.

The above provisions of this Condition 6.14 will apply, *mutatis mutandis*, to any subsequent consolidations, amalgamation or mergers.

7. Redemption and Purchase

7.1 Redemption at Maturity

Each Bond outstanding (except for any Bond in respect of which Conversion Rights have been exercised) will be redeemed in cash by payment of the Maturity Redemption Amount on the Maturity Date.

7.2 Redemption for Taxation Reasons

At any time the Issuer may, having given not less than 45 nor more than 60 days' notice (a "**Tax Redemption Notice**") to the Bondholders in accordance with Condition 7.4, redeem (subject to the second following paragraph) in cash all but not some of the Bonds for the time being outstanding on the date (the "**Tax Redemption Date**") specified in the Tax Redemption Notice at 114 per cent. of their Principal Amount, together with accrued but unpaid interest to (but excluding) the Tax Redemption Date (including any Deferred Interest payable on such Tax Redemption Date), if:

(a) the Issuer has or will become obliged to pay additional amounts on the Bonds pursuant to Condition 8 as a result of any change in, or amendment to, the laws or regulations in the Relevant Jurisdiction or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date, and

(b) such obligation cannot be avoided by the Issuer, taking reasonable measures available to it,

provided that no Tax Redemption Notice shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Bonds then due.

Prior to the publication of any Tax Redemption Notice, the Issuer shall deliver to the Bondholders (i) a certificate signed by an Authorised Signatory of the Issuer stating that the obligation referred to in (a) above cannot be avoided by the Issuer taking reasonable measures available to it and (ii) an opinion of independent legal or tax advisers of recognised international standing (which may be addressed to the Issuer) to the effect that such change or amendment has occurred and that the Issuer has or will be obliged to pay such additional amounts as a result thereof (irrespective of whether such amendment or change is then effective). The Bondholders shall be entitled to accept such certificate and opinion (without any liability for so doing) as sufficient evidence of the matters set out in (a) and (b) above, in which event such certificate and opinion shall be conclusive and binding on the Bondholders.

If the Issuer gives a Tax Redemption Notice, each Bondholder will have the right to elect that its Bonds shall not be redeemed pursuant to such Tax Redemption Notice and that the provisions of Condition 8 requiring the Issuer to pay additional amounts shall not apply in respect of any payment to be made on such Bonds which falls due after the relevant Tax Redemption Date, whereupon no additional amounts shall be payable in respect thereof pursuant to Condition 8 and payment of all amounts on such Bonds shall be made subject to the deduction or withholding of any taxation imposed by the Relevant Jurisdiction required to be withheld or deducted. To exercise such right, the holder of the relevant Bond must give notice to the Issuer on or before the day falling 10 days prior to the Tax Redemption Date. If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the Issuer, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day.

7.3 Redemption at the Option of the Issuer

Subject to the right of each Bondholder to exercise its Conversion Rights (including within the Fundamental Change Event Period), on giving not less than 30 days nor more than 45 days' notice (an "**Issuer Optional Redemption Notice**") to Bondholders, the Issuer may redeem in cash all but not some only of the Bonds on the date (the "**Issuer Optional Redemption Date**") specified in such Issuer Optional Redemption Notice by payment of the Issuer Call Early Redemption Amount in respect of each Bond outstanding, at any time on or after 1 January 2025, if the Parity Value on at least 20 dealing days in any period of 30 consecutive dealing days ending not earlier than 7 dealing days prior to the giving of the relevant Issuer Optional Redemption Notice, in respect of a Bond in the Principal Amount of US$200,000 shall have exceeded US$260,000 as verified by the Calculation Agent upon request in writing by the Issuer.

7.4 Issuer Optional Redemption Notice and Tax Redemption Notice

The Issuer shall not give an Issuer Optional Redemption Notice or a Tax Redemption Notice at any time during a Fundamental Change Event Period or an Offer Period or which specifies a date for redemption falling in a Fundamental Change Event Period or an Offer Period or the period of 21 days following the end of a Fundamental Change Event Period or an Offer Period (whether or not the relevant notice was given prior to or during such Fundamental Change Event Period or Offer Period), and any such notice shall be invalid and of no effect (whether or not given prior to the Fundamental Change Event Period or Offer Period) and the relevant redemption shall not be made.

Any Issuer Optional Redemption Notice shall be irrevocable. Any such notice shall specify (i) the Issuer Optional Redemption Date, which shall be a London business day, (ii) the Conversion Price, the aggregate principal amount of the Bonds outstanding and the Closing Price of the Shares, in each case as at the latest practicable date prior to the publication of the Issuer Optional Redemption Notice and (iii) the last day on which Conversion Rights may be exercised by Bondholders.

7.5 Redemption at the Option of Bondholders

Following the occurrence of a Fundamental Change Event, each Bondholder will have the right to require the Issuer to redeem in cash any of its Bonds on the Fundamental Change Event Put Date at the relevant Bondholder Early Redemption Amount.

To exercise such right, the holder of the relevant Bond must give notice thereof to the Issuer and deliver the relevant Bond Certificate to the Issuer at any time during the Fundamental Change Event Period.

The "**Fundamental Change Event Put Date**" shall be the fifth London business day after the expiry of the relevant Fundamental Change Event Period.

Payment in respect of any such Bond shall be made in accordance with Condition 8.

Any notice given by a Bondholder to exercise its put right pursuant to this Condition 7.5, once delivered, shall be irrevocable and the Issuer shall redeem all Bonds the subject of such notices delivered as aforesaid on the Fundamental Change Event Put Date.

7.6 Purchase

Subject to the requirements (if any) of any stock exchange on which the Bonds may be admitted to listing and trading at the relevant time and subject to compliance with applicable laws and regulations, the Issuer or any Subsidiary of the Issuer may at any time purchase any Bonds in the open market or otherwise at any price, provided that in respect of each such purchase the Issuer (or any Subsidiary of the Issuer, as the case may be) shall also offer to each other Bondholder to purchase Bonds from it on the same terms (or the same terms in all material respects) on a pro-rata basis proportionate with each Bondholder's respective holding of Bonds (rounded down to the nearest Principal Amount of a Bond). Bonds purchased by the Issuer or any of its Subsidiaries shall be cancelled and may not be reissued or re-sold.

7.7 Cancellation

All Bonds which are redeemed or in respect of which Conversion Rights are exercised will be cancelled and may not be reissued or resold (for the avoidance of doubt, without prejudice to any Conversion Payment which shall remain unpaid and be deferred pursuant to Condition 6.2, and any interest thereon pursuant to Condition 5.2 and the obligations of the Issuer in respect of any Share Settlement pursuant to Condition 9.9).

7.8 Multiple Notices

If more than one notice of redemption is given pursuant to this Condition 7, the first of such notices to be given shall prevail, save that a notice given pursuant to Condition 7.5 shall prevail over a notice given pursuant to Conditions 7.2 and 7.3 in circumstances where the Fundamental Change Event Put Date falls prior to the Optional Redemption Date or Tax Redemption Date, as the case may be.

7.9 No Other Redemption

Other than as provided in Conditions 7.2 and 7.3, the Bonds may only be redeemed at the option of the Issuer prior to the Maturity Date in accordance with Condition 7.4, and may only be redeemed by Bondholders prior to the Maturity Date in accordance with Condition 7.5.

8. Taxation

All payments made (or deemed to be made) by or on behalf of the Issuer in respect of the Bonds (including, for the avoidance of doubt, the issuance of any Shares in connection with an exercise of Conversion Rights) will be made free and clear of, and be made without deduction or withholding for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, or levied, collected, withheld or assessed by, or on behalf of, the United Kingdom, Canada or any political subdivision or any authority thereof or therein having power to tax (or any other jurisdiction in which the Issuer may be domiciled or resident or to whose taxing jurisdiction it may be generally subject) ("**Relevant Jurisdiction**"), unless deduction or withholding of such taxes, duties, assessments or governmental charges is required to be made by law. In that event, the Issuer will pay such additional amounts as will result in the receipt by the Bondholders of such amounts as would have been received by them if no such withholding or deduction had been required, except that no such additional amount shall be payable in relation to any payment in respect of any Bond:

(a) presented for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of that holder having some connection with the Relevant Jurisdiction other than the mere holding of the Bond; or

(b) where (in the case of a payment of principal, premium or interest on redemption) the relevant Bond is surrendered for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on surrendering such Bond for payment on the last day of such period of 30 days; or

(c) where a Bondholder has exercised its right to elect that its Bonds shall not be redeemed pursuant to any Tax Redemption Notice in accordance with Condition 7.2.

References in these Conditions to principal and/or interest and/or any other amounts payable in respect of the Bonds shall be deemed also to refer to any additional amounts which may be payable under this Condition or any undertaking or covenant given in addition thereto or in substitution therefor pursuant to the Bond Instrument.

The requirement to pay additional amounts under this Condition 8 shall not apply in respect of any payments which fall due after the relevant Tax Redemption Date in respect of any Bonds which are the subject of a Bondholder election pursuant to Condition 7.2.

If the Issuer becomes subject at any time to any taxing jurisdiction other than a Relevant Jurisdiction, references in this Condition 8 to "Relevant Jurisdiction" shall be construed as references to Canada and/or such other jurisdiction or, in each case, any political subdivision or any authority thereof or therein having power to tax.

9. Payments

9.1 Principal

Payment of principal and interest in respect of the Bonds and delivery of any Shares pursuant to these Conditions will be made to, or to the order of, and in accordance with the Payment Details provided by, the persons shown in the Register (as defined in the Bond Instrument) at the close of business on the Record Date.

9.2 Other amounts

Payments of all amounts other than as provided in Condition 9.1 will be made as provided in these Conditions.

9.3 Record Date

"**Record Date**" means the second London business day before the due date for the relevant payment.

9.4 Payments

(a) Each payment in respect of Bonds pursuant to Conditions 9.1 and 9.2 will, with respect to each relevant Bondholder, be made by transfer to a US Dollar account in accordance with the relevant Payment Details.

(b) All payments in respect of the Bonds are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment.

(c) The Issuer shall initiate, or shall procure the initiation of, payment instructions for value as of the due date, or, if the due date is not a London business day and New York business day, for value the next succeeding London and New York business day.

9.5 Delay in payment

(a) Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the cash amount due to be paid or, as the case may be, the Shares due to be delivered:

(i) as a result of the due date not being a business day in London, New York or in the city in which the recipient account is based; or

(ii) as a result of the relevant Bondholder failing to provide fulsome and correct Payment Details.

(b) If any date for payment in respect of any Bond is not a London and New York business day, the holder shall not be entitled to payment until the next following London and New York business day nor to any interest or other sum in respect of such postponed payment.

9.6 Calculation Agent

Pursuant and subject to the Calculation Agency Agreement, at any time the Issuer may vary or terminate the appointment of the Calculation Agent and appoint another Calculation Agent and the Calculation Agent may resign, provided that, unless the Issuer and the Calculation Agent agree otherwise, any such termination or resignation (other than a resignation following default of the Issuer's payment obligations to the Calculation Agent, pursuant to clause 8.4 of the Calculation Agency Agreement) shall only take effect upon the appointment by the Issuer of a successor calculation agent and on the expiry of the relevant notice.

Notwithstanding and without prejudice to anything in the Calculation Agency Agreement (and without affecting the rights or obligations of the Issuer and the Calculation Agent thereunder), the Issuer hereby separately undertakes to the Bondholders that it shall not vary or terminate the appointment of the Calculation Agent and/or appoint another Calculation Agent except with the prior approval of the holders of at least 75 per cent. in principal amount of the Bonds outstanding.

9.7 No charges

Neither the Issuer nor any person or agent acting on its behalf shall make or impose on a Bondholder any charge or commission in relation to any payment, transfer or conversion in respect of the Bonds including any issue and delivery of Shares pursuant to the exercise of any Share Settlement Option.

9.8 Fractions

When making payments to Bondholders, if the relevant payment is not of an amount which is a whole multiple of the smallest unit of the relevant currency in which such payment is to be made, such payment will be rounded down to the nearest unit.

9.9 Share Settlement Option in respect of Conversion Payment

(a) Share Settlement Option

Provided that a Cash Payment Notice has not been delivered on or prior to the relevant Share Settlement Notice Date (as defined below), at any time from and including the day falling 45 days after the relevant Conversion Date, and subject to and in accordance with the provisions of this Condition 9.9, the relevant Bondholder may (in its discretion) give written notice to the Issuer in respect of a Conversion Payment to which a Conversion Payment Deferral applies (a "**Share Settlement Notice**" in respect of such Conversion Payment, and the date on which this notice is so given, the "**Share Settlement Notice Date**" in respect of such Conversion Payment) that it elects to require (subject to Condition 9.9(b)) the Issuer to satisfy its obligation to pay the Conversion Payment in relation to such Conversion Payment in respect of any exercise of Conversion Rights and all accrued but unpaid interest in respect of such Conversion Payment (if any) by exercising its option to require the Issuer to issue Shares to or to the order of such Bondholder in settlement and discharge of the Issuer's liability to pay such Conversion Payment and all accrued but unpaid interest in respect of such Conversion Payment (if any) and in lieu of paying cash in respect thereof (the "**Share Settlement Option**" in respect of any Conversion Payment). A Share Settlement Option Notice may not be given on or after the date on which a Cash Payment Notice has been given. Upon the occurrence of a Share Settlement Notice Date, the Issuer shall promptly give notice thereof to the Bondholders in accordance with Condition 16, including specifying the number of Bonds in respect of which such Share Settlement Election has been exercised.

(b) Provisions relating to the Share Settlement Option

The following provisions shall apply in respect of an exercise of the Share Settlement Option (a "**Share Settlement**"):

(i) promptly following the end of the Share Settlement Observation Period, the Issuer shall give notice to the Bondholders in accordance with Condition 16 of the number of Shares to be issued in respect of the Share Settlement;

(ii) without prejudice to any annulment of a Share Settlement pursuant to paragraphs (iii) or (iv) below, a Share Settlement Notice shall be irrevocable;

(iii) Share Settlement shall be subject to a Share Settlement Liquidity Event not having occurred on any day up to (and including) the relevant Share Settlement Date (and following such occurrence of a Share Settlement Liquidity Event, the Share Settlement shall be annulled and the relevant Conversion Payment (and all accrued but unpaid interest in respect of such Conversion Payment (if any)) shall remain outstanding (and interest shall continue to accrue on such Conversion Payment at the Rate of Interest) as if the relevant Share Settlement Notice had not been delivered). Upon the occurrence of a Share Settlement Liquidity Event, the Issuer shall promptly give notice thereof to the Bondholders in accordance with Condition 16. Notwithstanding the occurrence of a Share Settlement Liquidity Event, the relevant Bondholder may elect (in its absolute discretion) to proceed with the Share Settlement by giving written notice thereof to the Issuer on or before the relevant Scheduled Share Settlement Date;

(iv) except in the case where (A) a Cash Payment Notice is delivered on or after the relevant SSO Reference Date and (B) the relevant Bondholder elects (in its absolute discretion) to proceed with the Share Settlement by giving written notice thereof to the Issuer on or before the relevant Scheduled Share Settlement Date, a Share Settlement shall be subject to a Cash Payment Notice not having been delivered on any day up to (and including) the day prior to the relevant Share Settlement Date (and following such delivery of a Cash Payment Notice, except as aforementioned, the Share Settlement shall be annulled and the relevant Conversion Payment (and all accrued but unpaid interest in respect of such Conversion Payment (if any)) shall remain outstanding (and interest shall continue to accrue on such Conversion Payment at the Rate of Interest) as if the relevant Share Settlement Notice had not been delivered and such Conversion Payment shall be paid in cash in accordance with Condition 6.2);

(v) if (A) a Fundamental Change Event Notice, Issuer Optional Redemption Notice or Tax Redemption Notice is given, or an Event of Default occurs, on or prior to any Share Settlement Notice Date in circumstances where the relevant Fundamental Change Event Put Date, Issuer Optional Redemption Date, Tax Redemption Date or Relevant Date falls after the relevant Share Settlement Date, or (B) a Fundamental Change Event Notice, Issuer Optional Redemption Notice or Tax Redemption Notice is given, or an Event of Default occurs, after a Share Settlement Notice Date but prior to the relevant Share Settlement Date, in each case the relevant Bondholder may (in its discretion) give written notice prior to such Share Settlement Date to the Issuer that it elects to cancel the relevant Share Settlement Notice, and the relevant Conversion Payment (and all accrued but unpaid interest in respect of such Conversion Payment (if any)) shall remain outstanding (and interest shall continue to accrue on such Conversion Payment at the Rate of Interest) as if the relevant Share Settlement Notice had not been delivered and such Conversion Payment shall be paid in cash in accordance with Condition 6.2;

(vi) subject as provided in paragraph (vii) below, the number of Shares to be issued and delivered to the relevant Bondholder in respect of a Share Settlement (the "**Deliverable Shares**") shall be such number of Shares (rounded down to the nearest whole number) determined by the Calculation Agent by dividing the relevant Conversion Payment, together with all accrued but unpaid interest in respect of such Conversion Payment up to but excluding the relevant Share Settlement Date (if any), by the relevant 5-Day Lowest Market Price in respect of such Share Settlement;

(vii) fractions of Shares will not be issued pursuant to this Condition 9.9 and no cash payment will be made in lieu thereof. However, if (A) the Share Settlement Option is exercised by the relevant Bondholder in respect of more than one Conversion Payment, (B) the relevant Share Settlement Notices are all given on the same day and (C) the Shares to be issued pursuant thereto are to be registered in the same name, the number of Shares to be issued in respect thereof shall be calculated on the basis of the aggregate of such Conversion Payments, as determined by the Calculation Agent;

(viii) Shares (including any Additional Deliverable Shares) issued and delivered pursuant to this Condition 9.9 will be fully paid and will in all respects rank *pari passu* with the fully paid Shares in issue on the relevant SSO Reference Date or, in the case of Additional Deliverable Shares, on the relevant Reference Date and the relevant holder shall be entitled to all rights, distribution or payments the record date or other due date for the establishment of entitlement for which falls on or after such SSO Reference Date, or as the case may be, the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law or as otherwise may be provided in these Conditions. Such Shares or, as the case may be, Additional Deliverable Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to such SSO Reference Date or, as the case may be, the relevant Reference Date;

(ix) A Bondholder must pay any taxes (including capital, stamp, issue and registration and transfer taxes or duties) arising on the issue and delivery of the relevant Deliverable Shares or Additional Deliverable Shares, other than any Specified Taxes payable in respect of the issue and delivery of the Deliverable Shares or Additional Deliverable Shares to a Bondholder pursuant to this Condition 9.9, which shall be paid by the Issuer. Such Bondholder must pay all, if any, taxes arising by reference to any disposal or deemed disposal of a Bond or interest therein by it in connection with such Share Settlement;

(x) Deliverable Shares (including Additional Deliverable Shares) will be issued and delivered in uncertificated form through the dematerialised securities trading system operated by Euroclear UK & Ireland Limited, known as CREST, unless at the relevant time the Shares are not a participating security in CREST, in which case the Deliverable Shares will be issued and delivered in certificated form. Where Deliverable Shares are to be issued and delivered through CREST, they will be delivered to the account specified by the relevant Bondholder in the Payment Details by not later than the relevant Scheduled Share Settlement Date (or, if applicable, Adjusted Scheduled Share Settlement Date). Where Deliverable Shares are to be issued and delivered in certificated form, a certificate in respect thereof will be dispatched by mail free of charge to the relevant Bondholder in accordance with its Payment Details or as it may otherwise direct by not later than the relevant Scheduled Share Settlement Date (or, if applicable, Adjusted Scheduled Share Settlement Date).

Deliverable Shares (including Additional Deliverable Shares) will not be available for issue (A) to, or to a nominee or agent for, Euroclear Bank SA/NV or Clearstream Banking S.A. or any other person providing a clearance service within the meaning of Section 96 of the FA 1986 or (B) to a person, or nominee or agent for a person, whose business is or includes issuing depositary receipts within the meaning of Section 93 of FA 1986, in each case, at any time prior to the "abolition day" as defined in Section 111(1) of the United Kingdom Finance Act 1990; and

(xi) If the relevant SSO Reference Date shall be (A) after the Adjustment Reference Date in respect of any adjustment to the Conversion Price pursuant to

Condition 6.3(a) to (h); and (B) before the relevant adjustment becomes effective under Condition 6.3 (such adjustment, a "**Share Settlement Retroactive Adjustment**"), then the Issuer shall procure that there shall be issued and delivered to the relevant Bondholder, in accordance with the Payment Details, such additional number of Shares (if any) (the "**Additional Deliverable Shares**") as, together with the Shares issued and delivered in lieu of paying cash in respect of the relevant Conversion Payment Amount, is equal to the number of Shares which would have been so required to be issued and delivered in respect of such amount if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to such SSO Reference Date, all as determined by the Calculation Agent, provided that if in the case of Conditions 6.3(b), 6.3(c), 6.3(d), 6.3(e) or 6.3(i) the relevant Bondholder shall be entitled to receive the relevant Shares, Dividends or other Securities in respect of the Shares to be issued and delivered to it, then no such Share Settlement Retroactive Adjustment shall be made in relation to the relevant event and the relevant Bondholder shall not be entitled to receive Additional Deliverable Shares in relation thereto.

(i) if any such dealing day falls on or after the Applicable Adjustment Reference Date in respect of any adjustment required to be made to the Conversion Price pursuant to these Conditions and such adjustment is not yet in effect on the relevant SSO Reference Date, the Volume Weighted Average Price on such dealing day shall be divided by the adjustment factor (as determined pursuant to these Conditions) applied to the Conversion Price in respect of such adjustment;

(ii) if any such dealing day falls before the Applicable Adjustment Reference Date in respect of any adjustment required to be made to the Conversion Price pursuant to these Conditions and such adjustment is in effect on the relevant SSO Reference Date, the Volume Weighted Average Price on such dealing day shall be multiplied by the adjustment factor (as determined pursuant to these Conditions) applied to the Conversion Price in respect of such adjustment; and

10. Events of Default

If any of the following events (each an "**Event of Default**") occurs and is continuing, a holder of a Bond then outstanding may give notice (an "**Acceleration Notice**") in writing to the Issuer that such Bond is, and upon such notice such Bond shall accordingly immediately become, without further action or formality, due and repayable at the Relevant Amount:

(a) the Issuer fails to pay when due any of the principal of the Bonds, any interest or any other amounts with respect to the Bonds (on a Conversion Payment Date, on an Interest Payment Date, at maturity, upon redemption or otherwise) and such failure continues for a period of three business days in each of Calgary, Canada, New York, USA and London, England;

(d) the validity of the Bonds or any Bond Document is contested by the Issuer or any Guarantor, the Issuer or any Guarantor shall deny any of its obligations under the Bonds or any Bond Document or it is or will become unlawful for the Issuer or any Guarantor to perform or comply with any one or more of its obligations under any of the Bonds or the Bond Documents;

(k) an administrator is appointed, an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer or any of its Material Subsidiaries (and such order is not discharged within 30 days), or the Issuer ceases or threatens to cease to carry on all or a substantial part of its business or operations, except (i) for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation (A) on terms approved by the Majority Bondholders, or (B) in the case of a Material Subsidiary, whereby the undertaking and assets of the Material Subsidiary are transferred to or otherwise vested in the Issuer or another of its Subsidiaries or (ii) in relation to any solvent winding-up or dissolution as

part of a NewCo Scheme permitted by the Conditions (and in accordance with Condition 11(g) and Condition 15).

For the purposes of this Condition 10, "**Relevant Amount**" means, in respect of the principal amount of each Bond which is outstanding, the relevant Bondholder Early Redemption Amount, save that if the relevant Event of Default occurs as a result of or in connection with a failure by the Issuer to comply with any of its obligations in relation to the exercise of Conversion Rights or Share Settlement Option (except in *de minimis* respects), it means an amount in cash per Bond equal to the higher of:

(l) the sum of (i) the Volume Weighted Average Price (translated if necessary into US Dollar at the Prevailing Rate) on the date of such declaration of the relevant Event of Default of the aggregate number of Shares and (ii) the Fair Market Value (translated if necessary into US Dollar at the Prevailing Rate) on the date of such declaration of the relevant Event of Default of any other amounts (including any Conversion Payment (disregarding for this purpose Condition 9.9)) in each case which would have been deliverable and/or payable had Conversion Rights been exercised in respect of such Bond and assuming for this purpose that the relevant Conversion Date is the date of such declaration of the relevant Event of Default; and

(m) the relevant Bondholder Early Redemption Amount.

Following an Event of Default and a Bondholder having given notice to the Issuer as provided above in this Condition 10 that a Bond or Bonds are due and payable, references in these Conditions and the Bond Instrument to the principal amount of a Bond shall, in relation to such Bond or Bonds, unless the context otherwise requires, include the Relevant Amount.

11. Undertakings

Unless any of the following is contemplated, required and/or expressly permitted pursuant to any of the Bond Documents, the Issuer will, save with the approval of the holders of at least 75 per cent. in principal amount of the Bonds outstanding:

(a) not issue or pay up any Securities, in either case by way of capitalisation of profits or reserves, other than:

(i) pursuant to a Scheme of Arrangement involving a reduction and cancellation of Shares and the issue to Shareholders of an equal number of Shares by way of capitalisation of profits or reserves; or

(ii) pursuant to or in connection with a Newco Scheme; or

(iii) by the issue of fully paid Shares or other Securities to Shareholders and other holders of shares in the capital of the Issuer which by their terms entitle the holders thereof to receive Shares or other Securities on a capitalisation of profits or reserves; or

(iv) by the issue of fully paid Shares, issued wholly, ignoring fractional entitlements, in lieu of the whole or part of a Dividend in cash; or

(v) by the issue of Shares or any equity share capital to, or for the benefit of, employees or former employees, director or executive holding or formerly holding executive office (including directors holding or formerly holding executive office or non-executive office, consultants or former consultants or

the personal service company of any such person) or their spouses or relatives, in each case of the Issuer or any of its Subsidiaries or any associated company or to a trustee or nominee to be held for the benefit of any such person, in any such case pursuant to an employee, contractor, director or executive share or option or incentive scheme whether for all employees, contractors, directors or executives or any one or more of them,

((i) to (v) above each being a "**Permitted Issue**"), unless, in any such case, the same constitutes a Dividend or otherwise falls to be taken into account for a determination as to whether an adjustment is to be made to the Conversion Price pursuant to Condition 6.3, regardless of whether in fact an adjustment falls to be made in respect of the relevant event (or would, but for the provisions of Condition 6.8 relating to roundings and minimum adjustments or the carry forward of adjustments, give rise to an adjustment to the Conversion Price);

(b) not modify the rights attaching to the Shares with respect to voting, dividends or liquidation nor issue any other class of equity share capital carrying any rights which are more favourable than the rights attaching to the Shares but so that nothing in this Condition 11(b) shall prevent:

(i) any consolidation, reclassification, redesignation or subdivision of the Shares; or

(ii) any modification of such rights which is not, in the opinion of an Independent Adviser, materially prejudicial to the interests of the holders of the Bonds; or

(iii) any issue of equity share capital where the issue of such equity share capital results, or would, but for the provisions of Condition 6.8 relating to roundings and minimum adjustments or the carry forward of adjustments or Condition 6.3(l) or, where comprising Shares, the fact that the consideration per Share receivable therefor is at least 95 per cent. of the Current Market Price per Share at the relevant time for determination thereof pursuant to the relevant provisions of Condition 6.3, otherwise result, in an adjustment to the Conversion Price; or

(iv) without prejudice to any rule of law or legislation (including regulations made under Sections 783, 784(3), 785 and 788 of the Companies Act or any other provision of that or any other legislation), the conversion of Shares into, or the issue of any Shares in, uncertificated form (or the conversion of Shares in uncertificated form to certificated form) or the amendment of the Articles of Association of the Issuer to enable title to securities (including Shares) to be evidenced and transferred without a written instrument or any other alteration to the Articles of Association of the Issuer made in connection with the matters described in this Condition 11(b) or which is supplemental or incidental to any of the foregoing (including any amendment made to enable or facilitate procedures relating to such matters and any amendment dealing with the rights and obligations of holders of Securities, including Shares, dealt with under such procedures); or

(v) any issue of equity share capital or modification of rights attaching to the Shares, where prior thereto the Issuer shall have instructed an Independent

Adviser to determine what (if any) adjustments should be made to the Conversion Price as being fair and reasonable to take account thereof and such Independent Adviser shall have determined either that no adjustment is required or that an adjustment resulting in a decrease in the Conversion Price is required and, if so, the new Conversion Price as a result thereof and the basis upon which such adjustment is to be made and, in any such case, the date on which the adjustment shall take effect (and so that the adjustment shall be made and shall take effect accordingly); or

(vi) any alteration to the Articles of Association made in connection with the matters described in this Condition 11 or which is supplemental or incidental to any of the foregoing (including any amendment made to enable or facilitate procedures relating to such matters and any amendment dealing with the rights and obligations of holders of Securities, including Shares, dealt with under such procedures); or

(vii) any amendment of the Articles of Association of the Issuer following or in connection with a Change of Control to ensure that any Bondholder exercising Conversion Rights where the Conversion Date falls on or after the occurrence of a Change of Control will receive, in whatever manner, the same consideration for the Shares arising on such exercise as it would have received in respect of any Shares had such Shares been entitled to participate in the relevant Scheme of Arrangement or to have been submitted into, and accepted pursuant to, the relevant offer or tender (a "**Change of Control Conversion Right Amendment**"); or

(viii) a Permitted Issue;

(c) except as part of or in connection with or pursuant to any employee, contractor, director or executive share or option or incentive scheme (whether for all employees, contractors, directors or executives or any one or more of them), procure that no Securities which were originally issued (whether issued by the Issuer or any Subsidiary of the Issuer or procured by the Issuer or any Subsidiary of the Issuer to be issued or issued by any other person pursuant to any arrangement with the Issuer or any Subsidiary of the Issuer) without rights to convert into, or exchange or subscribe for, Shares shall subsequently be granted such rights exercisable at a consideration per Share which is less than 95 per cent. of the Current Market Price per Share at the relevant time for determination thereof pursuant to the relevant provisions of Condition 6.3 unless the same gives rise (or would, but for the provisions of Condition 6.8 relating to roundings and minimum adjustments or the carry forward of adjustments or Condition 6.3(l), give rise) to an adjustment to the Conversion Price and that at no time shall there be in issue Shares of differing nominal values, save where such Shares have the same economic rights;

(d) not make any issue, grant or distribution or take or omit to take any other action if the effect thereof would be that, on the exercise of Conversion Rights, Shares could not, under any applicable law then in effect, be legally issued as fully paid;

(e) not reduce its issued share capital, share premium account, or any uncalled liability in respect thereof, or any non-distributable reserves, except:

(i) pursuant to the terms of issue of the relevant share capital; or

(ii) by means of a purchase or redemption of share capital of the Issuer to the extent permitted by applicable law; or

(iii) where the reduction does not involve any distribution of assets to Shareholders; or

(iv) solely in relation to a change in the currency in which the nominal value of the Shares is expressed; or

(v) to create distributable reserves (to which, in respect of any such creation of distributable reserves, the Bondholders will be deemed to have irrevocably given their consent (without any liability for so doing) prior to such creation of distributable reserves occurring); or

(vi) pursuant to a Scheme of Arrangement involving a reduction and cancellation of Shares and the issue to Shareholders of an equal number of Shares by way of capitalisation of profits or reserves; or

(vii) as provided in Condition 11(a)(i); or

(viii) pursuant to a Newco Scheme; or

(ix) by way of transfer to reserves as permitted under applicable law; or

(x) where the reduction is permitted by applicable law and the Bondholders are advised by an Independent Adviser, that in its opinion the interests of the Bondholders will not be materially prejudiced by such reduction; or

(xi) where the reduction is permitted by applicable law and results (or, in the case of a reduction in connection with a Change of Control, will result) in (or would, but for the provisions of Condition 6.8 relating to roundings or the carry forward of adjustments, result in) an adjustment to the Conversion Price or is (or, in the case of a reduction in connection with a Change of Control, will be) otherwise taken into account for the purposes of determining whether such an adjustment should be made;

provided that, without prejudice to the other provisions of these Conditions, the Issuer may exercise such rights as it may from time to time be entitled pursuant to applicable law to purchase, redeem or buy back its Shares and any depositary or other receipts or certificates representing Shares without the consent of Bondholders;

(f) if any offer is made to all (or as nearly as may be practicable all) Shareholders or all (or as nearly as may be practicable all) Shareholders other than the offeror and/or any associates of the offeror to acquire a Controlling interest in the Issuer, or if a public offer is made in respect of the Shares, or if any person proposes a scheme with regard to such acquisition (other than a Newco Scheme), give notice of such offer or scheme to the Bondholders in accordance with Condition 16 at the same time as any notice thereof is sent to the Shareholders (or as soon as practicable thereafter) that details concerning such offer or scheme may be obtained from the Issuer and, where such an offer or scheme has been recommended by the board of directors of the Issuer, or where such an offer has become or been declared unconditional in all respects or such scheme

has become effective, use all reasonable endeavours to procure that a like offer or scheme is extended to Bondholders and to the holders of any Shares issued during the period of the offer or scheme arising out of the exercise of the Conversion Rights pursuant to these Conditions (which like offer or scheme to Bondholders shall entitle Bondholders to receive the same type and amount of consideration they would have received had they held the number of Shares to which such Bondholders would be entitled assuming Bondholders were to exercise their Conversion Rights in the relevant Fundamental Change Event Period), provided that, for the avoidance of doubt, this undertaking of the Issuer shall not restrict or prevent the Issuer or its board of directors from co-operating in relation to, or recommending to its shareholders the acceptance of, such a takeover bid in circumstances where (despite the Issuer using all reasonable endeavours as set out above) the bidder does not extend to the Bondholders (or any of them) an offer or proposal as set out above;

