RESPONDENTS

**AFFIDAVIT**

I, Edmond Lu, strata council president, of 6511 Sussex Avenue, Burnaby, British Columbia, AFFIRM THAT:

1. I am an owner of a strata lot in The Owners, Strata Plan EPS 9599 (the "**Strata Corporation**"). I am the strata council president of the Strata Corporation, and have served as strata council president since the first annual general meeting of the Strata Corporation, and as such I have personal knowledge of the facts and matters hereinafter referred to save and except where the same are stated to be based upon information and belief and, whereso stated, I verily believe the same to be true.
2. The Strata Corporation governs a complex located at 6511 Sussex Avenue (the "**Development**").
3. I have been an owner of a strata lot of the Strata Corporation since December 1, 2023. I was elected to the strata council at the first annual general meeting on December 7, 2023, and I have served as president of the Strata Corporation since.
4. I have authority to swear this affidavit on behalf of the Strata Corporation.
5. For this affidavit, I have reviewed various strata records of the Strata Corporation which are kept in the usual and ordinary course of the Strata Corporation's business and operations. These records include but are not limited to: the first

annual general meeting minutes, the owner's list, past invoices charged to the Strata Corporation, statements of arrears for outstanding strata fees, statements of account for unpaid expenses, and statements of accounts sent by the Strata Corporation to its owner developer.

6. The Strata Corporation is required by law to prepare and maintain certain records including a list of owners of strata lots in the Strata Corporation (the "**List of Owners**"). The List of Owners is kept in the usual and ordinary course of business for the Strata Corporation. It is in the usual and ordinary course of business of the Strata Corporation to record in the List of Owners the strata lot numbers as shown on the strata plan, the names of the owners of each strata lot and the mailing addresses if different from the strata lot address for each strata lot of the Strata Corporation. Attached and marked as **Exhibit "A"** to this my affidavit is a true copy of the List of Owners of the Strata Corporation.
7. As outlined in the Owner's List, one of the owners of approximately 120 strata lots is the Respondent, 6511 Sussex Heights Development Ltd. ("**Sussex Heights**"). Sussex Heights is the developer of the Development, and is the owner developer of the Strata Corporation.

#### Unpaid Strata Fees

8. On December 7, 2023, the Strata Corporation held its first annual general meeting. Minutes of annual general meetings are kept in the usual and ordinary course of business for the Strata Corporation. It is in the usual and ordinary course of business of the Strata Corporation to record in the minutes of general meetings the amount of monthly strata fees for the fiscal year and any special levies payable by each strata lot. Attached and marked as **Exhibit "B"** to this my affidavit is a true copy of the minutes of the first annual general meeting of the Strata Corporation from December 7, 2023 along with the approved annual strata fees for January 1, 2024 – December 31, 2024.
9. I do not personally manage the day-to-day finances or banking of the Strata Corporation, however, any overdue accounts come to my attention as the strata council president of the Strata Corporation.
10. The amounts owing by and received from an owner in respect of a particular strata lot of the Strata Corporation are tracked and recorded by the Strata Corporation and its property manager for its records. These records include statements of account that show charges registered against a particular strata lot for unpaid strata fees and special levies as well as any payments received. It is in the usual and ordinary course of business of the Strata Corporation to record all charges and payments in respect of each strata lot of the Strata Corporation.

11. Sussex Heights, as owner of approximately 120 strata lots, has failed to pay its strata fees, and has continued to fail to make strata fee payments. The Strata Corporation has recorded the unpaid strata fees of Sussex Heights as part of its usual and ordinary course of business outlined above. Attached and marked as **Exhibit “C”** is a true copy of a resident transaction report that outlines the amounts owed by Sussex Heights, including unpaid strata fees, interest, and fines. Attached and marked as **Exhibit “D”** is a true copy of a breakdown of the unpaid strata fees owed by Sussex Heights to the Strata Corporation for each strata lot owned by Sussex Heights as of December 6, 2024.

Unpaid expenses that accrued prior to the first annual general meeting

12. When I purchased my strata lot, I was provided a copy of a disclosure statement, dated February 20, 2020, and various amendments by Sussex Heights related to the Development. The disclosure statement included an interim budget for operating expenses prior to the first annual general meeting.
13. The Strata Corporation has received invoices from various vendors regarding services provided to the Strata Corporation prior to the first annual general meeting and during the time Sussex Heights was in control of the Strata Corporation. The Strata Corporation has calculated the amounts owed for these invoices as part of the usual and ordinary course for the Strata Corporation to ensure that expenses are recorded and paid. Attached and marked as **Exhibit “E”** to this my affidavit is a true copy of an invoice summary (the **“Invoice Summary”**) outlining the invoices for services prior to the Strata Corporation’s first annual general meeting that Sussex Heights failed to pay. The total amount that Sussex Heights failed to pay during this period, as outlined in the Invoice Summary, is \$203,829.98.
14. The \$203,829.98 amount outlined in the Invoice Summary includes proportional amounts of invoices that were provided prior and after the first annual general meeting. For example, invoices for services provided from November 2023 – January 2024 were adjusted to only account for the period prior to the first annual general meeting.
15. Attached and marked as **Exhibit “F”** to this my affidavit are true copies of the individual invoices that make up the Invoice Summary. The invoices of Exhibit “F” are as follows:

