THE MOTION IS FOR

1. An order abridging the time for, and validating service of, this Notice of Motion and supporting materials such that the motion is properly returnable on November 15, 2024 and dispensing with further service thereof;
2. An order approving the proposed amendments to the Receivership Order (the “**Amended and Restated Receivership Order**”), substantially in the form of the draft order included in the Motion Record, among other things:
 - (a) approving the Churchill CM Contract (defined below) and granting certain related relief; and

- (b) increasing the amount that the Receiver is empowered to borrow from KingSett Mortgage Corporation (“**KingSett**”), the principal secured creditor of the Debtors in respect of certain loan facilities extended to the Debtors, for the purpose of funding the exercise of its powers and duties (the “**Borrowing Limit**”) from \$1,000,000 to \$2,000,000; and
3. Such further and other Relief as to this Honourable Court may seem just.

THE GROUNDS FOR THE MOTION ARE

Background

1. Pursuant to an order of the Ontario Superior Court of Justice (Commercial List) issued on May 30, 2024 (the “**Receivership Order**”), KSV was appointed the Receiver of the Real Property and all present and future assets, undertakings and personal property of the Debtors, located at, related to, used in connection with or arising from or out of the Real Property, or which is necessary to the use and operation of the Real Property, including all proceeds therefrom, excluding all security granted by Churchill GP to The Toronto-Dominion Bank in connection with certain letters of credit (collectively with the Real Property, the “**Property**”);
2. Each of the Debtors is a privately held real estate development entity and is part of the larger South Shore Group of companies. Churchill GP, Southdown GP and Royal Windsor GP are the registered owners of the Real Property and hold the Real Property for the benefit of Churchill LP, Southdown LP and Royal Windsor LP, respectively. Prior to these receivership proceedings, the Debtors intended to develop three real-estate development projects on their respective Real Property (the “**Projects**”), which are all located in Mississauga, Ontario;

Retention of Leeswood and Approval of the Churchill CM Contract

3. Churchill GP is a privately held real estate development entity that owns the real property located at 759 Winston Churchill Boulevard, Mississauga, Ontario (the “**Churchill Lands**”) for the benefit of Churchill LP. The Churchill Lands are 47.15 acres and were intended to be developed into 750,354 square feet of industrial facilities, comprised of three industrial buildings (the “**Churchill Project**”). Currently, one of the buildings is complete and fully leased (the “**WC Building**”), one is partially constructed, and one has not yet commenced construction;

4. Prior to the commencement of these receivership proceedings, vehicular and pedestrian access to the WC Building was intended to be provided by way of an extension of Hazelhurst Road to Winston Churchill Blvd. (the “**Extension**”). While certain steps have been taken towards the completion of the Extension, it remains unfinished;

5. The tenant of the WC Building (the “**WC Tenant**”) has raised concerns that, without the Extension, the current alternative access to the WC Building is resulting in significant delays, additional costs and staffing issues. The Receiver has assessed the benefits and costs associated with completing the Extension and has determined that completion of the Extension will materially increase the value of the Churchill Project, and is expected to benefit both the WC Tenant and any future tenant, thereby enhancing the property’s marketability in a sales process, which is the anticipated next step in these receivership proceedings;

6. A CCDC 5A Construction Management Contract – for Services (2010) (the “**Churchill CM Contract**”) dated November 11, 2024, has been executed with Leeswood Design Build (Alberta) Ltd. (“**Leeswood**”), in the form attached as Appendix “B” to the First Report of the Receiver dated November 11, 2024 (the “**First Report**”), pursuant to which services would be

provided for the completion of the Extension. Given the limited scope of the Extension, a request for proposals was deemed unnecessary;

7. The Churchill CM Contract provides that Leeswood shall be paid a fixed construction management fee of \$132,000 plus three percent of the actual cost of all elements of the Project. Leeswood is also entitled to reimbursement for the actual expenses that it incurs performing the Services, without mark-up;

8. Leeswood is an experienced and reputable construction manager;

9. The terms of the Churchill CM Contract, including the fees and timelines set forth therein, are both favourable and reasonable;

10. If the Churchill CM Contract is not approved, the Receiver would be required to negotiate a new construction management contract with another party, which the Receiver anticipates would be on less favourable terms and cause further delay, with such result being particularly problematic given the upcoming winter season and anticipated sale process. The Extension cannot be completed during the winter due to: (i) the difficulties that would arise from the cold temperature and anticipated snow falls; and (ii) the annual shut down of asphalt plants in early winter, which would restrict the ability to procure key inputs required for the completion of the extension;

11. Completing the Extension is intended to enhance value for the Debtors' stakeholders, and engagement of a construction manager will be required for same;

12. KingSett supports the retention of Leeswood and the terms of the Churchill CM Contract;

Borrowing Limit Increase

13. Pursuant to the Receivership Order, the Receiver is empowered to borrow from KingSett for the purpose of funding the exercise of its powers and duties up to the Borrowing Limit of \$1,000,000. The payment of such borrowed monies, together with interest and charges thereon is secured by a fixed and specific charge on the Property, in priority to all security interests, trusts (including, without limitation, deemed trusts), liens, charges and encumbrances, statutory or otherwise, in favour of any person but subordinate in priority to the Receiver's Charge (as such term is defined in the Receivership Order) and the charges as set out in subsections 14.06(7), 81.4(4), and 81.6(2) of the *Bankruptcy and Insolvency Act*;

14. To date, the Receiver has not drawn on this facility, utilizing instead the rent proceeds from the WC Building;

15. Leeswood has provided a budget of \$2,732,000 to complete the Extension. The aggregate of the funds in the Receiver's estate account and the amounts available under the Borrowing Limit (approximately \$1.836 million) are not sufficient to complete the Extension;

16. Accordingly, the Receiver is seeking an additional \$1,000,000 of availability beyond the Borrowing Limit to ensure the completion of the Extension (based on the Leeswood Budget and with a reserve for unforeseen costs and other case expenses). KingSett has consented to the increase in the Borrowing Limit and has agreed to make these funds available to the Receiver pursuant to the proposed Amended and Restated Receivership Order.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the Motion:

17. The first report of KSV in its capacity as Receiver dated November 11, 2024; and

18. Such further and other evidence as the lawyers may advise and this Honourable Court may permit.