(g) in the event of a Newco Scheme, take (or shall procure that there is taken) all necessary action to ensure that (to the satisfaction of the Bondholders) immediately after completion of the Scheme of Arrangement:

(i) at the Issuer's option, either (a) Newco is substituted under the Bonds and the Bond Documents as principal obligor in place of the Issuer (with the Issuer providing a guarantee) subject to and as provided in Condition 15; or (b) Newco becomes a guarantor under the Bonds and the Bond Documents, in each case on terms satisfactory to the Bondholders;

(ii) such amendments are made to these Conditions and the Bond Documents as are necessary, in the opinion of the Bondholders, to ensure that the Bonds may be converted into or exchanged for cash and/or ordinary shares or units or the equivalent in Newco (or depositary or other receipts or certificates representing ordinary shares or units or the equivalent in Newco) *mutatis mutandis* in accordance with and subject to these Conditions with a Conversion Price (subject to adjustment as provided in these Conditions) economically equivalent to the Conversion Price immediately prior to the implementation of such amendments, as determined by an Independent Adviser;

(iii) the ordinary shares or units or equivalent of Newco (or depositary or other receipts or certificates representing ordinary shares or units or equivalents of Newco) are admitted to trading on a Qualifying Market; and

(iv) the Bond Documents and the Conditions provide at least the same or equivalent powers, protections, rights and benefits to the Bondholders following the implementation of such Newco Scheme as they provided to the Bondholders prior to the implementation of the Newco Scheme, *mutatis mutandis,*

and the Bondholders shall (at the expense of the Issuer, including payment by the Issuer of any incurred fees of Bondholders' legal counsel, and subject to the satisfaction of the conditions set out in (i) to (iv) above and provided that the interests of Bondholders are not adversely prejudiced thereby) be obliged to concur in effecting such substitution or grant of such guarantee and in either case making any such amendments, provided that the Bondholders shall not be obliged so to concur if, in the opinion of the Bondholders, doing so would impose more onerous obligations upon any of them or expose any of them to any additional duties, responsibilities or liabilities in any way;

(h) use all reasonable endeavours to ensure that the Shares issued upon exercise of Conversion Rights will, as soon as is possible, be admitted to listing and to trading on the London Stock Exchange and will be listed, quoted or dealt in, as soon as is practicable, on any other stock exchange or securities market on which the Shares may then be listed or quoted or dealt in (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the board of directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Shares);

(i) use all reasonable endeavours to ensure, at its own cost, that its issued and outstanding Shares are admitted to listing on a regulated, regularly operating, recognised stock exchange or securities market (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the board of directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Shares);

(j) will continue to make all applicable regulatory filings in respect of the listing and admission to trading of the Shares with each Stock Exchange (including, in respect of any Shares in issue which are not admitted to listing on the London Stock Exchange, publishing a prospectus and obtaining admission to listing on the London Stock Exchange as soon as possible and in any event not later than twelve calendar months after the issue of such Shares, as required by Listing Rule 14.3.4R or any requirement that succeeds or replaces the same);

(k) not cause its Shares to be quoted or admitted to trading and/or listing on any stock exchange (other than the London Stock Exchange, the Toronto Stock Exchange or the Canadian Securities Exchange) if that would cause the Initial Investor to be subject to any additional filings, reporting or other obligations, except with the prior consent of the Initial Investor;

(l) at all times keep available for issue, free from pre-emptive or other preferential rights out of its authorised but unissued capital sufficient allotment authority in respect of Shares to enable the exercise of Conversion Rights in respect of all the Bonds (including any Further Bonds) then outstanding and all other rights of subscription and exchange for Shares, to be satisfied in full;

(m) with respect to any calculation, determination or adjustment performed by the Calculation Agent or an Independent Adviser at the instruction of the Issuer, promptly notify the Bondholders thereof including all relevant details of such calculation or determination and, upon request from any Bondholder, confirm to the Bondholders (and with notice to the Calculation Agent) the Conversion Price then in effect and details of any relevant prior calculations, determinations or adjustments as such Bondholder may require;

(n) promptly upon:

(i) the Issuer becoming aware that a Free Float Event may have occurred (or would be likely to have occurred, if an Independent Adviser had been requested to make such determination), acting reasonably, based on known and publicly available information and without any requirement to make any further enquires; or

(ii) a request being made by the any Bondholder (acting reasonably, and such request not being made more than once in any three-month period), the Issuer shall instruct an Independent Adviser to make a determination as to the number of Shares comprising the Free Float;

(o) as soon as reasonably practicable following the completion of the Refinancing Conditions, make a public announcement containing the details thereof;

(p) (i) promptly notify each Bondholder in accordance with Condition 16 of the occurrence of any Event of Default or any breach of the Conditions or the provisions of the Bond Documents; and (ii) deliver to the Bondholders annually, and to the Bondholders at any time upon reasonable demand in writing by a Bondholder (but so that such demand shall not be made more than once during any Interest Period), a certificate signed by two directors of the Issuer on behalf of the Issuer certifying that, having made all reasonable enquiries, to the best of the knowledge, information and belief of the Issuer, no Event of Default, Potential Event of Default or breach of the Conditions or the Bond Documents has occurred since the date of the last such certificate (or, in the case of the first such certificate, the Issue Date), or if such an event or breach has occurred, giving all relevant details of such event or breach; and

(q) so far as permitted by applicable law and any applicable contractual obligations of confidentiality, at any time upon a reasonable request from a Bondholder, as soon as practicable furnish to each Bondholder such reasonably requested information or materials as may be relevant to the operation of any of the provisions in the Bond Documents, including but not limited to any potential Change of Control, Free Float Event, De-Listing Event or Share Settlement Liquidity Event, whether at any time a Subsidiary constitutes a Material Subsidiary and the relevant supporting calculations, evidence of the Issuer's due and punctual performance of its obligations under the Bonds and the Bond Documents, provided that the Issuer shall not (without first entering into a separate confidentiality agreement with the relevant Bondholders) furnish any such information to the relevant Bondholders in connection with the Bonds, the Shares, the Issuer or the Group that is of a price sensitive nature or inside information.

12. Prescription

Claims against the Issuer for payment in respect of the Bonds shall be proscribed and become void unless made within 10 years (in the case of principal or any other amount (other than interest)) or five years (in the case of interest) from the appropriate Relevant Date in respect of such payment.

Claims in respect of any other obligation in respect of the Bonds, including delivery of Shares, shall be proscribed and become void unless made within 10 years following the due date for performance of the relevant obligations.

13. Replacement of Bond Certificates

If any Bond Certificate is lost, stolen, mutilated, defaced or destroyed, it may be replaced by the Issuer subject to and in accordance with Clause 4 (*Bond Certificates*) of the Bond Instrument.

14. Amendment and Waiver

14.1 Amendment

Subject to Condition 14.2 and Condition 14.4, the Bonds and the Bond Documents may be amended, or waivers or consents given in respect thereof, with the agreement of the Issuer and the Majority Bondholders and (without prejudice to the terms of the Calculation Agency Agreement) any such amendment, waiver or consent will be binding on all Bondholders and shall be notified by the Issuer to Bondholders as soon as practicable.

14.2 Reserved Matters

The Issuer shall not agree to make any amendment, and no waiver or consent shall be effective, in respect of any Bondholder Reserved Matter, without the consent of the holders of at least 75 per cent. in principal amount of the Bonds outstanding.

14.3 Voting Evidence

In relation to any consent to be provided by Bondholders in accordance with the Bonds or the relevant Bond Documents, the Issuer shall upon request from any Bondholder provide or procure the provision of evidence satisfactory to each Bondholder (in each case acting reasonably) that specifies:

(a) the principal amount outstanding held by Bondholders that delivered an instruction to consent, abstain or dissent to any proposal; and

(b) the principal amount outstanding of Bonds held by or on behalf of the Issuer or any member of the Group or any of their respective affiliates (as referred to in the definition of "outstanding" in Condition 3).

14.4 Exclusions

The consent of the Bondholders shall not be required in the event the Issuer effects any amendment to the Bonds or the Bond Documents pursuant to a NewCo Scheme Modification or otherwise effects a substitution in accordance with Condition 15 (so long as the interests of Bondholders are not adversely prejudiced thereby, and the terms and conditions set out in these Conditions are complied with), provided that the Issuer provides not less than 20 Notice Business Days' written notice of such amendments to the Bondholders.

15. Substitution

The Issuer may at any time, without the consent of the Bondholders, effect any substitution as provided in, and for the purposes of, Condition 11(g) in connection with a Newco Scheme and Condition 6.14 in connection with a Successor in Business (and any such substitute issuer being, the "**Substitute Issuer**"), provided that:

(a) the Issuer provides not less than 60 days' written notice to each Bondholder of such substitution, including the proposed effective date of such substitution, the identity of the Substitute Issuer and the latest audited financial statements of the Substitute Issuer,

and such other information as the Bondholders may reasonably request upon receipt of such written notice;

(b) the Bonds continue to be convertible, *mutatis mutandis* as provided in the Conditions, into ordinary shares in the capital of the Substitute Issuer with like rights, *mutatis mutandis*, to the Shares;

(c) a deed is executed by the Substitute Issuer in a form and manner satisfactory to the Bondholders, agreeing to be bound by the Bonds and each of the Bond Documents as if the Substitute Issuer has been named in such Bond Documents and the Bonds as the principal debtor in place of the Issuer, and therefrom releasing the Issuer from any or all of its obligations under the Bond Documents and the Bonds;

(d) legal opinions from reputable counsel acceptable to the Bondholders are addressed and delivered to (at the expense of the Substitute Issuer) the Bondholders on the entry into the amendment deed and all other relevant documentation and performance of the Substitute Issuer's obligations under the Bonds and the enforceability thereof, in a form satisfactory to the Bondholders;

(e) arrangements are made to the reasonable satisfaction of the Bondholders to have or be able to have the same or equivalent rights against the Substitute Issuer (and any of its Subsidiaries, if applicable) as they have against the Issuer (or any such previous substitute under this paragraph) (and any of its Subsidiaries, if applicable);

(f) that, from the date of the substitution:

(i) no greater withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature is imposed or levied by or on behalf of the taxing jurisdiction of the Substitute Issuer or any applicable sub-division thereof or therein having power to tax is applicable in respect of any payment on or in respect of the Bonds or the Bond Documents; and

(ii) holders of the Bonds (whether upon transfer of Bonds or otherwise) would not thereafter be required to pay any additional stamp, issue, transfer, documentary or other similar taxes and duties in the tax jurisdiction of the Substitute Issuer,

or that an indemnity in respect of any such additional amounts is provided by the Substitute Issuer to the satisfaction of the Bondholders; and

(g) any two directors of the Substitute Issuer certify that it will be solvent immediately after such substitution.

Upon the satisfaction of such conditions, the Substitute Issuer will be deemed to be named in the Bond Documents (but without prejudice to the terms of the Calculation Agency Agreement) and the Bonds as the principal debtor in place of the Issuer (or of any previous substitute) and each Bond Document and the Bonds will be deemed to be modified in such manner as shall be necessary to give effect to the substitution.

With effect from (and including) the date of such substitution, all payments of principal and interest payable in respect of the Bonds by the Substitute Issuer shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges (including any penalties, interest and additions to tax related thereto) of whatsoever

nature imposed, levied, collected, withheld or assessed by or on behalf of its taxing jurisdiction, unless such withholding or deduction is required by law. If, following the date of the substitution of the Substitute Issuer, there is any increase from the amounts or rates initially determined in Condition 15(f)(i) in respect of such withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature payable in respect of any payment on or in respect of the Bonds or the Bond Documents, the Substitute Issuer shall pay such additional amounts as will result in the receipt by the Bondholders of such amounts as would have been received by them if such withholding or deduction had not been increased (including any deduction or withholding attributable to the additional amounts).

16. Notices

All notices required to be given to Bondholders pursuant to the Conditions will (unless otherwise provided in these Conditions) be given (a) in the case of any initial Bondholder, in writing in accordance with the purchase or similar agreements entered into between the Issuer and each initial Bondholder in connection with, among other things, each holder's subscription for the Bonds and dated prior to the Issue Date, and (b) in the case of any New Holders (as defined in the Bond Instrument), in writing by letter or email to the address specified in each duly executed and completed form of transfer (and the provisions of Clause 13.3 (*Effectiveness*) of the Bond Instrument shall apply *mutatis mutandis* in respect of such notices to New Holders), or in each case to such other contact details as any Bondholder may subsequently provide in writing to the Issuer from time to time in accordance with the Bond Instrument. Where a Bondholder is required under these Conditions to deliver, provide or produce a Bond Certificate, form, notice or other document, such Bond Certificate, form or document shall be delivered to the Issuer and may be in electronic form.

If any notice required to be given pursuant to these Conditions would otherwise contain any inside information or other non-public information which may (upon publication) have a significant impact on the price of any securities which are listed or quoted on any market ("**Material Non-Public Information**"), then the Issuer shall simultaneously with such notice make a public announcement containing all such Material Non-Public Information such that the notice to Bondholders shall not contain any Material Non-Public Information.

The Issuer shall send a copy of all notices given by it to Bondholders (or a Bondholder) pursuant to these Conditions promptly to the Calculation Agent.

17. Further Issues

The Issuer may create and issue Further Bonds at any time. Any Further Bonds shall be constituted by a deed supplemental to the Bond Instrument.

18. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

19. Governing Law

These Conditions, the Bond Instrument, the Calculation Agency Agreement and the Bonds and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

Each registered holder of Bonds will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as the absolute owner of such Bond for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in such Bond, any writing on the Bond Certificate

relating to such Bonds (other than a duly executed transfer thereof) or any notice of any previous loss or theft of such Bond Certificate) and no person will be liable for so treating such holder.

1.3 Status

(a) The Bonds constitute direct, unconditional, unsubordinated obligations of the Issuer. 2. Negative Pledge and Covenant to Procure Second Lien Behind RBL Facility

2.1 Negative Pledge

So long as any Bond remains outstanding (as defined below), the Issuer shall not create or permit to subsist any Security Interest (as defined below), other than a Permitted Security Interest, upon the whole or any part of its present or future undertaking, assets or revenues (including any uncalled capital) to secure any Financial Indebtedness or to secure any Financial Indebtedness Guarantee, without (subject to Condition 2.2) at the same time or prior thereto securing the obligations of the Issuer under the Bonds and the Bond Instrument (including these Conditions) equally and rateably therewith or providing such other security, guarantees and/or other arrangements for the benefit of Bondholders as may be approved by the holders of at least 75 per cent. in principal amount of the Bonds outstanding.

All such Security Interests, guarantees, rights and remedies shall be granted by the Issuer and its Subsidiaries in favour of the Bondholders by no later than the date on which Security Interests are granted in connection with the RBL Facility.

Each Bondholder agrees to enter into such documents (including amendments to the Bond Instrument) (together, the "**Additional Documents**") as may be necessary or desirable to give effect to this Condition 2.2, provided that (a) if, in the opinion of any Bondholder, the entry into the Additional Documents will require any legal fees and/or other expenses to be incurred by such Bondholder, the Issuer shall, within five Notice Business Days of demand, reimburse such Bondholder for the amount of such legal costs and expenses incurred by it in entering into such Additional Documents provided that such legal costs and expenses shall be agreed with

the Issuer in advance, and (b) no Bondholder shall be required to agree to any provision contained in any Additional Documents that, in the opinion of such Bondholder, (i) imposes an onerous obligation on such Bondholder or (ii) may directly or indirectly have an adverse effect on the rights or remedies of the Bondholders under the Bond Documents prior to the entry into of the Additional Documents and (c) the Additional Documents are in form and substance reasonably satisfactory to the Bondholders.

4.1 Registration

The Issuer will keep or will cause to be kept a Register at its registered office (or if no longer outside the United Kingdom, at such other place outside of the United Kingdom) as provided in Clause 5 (*Register and Title*) of the Bond Instrument.

4.2 Transfer

Bonds may be transferred in accordance with the provisions of Clauses 5 (*Register and Title*) and 7 (*Transfers of Rights and Obligations*) of the Bond Instrument.

Any Bondholder that is, or at any time has been, a director or officer of the Issuer or any member of the Group or of any of their respective affiliates shall not be permitted to assign or transfer its rights, benefits and obligations under the Bond Instrument or any Bond (including these Conditions).

5. Interest and Make Whole Amount

5.1 Interest on Bonds

(a) Initial Interest Rate

Each Bond shall bear interest from (and including) the Issue Date (deeming, solely for the purpose of this Condition 5, all Further Bonds issued by the Issuer to have been in issue since the Issue Date) at the rate of 13.00 per cent. per annum, subject to adjustment for any Interest Period in accordance with the provisions of Condition 5.1(b) (the "**Rate of Interest**"), with such interest calculated by reference to the aggregate Principal Amount of the number of Bonds outstanding on each 3-month anniversary date of the Issue Date (each such date, an "**Interest Payment Date**"), and payable (subject as provided in the following paragraph) on each such Interest Payment Date.

Subject to the Issuer giving a Cash Payment Notice pursuant to Condition 5.1(d), all accrued and unpaid interest amounts shall be deferred (any such interest so deferred, "**Deferred Interest**") and become payable in cash on the earlier of: (i) the Maturity Date, (ii) subject as provided in Condition 6.2, the relevant Conversion Payment Date in respect of any exercise of Conversion Rights, if applicable, (iii) any relevant Fundamental Change Event Put Date, if applicable, (iv) any Tax Redemption Date, if

applicable, (v) the Issuer Optional Redemption Date, if applicable, (v) the Interest Payment Date immediately following the relevant date on which the Cash Payment Notice is given, if applicable and (vi) the date on which an Acceleration Notice is delivered to the Issuer by any Bondholder, if applicable.

No interest shall accrue on any Deferred Interest.

For the purposes of these Conditions:

"**Interest Period**" means the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date.

(b) Interest Step-Up

The Rate of Interest on each Bond shall cumulatively increase by 0.75 per cent. per annum on each three-month anniversary of the Issue Date (each such occurrence, a "**Step-Up**").

If the Issuer gives a Cash Payment Notice in accordance with Condition 5.1(d), from (and including) the date on which such Cash Payment Notice is so given, no further Step-Up shall occur and the Rate of Interest (which shall include each Step-Up which has occurred prior to the date on which the Cash Payment Notice is so given) in respect of the remainder of the Interest Period commencing from (and including) the date on which the Cash Payment Notice is so given shall be reduced by 2.0 per cent. per annum (the Rate of Interest so reduced being the "**Subsequent Fixed Rate of Interest**").

Each Bond shall bear interest from (and including) the date of delivery of such Cash Payment Notice at a Rate of Interest equal to the Subsequent Fixed Rate of Interest.

(c) Calculation of interest

The amount of interest payable in accordance with this Condition 5.1 per each Bond outstanding in respect of any period (for the purpose of this Condition 5.1, an "**Accrual Period**") which is an Interest Period or is shorter than an Interest Period shall be calculated by the Calculation Agent as the product (rounded to nearest integral multiple of $0.01 (with $0.005 being rounded upwards)) of (i) the Principal Amount (being U.S.$200,000), (ii) the applicable Rate of Interest and (iii) a fraction, the numerator of which is the number of days in such Accrual Period and the denominator of which is the product of (A) the number of days in the Interest Period in which such Accrual Period falls and (B) 4, being the number of Interest Periods normally ending in any year.

(d) Cash Payment Option

Upon giving notice thereof to Bondholders in accordance with Condition 16 (a "**Cash Payment Notice**"), the Issuer shall pay in cash all accrued and unpaid interest amounts (including any Deferred Interest) in respect of each Bond as provided below:

(i) in respect of the Interest Period in which the Cash Payment Notice is given (the "**First Non-Deferred Interest Period**"), the Issuer shall pay in cash, on the Interest Payment Date in respect of the First Non-Deferred Interest Period, the amount of interest accrued in respect of such First Non-Deferred Interest Period;

(ii) the Issuer shall pay in cash, on the Interest Payment Date in respect of the First Non-Deferred Interest Period, the amount of Deferred Interest (if any) in respect of each Interest Period falling prior the First Non-Deferred Interest Period; and

(iii) the Issuer shall pay in cash, on each Interest Payment Date falling after the Interest Payment Date in respect of the First Non-Deferred Interest Period, the amount of interest accrued in respect of each Interest Period falling after the First Non-Deferred Interest Period.

As soon as reasonably practicable following (but not prior to) the repayment of all amounts under the Summit Credit Agreement and the discharge or termination thereof, the Issuer shall have the right but not the obligation to give the Cash Payment Notice.

A Cash Payment Notice, once delivered, shall be irrevocable.

(e) Cessation of Interest

Each Bond will cease to bear interest (i) where the Conversion Right shall have been exercised by a Bondholder, from (and including) the relevant Conversion Date or (ii) where such Bond is redeemed or repaid pursuant to Condition 7 or Condition 10 from (and including) the due date for redemption or repayment thereof unless payment of principal is improperly withheld or refused or, following any election to exercise the Share Settlement Option, the Issuer fails duly to perform its obligations to issue and deliver the Deliverable Shares in accordance with Condition 9.9, interest will continue to accrue at the rate specified in Condition 5.1 (both before and after judgment) to (but excluding) the Relevant Date or, as the case may be, the date on which such issue and delivery of Deliverable Shares is duly made in accordance with Condition 9.9.

5.2 Interest on Conversion Payments

(a) In respect of such number of Bonds in respect of which the Conversion Right shall have been exercised by a Bondholder pursuant to any one Conversion Notice and where a Conversion Payment Deferral applies to the relevant Conversion Payment, interest shall accrue on such Conversion Payment at the Rate of Interest (with such interest amount calculated by reference to such Conversion Payment outstanding on each Interest Payment Date as if such interest amount was payable on such Interest Payment Date) in respect of each day (if any) comprised in the period from (and including) the date falling 6 months after the Issue Date (or, if later, the day immediately following the Scheduled Conversion Payment Date in respect of such exercise), to (but excluding) the earlier of (i) the date on which such Conversion Payment is payable in accordance with Condition 6.2 and (ii) if the relevant Bondholder exercises its Share Settlement Option in respect of such Conversion Payment as provided under Condition 9.9, the relevant Share Settlement Date, in each case, unless payment of the Conversion Payment is improperly withheld or refused or, following any election to exercise the Share Settlement Option, the Issuer fails duly to perform its obligations to issue and deliver the Deliverable Shares in accordance with Condition 9.9, in which case interest will continue to accrue at the applicable Rate of Interest (both before and after judgment) to (but excluding) the Relevant Date or, as the case may be, the date on

which such issue and delivery of Deliverable Shares is duly made in accordance with Condition 9.9.

(b) All accrued and unpaid interest amounts pursuant to paragraph (a) above shall be deferred and shall become payable in cash in accordance with Condition 6.2. No interest shall accrue on any such interest so deferred.

(c) The amount of interest payable in accordance with this Condition 5.2 per each Conversion Payment outstanding in respect of any period (for the purpose of this Condition 5.2, an "**Accrual Period**") which is an Interest Period or is shorter than an Interest Period shall be calculated by the Calculation Agent as the product (rounded to nearest integral multiple of $0.01 (with $0.005 being rounded upwards)) of (i) the Conversion Payment, (ii) the applicable Rate of Interest and (iii) a fraction, the numerator of which is the number of days in such Accrual Period and the denominator of which is the product of (A) the number of days in the Interest Period in which such Accrual Period falls and (B) 4, being the number of Interest Periods normally ending in any year.

5.3 Make Whole Amount

For the purposes of these Conditions, "**Make Whole Amount**" means an amount in US Dollar per Bond (rounded to nearest integral multiple of $0.01 (with $0.005 being rounded upwards)) determined by the Calculation Agent equal to the following:

(i) in the case of any Make Whole Amount to be determined pursuant to the definition of "Issuer Call Early Redemption Amount", the sum of the present values (as at the Issuer Optional Redemption Date) of all payments of interest due to be made on such Bond from (but excluding) the relevant Issuer Optional Redemption Date to (and including) the Maturity Date (excluding accrued but unpaid interest to (but excluding) the Issuer Optional Redemption Date (including any Deferred Interest payable on such Issuer Optional Redemption Date)); or

(ii) in the case of any Make Whole Amount to be determined pursuant to limb (b) of the definition of "Conversion Payment" in the first paragraph of Condition 6.2, the sum of the present values (as at the relevant Conversion Date) of all payments of interest due to be made on such Bond from (but excluding) the relevant Conversion Date to (and including) the Maturity Date (excluding accrued but unpaid interest to (but excluding) the Conversion Date (including any Deferred Interest payable on the relevant Conversion Payment Date)); or

(iii) in the case of any Make Whole Amount to be determined pursuant to limb (a) of the definition of "Bondholder Early Redemption Amount", the sum of the present values (as at the Fundamental Change Event Put Date) of all payments of interest due to be made on such Bond from (but excluding) the Fundamental Change Event Put Date to (and including) the Maturity Date (excluding accrued but unpaid interest to (but excluding) the Fundamental Change Event Put Date (including any Deferred Interest payable on such Fundamental Change Event Put Date)); or

(iv) in the case of any Make Whole Amount to be determined pursuant to limb (b) of the definition of "Bondholder Early Redemption Amount", the sum of the present values (as at the date on which the Bonds have become due and payable pursuant to these

Conditions) of all payments of interest due to be made on such Bond from (but excluding) the date on which the Bonds have become due and payable pursuant to these Conditions to (and including) the Maturity Date (excluding accrued but unpaid interest to (but excluding) the date on which the Bonds have become due and payable pursuant to these Conditions (including any Deferred Interest payable on the date on which the Bonds have become due and payable)),

in each case calculated using a discount rate of 2.0 per cent per annum, and calculated on a quarterly compounding basis,

provided that, in calculating the sum of the present values (as at the relevant date) of any relevant payment of interest as provided above:

(a) if a Cash Payment Notice shall have been given at least 14 days' prior to the date of the Issuer Optional Redemption Notice (in the case of (i) above), or Conversion Date (in the case of (ii) above), or the date of occurrence of the Fundamental Change Event (in the case of (iii) above) or the date of occurrence of the Event of Default (in the case of (iv) above), then for the purposes of calculating the sum of the present values of any payment of interest as aforesaid the Rate of Interest to be assumed to apply in respect of each relevant Interest Period shall be decreased pursuant to and subject as set out in Condition 5.1(b); or

(b) if a Cash Payment Notice shall be given after the relevant date specified in the immediately preceding sub-paragraph (a), then for the purposes of calculating the sum of the present values of any relevant payment of interest as aforesaid, such Cash Payment Notice shall be ignored, and the Rate of Interest to be assumed to apply in respect of each relevant Interest Period shall be calculated (taking into account each relevant Step-Up, as applicable) on the basis that no Cash Payment Notice shall have been delivered; provided further that, in the case of (ii) above where the relevant Conversion Date falls prior to 26 July 2025 (the "Original Scheduled Maturity Date"), for the purposes of calculating the sum of the present values of any relevant payment of interest as aforesaid there shall be assumed to be no further Step-Up of the Rate of Interest in respect of any Interest Period commencing on any date on or after the Original Scheduled Maturity Date (such that for this purpose the Rate of Interest applicable in respect of each Interest Period commencing on or after the Original Scheduled Maturity Date shall be deemed to be the Rate of Interest that would have been applicable (taking into account each relevant Step-Up, as applicable) to the Interest Period ending on (but excluding) the Original Scheduled Maturity Date on the deemed basis that no Cash Payment Notice shall have been delivered).

6. Conversion of Bonds

6.1 Conversion Period and Conversion Price

Unless previously redeemed and as otherwise provided in these Conditions, each Bond shall entitle the holder to convert each principal amount of such Bond which is outstanding into new Shares credited as fully paid (a "**Conversion Right**").

The number of Shares to be issued to or to the order of a Bondholder on exercise of a Conversion Right shall be equal to the Reference Shares in respect of such exercise, subject to Condition 6.4.

The Conversion Price per Share is initially US$0.00190515 (the "**Initial Conversion Price**"). The Conversion Price is subject to adjustment in the circumstances described in Condition 6.3. The expression "**Conversion Price**" shall be construed accordingly.

Subject to and as provided in these Conditions, the Conversion Right in respect of a Bond may be exercised, at the option of the holder thereof, at any time subject to any applicable fiscal or other laws or regulations and as hereinafter provided from (and including) the Issue Date to (and including) the date falling three Notice Business Days prior to the Maturity Date or, if such Bond is to be redeemed pursuant to Condition 7.2 or 7.3 prior to the Maturity Date, then up to (and including) the date falling three Notice Business Days before the date fixed for redemption thereof pursuant to Condition 7.2 or 7.3, as the case may be, unless there shall be a default by the Issuer in making payment in respect of such Bond on any such date fixed for redemption, in which event the Conversion Right shall extend up to (and including) the date on which the full amount of such payment becomes available for payment and notice of such availability has been given to Bondholders or, if earlier, the Maturity Date; provided that, in each case, if such final date for the exercise of Conversion Rights is not a Notice Business Day, then the period for exercise of Conversion Rights by Bondholders shall end on (and including) the immediately preceding Notice Business Day.

The period during which Conversion Rights may (subject as provided below) be exercised by a Bondholder is referred to as the "**Conversion Period**".

Fractions of Shares will not be issued or delivered on exercise of Conversion Rights or pursuant to Condition 6.4 and no cash payment or other adjustment will be made in lieu thereof. However, if the Conversion Right in respect of more than one Bond is exercised pursuant to any one Conversion Notice, the number of such Shares to be issued and delivered in respect thereof shall, in accordance with the definition of "Reference Shares", be calculated by the Calculation Agent on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Shares.

Conversion Rights may not be exercised: (i) following the giving of notice by the holder of a Bond then outstanding pursuant to Condition 10; (ii) in respect of a Bond in respect of which the relevant holder has exercised its right to require the Issuer to redeem pursuant to Condition 7.5; (iii) (except following receipt of any notice requiring the redemption of the Bonds pursuant to Condition 7.4) in the period from the Record Date falling two London business days immediately preceding an Interest Payment Date; or (iv) solely in respect of any Bonds issued to any person who or which is on the date of such issue a director or officer of the Issuer or of any member of the Group or of any of their respective affiliates, at any time (for the purpose of this paragraph only, the "**Relevant Time**") until the first anniversary of such date of issue (for the avoidance of doubt, ignoring for such purpose the deemed Issue Date described in Condition 5.1(a)) if at such Relevant Time such Bonds are still held by or on behalf of such person (as specified in the Register (as defined in the Bond Instrument)), whether or not such person is at such Relevant Time a director or officer of the Issuer or of any member of the Group or of any of their respective affiliates.

The Issuer will procure that Shares to be issued on exercise of Conversion Rights will be issued to, or to the order of, the holder of the Bonds in accordance with the Payment Details in accordance with the provisions of Condition 6.10. Such Shares (other than Additional Shares) will be deemed to be issued as of the relevant Conversion Date. Any Additional Shares to be issued pursuant to Condition 6.4 will be deemed to be issued as of the relevant Reference Date.

6.2 Conversion Payments on Exercise of Conversion Rights

In respect of any exercise of Conversion Rights and subject as provided in Condition 9.9, in addition to the issuance of Reference Shares as provided in Condition 6.1, the Issuer shall pay to the relevant Bondholder an amount in US Dollar per Bond (as determined by the Calculation Agent) equal to the sum of (a) the Redemption Premium, and (b) the relevant Make Whole

Amount and (c) all accrued but unpaid interest to (but excluding) the Conversion Date (including any Deferred Interest payable on the Conversion Payment Date), in each case in respect of the relevant Principal Amount of Bonds which is the subject of such conversion (such aggregate amount, a "**Conversion Payment**" in respect of such exercise of Conversion Rights).

If a Cash Payment Notice shall have been delivered on or prior to the relevant Conversion Date, then the Conversion Payment shall be paid in cash no later than the relevant Scheduled Conversion Payment Date (the date on which such payment is actually made, the "**Conversion Payment Date**" in respect of the relevant exercise of Conversion Rights).

Subject to the following paragraph, if a Cash Payment Notice has not been delivered on or prior to the relevant Conversion Date, then payment of the Conversion Payment shall be deferred (a "**Conversion Payment Deferral**") and, subject to the relevant Bondholder's right to exercise its Share Settlement Option as provided under Condition 9.9, shall become payable in cash on the later of (A) the relevant Scheduled Conversion Payment Date and (B) the earlier of: (i) the Maturity Date, (ii) any relevant Fundamental Change Event Put Date, if applicable, (iii) any Tax Redemption Date, if applicable, (iv) the Issuer Optional Redemption Date, if applicable, (v) the Interest Payment Date immediately following the relevant date on which the Cash Payment Notice is given, if applicable and (vi) the date on which an Acceleration Notice is delivered to the Issuer by any Bondholder, if applicable.

If the Conversion Date in relation to any exercise of Conversion Rights falls on or after the date the Issuer has given an Issuer Optional Redemption Notice or a Tax Redemption Notice, then the relevant Conversion Payment shall be paid in cash (for the avoidance of doubt, irrespective of whether or not a Cash Payment Notice has been delivered).

If a Conversion Payment is deferred in accordance with the provisions of this Condition 6.2, upon each such occurrence the Issuer shall deliver to the relevant Bondholder a conversion payment letter executed by it and in substantially in the form set out in schedule 5 (*Form of Conversion Payment Letter*) to the Bond Instrument (a "**Conversion Payment Letter**") by no later than three Notice Business Days following the relevant Conversion Date of the Bonds. Upon giving a Conversion Payment Letter, the Issuer shall give notice thereof (including the details contained therein) to each Bondholder in accordance with Condition 16.

6.3 Adjustment of Conversion Price

Subject to the provisions of this Condition 6.3, upon the occurrence of any of the events described below, the Conversion Price shall be adjusted by the Calculation Agent as follows:

(a) Consolidation, reclassification, redesignation or subdivision

If and whenever there shall be a consolidation, reclassification, redesignation or subdivision affecting the number of Shares in issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Shares in issue immediately before such consolidation, reclassification, redesignation or subdivision, as the case may be; and

B is the aggregate number of Shares in issue immediately after, and as a result of, such consolidation, reclassification, redesignation or subdivision, as the case may be.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (a), the date on which the consolidation, reclassification, redesignation or sub-division, as the case may be, takes effect.