## REPORT ON INSURANCE

The Community Manager took the opportunity to explain the requirements of Strata Corporation's Insurance. Section 149 of the *Strata Property Act* requires the Strata Corporation to have adequate full replacement value insurance for the common property, common assets, buildings shown on the Strata Plan and fixtures built or installed on a strata lot.

The Certificate of Insurance, attached to the meeting notice outlines the insured perils, the limits of coverage and the applicable deductibles. The water damage deductible for the Strata Corporation is \$100,000.00. The Strata Corporation's Insurance Policy is currently held with Acera Insurance and is insured for a replacement value of \$156,390,000.00 based on information received from the Normac Appraisal.

The Community Manager reminded Owners that they need to obtain their own insurance for personal property as well as third party liability coverage. In addition, individual homeowner or tenant insurance is recommended. It was also explained that additional insurance is required if an owner makes alterations to their unit (flooring, cabinets, fixtures, etc.).

Owners who are renting their suite should ensure that they inform tenants to obtain insurance as their personal contents are not covered in the event of a loss. In addition, tenants do not have access to additional living expenses in the event the suite is uninhabitable. Owners should also ensure they have loss of income insurance for rental suites.

### ***What Does Strata Insurance Cover?***

Typically, Strata Corporation Insurance Policies "insure against all risks of direct physical loss or damage to the property insured". This is subject to exclusions and deductibles.

The insured property is the building as handed over by the Developer once construction has completed. The insured property includes the building, permanently installed original fittings and fixtures, mechanical equipment, fire system and common assets.

### ***What Doesn't the Strata Insurance Cover?***

- **Contents** – The Strata Corporation's Insurance does not cover your personal belongings in the event of a loss, regardless of the cause. All Owners and Tenants must therefore have their own Personal Insurance Policy for their personal belongings ("Contents") such as furniture, clothing, electronics, etc. Further, in the event there is damage to your unit, your contents may need to be removed during the repair. The Strata Corporation's Insurance does not cover the move out or storage costs – this is covered under the Contents provision of your Personal Insurance Policy.
- **Additional Living Expenses** – You may need alternate accommodation during repairs to your unit, such as a hotel or rental unit. In the event of a significant loss, your unit could be uninhabitable for one year or greater. "Additional Living Expenses" are included in a Personal Insurance Policy to cover these out-of-pocket expenses.
- **Unit Upgrades** – The Strata Corporation's Insurance does not cover unit upgrades, whether made by yourself or a previous unit owner. It is therefore imperative you ensure any unit upgrades under your Personal Insurance Policy (sometimes known as "Unit Improvements and Betterments"). Examples of upgrades could include hardwood or laminate flooring and upgraded appliances.

- **Loss Assessment** – In the event of a Strata Corporation claim resulting from your unit, you will likely be assessed the Strata Corporation's Deductible. Please review the Notice of Annual General Meeting to obtain a copy of the Strata Corporation's Insurance Policy ("Summary of Coverages"). You must ensure your Personal Insurance Policy will cover an amount equal to the Strata Corporation's Water Damage Deductible. This is extremely important as the Strata Corporation's Water Damage Deductible is often \$10,000.00 and greater.
- **Unit Additional Protection** – One component of this extension under a Personal Insurance Policy is to provide coverage in the event the Strata Corporation's Insurance is not effective. This is very important as there could be damage to your unit which does not exceed the Strata Corporation's Policy deductible, and therefore does not trigger the Strata Corporation's Policy. Please ensure your Personal Insurance Policy includes coverage for in-suite damages that are under the Strata Corporation's Deductible for which you are responsible.
- **Earthquake** – Given the exposure to the lower mainland, we recommend that you ensure your Personal Insurance Policy includes coverage for the peril of earthquake. Some Insurers may offer a specified limit for Earthquake Deductible Coverage, for your unit's assessed portion of the Strata Corporation's Earthquake Deductible. Given the earthquake risk is present, the Strata Corporation's Earthquake Deductible is high, and we encourage "buy back" of the Strata Corporation's Deductible to the maximum amount permitted under your Personal Insurance Policy.
- **Other-Repairs and Maintenance Within a Strata Lot** – Owners must make sure that they keep everything within their strata lot in good working order and in good condition to prevent a water escape. This includes, but is not restricted to, dishwashers, washers, refrigerators with ice makers, garburators, toilets, sinks, bathtubs, water filters, hot water tanks, and any copper pipes or taps and fixtures located within the strata lot, or from any alterations done by the Owner or previous owner to the strata lot, etc. Owners should make sure cold and hot water shut off valves work properly and know the location of the valves, and how to operate them.