(b) Capitalisation of profits or reserves

If and whenever the Issuer shall issue any Shares credited as fully paid to Shareholders by way of capitalisation of profits or reserves, including any share premium account or capital redemption reserve (other than an issue of Shares constituting a Scrip Dividend) the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Shares in issue immediately before such issue; and

B is the aggregate number of Shares in issue immediately after such issue.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (b), the date of issue of such Shares.

(c) Dividends

(i) If and whenever the Issuer shall declare, announce, make or pay any Dividend to Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A-B}{A}$$

where:

A is the Current Market Price of one Share on the Ex-Date in respect of such Dividend; and

B is the portion of the Fair Market Value of the aggregate Dividend attributable to one Share, with such portion being determined by dividing the Fair Market Value of the aggregate Dividend by the number of Shares entitled to receive the relevant Dividend (or, in the case of a purchase, redemption or buy back of Shares or any depositary or other receipts or certificates representing Shares by or on behalf of the Issuer or any Subsidiary of the Issuer, by the number of Shares in issue immediately following such purchase, redemption or buy back, and treating as not being in issue any Shares, or any Shares represented by depositary or other receipts or certificates, purchased, redeemed or bought back).

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (c)(i), the later of (A) the Ex-Date in respect of such Dividend and (B) the first date upon which the Fair Market Value of the relevant Dividend is capable of being determined as provided herein.

(ii) For the purposes of the above, Fair Market Value shall (subject as provided in the definition of "Dividend" and in the definition of "Fair Market Value") be determined as at the Ex-Date in respect of the relevant Dividend.

(d) Rights issues

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue any Shares to Shareholders as a class by way of rights, or shall issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares, or any other Securities which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Shares (or shall grant any such rights in respect of existing Securities so issued), in each case at a consideration receivable per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of "C" and the proviso below) which is less than 95 per cent. of the Current Market Price per Share on the Ex-Date in respect of the relevant issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

A is the number of Shares in issue on such Ex-Date;

B is the number of Shares which the aggregate consideration (if any) receivable for the Shares issued by way of rights, or for the Securities issued by way of rights and upon exercise of rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, Shares, or for the options or warrants or other rights issued by way of rights and for the total number of Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Share on the Ex-Date; and

C is the number of Shares to be issued or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase or other rights of acquisition in respect thereof at the initial conversion, exchange, subscription, purchase or acquisition price or rate;

provided that if on such Ex-Date such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (d), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at such Ex-Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on such Ex-Date.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (d), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (d).

(e) Issue of Securities to Shareholders

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (other than in the circumstances the subject of paragraph (d) above and other than constituting a Scrip Dividend) issue any Securities to Shareholders as a class by way of rights or grant to Shareholders as a class by way of rights any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Share on the Ex-Date in respect of the relevant issue or grant; and

B is the Fair Market Value on such Ex-Date of the portion of the rights attributable to one Share.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (e), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (e).

(f) Issue of Shares at below Current Market Price

If and whenever (i) the Issuer shall issue (otherwise than as mentioned in paragraph (d) above) wholly for cash or for no consideration any Shares (other than Shares issued on conversion of the Bonds (which term shall for this purpose include any Further Bonds) or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or rights to otherwise acquire, Shares and other than constituting a Scrip Dividend); or (ii) the Issuer shall issue (otherwise than as mentioned in paragraph (d) above) any Shares pursuant to any Liability Equitisation (other than any Shares issued on conversion of the Bonds (which term shall for this purpose include any Further Bonds) or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or rights to otherwise acquire, Shares and other than constituting a Scrip Dividend); or (iii) the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue or grant (otherwise than as mentioned in paragraph (d) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Shares (other than the Bonds, which term shall for this purpose include any Further Bonds), in each case at consideration receivable per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of "C" and the proviso below) which is less than 95 per cent. of the Current Market Price per Share on the date of first public announcement of the terms of such issue or grant (which date of first public announcement as aforesaid shall, in the case of any issue of Shares pursuant to any Liability Equitisation, for the purpose of these Conditions (and notwithstanding anything therein) be deemed to be the Relevant LE Date in respect thereof), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

A is the number of Shares in issue immediately before the date of first public announcement of the terms of such issue of Shares or issue or grant of options, warrants or other rights as provided above;

B is the number of Shares which the aggregate consideration (if any) receivable for the issue of such Shares or, as the case may be, for the Shares to be issued or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Share on the date of first public announcement of the terms of such issue or grant; and

C is the number of Shares to be issued pursuant to such issue of such Shares or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights;

provided that if on the date of first public announcement of the terms of such issue or grant (as used in this paragraph (f), the "**Specified Date**") such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (f), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase, acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (f), the later of (i) the date of issue of such Shares or, as the case may be, the issue or grant of such options, warrants or rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (f).

(g) Other issues

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (otherwise than as mentioned in paragraphs (d), (e) or (f) above) issue wholly for cash or for no consideration any Securities (other than the Bonds which term shall for this purpose include any Further Bonds and other than constituting a Scrip Dividend) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, purchase of, or rights to otherwise acquire, Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be reclassified or redesignated as Shares, and the consideration per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of "C" and the proviso below) receivable upon conversion, exchange, subscription, purchase, acquisition, reclassification or redesignation is less than 95 per cent. of the Current Market Price per Share on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

A is the number of Shares in issue immediately before the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant);

B is the number of Shares which the aggregate consideration (if any) receivable for the Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to such Securities or, as the case may be, for the Shares to be issued or to arise from any such reclassification or redesignation would purchase at such Current Market Price per Share on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant); and

C is the maximum number of Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription, purchase or acquisition attached thereto at the initial conversion, exchange, subscription, purchase or acquisition price or rate or, as the case may be, the maximum number of Shares which may be issued or arise from any such reclassification or redesignation;

provided that if on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant) (as used in this paragraph, the "**Specified Date**") such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or, as the case may be, such Securities are reclassified or redesignated or at such other time as may be provided),

then for the purposes of this paragraph (g), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition, reclassification or, as the case may be, redesignation had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (g), the later of (i) the date of issue of such Securities or, as the case may be, the grant of such rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (g).

(h) Modification of rights

If and whenever there shall be any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any Securities (other than the Bonds, which term shall for this purpose include any Further Bonds) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Shares (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Share (based, where appropriate, on such number of Shares as is determined pursuant to the definition of "C" and the proviso below) receivable upon conversion, exchange, subscription, purchase or acquisition has been reduced and is less than 95 per cent. of the Current Market Price per Share on the date of first public announcement of the terms for such modification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

A is the number of Shares in issue immediately before the date of first public announcement of the terms for such modification;

B is the number of Shares which the aggregate consideration (if any) receivable for the Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to the Securities so modified would purchase at such Current Market Price per Share on the date of first public announcement of the terms for such modification or, if lower, the existing conversion, exchange, subscription, purchase or acquisition price or rate of such Securities; and

C is the maximum number of Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription, purchase or acquisition attached thereto at the modified conversion, exchange, subscription, purchase or acquisition price or rate but giving credit in such manner as the Calculation Agent shall consider appropriate for any previous adjustment under this paragraph (h) or paragraph (g) above;

provided that if on the date of first public announcement of the terms of such modification (as used in this paragraph (h), the "**Specified Date**") such number of Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when

such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or at such other time as may be provided), then for the purposes of this paragraph (h), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (h), the later of (i) the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (h).

(i) Certain arrangements

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall offer any Shares or such other Securities in connection with which Shareholders as a class are entitled to participate in arrangements whereby such Shares or Securities may be acquired by them (except where the Conversion Price falls to be adjusted under paragraphs (b), (c), (d), (e), (f), (g), (j), or (g) above or (j) below or, where applicable, would fall to be so adjusted if the relevant issue or grant was at less than 95 per cent. of the Current Market Price per Share on the relevant day), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A-B}{A}$$

where:

A is the Current Market Price of one Share on the Ex-Date in respect of the relevant offer; and

B is the Fair Market Value on such Ex-Date of the portion of the relevant offer attributable to one Share.

Such adjustment shall become effective on the Effective Date.

"**Effective Date**" means, in respect of this paragraph (i), the later of (A) the Ex-Date in respect of the relevant offer and (B) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (i).

(j) Change of Control

If a Change of Control shall occur, then, upon any exercise of Conversion Rights where the Conversion Date falls during the Fundamental Change Event Period in respect of such Change of Control, the Conversion Price solely for the purpose of such exercise (the "**Change of Control Conversion Price**") shall be determined as set out below:

$$\text{COCCP} = \frac{\text{OCP}}{1 + \left(CP \times \frac{c}{t}\right)}$$

where:

COCCP = the Change of Control Conversion Price

OCP = the Conversion Price in effect on the relevant Conversion Date

CP = 0.25

c = the number of days from (and including) the date on which the Change of Control occurs to (but excluding) the Maturity Date

t = the number of days from (and including) the Issue Date to (but excluding) the Maturity Date

(k) Other adjustments

Subject to Condition 6.7, if either the Issuer (following consultation with the Calculation Agent) or the Majority Bondholders (each acting reasonably) determines that an adjustment (for the purpose of compensating for dilution) should be made to the Conversion Price (or that a determination should be made as to whether an adjustment should be made) as a result of one or more circumstances not referred to above in this Condition 6.3) (except for events specifically excluded from the operation of paragraphs (a) to (j) above), the Issuer shall, at its own expense and acting reasonably, request an Independent Adviser to determine, in consultation with the Calculation Agent, if different as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof and the date on which such adjustment (if any) should take effect and upon such determination such adjustment (if any) shall be made and shall take effect in accordance with such determination, provided that an adjustment shall only be made pursuant to this paragraph (k) if such Independent Adviser is so requested to make such a determination not more than 21 days after the date on which the relevant circumstances arises (or, if later, 21 days after the date on which the relevant circumstances are made public or otherwise are made known to the Bondholders) and if the adjustment would result in a reduction to the Conversion Price.

(l) Modifications

Notwithstanding the foregoing provisions:

(i) where the events or circumstances giving rise to any adjustment pursuant to this Condition 6.3 have already resulted or will result in an adjustment to Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Conversion Price or where more than one event which gives rise to an adjustment to the Conversion Price occurs within such a short period of time that, in the opinion of the Issuer, acting reasonably and following consultation with the Calculation Agent, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be determined by an Independent Adviser to be in its opinion appropriate to give the intended result;

(ii) such modification shall be made to the operation of these Conditions as may be determined by an Independent Adviser, in consultation with the Calculation Agent (if different), to be in its opinion appropriate (A) to ensure that an adjustment to the Conversion Price or the economic effect thereof shall not be

taken into account more than once and (B) to ensure that the economic effect of a Dividend is not taken into account more than once; and

(iii) other than pursuant to Condition 6.3(a) or pursuant to a NewCo Scheme Modification, no adjustment shall be made that would result in an increase to the Conversion Price.

(m) Calculation of consideration

For the purpose of any calculation of the consideration receivable or price pursuant to paragraphs (d), (f), (g) and (h) above, the following provisions shall apply:

(i) the aggregate consideration receivable or price for Shares issued for cash shall be the amount of such cash provided that for the purpose of Condition 6.3(*f*)(ii) any Shares issued as provided therein shall be treated as being issued for cash, and the aggregate consideration receivable or price for Shares so treated as being issued for cash shall be the amount of the relevant cash amount of the relevant liability payable, which is to be cancelled in exchange for such issuance of Shares;

(ii) (x) the aggregate consideration receivable or price for Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities (whether on one or more occasions) and (y) the aggregate consideration receivable or price for Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Ex-Date referred to in paragraph (d) above or as at the relevant date of first public announcement referred to in paragraphs (f), (g) and (h) above, as the case may be, plus in the case of each of (x) and (y) above in this paragraph, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights of subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (z) the consideration receivable or price per Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (x) or (y) above in this paragraph (as the case may be) divided by the number of Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate, all as determined by the Calculation Agent;

(iii) if the consideration or price determined pursuant to (i) or (ii) above (or any component thereof) shall be expressed in a currency other than the Relevant

Currency (other than in circumstances where such consideration is also expressed in the Relevant Currency, in which case such consideration shall be treated as expressed in the Relevant Currency in an amount equal to the amount of such consideration when so expressed in the Relevant Currency), it shall be converted by the Calculation Agent into the Relevant Currency at the Prevailing Rate on the relevant Ex-Date (for the purposes of paragraph (d) above) or the relevant date of first public announcement (for the purposes of paragraph (f), (g) and (h) above, as the case may be);

(iv) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Shares or such other Securities or options, warrants or rights, or otherwise in connection therewith;

(v) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable, regardless of whether all or part thereof is received, receivable, paid or payable by or to the Issuer or another entity;

(vi) if as part of the same transaction, Shares shall be issued or issuable for a consideration receivable in more than one or in different currencies then the consideration receivable per Share shall be determined by dividing the aggregate consideration (determined as aforesaid and converted, if and to the extent not in the Relevant Currency, into the Relevant Currency as aforesaid) by the aggregate number of Shares so issued; and

(vii) references in these Conditions to "cash" shall be construed as cash consideration within the meaning of Section 583(3) of the Companies Act.

6.4 Retroactive Adjustments

If a Retroactive Adjustment occurs in relation to any exercise of Conversion Rights, the Issuer shall procure that there shall be issued and delivered to, or to the order of, the relevant Bondholder in accordance with the Payment Details, such additional number of Shares (if any) (the "**Additional Shares**") as, together with the Shares issued and delivered on the relevant exercise of Conversion Rights, is equal to the number of Shares which would have been required to be issued and delivered on such exercise if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Conversion Date, all as determined by the Calculation Agent, provided that if in the case of Conditions 6.3(b), 6.3(c), 6.3(d), 6.3(e) or 6.3(i) the relevant Bondholder shall be entitled to receive the relevant Shares, Dividends or such other Securities in respect of the Reference Shares to be issued and delivered to it, then the relevant Bondholder shall not be entitled to receive Additional Shares in relation thereto.

6.5 [Reserved]

6.6 Decision and Determination of the Calculation Agent or an Independent Adviser

Adjustments to the Conversion Price shall be determined and calculated by the Calculation Agent upon request from the Issuer and/or, to the extent so specified in the Conditions and upon request from the Issuer, by an Independent Adviser.

Adjustments to the Conversion Price calculated by the Calculation Agent or, where applicable, an Independent Adviser and any other determinations made by the Calculation Agent or, where applicable, an Independent Adviser, or an opinion of an Independent Adviser, pursuant to these Conditions shall in each case be made in good faith and shall be final and binding (in the absence of manifest error) on the Issuer, the Bondholders and the Calculation Agent (in the case of a determination by an Independent Adviser).

The Calculation Agent may consult, at the expense of the Issuer, on any matter (including, but not limited to, any legal matter), any legal or other professional adviser and it shall be able to rely upon, and it shall not be liable and shall incur no liability as against the Bondholders in respect of anything done, or omitted to be done, relating to that matter in good faith in accordance with that adviser's opinion.

The Calculation Agent shall act solely upon the request from, and exclusively as agent of, the Issuer and in accordance with these Conditions. Neither the Calculation Agent (acting in such capacity) nor any Independent Adviser appointed in connection with the Bonds (acting in such capacity) will thereby assume any obligations towards or relationship of agency or trust and shall not be liable and shall incur no liability in respect of anything done, or omitted to be done in good faith, in its capacity as Calculation Agent as against the Bondholders.

If following consultation between the Issuer and the Calculation Agent any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to the appropriate adjustment to the Conversion Price, following consultation between the Issuer and an Independent Adviser, a written opinion of such Independent Adviser in respect thereof shall be conclusive and binding on the Issuer, the Bondholders and the Calculation Agent (if different), save in the case of manifest error.

The Issuer shall promptly notify Bondholders in accordance with Condition 16 of each determination, calculation or adjustment performed by the Calculation Agent and/or Independent Adviser pursuant to these Conditions.

6.7 No Adjustments for Issue of the Warrants, Certain Other Instruments and Specified Issuances of Shares, Share or Option Scheme or Dividend Reinvestment Plans

Notwithstanding anything to the contrary in these Conditions, no adjustment will be made to the Conversion Price:

(a) in respect of the issue of the Warrants or any Shares or other Relevant Securities issued and allotted pursuant to the exercise of such Warrants;

(b) in respect of the issue of any Bonds (including for the avoidance of doubt any Further Bonds) or any Shares or other Relevant Securities issued and allotted pursuant to any conversion of any such Bonds or any exercise of the Share Settlement Option;

(c) in respect of the issue of any of the 2028 Bonds (including for the avoidance of doubt any "Further Bonds" as defined in the terms and conditions of the 2028 Bonds) or any Shares or other Relevant Securities issued and allotted pursuant to the conversion of any such 2028 Bonds or any exercise of the Share Settlement Option (as defined in the terms and conditions of the 2028 Bonds);

(d) in respect of the issue of any warrants to subscribe for or purchase or otherwise acquire any Shares issued to (i) subscribers of Further Bonds in relation to the offering and/or issuance of such Further Bonds and/or (ii) subscribers of "Further Bonds" (as defined in the terms and condition of the 2028 Bonds) in relation to the offering and/or issuance of such bonds;

(e) in respect of the issue of any Shares pursuant to the exercise of 31,402,200 warrants and 19,136,644 stock options issued by the Issuer and outstanding as at the Issue Date (but ignoring any amendment or variation to such warrants or stock options after 22 July 2022);

(f) in respect of any issue of Shares pursuant to any Liability Equitisation to the extent, not exceeding an aggregate amount of cash liabilities that are the subject of all such Liability Equitisations of U.S.$2,600,000 (determined on a cumulative basis from (and including) 24 March 2023), provided that any such Shares are issued at a price (equating to the cash amount of the relevant liability payable, which is to be cancelled in exchange for such issuance of Shares) which is no less than the greater of (i) the Current Market Price per Share on the Relevant LE Date and (ii) the Conversion Price in effect on the Relevant LE Date. Promptly after its entry into any such agreement(s), the Issuer shall notify (on a no names basis) in writing each Bondholder (with a copy to the Calculation Agent) in accordance with Condition 16 (*Notices*), with each such notice including the date of the relevant agreement(s) and the details of the issuance of Shares in consideration for the related debt cancellation as contemplated by this paragraph (f);

(g) where Shares or other Relevant Securities (including, but not limited to, rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted to any employee share schemes or benefits or incentive arrangements existing at 22 July 2022 or entered into in the ordinary course of business;

(h) in respect of the issue of any Shares to the Issuer's and/or any member of the Group's professional advisors and/or brokers in satisfaction of the fees and commissions payable to such advisors or brokers retained by any of them solely in connection with the offering and subscription of any Bonds (including, for the avoidance of doubt, any Further Bonds), any 2028 Bonds (including any "Further Bonds" as defined in the terms and conditions of the 2028 Bonds), any Warrants and/or any warrants referred to in (d) above and/or in connection with the Company's Proposed Acquisition;

(i) in respect of the issue of 126,182,965 new Shares on 10 October 2023 as described in the announcement made by the Issuer on or around 6 October 2023;

(j) in respect of the issue of 1,312,232,633 new Shares on 15 January 2024 as described in the announcement made by the Issuer on 29 December 2023; or

(k) in respect of any issue of Shares pursuant to any Liability Equitisation to the extent not exceeding an aggregate amount of cash liabilities that are the subject of all such Liability Equitisations of U.S.$500,000 (determined on a cumulative basis from (and including) 10 October 2023), provided that any such Shares are issued at a price (equating to the cash amount of the relevant liability payable, which is to be cancelled in exchange for such issuance of Shares) per Share (translated if necessary into the Relevant Currency at the Prevailing Rate on the Relevant LE Date) which is no less than the greater of: (i) 95% of the Current Market Price per Share on the Relevant LE Date, and (ii) the Conversion Price in effect on the Relevant LE Date (translated if necessary into the Relevant Currency at the Prevailing Rate on the Relevant LE Date). The Issuer shall notify (on a no names basis) each Bondholder in writing (with a copy to the Calculation Agent) in accordance with Condition 16 (Notices), with each such

notice including the date of the relevant agreement(s) and the details of the issuance of Shares in consideration for the related debt cancellation as contemplated by this paragraph (j).

For the purposes of these Conditions:

"**Relevant Securities**" means any participation certificates and any depositary or other receipt, instrument, rights or entitlement representing Shares.

"**Company's Proposed Acquisition**" means the acquisition of the assets of Cuda Energy LLC in the State of Wyoming by COPL America Inc. (or by the Company or any of its other Subsidiaries), being a non-operating interest in: the Barron Flats Shannon Unit (27 per cent. working interest); and in the Barron Flats Federal (Deep) Unit, Cole Creek Unit and on unitized lands (between 27.5 per cent. to 33.333 per cent. working interest), as described in the announcements by the Company dated 19 April 2022 and 6 June 2022.

6.8 Rounding Down and Notice of Adjustment to the Conversion Price

On any adjustment of the Conversion Price, the resultant Conversion Price, if not an integral multiple of US$0.00000001, shall be rounded down to the nearest whole multiple of US$0.00000001.

Notice of any adjustments to the Conversion Price shall be given by the Issuer to Bondholders in accordance with Condition 16 promptly after the determination thereof.

The Conversion Price shall not in any event be reduced so that on conversion of the Bonds, Shares would fall to be issued in circumstances not permitted by applicable laws or regulations.

The Issuer undertakes that it shall not take any action, and shall procure that no action is taken by its Subsidiaries, that would otherwise be reasonably expected (as at the time such decision is taken) to result in an adjustment to the Conversion Price to below any minimum level permitted by applicable laws or regulations or that would otherwise be reasonably expected (as at the time such decision is taken) to result in Shares being required to be issued in circumstances not permitted by applicable laws or regulations.

6.9 Fundamental Change Event

Within 14 days following the occurrence of a Fundamental Change Event, the Issuer shall give notice thereof to Bondholders in accordance with Condition 16 (a "**Fundamental Change Event Notice**"). The Fundamental Change Event Notice shall contain a statement informing Bondholders of (i) their entitlement to exercise their Conversion Rights as provided in these Conditions and (ii) their entitlement to exercise their rights to require redemption of their Bonds pursuant to Condition 7.5.

The Fundamental Change Event Notice shall also specify:

(a) all information material to Bondholders concerning the Fundamental Change Event;

(b) the Conversion Price immediately prior to the occurrence of the Fundamental Change Event and, in the case of a Change of Control, the Change of Control Conversion Price applicable pursuant to Condition 6.3(j) on the basis of the Conversion Price in effect immediately prior to the occurrence of the Change of Control;

(c) the Closing Price of the Shares as at the latest practicable date prior to the publication of the Fundamental Change Event Notice;

(d) the Fundamental Change Event Period; and

(e) the Fundamental Change Event Put Date.

6.10 Procedure for exercise of Conversion Rights

Conversion Rights may be exercised by a Bondholder (provided that the relevant Conversion Date falls during the Conversion Period) by delivering the relevant Bond Certificate to the Issuer accompanied by a Conversion Notice.

If such delivery is made after 5.00p.m. London time or on a day which is not a Notice Business Day, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following Notice Business Day.

The conversion date in respect of a Bond (the "**Conversion Date**") shall be the Notice Business Day immediately following the date of delivery (or deemed delivery) of the relevant Conversion Notice and Bond Certificate as provided in this Condition 6.10 and shall be deemed to be the date on which the Conversion Right is exercised in respect of such Bond.

Conversion Rights may only be exercised in respect of the whole of a Bond.

A Conversion Notice, once delivered, shall be irrevocable.

The Issuer shall, promptly upon receipt of any Conversion Notice, give notice to Bondholders in accordance with Condition 16 of (i) the aggregate principal amount of the Bonds to be so converted and (ii) the relevant Conversion Date and Conversion Price applicable to such conversion.

The Issuer shall pay all capital, stamp, issue and registration and transfer taxes and duties payable in Canada or in the United Kingdom or in any other jurisdiction in which the Issuer may be domiciled or resident or to whose taxing jurisdiction it may be generally subject ("**Specified Taxes**"), in respect of the allotment and issue of any Shares in respect of the exercise of such Conversion Right (including any Additional Shares). If the Issuer fails to pay any Specified Taxes, the relevant Bondholder shall be entitled to tender and pay the same and the Issuer, as a separate and independent stipulation, covenants to reimburse and indemnify each Bondholder in respect of any payment thereof and any interest and penalties payable and cost incurred in respect thereof.

A Bondholder exercising Conversion Rights must pay directly to the relevant authorities any capital, stamp, issue, registration and transfer taxes and duties arising on the exercise of Conversion Rights (other than any Specified Taxes). A Bondholder must also pay all, if any, taxes imposed on it and arising by reference to any disposal or deemed disposal by it of a Bond or interest therein in connection with the exercise of Conversion Rights by it. Any such capital, stamp, issue, registration or transfer taxes or duties or other taxes payable by a Bondholder are referred to as "**Bondholder Taxes**".

For the avoidance of doubt, the Calculation Agent shall not be responsible for determining whether any Specified Taxes or Bondholder Taxes are payable or the amount thereof and shall not be responsible or liable for any failure by the Issuer to pay such Specified Taxes or by a Bondholder to pay such Bondholder Taxes.

Shares to be issued on exercise of Conversion Rights (including any Additional Shares) (other than Deliverable Shares or Additional Deliverable Shares) will be issued and delivered in uncertificated form through the dematerialised securities trading system operated by Euroclear UK & Ireland Limited, known as **CREST**, unless, at the time of issue, the Shares are not a participating security in CREST, in which case the Shares will be issued and delivered in certificated form. Where Shares (other than Deliverable Shares or Additional Deliverable Shares) are to be issued and delivered through CREST, they will be delivered to the account specified by the relevant Bondholder in the relevant Payment Details by not later than four Notice Business Days following the relevant Conversion Date (or, in the case of any Additional

Shares, not later than four Notice Business Days following the relevant Reference Date). Where Shares are to be issued and delivered in certificated form, a certificate in respect thereof will be dispatched by mail free of charge (but uninsured and at the risk of the recipient) to the relevant Bondholder or as it may direct in the relevant Payment Details within 28 days following the relevant Conversion Date or, as the case may be, the Reference Date.

Shares to be issued and delivered on exercise of Conversion Rights (including any Additional Shares) (other than Deliverable Shares or Additional Deliverable Shares) will not be available for issue (i) to, or to a nominee or agent for, Euroclear Bank SA/NV or Clearstream Banking S.A. or any other person providing a clearance service within the meaning of Section 96 of the Finance Act 1986 of the United Kingdom ("**FA 1986**") or (ii) to a person, or nominee or agent for a person, whose business is or includes issuing depositary receipts within the meaning of Section 93 of FA 1986, in each case, at any time prior to the "abolition day" as defined in Section 111(1) of the United Kingdom Finance Act 1990.

Notwithstanding any other provisions of these Conditions, a Bondholder exercising Conversion Rights following a Change of Control Conversion Right Amendment as described in Condition 11(b)(vii) will be deemed, for the purposes of these Conditions, to have received the Shares to be issued and delivered arising on conversion of its Bonds in the manner provided in these Conditions, and have exchanged such Shares for the consideration that it would have received therefor if it had exercised its Conversion Right in respect of such Bonds at the time of the occurrence of the relevant Change of Control.

6.11 Ranking and entitlement in respect of Shares

Shares (including any Additional Shares) issued and delivered on exercise of Conversion Rights will be fully paid and will be fully fungible (interchangeable) with and will in all respects rank *pari passu* with the fully paid Shares in issue on the relevant Conversion Date or, in the case of Additional Ordinary Shares, on the relevant Reference Date, and the relevant holder shall be entitled to all rights, distribution or payments the record date or other due date for the establishment of entitlement for which falls on or after the relevant Conversion Date, or as the case may be, the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law or as otherwise may be provided in these Conditions. Such Shares or, as the case may be, Additional Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Conversion Date or, as the case may be, the relevant Reference Date.

6.12 Purchase or Redemption of Shares

The Issuer or any Subsidiary of the Issuer may exercise such rights as they may from time to time enjoy to purchase or redeem or buy back any shares of the Issuer (including Shares) or any depositary or other receipts or certificates representing the same without the consent of the Bondholders.

6.13 No Duty to Monitor

The Calculation Agent shall not be under any duty to monitor whether any event or circumstance has happened or exists or may happen or exist and which requires or may require an adjustment to be made to the Conversion Price or be responsible or liable to any person for any loss arising from any failure by any of them to do so. The Calculation Agent shall also not be responsible or liable to any person (other than in the case of the Calculation Agent, to the Issuer strictly in accordance with the relevant provisions of the Calculation Agency Agreement) for any determination as to whether or not an adjustment to the Conversion Price is required or should be made or for any determination or calculation of any such adjustment.

6.14 Consolidation, Amalgamation or Merger

Without prejudice to Condition 6.3(j), in the case of any consolidation, amalgamation or merger of the Issuer with any other corporation (other than constituting a Change of Control or a consolidation, amalgamation or merger in which the Issuer is the continuing corporation) (a "**Successor in Business**"), the Issuer will forthwith give notice thereof to Bondholders in accordance with Condition 16 of such event and will take such steps as shall be required, subject to applicable law and as provided in Condition 15 (and including the execution of a deed supplemental to or amending the Bond Instrument):

(a) to ensure that the Successor in Business is substituted in place of the Issuer as the principal debtor under the Bonds and the Bond Instrument;

(b) to ensure that each Bond then outstanding will (during the period in which Conversion Rights may be exercised) be convertible into equity share capital (or similar) of the Successor in Business, on such basis and with a Conversion Price (subject to adjustment as provided in these Conditions) economically equivalent to the Conversion Price existing immediately prior to the implementation of such consolidation, amalgamation or merger, as determined by an Independent Adviser (each a "**Conversion Right Transfer**"); and

(c) to ensure that the Bond Documents (as so amended or supplemented if applicable) and the Conditions provide at least the same or equivalent powers, protections, rights and benefits to the Bondholders following the implementation of such consolidation, amalgamation or merger as they provided to the Bondholders prior to the implementation of such consolidation, amalgamation or merger, *mutatis mutandis*.

The satisfaction of the requirements set out above in this Condition 6.14 by the Issuer is herein referred to as a "**Permitted Cessation of Business**". Notwithstanding any other provision of these Conditions, a Permitted Cessation of Business shall not result in a breach of undertaking, constitute an Event of Default or otherwise result in any breach of any provision of these Conditions or the Bond Instrument. Following the occurrence of a Permitted Cessation of Business, references in these Conditions and the Bond Documents to the "Issuer" will be construed as references to the relevant Successor in Business (but without prejudice to the provisions of the Calculation Agency Agreement).

At the request of the Issuer, but subject to the Issuer's compliance with the provisions of this Condition 6.14, the Bondholders shall (at the expense of the Issuer, including payment by the Issuer of any incurred fees of Bondholders' legal counsel in relation to such Conversion Right Transfer) concur with the Issuer in effecting any substitution under subparagraph (a) above and Conversion Right Transfer (including, *inter alia*, the execution of a deed supplemental to or amending the Bond Instrument), provided that the Bondholders shall not be obliged so to concur if in the opinion of the Bondholders doing so would impose more onerous obligations upon any of them or expose any of them to any additional duties, responsibilities or liabilities in any way.

If, following consultation with the Calculation Agent, any doubt shall arise (or upon the request to the Issuer of the Majority Bondholders) as to how determinations, calculations or adjustments which are specifically required to be performed by the Calculation Agent in these Conditions should be performed following any such consolidation, amalgamation or merger, a written opinion of an Independent Adviser in respect thereof shall be conclusive and binding on the Successor in Business, the Issuer, the Bondholders, the Calculation Agent and all other parties, save in the case of manifest error.

The above provisions of this Condition 6.14 will apply, *mutatis mutandis*, to any subsequent consolidations, amalgamation or mergers.

7. Redemption and Purchase

7.1 Redemption at Maturity

Each Bond outstanding (except for any Bond in respect of which Conversion Rights have been exercised) will be redeemed in cash by payment of the Maturity Redemption Amount on the Maturity Date.

7.2 Redemption for Taxation Reasons

At any time the Issuer may, having given not less than 45 nor more than 60 days' notice (a "**Tax Redemption Notice**") to the Bondholders in accordance with Condition 7.4, redeem (subject to the second following paragraph) in cash all but not some of the Bonds for the time being outstanding on the date (the "**Tax Redemption Date**") specified in the Tax Redemption Notice at 114 per cent. of their Principal Amount, together with accrued but unpaid interest to (but excluding) the Tax Redemption Date (including any Deferred Interest payable on such Tax Redemption Date), if:

(a) the Issuer has or will become obliged to pay additional amounts on the Bonds pursuant to Condition 8 as a result of any change in, or amendment to, the laws or regulations in the Relevant Jurisdiction or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date, and

(b) such obligation cannot be avoided by the Issuer, taking reasonable measures available to it,

provided that no Tax Redemption Notice shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Bonds then due.

Prior to the publication of any Tax Redemption Notice, the Issuer shall deliver to the Bondholders (i) a certificate signed by an Authorised Signatory of the Issuer stating that the obligation referred to in (a) above cannot be avoided by the Issuer taking reasonable measures available to it and (ii) an opinion of independent legal or tax advisers of recognised international standing (which may be addressed to the Issuer) to the effect that such change or amendment has occurred and that the Issuer has or will be obliged to pay such additional amounts as a result thereof (irrespective of whether such amendment or change is then effective). The Bondholders shall be entitled to accept such certificate and opinion (without any liability for so doing) as sufficient evidence of the matters set out in (a) and (b) above, in which event such certificate and opinion shall be conclusive and binding on the Bondholders.