Owners may wish to consider employing a professional contractor to carry out regular inspections and maintenance of these in-suite items.

### **COMMUNITY MANAGER'S REPORT**

The Community Manager took the opportunity to give a brief overview of living in the Strata Corporation.

Strata lot ownership is having title to real property combining fee simple interest or leasehold interest in a strata lot with an undivided interest in the common property and common assets of a Strata Corporation with other Owners as Tenants in common. The term strata lot does not refer to any particular type of structure but is a legal arrangement in the form of ownership.

The boundaries of the strata lot are shown on the Strata Plan and consists of the area within the unit from the mid-way point of the common walls inwards. In addition, the Strata Plan may have allocated the exclusive use of some defined common property to a particular strata lot. This is referred to as limited common property and defined as such on the Strata Plan. Common property is all areas within the Strata Plan, which are not included within any strata lot.

The term unit entitlement indicates the proportionate share that each Owner has in the common property, facilities and assets of the Strata Corporation. This is the basis for the calculation of each Owner's contribution to the Operating Fund and the Contingency Reserve Fund of the Strata Corporation, which are referred to as strata fees. The unit entitlement for each strata lot is shown on the registered Strata Plan.

All Strata Corporations are governed by the *Strata Property Act*, which includes the Bylaws, which govern their affairs. These Bylaws are contained within the standard Bylaws of the *Strata Property Act* and any amendments to these will be included in the terms of sale. All Bylaws can be further amended at the Owners' discretion by way of a 3/4 vote at an Annual or Special General Meeting. Bylaws provide for the control, management, maintenance, use and enjoyment of the strata lots, common property and common assets of the Strata Corporation. Rules provide for the use, safety and condition of the common property and common assets of the Strata Corporation and can be established by the Council.

### ***Owner Responsibilities***

The responsibilities of an Owner are detailed within the Strata Corporation's Bylaws. As this is a community, each owner should act with consideration for their neighbors.

If an owner is looking to make alterations to their strata lot, they need to receive prior written approval from the Strata Council.

All Owners must pay their Strata fees on a timely basis in order to ensure the Strata Corporation has sufficient funds to meet their obligations.

### ***Renting a Strata Lot***

If an owner wants to rent their unit, a completed Form K (Notice of Tenant's Responsibilities) needs to be submitted to the Tribe Mgmt Inc. office within two weeks of renting the unit. This will ensure that the Tenant has been made aware of the Bylaws and the Rules of the Strata Corporation and agrees to abide by them as well as comply with any other conditions contained within the *Strata Property Act*. This form also protects the landlord. Once the Tenant has signed the form recognizing and agreeing to uphold the Bylaws and Rules of the Strata Corporation, they may be held responsible for any Bylaw infraction fines they are responsible for. Owners must ensure that they familiarize themselves with the Strata Corporations' Bylaws.

### ***Simple Tips for Owners***

Do's inside the home:

- Know the location of the water line shut off valves for emergency shut off use.
- Check and replace hoses as required – washing machine, dishwasher, etc. Have a plumber make sure the check valves are working properly.
- Check the condition of the seals around your bathtub, toilet, faucet and shower heads; repair or replace caulking when necessary.
- While on vacation, think about shutting off the water supply.
- Install a 4-inch lip sheet metal drain pan connecting to a floor drain underneath all in-suite washer appliances.

Don'ts inside the home:

- Do NOT hang clothes on sprinkler heads.
- Do NOT store contents and storage boxes within 24 inches of the ceiling or wall mounted sprinkler heads.
- Do NOT flush "stuff" in the toilets i.e., kitty litter, feminine products, etc.
- Do NOT leave the washing machine or dishwasher running in an empty unit.
- Do NOT use nails longer than 3/4 inches as it poses puncturing problems for hidden pipes. When using nails or drilling, be cautious of the piping inside the wall.

### ***Warranty Information***

The Community Manager advised that any and all **in-suite** deficiencies should be handled via the Homeowner's Manual. Owners are asked to refer to the Homeowner Manual given to them by the Builder/Developer at the time they took possession of their suite for instructions on how, when and where to report in-suite deficiencies. It should be noted that in-suite deficiencies must be reported before the applicable warranty period expires.

Any **common area** deficiencies should be sent to the Management Company to be forwarded to the Developer for review and completion. The Management Company's role in handling common area deficiencies is to simply forward the list to the developer and warranty provider.

### ***Warranties: What's Included?***

Under the terms of the *Homeowner Protection Act and Regulations*, the common property, common facilities and other assets of the Strata Corporation are covered under warranty with Travelers Insurance with the Common Area commenced as follows. ### **AIRSPACE PARCEL / REMAINDER AGREEMENTS**

For information only: (Reference – The Condominium Manual 2004)

At common law, a landowner has the right to control the air space above his or her land, subject to statutory restrictions for zoning, aviation and the like. A landowner may create one or more air space parcels above his or her land. The title to each air space parcel may then be dealt with separately from the other titles. Since an air space parcel is treated as land, it may be subdivided into Strata Lots with common property.

The Land Title Act permits landowners to treat their air space as if it were land by depositing a survey of the air space above their land (called an “air space plan”) at the Land Title Office. If the landowner keeps the underlying land but permits someone else to occupy the air space parcel, he or she is sometimes called the “remainderman.”

Developers have used the air space parcel concept to construct mixed-use Strata projects. This method is typically used where the same structure contains different uses. In effect, the Developer creates separate air space parcels to contain single-use Strata developments. By this means, the same complex may contain one or more separate Strata Plans, each having a different use. For example, one Strata development may be residential while another is commercial. Though they share the same complex, each Strata Corporation controls a separate portion of the structure.

Virtually every air space development involves construction of a Strata building over top of land or buildings owned by the Developer as remainderman. It is very important to ensure there are appropriate arrangements to compel the remainderman to maintain the necessary physical support and related services to the air space parcel, even if the remainderman's property suffers damage.

In each air space Strata development, there should be one or more written agreements between the Strata Corporation, as the occupier of the air space, and the remainderman, who is likely the Developer. These agreements deal with obligations of support, access, provision of utilities, insurance and other important matters.

The Owner of an air space Strata Lot must be familiar with the relevant agreements between the Strata Corporation and the remainderman. Since these agreements are usually complex, an Owner should obtain legal advice when reviewing such agreements.

## GEOTHERMAL HEATING AND COOLING

The Strata Corporation features a Geo-Exchange Heating and Cooling System (also known as a Ground Source or Geothermal System). These systems have gained in popularity due to rising energy costs and increased environmental concerns. Geo-Exchange Systems are not dependent on fossil fuels but use electricity to move energy from the earth to the building in cold weather and reject this energy from the building into the earth during warm weather.

Geo-Exchange Systems capitalize on the fact that the earth has the ability to absorb and store heat. In the Lower Mainland, just below the frost line, the ground has a constant temperature of about 12C degrees (53F). In the winter, the stored heat can be extracted from the earth through a loop system and pumped to the heat pump, which in turn circulates the heat through the duct system. In the summer, the process is reversed, as indoor heat is extracted from the air and transferred to the earth.

A Geothermal system for a Strata Corporation may include:

- Heat pumps located in each suite ducted to grille in each room.
- Piping throughout the building with circulating pumps.
- Geo-Exchange Field (vertical wells drilled 300 feet deep located under the parking garage).
- Two heating boilers (operate during peak heating loads).
- Cooling tower (operates during peak cooling loads); and
- A domestic preheat pump (to realize energy savings domestic water is preheated with a heat pump).

The heat pumps in suites operate much like a refrigerator, except heat is transferred to or from the fluid that is circulated throughout the building. This heat is then transferred to or from the Geo-Exchange Field, or during peak heating or cooling loads is supplemented by two heating boilers and one cooling tower.

## ELECTION OF STRATA COUNCIL

The Council, which will be elected at this meeting, are responsible for the day-to-day operation of the Strata Corporation and must manage and maintain the common property and common assets of the Strata Corporation for the benefit of all Owners. They will be elected by the eligible voters and must conduct themselves in accordance with the *Strata Property Act*, the Bylaws and Rules of the Strata Corporation, and any direction given by the Owners at a General Meeting.

The Council will investigate the feasibility of specific Bylaws they feel are necessary for the Strata Corporation. Each project has different requirements and concerns depending on the physical characteristics, location, common property, common assets, and the type of people residing within the Strata Corporation. Once the Council has formulated a set of Bylaws, they will be presented to the eligible voters for formal adoption at a General Meeting.

The Chairperson advised that under the Bylaws of the Strata Corporation the Council must consist of a minimum of 3 to a maximum of 7. Those persons elected to the Council at this meeting will hold office until the next Annual General Meeting.

The Chairperson explained that the people elected to Council at this meeting will hold office until the

next Annual General Meeting. The floor was then opened for nominations and/or volunteers to form the Council.