If the Issuer gives a Tax Redemption Notice, each Bondholder will have the right to elect that its Bonds shall not be redeemed pursuant to such Tax Redemption Notice and that the provisions of Condition 8 requiring the Issuer to pay additional amounts shall not apply in respect of any payment to be made on such Bonds which falls due after the relevant Tax Redemption Date, whereupon no additional amounts shall be payable in respect thereof pursuant to Condition 8 and payment of all amounts on such Bonds shall be made subject to the deduction or withholding of any taxation imposed by the Relevant Jurisdiction required to be withheld or deducted. To exercise such right, the holder of the relevant Bond must give notice to the Issuer on or before the day falling 10 days prior to the Tax Redemption Date. If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the Issuer, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day.

7.3 Redemption at the Option of the Issuer

Subject to the right of each Bondholder to exercise its Conversion Rights (including within the Fundamental Change Event Period), on giving not less than 30 days nor more than 45 days' notice (an "**Issuer Optional Redemption Notice**") to Bondholders, the Issuer may redeem in cash all but not some only of the Bonds on the date (the "**Issuer Optional Redemption Date**") specified in such Issuer Optional Redemption Notice by payment of the Issuer Call Early Redemption Amount in respect of each Bond outstanding, at any time on or after 1 January 2025, if the Parity Value on at least 20 dealing days in any period of 30 consecutive dealing days ending not earlier than 7 dealing days prior to the giving of the relevant Issuer Optional Redemption Notice, in respect of a Bond in the Principal Amount of US$200,000 shall have exceeded US$260,000 as verified by the Calculation Agent upon request in writing by the Issuer.

7.4 Issuer Optional Redemption Notice and Tax Redemption Notice

The Issuer shall not give an Issuer Optional Redemption Notice or a Tax Redemption Notice at any time during a Fundamental Change Event Period or an Offer Period or which specifies a date for redemption falling in a Fundamental Change Event Period or an Offer Period or the period of 21 days following the end of a Fundamental Change Event Period or an Offer Period (whether or not the relevant notice was given prior to or during such Fundamental Change Event Period or Offer Period), and any such notice shall be invalid and of no effect (whether or not given prior to the Fundamental Change Event Period or Offer Period) and the relevant redemption shall not be made.

Any Issuer Optional Redemption Notice shall be irrevocable. Any such notice shall specify (i) the Issuer Optional Redemption Date, which shall be a London business day, (ii) the Conversion Price, the aggregate principal amount of the Bonds outstanding and the Closing Price of the Shares, in each case as at the latest practicable date prior to the publication of the Issuer Optional Redemption Notice and (iii) the last day on which Conversion Rights may be exercised by Bondholders.

7.5 Redemption at the Option of Bondholders

Following the occurrence of a Fundamental Change Event, each Bondholder will have the right to require the Issuer to redeem in cash any of its Bonds on the Fundamental Change Event Put Date at the relevant Bondholder Early Redemption Amount.

To exercise such right, the holder of the relevant Bond must give notice thereof to the Issuer and deliver the relevant Bond Certificate to the Issuer at any time during the Fundamental Change Event Period.

The "**Fundamental Change Event Put Date**" shall be the fifth London business day after the expiry of the relevant Fundamental Change Event Period.

Payment in respect of any such Bond shall be made in accordance with Condition 8.

Any notice given by a Bondholder to exercise its put right pursuant to this Condition 7.5, once delivered, shall be irrevocable and the Issuer shall redeem all Bonds the subject of such notices delivered as aforesaid on the Fundamental Change Event Put Date.

7.6 Purchase

Subject to the requirements (if any) of any stock exchange on which the Bonds may be admitted to listing and trading at the relevant time and subject to compliance with applicable laws and regulations, the Issuer or any Subsidiary of the Issuer may at any time purchase any Bonds in the open market or otherwise at any price, provided that in respect of each such purchase the Issuer (or any Subsidiary of the Issuer, as the case may be) shall also offer to each other

Bondholder to purchase Bonds from it on the same terms (or the same terms in all material respects) on a pro-rata basis proportionate with each Bondholder's respective holding of Bonds (rounded down to the nearest Principal Amount of a Bond). Bonds purchased by the Issuer or any of its Subsidiaries shall be cancelled and may not be reissued or re-sold.

7.7 Cancellation

All Bonds which are redeemed or in respect of which Conversion Rights are exercised will be cancelled and may not be reissued or resold (for the avoidance of doubt, without prejudice to any Conversion Payment which shall remain unpaid and be deferred pursuant to Condition 6.2, and any interest thereon pursuant to Condition 5.2 and the obligations of the Issuer in respect of any Share Settlement pursuant to Condition 9.9).

7.8 Multiple Notices

If more than one notice of redemption is given pursuant to this Condition 7, the first of such notices to be given shall prevail, save that a notice given pursuant to Condition 7.5 shall prevail over a notice given pursuant to Conditions 7.2 and 7.3 in circumstances where the Fundamental Change Event Put Date falls prior to the Optional Redemption Date or Tax Redemption Date, as the case may be.

7.9 No Other Redemption

Other than as provided in Conditions 7.2 and 7.3, the Bonds may only be redeemed at the option of the Issuer prior to the Maturity Date in accordance with Condition 7.4, and may only be redeemed by Bondholders prior to the Maturity Date in accordance with Condition 7.5.

8. Taxation

All payments made (or deemed to be made) by or on behalf of the Issuer in respect of the Bonds (including, for the avoidance of doubt, the issuance of any Shares in connection with an exercise of Conversion Rights) will be made free and clear of, and be made without deduction or withholding for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, or levied, collected, withheld or assessed by, or on behalf of, the United Kingdom, Canada or any political subdivision or any authority thereof or therein having power to tax (or any other jurisdiction in which the Issuer may be domiciled or resident or to whose taxing jurisdiction it may be generally subject) ("Relevant Jurisdiction"), unless deduction or withholding of such taxes, duties, assessments or governmental charges is required to be made by law. In that event, the Issuer will pay such additional amounts as will result in the receipt by the Bondholders of such amounts as would have been received by them if no such withholding or deduction had been required, except that no such additional amount shall be payable in relation to any payment in respect of any Bond:

(a) presented for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of that holder having some connection with the Relevant Jurisdiction other than the mere holding of the Bond; or

(b) where (in the case of a payment of principal, premium or interest on redemption) the relevant Bond is surrendered for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on surrendering such Bond for payment on the last day of such period of 30 days; or

(c) where a Bondholder has exercised its right to elect that its Bonds shall not be redeemed pursuant to any Tax Redemption Notice in accordance with Condition 7.2.

References in these Conditions to principal and/or interest and/or any other amounts payable in respect of the Bonds shall be deemed also to refer to any additional amounts which may be payable under this Condition or any undertaking or covenant given in addition thereto or in substitution therefor pursuant to the Bond Instrument.

The requirement to pay additional amounts under this Condition 8 shall not apply in respect of any payments which fall due after the relevant Tax Redemption Date in respect of any Bonds which are the subject of a Bondholder election pursuant to Condition 7.2.

If the Issuer becomes subject at any time to any taxing jurisdiction other than a Relevant Jurisdiction, references in this Condition 8 to "Relevant Jurisdiction" shall be construed as references to Canada and/or such other jurisdiction or, in each case, any political subdivision or any authority thereof or therein having power to tax.

9. Payments

9.1 Principal

Payment of principal and interest in respect of the Bonds and delivery of any Shares pursuant to these Conditions will be made to, or to the order of, and in accordance with the Payment Details provided by, the persons shown in the Register (as defined in the Bond Instrument) at the close of business on the Record Date.

9.2 Other amounts

Payments of all amounts other than as provided in Condition 9.1 will be made as provided in these Conditions.

9.3 Record Date

"**Record Date**" means the second London business day before the due date for the relevant payment.

9.4 Payments

(a) Each payment in respect of Bonds pursuant to Conditions 9.1 and 9.2 will, with respect to each relevant Bondholder, be made by transfer to a US Dollar account in accordance with the relevant Payment Details.

(b) All payments in respect of the Bonds are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment.

(c) The Issuer shall initiate, or shall procure the initiation of, payment instructions for value as of the due date, or, if the due date is not a London business day and New York business day, for value the next succeeding London and New York business day.

9.5 Delay in payment

(a) Bondholders will not be entitled to any interest or other payment for any delay after the due date in receiving the cash amount due to be paid or, as the case may be, the Shares due to be delivered:

(i) as a result of the due date not being a business day in London, New York or in the city in which the recipient account is based; or

(ii) as a result of the relevant Bondholder failing to provide fulsome and correct Payment Details.

(b) If any date for payment in respect of any Bond is not a London and New York business day, the holder shall not be entitled to payment until the next following London and New York business day nor to any interest or other sum in respect of such postponed payment.

9.6 Calculation Agent

Pursuant and subject to the Calculation Agency Agreement, at any time the Issuer may vary or terminate the appointment of the Calculation Agent and appoint another Calculation Agent and the Calculation Agent may resign, provided that, unless the Issuer and the Calculation Agent agree otherwise, any such termination or resignation (other than a resignation following default of the Issuer's payment obligations to the Calculation Agent, pursuant to clause 8.4 of the Calculation Agency Agreement) shall only take effect upon the appointment by the Issuer of a successor calculation agent and on the expiry of the relevant notice.

Notwithstanding and without prejudice to anything in the Calculation Agency Agreement (and without affecting the rights or obligations of the Issuer and the Calculation Agent thereunder), the Issuer hereby separately undertakes to the Bondholders that it shall not vary or terminate the appointment of the Calculation Agent and/or appoint another Calculation Agent except with the prior approval of the holders of at least 75 per cent. in principal amount of the Bonds outstanding.

9.7 No charges

Neither the Issuer nor any person or agent acting on its behalf shall make or impose on a Bondholder any charge or commission in relation to any payment, transfer or conversion in respect of the Bonds including any issue and delivery of Shares pursuant to the exercise of any Share Settlement Option.

9.8 Fractions

When making payments to Bondholders, if the relevant payment is not of an amount which is a whole multiple of the smallest unit of the relevant currency in which such payment is to be made, such payment will be rounded down to the nearest unit.

9.9 Share Settlement Option in respect of Conversion Payment

(a) Share Settlement Option

Provided that a Cash Payment Notice has not been delivered on or prior to the relevant Share Settlement Notice Date (as defined below), at any time from and including the day falling 45 days after the relevant Conversion Date, and subject to and in accordance with the provisions of this Condition 9.9, the relevant Bondholder may (in its discretion) give written notice to the Issuer in respect of a Conversion Payment to which a Conversion Payment Deferral applies (a "**Share Settlement Notice**" in respect of such Conversion Payment, and the date on which this notice is so given, the "**Share Settlement Notice Date**" in respect of such Conversion Payment) that it elects to require (subject to Condition 9.9(b)) the Issuer to satisfy its obligation to pay the Conversion Payment in relation to such Conversion Payment in respect of any exercise of Conversion Rights and all accrued but unpaid interest in respect of such Conversion Payment (if any) by exercising its option to require the Issuer to issue Shares to or to the order of such Bondholder in settlement and discharge of the Issuer's liability to pay such Conversion Payment and all accrued but unpaid interest in respect of such Conversion Payment (if any) and in lieu of paying cash in respect thereof (the "**Share Settlement Option**" in respect of any Conversion Payment). A Share Settlement Option Notice may not be given on or after the date on which a Cash Payment Notice has been given. Upon the occurrence of a Share Settlement Notice Date, the Issuer shall

promptly give notice thereof to the Bondholders in accordance with Condition 16, including specifying the number of Bonds in respect of which such Share Settlement Election has been exercised.

(b) Provisions relating to the Share Settlement Option

The following provisions shall apply in respect of an exercise of the Share Settlement Option (a "**Share Settlement**"):

(i) promptly following the end of the Share Settlement Observation Period, the Issuer shall give notice to the Bondholders in accordance with Condition 16 of the number of Shares to be issued in respect of the Share Settlement;

(ii) without prejudice to any annulment of a Share Settlement pursuant to paragraphs (iii) or (iv) below, a Share Settlement Notice shall be irrevocable;

(iii) Share Settlement shall be subject to a Share Settlement Liquidity Event not having occurred on any day up to (and including) the relevant Share Settlement Date (and following such occurrence of a Share Settlement Liquidity Event, the Share Settlement shall be annulled and the relevant Conversion Payment (and all accrued but unpaid interest in respect of such Conversion Payment (if any)) shall remain outstanding (and interest shall continue to accrue on such Conversion Payment at the Rate of Interest) as if the relevant Share Settlement Notice had not been delivered). Upon the occurrence of a Share Settlement Liquidity Event, the Issuer shall promptly give notice thereof to the Bondholders in accordance with Condition 16. Notwithstanding the occurrence of a Share Settlement Liquidity Event, the relevant Bondholder may elect (in its absolute discretion) to proceed with the Share Settlement by giving written notice thereof to the Issuer on or before the relevant Scheduled Share Settlement Date;

(iv) except in the case where (A) a Cash Payment Notice is delivered on or after the relevant SSO Reference Date and (B) the relevant Bondholder elects (in its absolute discretion) to proceed with the Share Settlement by giving written notice thereof to the Issuer on or before the relevant Scheduled Share Settlement Date, a Share Settlement shall be subject to a Cash Payment Notice not having been delivered on any day up to (and including) the day prior to the relevant Share Settlement Date (and following such delivery of a Cash Payment Notice, except as aforementioned, the Share Settlement shall be annulled and the relevant Conversion Payment (and all accrued but unpaid interest in respect of such Conversion Payment (if any)) shall remain outstanding (and interest shall continue to accrue on such Conversion Payment at the Rate of Interest) as if the relevant Share Settlement Notice had not been delivered and such Conversion Payment shall be paid in cash in accordance with Condition 6.2);

(v) if (A) a Fundamental Change Event Notice, Issuer Optional Redemption Notice or Tax Redemption Notice is given, or an Event of Default occurs, on or prior to any Share Settlement Notice Date in circumstances where the relevant Fundamental Change Event Put Date, Issuer Optional Redemption Date, Tax Redemption Date or Relevant Date falls after the relevant Share

Settlement Date, or (B) a Fundamental Change Event Notice, Issuer Optional Redemption Notice or Tax Redemption Notice is given, or an Event of Default occurs, after a Share Settlement Notice Date but prior to the relevant Share Settlement Date, in each case the relevant Bondholder may (in its discretion) give written notice prior to such Share Settlement Date to the Issuer that it elects to cancel the relevant Share Settlement Notice, and the relevant Conversion Payment (and all accrued but unpaid interest in respect of such Conversion Payment (if any)) shall remain outstanding (and interest shall continue to accrue on such Conversion Payment at the Rate of Interest) as if the relevant Share Settlement Notice had not been delivered and such Conversion Payment shall be paid in cash in accordance with Condition 6.2;

(vi) subject as provided in paragraph (vii) below, the number of Shares to be issued and delivered to the relevant Bondholder in respect of a Share Settlement (the "**Deliverable Shares**") shall be such number of Shares (rounded down to the nearest whole number) determined by the Calculation Agent by dividing the relevant Conversion Payment, together with all accrued but unpaid interest in respect of such Conversion Payment up to but excluding the relevant Share Settlement Date (if any), by the relevant 5-Day Lowest Market Price in respect of such Share Settlement;

(vii) fractions of Shares will not be issued pursuant to this Condition 9.9 and no cash payment will be made in lieu thereof. However, if (A) the Share Settlement Option is exercised by the relevant Bondholder in respect of more than one Conversion Payment, (B) the relevant Share Settlement Notices are all given on the same day and (C) the Shares to be issued pursuant thereto are to be registered in the same name, the number of Shares to be issued in respect thereof shall be calculated on the basis of the aggregate of such Conversion Payments, as determined by the Calculation Agent;

(viii) Shares (including any Additional Deliverable Shares) issued and delivered pursuant to this Condition 9.9 will be fully paid and will in all respects rank *pari passu* with the fully paid Shares in issue on the relevant SSO Reference Date or, in the case of Additional Deliverable Shares, on the relevant Reference Date and the relevant holder shall be entitled to all rights, distribution or payments the record date or other due date for the establishment of entitlement for which falls on or after such SSO Reference Date, or as the case may be, the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law or as otherwise may be provided in these Conditions. Such Shares or, as the case may be, Additional Deliverable Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to such SSO Reference Date or, as the case may be, the relevant Reference Date;

(ix) A Bondholder must pay any taxes (including capital, stamp, issue and registration and transfer taxes or duties) arising on the issue and delivery of the relevant Deliverable Shares or Additional Deliverable Shares, other than any Specified Taxes payable in respect of the issue and delivery of the Deliverable

Shares or Additional Deliverable Shares to a Bondholder pursuant to this Condition 9.9, which shall be paid by the Issuer. Such Bondholder must pay all, if any, taxes arising by reference to any disposal or deemed disposal of a Bond or interest therein by it in connection with such Share Settlement;

(x) Deliverable Shares (including Additional Deliverable Shares) will be issued and delivered in uncertificated form through the dematerialised securities trading system operated by Euroclear UK & Ireland Limited, known as CREST, unless at the relevant time the Shares are not a participating security in CREST, in which case the Deliverable Shares will be issued and delivered in certificated form. Where Deliverable Shares are to be issued and delivered through CREST, they will be delivered to the account specified by the relevant Bondholder in the Payment Details by not later than the relevant Scheduled Share Settlement Date (or, if applicable, Adjusted Scheduled Share Settlement Date). Where Deliverable Shares are to be issued and delivered in certificated form, a certificate in respect thereof will be dispatched by mail free of charge to the relevant Bondholder in accordance with its Payment Details or as it may otherwise direct by not later than the relevant Scheduled Share Settlement Date (or, if applicable, Adjusted Scheduled Share Settlement Date).

Deliverable Shares (including Additional Deliverable Shares) will not be available for issue (A) to, or to a nominee or agent for, Euroclear Bank SA/NV or Clearstream Banking S.A. or any other person providing a clearance service within the meaning of Section 96 of the FA 1986 or (B) to a person, or nominee or agent for a person, whose business is or includes issuing depositary receipts within the meaning of Section 93 of FA 1986, in each case, at any time prior to the "abolition day" as defined in Section 111(1) of the United Kingdom Finance Act 1990;

(xi) If the relevant SSO Reference Date shall be (A) after the Adjustment Reference Date in respect of any adjustment to the Conversion Price pursuant to Condition 6.3(a) to (h); and (B) before the relevant adjustment becomes effective under Condition 6.3 (such adjustment, a "**Share Settlement Retroactive Adjustment**"), then the Issuer shall procure that there shall be issued and delivered to the relevant Bondholder, in accordance with the Payment Details, such additional number of Shares (if any) (the "**Additional Deliverable Shares**") as, together with the Shares issued and delivered in lieu of paying cash in respect of the relevant Conversion Payment Amount, is equal to the number of Shares which would have been so required to be issued and delivered in respect of such amount if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to such SSO Reference Date, all as determined by the Calculation Agent, provided that if in the case of Conditions 6.3(b), 6.3(c), 6.3(d), 6.3(e) or 6.3(i) the relevant Bondholder shall be entitled to receive the relevant Shares, Dividends or other Securities in respect of the Shares to be issued and delivered to it, then no such Share Settlement Retroactive Adjustment shall be made in relation to the relevant event and the relevant Bondholder shall not be entitled to receive Additional Deliverable Shares in relation thereto; and

(xii) Any Bondholder that is on the date of such issue a director or officer of the Issuer or of any member of the Group or of any of their respective affiliates, shall not give a Share Settlement Notice on any date (for the purpose of this paragraph only, the "**Relevant Time**") prior to the second anniversary of such

date of issue (for the avoidance of doubt, ignoring for such purpose the deemed Issue Date described in Condition 5.1(a)) if at such Relevant Time such Bonds are still held by or on behalf of such person (as specified in the Register (as defined in the Bond Instrument)), whether or not such person is at such Relevant Time a director or officer of the Issuer or of any member of the Group or of any of their respective affiliates. The Issuer shall disregard any Share Settlement Notice delivered by any such person prior to such date.

(c) Certain definitions

For the purposes of these Conditions:

"**Offer Period**" means (i) any period commencing on the date of first public announcement of an offer or tender (howsoever described) by any person or persons in respect of all or a majority of the issued and outstanding Shares and ending on the date that offer or tender ceases to be open for acceptance or, if earlier, on which that offer or tender lapses or terminates or is withdrawn or (ii) any period commencing on the date of first public announcement of a Scheme of Arrangement relating to the acquisition of all or a majority of the issued and outstanding Shares and ending on the date such Scheme of Arrangement is or becomes effective or, if earlier, the date such Scheme of Arrangement is cancelled or terminated or (iii) the period during which the Issuer is stated as being in an offer period by any applicable regulatory body having jurisdiction over the Issuer.

"**Share Settlement Date**" means, in respect of any exercise of a Share Settlement Option, the actual date of delivery of the Deliverable Shares (other than Additional Deliverable Shares).

"**Scheduled Share Settlement Date**" means, in respect of any exercise of a Share Settlement Option, (i) in respect of Deliverable Shares (other than Additional Deliverable Shares) to be issued and delivered (x) through CREST, the date falling four Notice Business Days after the relevant SSO Reference Date, or (y) in certificated form, the date falling 28 days after the relevant SSO Reference Date and (ii) in respect of Additional Deliverable Shares to be issued and delivered (x) through CREST, the date falling four Notice Business Days after the relevant Reference Date, or (y) in certificated form, the date falling 28 days after the relevant Reference Date.

"**Adjusted Scheduled Share Settlement Date**" means, in respect of any exercise of a Share Settlement Option in respect of which the relevant Bondholder makes an election as referred to in the proviso to the definition of "Share Settlement Liquidity Event", or, as the case may be, Condition 9.9(b)(iv), (i) in respect of Deliverable Shares (other than Additional Deliverable Shares) to be issued and delivered (x) through CREST, the date falling four Notice Business Days after the relevant Scheduled Share Settlement Date, or (y) in certificated form, the date falling 28 days after the relevant Scheduled Share Settlement Date, and (ii) in respect of Additional Deliverable Shares to be issued and delivered (x) through CREST, the date falling four Notice Business Days after the relevant Scheduled Share Settlement Date, or (y) in certificated form, the date falling 28 days after the relevant Scheduled Share Settlement Date.

In respect of any exercise of the Share Settlement Option, subject to the proviso below, a "**Share Settlement Liquidity Event**" shall have occurred on any date if one or more of the following conditions is met:

(i) the Shares are not listed and admitted to trading on the London Stock Exchange as at such date, or are suspended from trading on such market (provided that trading of the Shares shall not be considered to be suspended on any day on which a general suspension of trading on such market has occurred) on such date;

(ii) an Event of Default or Potential Event of Default shall have occurred and be continuing as at such date;

(iii) a Free Float Event shall have occurred and be continuing as at such date; or

(iv) an Offer Period (as defined below) shall be continuing as at such date,

provided that if the relevant Bondholder elects (in its sole discretion) to disregard such Share Settlement Liquidity Event by giving written notice thereof to the Issuer on or before the relevant Scheduled Share Settlement Date, it shall be deemed that no such Share Settlement Liquidity Event shall have occurred in respect of such exercise.

"**5-Day Lowest Market Price**" means, in respect of any exercise of Conversion Rights, the lowest of the daily Volume Weighted Average Price of a Share (translated into US Dollar at the Prevailing Rate) on each of the five consecutive dealing days immediately following the relevant Share Settlement Notice Date (the "**Share Settlement Observation Period**" in respect of such exercise of a Share Settlement Option, and the last dealing day of such Share Settlement Observation Period, the "**SSO Reference Date**" in respect of such exercise), provided that:

(i) if any such dealing day falls on or after the Applicable Adjustment Reference Date in respect of any adjustment required to be made to the Conversion Price pursuant to these Conditions and such adjustment is not yet in effect on the relevant SSO Reference Date, the Volume Weighted Average Price on such dealing day shall be divided by the adjustment factor (as determined pursuant to these Conditions) applied to the Conversion Price in respect of such adjustment;

(ii) if any such dealing day falls before the Applicable Adjustment Reference Date in respect of any adjustment required to be made to the Conversion Price pursuant to these Conditions and such adjustment is in effect on the relevant SSO Reference Date, the Volume Weighted Average Price on such dealing day shall be multiplied by the adjustment factor (as determined pursuant to these Conditions) applied to the Conversion Price in respect of such adjustment; and

(iii) if any doubt shall arise as to the calculation of the 5-Day Lowest Market Price or if the 5-Day Lowest Market Price cannot be determined as provided above, the 5-Day Lowest Market Price shall be equal to such price as is determined in such other manner as an Independent Adviser shall consider to be appropriate to give the intended result.

10. Events of Default

If any of the following events (each an "**Event of Default**") occurs and is continuing, a holder of a Bond then outstanding may give notice (an "**Acceleration Notice**") in writing to the Issuer that such Bond is, and upon such notice such Bond shall accordingly immediately become, without further action or formality, due and repayable at the Relevant Amount:

(a) the Issuer fails to pay when due any of the principal of the Bonds, any interest or any other amounts with respect to the Bonds (on a Conversion Payment Date, on an Interest Payment Date, at maturity, upon redemption or otherwise) and such failure continues for a period of three business days in each of Calgary, Canada, New York, USA and London, England;

(b) the Issuer fails to issue and deliver Shares following any exercise of Conversion Rights or Share Settlement Option in accordance with these Conditions and such failure continues for a period of three business days in each of Calgary, Canada, New York, USA and London, England;

(c) the Issuer or any Guarantor does not perform or comply with any one or more of its other obligations in the Bonds or the Bond Documents or if any event occurs or any action is taken or failed to be taken which is (or but for the provisions of any applicable law would be) a breach of any such obligation, and which default or breach is incapable of remedy or is not remedied within 30 days after notice of such default or breach shall have been received by the Issuer from any Bondholder requiring the same to be remedied;

(d) the validity of the Bonds or any Bond Document is contested by the Issuer or any Guarantor, the Issuer or any Guarantor shall deny any of its obligations under the Bonds or any Bond Document or it is or will become unlawful for the Issuer or any Guarantor to perform or comply with any one or more of its obligations under any of the Bonds or the Bond Documents;

(e) (i) any other present or future Financial Indebtedness of the Issuer or any of its Material Subsidiaries becomes due and payable prior to its stated maturity by reason of any event of default or the like (howsoever described), or

(i) any such Financial Indebtedness is not paid when due or, as the case may be, within any originally applicable grace period and such failure continues for a period of three business days in each of Calgary, Canada, New York, USA and London, England, or

(ii) the Issuer or any of its Material Subsidiaries fails to pay when due any amount payable by it under any present or future Financial Indebtedness Guarantee and such failure continues for a period of three business days in each of Calgary, Canada, New York, USA and London, England,

provided that the aggregate amount of the relevant Financial Indebtedness and/or Financial Indebtedness Guarantee in respect of which one or more of the events mentioned above in this Condition 10(e) have occurred equals or exceeds US$2 million (or its equivalent in any other currency or currencies);

(f) the aggregate amount of unsatisfied judgments, decrees or orders of courts or other appropriate law-enforcement bodies (from which no further appeal or judicial review is permissible under applicable law) for the payment of money against the Issuer or any of its Material Subsidiaries exceeds US$2 million (or its equivalent in any other currency or currencies) and there is a period of 60 days following the entry thereof (or, if later, the date therein specified for payment) during which all such judgments, decrees or orders are not discharged, waived or the execution thereof stayed;

(g) a distress, attachment, execution or other legal process is levied, enforced or sued out on or against the property, assets or revenues of the Issuer or any of its Material Subsidiaries with a value, individually or in the aggregate, in excess of US$2 million or its equivalent and is not discharged within 60 days;

(h) any mortgage, charge, pledge, lien or other encumbrance, present or future, created or assumed by the Issuer or any of its Material Subsidiaries, over assets with a value, individually or in the aggregate, in excess of US$2 million or its equivalent, becomes enforceable and any step is taken to enforce it (including the taking of possession or the appointment of a receiver, administrative receiver, administrator, manager or other similar person) and is not discharged within 60 days;

(i) the Issuer or any Material Subsidiary ceases, or threatens to cease, to carry on all or a substantial part of its business;

(j) the Issuer or any of its Material Subsidiaries is (or is deemed by law or a court to be) insolvent or bankrupt or unable to pay its debts, stops, suspends or threatens to stop or suspend payment of all or a material part of (or a material part of a particular type of) its debts, proposes or makes a general assignment or an arrangement or composition with or for the benefit of the relevant creditors in respect of any of such debts or a moratorium is agreed or declared or comes into effect in respect of or affecting all or any part of (or of a particular type of) the debts of the Issuer or any of its Material Subsidiaries, except for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation (i) on terms approved by the Majority Bondholders, or (ii) in the case of a Material Subsidiary, whereby the undertaking and assets of the Material Subsidiary are transferred to or otherwise vested in the Issuer or another of its Subsidiaries; or

(k) an administrator is appointed, an order is made or an effective resolution passed for the winding-up or dissolution or administration of the Issuer or any of its Material Subsidiaries (and such order is not discharged within 30 days), or the Issuer ceases or threatens to cease to carry on all or a substantial part of its business or operations, except (i) for the purpose of and followed by a reconstruction, amalgamation, reorganisation, merger or consolidation (A) on terms approved by the Majority Bondholders, or (B) in the case of a Material Subsidiary, whereby the undertaking and assets of the Material Subsidiary are transferred to or otherwise vested in the Issuer or another of its Subsidiaries or (ii) in relation to any solvent winding-up or dissolution as part of a NewCo Scheme permitted by the Conditions (and in accordance with Condition 11(g) and Condition 15).

For the purposes of this Condition 10, "**Relevant Amount**" means, in respect of the principal amount of each Bond which is outstanding, the relevant Bondholder Early Redemption Amount, save that if the relevant Event of Default occurs as a result of or in connection with a failure by the Issuer to comply with any of its obligations in relation to the exercise of Conversion Rights or Share Settlement Option (except in *de minimis* respects), it means an amount in cash per Bond equal to the higher of:

(l) the sum of (i) the Volume Weighted Average Price (translated if necessary into US Dollar at the Prevailing Rate) on the date of such declaration of the relevant Event of Default of the aggregate number of Shares and (ii) the Fair Market Value (translated if

necessary into US Dollar at the Prevailing Rate) on the date of such declaration of the relevant Event of Default of any other amounts (including any Conversion Payment (disregarding for this purpose Condition 9.9)) in each case which would have been deliverable and/or payable had Conversion Rights been exercised in respect of such Bond and assuming for this purpose that the relevant Conversion Date is the date of such declaration of the relevant Event of Default; and

(m) the relevant Bondholder Early Redemption Amount.

Following an Event of Default and a Bondholder having given notice to the Issuer as provided above in this Condition 10 that a Bond or Bonds are due and payable, references in these Conditions and the Bond Instrument to the principal amount of a Bond shall, in relation to such Bond or Bonds, unless the context otherwise requires, include the Relevant Amount.