The Chairperson explained that the Strata Council is the governing body of the Strata Corporation. It is made up of Owners who are elected by the majority of the Owners attending the Annual General Meeting.

Strata Council members receive no remuneration for the hours they spend doing business, even though they are entitled to set remuneration for their services under the *Strata Property Act*.

The Strata Council has three (3) basic functions:

- To protect and enhance, to as great a degree as possible, the investments of the Owners.
- To ensure that the maintenance fees which are paid by each Owner are spent in the most efficient and effective way possible so as to keep any increases in maintenance fees to a minimum.
- And to do everything reasonably possible to promote and maintain a harmonious and pleasant atmosphere for the Owners to live in through the enforcement of the Strata's Bylaws.

The Strata Council walks a very fine and unforgiving line. It is impossible to make decisions that will please every single Owner. They can only do their best and hope that the Owners will assist them in their many tasks.

The floor was opened for nominations and/or volunteers to form the Council.

The following persons agreed to stand for Council:

- Yalan Zeng
- Edmond Lu
- Joseph Liu
- Jessie Tse

There being no further nominations, it was moved and seconded to close the nominations and to declare the nominated Owners elected by acclamation to the Strata Council.

### **TERMINATION OF MEETING**

There being no further business, it was motioned to terminate the meeting at 7:12 P.M. **CARRIED.**

### **NEXT MEETING**

The next Council Meeting will be on Thursday January 4th at 6:00 P.M. via Zoom.

**ATTENTION – Please keep these Minutes on file as a permanent legal record of your Strata Corporation's business. Replacement of either Minutes or Bylaws will be at the Owner's expense and not at the expense of the Strata Corporation.**

### GREEN WAYS TO PAY

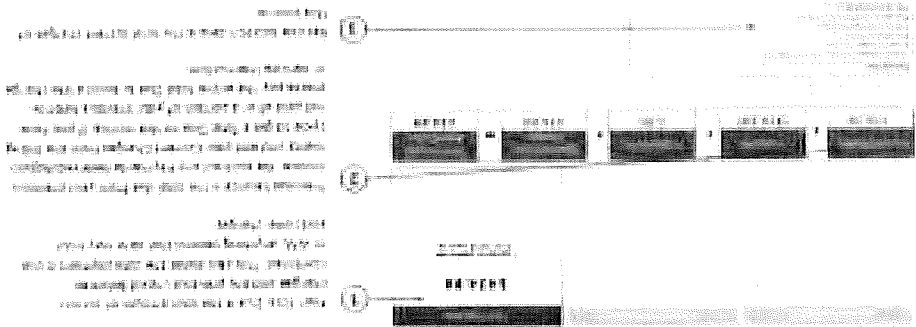

There is no charge for the use of the Green Ways to Pay program.

**Autopay**  
Set up automatic payments from your bank account.

**Online**  
The payment can be made online.

**By Phone**  
Call 800-774-0748 for more information.

### HOW TO REAP YOUR HARVEST

**1. PAY:** The household or business pays for recycling services. The payment is processed through a utility company or a dedicated recycling agency.

**2. RECYCLE:** The collected materials are taken to a recycling facility. They are sorted into different categories (e.g., paper, plastic, metal) and then processed into raw materials. These materials are then sold to manufacturers who use them to create new products.

**3. REUSE:** The recycled materials are used to create new products, which are then distributed to consumers. This completes the cycle, as consumers can then recycle these products again.

### Prevent Truck & Facility Fires

Instead of seeing these items in the garbage or recycling container, visit your county or city website for find a reusable household waste drop-off location. You can also visit [www.reusable.org](http://www.reusable.org) to find a retailer who accepts bottles for proper recycling.

- NO:**
- Propane tanks
  - Lithium-ion batteries
  - BBQ coals
  - Other hazardous items

### This summer, remember to:

- Allow coals to cool after grilling
  - Dispose of coals in a sealed metal container
  - Seal hazardous waste in your local household waste drop location
- and enjoy (lithium-ion batteries that can be found in many electronic devices) can cause garbage truck and facility fires. This includes hazardous household items that are improperly disposed of

Did you know?

To save power efficiently, means less and renewable energy in BC and which is to have about 75 percent of our total gas supply be renewable and low carbon by 2030.

Check out how we're helping the province reduce its carbon footprint at [foritiscanada.com/lowcarbon](http://foritiscanada.com/lowcarbon).

What is a gigajoule?

A gigajoule (GJ) is a measure of energy. One GJ of natural gas can:

Heat water for 95 hot showers\*

\*One hot shower uses about 100 litres of water heated to 40°C.

Reduce your usage of a water-efficient showerhead to save hot water.

The Insured has assigned and directed to Imperial PFS Canada payment of any and all unearned premiums and dividends that become payable under the policy.

If the PA is governed by the laws of the Province of Quebec, the insured has hypothecated in our favour, and directed to us payment of, any and all unearned premiums and dividends which become payable under each policy listed above.

IPFS Canada has sold the PA and all rights thereunder to its affiliate, PFS Financing Corp., which in turn has collaterally assigned and granted a security interest in the PA to UMB Bank, NA, as trustee for the benefit of various secured parties (such trustee, its successors, and designees herein called the "Trustee"). IPFS Canada will continue to act as servicer hereunder (with full right to cancel the policy) until the Trustee notifies you that a new servicer has been appointed. Until such time, all unearned premiums are payable to IPFS Canada at the address above. After such time, if the insured defaults on any payment due pursuant to the PA, the Trustee shall have the right to cancel the policy in accordance with the authority given by the insured in the PA, and all unearned premiums and loss payments shall be payable as directed by the Trustee.

**Along with the terms of the Payment Agreement the following must also be observed:**

1. All return premiums which may become payable under the financed policy which reduce the unearned premiums, subject to any mortgagee or loss payee interest, must be paid to Imperial PFS Payments Canada, ULC.
2. The policy may not be assigned, except for the interest of any mortgagee or loss payee, without written confirmation from Imperial PFS Payments Canada, ULC.
3. You must notify the named insured that the initial payment and any past due payments, which have not been collected and retained by your office, will be withdrawn from their account within the next 48 hours.
4. You must notify Imperial PFS Canada if there are any changes to the insureds address.

In the event that the above requirements are not complied with, Imperial PFS Payments Canada, ULC has the right to rescind the PA.

**Funding of the above-mentioned policy is contingent on the following:**

1. Receipt of the initial payment.
2. Initial payment being cleared within 15 days of the above date. If it is not cleared in this timeframe, this will serve as confirmation that the insured will not be financing their premiums with Imperial PFS Payments Canada, ULC. We will rescind the Payment Agreement and notify all interested parties and return any money received by Imperial PFS Payments Canada, ULC.
3. If advised by the insurance company of any discrepancies, changes or corrections that require further correspondence, Imperial PFS Payments Canada, ULC's payment will not be released until these have been resolved.

We look forward to being of service.

- B. The Strata Corporation was formed upon the deposit of Strata Plan EPS9599 in the New Westminster Land Title Office (the "**Land Title Office**") in respect of the Lands;
- C. As a condition of the rezoning to permit the construction of the Development on the Lands (the "**Rezoning**"), the Developer was required to ensure that Occupants (as hereinafter defined) of the units within the Development (each a "**Strata Lot**", and collectively, the "**Strata Lots**") would be entitled to a subsidy to assist with the cost of transit passes issued by the South Coast British Columbia Transportation Authority ("**Translink**"), in accordance with the Covenant – Alternative Transportation registered against title to the Lands in the Land Title Office under registration number CA7154302;

- F. To satisfy the foregoing, it is intended that each month during the Reimbursement Period, the Strata Corporation will reimburse the Occupants for all or a portion of the cost of purchasing one Monthly Pass up to a maximum amount of \$68.55 per Strata Lot per month (the "**Maximum Monthly Amount**"), which is equal to 50% of the cost of purchasing one two zone Monthly Pass as at the date of this Agreement, and up to a total maximum contribution by the Strata Corporation of \$22,415.85 per month (the "**Monthly Reimbursement Limit**") all on the terms and conditions set out in this Agreement;
- G. The Strata Corporation and the Developer wish to enter into this Agreement to establish the mechanism by which the Occupants will be reimbursed for a portion of the cost of purchasing electronic fares on a Compass Card; and
- H. The City wishes to become a party to this Agreement to ensure that the rights and obligations hereby created continue to enure to the benefit of, and bind, the Strata Corporation and the Developer.

**NOW THEREFORE THIS AGREEMENT WITNESSETH** that for and in consideration of the amount of \$1.00 now paid by each party to the other and the covenants and agreements herein contained, the receipt and sufficiency of which are hereby acknowledged by each of the parties, the parties hereto covenant and agree with each other as follows:

### Persons entitled to Reimbursement

1. **Persons entitled to Reimbursement.** For purposes of this Agreement and subject to section 5, "**Occupant**" means a person who occupies a Strata Lot and is either:
  - a. a registered owner of a Strata Lot (hereinafter "**Owner**" or "**Owners**"); or
  - b. a person who occupies a Strata Lot and in respect of whom the Owner of such Strata Lot delivers to the Strata Corporation notice in writing (the "**Authorization**") authorizing such person (the "**Authorized Resident**", and if more than one, the "**Authorized Residents**") to apply directly to the Strata Corporation for reimbursement in accordance with section 4. The Authorization must include: (i) the names of the Owner and the Authorized Resident; (ii) the number of the Strata Lot; and (iii) the effective start and end dates for the Authorization. An Authorization will cease to be effective on the earlier of: (a) the end date set out in the Authorization; (b) the date the Authorized Resident(s) cease to occupy the Strata Lot; and (c) the date the Owner delivers written notice to the Strata Corporation revoking or amending the Authorization, and, for greater certainty, only Owners or Authorized Residents will be entitled to apply to the Strata Corporation for reimbursement in accordance with section 4.