11. Undertakings

Unless any of the following is contemplated, required and/or expressly permitted pursuant to any of the Bond Documents, the Issuer will, save with the approval of the holders of at least 75 per cent. in principal amount of the Bonds outstanding:

(a) not issue or pay up any Securities, in either case by way of capitalisation of profits or reserves, other than:

(i) pursuant to a Scheme of Arrangement involving a reduction and cancellation of Shares and the issue to Shareholders of an equal number of Shares by way of capitalisation of profits or reserves; or

(ii) pursuant to or in connection with a Newco Scheme; or

(iii) by the issue of fully paid Shares or other Securities to Shareholders and other holders of shares in the capital of the Issuer which by their terms entitle the holders thereof to receive Shares or other Securities on a capitalisation of profits or reserves; or

(iv) by the issue of fully paid Shares, issued wholly, ignoring fractional entitlements, in lieu of the whole or part of a Dividend in cash; or

(v) by the issue of Shares or any equity share capital to, or for the benefit of, employees or former employees, director or executive holding or formerly holding executive office (including directors holding or formerly holding executive office or non-executive office, consultants or former consultants or the personal service company of any such person) or their spouses or relatives, in each case of the Issuer or any of its Subsidiaries or any associated company or to a trustee or nominee to be held for the benefit of any such person, in any such case pursuant to an employee, contractor, director or executive share or option or incentive scheme whether for all employees, contractors, directors or executives or any one or more of them,

((i) to (v) above each being a "**Permitted Issue**"), unless, in any such case, the same constitutes a Dividend or otherwise falls to be taken into account for a determination as to whether an adjustment is to be made to the Conversion Price pursuant to Condition 6.3, regardless of whether in fact an adjustment falls to be made in respect of the relevant event (or would, but for the provisions of Condition 6.8 relating to roundings

and minimum adjustments or the carry forward of adjustments, give rise to an adjustment to the Conversion Price);

(b) not modify the rights attaching to the Shares with respect to voting, dividends or liquidation nor issue any other class of equity share capital carrying any rights which are more favourable than the rights attaching to the Shares but so that nothing in this Condition 11(b) shall prevent:

(i) any consolidation, reclassification, redesignation or subdivision of the Shares; or

(ii) any modification of such rights which is not, in the opinion of an Independent Adviser, materially prejudicial to the interests of the holders of the Bonds; or

(iii) any issue of equity share capital where the issue of such equity share capital results, or would, but for the provisions of Condition 6.8 relating to roundings and minimum adjustments or the carry forward of adjustments or Condition 6.3(l) or, where comprising Shares, the fact that the consideration per Share receivable therefor is at least 95 per cent. of the Current Market Price per Share at the relevant time for determination thereof pursuant to the relevant provisions of Condition 6.3, otherwise result, in an adjustment to the Conversion Price; or

(iv) without prejudice to any rule of law or legislation (including regulations made under Sections 783, 784(3), 785 and 788 of the Companies Act or any other provision of that or any other legislation), the conversion of Shares into, or the issue of any Shares in, uncertificated form (or the conversion of Shares in uncertificated form to certificated form) or the amendment of the Articles of Association of the Issuer to enable title to securities (including Shares) to be evidenced and transferred without a written instrument or any other alteration to the Articles of Association of the Issuer made in connection with the matters described in this Condition 11(b) or which is supplemental or incidental to any of the foregoing (including any amendment made to enable or facilitate procedures relating to such matters and any amendment dealing with the rights and obligations of holders of Securities, including Shares, dealt with under such procedures); or

(v) any issue of equity share capital or modification of rights attaching to the Shares, where prior thereto the Issuer shall have instructed an Independent Adviser to determine what (if any) adjustments should be made to the Conversion Price as being fair and reasonable to take account thereof and such Independent Adviser shall have determined either that no adjustment is required or that an adjustment resulting in a decrease in the Conversion Price is required and, if so, the new Conversion Price as a result thereof and the basis upon which such adjustment is to be made and, in any such case, the date on which the adjustment shall take effect (and so that the adjustment shall be made and shall take effect accordingly); or

(vi) any alteration to the Articles of Association made in connection with the matters described in this Condition 11 or which is supplemental or incidental to any of the foregoing (including any amendment made to enable or facilitate

procedures relating to such matters and any amendment dealing with the rights and obligations of holders of Securities, including Shares, dealt with under such procedures); or

(vii) any amendment of the Articles of Association of the Issuer following or in connection with a Change of Control to ensure that any Bondholder exercising Conversion Rights where the Conversion Date falls on or after the occurrence of a Change of Control will receive, in whatever manner, the same consideration for the Shares arising on such exercise as it would have received in respect of any Shares had such Shares been entitled to participate in the relevant Scheme of Arrangement or to have been submitted into, and accepted pursuant to, the relevant offer or tender (a "**Change of Control Conversion Right Amendment**"); or

(viii) a Permitted Issue;

(c) except as part of or in connection with or pursuant to any employee, contractor, director or executive share or option or incentive scheme (whether for all employees, contractors, directors or executives or any one or more of them), procure that no Securities which were originally issued (whether issued by the Issuer or any Subsidiary of the Issuer or procured by the Issuer or any Subsidiary of the Issuer to be issued or issued by any other person pursuant to any arrangement with the Issuer or any Subsidiary of the Issuer) without rights to convert into, or exchange or subscribe for, Shares shall subsequently be granted such rights exercisable at a consideration per Share which is less than 95 per cent. of the Current Market Price per Share at the relevant time for determination thereof pursuant to the relevant provisions of Condition 6.3 unless the same gives rise (or would, but for the provisions of Condition 6.8 relating to roundings and minimum adjustments or the carry forward of adjustments or Condition 6.3(l), give rise) to an adjustment to the Conversion Price and that at no time shall there be in issue Shares of differing nominal values, save where such Shares have the same economic rights;

(d) not make any issue, grant or distribution or take or omit to take any other action if the effect thereof would be that, on the exercise of Conversion Rights, Shares could not, under any applicable law then in effect, be legally issued as fully paid;

(e) not reduce its issued share capital, share premium account, or any uncalled liability in respect thereof, or any non-distributable reserves, except:

(i) pursuant to the terms of issue of the relevant share capital; or

(ii) by means of a purchase or redemption of share capital of the Issuer to the extent permitted by applicable law; or

(iii) where the reduction does not involve any distribution of assets to Shareholders; or

(iv) solely in relation to a change in the currency in which the nominal value of the Shares is expressed; or

(v) to create distributable reserves (to which, in respect of any such creation of distributable reserves, the Bondholders will be deemed to have irrevocably given their consent (without any liability for so doing) prior to such creation of distributable reserves occurring); or

(vi) pursuant to a Scheme of Arrangement involving a reduction and cancellation of Shares and the issue to Shareholders of an equal number of Shares by way of capitalisation of profits or reserves; or

(vii) as provided in Condition 11(a)(i); or

(viii) pursuant to a Newco Scheme; or

(ix) by way of transfer to reserves as permitted under applicable law; or

(x) where the reduction is permitted by applicable law and the Bondholders are advised by an Independent Adviser, that in its opinion the interests of the Bondholders will not be materially prejudiced by such reduction; or

(xi) where the reduction is permitted by applicable law and results (or, in the case of a reduction in connection with a Change of Control, will result) in (or would, but for the provisions of Condition 6.8 relating to roundings or the carry forward of adjustments, result in) an adjustment to the Conversion Price or is (or, in the case of a reduction in connection with a Change of Control, will be) otherwise taken into account for the purposes of determining whether such an adjustment should be made;

provided that, without prejudice to the other provisions of these Conditions, the Issuer may exercise such rights as it may from time to time be entitled pursuant to applicable law to purchase, redeem or buy back its Shares and any depositary or other receipts or certificates representing Shares without the consent of Bondholders;

(f) if any offer is made to all (or as nearly as may be practicable all) Shareholders or all (or as nearly as may be practicable all) Shareholders other than the offeror and/or any associates of the offeror to acquire a Controlling interest in the Issuer, or if a public offer is made in respect of the Shares, or if any person proposes a scheme with regard to such acquisition (other than a Newco Scheme), give notice of such offer or scheme to the Bondholders in accordance with Condition 16 at the same time as any notice thereof is sent to the Shareholders (or as soon as practicable thereafter) that details concerning such offer or scheme may be obtained from the Issuer and, where such an offer or scheme has been recommended by the board of directors of the Issuer, or where such an offer has become or been declared unconditional in all respects or such scheme has become effective, use all reasonable endeavours to procure that a like offer or scheme is extended to Bondholders and to the holders of any Shares issued during the period of the offer or scheme arising out of the exercise of the Conversion Rights pursuant to these Conditions (which like offer or scheme to Bondholders shall entitle Bondholders to receive the same type and amount of consideration they would have received had they held the number of Shares to which such Bondholders would be entitled assuming Bondholders were to exercise their Conversion Rights in the relevant Fundamental Change Event Period), provided that, for the avoidance of doubt, this undertaking of the Issuer shall not restrict or prevent the Issuer or its board of directors

from co-operating in relation to, or recommending to its shareholders the acceptance of, such a takeover bid in circumstances where (despite the Issuer using all reasonable endeavours as set out above) the bidder does not extend to the Bondholders (or any of them) an offer or proposal as set out above;

(g) in the event of a Newco Scheme, take (or shall procure that there is taken) all necessary action to ensure that (to the satisfaction of the Bondholders) immediately after completion of the Scheme of Arrangement:

(i) at the Issuer's option, either (a) Newco is substituted under the Bonds and the Bond Documents as principal obligor in place of the Issuer (with the Issuer providing a guarantee) subject to and as provided in Condition 15; or (b) Newco becomes a guarantor under the Bonds and the Bond Documents, in each case on terms satisfactory to the Bondholders;

(ii) such amendments are made to these Conditions and the Bond Documents as are necessary, in the opinion of the Bondholders, to ensure that the Bonds may be converted into or exchanged for cash and/or ordinary shares or units or the equivalent in Newco (or depositary or other receipts or certificates representing ordinary shares or units or the equivalent in Newco) *mutatis mutandis* in accordance with and subject to these Conditions with a Conversion Price (subject to adjustment as provided in these Conditions) economically equivalent to the Conversion Price immediately prior to the implementation of such amendments, as determined by an Independent Adviser;

(iii) the ordinary shares or units or equivalent of Newco (or depositary or other receipts or certificates representing ordinary shares or units or equivalents of Newco) are admitted to trading on a Qualifying Market; and

(iv) the Bond Documents and the Conditions provide at least the same or equivalent powers, protections, rights and benefits to the Bondholders following the implementation of such Newco Scheme as they provided to the Bondholders prior to the implementation of the Newco Scheme, *mutatis mutandis,*

and the Bondholders shall (at the expense of the Issuer, including payment by the Issuer of any incurred fees of Bondholders' legal counsel, and subject to the satisfaction of the conditions set out in (i) to (iv) above and provided that the interests of Bondholders are not adversely prejudiced thereby) be obliged to concur in effecting such substitution or grant of such guarantee and in either case making any such amendments, provided that the Bondholders shall not be obliged so to concur if, in the opinion of the Bondholders, doing so would impose more onerous obligations upon any of them or expose any of them to any additional duties, responsibilities or liabilities in any way;

(h) use all reasonable endeavours to ensure that the Shares issued upon exercise of Conversion Rights will, as soon as is possible, be admitted to listing and to trading on the London Stock Exchange and will be listed, quoted or dealt in, as soon as is practicable, on any other stock exchange or securities market on which the Shares may then be listed or quoted or dealt in (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the board of directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or

otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Shares);

(i) use all reasonable endeavours to ensure, at its own cost, that its issued and outstanding Shares are admitted to listing on a regulated, regularly operating, recognised stock exchange or securities market (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the board of directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Shares);

(j) will continue to make all applicable regulatory filings in respect of the listing and admission to trading of the Shares with each Stock Exchange (including, in respect of any Shares in issue which are not admitted to listing on the London Stock Exchange, publishing a prospectus and obtaining admission to listing on the London Stock Exchange as soon as possible and in any event not later than twelve calendar months after the issue of such Shares, as required by Listing Rule 14.3.4R or any requirement that succeeds or replaces the same);

(k) not cause its Shares to be quoted or admitted to trading and/or listing on any stock exchange (other than the London Stock Exchange, the Toronto Stock Exchange or the Canadian Securities Exchange) if that would cause the Initial Investor to be subject to any additional filings, reporting or other obligations, except with the prior consent of the Initial Investor;

(l) at all times keep available for issue, free from pre-emptive or other preferential rights out of its authorised but unissued capital sufficient allotment authority in respect of Shares to enable the exercise of Conversion Rights in respect of all the Bonds (including any Further Bonds) then outstanding and all other rights of subscription and exchange for Shares, to be satisfied in full;

(m) with respect to any calculation, determination or adjustment performed by the Calculation Agent or an Independent Adviser at the instruction of the Issuer, promptly notify the Bondholders thereof including all relevant details of such calculation or determination and, upon request from any Bondholder, confirm to the Bondholders (and with notice to the Calculation Agent) the Conversion Price then in effect and details of any relevant prior calculations, determinations or adjustments as such Bondholder may require;

(n) promptly upon:

(i) the Issuer becoming aware that a Free Float Event may have occurred (or would be likely to have occurred, if an Independent Adviser had been requested to make such determination), acting reasonably, based on known and publicly available information and without any requirement to make any further enquires; or

(ii) a request being made by the any Bondholder (acting reasonably, and such request not being made more than once in any three-month period), the Issuer

shall instruct an Independent Adviser to make a determination as to the number of Shares comprising the Free Float;

(o) as soon as reasonably practicable following the completion of the Refinancing Conditions, make a public announcement containing the details thereof;

(p) (i) promptly notify each Bondholder in accordance with Condition 16 of the occurrence of any Event of Default or any breach of the Conditions or the provisions of the Bond Documents; and (ii) deliver to the Bondholders annually, and to the Bondholders at any time upon reasonable demand in writing by a Bondholder (but so that such demand shall not be made more than once during any Interest Period), a certificate signed by two directors of the Issuer on behalf of the Issuer certifying that, having made all reasonable enquiries, to the best of the knowledge, information and belief of the Issuer, no Event of Default, Potential Event of Default or breach of the Conditions or the Bond Documents has occurred since the date of the last such certificate (or, in the case of the first such certificate, the Issue Date), or if such an event or breach has occurred, giving all relevant details of such event or breach; and

(q) so far as permitted by applicable law and any applicable contractual obligations of confidentiality, at any time upon a reasonable request from a Bondholder, as soon as practicable furnish to each Bondholder such reasonably requested information or materials as may be relevant to the operation of any of the provisions in the Bond Documents, including but not limited to any potential Change of Control, Free Float Event, De-Listing Event or Share Settlement Liquidity Event, whether at any time a Subsidiary constitutes a Material Subsidiary and the relevant supporting calculations, evidence of the Issuer's due and punctual performance of its obligations under the Bonds and the Bond Documents, provided that the Issuer shall not (without first entering into a separate confidentiality agreement with the relevant Bondholders) furnish any such information to the relevant Bondholders in connection with the Bonds, the Shares, the Issuer or the Group that is of a price sensitive nature or inside information.

12. Prescription

Claims against the Issuer for payment in respect of the Bonds shall be proscribed and become void unless made within 10 years (in the case of principal or any other amount (other than interest)) or five years (in the case of interest) from the appropriate Relevant Date in respect of such payment.

Claims in respect of any other obligation in respect of the Bonds, including delivery of Shares, shall be proscribed and become void unless made within 10 years following the due date for performance of the relevant obligations.

13. Replacement of Bond Certificates

If any Bond Certificate is lost, stolen, mutilated, defaced or destroyed, it may be replaced by the Issuer subject to and in accordance with Clause 4 (*Bond Certificates*) of the Bond Instrument.

14. Amendment and Waiver

14.1 Amendment

Subject to Condition 14.2 and Condition 14.4, the Bonds and the Bond Documents may be amended, or waivers or consents given in respect thereof, with the agreement of the Issuer and the Majority Bondholders and (without prejudice to the terms of the Calculation Agency Agreement) any such amendment, waiver or consent will be binding on all Bondholders (including, for the avoidance of doubt, any Bondholder that is or at any time has been a director or officer of the Issuer or of any member of the Group or of any of their respective affiliates) and shall be notified by the Issuer to Bondholders as soon as practicable.

14.2 Reserved Matters

The Issuer shall not agree to make any amendment, and no waiver or consent shall be effective, in respect of any Bondholder Reserved Matter, without the consent of the holders of at least 75 per cent. in principal amount of the Bonds outstanding.

14.3 Voting Evidence

In relation to any consent to be provided by Bondholders in accordance with the Bonds or the relevant Bond Documents, the Issuer shall upon request from any Bondholder provide or procure the provision of evidence satisfactory to each Bondholder (in each case acting reasonably) that specifies:

(a) the principal amount outstanding held by Bondholders that delivered an instruction to consent, abstain or dissent to any proposal; and

(b) the principal amount outstanding of Bonds held by or on behalf of the Issuer or any member of the Group or any of their respective affiliates or any person who or which is or has at any time been a director or officer of any of the foregoing (as referred to in the definition of "outstanding" in Condition 3).

14.4 Exclusions

(a) The consent of the Bondholders shall not be required in the event the Issuer effects any amendment to the Bonds or the Bond Documents pursuant to a NewCo Scheme Modification or otherwise effects a substitution in accordance with Condition 15 (so long as the interests of Bondholders are not adversely prejudiced thereby, and the terms and conditions set out in these Conditions are complied with), provided that the Issuer provides not less than 20 Notice Business Days' written notice of such amendments to the Bondholders.

(b) The consent of the holders of at least one-third in principal amount of the Bonds outstanding shall be required in respect of any waiver or amendment or consent in respect of any term of the Bond Instrument or these Conditions that applies to any Bondholder that is or at any time has been a director or officer of the Issuer or of any member of the Group or of any of their respective affiliates, including (without limitation):

(i) the restrictions on transferability of Bonds held by or on behalf of any person that is or at any time has been a director or officer as set out in Condition 4.2

(ii) the definition or construction of the defined term "Existing Holder" or "Existing Holders";

(iii) the restriction on the exercise of Conversion Rights by any such Bondholder described in (i) above, as set out in Condition 6.1;

(iv) the restriction on any such Bondholder described in (i) above, as set out in Condition 9.9(b)(xii); and/or

(v) paragraph (y) of the definition of "outstanding".

15. Substitution

The Issuer may at any time, without the consent of the Bondholders, effect any substitution as provided in, and for the purposes of, Condition 11(g) in connection with a Newco Scheme and Condition 6.14 in connection with a Successor in Business (and any such substitute issuer being, the "**Substitute Issuer**"), provided that:

(a) the Issuer provides not less than 60 days' written notice to each Bondholder of such substitution, including the proposed effective date of such substitution, the identity of the Substitute Issuer and the latest audited financial statements of the Substitute Issuer, and such other information as the Bondholders may reasonably request upon receipt of such written notice;

(b) the Bonds continue to be convertible, *mutatis mutandis* as provided in the Conditions, into ordinary shares in the capital of the Substitute Issuer with like rights, *mutatis mutandis*, to the Shares;

(c) a deed is executed by the Substitute Issuer in a form and manner satisfactory to the Bondholders, agreeing to be bound by the Bonds and each of the Bond Documents as if the Substitute Issuer has been named in such Bond Documents and the Bonds as the principal debtor in place of the Issuer, and therefrom releasing the Issuer from any or all of its obligations under the Bond Documents and the Bonds;

(d) legal opinions from reputable counsel acceptable to the Bondholders are addressed and delivered to (at the expense of the Substitute Issuer) the Bondholders on the entry into the amendment deed and all other relevant documentation and performance of the Substitute Issuer's obligations under the Bonds and the enforceability thereof, in a form satisfactory to the Bondholders;

(e) arrangements are made to the reasonable satisfaction of the Bondholders to have or be able to have the same or equivalent rights against the Substitute Issuer (and any of its Subsidiaries, if applicable) as they have against the Issuer (or any such previous substitute under this paragraph) (and any of its Subsidiaries, if applicable);

(f) that, from the date of the substitution:

(i) no greater withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature is imposed or levied by or on behalf of the taxing jurisdiction of the Substitute Issuer or any applicable sub-division thereof or therein having power to tax is applicable in respect of any payment on or in respect of the Bonds or the Bond Documents; and

(ii) holders of the Bonds (whether upon transfer of Bonds or otherwise) would not thereafter be required to pay any additional stamp, issue, transfer, documentary or other similar taxes and duties in the tax jurisdiction of the Substitute Issuer,

or that an indemnity in respect of any such additional amounts is provided by the Substitute Issuer to the satisfaction of the Bondholders; and

(g) any two directors of the Substitute Issuer certify that it will be solvent immediately after such substitution.

Upon the satisfaction of such conditions, the Substitute Issuer will be deemed to be named in the Bond Documents (but without prejudice to the terms of the Calculation Agency Agreement) and the Bonds as the principal debtor in place of the Issuer (or of any previous substitute) and each Bond Document and the Bonds will be deemed to be modified in such manner as shall be necessary to give effect to the substitution.

With effect from (and including) the date of such substitution, all payments of principal and interest payable in respect of the Bonds by the Substitute Issuer shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges (including any penalties, interest and additions to tax related thereto) of whatsoever nature imposed, levied, collected, withheld or assessed by or on behalf of its taxing jurisdiction, unless such withholding or deduction is required by law. If, following the date of the substitution of the Substitute Issuer, there is any increase from the amounts or rates initially determined in Condition 15(f)(i) in respect of such withholding or deduction for or on account of any taxes, duties, assessments or governmental charges of whatever nature payable in respect of any payment on or in respect of the Bonds or the Bond Documents, the Substitute Issuer shall pay such additional amounts as will result in the receipt by the Bondholders of such amounts as would have been received by them if such withholding or deduction had not been increased (including any deduction or withholding attributable to the additional amounts).

16. Notices

All notices required to be given to Bondholders pursuant to the Conditions will (unless otherwise provided in these Conditions) be given (a) in the case of any initial Bondholder, in writing in accordance with the purchase or similar agreements entered into between the Issuer and each initial Bondholder in connection with, among other things, each holder's subscription for the Bonds and dated prior to the Issue Date, and (b) in the case of any New Holders (as defined in the Bond Instrument), in writing by letter or email to the address specified in each duly executed and completed form of transfer (and the provisions of Clause 13.3 (*Effectiveness*) of the Bond Instrument shall apply *mutatis mutandis* in respect of such notices to New Holders), or in each case to such other contact details as any Bondholder may subsequently provide in writing to the Issuer from time to time in accordance with the Bond Instrument. Where a Bondholder is required under these Conditions to deliver, provide or produce a Bond Certificate, form, notice or other document, such Bond Certificate, form or document shall be delivered to the Issuer and may be in electronic form.

If any notice required to be given pursuant to these Conditions would otherwise contain any inside information or other non-public information which may (upon publication) have a significant impact on the price of any securities which are listed or quoted on any market ("**Material Non-Public Information**"), then the Issuer shall simultaneously with such notice make a public announcement containing all such Material Non-Public Information such that the notice to Bondholders shall not contain any Material Non-Public Information.

The Issuer shall send a copy of all notices given by it to Bondholders (or a Bondholder) pursuant to these Conditions promptly to the Calculation Agent.

17. Further Issues

The Issuer may create and issue Further Bonds at any time. Any Further Bonds shall be constituted by a deed supplemental to the Bond Instrument.

18. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999.

19. Governing Law

These Conditions, the Bond Instrument, the Calculation Agency Agreement and the Bonds and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.

2.01. Acknowledgment of Specified Default. To induce the Administrative Agent and each Specified Lender to execute this Agreement, each Loan Party hereby acknowledges, stipulates, represents, warrants and agrees as follows:

(2) The Specified Default shall constitute an Event of Default that shall have occurred, remain uncured, has not been waived, cannot be cured and is continuing as of December 31, 2023. Except as expressly set forth in this Agreement, the agreements of the Administrative Agent and the Specified Lenders hereunder to forbear in the exercise of their respective rights, remedies, powers, privileges and defenses under the Loan Documents in respect of the Specified Default during the Forbearance Period do not in any manner whatsoever limit any right of any of the Administrative Agent or the Specified Lenders to insist upon strict compliance with this Agreement or any Loan Document.

(b) Nothing has occurred that constitutes or otherwise can be construed or interpreted as a waiver of, or otherwise to limit in any respect, any rights, remedies, powers, privileges and defenses that the Administrative Agent or the Specified Lenders have or may have arising as the result of any Event of Default (including the Specified Default) that has occurred or that may occur under the Credit Agreement or the other Loan Documents. The Administrative Agent's and the Specified Lenders' actions in entering into this Agreement are without prejudice to the rights of any of the Administrative Agent and the Specified Lenders to pursue in their sole discretion any and all remedies available to them in connection with the Specified Default under the Loan Documents, pursuant to applicable law or in equity, upon termination of the Forbearance Period.

(c) The Loan Documents are legal, valid, binding, and enforceable against the Loan Parties in accordance with their terms. All of the assets pledged, assigned, conveyed, mortgaged, hypothecated or transferred to the Collateral Agent pursuant to each Control Agreement, the Guarantee and Collateral Agreement, the Mortgages, any Swap Intercreditor Agreement, and all other instruments, documents and agreements delivered by any Loan Party pursuant to the Credit Agreement or any of the other Loan Documents in order to (a) grant to the Collateral Agent, for the benefit of the Secured Parties, a Lien on any Collateral or (b) set forth the relative priorities of any Lien on any Collateral (collectively, the "***Collateral Documents***") are (and shall continue to be) subject to valid, enforceable, and properly perfected liens and security interests of the Collateral Agent, as collateral security for all of the Obligations, subject to no Liens other than Liens permitted by Section 6.2 of the Credit Agreement. Each Loan Party hereby reaffirms and ratifies its prior conveyance to the Agent of a continuing security interest in and lien on the Collateral.

(d) None of the Administrative Agent or Specified Lenders have waived and are not waiving the right to receive interest at the Default Rate provided in Section 2.6(d) of the Credit Agreement and hereby reserves all rights with respect to default interest thereunder.

(e) The Administrative Agent and each of the Specified Lenders have acted reasonably, in good faith, and in compliance with applicable law in connection with the negotiation and enforcement of the Credit Agreement, the other Loan Documents, and this Agreement.

2.02. Limited Forbearance. Subject to (i) the satisfaction of the conditions precedent set forth in Section 4 below, (ii) the satisfaction of the conditions subsequent set forth in Section 5 below, (iii) the Loan Parties' compliance with each and every term and provision of this Agreement, and (iv) to the continuing effectiveness and enforceability of the Loan Documents in accordance with their terms, the Administrative Agent and Specified Lenders agree to forbear in the exercise of their respective rights, remedies, powers, privileges and defenses under the Loan Documents solely in respect of the Specified Default for the period (the "***Forbearance Period***") commencing on the Forbearance Effective Date and ending automatically and without further action or notice on the Forbearance Termination Date; *provided* that (x) each Loan Party shall comply with all limitations, restrictions, covenants and prohibitions under the Loan Documents (including this Agreement), and (y) that nothing herein shall be construed as a waiver by the Administrative Agent or the Specified Lenders of the Specified Default. Further, during the Forbearance Period the Administrative Agent and Specified Lenders agree to forbear in the exercise of any rights to bring claims or causes of action against Canadian Overseas Petroleum Limited, Parent, or the Borrower or each of their respective current directors and officers; *provided* that (x) each Loan Party shall comply with all limitations, restrictions, covenants and prohibitions under the Loan Documents (including this Agreement but not including the Specified Default), and (y) that nothing herein shall be construed as a waiver by the Administrative Agent or the Specified Lenders of the Specified Default.

2.03. Termination of Forbearance Period. Upon the occurrence of the Forbearance Termination Date, the agreement of the Administrative Agent and the Specified Lenders to comply with any of their obligations hereunder, including the agreement to forbear, shall automatically and without any further action or notice terminate and be of no force and effect; it being expressly agreed that the effect of the termination of the Forbearance Period will be to permit the Administrative Agent and the Specified Lenders to exercise, or cause the exercise of, any rights, remedies, powers, privileges and defenses available to any of them under the Credit Agreement, the other Loan Documents or applicable law, without any further notice, demand, passage of time, presentment, protest or forbearance of any kind (all of which each Loan Party waives).

2.04. Limited Waiver in Respect of Specific Change of Control Default. On and from the Effective Date, the Lenders party hereto hereby irrevocably waive the Specific Change of Control Default as a result of the consummation of transactions contemplated by the Equity Commitment Letter. This waiver above shall not be deemed a waiver to any other term or condition of any Loan Document and shall not be deemed to prejudice any right or rights which the Administrative Agent or any Lender may now have or may have in the future under or in connection with any Loan Document or any of the instruments or agreements referred to therein, as the same may be amended from time to time. The foregoing waiver shall also not be deemed to operate as, or obligate the Administrative Agent or any Lender to grant any, future waiver or modification of or consent to any provision, term, condition or Default or Event of Default under the Credit Agreement.

COPL Announces Closing of $2.5m Financing

London, United Kingdom; Calgary, Canada: January 16, 2024 - Canadian Overseas Petroleum Limited and its affiliates ("COPL" or the "Company") (**XOP**: CSE) & (**COPL**: LSE), an international oil and gas exploration, production and development company with production and development operations focused in Converse and Natrona counties, Wyoming, USA, announces completion on January 15, 2024, of the critical $2.5 million equity financing providing the Company with short-term working capital.

Financing Highlights

- 1,312,232,633 common shares of no par value have been issued to the Company's leading equity and convertible bond investor Anavio Capital Partners LLP ("Anavio").
- On closing of the financing, Anavio will hold 24.5% of COPL's issued and outstanding share capital.
- The Company will also grant Anavio 1,312,232,633 common share purchase warrants to be exercisable at £0.0015 per common share, expiring August 26, 2028.
- The Company's existing convertible bonds and warrants have been amended in accordance with the announcement on December 29, 2023.

The Company had urgent liquidity needs and secured the $2.5 million of equity financing, on the same terms previously disclosed on December 29, 2023, to provide short-term working capital to:

- Retain an independent E&P technical consultant in the United States. The consultant is currently evaluating field operations and future development plans.
- Appoint a Chief Restructuring Officer, including a team of restructuring professionals and financial advisor; and,
- Maintain the Company's LSE & CSE public listings while the Company works with the senior lender and professional advisors to determine the best path forward for all the Company's stakeholders.

The Company is also exploring ways to allow shareholders and other investors the chance to participate in an equity placing. The Company remains in a precarious financial situation with very limited liquidity. As previously announced, the forbearance agreement with the Senior Lender expires on February 29, 2024 and there can be no assurance that it will be extended or that the conditions of default will be remedied or waived.

UK - DTR & LR14

Following the issuance of the 1,312,232,633 common shares the Company will have a total of 2,656,603,131 common shares issued and outstanding. There are no common shares held in treasury and therefore the total number of voting rights in the Company from that date is 2,656,603,131. This figure may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the Financial Conduct Authority's Disclosure Guidance and Transparency Rules.

Applications will be made for the common shares to be admitted to the FCA's Official List and to trading on the London Stock Exchange's main market for listed securities within the next twelve months, in accordance with Listing Rule 14.3.4.

M.I. 61-101

The Company had also determined that the financing was a "related party transaction" pursuant to Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101") and is exempt from the formal valuation and minority approval requirements applicable to related party transactions defined under MI 61-101 pursuant to the financial hardship exemption under sections 5.5(g) and 5.7(1)(e) of MI 61-101.

The Company relied on the above exemptions on the basis that: (i) as described in the Company's announcements of December 20, 2023, December 29, 2023 and January 10, 2024 and January 12, 2024, the Company is in serious financial difficulty and without the financing, it would not have sufficient working capital for its present requirements, (ii) the financing was designed to improve the financial position of the Company, (iii) the transaction was not subject to court approval or court order, (iv) the Board and all independent directors, each of the foregoing acting in good faith, determined that (i) and (ii) above applied and that the terms of the financing were reasonable in the circumstances to the Company, and (v) as at the date hereof, and with the granting of certain exemptions by the Canadian Securities Exchange there is no other requirement to hold a meeting to obtain the approval of the shareholders of the Company for the financing.

(e) not directly or indirectly take any action that could reasonably be expected to or would interfere with, delay, impede, or postpone the transactions contemplated by the Restructuring or this Agreement;

(f) not file any application, motion, pleading, or other document with the US Bankruptcy Court, the CCAA Court, or any other court (including any modifications or amendments thereof) that, in whole or in part, is materially inconsistent with the Restructuring;

(g) not initiate, or have initiated on its behalf, any litigation or proceeding of any kind with respect to the CCAA Proceedings, the Chapter 15 Cases, this Agreement, or the Restructuring contemplated herein against the COPL Entities or the other Parties hereto, other than to enforce this Agreement or any Definitive Document; *provided, however*, for the

avoidance of doubt, as set forth above in this Section, the foregoing shall not affect any Consenting Lender's ability to take any action permitted under the DIP Term Sheet or in connection with the DIP Financing;

(h) not exercise, or direct any other person to exercise, any right or remedy for the enforcement, collection, or recovery of any Claims or interests in the COPL Entities, other than as set forth in this Agreement; *provided, however*, for the avoidance of doubt, as set forth above in this Section, the foregoing shall not affect any Consenting Lender's ability to take any action permitted under the DIP Term Sheet or in connection with the DIP Financing;

(i) not initiate, or have initiated on its behalf, not object to, delay, impede, or take any other action to interfere with the COPL Entities' ownership and possession of their assets, wherever located, or interfere with the stay imposed by the CCAA Court and the US Bankruptcy Court; *provided, however*, for the avoidance of doubt, as set forth above in this Section, the foregoing shall not affect any Consenting Lender's ability to take any action permitted under the DIP Term Sheet or in connection with the DIP Financing; and

(j) between the date hereof and the RSA Termination Date, provide prompt written notice to the other Parties, to the extent known by such Consenting Lender, as the case may be, of (i) the occurrence, or failure to occur, of any event of which the occurrence or failure to occur would be reasonably likely to cause (A) any representation or warranty of the Consenting Lenders contained in this Agreement to be untrue or inaccurate in any material respect, (B) any covenant of the Consenting Lenders contained in this Agreement not to be satisfied in any material respect, or (C) any condition precedent contained in the Stalking Horse Purchase Agreement, this Agreement, or a Definitive Document not to occur or become impossible to satisfy; or (ii) the receipt of written notice from any third party alleging that the consent of such party is or may be required as a condition precedent to consummation of the transactions contemplated by the Restructuring.

Notwithstanding the foregoing, nothing in this Agreement shall (i) be construed to prohibit any Consenting Lender from appearing as a party-in-interest in any matter to be adjudicated in the CCAA Proceedings or the Chapter 15 Cases, so long as, from the RSA Effective Date until the occurrence of the applicable RSA Termination Date, such appearance and the positions advocated in connection therewith are consistent with this Agreement and are not for the purpose of hindering, delaying, or preventing the consummation of the Restructuring; (ii) prevent any Consenting Lender from enforcing this Agreement or contesting whether any matter, fact, or thing is a breach of this Agreement; (iii) affect, modify, or change in any way any right of any Consenting Lender under the DIP Term Sheet and any related documents; (iv) except as otherwise expressly provided in this Agreement, be construed to limit any Consenting Lender's rights under any applicable credit agreement, including the DIP Term Sheet, other loan document, instrument, and/or applicable law; (v) affect the rights of any Consenting Lender to consult with the COPL Entities, the Credit Facility Agent, or any other creditor or stakeholder of the COPL Entities or any other party in interest in the CCAA Proceedings or the Chapter 15 Cases; *provided* that, without the written consent (which may be delivered via e-mail and shall not be unreasonably withheld) of the COPL Entities, the Consenting Lenders shall not consult with any party whom the COPL Entities have informed the Consenting Lenders has made an Alternative Restructuring Proposal (as defined below);

(vi) impair or waive the rights of any Consenting Lender to assert or raise any objection permitted under this Agreement in connection with any hearing in the CCAA Court or the US Bankruptcy Court or prevent any Consenting Lender from enforcing this Agreement against any Party; and (vii) prevent any Consenting Lender from taking any action that is required, or require any Consenting Lender to take any action that is prohibited, by applicable law or that would result in the waiver or foregoing of any applicable legal privilege; *provided*, *however*, that if any Consenting Lender proposes to take or refrain from taking any action that is otherwise inconsistent with this Agreement to comply with applicable law or maintain a legal privilege, such Consenting Lender shall provide advance notice to the other Parties at that time if permitted by applicable law; *provided*, *further*, that, as of the date hereof, each Consenting Lender represents and warrants to each other Party that such Consenting Lender is unaware of any such action; (ix) waive or forego the benefit of any applicable legal privilege based on advice of counsel; or (x) except as otherwise provided in, or envisioned by, this Agreement, require the Consenting Lenders or the Credit Facility Agent to incur any expenses, liabilities, or other obligations, or to agree to any commitments, undertakings, concessions, indemnities, or other arrangements that could result in expenses, liabilities, or other obligations.