### Reimbursement Funds

2. **Payment by the Developer.** The Developer will pay the amount of \$268,990.20 (the "**Reimbursement Funds**") to the Strata Corporation on or before the date that is thirty (30) days after the execution of this Agreement. The amount of the Reimbursement Funds is equal to the cost of providing a 50% subsidy of a two-zone Monthly Pass to all of the Strata Lots in the Development for a 12-month period. Upon payment of the Reimbursement Funds, the parties acknowledge and agree that the Developer will not, under any circumstances, be required to pay or reimburse any further amount to the Strata Corporation or the Occupants hereunder.
3. **Use of Reimbursement Funds.** The Strata Corporation will deposit the Reimbursement Funds into a separate bank account at a financial institution approved by the Developer, acting reasonably, and will not otherwise spend, use, transfer, dispose of or otherwise deal with the Reimbursement Funds in any way whatsoever, except as provided in this Agreement.

### Reimbursements

4. **Reimbursement by Strata Corporation.** If an Occupant purchases a Monthly Pass loaded onto a Compass Card for a given month during the Reimbursement Period, then the Strata Corporation will upon such Occupant making a request for reimbursement to the Strata Corporation (each, a "**Reimbursement Request**"), use the Reimbursement Funds to reimburse such Occupant for the cost of the Monthly Pass up to the Monthly Maximum Amount, and the Strata Corporation will:

- (a) if the total dollar amount of all Reimbursement Requests received for a month is equal to or less than the Monthly Reimbursement Limit, withdraw from the Reimbursement Funds the amount required to reimburse each Occupant who has submitted a Reimbursement Request in accordance with this Agreement up to the Maximum Monthly Amount; or
- (b) if the total dollar amount of all Reimbursement Requests received for a month exceeds the Monthly Reimbursement Limit, withdraw from the Reimbursement Funds the full amount of the Monthly Reimbursement Limit in order to partially reimburse each Occupant who has submitted a Reimbursement Request in accordance with this Agreement up to the Monthly Maximum Amount, such partial reimbursement per Occupant to be calculated by dividing the Monthly Reimbursement Limit by the total number of Reimbursement Requests received for such month; or
- (c) if the total balance of the Reimbursement Funds becomes less than the Monthly Reimbursement Limit (the "Remainder Funds") and if the total dollar amount of all Reimbursement Requests received for a month exceeds the amount of the Remainder Funds, withdraw the full amount of the Remainder Funds in order to partially reimburse each Occupant who has submitted a Reimbursement Request in accordance with this Agreement, such partial reimbursement per Occupant to be calculated by dividing the Remainder Funds by the total number of Reimbursement Requests received for such month,

provided that, and subject to, the following:

- (a) the Occupant must make their request for reimbursement to the Strata Corporation for a Monthly Pass for a given month by no later than the 15th of that month, after which time the Occupant will not be eligible for any reimbursement with respect to such Monthly Pass;
- (b) the Occupant must provide:
  - (i) evidence satisfactory to the Strata Corporation, acting reasonably, that the Occupant purchased a Monthly Pass for such month and paid the face value of the Monthly Pass, failing which the Strata Corporation will not reimburse the Occupant with respect to such Monthly Pass; and
  - (ii) a signed declaration of occupancy, in the form attached hereto as Schedule "A", declaring that the Occupant occupies a Strata Lot or other proof of occupancy such as correspondence from a third party address to the Occupant at the Strata Lot;
- (c) the Strata Corporation will not reimburse any Occupant for more than one Monthly Pass for a given month and will not reimburse any Occupant an amount greater than the lesser of the face value of such Occupant's Monthly Pass and the Monthly Maximum Amount for any given month;
- (d) the Strata Corporation will not pay or reimburse any Occupant any amount hereunder in respect of a Monthly Pass for a month which is prior to the

commencement of the Reimbursement Period or which is after the expiry of the Reimbursement Period; and

- (e) for greater certainty, the Strata Corporation will not reimburse an Occupant in respect of the cost of purchasing or replacing a Compass Card, any deposits paid by the Occupant in connection with the acquisition of a Compass Card, or any fee, penalty or interest in addition to the cost of the Compass Card, whether charged by TransLink or otherwise.
5. **Multiple Occupants.** If any Strata Lot is occupied by more than one person, then, for all purposes hereunder, such occupants are collectively deemed to be the "Occupant" for such Strata Lot and, for greater certainty, the Strata Corporation will not reimburse such Occupants for more than the Monthly Maximum Amount for a given month during the Reimbursement Period (that is if there are two or more occupants of a Strata Lot, the total reimbursement for a given month will be the Monthly Maximum Amount).
  6. **End of Reimbursements.** Notwithstanding section 4 hereof, once the entirety of the Reimbursement Funds are paid to the Occupants by the Strata Corporation in accordance herewith, the Strata Corporation will no longer be required to reimburse the Occupants hereunder. For greater certainty, the Strata Corporation will continue to reimburse the Occupants until such time as the Reimbursement Funds are depleted, which may be earlier than the end dates on some Authorizations.
  7. **Records.** The Strata Corporation will keep and maintain such records and other information with respect to the matters contemplated herein (including, without limitation, with respect to the Reimbursement Funds, requests for reimbursements and any reimbursements paid to Occupants as contemplated herein) as may be sufficient so as to allow the Strata Corporation to fully observe and perform its obligations hereunder. The Strata Corporation will keep and maintain any and all such records and information for at least one year following the date upon which the Reimbursement Funds are depleted. The Strata Corporation agrees to provide to the Developer and the City, forthwith upon demand, any and all such records and information and to co-operate fully with the Developer and City in connection with any requests made by the Developer or the City with respect to the matters contemplated herein.
  8. **Changes to Fare Structure.** In the event that Translink modifies its current fare structure such that the reimbursement mechanism described herein is no longer practical, as determined by the City, then the Strata Corporation agrees to co-operate with the Developer and the City and act reasonably in determining a new mechanism by which the Occupants will be reimbursed by the Strata Corporation in connection with the purchase of transit passes which are generally equivalent in value to the Monthly Maximum Amount.

#### Performance of Obligations and Liability

9. **Performance of Obligations.** The Strata Corporation covenants and agrees with the Developer and the City that the Strata Corporation will fully comply with its covenants and obligations hereunder, failing which the Strata Corporation will, upon demand by

the Developer, forthwith pay to the Developer the Reimbursement Funds, or such portion thereof which remains in the possession of the Strata Corporation. Upon payment of the Reimbursement Funds, or such balance remaining, by the Strata Corporation to the Developer, the Developer will thereafter be responsible for all of the obligations of the Strata Corporation under this Agreement.

- 10. Fulfilment of Rezoning Obligation.** Subject to the provisions of Section 9 of this Agreement, the City and the Strata Corporation acknowledge and agree that the reimbursement of the Occupants by the Strata Corporation contemplated herein will fully satisfy and discharge any and all obligations of the Developer or any of its affiliates to provide transit passes or transit pass equivalents to the Occupants of the Strata Lots, as required in support of the Rezoning.
- 11. No Liability of City.** Notwithstanding anything to the contrary herein contained, the City is a party to this Agreement for the purposes only of receiving any rights granted to it herein, and, without limiting the generality of the foregoing, the City will not be liable for anything done or failed to be done pursuant to or associated with any provision of this Agreement or anything contemplated thereby, whether or not such act or omission was accompanied by negligence on the part of the City. The City may but is not required nor under any obligation in law or in equity to prosecute or enforce this Agreement in any way whatsoever.

#### Miscellaneous

- 12. Time.** Time is of the essence of this Agreement.
- 13. No Waiver.** No failure or delay on the part of either party in exercising any right, power or privilege under this Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Except as may be limited herein, either party may, in its sole discretion, exercise any and all rights, powers, remedies and recourses available to it under this Agreement or any other remedy available to it and such rights, powers, remedies and recourses may be exercised concurrently or individually without the necessity of making any election.
- 14. Assignment.** This Agreement may not be assigned by the Strata Corporation or the Developer without the prior written consent of the other parties hereto, which consent may be arbitrarily withheld.
- 15. Amendment.** This Agreement may be altered or amended only by an agreement in writing signed by the parties hereto.
- 16. Further Assurances.** The Strata Corporation and the Developer will at all times and from time to time and upon reasonable request do, execute and deliver all further assurances, acts and documents for the purpose of evidencing and giving full force and effect to the covenants, agreements and provisions in this Agreement.

**17. Binding Effect.** This Agreement will enure to the benefit of and be binding upon the heirs, executors, administrators, legal and personal representatives, successors and permitted assigns of the parties, as applicable.

**18. Counterparts.** This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original and all of which, taken together, will be deemed to constitute one and the same instrument.

**19. Electronic Delivery.** Delivery of an executed copy of this Agreement by any party by electronic transmission will be as effective as personal delivery of an originally executed copy of this Agreement by such party.