(b) each of the COPL Entities agrees to use commercially reasonable efforts to cure, vacate, reverse, set aside, or have overruled any ruling or order of the CCAA Court, the US Bankruptcy Court, any regulatory authority, or any other court of competent jurisdiction (including any appellate court) enjoining or rendering impossible the consummation or substantial consummation of the Restructuring;

(c) each of the COPL Entities agrees to provide prompt written notice to the other Parties between the date hereof and the RSA Termination Date of (i) the occurrence, or failure to occur, of any event of which the occurrence or failure to occur would be reasonably likely to cause (x) any representation or warranty of the COPL Entities contained in this Agreement to be untrue or inaccurate in any material respect, (y) any covenant of the COPL

Entities contained in this Agreement not to be satisfied in any material respect, or (z) any condition precedent contained in the Stalking Horse Purchase Agreement, this Agreement, or a Definitive Document not to occur or become impossible to satisfy; (ii) receipt of any written notice from any third party alleging that the consent of such party is or may be required as a condition precedent to consummation of the transactions contemplated by the Restructuring; (iii) receipt of any written notice from any governmental body that is material to the consummation of the transactions contemplated by the Restructuring; and (iv) to the extent involving the Company, any material governmental or third party complaints, litigations, investigations, or hearings (or communications indicating that the same is contemplated or threatened);

(e) the COPL Entities shall pay the reasonable and documented fees and expenses of the Consenting Lenders and the Credit Facility Agent incurred in connection with the Restructuring, including, without limitation, the reasonable and documented fees and expenses of such parties' legal and other advisors, as and when they come due after receipt of applicable invoices and in accordance with the arrangements in place as of the date of this Agreement (including, for the avoidance of doubt, the DIP Term Sheet and the Credit Agreement);

(f) the COPL Entities shall (i) operate the business of the COPL Entities in the ordinary course in a manner that is consistent with this Agreement, and use commercially reasonable efforts to preserve intact the COPL Entities' business organization and relationships with third parties and its employees (which shall not prohibit the COPL Entities from taking actions outside of the ordinary course of business to the extent authorized by the CCAA Court and the US Bankruptcy Court, as applicable); (ii) keep the Consenting Lenders informed about the operations of the COPL Entities; and (iii) provide the Consenting Lenders with any material information reasonably requested regarding the COPL Entities and provide, and direct the Company's employees, officers, advisors, and other representatives to provide, to the Consenting Lenders' legal, financial, and other advisors, (x) reasonable access during normal business hours to the Company's books, records, and facilities, and (y) reasonable access to the management and advisors of the Company for the purposes of evaluating the Company's assets, liabilities, operations, businesses, finances, strategies, prospects, and affairs (on a confidential basis in each case);

before such documents are to be filed with the CCAA Court and/or the US Bankruptcy Court or as soon as practicable thereafter; *provided* that each such pleading or document shall be acceptable to the Required Consenting Lenders, acting reasonably, and consistent with, and shall otherwise contain, the terms and conditions set forth in this Agreement (including the consent rights of any Party, as may be applicable, set forth herein as to the form and substance of such pleading or document), and (iii) without limiting any approval rights set forth herein, consult in good faith with the advisors to the Required Consenting Lenders and Credit Facility Agent regarding the form and substance and timing of service and filing of any of the foregoing documents[2] in advance of the filing, execution, distribution, or use (as applicable) thereof;

(h) the COPL Entities agree to file timely a formal objection to any application or motion filed with the CCAA Court or the US Bankruptcy Court, as applicable, which seeks an order that would undermine the Restructuring or any relief sought in connection therewith; and

[2] For the avoidance of doubt, the documents to be provided do not include certificates of service and notices of appearance.

8. **Termination**.

(viii) the issuance by any governmental authority, including the CCAA Court or the US Bankruptcy Court, any regulatory authority, or any other court of competent jurisdiction, of any ruling or order enjoining or otherwise impeding the substantial consummation of the Restructuring on the terms and conditions set forth in this Agreement; *provided, however*, that the Required Consenting Lenders shall not have the right to terminate under this clause if the COPL Entities are using commercially reasonable efforts to cure, vacate, reserve, set aside, or have overruled as quickly as possible such ruling or order to obtain relief that would allow consummation of the Restructuring in a manner that (x) does not prevent or diminish in a material way compliance with the terms of this Agreement and (y) is reasonably acceptable to the Required Consenting Lenders;

(ix) either (a) the COPL Entities request or (b) the CCAA Court approves any amendments or modifications to the SISP Order that are not acceptable to the Required Consenting Lenders, acting reasonably;

(xiv) an order is entered by the CCAA Court or the US Bankruptcy Court authorizing any party to proceed against any material asset of any of the COPL Entities or any assets that would materially and adversely affect the COPL Entities' ability to operate their business in the ordinary course or ability to implement the transactions contemplated in this Agreement;

(xv) a failure by the COPL Entities to pay the fees and expenses of the Consenting Lenders, including but not limited to the Consenting Lenders' legal, financial, and any other advisors, as and when due pursuant to the terms of this Agreement, any applicable engagement letters and any applicable orders of the CCAA Court or the US Bankruptcy Court;

(xvi) the entry of an order by any court of competent jurisdiction granting the relief sought in an involuntary proceeding against any entity constituting the COPL Entities seeking bankruptcy, winding up, dissolution, liquidation, administration, moratorium, reorganization, or other relief in respect of any entity comprising the COPL Entities or the COPL Entities' debts, or of a substantial part of the COPL Entities' assets, under any federal, state, or foreign bankruptcy, insolvency, administrative, receivership, or similar law now or hereafter in effect (provided that such involuntary proceeding is not dismissed within a period of thirty (30) days after the filing thereof);

(i) a material breach by of one or more Consenting Lenders of any representation, warranty, or covenant set forth in this Agreement that (to the extent curable) remains uncured for a period of ten (10) days after the receipt by the applicable Consenting Lenders of written notice detailing such breach that results in the nonbreaching Consenting Lenders holding less than 50.1% of the outstanding Claims;

(ii) the failure to meet any of the Milestones in Section 4 unless (x) such failure is the result of any act, omission, or delay on the part of the COPL Entities or (y) such Milestone is extended in accordance with Section 4;

(iii) the determination, upon the advice of outside legal counsel and financial advisors, by the board of directors, board of managers, or such similar governing body of any COPL Entity, that proceeding with the Restructuring would be inconsistent with the exercise of its fiduciary duties or applicable law; *provided* that the COPL Entities shall not have the right to terminate this Agreement under this Section 8(b)(iii) if either (x) no Qualified Bids, other than the Stalking Horse Transaction, are received by the Qualified Bid Deadline (as such terms are defined in the SISP) or (y) the Stalking Horse Transaction is declared the Successful Bid (as such terms are defined in the SISP);

(v) any other Party terminates its obligations under this Agreement and such termination either (A) renders the Restructuring incapable of consummation or (B) materially changes the overall economic terms of the Restructuring in a manner that is adverse to the COPL Entities.

(c) Mutual Termination/Automatic Termination. This Agreement and the obligations of the Parties hereunder may be terminated by mutual written agreement by the COPL Entities and the Required Consenting Lenders. [3] "**Final Order**" means any order or judgment of the CCAA Court or the US Bankruptcy Court, or any other court of competent jurisdiction, with respect to the subject matter addressed in the CCAA Proceedings or the Chapter 15 Cases or the docket of any court of competent jurisdiction, that has not been vacated, set aside, reversed, stayed, modified or amended, and as to which the applicable periods to appeal, or seek certiorari or move for a new trial, reargument, or rehearing has expired and no appeal, leave to appeal, or petition for certiorari or other proceedings for a new trial, reargument, or rehearing has been timely taken or filed, or as to which any appeal has been taken or any petition for certiorari or leave to appeal that has been timely filed has been withdrawn or resolved in a manner acceptable to the COPL Entities and the Consenting Lenders, each acting reasonably, by the highest court to which the order or judgment was appealed or from which leave to appeal or certiorari was sought or the new trial, reargument, or rehearing shall have been denied, resulted in no modification of such order or has otherwise been dismissed with prejudice; *provided, however*, that the possibility that a motion under Rule 60 of the United States Federal Rules of Civil Procedure, or any analogous rule under the United States Federal Rules of Bankruptcy Procedures, may be filed relating to such order shall not cause such order to not be a Final Order.

(d) Termination Generally. The earliest date on which termination of this Agreement as to a Party is effective in accordance with this Section 8 shall be referred to, with respect to such Party, as an "**RSA Termination Date**." Upon the occurrence of an RSA Termination Date, the applicable Party's obligations (as set forth herein) under this Agreement shall be terminated effective immediately, and such Parties or Party hereto shall be released from all commitments, undertakings, and agreements hereunder; *provided* that any claim for breach of this Agreement that occurs prior to such RSA Termination Date shall survive such termination, and all rights and remedies with respect to such claims shall not be prejudiced in any way. For the avoidance of doubt, the automatic stay arising pursuant to Bankruptcy Code section 362 or the stay of proceedings provided for in the CCAA Proceedings or in other applicable Canadian laws shall be deemed waived or modified for purposes of providing notice or exercising rights hereunder.

9. **Transfers**.

(a) Each of the Parties other than the COPL Entities (the "**Supporting Creditors**"), solely with respect to itself (as expressly identified and limited on its signature page to this Agreement or Joinder Agreement (as defined below), as applicable), shall not sell, transfer, assign, pledge, hypothecate, participate, donate, or otherwise encumber or dispose of, directly or indirectly (including through derivatives, options, swaps, pledges, forward sales, or other transactions in which any Person receives the right to own or acquire any current or future interest in) (each, a "**Transfer**"), or permit a Transfer of, directly or indirectly, in whole or in part, any of its Claims or, in each case, any option thereon or any right or interest therein or any other claims against the Company (including grant any proxies, deposit any Claims into a voting trust, or enter into a voting agreement with respect to any such Claims), unless the transferee thereof either (i) is a Supporting Creditor or (ii) before or contemporaneously with such Transfer, agrees in writing for the benefit of the Parties to become a Party and to be bound by all of the terms of this Agreement applicable to the Supporting Creditor who is a transferor (such Supporting Creditor, the "**Transferor**"), by executing a joinder agreement substantially in the form attached hereto as **Exhibit D** (a "**Joinder Agreement**"), and delivering an executed copy thereof within two (2) business days after such Transfer to the Parties set forth in Section 21 of this Agreement (collectively, the "**Transfer Notice Parties**"), in which event (x) the transferee shall be deemed to be a Party in the same manner as the Transferor to the extent of such transferred rights and obligations and (y) the Transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of such transferred rights and obligations; *provided*, that, failure to deliver such Joinder Agreement on a timely basis shall not by itself affect the applicable Transferor's or transferee's obligations under this Agreement with respect to such Claims or render the Transfer *void ab initio* with respect to such Claims; *provided*, that the failure by the Transferor to comply with the procedures set forth in this Section 9(a) with respect to a Transfer to any entity that, as of the date of such Transfer controls, is controlled by, or is under common control with the Transferor shall not, without more, constitute a breach of this Agreement if (i) the transferee provides notice of such Transfer to the Transfer Notice Parties (which may be delivered by email) promptly after such Transfer and (ii) the transferee shall be bound by all terms of this Agreement applicable to the Transferor, and deemed to be a Consenting Lender. Each of the Consenting Lenders agrees that any Transfer of any Claims that does not comply with the terms and procedures set forth herein shall be deemed *void ab initio*, and the COPL Entities shall have the right to enforce the voiding of

such Transfer. This Agreement shall in no way be construed to preclude any of the Supporting Creditors from acquiring additional Claims against the COPL Entities; *provided* that (i) any such additional Claims automatically shall be subject to all of the terms of this Agreement and (ii) such Supporting Creditor agrees (A) that such additional Claims shall be subject to this Agreement (except as expressly provided below), and (B) to notify the Transfer Notice Parties within three (3) business days following such acquisition of the aggregate amount.

10. **Definitive Documents; Good Faith Cooperation; Further Assurances**.

Each Party hereby covenants and agrees to cooperate with each other in good faith in connection with, and shall exercise commercially reasonable efforts with respect to, the pursuit, approval, implementation, and consummation of the transactions contemplated by this Agreement and the Restructuring as well as the negotiation, drafting, execution, and delivery of the Definitive Documents. Furthermore, subject to the terms hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Parties to carry out the purposes and intent of this Agreement and shall refrain from taking any action that would frustrate the purposes and intent of this Agreement subject in each case to the terms and conditions of the applicable agreements.

11. **Representations and Warranties**.

(a) Each of the Parties (severally, and not jointly and severally) represents and warrants to each other Party that the following statements are true, correct, and complete as of the date hereof (or, if later, the date that such Party first became or becomes a Party):

(i) it is validly existing and in good standing under the laws of the state or province of its incorporation or organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, or other similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(ii) except as expressly provided in this Agreement or otherwise required by the CCAA or the Bankruptcy Code, no material consent or approval of, or any registration or filing with, any governmental authority or regulatory body is required for it to carry out and perform its obligations under this Agreement;

(iii) it has all requisite organizational power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its obligations under, this Agreement;

(iv) the execution and delivery by it of this Agreement, and the performance of its obligations hereunder, have been duly authorized by all necessary organizational action on its part;

(v) it has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement; and

(vi) the execution, delivery, and performance by such Party of this Agreement does not and will not (x) violate any provision of law, rule, or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar governing documents) or those of any of its subsidiaries, (y) except as the Restructuring may constitute a "Change of Control" (as may be defined in the applicable loan documents) or any equivalent concept under the applicable loan documents, conflict with, result in a breach of, or constitute (with or without notice or lapse of time or both) a default under any material debt for borrowed money to which it or any of its subsidiaries is a party, or (z) violate any order, writ, injunction, decree, statute, rule, or regulation.

(b) Each Consenting Lender (severally, and not jointly and severally) represents and warrants to the COPL Entities that, as of the date hereof (or as of the date such Consenting Lender becomes a Party hereto), such Consenting Lender is the beneficial owner of its applicable Claims, has (x) sole investment or voting discretion with respect to such Consenting Lender's Claims, and (y) full power and authority to vote on and consent to matters concerning such Consenting Lender's Claims or to exchange, assign, and Transfer such Consenting Lender's Claims.

12. **Amendments**. Except as otherwise expressly set forth herein, this Agreement (including any Exhibits and Schedules and the Restructuring Term Sheet) may not be waived, modified, amended, or supplemented except in a writing signed by (x) the COPL Entities and (y) the Required Consenting Lenders; *provided* that any waiver, modification, amendment, or supplement that amends the rights or obligations, or adversely impacts the treatment or interests of, any Consenting Lender under or as contemplated by this Agreement (including the Exhibits and Schedules) or requires any Consenting Lender to incur any expenses, liabilities, or other obligations, or agree to any commitments, undertakings, concessions, indemnities, or other arrangements that could result in expenses, liabilities, or other obligations, shall require the consent of such Consenting Lender; *provided, further* that, if any Consenting Lender whose consent is required does not consent to such waiver, change, modification, or amendment (a "**Non-Supporting Creditor**"), this Agreement may be terminated by such Non-Supporting Creditor (as applicable to it) upon written notice to the other Parties, but this Agreement shall continue in full force and effect in respect to all other Parties whose consent is not required or whose consent is required and was provided.

13. **Governing Law; Jurisdiction; Waiver of Jury Trial**.

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the laws of the Province of Alberta and the federal laws of Canada applicable therein, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit, or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the Court of King's Bench of Alberta (the "**Alberta Court**") and each Party hereby irrevocably submits to the exclusive jurisdiction of the Alberta Court and, if the Alberta Court does not have (or abstains from) jurisdiction, Courts of Alberta, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement.

Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim, or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the Alberta Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and (iii) that (x) the proceeding in such court is brought in an inconvenient forum, (y) the venue of such proceeding is improper, or (z) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) **EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT, OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT, OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.**

14. **Specific Performance/Remedies**. The Parties understand and agree that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys' fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy. Each Party hereby waives any requirement for the security or posting of any bond in connection with such remedies.

15. **Survival**. Notwithstanding the termination of this Agreement pursuant to Section 8 hereof, Sections 8(c) and 13-17 shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; *provided*, that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination. For the avoidance of doubt, the termination of this Agreement shall not terminate or otherwise have any effect on the Mutual Release Agreement, which shall remain effective in accordance with its terms.

16. **Headings**. The headings of the sections, paragraphs, and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

17. **Successors and Assigns; Third Parties**. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators, and representatives. There are no third-party beneficiaries under

this Agreement and, except as set forth in Section 9, the rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other Person.

18. **Relationship Among Parties**. Notwithstanding anything herein to the contrary, the duties and obligations of the Supporting Creditors under this Agreement shall be several, not joint and several. None of the Supporting Creditors shall have any fiduciary duty, any duty of trust or confidence in any form, or other duties or responsibilities to each other, the COPL Entities, or any of the COPL Entities' creditors, stockholders, or other stakeholders, and there are no commitments among or between the Parties other than those set forth herein. It is understood and agreed that any Supporting Creditor may trade in any debt or equity securities of the COPL Entities without the consent of any other Party, subject to applicable securities laws and the terms of Section 9 of this Agreement. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this understanding and agreement. The Parties have no agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any equity securities of the COPL Entities and do not constitute a "group" within the meaning of Rule 13d-5 under the Securities Act of 1933, as amended. The COPL Entities understand that each of the Supporting Creditors are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, the COPL Entities acknowledge and agree that the obligations set forth in this Agreement (including Section 9 hereof) shall only apply to the trading desk(s) and/or business group(s) that principally manage and/or supervise such Supporting Creditor's investment in and relations with the COPL Entities and shall not apply to any other trading desk, business group, or affiliate of such Supporting Creditor so long as they are not acting at the direction or for the benefit of such Supporting Creditor and so long as confidentiality is maintained consistent with any applicable confidentiality agreement.

19. **Prior Negotiations; Entire Agreement**. This Agreement, including the Exhibits and Schedules (including the Restructuring Term Sheet), forbearance agreements among the Parties (or any of them), and the Mutual Release Agreement constitute the entire agreement of the Parties, and supersede all other prior negotiations, with respect to the subject matter hereof and thereof.

20. **Counterparts**. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement delivered by facsimile or PDF shall be deemed to be an original for the purposes of this paragraph.

23. **Severability**. If any provision of this Agreement, or the application of any such provision to any Person or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party.

25. **Reliance and Authority**.

(a) COPL Entities. With respect to any provision of this Agreement that requires or contemplates the approval, agreement, consent, or waiver of the COPL Entities, each Party shall be entitled to rely on written confirmation (including by e-mail) from counsel to the COPL Entities that the COPL Entities have approved, agreed, consent to, or waived a particular matter.

(b) Consenting Lenders. EXHIBIT A

SISP

Sale and Investment Solicitation Process

1. On March 18, 2024, the Alberta Court of King's Bench (the "**Court**") granted an order (the "**SISP Order**") that, among other things, (a) authorized the COPL Entities to implement a sale and investment solicitation process ("**SISP**") in accordance with the terms hereof, (b) approved the Support Agreement, (c) authorized and directed the COPL Entities to enter into the Stalking Horse Purchase Agreement, and (d) approved the Break-Up Fee. Capitalized terms that are not defined herein have the meanings ascribed thereto in the Amended & Restated Initial Order granted by the Court in the COPL Entities' proceedings under the *Companies' Creditors Arrangement Act* on March 18, 2024, as amended, restated or supplemented from time to time, or the SISP Order, as applicable.

2. This SISP sets out the manner in which (i) binding bids for executable transaction alternatives that are superior to the sale transaction to be provided for in the Stalking Horse Purchase Agreement involving the shares and/or the business and assets of the COPL Entities will be solicited from interested parties, (ii) any such bids received will be addressed, (iii) any Successful Bid (as defined below) will be selected, and (iv) Court approval of any Successful Bid will be sought. Such transaction alternatives may include, among other things, a sale of some or all of the COPL Entities' shares, assets and/or business and/or an investment in the COPL Entities, each of which shall be subject to all terms set forth in this SISP.

3. The SISP shall be conducted by the COPL Entities under the oversight of KSV Restructuring Inc., in its capacity as court-appointed monitor (the "**Monitor**").

4. Parties who wish to have their bids considered shall participate in the SISP in accordance with the terms herein.

5. The SISP will be conducted such that the COPL Entities will (under the oversight of the Monitor):

    a) prepare marketing materials and a process letter;
    b) prepare and provide applicable parties with access to a data room containing diligence information;
    c) solicit interest from parties to enter into non-disclosure agreements (parties shall only obtain access to the data room and be permitted to participate in the SISP if they execute a non-disclosure agreement that is in form and substance satisfactory to the COPL Entities); and
    d) request that such parties (other than the Stalking Horse Bidder or its designee) submit (i) a letter of intent to bid that identifies the potential bidder (which, for the avoidance of doubt, may be a purchaser or an investor) and a general description of the assets and/or business(es) of the COPL Entities that would be the subject of the bid and that reflects a reasonable prospect of culminating in a Qualified Bid (as defined below), as determined by the COPL Entities in consultation with the Monitor and the Consenting Lenders (as defined in the Support Agreement) (a "**LOI**") by the LOI Deadline (as defined below) and, if applicable, (ii) a binding

offer meeting at least the requirements set forth in Section 7 below, as determined by the COPL Entities in consultation with the Monitor (a "**Qualified Bid**") by the Qualified Bid Deadline (as defined below).

6. The SISP shall be conducted subject to the terms hereof and the following key milestones:

    a) Court approval of SISP and authorizing the applicable COPL Entities to enter into the Stalking Horse Purchase Agreement, and commencement by COPL Entities of solicitation process – March 18, 2024;
    b) Deadline to submit LOI – 11:59 p.m. Mountain Time on April 17, 2024 (the "**LOI Deadline**");
    c) Deadline to submit a Qualified Bid – 11:59 p.m. Mountain Time on May 2, 2024 (the "**Qualified Bid Deadline**");
    d) Deadline to determine whether a bid is a Qualified Bid and, if applicable, to notify those parties who submitted a Qualified Bid of the Auction (as defined below) – 5:00 p.m. Mountain Time on May 3, 2024;
    e) The COPL Entities to hold Auction (if applicable) – 10:00 a.m. Mountain Time on May 4, 2024; and
    f) Implementation Order (as defined below) hearing:
        - (if no LOI is submitted) – by no later than 9 days after the LOI Deadline subject to Court availability.
        - (if there is no Auction) – by no later than 9 days after the Qualified Bid Deadline, subject to Court availability.
        - (if there is an Auction) – by no later than 9 days after completion of the Auction, subject to Court availability.

7. In order to constitute a Qualified Bid, a bid must comply with the following:

    a. it provides for (i) the payment in full in cash on closing of the DIP Financing (as defined in the Support Agreement), the Expense Reimbursement, and the Break-up Fee, plus cash consideration equal to at least $250,000; (ii) payment in full in cash of all amounts outstanding under the Credit Agreement, unless otherwise agree to by the lenders thereunder in their sole discretion; (iii) the payment in full in cash on closing of any claims ranking in priority to the foregoing, including any claims secured by Court-ordered charges, unless otherwise agreed to by the applicable holders thereof in their sole discretion (the proposal set out above, a "**Superior Proposal**");
    b. it provides a detailed sources and uses schedule that identifies, with specificity, the amount of cash consideration (the "**Cash Consideration Value**") and any assumptions that could reduce the net consideration payable;

c. it is reasonably capable of being consummated within 30 days after completion of the Auction if selected as the Successful Bid;
d. it contains:
    i. duly executed binding transaction document(s);
    ii. the legal name and identity (including jurisdiction of existence) and contact information of the bidder, full disclosure of its direct and indirect principals, and the name(s) of its controlling equityholder(s);
    iii. a redline to the Stalking Horse Purchase Agreement, unless the bid is in the form of a plan of arrangement, in which case copies of the plan of arrangement and all documentation that is contemplated to be executed in connection therewith shall be provided;
    iv. evidence of authorization and approval from the bidder's board of directors (or comparable governing body) and, if necessary to complete the transaction, the bidder's equityholder(s);
    v. disclosure of any connections or agreements with the COPL Entities or any of its affiliates, any known, potential, prospective bidder, or any officer, manager, director, or known equity security holder of the COPL Entities or any of its affiliates; and
    vi. such other information reasonably requested by the COPL Entities or the Monitor;
e. it includes a letter stating that the bid is submitted in good faith, is binding and is irrevocable until the selection of the Successful Bid; provided, however, that if such bid is selected as the Successful Bid, it shall remain irrevocable until the closing of the Successful Bid;
f. it provides written evidence of a bidder's ability to fully fund and consummate the transaction and satisfy its obligations under the transaction documents, including binding equity/debt commitment letters and/or guarantees covering the full value of all cash consideration and the additional items (in scope and amount) covered by the guarantees provided by affiliates of the Purchaser in connection with the Stalking Horse Purchase Agreement;
g. it does not include any request for or entitlement to any break fee, expense reimbursement or similar type of payment;
h. it is not conditional upon:
    i. approval from the bidder's board of directors (or comparable governing body) or equityholder(s);
    ii. the outcome of any due diligence by the bidder; or
    iii. the bidder obtaining financing;
i. it includes an acknowledgment and representation that the bidder has had an opportunity to conduct any and all required due diligence prior to making its bid;
j. it specifies any regulatory or other third-party approvals the party anticipates would be required to complete the transaction (including the anticipated timing necessary to obtain such approvals);
k. it includes full details of the bidder's intended treatment of the COPL Entities' employees under the proposed bid;
l. it is accompanied by a cash deposit (the "**Deposit**") by wire transfer of immediately available funds equal to 10% of the Cash Consideration Value, which Deposit shall

be retained by the Monitor in a non-interest bearing trust account in accordance with this SISP;

m. a statement that the bidder will bear its own costs and expenses (including legal and advisor fees) in connection with the proposed transaction, and by submitting its bid is agreeing to refrain from and waive any assertion or request for reimbursement on any basis; and

n. it is received by the Qualified Bid Deadline.

8. The COPL Entities, in consultation with the Monitor, may waive compliance with any one or more of the requirements specified in Section 7 above and deem a non-compliant bid to be a Qualified Bid, provided that the COPL Entities shall not waive compliance with the requirements specified in Subsections 7(a), (b), (d), (e), (f), (g), (i) or (l) without the prior written consent of the Stalking Horse Bidder and Consenting Lenders.

9. Notwithstanding the requirements specified in Section 7 above, the transaction contemplated by the Stalking Horse Purchase Agreement (the "**Stalking Horse Transaction**"), is deemed to be a Qualified Bid, provided that, for greater certainty, no Deposit shall be required to be submitted in connection with the Stalking Horse Transaction.

10. If one or more Qualified Bids (other than the Stalking Horse Transaction) has been received by the COPL Entities on or before the Qualified Bid Deadline, the COPL Entities may proceed with an auction process to determine the successful bid(s) (the "**Auction**"), which Auction shall be administered in accordance with Schedule "A" hereto. The successful bid(s) selected within the Auction shall constitute the "**Successful Bid**". Forthwith upon determining to proceed with an Auction, the COPL Entities shall provide written notice to each party that submitted a Qualified Bid (including the Stalking Horse Transaction), along with copies of all Qualified Bids and a statement by the COPL Entities specifying which Qualified Bid is the leading bid.

11. If, by the LOI Deadline no LOI has been received, then the SISP shall be deemed to be terminated and the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the Support Agreement and the Stalking Horse Purchase Agreement. If no Qualified Bid (other than the Stalking Horse Transaction) has been received by the COPL Entities on or before the Qualified Bid Deadline, then the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the Support Agreement and the Stalking Horse Purchase Agreement.

12. Following selection of a Successful Bid, the COPL Entities, with the assistance of its advisors, shall seek to finalize any remaining necessary definitive agreement(s) with respect to the Successful Bid in accordance with the key milestones set out in Section 6. Once the necessary definitive agreement(s) with respect to a Successful Bid have been finalized, as determined by the COPL Entities, in consultation with the Monitor, the COPL Entities shall apply to the Court for an order or orders approving such Successful Bid and/or the mechanics to authorize the COPL Entities to complete the transactions contemplated

thereby, as applicable, and authorizing the COPL Entities to (i) enter into any and all necessary agreements and related documentation with respect to the Successful Bid, (ii) undertake such other actions as may be necessary to give effect to such Successful Bid, and (iii) implement the transaction(s) contemplated in such Successful Bid (each, an "**Implementation Order**").

13. All Deposits shall be retained by the Monitor in a non-interest bearing trust account. If a Successful Bid is selected and an Implementation Order authorizing the consummation of the transaction contemplated thereunder is granted, any Deposit paid in connection with such Successful Bid will be non-refundable and shall, upon closing of the transaction contemplated by such Successful Bid, be applied to the cash consideration to be paid in connection with such Successful Bid or be dealt with as otherwise set out in the definitive agreement(s) entered into in connection with such Successful Bid. Any Deposit delivered with a Qualified Bid that is not selected as a Successful Bid, will be returned to the applicable bidder as soon as reasonably practicable (but not later than ten (10) business days) after the date upon which the Successful Bid is approved pursuant to an Implementation Order or such earlier date as may be determined by the COPL Entities, in consultation with the Monitor.

14. The COPL Entities shall provide the Consenting Lenders with such information relating to the SISP as is required under the Support Agreement.

15. Any amendments to this SISP may only be made by: (a) the COPL Entities with the written consent of the Monitor and after consultation with the Consenting Lenders, provided that the COPL Entities shall not amend Subsections 7(a), (b), (d), (e), (f), (g), (i) or (l) or Section 13 without the prior written consent of the Stalking Horse Bidder and the Consenting Lenders.

SCHEDULE "A": AUCTION PROCEDURES

1. **Auction.** If the COPL Entities receive at least one Qualified Bid (other than the Stalking Horse Transaction), the COPL Entities will conduct and administer the Auction in accordance with the terms of the SISP. Instructions to participate in the Auction, which will take place via video conferencing, will be provided to Qualified Parties (as defined below) not less than 24 hours prior to the Auction.

2. **Participation.** Only parties that provided a Qualified Bid by the Qualified Bid Deadline, including the Stalking Horse Transaction (collectively, the "**Qualified Parties**"), shall be eligible to participate in the Auction. No later than 5:00 p.m. Mountain Time on the day prior to the Auction, each Qualified Party (other than the Stalking Horse Bidder) must inform the COPL Entities whether it intends to participate in the Auction. The COPL Entities will promptly thereafter inform in writing each Qualified Party who has expressed its intent to participate in the Auction of the identity of all other Qualified Parties that have indicated their intent to participate in the Auction. If no Qualified Party provides such expression of intent, the Stalking Horse Transaction shall be the Successful Bid.

3. **Auction Procedures.** The Auction shall be governed by the following procedures:

a. **Attendance.** Only the COPL Entities, the Qualified Parties, the Monitor and each of their respective advisors will be entitled to attend the Auction, and only the Qualified Parties will be entitled to make any subsequent Overbids (as defined below) at the Auction;

b. **Minimum Overbid.** The Auction shall begin with the Qualified Bid that represents the highest or otherwise best Qualified Bid as determined by the COPL Entities, in consultation with the Monitor (the "**Initial Bid**"), and any bid made at the Auction by a Qualified Party subsequent to the COPL Entities' announcement of the Initial Bid (each, an "**Overbid**"), must proceed in minimum additional cash increments of $250,000;

c. **Bidding Disclosure.** The Auction shall be conducted such that all bids will be made and received in one group video-conference, on an open basis, and all Qualified Parties will be entitled to be present for all bidding with the understanding that the true identity of each Qualified Party will be fully disclosed to all other Qualified Parties and that all material terms of each subsequent bid will be fully disclosed to all other Qualified Parties throughout the entire Auction; provided, however, that the COPL Entities, in their discretion, may establish separate video conference rooms to permit interim discussions between the COPL Entities and individual Qualified Parties with the understanding that all formal bids will be delivered in one group video conference, on an open basis;

d. **Bidding Conclusion.** The Auction shall continue in one or more rounds and will conclude after each participating Qualified Party has had the

opportunity to submit one or more additional bids with full knowledge and written confirmation of the then-existing highest bid(s); and

e. **No Post-Auction Bids**. No bids will be considered for any purpose after the Auction has concluded.

4. Selection. Before the conclusion of the Auction, the COPL Entities, in consultation with the Monitor, will: (a) review each Qualified Bid, considering the factors set out in Section 7 of the SISP and, among other things, (i) the amount of consideration being offered and, if applicable, the proposed form, composition and allocation of same, (ii) the value of any assumption of liabilities or waiver of liabilities not otherwise accounted for in prong (i) above; (iii) the likelihood of the Qualified Party's ability to close a transaction by thirty (30) days after completion of the Auction and the timing thereof (including factors such as the transaction structure and execution risk, including conditions to, timing of, and certainty of closing; termination provisions; availability of financing and financial wherewithal to meet all commitments; and required governmental or other approvals), (iv) the likelihood of the Court's approval of the Successful Bid, and (v) any other factors the COPL Entities may, consistent with its fiduciary duties, reasonably deem relevant; and (b) identify the highest or otherwise best bid received at the Auction (the "**Successful Bid**" and the Qualified Party making such bid, the "**Successful Party**").

5. Acknowledgement. The Successful Party shall complete and execute all agreements, contracts, instruments or other documents evidencing and containing the terms and conditions upon which the Successful Bid was made within one business day of the Successful Bid being selected as such, unless extended by the COPL Entities in their sole discretion, subject to the milestones set forth in Section 6 of the SISP.

16. **DIP BUDGET AND VARIANCE REPORTING:** Attached hereto as Schedule "B" is a copy of the agreed summary DIP Budget (excluding the supporting documentation provided to the Interim Lender in connection therewith) as in effect on the date hereof (the "**Initial DIP Budget**"), which the Interim Lender acknowledges and agrees is in form and substance satisfactory to the Interim Lender. Such DIP Budget

shall be the DIP Budget referenced in this Term Sheet unless and until such time as a revised DIP Budget has been approved by the Interim Lender and the Monitor in accordance with this Section 16.

Every month, and also upon (A) the election of the Borrower, or (B) a material change, or a material change reasonably anticipated by the Borrower, to any item set forth in the DIP Budget, the Borrower shall update and propose a revised 13-week DIP Budget to the Interim Lender (the "**Updated DIP Budget**"). Such Updated DIP Budget shall have been reviewed and approved by the Monitor, prior to submission to the Interim Lender. If the Interim Lender, in its reasonable discretion, determines that the Updated DIP Budget is not acceptable, it shall, within three (3) Business Days of receipt thereof, provide written notice to the Borrower and the Monitor stating that the Updated DIP Budget is not acceptable, and until the Borrower has delivered a revised Updated DIP Budget acceptable to the Interim Lender, in its reasonable discretion, the prior DIP Budget shall remain in effect.

At any time, the Updated DIP Budget is accepted by the Interim Lender, such Updated Budget shall be the DIP Budget for the purpose of this Term Sheet.

On or before 3:00 p.m. Eastern Time on the Friday of every second week, (provided that such day is a Business Day and, if not, on the next Business Day) the Borrower shall deliver to the Monitor and the Interim Agent and its legal and financial advisors a variance calculation (the "**Variance Report**") setting forth actual receipts and disbursements for the preceding two-weeks (each a "**Testing Period**") as against the then-current DIP Budget, and setting forth all the variances, on a line item and aggregate basis in comparison to the amounts set forth in respect thereof for such Testing Period in the DIP Budget; each such Variance Report to be promptly discussed with the Interim Lender and its legal and financial advisors, if so requested. Each Variance Report shall include reasonably detailed explanations for any material variances during the relevant Testing Period.

17. **EVIDENCE OF INDEBTEDNESS:** The Interim Agent's accounts and records constitute, in the absence of manifest error, *prima facie* evidence of the indebtedness of the Borrower to the Interim Lender pursuant to the Interim Facility.

18. **INTEREST RATE:** Interest shall be payable on the Facility Amount at a rate equal to the SOFR rate then in effect on such day plus 5% *per annum*, compounded monthly and payable monthly in arrears in cash on the last Business Day of each month, with the first such payment being made on April 1, 2024. Upon the occurrence and during the continuation of an Event of Default, all overdue amounts shall bear interest at the applicable interest rate plus 2% *per annum* payable on demand in arrears in cash. All interest shall be computed on the basis of a 360-day year of twelve 30-day months, provided that, whenever any interest is calculated on the basis of a period of time other than a calendar year, the annual rate of interest to which each rate of interest determined pursuant to such calculation is equivalent for the purposes of the

Interest Act (Canada) is such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days used in the basis for such determination.

The parties shall comply with the following provisions to ensure that the receipt by the Interim Lender of any payments under this Term Sheet does not result in a breach of section 347 of the *Criminal Code* (Canada):

(a) If any provision of this Term Sheet would obligate the Credit Parties to make any payment to the Interim Lender of an amount that constitutes "interest", as such term is defined in the *Criminal Code* (Canada) and referred to in this section as "**Criminal Code Interest**", during any one-year period after the date of the funding of the Facility Amount in an amount or calculated at a rate which would result in the receipt by the Interim Lender of Criminal Code Interest at a criminal rate (as defined in the *Criminal Code* (Canada) and referred to in this section as a "**Criminal Rate**"), then, notwithstanding such provision, that amount or rate during such one-year period shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not result in the receipt by the Interim Lender during such one-year period of Criminal Code Interest at a Criminal Rate, and the adjustment shall be effected, to the extent necessary, as follows:

(i) *first*, by reducing the amount or rate of interest required to be paid to the Interim Lender during such one-year period; and

(ii) *thereafter*, by reducing any other amounts (other than costs and expenses) (if any) required to be paid to the Interim Lender during such one-year period which would constitute Criminal Code Interest.

(b) Any amount or rate of Criminal Code Interest referred to in this section shall be calculated and determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that any portion of the Interim Facility remains outstanding on the assumption that any charges, fees or expenses that constitute Criminal Code Interest shall be *pro-rated* over the period commencing on the date of the advance of the Facility Amount and ending on the relevant Maturity Date (as may be extended by the Interim Lender from time to time under this Term Sheet) and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Interim Lender shall be conclusive for the purposes of such calculation and determination.

19. **COMMITMENT FEE:** The Agent shall receive a commitment fee in the amount of 0.75% of its commitments under the Interim Facility, payable in full in cash on the date of the initial Advance; provided, that such commitment fee may be

structured as original issue discount and for the avoidance of doubt, may be net funded out of the initial Advance to account therefor.

20. **EXIT FEE** When the Interim Facility is fully repaid and terminated, whether on the Maturity Date or otherwise, the Borrower shall pay to Interim Lender an amount equal to 0.75% of the Interim Lender's original commitments immediately prior to the initial funding on the date of the first Advance as an exit fee (the "**Exit Fee**"), earned upon acceptance by the Borrower of this Term Sheet.

21. **CURRENCY:** Unless otherwise stated, all monetary denominations shall be in lawful currency of the United States of America and all payments made by the Credit Parties under this Term Sheet shall be in United States dollars. If any payment is received by the Interim Agent hereunder in a currency other than United States dollars, or, if for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in any currency (the "**Original Currency**") into another currency (the "**Other Currency**"), the parties hereby agree, to the fullest extent permitted by Applicable Law, that the rate of exchange used shall be the rate at which the Interim Agent is able to purchase the Original Currency with the Other Currency after any premium and costs of exchange on the Business Day preceding that on which such payment is made or final judgment is given.

22. **MANDATORY REPAYMENTS:** Unless otherwise consented to in writing by the Interim Lender, the Interim Facility shall be promptly (in any case, within three (3) Business Days) repaid and the Facility Amount shall be permanently reduced (i) upon a sale, realization or disposition of or with respect to any assets or property of the Credit Parties or any of its subsidiaries (including obsolete, excess or worn-out Collateral) out of the ordinary course of business, including any sale or disposition of working capital assets, equipment, machinery and other operating or fixed assets and realizations of accounts receivable in an amount equal to the net cash proceeds of such sale, realization or disposition, (ii) upon receipt of any cash payments or proceeds under any casualty insurance policies in respect of any covered loss thereunder or as a result of taking of any assets of any Credit Party pursuant to the power of eminent domain, condemnation or otherwise, in an amount equal to the net cash proceeds of such event, (iii) upon receipt of any proceeds of non-permitted indebtedness, in an amount equal to the of such indebtedness, and (iv) upon receipt of any proceeds from an equity issuance, in an amount equal to the of such equity issuance. Any amount so repaid may not be reborrowed.

All payments by the Borrower and any other Credit Parties under this Term Sheet to the Interim Agent or the Interim Lender, including any payments required to be made from and after the exercise of any remedies available to the Interim Lender upon an Event of Default, shall be made free and clear of, and without reduction for or on account of, any present or future taxes, levies, imposts, duties, charges, fees, deductions or withholdings of any kind or nature whatsoever or any interest or penalties payable with respect thereto now or in the future imposed, levied, collected, withheld or assessed by any Governmental Authority country or any political subdivision of any country (collectively "**Taxes**"); provided, however, that if any Taxes are required by Applicable Law to be withheld ("**Withholding Taxes**") from any amount payable to an Interim Lender under this Term Sheet, the amount so payable to such Interim Lender shall be increased by an amount necessary to yield to such Interim Lender on a net basis after payment of all Withholding Taxes, the amount payable under this Term Sheet at the rate or in the amount specified herein and the Borrower shall provide evidence satisfactory to such Interim Lender that the Taxes have been so withheld and remitted.

If the Credit Parties pay an additional amount to an Interim Lender to account for any deduction or withholding, such Interim Lender shall, at the sole cost and expense of the Credit Parties, reasonably cooperate with the applicable Credit Parties to obtain a refund of the amounts so withheld and paid to such Interim Lender. Any refund of an additional amount so received by an Interim Lender, without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund which the Interim Lender determines in its sole discretion will leave it, after such payment, in no better or worse position than it would have been if no additional amounts had been paid to it), net of all out of pocket expenses of such Interim Lender, shall be paid over by such Interim Lender to the applicable Credit Parties promptly. If reasonably requested by the Credit Parties, the Interim Lender shall apply to the relevant Governmental Authority to obtain a waiver from such withholding requirement, and the Interim Lender shall reasonably cooperate, at the sole cost and expense of the Credit Parties, with the applicable Credit Parties and assist such Credit Parties to minimize the amount of deductions or withholdings required. The Credit Parties, upon the request of the Interim Lender, shall repay any

portion of the amount repaid by the Interim Lender pursuant to this Section 29 (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Interim Lender is required to repay such portion of the refund to such Governmental Authority. No rule of marshalling shall apply in connection with any

credit bid.

35. **SEVERABILITY:** Any provision in this Term Sheet which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

36. **NO THIRD PARTY BENEFICIARY:** No person, other than the Credit Parties, the Interim Agent, the Interim Lender and the Indemnified Persons, is entitled to rely upon this Term Sheet and the parties expressly agree that this Term Sheet does not confer rights upon any other party.

37. **COUNTERPARTS AND SIGNATURES:** This Term Sheet may be executed in any number of counterparts and by electronic transmission including "pdf email", each of which when executed and delivered shall be deemed to be an original, and all of which when taken together shall constitute one and the same instrument.

38. **NOTICES:** Any notice, request or other communication hereunder to any of the parties shall be in writing and be well and sufficiently given if delivered personally or sent email to such Person at its address set out on its signature page hereof, with a copy to counsel. Any such notice, request or other communication hereunder shall be concurrently sent to the Monitor and its counsel.

Any such notice shall be deemed to be given and received when received, unless received after 5:00 p.m. Eastern Time or on a day other than a Business Day, in which case the notice shall be deemed to be received the next Business Day.

39. **GOVERNING LAW AND JURISDICTION:** This Term Sheet shall be governed by, and construed in accordance with, the laws of the Province of Alberta and the federal laws of Canada applicable therein. Without prejudice to the ability of the Interim Agent and the Interim Lender to enforce this Term Sheet in any other proper jurisdiction, the Credit Parties irrevocably submit and attorn to the non-exclusive jurisdiction of the Court.

This paragraph is in addition to and shall not in any way limit any other release, covenant not to sue, or waiver by the Consenting Lender Releasing Parties in favor of the COPL Released Parties.

2. Effectiveness. This Agreement (including the releases provided for herein, and the Parties' respective rights and obligations hereunder) shall become automatically effective (and may be enforced by and against each Party hereto) as of the date that all of the following have been completed (the "Effective Date"): (a) each Party hereto has executed and delivered this Agreement, and (b) the RSA has been executed, delivered, and is effective in accordance with its terms.

3. Effect of Release.

(a) Each Releasing Party understands, acknowledges, and agrees that the releases provided for herein are, subject to the limitations contained in Section 1, full and final general releases of all Released Claims, including those that could have been asserted in any legal or equitable proceeding against the Released Parties. Each Releasing Party hereby irrevocably covenants to refrain from, directly or indirectly, asserting or prosecuting, or assisting or otherwise aiding any other person in asserting or prosecuting, any Released Claims against any Released Party. Each Releasing Party further agrees that in the event such Releasing Party should bring a Released Claim against any Released Party this Agreement may be pleaded as a complete defense to such Released Claim; *provided* that nothing contained in this Agreement shall prevent any Releasing Party from providing information that is requested or required pursuant to law, rule, regulation, court order, or other similar process (including, without limitation, by oral questions, interrogatories, requests for information or documents in legal or regulatory proceedings, subpoena, civil investigative demand, or other similar process).

4. Reservation of Defenses. Notwithstanding anything to the contrary set forth herein, each of the Releasing Parties hereby expressly reserves all of its defenses to any Released Claim that may be asserted against any of them by any other Releasing Party, including, but not limited to, any defense that this Agreement releases any such asserted claim or cause of action.

5. Waiver of Statutory Limitations on Release. Except as otherwise set forth herein or as prohibited by law or statute, it is the intention of each Releasing Party to extinguish all Released Claims and consistent with such intention, each Releasing Party hereby expressly waives his, her, or its rights to the fullest extent permitted by law, to any benefits of the provisions of Section 1542 of the California Civil Code ("Section 1542") or any other similar state law, federal law, or principle of common law, which may have the effect of limiting the releases set forth herein. Section 1542 provides:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Each Releasing Party understands that Section 1542, or a comparable statute, rule, regulation, or order of another jurisdiction, gives such Releasing Party the right not to release existing Causes of Action of which such Releasing Party is not aware, unless such Releasing Party voluntarily chooses to waive this right. Having been so apprised, each Releasing Party nevertheless hereby voluntarily elects to and does waive the rights described in Section 1542, and all such other comparable statutes, rules, regulations, or orders, and elects to assume all risks for Released Claims that exist, existed, or may hereafter exist in its favor, known or unknown, suspected or unsuspected, arising out of or related to Released Claims or other matters purported to be released pursuant to this Agreement.

6. Specific Performance. Each Party recognizes and acknowledges that a breach by such Party of any of its covenants or agreements contained in this Agreement will cause the other Parties to sustain damages for which such other Parties will not have an adequate remedy at law for money damages, and, therefore, such Party agrees that, in the event of any such breach by it, the other Parties shall be able to seek the remedy of specific performance of one or more such breached covenants and agreements and injunctive and certain other equitable relief in addition to any other remedy to which such other Parties is entitled, at law or in equity.

7. Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

8. Waivers. No waiver of any of the terms or provisions of this Agreement shall be binding against any Party hereto unless such waiver is in a writing signed by such Party.

9. Amendments. No modification, amendment or supplement to, or forbearance or consent under or with respect to, this Agreement (including any provision hereof, or any rights or obligations hereunder or arising in connection herewith) shall be effective without the prior written consent of each affected Party.

10. No Assignment. This Agreement shall be binding upon the Parties and inure to the sole benefit of the Parties (including, for the avoidance of doubt, any Released Parties who are not Parties). No Party hereto may assign any of its obligations under this Agreement without the prior written consent of all affected Parties. Any assignment in violation of this Section 5 shall be null and void *ab initio*.

11. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of New York, without giving effect to principles of choice of law. Any action, suit, or proceeding arising out of or related to this Agreement shall be brought and maintained exclusively in the state and federal courts in New York, and each Party irrevocably and unconditionally: (a) submits to the personal jurisdiction of those courts for purposes of, and waives any defense of venue or inconvenient forum in, any such action, suit, or proceeding in those courts; (b) expressly waives any requirement for the posting of a bond by a party bringing such action, suit, or proceeding; (c) consents to process being served in any such action, suit, or proceeding by mailing, certified mail, return receipt requested, a copy thereof to such party at the address in effect for notices set forth on the signature pages hereto, and agrees that such service shall constitute good and sufficient service of process and notice thereof; *provided* that nothing in clause (c) hereof shall affect or limit any right to serve process in any other manner permitted by law, and (d) WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY SUCH ACTION, SUIT, OR PROCEEDING.

12. Entire Agreement. This Agreement constitutes the entire agreement among the Parties with respect to the subject matter of this Agreement and supersedes all prior agreements, arrangements, or understandings, oral or written, among the Parties with respect to the subject matter of this Agreement.

13. Counterparts. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, and each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

14. No Admission of Liability. Nothing in this Agreement shall be deemed an admission of liability by any Party with respect to any of the Released Claims.

15. Reliance and Authority.

(a) COPL Entities. With respect to any provision of this Agreement that requires or contemplates the approval, agreement, consent, or waiver of the COPL Entities, each Party shall be entitled to rely on written confirmation (including by e-mail) from counsel to the COPL Entities that the COPL Entities have approved, agreed, consent to, or waived a particular matter.

(b) Consenting Lenders. With respect to any provision of this Agreement that requires or contemplates the approval, agreement, consent, or waiver of any of the Consenting Lenders, each Party shall be entitled to rely on written confirmation (including by e-mail) from the Credit Facility Agent or counsel to the Consenting Lenders have approved, agreed, consent to, or waived a particular matter.

16. Settlement Discussions. This Agreement is part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. Nothing in this Agreement shall be deemed an admission of any kind. Pursuant to Federal Rule of Evidence 408 and any Canadian law equivalent, any applicable state rules of evidence, and any other applicable law, foreign or domestic, this Agreement, and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than to prove the existence of this Agreement or in a proceeding to enforce the terms of this Agreement.

v. The Company shall promptly pay expenses reasonably incurred by any Indemnified Party in defending, participating in, or settling any action, proceeding or investigation in which such Indemnified Party is a party or is threatened to be made a party or otherwise is participating in by reason of the Engagement under the Agreement, and which action, proceeding or investigation would otherwise be subject to the indemnification under this Agreement, upon submission of invoices thereof.

vi. The Company will be liable to pay the amount of any settlement of any claim against an Indemnified Party, when such settlement is made with the Company's written consent.

No such advice shall be used for any other purpose or reproduced, disseminated, quoted or referred to at any time in any manner or for any purpose other than accomplishing the tasks referred to herein without Province's prior approval (which shall not be unreasonably withheld), except as required by law.

In re: Amendment of Terms of Engagement of Province Fiduciary Services

Dear Tom:

Reference is made to a letter agreement dated of even date pursuant to which Canadian Overseas Petroleum Limited ("COPL") and COPL America Inc. engaged Province Fiduciary Services, LLC ("Province") to provide certain services to them and their affiliates including the provision of a Chief Restructuring Officer (the "CRO") (the "Agreement").

COPL and Province have agreed to amend the Agreement only so far as it relates to the responsibilities and powers of any CRO in respect of COPL's business and affairs as set out in this letter agreement.

Unless the context otherwise requires, references in the Agreement to "this agreement" shall be to the Agreement as amended by this letter agreement.

Notwithstanding anything else written, the Agreement shall be amended with effect on and from the date first written above, as set forth below:

1. Service Limitations: Anavio Equity Capital Markets Master Fund Limited ("Anavio") has provided a commitment for US$2.5 million to COPL for ongoing operations which may be supplemented with future liquidity infusions (collectively the "funding amount"). As long as the funding amount is adequate to maintain normal operations of COPL, the CRO shall not be designated by the board of directors of COPL or charged with the following responsibilities:

a. as the responsible person, foreign representative or an authorized signatory for COPL on its bank accounts;

b. approving material cash disbursements;

c. retaining or terminating employees; and

d. retaining or terminating any professionals.

These four limitations shall be reserved for the board of directors of COPL until the funding amount (or any subsequent funding) is exhausted (being US$100,000 or less in cash), at which point the above limitations on the delegation of duties shall terminate and not be limiting on the

CRO. Should the funding amount not be received from Anavio, then the above four limitations shall have force or effect and the CRO shall not be limited thereby.

2. Board of Directors' Approval: The CRO shall not take any of the following actions without obtaining prior approval from the board of directors of COPL:

a. knowingly put COPL in default of any of its obligations;

b. make payments or otherwise transfer funds from COPL;

c. engage the services of any third parties for the purposes of or in connection to carrying out any of the CRO's obligations under the Agreement; and

d. make any material operational decisions or actions that would have an adverse impact on COPL's reserves, its health & safety obligations, or its operational strategy in relation to operations in Wyoming.

3. Reporting: The CRO shall not take any actions to restrict (and shall provide or make available on request) all materials and information required by COPL to maintain the listing and trading of its ordinary shares on the Main Market of the London Stock Exchange and the Canadian Securities Exchange and to comply in all material respects with COPL's reporting, filing and other obligations under the rules and regulations of the London Stock Exchange, the Canadian Securities Exchange and any other applicable laws or regulations. COPL shall ensure that its operational committee, being INEXS or any other third party appointed by COPL, report to the CRO and the Board on a regular basis. For certainty, any fees incurred by INEXS shall be borne by COPL.

Province acknowledges that COPL currently has insufficient funds to pay the fees and expenses required under the Agreement and this letter agreement and will require the funding or replacement funding as contemplated by the funding amount above in order to pay such fees and expenses. Despite the foregoing, Province's fees stated in the Agreement shall not be contingent upon the receipt of any such funding. The provisions of the Agreement, including in relation to governing law and venue, shall, save as amended in this letter agreement, notwithstanding anything else written in the Agreement, continue in full force and effect, and shall be read and construed as one document with this letter agreement.

This letter agreement may be executed in any number of counterparts, each of which when executed shall constitute a duplicate original, but all the counterparts together shall constitute one agreement.

Dear Tom:

Reference is made to a letter agreement dated 19 December 2023, as amended by a side letter agreement dated 29 December 2023 (the "December 29 Side Letter"), pursuant to which Canadian Overseas Petroleum Limited ("COPL") and COPL America Inc engaged Province Fiduciary Services, LLC ("Province") to provide certain services to them and their affiliates including the provision of a Chief Restructuring Officer (the "CRO") (together, the "Agreement").

In consideration for an additional US$10,000 per month to be paid by COPL to Province, COPL and Province have agreed to amend the Agreement only so far as it relates to the title, responsibilities and powers of the CRO in respect of COPL's business and affairs as set out in this letter agreement. The CRO's new title shall be "Interim Chief Executive Officer" (the "CEO").

Unless the context otherwise requires, references in the Agreement to "this agreement" shall be to the Agreement as amended by this letter agreement.

Notwithstanding anything else written, the Agreement shall be amended and the December 29 Side Letter shall have no further force and effect on and from the date first written above.

1. Service Limitations: Anavio Equity Capital Markets Master Fund Limited has provided US$2.5 million to COPL for ongoing operations which may be supplemented with future liquidity infusions (collectively the "funding amount"). 2. Board of Directors' Approval: The CEO shall not take any of the following actions without obtaining prior approval from the board of directors of COPL:

c. engage the services of any third parties for the purposes of or in connection to carrying out any of the CEO's obligations under the Agreement; and

d. make any material operational decisions or actions that would have an adverse impact on COPL's reserves, its health & safety obligations, or its operational strategy in relation to operations in Wyoming. Notwithstanding the foregoing, the CEO will, working with INEXS, make recommendations to the board of directors of COPL for all material operational and strategic decisions with respect to COPL's assets in Wyoming.

3. Reporting: The CEO shall not take any actions to restrict (and shall provide or make available on request) all materials and information required by COPL to maintain the listing and trading of its ordinary shares on the Main Market of the London Stock Exchange and the Canadian Securities Exchange and to comply in all material respects with COPL's reporting, filing and other obligations under the rules and regulations of the London Stock Exchange, the Canadian Securities Exchange and any other applicable laws or regulations. COPL shall ensure that its operational committee, being INEXS or any other third party appointed by COPL, report to the CEO and the board of directors of COPL on a regular basis. For certainty, any fees incurred by INEXS shall be borne by COPL.

Province acknowledges that COPL currently has insufficient funds to pay the fees and expenses required under the Agreement and this letter agreement and will require the funding or replacement funding as contemplated by the funding amount above in order to pay such fees and expenses. Despite the foregoing, Province's fees stated in the Agreement shall not be contingent upon the receipt of any such funding. The provisions of the Agreement, including in relation to governing law and venue, shall, save as amended in this letter agreement, notwithstanding anything else written in the Agreement, continue in full force and effect, and shall be read and construed as one document with this letter agreement.

This letter agreement may be executed in any number of counterparts, each of which when executed shall constitute a duplicate original, but all the counterparts together shall constitute one agreement.

In re: Engagement of Province for Financial Advisory Services

Dear Tom and Arthur:

This Engagement Agreement (the "Agreement") is made on the above-stated date by and between Canadian Overseas Petroleum Limited and COPL America Inc., along with each of their direct and indirect controlled affiliates (jointly and severally, the "Company") and Province, LLC, a Delaware limited liability company ("Province" and collectively with the Company, the "Parties"). The Company is engaging Province to act as a financial advisor to the Company and to provide certain consulting services as set forth within.

This Agreement is effective upon the Effective Date (defined below) and, upon effectiveness, this Agreement sets forth the entire understanding of the parties and supersedes and cancels any prior communications and agreements between the parties, relating to the subject matter hereof.

1. ENGAGEMENT

Province, as financial advisor, will, if appropriate, perform the following financial advisory services:

i. assisting the Company in evaluating its liquidity and in the preparation of short-term cash flow forecasts;
ii. assisting in the formulation, evaluation and implementation of various contingency plans and financial alternatives including a potential in court or out-of-court restructuring transaction;
iii. assisting the Company with its negotiations with creditors, shareholders, customers, and other appropriate parties;
iv. assisting the Company in developing materials for stakeholder diligence and coordinating any such due diligence;

v. meeting with and preparing presentations for creditors, stakeholders, customers, and other appropriate parties regarding material matters related to the Company's business;
vi. assisting in any financing process, including obtaining, evaluating and negotiating term sheets, financing commitments and financing documents;
vii. assisting management in connection with the Company's development of its business plan or any other forecasts;
viii. providing contingency planning and ongoing advice and assistance to management through the restructuring process; and
ix. any other activities as are approved by the Company or the Company's counsel, and as agreed to by Province.

The above services shall collectively be referred to as the "Services." The Company understands that the Services to be rendered by Province may include the preparation of projections and other forward-looking statements, and numerous factors can affect the actual results of the Company's operations, which may materially and adversely differ from those projections. In addition, Province will be relying on information provided by the Company and its representatives in the preparation of these projections and other forward-looking statements.

In connection with this engagement, the Company will furnish Province with information concerning the Company which Province reasonably deems appropriate and will provide Province with reasonable access to the Company's accountants, counsel, and other representatives (collectively, the "Representatives"), it being understood that Province will rely solely upon such information supplied by the Company and its Representatives without assuming any responsibility for independent investigation or verification thereof. The Company represents and warrants that any financial projections provided to Province have been, or will be, prepared on bases reflecting the best currently available estimates and judgments by the Company of the future financial results and condition of the Company. The Company will, in writing, promptly notify Province of any material inaccuracy or misstatement in, or material omission from, any information previously delivered to Province.

Province makes no representation or guarantee that an appropriate restructuring can be formulated or implemented for the Company and that such restructuring is defensible; that the work product or advice given is the best course of action for the Company, or if formulated, that any restructuring will be accepted by the Company's creditors and other constituents and that it will ultimately be defensible. Further, Province assumes no responsibility for the implementation, selection or approval of any restructuring which it assists the Company in formulating, which determination shall rest with the Company.

2. TERMS OF ENGAGEMENT

This Agreement shall be effective for all purposes on the earlier of (a) the Effective Date, and (b) the date that Services were first provided by Province to the Company, and shall have an indefinite term until terminated by either Party as provided herein. The Agreement may be terminated by either Party without cause by giving not less than ten (10) days' written notice to the other Party. In the event of any such termination, all fees and expenses due to Province shall be remitted to Province promptly (including fees and expenses that accrued prior to but were invoiced subsequent to such termination) upon the Company's receipt of an invoice for same.

3. RETAINER, FEES AND BILLING PRACTICES

Upon execution of the Agreement, the Company shall promptly pay Province in advance an "evergreen" retainer in the total amount of $100,000.00 ("Retainer"), before Province shall be obligated to provide any Services to the Company. Upon receipt of any DIP financing benefitting the Company, the Company shall increase the Retainer amount to a total of $200,000.00. The Retainer funds will be held for the purpose of providing a retainer for professional services to be rendered and expenses to be charged by Province to the Company hereunder and to any fees or expenses in relation to the Company's agreement with Province Fiduciary Services, LLC of even date hereof. The Company will receive a billing statement from Province on a monthly or more frequent basis, as determined by Province, and the fees and expenses stated therein shall be due upon issuance. Following Province's delivery of a billing statement or invoice, Province will deduct the billed amount for Services rendered and expenses incurred from the Retainer, with any remaining amount due and payable by the Company. The Company will be responsible for replenishing the full amount of the Retainer following the receipt of such billing statements or invoices from Province such that the Retainer shall remain at requisite amount indicated herein. Failure by the Company to upkeep the Retainer may result in termination of this Agreement. All liability of the Company to Province hereunder shall be joint and several.

For this engagement, the Company will compensate Province for its work on a time and material basis. Province will charge fees for its Services based on the following hourly rates:

Professional Level	**Per Hour (USD)**
Managing Directors and Principals	$870-$1,450
Vice Presidents, Directors, and Senior Directors	$690-$950
Analysts, Associates, and Senior Associates	$370-$700
Other / Para-Professional	$270-$410

Province periodically reviews and revises its billing rates as dictated by the market for such services, and any such adjustment to Province's billing rates shall be effective upon not less than ten (10) days' written notice of any rate adjustment.

4. EXPENSES

In addition to the fees described above, the Company agrees to promptly reimburse Province for all expenses reasonably incurred by Province in connection with the matters contemplated by this Agreement, including, without limitation, reasonable fees and expenses of its counsel incurred in connection with the enforcement of this Agreement, lodging, travel costs, postage, meals, parking, research service fees, photocopying and other reproduction and binding costs, messenger and other delivery fees, express mail, information retrieval services, temporary clerical assistance and other similar items. All such expenses will be billed on a monthly basis and will be payable upon receipt by the Company of an invoice or billing statement including such expense charges.

5. CONFLICTS

Because Province and its affiliates and subsidiaries comprise a consulting firm that serves clients on an international basis in numerous cases, both in and out of court, it is possible that Province may have rendered or will render services to, or have business associations with, other entities or people which had or have or may have relationships with the Company, including creditors of the Company. Province will not be prevented or restricted by virtue of providing the Services under this Agreement from providing services to other entities or individuals, including entities or individuals whose interests may be in competition or conflict with the Company's, provided Province makes appropriate arrangements to ensure that the confidentiality of information is maintained.

6. INSOLVENCY COURT APPROVALS

Should the Company elect to file for Bankruptcy or otherwise be placed into Bankruptcy (a "Bankruptcy"), the Company shall apply to the Bankruptcy Court presiding thereover, as promptly as reasonably practicable, for approval pursuant to Sections 327, 328, or 363 or other similar provision of the Bankruptcy Code or CCAA of (i) this Agreement, including the compensation, and expense provisions hereof), and (ii) Province's retention by the Company under the terms of this Agreement as of the date of the petition and will use commercially reasonable efforts to obtain a final order of the Bankruptcy Court for authorization thereof.

Province shall have no obligation to provide any Services under this Agreement unless the Company's retention of Province is approved under the Bankruptcy Code or applicable CCAA

provisions by a final order of the Bankruptcy Court no longer subject to appeal, rehearing or reconsideration, and which order is acceptable to Province in all respects.

The Company will work with Province to file any and all necessary applications regarding the approval and the payment of Province's fees and expenses with the Bankruptcy Court as promptly as reasonably practicable. In the event that this Agreement is terminated following the Bankruptcy Court's approval of the Company's retention of Province, the Company shall reimburse Province for all fees and expenses earned and reasonably incurred by Province prior to the date of termination, subject to the terms of this Agreement, the order approving the Company's retention of Province, and all other applicable requirements of the CCAA, the Bankruptcy Code, Bankruptcy Rules, and applicable local rules and orders (including, for the avoidance of doubt, the requirement to obtain the Bankruptcy Court's approval of the payment of such fees and expenses).

With respect to Province's retention under the Bankruptcy Code, the Company acknowledges and agrees and that in seeking Province's retention under Section 327(a) of the Bankruptcy Code, such will confirm that Province's restructuring expertise, as well as its capital markets knowledge, and financial capabilities, some or all of which may be required by the Company during the term of Province's engagement hereunder, were important factors in determining the amount of the various fees set forth herein, and that the ultimate benefit to the Company of Province's services hereunder could not be measured merely by reference to the number of hours expended by Province in the performance of such services. The Company also acknowledges and agrees that the various fees set forth herein have been agreed upon by the parties in anticipation of the foregoing and that a substantial commitment of professional time and effort will be required of Province hereunder over the term of the engagement, and in light of the fact that such commitment may foreclose other opportunities for Province and that actual time and commitment required of Province and its professionals to perform its services hereunder may vary substantially from week-to-week or month-to-month, creating "peak load" issues for Province. In addition, given the numerous issues which Province may be required to address in the performance of its Services hereunder, Province's commitment to the variable level of time necessary to address all such issues as they arise, and the market prices for Province's services for engagements of this nature in an out-of-court context, the Company agrees that the fee arrangements hereunder are reasonable.

The Company agrees that Province's fees as set forth herein and any payments made pursuant to the expense reimbursement provisions of this Agreement will be entitled to priority as expenses of administration and will be entitled to the benefits of any "carve-outs" for professional fees and expenses in effect pursuant to one or more financing orders entered by the Bankruptcy Court.

The Company will use its best efforts to ensure that any cash collateral order, debtor-in-possession financing order and/or similar order entered in the Bankruptcy Court permits the use of cash

collateral and financing proceeds for the full and prompt payment of all of Province's fees and expenses contained in this Agreement.

The Company will use commercially reasonable efforts to ensure that, to the fullest extent permitted by law, any confirmed Plan in any Bankruptcy case contains typical and customary release provisions (both from the Company and from third parties) and exculpation provisions releasing, waiving and forever discharging Province and any of its affiliates and related entities, along with any of their past or current directors, managers, officers, partners, members, shareholders, agents and employees from any claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, and liabilities related to the Company or the engagement described in this Agreement.

7. RELATIONSHIP OF THE PARTIES.

The parties intend that an independent contractor relationship will be created by this Agreement in order to provide the services described above to the Company. Neither Province nor any of its personnel or subcontractors is to be considered an employee of the Company and the personnel and subcontractors of Province are not entitled to any of the benefits that the Company provides for the Company's employees. The Company acknowledges that Province's engagement shall not constitute an audit, review or compilation, or any other type of financial statement reporting engagement that is subject to the rules of the AICPA, SEC or other state, national or international professional or regulatory body. For greater certainty, during the course of this engagement, Province shall be acting as a consultant to the Company in this matter and Province shall not be assuming any decision making or other management responsibilities in connection with the affairs of the Company and Province shall have no responsibility for the affairs of the Company during this engagement. In addition, Province shall not do anything or perform any act pursuant to which Province assumes any possession or control of the property, assets, undertakings, premises or operations of the Company for any purpose whatsoever.

8. OTHER SERVICES

In the event that Province is requested by the Company to perform any financial advisory or other services outside the scope of this Agreement, fees for such services shall be mutually agreed upon by Province and the Company, in writing, in advance, and shall be in addition to the fees and expenses described above.

9. NO THIRD PARTY BENEFICIARY

The Company acknowledges that all advice given by Province to the Company in connection with this engagement is intended solely for the benefit and use of the Company in considering the

matters to which this engagement relates. The Company agrees that no such advice shall be used for any other purpose or reproduced, disseminated, quoted or referred to at any time in any manner or for any other purpose without Province's prior approval.

10. CONFIDENTIALITY/NON-SOLICITATION

Province shall keep as confidential all non-public information received from the Company in conjunction with this engagement, except: (i) as requested by the Company or its legal counsel; (ii) as required by legal proceedings; or (iii) as reasonably required in the performance of this engagement. All obligations as to the non-disclosure shall cease as to any part of such information to the extent that such information is or becomes public other than as a result of a breach of this provision.

The Company, on behalf of itself, its affiliates and any person which may acquire all or substantially all of its assets, agrees that, until two years subsequent to the termination of this Agreement, it will not solicit, recruit, hire or otherwise engage any employee or consultant of Province who worked on this engagement while employed or retained by Province ("Solicited Person"). Should the Company, any of its affiliates or any person who acquires all or substantially all of its assets extend an offer of employment to or otherwise engage any Solicited Person and should such offer be accepted, Province shall be entitled to a fee from the party extending such offer equal to the Solicited Person's hourly Company billing rate at the time of the offer multiplied by 2,000 hours. The fee shall be payable at the time of the Solicited Person's acceptance of employment or engagement.

11. INDEMNIFICATION

i. The Company agrees to indemnify and hold harmless each of Province, its affiliates and their respective shareholders, principals, managers, members, employees, agents, representatives and subcontractors (each, an "Indemnified Party" and collectively, the "Indemnified Parties") against any and all losses, claims, damages, liabilities, penalties, obligations, disbursements and expenses, including the cost (fees and disbursements) for counsel or others (including employees or consultants of Province, based on their then current hourly billing rates) in investigating, preparing or defending any action or claim, whether or not in connection with litigation in which any Indemnified Party is a party, or enforcing the Agreement (including these indemnity provisions), as and when incurred, caused by, relating to, based upon or arising out of (directly or indirectly) the Indemnified Parties' acceptance of or the performance or nonperformance of their obligations under the Agreement; provided, however, such indemnity shall not apply to any such loss, claim, damage, liability or expense to the extent it is found by a

court of competent jurisdiction to have resulted primarily and directly from such Indemnified Party's gross negligence or willful misconduct.

ii. The Company also agrees that no Indemnified Party shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Company for or in connection with the engagement of Province, except to the extent that any such liability for losses, claims, damages, liabilities or expenses that are found by a court of competent jurisdiction to have resulted primarily and directly from such Indemnified Party's gross negligence or willful misconduct. The Company further agrees that it will not, without the prior consent of an Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which such Indemnified Party seeks indemnification hereunder (whether or not such Indemnified Party is an actual party to such claim, action, suit or proceeding) unless such settlement, compromise or consent includes an unconditional release of such Indemnified Party from all liabilities arising out of such claim, action, suit or proceeding.

iii. In the event that, at any time whether before or after termination of the Agreement, as a result of or in connection with the Agreement or Province's and its personnel's role under the Agreement, Province or any Indemnified Party is required to produce any of its personnel (including former employees or consultants) or is required to produce, review or organize any material within such Indemnified Party's possession or control pursuant to a subpoena or other legal process, the Company will reimburse the Indemnified Party for its reasonable and properly documented out-of-pocket expenses, including the reasonable fees and expenses of its counsel, and will compensate the Indemnified Party for the time expended by its personnel based on such personnel's then current hourly rate.

iv. The indemnified Party will promptly provide notice to the Company of any pending action or proceeding that they become aware of, provided however, that any failure by such Indemnified Party to notify the Company will not relieve the Company from its obligations hereunder, except to the extent that such failure shall have actually prejudiced the defense of such action.

v. The Company shall promptly pay expenses reasonably incurred by any Indemnified Party in defending, participating in, or settling any action, proceeding or investigation in which such Indemnified Party is a party or is threatened to be made a party or otherwise is participating in by reason of the engagement under the Agreement, as incurred upon submission of invoices thereof.

vi. The Company will be liable to any settlement of any claim against an Indemnified Party made with the Company's written consent, which consent shall not be unreasonably withheld.

vii. If a claim for indemnification is made but it is found in a final judgment by a court that such indemnification may not be enforced in such case, in no event will the Indemnified Parties' aggregate contribution for all losses, claims, damages, liabilities and expenses exceed the amount of fees actually received by the Indemnified Parties pursuant to the Agreement.

viii. In the event the Company and Province seek judicial approval for the assumption of the Agreement or authorization to enter into a new engagement agreement pursuant to either of which Province would continue to be engaged by the Company, the Company shall promptly pay expenses reasonably incurred by the Indemnified Parties, including attorneys' fees and expenses, in connection with any motion, action or claim made either in support of or in opposition to any such retention or authorization, whether in advance of or following any judicial disposition of such motion, action or claim, promptly upon submission of invoices therefore and regardless of whether such retention or authorization is approved by any court. The Company will also promptly pay the Indemnified Parties for any expenses reasonably incurred by them, including their attorneys' fees and expenses, in seeking payment of all amounts owed to it under the Agreement (or any new engagement agreement) whether through submission of a fee application or in any other manner, without offset, recoupment or counterclaim.

ix. Neither termination of the Agreement nor termination of Province's engagement nor the filing of a petition or application under the Bankruptcy Code (nor the conversion of an existing case to a different form or proceeding, including a receivership) shall affect these indemnification provisions, which shall hereafter survive in full force and effect.

x. The rights provided herein shall be in addition to any other rights to which the Indemnified Parties may be entitled under the certificate of incorporation or by-laws of the Company, any policy of insurance, any other agreements, any applicable law or otherwise.

12. MISCELLANEOUS

MODIFICATION. This Agreement shall not be varied, altered, modified, cancelled, changed or in any way amended except by mutual agreement of the parties in a written instrument executed

by the parties or their legal representatives. Each of the representatives executing this Agreement on behalf of a Party represent and warrant that they have the requisite corporate authority to do so.

GOVERNING LAW. To the extent not preempted by Federal law, the provisions of this Agreement shall be construed and enforced in accordance with the laws of the State of Delaware. In any action between the Parties related to this Agreement or the services to be provided hereunder, the prevailing party thereto shall be entitled to an award of its reasonably expended attorneys' fees and costs, including any such fees and costs on appeal thereof.

NOTICE. Any notices, requests, demands or other communications required by or provided for in this Agreement shall be sufficient if in writing and sent by registered or certified mail to Province at the last address they have filed in writing with the Company or, in the case of the Company, at its principal office.

SEVERABILITY AND BLUE PENCILING. The invalidity or unenforceability of any provision of this Agreement or subpart thereof shall in no way affect the validity or enforceability of any other provisions or subparts hereof. If any provisions of this Agreement are found to be invalid or unenforceable, in lieu of such illegal, invalid or unenforceable paragraph, provision or part thereof, there shall be automatically added a provision as similar in terms to the illegal, invalid or unenforceable paragraph, provision or part thereof, as may be possible, legal, valid, and enforceable.

LIABILITY LIMITATION. Province's liability for any action or inaction taken hereunder, whether sounding in tort or contract, shall be limited to the amount of the fees billed hereunder to the Company for the three (3) calendar months prior to incident that allegedly caused such liability. Additionally, no party hereunder shall be liable to the other for any special, consequential or punitive damages.

SURVIVAL. The provisions of "FEES AND BILLING PRACTICES", "EXPENSES", INDEMNIFICATION", "CONFIDENITALITY/NON-SOLICITATION", and "MISCELLANOUS" shall survive termination of this Agreement and remain enforceable according to their terms.

INTERIM FINANCING TERM SHEET

Dated as of March 7, 2024

WHEREAS the Borrower has requested that the Interim Lender provides financing to the Borrower during the pendency of the proceedings (the "**CCAA Proceedings**") under the *Companies' Creditors Arrangement Act* (Canada) (the "**CCAA**") to be commenced before the Court of the King's Bench of Alberta (the "**Court**") in accordance with the terms and conditions set out herein;

AND WHEREAS the Borrower and the other Credit Parties intend to commence ancillary proceedings under Chapter 15 of the Bankruptcy Code (the "**Chapter 15 Proceedings**") in the U.S. Bankruptcy Court for the District of Delaware (the "**Bankruptcy Court**");

AND WHEREAS, the Interim Lender has agreed to provide financing in order to fund certain obligations of the Credit Parties in order for the Credit Parties to (i) pursue and implement a Permitted Restructuring Transaction pursuant to and in accordance with the SISP and (ii) provide for the ongoing working capital and general corporate and operating purposes (including professional fees) of the Credit Parties during the pendency of the Restructuring Proceedings;

NOW THEREFORE, the parties, in consideration of the foregoing and the mutual agreements contained herein (the receipt and sufficiency of which are hereby acknowledged), agree as follows:

1.	**BORROWER:**	COPL America Inc. (the "**Borrower**").
2.	**AGENT**	ABC Funding, LLC, as administrative agent (in such capacity, the "**Interim Agent**").
3.	**INTERIM LENDER**	Summit Partners Credit Fund II, L.P.; Summit Investors Credit III, LLC; and Summit Investors Credit III (UK), L.P. (collectively referred to as the "**Interim Lender**"), which shall have an initial commitment of US$11 million.
4.	**GUARANTORS:**	Each party that guarantees (collectively, the "**Guarantors**", and together with the Borrower, the "**Credit Parties**") the obligations of the Credit Parties under this Term Sheet (the "**Interim Financing Obligations**"), which parties are set forth on Schedule "C" hereof. It is intended that the Credit Parties will be applicants in the CCAA Proceedings and they are alternatively collectively referred to herein as the "**CCAA Applicants**".
5.	**DEFINED TERMS:**	Unless otherwise defined herein, capitalized words and phrases used in this Term Sheet have the meanings given thereto in Schedule "A".
6.	**INTERIM FACILITY; DRAWDOWNS:**	A senior secured, superpriority, debtor-in-possession, interim, non-revolving credit facility (the "**Interim Facility**") up to a maximum principal amount of US$11 million (as such amount may be reduced from time to time pursuant to the terms hereof, the "**Facility Amount**"), subject to the terms and conditions contained herein. The Interim Facility shall be a fully-funded non-revolving term loan

facility, which shall be made available to the Borrower subject to the satisfaction (or waiver) of the applicable conditions precedent herein and may be drawn by way of multiple advances (each an, "**Advance**") which, in the aggregate, shall not exceed the Facility Amount. The timing for each Advance shall be determined based on the funding needs of the Borrower as set forth in the DIP Budget and as agreed among the Interim Lender and the Credit Parties, in consultation with the Monitor. Each Advance shall be in a principal amount of not less than US$500,000.

Subject to Section 9, each Advance shall be deposited by the Interim Agent into the Operating Account within five (5) Business Days of the date on which the Borrower delivers to the Interim Lender an Advance request in writing, provided that the Advance Conditions are satisfied as of the date on which such Advance Request Certificate is delivered and remain satisfied on the date of such Advance.

The Advance Request Certificate shall certify that (i) all representations and warranties of the Credit Parties contained in this Term Sheet remain true and correct in all material respects both before and after giving effect to the use of such proceeds and (ii) no Default or Event of Default then exists and is continuing or would result therefrom that has not been waived by the Interim Lender.

A copy of each Advance Request Certificate shall be concurrently provided to Interim Agent and the Monitor.

7. **PURPOSE AND PERMITTED PAYMENTS:**

The Credit Parties shall use proceeds of the Interim Facility solely for the following purposes and in the following order, in each case in accordance with the DIP Budget and for the purpose of advancing and implementing a Permitted Restructuring Transaction pursuant to and in accordance with the SISP:

(a) to pay the reasonable and documented legal and financial advisory fees and expenses of (i) the Credit Parties, subject to the DIP Budget (ii) the Monitor (i.e. the Monitor's fees and those of its legal counsel), and (iii) the Interim Agent and the Interim Lender, in each case pursuant to the terms hereof;

(b) to pay the interest, fees and other amounts owing to the Interim Agent and the Interim Lender under this Term Sheet; and

(c) to fund, in accordance with the DIP Budget, the Credit Parties' operating expenditures during the Restructuring Proceedings in pursuit of a Permitted Restructuring Transaction pursuant to and in accordance with the SISP, including the working capital and other general corporate funding requirements of the Credit Parties during such period.

For greater certainty, the Credit Parties may not use the proceeds of the Interim Facility to pay any obligations of the Credit Parties arising or relating to the period prior to the Filing Date without the prior written

consent of the Interim Lender unless the payment of such pre-Filing Date obligations are specifically identified in the approved DIP Budget and authorized pursuant to the Initial Order or any subsequent Court Order.

8. **ADVANCE CONDITIONS**

Subject to Section 9, the Interim Lender's agreement to make the Facility Amount available to the Borrower and to advance any Advance to the Borrower is subject to the satisfaction of each of the following conditions precedent (collectively, the "**Advance Conditions**"), each of which is for the benefit of the Interim Lender and may be waived by the Interim Lender in its sole and absolute discretion:

(a) The Court shall have issued an initial order (the "**Initial Order**"), which shall have remained in effect until the issuance of the Amended Initial Order, and the Bankruptcy Court shall have issued an order recognizing the Initial Order, each in form and substance acceptable to the Interim Lender, in its reasonable discretion; *provided*, *however*, the Interim Lender must be satisfied with any provision of the Initial Order relating to the Interim Facility. The Credit Parties shall use funds held in such escrow account exclusively to pay professional fees included in the DIP Budget and incurred through the Maturity Date. The Maturity Date may be extended from time to time at the request of the Borrower, after consultation with the Monitor, and with the prior written consent of the Interim Lender for such period and on such terms and conditions as the Interim Lender may agree in its sole and absolute discretion.

16. **DIP BUDGET AND VARIANCE REPORTING:** Attached hereto as Schedule "B" is a copy of the agreed summary DIP Budget (excluding the supporting documentation provided to the Interim Lender in connection therewith) as in effect on the date hereof (the "**Initial DIP Budget**"), which the Interim Lender acknowledges and agrees is in form and substance satisfactory to the Interim Lender. Such DIP Budget

shall be the DIP Budget referenced in this Term Sheet unless and until such time as a revised DIP Budget has been approved by the Interim Lender and the Monitor in accordance with this Section 16.

Every month, and also upon (A) the election of the Borrower, or (B) a material change, or a material change reasonably anticipated by the Borrower, to any item set forth in the DIP Budget, the Borrower shall update and propose a revised 13-week DIP Budget to the Interim Lender (the "**Updated DIP Budget**"). Such Updated DIP Budget shall have been reviewed and approved by the Monitor, prior to submission to the Interim Lender. If the Interim Lender, in its reasonable discretion, determines that the Updated DIP Budget is not acceptable, it shall, within three (3) Business Days of receipt thereof, provide written notice to the Borrower and the Monitor stating that the Updated DIP Budget is not acceptable, and until the Borrower has delivered a revised Updated DIP Budget acceptable to the Interim Lender, in its reasonable discretion, the prior DIP Budget shall remain in effect.

At any time, the Updated DIP Budget is accepted by the Interim Lender, such Updated Budget shall be the DIP Budget for the purpose of this Term Sheet.

On or before 3:00 p.m. Eastern Time on the Friday of every second week, (provided that such day is a Business Day and, if not, on the next Business Day) the Borrower shall deliver to the Monitor and the Interim Agent and its legal and financial advisors a variance calculation (the "**Variance Report**") setting forth actual receipts and disbursements for the preceding two-weeks (each a "**Testing Period**") as against the then-current DIP Budget, and setting forth all the variances, on a line item and aggregate basis in comparison to the amounts set forth in respect thereof for such Testing Period in the DIP Budget; each such Variance Report to be promptly discussed with the Interim Lender and its legal and financial advisors, if so requested. Each Variance Report shall include reasonably detailed explanations for any material variances during the relevant Testing Period.

18. **INTEREST RATE:** Interest shall be payable on the Facility Amount at a rate equal to the SOFR rate then in effect on such day plus 5% *per annum*, compounded monthly and payable monthly in arrears in cash on the last Business Day of each month, with the first such payment being made on April 1, 2024. Upon the occurrence and during the continuation of an Event of Default, all overdue amounts shall bear interest at the applicable interest rate plus 2% *per annum* payable on demand in arrears in cash. All interest shall be computed on the basis of a 360-day year of twelve 30-day months, provided that, whenever any interest is calculated on the basis of a period of time other than a calendar year, the annual rate of interest to which each rate of interest determined pursuant to such calculation is equivalent for the purposes of the

Interest Act (Canada) is such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days used in the basis for such determination.

The parties shall comply with the following provisions to ensure that the receipt by the Interim Lender of any payments under this Term Sheet does not result in a breach of section 347 of the *Criminal Code* (Canada):

(a) If any provision of this Term Sheet would obligate the Credit Parties to make any payment to the Interim Lender of an amount that constitutes "interest", as such term is defined in the *Criminal Code* (Canada) and referred to in this section as "**Criminal Code Interest**", during any one-year period after the date of the funding of the Facility Amount in an amount or calculated at a rate which would result in the receipt by the Interim Lender of Criminal Code Interest at a criminal rate (as defined in the *Criminal Code* (Canada) and referred to in this section as a "**Criminal Rate**"), then, notwithstanding such provision, that amount or rate during such one-year period shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not result in the receipt by the Interim Lender during such one-year period of Criminal Code Interest at a Criminal Rate, and the adjustment shall be effected, to the extent necessary, as follows:

(i) *first*, by reducing the amount or rate of interest required to be paid to the Interim Lender during such one-year period; and

(ii) *thereafter*, by reducing any other amounts (other than costs and expenses) (if any) required to be paid to the Interim Lender during such one-year period which would constitute Criminal Code Interest.

(b) Any amount or rate of Criminal Code Interest referred to in this section shall be calculated and determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term that any portion of the Interim Facility remains outstanding on the assumption that any charges, fees or expenses that constitute Criminal Code Interest shall be *pro-rated* over the period commencing on the date of the advance of the Facility Amount and ending on the relevant Maturity Date (as may be extended by the Interim Lender from time to time under this Term Sheet) and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Interim Lender shall be conclusive for the purposes of such calculation and determination.

20. **EXIT FEE** When the Interim Facility is fully repaid and terminated, whether on the Maturity Date or otherwise, the Borrower shall pay to Interim Lender an amount equal to 0.75% of the Interim Lender's original commitments immediately prior to the initial funding on the date of the first Advance as an exit fee (the "**Exit Fee**"), earned upon acceptance by the Borrower of this Term Sheet.

22. **MANDATORY REPAYMENTS:** Unless otherwise consented to in writing by the Interim Lender, the Interim Facility shall be promptly (in any case, within three (3) Business Days) repaid and the Facility Amount shall be permanently reduced (i) upon a sale, realization or disposition of or with respect to any assets or property of the Credit Parties or any of its subsidiaries (including obsolete, excess or worn-out Collateral) out of the ordinary course of business, including any sale or disposition of working capital assets, equipment, machinery and other operating or fixed assets and realizations of accounts receivable in an amount equal to the net cash proceeds of such sale, realization or disposition, (ii) upon receipt of any cash payments or proceeds under any casualty insurance policies in respect of any covered loss thereunder or as a result of taking of any assets of any Credit Party pursuant to the power of eminent domain, condemnation or otherwise, in an amount equal to the net cash proceeds of such event, (iii) upon receipt of any proceeds of non-permitted indebtedness, in an amount equal to the of such indebtedness, and (iv) upon receipt of any proceeds from an equity issuance, in an amount equal to the of such equity issuance. (c) exercise the powers and rights of a secured party under the Personal Property Security Act (Alberta), or any federal, provincial, territorial or state legislation of similar effect; and

(d) exercise all such other rights and remedies under this Term Sheet, the Court Orders and Applicable Law.

28. **INDEMNITY AND RELEASE:** The Credit Parties agree, on a joint and several basis, to indemnify and hold harmless the Interim Agent and the Interim Lender and its respective directors, officers, employees, agents, attorneys, counsel and advisors (all such persons and entities being referred to hereafter as "**Indemnified Persons**") from and against any and all actions, suits, proceedings, claims, losses, damages, liabilities or expenses of any kind or nature whatsoever (excluding indirect or consequential damages and claims for lost profits) which may be incurred by or asserted against any Indemnified Person (collectively, "**Claims**") as a result of or arising out of or in any way related to the Interim Facility or this Term Sheet and, upon demand, to pay and reimburse any Indemnified Person for any reasonable legal or other expenses incurred in connection with investigating, defending or preparing to defend any such action, suit, proceeding or claim; *provided*, *however*, the

Borrower and other Credit Parties shall not be obligated to indemnify pursuant to this paragraph any Indemnified Person against any loss, claim, damage, expense or liability (x) to the extent it resulted from the gross negligence, wilful misconduct or bad faith of any Indemnified Person as finally determined by a court of competent jurisdiction, or (y) to the extent arising from any dispute solely among Indemnified Persons other than any Claims arising out of any act or omission on the part of the Borrower or the other Credit Parties. None of the Interim Agent, any Interim Lender, the Indemnified Persons, nor the Credit Parties shall be responsible or liable to any other person for consequential or punitive damages.

Notwithstanding anything to the contrary herein, the indemnities granted under this Term Sheet shall survive any termination of the Interim Facility.

29. **TAXES:** All payments by the Borrower and any other Credit Parties under this Term Sheet to the Interim Agent or the Interim Lender, including any payments required to be made from and after the exercise of any remedies available to the Interim Lender upon an Event of Default, shall be made free and clear of, and without reduction for or on account of, any present or future taxes, levies, imposts, duties, charges, fees, deductions or withholdings of any kind or nature whatsoever or any interest or penalties payable with respect thereto now or in the future imposed, levied, collected, withheld or assessed by any Governmental Authority country or any political subdivision of any country (collectively "**Taxes**"); provided, however, that if any Taxes are required by Applicable Law to be withheld ("**Withholding Taxes**") from any amount payable to an Interim Lender under this Term Sheet, the amount so payable to such Interim Lender shall be increased by an amount necessary to yield to such Interim Lender on a net basis after payment of all Withholding Taxes, the amount payable under this Term Sheet at the rate or in the amount specified herein and the Borrower shall provide evidence satisfactory to such Interim Lender that the Taxes have been so withheld and remitted.

If the Credit Parties pay an additional amount to an Interim Lender to account for any deduction or withholding, such Interim Lender shall, at the sole cost and expense of the Credit Parties, reasonably cooperate with the applicable Credit Parties to obtain a refund of the amounts so withheld and paid to such Interim Lender. Any refund of an additional amount so received by an Interim Lender, without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund which the Interim Lender determines in its sole discretion will leave it, after such payment, in no better or worse position than it would have been if no additional amounts had been paid to it), net of all out of pocket expenses of such Interim Lender, shall be paid over by such Interim Lender to the applicable Credit Parties promptly. If reasonably requested by the Credit Parties, the Interim Lender shall apply to the relevant Governmental Authority to obtain a waiver from such withholding requirement, and the Interim Lender shall reasonably cooperate, at the sole cost and expense of the Credit Parties, with the applicable Credit Parties and assist such Credit Parties to minimize the amount of deductions or withholdings required. The Credit Parties, upon the request of the Interim Lender, shall repay any

portion of the amount repaid by the Interim Lender pursuant to this Section 29 (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Interim Lender is required to repay such portion of the refund to such Governmental Authority. This Section 29 shall not be construed to require the Interim Lender to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person. No Interim Lender shall, by virtue of anything in this Term Sheet or any other Credit Document be under any obligation to arrange its tax affairs in any particular manner so as to claim any refund on behalf of the Credit Parties.

30. **FURTHER ASSURANCES:** The Credit Parties shall, at their expense, from time to time do, execute and deliver, or will cause to be done, executed and delivered, all such further acts, documents (including, without limitation, certificates, declarations, affidavits, reports and opinions) and things as the Interim Agent and the Interim Lender may reasonably request for the purpose of giving effect to this Term Sheet.

32. **AMENDMENTS, WAIVERS, ETC.:** No waiver or delay on the part of the Interim Agent or any Interim Lender in exercising any right or privilege hereunder will operate as a waiver hereof or thereof unless made in writing (including by e-mail) by the Interim Agent on behalf of the Interim Lender and delivered in accordance with the terms of this Term Sheet, and then such waiver shall be effective only in the specific instance and for the specific purpose given.

33. **ASSIGNMENT:** The Interim Lender may assign this Term Sheet and its rights and obligations hereunder, in whole or in part, to any Person or Persons. Where no Event of Default has occurred or is continuing under this Term Sheet, any assignment of the rights and obligations to entities that are not affiliates of the Interim Lender hereunder by the Interim Lender must be consented to by the Borrower and the Monitor, which consent shall not be unreasonably withheld, conditioned or delayed, and shall be provided with respect to any proposed assignment to an affiliate of the Interim Lender with adequate financial wherewithal to satisfy the terms of this Term Sheet, *provided that,* the Interim Lender may assign this Term Sheet and its rights and obligations in whole or in part to Anavio Capital Partners LLP, Juno Financial, or any of their affiliates, provided in each case they have adequate financial wherewithal to satisfy the terms of this Term Sheet, as of right and without further consent. Neither this Term Sheet nor any right or obligation hereunder may be assigned by any Credit Party.

34. **CREDIT BIDDING**: In any sale of any Credit Party's Collateral, the Interim Lender shall be permitted, in its sole and absolute discretion, to credit bid up to the full amount of the then outstanding Interim Financing Obligations. Such credit bid may be applied at the Interim Lender's sole discretion as against the acquisition of any one or more of the Borrower or any Guarantor or its respective assets. No rule of marshalling shall apply in connection with any

credit bid.

35. **SEVERABILITY:** Any provision in this Term Sheet which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

36. **NO THIRD PARTY BENEFICIARY:** No person, other than the Credit Parties, the Interim Agent, the Interim Lender and the Indemnified Persons, is entitled to rely upon this Term Sheet and the parties expressly agree that this Term Sheet does not confer rights upon any other party.

37. **COUNTERPARTS AND SIGNATURES:** This Term Sheet may be executed in any number of counterparts and by electronic transmission including "pdf email", each of which when executed and delivered shall be deemed to be an original, and all of which when taken together shall constitute one and the same instrument.

38. **NOTICES:** Any notice, request or other communication hereunder to any of the parties shall be in writing and be well and sufficiently given if delivered personally or sent email to such Person at its address set out on its signature page hereof, with a copy to counsel. Any such notice, request or other communication hereunder shall be concurrently sent to the Monitor and its counsel.

Any such notice shall be deemed to be given and received when received, unless received after 5:00 p.m. Eastern Time or on a day other than a Business Day, in which case the notice shall be deemed to be received the next Business Day.

39. **GOVERNING LAW AND JURISDICTION:** This Term Sheet shall be governed by, and construed in accordance with, the laws of the Province of Alberta and the federal laws of Canada applicable therein. Without prejudice to the ability of the Interim Agent and the Interim Lender to enforce this Term Sheet in any other proper jurisdiction, the Credit Parties irrevocably submit and attorn to the non-exclusive jurisdiction of the Court.

40. **JOINT & SEVERAL:** The obligations of the Credit Parties hereunder are joint and several.

IN WITNESS HEREOF, the parties hereby execute this Term Sheet as at the date first above mentioned.

1. On March 18, 2024, the Alberta Court of King's Bench (the "**Court**") granted an order (the "**SISP Order**") that, among other things, (a) authorized the COPL Entities to implement a sale and investment solicitation process ("**SISP**") in accordance with the terms hereof, (b) approved the Support Agreement, (c) authorized and directed the COPL Entities to enter into the Stalking Horse Purchase Agreement, and (d) approved the Break-Up Fee. Capitalized terms that are not defined herein have the meanings ascribed thereto in the Amended & Restated Initial Order granted by the Court in the COPL Entities' proceedings under the *Companies' Creditors Arrangement Act* on March 18, 2024, as amended, restated or supplemented from time to time, or the SISP Order, as applicable.

2. This SISP sets out the manner in which (i) binding bids for executable transaction alternatives that are superior to the sale transaction to be provided for in the Stalking Horse Purchase Agreement involving the shares and/or the business and assets of the COPL Entities will be solicited from interested parties, (ii) any such bids received will be addressed, (iii) any Successful Bid (as defined below) will be selected, and (iv) Court approval of any Successful Bid will be sought. Such transaction alternatives may include, among other things, a sale of some or all of the COPL Entities' shares, assets and/or business and/or an investment in the COPL Entities, each of which shall be subject to all terms set forth in this SISP.

3. The SISP shall be conducted by the COPL Entities under the oversight of KSV Restructuring Inc., in its capacity as court-appointed monitor (the "**Monitor**").

4. Parties who wish to have their bids considered shall participate in the SISP in accordance with the terms herein.

5. The SISP will be conducted such that the COPL Entities will (under the oversight of the Monitor):

    a) prepare marketing materials and a process letter;
    b) prepare and provide applicable parties with access to a data room containing diligence information;
    c) solicit interest from parties to enter into non-disclosure agreements (parties shall only obtain access to the data room and be permitted to participate in the SISP if they execute a non-disclosure agreement that is in form and substance satisfactory to the COPL Entities); and
    d) request that such parties (other than the Stalking Horse Bidder or its designee) submit (i) a letter of intent to bid that identifies the potential bidder (which, for the avoidance of doubt, may be a purchaser or an investor) and a general description of the assets and/or business(es) of the COPL Entities that would be the subject of the bid and that reflects a reasonable prospect of culminating in a Qualified Bid (as defined below), as determined by the COPL Entities in consultation with the Monitor and the Consenting Lenders (as defined in the Support Agreement) (a "**LOI**") by the LOI Deadline (as defined below) and, if applicable, (ii) a binding

offer meeting at least the requirements set forth in Section 7 below, as determined by the COPL Entities in consultation with the Monitor (a "**Qualified Bid**") by the Qualified Bid Deadline (as defined below).

g. it does not include any request for or entitlement to any break fee, expense reimbursement or similar type of payment;
h. it is not conditional upon:

8. The COPL Entities, in consultation with the Monitor, may waive compliance with any one or more of the requirements specified in Section 7 above and deem a non-compliant bid to be a Qualified Bid, provided that the COPL Entities shall not waive compliance with the requirements specified in Subsections 7(a), (b), (d), (e), (f), (g), (i) or (l) without the prior written consent of the Stalking Horse Bidder and Consenting Lenders.

9. Notwithstanding the requirements specified in Section 7 above, the transaction contemplated by the Stalking Horse Purchase Agreement (the "**Stalking Horse Transaction**"), is deemed to be a Qualified Bid, provided that, for greater certainty, no Deposit shall be required to be submitted in connection with the Stalking Horse Transaction.

10. If one or more Qualified Bids (other than the Stalking Horse Transaction) has been received by the COPL Entities on or before the Qualified Bid Deadline, the COPL Entities may proceed with an auction process to determine the successful bid(s) (the "**Auction**"), which Auction shall be administered in accordance with Schedule "A" hereto. The successful bid(s) selected within the Auction shall constitute the "**Successful Bid**". Forthwith upon determining to proceed with an Auction, the COPL Entities shall provide written notice to each party that submitted a Qualified Bid (including the Stalking Horse Transaction), along with copies of all Qualified Bids and a statement by the COPL Entities specifying which Qualified Bid is the leading bid.

If, by the LOI Deadline no LOI has been received, then the SISP shall be deemed to be terminated and the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the Support Agreement and the Stalking Horse Purchase Agreement. If no Qualified Bid (other than the Stalking Horse Transaction) has been received by the COPL Entities on or before the Qualified Bid Deadline, then the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the Support Agreement and the Stalking Horse Purchase Agreement.

12. Following selection of a Successful Bid, the COPL Entities, with the assistance of its advisors, shall seek to finalize any remaining necessary definitive agreement(s) with respect to the Successful Bid in accordance with the key milestones set out in Section 6. Once the necessary definitive agreement(s) with respect to a Successful Bid have been finalized, as determined by the COPL Entities, in consultation with the Monitor, the COPL Entities shall apply to the Court for an order or orders approving such Successful Bid and/or the mechanics to authorize the COPL Entities to complete the transactions contemplated

thereby, as applicable, and authorizing the COPL Entities to (i) enter into any and all necessary agreements and related documentation with respect to the Successful Bid, (ii) undertake such other actions as may be necessary to give effect to such Successful Bid, and (iii) implement the transaction(s) contemplated in such Successful Bid (each, an "**Implementation Order**").

13. All Deposits shall be retained by the Monitor in a non-interest bearing trust account. If a Successful Bid is selected and an Implementation Order authorizing the consummation of the transaction contemplated thereunder is granted, any Deposit paid in connection with such Successful Bid will be non-refundable and shall, upon closing of the transaction contemplated by such Successful Bid, be applied to the cash consideration to be paid in connection with such Successful Bid or be dealt with as otherwise set out in the definitive agreement(s) entered into in connection with such Successful Bid. Any Deposit delivered with a Qualified Bid that is not selected as a Successful Bid, will be returned to the applicable bidder as soon as reasonably practicable (but not later than ten (10) business days) after the date upon which the Successful Bid is approved pursuant to an Implementation Order or such earlier date as may be determined by the COPL Entities, in consultation with the Monitor.
